

TRUSTRADIUS NAMES BLACKLINE 'BEST OF' IN FINANCIAL CLOSE AUTOMATION, AGAIN

Accounting automation software leader recognized for strong relationships and outstanding feature set, as rated by its customers at leading software peer reviews platform

LOS ANGELES, Jan. 12, 2022 /PRNewswire/ -- [BlackLine, Inc.](#) (Nasdaq: BL) has taken first place in two financial close categories ('Best Relationship' and 'Best Feature Set') in the second annual ['Best of Finance Software Awards'](#) presented by TrustRadius, a leading B2B software peer reviews platform.

TrustRadius awards provide unbiased recognition of B2B technology products based entirely on customer feedback. BlackLine was recognized with the first-ever 'Best Relationship Award', which highlights companies that provide their customers with accurate implementation expectations, solid follow-through on sales and marketing promises, and provide enough ROI to warrant purchasing the software again. The 'Best Feature Set' award recognizes companies with outstanding solution feature sets and functionality that have gone above and beyond to delight their users.

"Earning awards for both 'Best Feature Set' and 'Best Relationship' are testament to BlackLine's leadership position in financial close automation," said Megan Headley, VP of Research at TrustRadius. "Reviewers highlight the matching capabilities, flexible rules, data management and reporting functionality of the company's flagship cloud platform, as well as the superior customer service BlackLine provides to its global clientele."
