

## BlackLine Announces 2024 Partner Award Winners, Recognizing Excellence in Digital Finance Transformation

Annual awards program recognizes top-performing partners driving digital transformation for the Office of the CFO

LOS ANGELES, March 13, 2025 (GLOBE NEWSWIRE) -- [BlackLine, Inc.](#) (Nasdaq: BL), the intelligent financial data platform that powers the modern Office of the CFO, has announced the winners of its **2024 Global and Regional Partner Awards**, celebrating firms that have gone above and beyond in enabling organizations to achieve future-ready finance operations. This year's honorees are recognized for their deep expertise, strategic collaboration, and commitment to driving meaningful outcomes for joint customers.

In addition to its annual award categories, **BlackLine has introduced two new distinctions—Growth Accelerator and Innovation**—to spotlight partners making transformative contributions to customer growth and digital finance innovation.

"Our partners play a pivotal role in helping companies modernize their finance and accounting functions, ensuring efficiency, accuracy, and compliance," said Michael Otto, SVP of Global Alliances & Channels at BlackLine. "This year's winners exemplify the highest standards of collaboration, expertise, and impact, helping customers navigate today's challenges while preparing for the future."

### 2024 BlackLine Partner Award Winners

#### Global Partners of the Year

BlackLine's Global Partner of the Year Award recognizes the most outstanding Alliance program partner and BPO program partner who have gone above and beyond to deliver remarkable value, innovation and growth globally. This award celebrates and honors the exceptional performance, dedication, and collaboration of these firms across borders.
