whole or in part, whereupon the principal of the Loans so declared to be due and payable (and accrued interest thereon), together with the Applicable Prepayment Premium (other than in the case of acceleration of the Loans due to the Loan Parties' breach of the covenant set forth in Section 6.10) for the prepayment date with respect to such principal amount paid and accrued interest thereon, and any unpaid accrued Fees and all other liabilities of the Loan Parties accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of Holdings and the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event with respect to any of the Loan Parties described in paragraph (g) or (h) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding (and accrued interest thereon), together with the Applicable Prepayment Premium for the prepayment date with respect to such principal amount paid and accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Loan Parties accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of Holdings and the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding, and the Collateral Agent shall have the right to enforce all of the Liens created pursuant to the Security Documents and exercise on behalf of itself and the other Secured Parties all rights and remedies available to it and the other Secured Parties under the Loan Documents or applicable law, including the right to appoint a receiver.

If the Obligations are accelerated for any reason, including because of default, Disposition or encumbrance (including that by operation of law or otherwise), the Applicable Prepayment Premium will also be due and payable on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest that has been capitalized and added to principal) of the Loans (but not any other amounts) as though said indebtedness was voluntarily prepaid and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof. Any Applicable Prepayment Premium payable above shall be presumed to be the liquidated damages sustained by each Lender as the result of the early termination and the Borrower agrees that it is reasonable under the circumstances currently existing. The Applicable Prepayment Premium shall also be payable in the event the Obligations (and/or this Agreement or the Notes evidencing the Obligations) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION**.** The Borrower expressly agrees that: (A) the Applicable Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; and (D) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Borrower expressly acknowledges that its agreement to pay the Applicable Prepayment Premium to Lenders as herein described is a material inducement to Lenders to make the Loans.

SECTION 7.02. ***Right to Cure***.

(a) Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails to comply with the requirements of the covenant set forth in Section 6.10, during the period beginning on the first day following the applicable fiscal quarter (i.e., the last fiscal quarter in the period of non-compliance with the covenant set forth in Section 6.10) until the expiration of the 15th day

subsequent to the date the Compliance Certificate to be delivered pursuant to Section 5.04(c) for such fiscal quarter is required to be delivered (the "***Cure Date***"), Holdings shall have the right to use cash proceeds of any equity contribution (in the form of Qualified Capital Stock) to Holdings during such period (any such equity contribution to Holdings to exercise the Cure Right pursuant to this Section, a "***Cure Contribution***") or any issuance of Equity Interests by Holdings (other than any issuance of Disqualified Stock) during such period (any such Equity Interests issued by Holdings to exercise the Cure Right pursuant to this Section, "***Cure Securities***") to make an equity contribution to, or purchase equity of, the Borrower in each case, in the form of Qualified Capital Stock (collectively, the "***Cure Right***"), and upon the receipt by the Borrower of such cash (the "***Cure Amount***") pursuant to the exercise by Holdings of such Cure Right and written request to the Administrative Agent to effect such recalculation, the covenant set forth in Section 6.10 shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated Revenue shall be increased for such fiscal quarter (and any four fiscal quarter-period that includes such fiscal quarter), solely for the purpose of measuring the covenant set forth in Section 6.10 and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; and

(ii) if, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 6.10, the Borrower shall be deemed to have satisfied the requirements of the covenant set forth in Section 6.10 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the covenant set forth in Section 6.10 that had occurred shall be deemed cured for the purposes of this Agreement.

(b) Notwithstanding anything herein to the contrary (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right may be exercised no more than four times, (iii) the Cure Amount shall be no greater than the amount required for purposes of causing the Borrower to comply with the covenant set forth in Section 6.10, (iv) the proceeds of a Cure Contribution or Cure Securities shall be used to prepay the Loans (and such prepayment shall not be subject to the Applicable Prepayment Premium) and the Loans shall be deemed repaid for the purposes of recalculating the covenant set forth in Section 6.10.

(c) Upon the Administrative Agent's receipt of a notice from the Borrower that it intends to exercise the Cure Right (a "***Notice of Intent to Cure***"), until the 15th day subsequent to the date of required delivery of the related Compliance Certificate delivered pursuant to Section 5.04(c) to which such Notice of Intent to Cure relates, neither the Administrative Agent nor any Lender shall exercise the right to accelerate payment of the Loans or terminate or suspend the Commitments nor take any other remedy pursuant to Section 7.01 or otherwise and neither the Collateral Agent nor any other Lender shall exercise any right to foreclose on or take possession of the Collateral solely on the basis of an allegation of an Event of Default having occurred and being continuing under Section 7.01 due to failure by the Borrower to comply with the requirements of the covenant set forth in Section 6.10 for the applicable period.

ARTICLE VIII

The Administrative Agent and the Collateral Agent

Each of the Lenders hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Article VIII, the Administrative Agent and the Collateral Agent are referred to collectively as the "***Agents***") its agent and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents.

The Person serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Person and its affiliates may provide debt financing, equity capital or other services (including financial advisory services) to any of the Loan Parties (or any Person engaged in similar business as that engaged in by any of the Loan Parties) as if such Person was not performing the duties specified herein, and may accept fees and other consideration from any of the Loan Parties for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08), and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the Person serving as the Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08) or in the absence of its own gross negligence or willful misconduct as finally judicially determined by a court of competent jurisdiction. Neither Agent nor any Lender shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent or such Lender by Holdings, the Borrower or a Lender, and neither Agent nor any Lender shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or such Lender.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit Facility as well as activities as Agent.

Subject to the appointment and acceptance of a successor Agent as provided below, either Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default), to appoint a successor other than any Excluded Lender. If no successor shall have been so appointed by the Required Lenders (with the Borrower's written consent, subject to the limitations on consent in the immediately preceding sentence) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent (other than any Excluded Lender) with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default) which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Agent hereunder by a successor (who shall not be an Excluded Lender and any attempted appointment of an Excluded Lender shall be absolutely void *ab initio*), such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. If within 30 days after written notice is given of the resigning Agent's resignation under this Article VIII no successor Agent shall have been appointed and shall have accepted such appointment, then on such 30th day (a) the retiring Agent's resignation shall become effective, (b) the retiring Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent that is not an Excluded Lender as provided above. The Borrower shall pay the reasonable and documented out-of-pocket fees of a successor Agent that is not an Excluded Lender and that is not appointed in violation of this paragraph. After an Agent's resignation hereunder, the provisions of this Article VII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Each Lender hereby further authorizes the Collateral Agent, on behalf of and for the benefit of Lenders, to enter into the Intercreditor Agreement and into each Security Document as secured party and to be the agent for and representative of the Lenders thereunder, and each Lender agrees to be bound by the terms of each Security Document and the Intercreditor Agreement; *provided* that the Collateral Agent shall not (i) enter into or consent to any material amendment, modification, termination or waiver of any provision contained in any Security Document or the Intercreditor Agreement or (ii) release any Collateral (except as otherwise expressly permitted or required pursuant to the terms of this Agreement, the Intercreditor Agreement or the applicable Security Document), in the case of each of clauses (i) and

(ii) without the prior consent of Required Lenders (or, if required pursuant to Section 9.08, all Lenders); *provided further*, *however*, that, without further written consent or authorization from the Lenders, the Collateral Agent may execute any documents or instruments necessary to (a) release any Lien encumbering any item of Collateral (1) that is the subject of a sale or other Disposition of assets permitted by this Agreement, the other Loan Documents or to which Required Lenders have otherwise consented or (2) upon the payment in full of the Obligations (other than contingent indemnity claims or expense reimbursement obligations not yet asserted), (b) release any Subsidiary Guarantor from the Guarantee and Collateral Agreement if all of the Equity Interests of such Subsidiary Guarantor are sold or otherwise Disposed of to any Person (other than an Affiliate of a Loan Party) pursuant to a sale or other Disposition permitted hereunder or under any of the other Loan Documents or to which Required Lenders have otherwise consented or (c) subordinate the Liens of the Collateral Agent, on behalf of the Secured Parties, to any Liens permitted by Section 6.02. Anything contained in any of the Loan Documents to the contrary notwithstanding, Holdings, the Borrower, the Collateral Agent and each Lender hereby agree that (1) no Lender shall have any right individually to realize upon any of the Collateral under or otherwise enforce any Security Document or the Intercreditor Agreement, it being understood and agreed that all powers, rights and remedies under the Security Documents and the Intercreditor Agreement may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (2) in the event of a foreclosure by either on any of the Collateral pursuant to a public or private sale, either Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Collateral Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Notwithstanding anything to the contrary herein, the Collateral Agent shall be permitted to take any action it is authorized to take under any Loan Document or the Intercreditor Agreement.

In case of the pendency of any case or proceeding under the Bankruptcy Code or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.05, Section 2.13, Section 2.17, and Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.05 and Section 9.05.

SECTION 9.02. ***Survival of Agreement***. All covenants, agreements, representations and warranties made by Holdings or the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other Obligation (other than contingent indemnity claims or expense reimbursement obligations not yet asserted) payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Section 2.12, Section 2.13, Section 2.17 and Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03. ***Binding Effect***. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower, the Collateral Agent and the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

SECTION 9.04. ***Successors and Assigns***.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of Holdings, the Borrower, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees (which, for the avoidance of doubt, shall not be any Excluded Lender) all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it), with the prior written consent of the Borrower and the Administrative Agent (not to be unreasonably withheld or delayed); *provided*, *however*, that (i) the consent of the Borrower shall not be required to any such assignment made (A) to another Lender or an Affiliate of a Lender, or (B) after the occurrence and during the continuance of any Designated Event of Default; *provided* that, notwithstanding anything to the contrary in this Agreement, the Borrower shall retain its right to consent in writing to an assignment to any Excluded Lender at all times, (ii) unless otherwise consented to in writing by the Borrower and the Administrative Agent, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to when such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than, $1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans), (iii) the parties to each such assignment shall manually execute and deliver to the Administrative Agent an Assignment and Acceptance, together with, unless waived by the Administrative Agent, a processing and recordation fee of $3,500 (*provided* that only one such fee shall be payable in the case of concurrent assignments to Persons that, after giving effect to such assignments, will be Related Funds), and (iv) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms. Upon acceptance and recording pursuant to paragraph (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of, and subject to the requirements of, Section 2.12, Section 2.13, Section 2.17 and Section 9.05).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto (including the Borrower) as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim; (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any

Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 5.04 and such other documents and information as it has deemed reasonably appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall maintain at its principal executive offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). Absent manifest error, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and, if required, the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) notify the Borrower of such acceptance. The Administrative Agent shall promptly record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e). This Section 9.04(e) shall be construed so that any Commitment, Loan or other Obligation under the Loan Documents is in registered form under Section 5f103-1(c) of the United States Treasury Regulations.

(f) Each Lender may without the consent of the Borrower or the Administrative Agent sell participations to one or more banks or other Persons (in each case, other than to an Excluded Lender) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided, however*, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Section 2.12 and Section 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17 and it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender) to the same extent as if they were Lenders (but, with respect to any particular participant), to no greater extent than the Lender that sold the participation to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after

the participant acquired the applicable participation, (iv) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing any Guarantor (other than in connection with the sale of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral) and (v) such bank or other Person shall not be an Excluded Lender. Notwithstanding anything to the contrary, no Lender shall enter into any agreement with any participant that will permit such participant to influence or control the voting rights of such Lender with respect to the Loans or Obligations (and no participant shall have or receive any voting rights with respect to the Loans or Obligations) except with regard to (i) decreases in the principal amount of, or extending the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waiving or excusing any such payment or any part thereof, or decreasing the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than any waiver of any increase in the interest rate applicable to the Loans as a result of the occurrence of an Event of Default and other than any waiver or extension of any mandatory prepayment), (ii) increasing or extending the Commitment or decreasing or extending the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such participant, or (iii) amending or modifying the pro rata requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of Section 9.08(b)(i)—(iii).

(g) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be *prima facie* evidence absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that, prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary and commercially reasonable exceptions) to bound by or preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(i) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender; *provided* that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(j) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle that is not an Excluded Lender (an "***SPC***"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPC may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in the Loans to the Granting Lender or to any financial institutions that are not Excluded Lenders (consented to by the Borrower and the Administrative Agent) providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Loans and (ii) disclose on a confidential basis (upon receiving a signed agreement to be bound to confidentiality provisions similar to those in Section 9.16) any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC. A Granting Lender that transfers all or any portion of its Loan to an SPC shall maintain a register that complies with the requirements set forth in Section 9.04(g).

(k) Neither Holdings nor the Borrower shall assign or delegate any of its rights or duties hereunder without the prior written consent of the Administrative Agent and each Lender. Notwithstanding anything to the contrary, any attempted assignment that is not permitted by the terms hereunder shall be absolutely void ab initio.

SECTION 9.05. ***Expenses; Indemnity***.

(a) Holdings and the Borrower agree, jointly and severally, to pay all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees (limited to one transactional counsel and one local counsel in each relevant jurisdiction) and reasonable and documented out-of-pocket fees, costs and expenses of accountants, advisors and consultants, incurred by the Administrative Agent, the Collateral Agent and their one counsel in the negotiation, preparation and administration of this Agreement and the other Loan Documents including reasonable and documented out-of-pocket travel costs and costs and expenses (not to exceed $7,500 in any fiscal year of Holdings related to the obtaining and maintenance of credit ratings) or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or relating to efforts to evaluate or assess any Loan Party, its business or financial condition or protect, evaluate, assess or Dispose of any of

the Collateral; and all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees (limited to one transactional counsel and one local counsel in each relevant jurisdiction), fees, costs and expenses of accountants, advisors and consultants and costs of settlement, incurred by the Administrative Agent, the Collateral Agent and Lenders in enforcing any Obligations of or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents (including in connection with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Loan Documents) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings. Notwithstanding the foregoing, the parties hereto agree that Holdings, the Borrower and the other Loan Parties shall not be required to pay costs and expenses incurred on or prior to the Closing Date in connection with the primary syndication of the Credit Facility and the negotiation, preparation and administration of this Agreement and the other Loan Documents in excess of $300,000.

(b) Holdings and the Borrower agree, jointly and severally, to indemnify the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "***Indemnitee***") against, and to hold each Indemnitee harmless from, any and all losses (other than lost profits), claims, damages, liabilities and related expenses, including reasonable and documented out-of-pocket counsel fees of one counsel and one local counsel in each relevant jurisdiction, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated thereby, (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto or the plaintiff or defendant thereunder (and regardless of whether such matter is initiated by a third party, a Lender, or by Holdings, the Borrower, any other Loan Party or any of their respective Affiliates), or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or its Affiliates, (B) result from a successful claim brought by the Borrower or any other Loan Party against an Indemnitee for a material breach of such Indemnitee's material obligations hereunder or under any other Loan Document or (C) arise from disputes arising solely among Indemnitees that do not involve any act or omission by any Loan Party or its Affiliates (other than claims, damages, liabilities and related expenses against an Agent acting solely in its capacity as such, but not with respect to any other Person that is party to such dispute with an Agent).

(c) To the extent that Holdings and the Borrower fail to pay any amount required to be paid by them to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section 9.05(c), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the outstanding Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable within 10 Business Days of demand therefor.

SECTION 9.06. ***Right of Setoff***. If an Event of Default shall have occurred and be continuing, each Secured Party is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party to or for the credit or the account of Holdings or the Borrower against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Secured Party under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Secured Party may have.

SECTION 9.07. ***Applicable Law***. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

SECTION 9.08. ***Waivers; Amendment***.

(a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings or the Borrower in any case shall entitle Holdings or the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower, Holdings and the Required Lenders; *provided*, *however*, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waive or excuse any such payment or any part thereof, or decrease the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than any waiver of any increase in the interest rate applicable to the Loans as a

result of the occurrence of an Event of Default and other than any waiver or extension of any mandatory prepayment), (ii) increase or extend the Commitment or decrease or extend the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such Lender, (iii) amend or modify the *pro rata* requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of this Section 9.08(b) or release any Guarantor (other than in connection with the sale or other disposition of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral, without the prior written consent of each Lender, (iv) modify the protections afforded to an SPC pursuant to the provisions of Section 9.04(j) without the written consent of such SPC, or (v) reduce the percentage contained in the definition of the term "Required Lenders" without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Commitments on the date hereof); *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent.

SECTION 9.09. ***Interest Rate Limitation***. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the "***Charges***"), shall exceed the maximum lawful rate (the "***Maximum Rate***") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.10. ***Entire Agreement***. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. ***WAIVER OF JURY TRIAL***. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. ***Severability***. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. ***Counterparts***. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 9.14. ***Headings***. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. ***Jurisdiction; Consent to Service of Process***.

(a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Holdings, the Borrower, or their respective properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court located in the City of New York, Borough of Manhattan, or of the United States of America sitting in the Southern District of New York. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16. ***Confidentiality***. Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom

such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, but only to the extent required or desirable in connection with such exercise or enforcement, (e) subject to an agreement containing provisions substantially the same as those of this Section 9.16, to (i) to the extent not an Excluded Lender, any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to Holdings, the Borrower or any Subsidiary or any of their respective obligations, (f) with the written consent of the Borrower or (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16 by any Agent, any Lender or any of their Related Parties. For the purposes of this Section 9.16, "Information" shall mean all information received from Holdings, the Borrower or any Subsidiary and related to Holdings, the Borrower or any Subsidiary or their business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a nonconfidential basis prior to its disclosure by Holdings, the Borrower or any Subsidiary; *provided* that with respect to clause (c) above, if the Administrative Agent, the Collateral Agent or any Lender receives a subpoena, interrogatory or other request (verbal or otherwise) for any Information, or believes that it is legally required to disclose any of the Information to a third party, it shall, in advance of such disclosure, to the extent practicable and legally permissible, promptly provide to the Borrower written notice of any such request or requirement so that Borrower or the applicable Loan Party (or Subsidiary thereof) may seek a protective order or other remedy; *provided*, *further*, that it shall (1) exercise reasonable efforts to preserve the confidentiality of such Information, (2) to the extent legally permissible and practicable, use commercially reasonable efforts to provide Borrower, in advance of such disclosure, with copies of any Information it intends to disclose (and, if applicable, the text of the disclosure language itself), and (3) reasonably cooperate at the reasonable cost and expense of the Borrower with the Borrower or applicable Loan Party (or Subsidiary thereof) to the extent Borrower or such Loan Party (or Subsidiary thereof) seeks to limit such disclosures. Notwithstanding anything to the contrary herein or in any other Loan Document or otherwise, each of the Administrative Agent, the Collateral Agent and the Lenders agrees not to disclose any Information to any Excluded Lender under any circumstance. Except with respect to disclosing any Information to an Excluded Lender, any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.17. ***USA PATRIOT Act Notice***. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Holdings, the Borrower and the Subsidiary Guarantors that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies Holdings, the Borrower and the Subsidiary Guarantors, which information includes the name and address of Holdings, the Borrower and the Subsidiary Guarantors and other information that will allow such Lender or the Administrative Agent, as applicable, to identify Holdings, the Borrower and the Subsidiary Guarantors in accordance with the USA PATRIOT Act.

Each of the Borrower and, by its acceptance hereof, the Lender, agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each of the Borrower and, by its acceptance hereof, the Lender, irrevocably and unconditionally waives, to the fullest extent that it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Note in any court located in the City of New York, Borough of Manhattan, or the United States of America sitting in the Southern District of New York. ARTICLE II

Guarantee

SECTION 2.01. ***Guarantee.*** Each Guarantor unconditionally guarantees, jointly with the other Guarantors and severally, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Borrower Obligations (the "***Guaranteed Obligations***") when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Guaranteed Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Borrower or any other Loan Party of any Guaranteed Obligation, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment. Notwithstanding anything contained herein to the contrary, the Obligations of each Subsidiary Guarantor at any time shall be limited to the maximum amount as will result in the Obligations of such Subsidiary Guarantor under this Agreement not constituting a fraudulent transfer or conveyance for purposes of any Bankruptcy Law to the extent applicable to this Agreement and the Obligations of such Subsidiary Guarantor hereunder

SECTION 2.02. ***Guarantee of Payment.*** Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations or to any balance of any Deposit Account or credit on the books of the Collateral Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. ***No Limitations, Etc.*** (a) Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 7.16, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations) and a partial payment in cash of the Guaranteed Obligations), including any claim of

waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall be valid and enforceable and shall not be discharged, terminated, reduced, impaired or otherwise affected by, whether Guarantor shall have had notice or knowledge of any of them, (i) the failure or omission of the Collateral Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or applicable law, (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document, including with respect to any other Guarantor under this Agreement, (iii) the release of, or any impairment of or failure to perfect any Lien on or security interest in, any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations or any of them, (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations, (v) the existence of any dispute between the Borrower and any Secured Party with respect to the existence of any Event of Default, (vi) any defenses, set offs or counterclaims which the Borrower may allege or assert against any Secured Party in respect of the Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury or (vii) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash of all the Guaranteed Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations)). Each Guarantor expressly authorizes the Collateral Agent to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in its sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of the Borrower or any other Loan Party or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Loan Party, other than a defense (i) of the payment in full in cash of all the Guaranteed Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations) or (ii) that no Guaranteed Obligations are yet due and payable. The Collateral Agent may, at its election, upon the occurrence and during the continuance of an Event of Default, in accordance with the Loan Documents and applicable law, foreclose on any security held by any Secured Party by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with the Borrower or any other Loan Party or exercise any other right or remedy available to it against the Borrower or any other Loan Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been fully and paid in full in cash (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations). To the fullest extent permitted by applicable law, each Guarantor waives for the benefit of the Secured Parties: (i) any right to

require any Secured Party, as a condition of payment or performance by such Guarantor, to (A) proceed against the Borrower, any other guarantor (including any other Guarantor) of the Obligations or any other Person, (B) proceed against or exhaust any security held from the Borrower, any such other guarantor or any other Person, (C) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Secured Party in favor of the Borrower or any other Person, or (D) pursue any other remedy in the power of any Secured Party whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Borrower or any other Guarantor from any cause other than the payment in full in cash of the Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations); (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon any Secured Party's errors or omissions in the administration of the Obligations; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (B) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (C) any rights to set offs, recoupments and counterclaims, and (D) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (vi) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, notices of any renewal, extension or modification of the Obligations or any agreement related thereto, notices of any extension of credit to the Borrower and notices of any of the matters referred to in this Section 2.03 and any right to consent to any thereof; and (vii) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

(c) Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than the payment in full in cash of the Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations). In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(i) Each Guarantor agrees the obligations of each Guarantor hereunder are independent of the obligations of the Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of the Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against the Borrower or any of such other guarantors and whether or not the Borrower is joined in any such action or actions;

(ii) payment by any Guarantor of a portion, but not all, of the Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Obligations which has not been paid; and without limiting the generality of the foregoing, if the Collateral Agent is awarded a judgment in any suit brought to enforce

any Guarantor's covenant to pay a portion of the Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Obligations; and

(iii) any Secured Party, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (a) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Obligations; (b) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (c) request and accept other guaranties of the Obligations and take and hold security for the payment hereof or the Obligations; (d) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Obligations; (e) enforce and apply any security now or hereafter held by or for the benefit of such Secured Party in respect hereof or the Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Secured Party may have against any such security, in each case as such Secured Party in its discretion may determine consistent herewith and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against the Borrower or any security for the Obligations; and (f) exercise any other rights or remedies available to it under the Loan Documents.

SECTION 2.04. ***Reinstatement.*** Each Guarantor agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy or reorganization of the Borrower, any other Loan Party or otherwise.

SECTION 2.05. ***Agreement To Pay; Subrogation.*** In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Loan Party to pay any Guaranteed Obligation when and as the same shall become due and payable, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code), each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Obligation plus any accrued and unpaid interest on such Obligation (including interest which, but for the

Borrower's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Obligations whether or not a claim is allowed against the Borrower for such interest in the related bankruptcy case). Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI. If any payment shall be required to be made to any Secured Party under this Agreement, each Guarantor hereby unconditionally and irrevocably agrees it will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and the Borrower so as to maximize the aggregate amount paid to the Secured Parties under or in connection with the Loan Documents.

SECTION 2.06. ***Information.*** Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Loan Party's financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that neither the Collateral Agent nor any other Secured Party will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

ARTICLE III

Each Grantor will promptly (and in any event within ten (10) Business Days (or such later date as permitted by Collateral Agent in its sole discretion)) give to the Collateral Agent copies of any material notices or other material communications received by it with respect to Pledged Securities in its capacity as the registered owner thereof. The Collateral Agent shall at all times have the right to exchange the certificates representing Certificated Pledged Stock for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

SECTION 3.06. ***Voting Rights; Dividends and Interest, Etc.*** (a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given the Grantors not less than two (2) Business Days' prior written notice of its intent to exercise its rights under this Agreement, subject to the Intercreditor Agreement:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents;

(ii) The Collateral Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are not prohibited by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable law; *provided*, *however*, that any noncash dividends, interest, principal or other distributions that would constitute Pledged Stock or Pledged Debt Securities of the type required to be delivered to the Collateral Agent (or the Revolving Loan Agent) in accordance with paragraphs (a) and (b) of Section 3.02, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall, subject to the terms and conditions of this Agreement, be and become part of the Pledged Collateral, and, if received by any Grantor, shall be held separate and apart by such Grantor from any of its other funds or property, shall be held in trust for the ratable benefit of the Secured Parties and the Revolving Loan Agent and shall be promptly (and in any event within ten (10) Business Days (or such later date as permitted by Collateral Agent in its sole discretion)) delivered to the Collateral Agent (or the Revolving Loan Agent pursuant to the Intercreditor Agreement) in the same form as so received (with any necessary endorsement or instrument of assignment).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have given the Grantors not less than two (2) Business Days' prior written notice, subject to the Intercreditor Agreement, of the suspension of their rights under paragraph (a)(iii) of this Section 3.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 3.06 shall cease, and, subject to the Intercreditor Agreement, all such rights shall thereupon become vested in the Collateral Agent and the Revolving Loan Agent subject to the provisions of the Intercreditor Agreement, which, together, shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. After such an Event of Default is no longer continuing, each Grantor shall have the right to receive the dividends, interest, principal or other distributions which it would be authorized to

All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 3.06 shall be held separate and apart by such Grantor from any of its other funds or property and shall be held in trust for the benefit of the Collateral Agent and the Revolving Loan Agent shall be forthwith delivered to the Collateral Agent (or the Revolving Loan Agent pursuant to the Intercreditor Agreement)in the same form as so received (with any necessary endorsement or instrument of assignment). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02. (c) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have given the Grantors not less than two (2) Business Days' prior written notice, subject to the Intercreditor Agreement, of the suspension of their rights under paragraph (a)(i) of this Section 3.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.06, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 3.06, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers, until no Event of Default is continuing; *provided* that the Collateral Agent shall have the right, in its sole discretion, from time to time following the occurrence and continuance of an Event of Default and after providing the two (2) Business Days' notice mentioned above to permit such Grantor to exercise such rights under paragraph (a)(i) of this Section 3.06. After such Event of Default is no longer continuing, each Grantor shall have the right to exercise the voting and consensual rights and powers that it would otherwise be entitled to pursuant to paragraph (a)(i) of this Section 3.06

ARTICLE IV

SECTION 4.01. ***Security Interest.*** (a) As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby assigns and pledges to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest (the "***Security Interest***"), in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "***Article 9 Collateral***"):

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all cash and Deposit Accounts;

(iv) all Documents;

(v) all Equipment;

(vi) all Fixtures;

(vii) all General Intangibles;

(viii) all Instruments;

(ix) all Inventory;

(x) all Investment Property;

(xi) all Intellectual Property;

(xii) all Letter-of-Credit Rights;

(xiii) all Commercial Tort Claims as set forth in Schedule IV;

(xiv) all Motor Vehicles;

(xv) all books and records pertaining to the Article 9 Collateral; and

(xvi) to the extent not otherwise included, all other personal property of each Grantor, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing;

provided, that, (a) notwithstanding anything to the contrary, "Article 9 Collateral" shall not include Excluded Assets and (b) notwithstanding the foregoing, unless requested by the Collateral Agent following the occurrence and during the continuation of an Event of Default, no Grantor shall be required to take any action to perfect the Security Interest in Motor Vehicles to the extent such Security Interest cannot be perfected solely by the filing of financing statements (or similar documents).

(b) Each Grantor hereby irrevocably (until this Agreement is terminated in accordance with Section 7.16) authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction as determined by the Collateral Agent in its good faith discretion any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) describe the collateral in the same manner as described herein or contain a description of collateral that describes such property in any other manner as the Collateral Agent may determine, in its sole discretion, is necessary,

advisable or prudent to ensure the perfection or priority of the security interest in the collateral granted to the Collateral Agent in connection herewith, including, describing such property as "all assets whether now owned or hereafter acquired" or "all personal property whether now owned or hereafter acquired" (regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Uniform Commercial Code) and (ii) contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates; provided that the Collateral Agent agrees to provide, upon request of any Grantor, written evidence to any Person that a security interest in favor of the Collateral Agent does not extend to any Excluded Assets. Each Grantor agrees to provide such information to the Collateral Agent promptly (and in any event within ten (10) Business Days, or such later date as the Agent may agree in its sole discretion) upon reasonable written request.

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Grantor, and naming any Grantor or the Grantors as debtors and the Collateral Agent as secured party, including the Copyright Security Agreement, the Patent Security Agreement and the Trademark Security Agreement.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

SECTION 4.02. ***Representations and Warranties.*** The Grantors jointly and severally represent and warrant to the Collateral Agent, for the benefit of the Secured Parties, on each date that the representations and warranties in Article III of the Credit Agreement are made, that:

(a) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens expressly permitted pursuant to Section 6.02 of the Credit Agreement. No Grantor has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office, (iii) any notice under the Assignment of Claims Act, or (iv) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens expressly permitted pursuant to Section 6.02 of the Credit Agreement. No Grantor holds any Commercial Tort Claims in an amount reasonably estimated to exceed $250,000 individually or $750,000 in the aggregate except as indicated on Schedule IV.

(b) As of the date hereof, each Grantor has good and valid rights in and title to substantially all of the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and no consent or approval of any other Person is required for the grant of the security interest by such Grantor of the Collateral pledged by it pursuant to this Security Agreement, except for (a) such consents which have been obtained prior to the date hereof and (b) in the case of any Collateral located in or governed by law in a jurisdiction outside the United States, such actions as may be required by applicable foreign laws affecting the grant of the security interest in such Collateral.

(c) The Perfection Certificate has been duly executed and the information set forth therein (including (x) the exact legal name of each Grantor and (y) the jurisdiction of organization of each Grantor) is correct and complete in all material respects as of the Closing Date (or as of such earlier date to the extent such information relates to an earlier date).

(d) On the date hereof, the fair market value of all Motor Vehicles owned by the Grantors does not exceed $200,000.

SECTION 4.03. ***Covenants.***

(a) Each Grantor shall, at its own expense, take any and all actions necessary to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof (subject to the Intercreditor Agreement), against any Lien not otherwise permitted pursuant to Section 6.02 of the Credit Agreement.

(b) Subject to the limitations expressly set forth herein or in the Credit Agreement, and except where the cost exceeds the practical benefits to the Secured Parties as reasonably and mutually agreed by Borrower and Collateral Agent in accordance with Section 4.05, each Grantor agrees, at its own expense, promptly to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all other actions as the Collateral Agent may from time to time reasonably request to better assure, obtain, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and Taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing or continuation statements (including fixture filings) or other documents in connection herewith or therewith.

Without limiting the generality of the foregoing, each Grantor hereby authorizes the Collateral Agent, with prior written notice thereof to the Grantors, to supplement this Agreement by supplementing Schedule III or adding additional schedules hereto to identify specifically any asset or item of a Grantor that may, in the Collateral Agent's reasonable judgment, constitute Copyrights, Licenses, Patents or Trademarks; *provided* that any Grantor shall have the right, exercisable within 10 days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Grantor hereunder with respect to such Collateral. Each Grantor agrees that it will use its best efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Collateral.

Notwithstanding anything herein to the contrary, no foreign law perfection actions or foreign law opinion letters shall be required with respect to any Collateral other than Material Foreign Assets.

(c) At its option, during the continuance of an Event of Default, subject to any applicable provisions in the Interecreditor Agreement, the Collateral Agent may discharge past due Taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not expressly permitted pursuant to Section 5.03 or Section 6.02 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent within ten (10) Business Days of demand for any payment made or any expense incurred by the Collateral Agent pursuant to the foregoing authorization; *provided, however*, that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to Taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable and documented out-of-pocket attorney's fees, court costs, expenses and other charges relating thereto and incurred in accordance with Section 9.05 of the Credit Agreement, shall be additional Secured Obligations secured hereby.

(d) Each Grantor, at its own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Inventory and Equipment in accordance with the requirements set forth in Section 5.02 of the Credit Agreement. Subject to the Intercreditor Agreement, each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, upon the occurrence and only during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required under the Credit Agreement or to pay any premium in whole or part relating thereto that would rise to a level of an Event of Default existing under Section 5.02 of the Credit Agreement, the Collateral Agent may, without waiving or releasing any obligation or liability of any Grantor hereunder or any Default or Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other reasonable actions with respect thereto as the Collateral Agent deems advisable. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable and documented out-of-pocket attorneys' fees, court costs, expenses and other charges relating thereto and incurred in accordance with Section 9.05 of the Credit Agreement, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

(e) Each Grantor shall maintain, in form and manner reasonably satisfactory to the Collateral Agent, records of its Chattel Paper and its books, records and documents evidencing or pertaining thereto.

(f) Without limiting any provisions contained herein or in any other Loan Documents, at its option, upon the occurrence and during the continuance of an Event of Default, the Collateral Agent may make "protective advances" to pay for any obligation of any Grantor or to make any payments necessary to maintain or preserve value (including going concern value) of the Collateral; provided, however, that nothing in this paragraph shall be interpreted as imposing any obligation on the Collateral Agent or any Secured Party to (i) make any such "protective advance", or any similar advance or disbursement, or otherwise to establish any course of dealing between the Secured Parties and the Grantors of any kind or nature or (ii) cure or perform any obligations or other promises of any Grantor. The making of any such "protective advance" shall not be construed as a waiver of any Defaults or Events of Default nor shall the making of any such "protective advance" be construed as a satisfaction, reinstatement, modification, amendment or extension by any Secured Party of the Loans or the Loan Documents, or as a waiver, relinquishment or forbearance by any Secured Party of any of its rights and remedies under the Loans or the Loan Documents. All "protective advances" disbursed by the Collateral Agent in connection with this paragraph, including reasonable and documented out-of-pocket attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within ten (10) Business Days' written demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby and shall bear interest until paid at the applicable interest rate specified in the Credit Agreement.

SECTION 4.04. ***Other Actions.*** In order to further insure the attachment, perfection and priority (subject to the Intercreditor Agreement and the Liens permitted by Section 6.02 of the Credit Agreement) of, and the ability of the Collateral Agent to enforce, the Security Interest in the Article 9 Collateral, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) [Reserved]**.**

(b) ***Deposit Accounts.*** Subject to Section 4.05(b), for each Deposit Account (other than Excluded Accounts) that any Grantor at any time opens or maintains, such Grantor shall, upon the Collateral Agent's written request, cause the depositary bank to execute and deliver an agreement in form and substance satisfactory to the Collateral Agent pursuant to which such depository bank agrees to comply at any time with instructions from the Collateral Agent to such depositary bank directing the disposition of funds from time to time credited to such Deposit Account, without further consent of such Grantor or any other Person (other than the Revolving Loan Agent pursuant to the Intercreditor Agreement). The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any such instructions unless (i) an Event of Default has occurred and is continuing or (ii) the Collateral Agent has received notice of the applicable depository bank's intention to terminate such agreement and such Grantor has not, within five (5) Business Days of receipt by the Collateral Agent of such notice, entered into arrangements reasonably satisfactory to the Collateral Agent ensuring Collateral Agent's continued perfected security interest in the relevant Deposit Account or the transfer of funds from the Specified Account to another Deposit Account as to which the Collateral Agent

has a perfected security interest, or such other arrangement as may be agreed by the Collateral Agent. The provisions of this paragraph shall not apply to any Deposit Account for which any Grantor, the depositary bank, the Collateral Agent and the Revolving Loan Agent have entered into a cash collateral agreement specially negotiated among such Grantor, the depositary bank, the Collateral Agent and the Revolving Loan Agent for the specific purpose set forth therein.

(c) ***Investment Property.*** Except to the extent otherwise provided in Article III, if any Grantor shall at any time hold or acquire any "securities certificates" (as defined in Article 8 of the New York UCC), other than Excluded Equity, such Grantor shall promptly (and in any event within five (5) Business Days of issuance (or such later date as permitted by Collateral Agent in its sole discretion)) endorse, assign and deliver the same to the Collateral Agent (or the Revolving Loan Agent pursuant to the Intercreditor Agreement), accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time specify. Subject to Section 4.05(b), if any securities (other than securities or other Investment Property constituting Excluded Assets) now or hereafter acquired by any Grantor are "uncertificated securities" (as defined in Article 8 of the New York UCC) and are issued to such Grantor or its nominee directly by the issuer thereof, such Grantor shall promptly (and in any event within ten (10) Business Days (or such later date as permitted by Collateral Agent in its sole discretion)) notify the Collateral Agent thereof and, at the Collateral Agent's written request and in its reasonable discretion, do one of the following: (w) pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, cause the issuer to agree to comply with instructions from the Collateral Agent as to such securities, without further consent of any Grantor or such nominee (x) cause a security entitlement with respect to such uncertificated securities to be held in a securities account with respect to which the Collateral Agent has Control, (y) arrange for the Collateral Agent (or the Revolving Loan Agent as agent for the Collateral Agent pursuant to the Intercreditor Agreement) to become the registered owner of the uncertificated securities or (z) issue "securities certificates" (as defined in Article 8 of the New York UCC) for such Equity Interests. Subject to Section 4.05(b), if any securities, whether certificated or uncertificated, or other Investment Property (other than securities or other Investment Property constituting Excluded Assets) now or hereafter acquired by any Grantor are held by such Grantor or its nominee through a Securities Intermediary or Commodity Intermediary, such Grantor shall promptly (and in any event within ten (10) Business Days (or such later date as permitted by Collateral Agent in its sole discretion)) notify the Collateral Agent thereof and, at the Collateral Agent's written request cause such Securities Intermediary or Commodity Intermediary to execute and deliver an agreement in form and substance reasonably satisfactory to the Collateral Agent pursuant to which such Securities Intermediary or Commodity Intermediary, as the case may be, agrees to comply with Entitlement Orders from the Collateral Agent to such Securities Intermediary as to such securities or other Investment Property, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Collateral Agent to such Commodity Intermediary, in each case without further consent of any Grantor or such nominee. The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any such Entitlement Orders or instructions or directions to any such issuer, Securities Intermediary or Commodity Intermediary unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given the Grantors not less than two (2) Business Days' prior written notice of its intent to exercise its rights under this Agreement. The provisions of this paragraph shall not apply to any

Financial Assets credited to a Securities Account for which the Collateral Agent is the Securities Intermediary. The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any instructions or directions to any Securities Intermediary, and shall not withhold its consent to the exercise of any withdrawal rights by such Grantor, unless an Event of Default has occurred and is continuing. The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any entitlement orders to any issuer of "uncertificated securities" (as defined in Article 8 of the New York UCC) unless an Event of Default has occurred and is continuing and the Collateral Agent has provided at least two (2) Business Days' prior written notice to the applicable Grantor before exercising any remedies with respect thereto.

(d) ***Electronic Chattel Paper and Transferable Records.*** If any Grantor at any time holds or acquires an interest in any Electronic Chattel Paper or any "transferable record", as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, in each case to the extent that the aggregate value or face amount of such electronic Chattel Paper equals or exceeds $500,000, such Grantor shall notify the Collateral Agent thereof concurrently with the delivery of the financial statements referred to in paragraphs (a) or (b) of Section 5.04 of the Credit Agreement that are next due and, at the written request of the Collateral Agent, shall take such action as the Collateral Agent may reasonably request in writing to vest in the Collateral Agent control under New York UCC Section 9 105 of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Collateral Agent agrees with such Grantor that the Collateral Agent will arrange, pursuant to procedures satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of control, for the Grantor to make alterations to the Electronic Chattel Paper or transferable record permitted under New York UCC Section 9 105 or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would immediately occur after taking into account any action by such Grantor with respect to such Electronic Chattel Paper or transferable record.

(e) ***Letter-of-Credit Rights.*** If any Grantor is at any time a beneficiary under any letters of credit now or hereafter issued in favor of such Grantor having a face amount or value of $500,000 or more in the aggregate, such Grantor shall notify the Collateral Agent thereof concurrently with the delivery of the financial statements referred to in paragraphs (a) or (b) of Section 5.04 of the Credit Agreement that are next due and, at the written request of the Collateral Agent, such Grantor shall (within five (5) Business Days), use its commercially reasonably efforts to have executed and delivered an agreement in form and substance reasonably satisfactory to the Collateral Agent, pursuant to which either (i) the issuer and any confirmer of such letter of credit consents to an assignment to the Collateral Agent of the proceeds of any drawing under the letter of credit or (ii)the Collateral Agent becomes the transferee beneficiary of the letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be paid to the applicable Grantor unless an Event of Default has occurred or is continuing.

(f) ***Commercial Tort Claims.*** If any Grantor shall at any time hold or acquire a Commercial Tort Claim (other than Excluded Assets), the Grantor shall notify the Collateral Agent thereof concurrently with the delivery of the financial statements referred to in paragraphs (a) or (b) of Section 5.04 of the Credit Agreement that are next due in a writing signed by such Grantor including a summary description of such claim and supplemental Schedule IV to include any such Commercial Tort Claim.

SECTION 4.05. ***Perfection or Other Action Cost vs. Benefit Determination; Exceptions to Control Agreements***.

(a) Notwithstanding anything to the contrary herein or in any other Loan Document, although such property and assets shall still be considered Collateral, the Grantors shall not be required to perfect the security interest granted to the Collateral Agent under this Security Agreement or any other Loan Document or to take any other action with respect to any property, asset or right to use any property or any asset to the extent the burden or cost of perfecting a Lien in favor of the Collateral Agent or taking any other action is excessive in relation to the benefit of the security afforded thereby, as reasonably and mutually agreed by Borrower and Collateral Agent. Any property, asset or right to use any property or any asset that is subject to the conditions set forth in the immediately preceding sentence of this Section 4.05 shall be an exception or carve-out to any representation, warranty or covenant in any Loan Document relating to the perfection, priority or actions taken on the Collateral.

(b) Notwithstanding anything to the contrary in the first sentence of Section 4.04(b) and the second and third sentences of Section 4.04(c) or in any other Loan Document, the Grantors shall not be required to deliver an agreement granting Control to the Collateral Agent or otherwise provide Control, arrange for the Collateral Agent (or the Revolving Loan Agent as agent for the Collateral Agent) to become the registered owner of the relevant uncertificated securities or issue "securities certificates" in respect of the relevant uncertificated securities or take any other perfection action with respect to (i) any Excluded Account or (ii) Deposit Accounts, securities accounts, uncertificated securities and other Investment Property (excluding, in each case, Excluded Assets) the value of which or the amount on credited thereto, as the case may be, does not exceed $750,000 in the aggregate (for all such assets in this clause (ii) taken as a whole).

SECTION 4.06. ***Covenants Regarding Patent, Trademark and Copyright Collateral.*** (a) Each Grantor agrees that it will not, and will take commercially reasonable steps to not permit any of its licensees to, do any act, or omit to do any act, whereby any Patent that is material to the conduct of such Grantor's business may become invalidated, unenforceable or dedicated to the public, in whole or in part, and agrees that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws, in each case except as would not reasonably be expected to result in, individually or in the aggregate, a Material Adverse Effect.

(b) Each Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark material to the conduct of such Grantor's business (i) maintain such Trademark as valid and in full force and effect free from any claim of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such

Trademark with notice of Federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any third party rights, in each case, except as could not reasonably be expected to result in, individually or in the aggregate, a Material Adverse Effect.

(c) Each Grantor (either itself or through its licensees or sublicensees) will, for each work covered by a material Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws in each case except as could not reasonably be expected to result in, individually or in the aggregate, a Material Adverse Effect.

(d) Each Grantor shall notify the Collateral Agent promptly if it knows or has reason to believe that any Patent, Trademark or Copyright material to the conduct of its business may become invalidated, unenforceable, abandoned, lost or dedicated to the public, in whole or in part, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, United States Copyright Office or any court or similar office of any country) regarding such Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or its right to keep and maintain the same.

(e) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark or Copyright necessary for or material to the conduct of such Grantor's businesses (or for the registration of any Trademark or Copyright necessary for or material to the conduct of such Grantor's businesses) with the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States, unless it notifies (or will notify) the Collateral Agent in accordance with Section 5.04 of the Credit Agreement, and, upon request of the Collateral Agent, executes and delivers any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Security Interest in such Patent, Trademark or Copyright, and each Grantor hereby appoints the Collateral Agent as its attorney-in-fact to execute and file such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(f) Each Grantor will take all necessary steps, in such Grantor's reasonable business judgment, that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, to maintain and pursue each material application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights that is material to the conduct of any Grantor's business, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Grantor knows that any Article 9 Collateral consisting of a Patent, Trademark or Copyright necessary for or material to the conduct of such Grantor's businesses has been infringed or misappropriated by a third person, such Grantor shall, if consistent with good business judgment in such Grantor's reasonable discretion, sue for infringement, misappropriation or dilution and to recover damages for such infringement, misappropriation or dilution.

(h) Upon the occurrence and during the continuance of an Event of Default, each Grantor shall use its best efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License, and each other material License, to effect the assignment of all such Grantor's right, title and interest thereunder to the Collateral Agent, for the ratable benefit of the Secured Parties, or its designee.

ARTICLE V

Remedies

SECTION 5.01. ***Remedies Upon Default.*** Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent (or to the Revolving Loan Agent pursuant to the Intercreditor Agreement) on demand, and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times (subject, in each case, to the Intercreditor Agreement): (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantor to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law and the notice required in the immediately following paragraph, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by

applicable law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Notwithstanding anything to the contrary herein, the Collateral Agent agrees that it shall give the Borrower at least two (2) Business Days' written notice prior to enforcing (including the exercise of voting rights in respect thereof) on the portion of the Collateral constituting Equity Interests.

The Collateral Agent shall give each applicable Grantor ten (10) days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such written notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by applicable law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by applicable law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by applicable law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 5.02. ***Application of Proceeds.*** Subject to the Intercreditor Agreement, the Collateral Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Administrative Agent or the Collateral Agent (in their respective capacities as such hereunder or under any other Loan Document) in connection with such collection, sale, foreclosure or realization or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the reasonable fees and out-of-pocket expenses of its agents and legal counsel, the repayment of all advances made by the Administrative Agent and/or the Collateral Agent hereunder, or under any other Loan Document on behalf of any Grantor and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment in full of Unfunded Advances (the amounts so applied to be distributed to the Administrative Agent in accordance with the amount of Unfunded Advances owed to it on the date of any such distribution);

THIRD, to the payment in full of interest due and payable in respect of any Loans (the amounts so applied to be distributed among the Lenders pro rata in accordance with the amounts of interest owed to them on the date of any such distribution);

FOURTH, to the payment in full of principal on the Loans (the amounts so applied to be distributed among the Lenders pro rata in accordance with the amounts of principal owed to them on the date of any such distribution);

FIFTH, to the payment in full of all other Secured Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of the Secured Obligations owed to them on the date of any such distribution); and

SIXTH, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

SECTION 5.03. ***Grant of License to Use Intellectual Property.*** For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants, effective solely upon the occurrence and during the continuation of an Event of Default, to the Collateral Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors), to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Collateral Agent may be exercised, at the option of the Collateral Agent, only upon the occurrence and during the continuation of an Event of Default; *provided*, *however*, that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

SECTION 5.04. ***Securities Act, Etc.*** In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the U.S. Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "***Federal Securities Laws***") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable "blue sky" or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Collateral Agent may, with respect to any sale of the Pledged Collateral during the continuance of an Event of Default after two (2) Business Days' prior written notice has been delivered to such Grantor, reasonably limit the purchasers to those who will agree, among other things, to acquire such Pledged Collateral for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, during the continuance of an Event of Default after two (2) Business Days' prior written notice has been delivered to such Grantor, the Collateral Agent, in its sole, absolute and commercially reasonable discretion (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws and (b) may approach and negotiate with a limited number of potential purchasers (including a single potential purchaser) to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might

have been realized if the sale were deferred until after registration as aforesaid or if more than a limited number of purchasers (or a single purchaser) were approached. The provisions of this Section 5.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI

Indemnity, Subrogation and Subordination

SECTION 6.01. ***Indemnity and Subrogation.*** In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6.03), the Borrower agrees that (a) in the event a payment shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor shall be sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part a claim of any Secured Party, the Borrower shall indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

SECTION 6.02. ***Contribution and Subrogation.*** Each Guarantor (a "***Contributing Guarantor***") agrees (subject to Section 6.03) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Secured Obligation, or assets of any other Guarantor shall be sold pursuant to any Security Document to satisfy any Secured Obligation owed to any Secured Party, and such other Guarantor (the "***Claiming Guarantor***") shall not have been fully indemnified by the Borrower as provided in Section 6.01, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to (i) the amount of such payment or (ii) the greater of the book value or the fair market value of such assets, as the case may be, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 7.17, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01 to the extent of such payment.

SECTION 6.03. ***Subordination.*** (a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 6.01 and 6.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to, shall not be paid prior to and shall not be asserted prior to the payment in full in cash of the Secured Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations). No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 6.01 and 6.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of its obligations hereunder.

(b) The Borrower and each Guarantor hereby agree that all Indebtedness and other monetary obligations owed by it to the Borrower or any Subsidiary shall be fully subordinated to, shall not be paid prior to and shall not be asserted prior to the payment in full in cash of the Secured Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations).

ARTICLE VII

Miscellaneous

SECTION 7.01. ***Notices.*** All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Guarantor shall be given to it in care of the Borrower as provided in Section 9.01 of the Credit Agreement.

SECTION 7.02. ***Security Interest Absolute.*** All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument relating to the foregoing, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement (other (i) the payment in full of the Secured Obligations (other than unasserted contingent indemnification Obligations and unasserted expense reimbursement Obligations) and the termination of the Commitments and (ii) the termination of this Agreement in accordance with Section 7.16 hereof.).

SECTION 7.03. ***Survival of Agreement.*** All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any Lender or on their behalf and notwithstanding that the Collateral Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under any Loan Document is outstanding and unpaid and so long as the Commitments have not expired or terminated.

SECTION 7.04. ***Limitation by Law***. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

SECTION 7.05. ***Binding Effect; Several Agreement.*** This Agreement shall become effective when it shall have been executed by each Loan Party and the Collateral Agent and when the Collateral Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon such Loan Party and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Loan Party, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except as expressly contemplated or permitted by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Loan Party and may be amended, modified, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

SECTION 7.06. ***Successors and Assigns.*** Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 7.07. ***Collateral Agent's Fees and Expenses; Indemnification.*** The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 9.05 of the Credit Agreement.

SECTION 7.08. ***Collateral Agent Appointed Attorney-in-Fact.*** Each Grantor hereby appoints the Collateral Agent as the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes hereof (subject to the Intercreditor Agreement), which appointment coupled with an interest and is irrevocable until the Secured Obligations have been paid in full (other than unasserted contingent indemnification Obligations and unasserted expense reimbursement Obligations) and the termination of the Commitments. Without limiting the generality of the foregoing, ands subject in each case to the Intercreditor Agreement, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral, (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of

the Collateral, (d) to send verifications of Accounts, Chattel Paper, Instruments and General Intangibles to any Account Debtor or any other Person obligated thereon, (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral, (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral, (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent, and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement in accordance with its terms, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; *provided*, *however*, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that such act or failure is determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from their own gross negligence or willful misconduct or the gross negligence or willful misconduct of its respective Affiliates.

SECTION 7.09. ***Applicable Law.*** **THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.**

SECTION 7.10. ***Waivers; Amendment.*** (a) No failure or delay by the Collateral Agent, the Administrative Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver hereof or thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent, the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.10, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 9.08 of the Credit Agreement.

SECTION 7.11. ***WAIVER OF JURY TRIAL.*** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.11.

SECTION 7.12. ***Severability.*** In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7.13. ***Counterparts.*** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 7.05. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 7.14. ***Headings.*** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 7.15. ***Jurisdiction; Consent to Service of Process.*** (a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America, sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding

shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Collateral Agent, the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against any Grantor or its properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court located in the City of New York, Borough of Manhattan, or of the United States of America sitting in the Southern District of New York. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 7.16. ***Termination or Release.*** (a) This Agreement, the guarantees made herein, the Security Interest, the pledge of the Pledged Collateral and all other security interests granted hereby shall immediately and automatically terminate when all the Secured Obligations have been paid in full (other than contingent indemnity claims not yet asserted and unasserted expense reimbursement obligations) and the Lenders have no further commitment to lend under the Credit Agreement.

(b) A Subsidiary Guarantor shall immediately and automatically be released from its obligations hereunder and the Security Interests created hereunder in the Collateral of such Subsidiary Guarantor shall be immediately and automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement to any Person that is not the Borrower or a Guarantor, or, upon the effectiveness of any written consent to the release of the Security Interest granted hereby in any Collateral pursuant to Section 9.08 of the Credit Agreement, the Security Interest in such Collateral shall be immediately and automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) above, the Collateral Agent shall promptly (and in any case no more than five (5) Business Days from the date of such termination or release) execute and deliver to any Grantor, at such Grantor's expense, all Uniform Commercial Code termination statements and similar documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 7.16 shall be without recourse to or representation or warranty by the Collateral Agent or any Secured Party. Without limiting the provisions of Section 7.07, the Borrower shall reimburse the Collateral Agent upon demand for all reasonable and documented out-of-pocket costs and expenses, including the reasonable and documented fees, charges and expenses of counsel, incurred by it in connection with any action contemplated by this Section 7.16.

SECTION 7.17. ***Additional Subsidiaries.*** Any Subsidiary that is required to become a party hereto pursuant to Section 5.12 of the Credit Agreement shall enter into this Agreement as a Subsidiary Guarantor and a Grantor upon becoming such a Subsidiary. Upon execution and delivery by the Collateral Agent and such Subsidiary of a supplement in the form of Exhibit A hereto, such Subsidiary shall become a Subsidiary Guarantor and a Grantor hereunder with the same force and effect as if originally named as a Subsidiary Guarantor and a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Loan Party hereunder. The rights and obligations of each Loan Party hereunder shall remain in full force and effect notwithstanding the addition of any new Loan Party as a party to this Agreement.

SECTION 7.18. [Reserved].

SECTION 7.19. ***Conflicts.*** This Agreement is subject in all respects to the Intercreditor Agreement. Exhibit A to the Guarantee and Collateral Agreement

SUPPLEMENT NO. [•] (this "***Supplement***") dated as of [•] to the Guarantee and Collateral Agreement dated as of [ ], 2013 (the "***Guarantee and Collateral Agreement***"), among BLACKLINE SYSTEMS, INC., a California corporation (the "***Borrower***"), SLS BREEZE INTERMEDIATE HOLDINGS, INC., a Delaware company ("***Holdings***"), each Subsidiary of the Borrower from time to time party thereto (each such Subsidiary individually a "***Subsidiary Guarantor***" and collectively, the "***Subsidiary Guarantors***"; the Subsidiary Guarantors, the Borrower and Holdings are referred to collectively herein as the "***Grantors***") and OBSIDIAN AGENCY SERVICES, INC. (together with its affiliates, "***Obsidian***"), as collateral agent (in such capacity, the "***Collateral Agent***") for the Secured Parties (as defined therein).

A. Reference is made to the Credit Agreement dated as of [ ], 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"), among the Borrower, Holdings, the lenders from time to time party thereto (the "***Lenders***") and Obsidian, as administrative agent for the Lenders and as Collateral Agent.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or the Guarantee and Collateral Agreement referred to therein, as applicable.

C. The Grantors have entered into the Guarantee and Collateral Agreement in order to induce the Lenders to make Loans. Section 7.16 of the Guarantee and Collateral Agreement provides that additional Subsidiaries of the Borrower may become Subsidiary Guarantors and Grantors under the Guarantee and Collateral Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the "***New Subsidiary***") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Subsidiary Guarantor and a Grantor under the Guarantee and Collateral Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.16 of the Guarantee and Collateral Agreement, the New Subsidiary by its signature below becomes a Grantor and Subsidiary Guarantor under the Guarantee and Collateral Agreement with the same force and effect as if originally named therein as a Grantor and Subsidiary Guarantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Guarantee and Collateral Agreement applicable to it as a Grantor and Subsidiary Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor and Subsidiary Guarantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations (as defined in the Guarantee and Collateral Agreement), does hereby create and grant to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary's right, title and interest in and to the Collateral (as defined in the Guarantee and Collateral Agreement) of the New Subsidiary. Each reference to a "Grantor" or a "Subsidiary Guarantor" in the Guarantee and Collateral Agreement shall be deemed to include the New Subsidiary. The Guarantee and Collateral Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Subsidiary and the Collateral Agent. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Subsidiary hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of (i) any and all Equity Interests and Pledged Debt Securities now owned by the New Subsidiary and (ii) any and all Intellectual Property now owned by the New Subsidiary and (b) set forth under its signature hereto, is the true and correct legal name of the New Subsidiary and its jurisdiction of organization.

SECTION 5. Except as expressly supplemented hereby, the Guarantee and Collateral Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK.

SECTION 7. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Guarantee and Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall (except as otherwise expressly permitted by the Guarantee and Collateral Agreement) be in writing and given as provided in Section 9.01 of the Credit Agreement. All communications and notices hereunder to the New Subsidiary shall be given to it in care of the Borrower as provided in Section 9.01 of the Credit Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Supplement, including the reasonable and documented out-of-pocket fees, other charges and disbursements of counsel for the Collateral Agent, in each case, in accordance with Section 9.05 of the Credit Agreement.

IN WITNESS WHEREOF, the New Subsidiary and the Collateral Agent have duly executed this Supplement to the Guarantee and Collateral Agreement as of the day and year first above written.

Section 3.2 Power and Authority.

(a) The Company has all requisite power and authority, and has taken all required corporate and other action necessary (including stockholder approval, if necessary) to permit it to own and hold properties, to carry on its current business, to execute and deliver each of the Agreements, to issue and sell the Warrants and to issue the Warrant Shares as herein provided, and otherwise to carry out the terms of each of the Agreements. Neither the Company nor anyone acting on its behalf will take any action prior to the Closing that would cause any such registration to be required (including any offer, issuance or sale of any security of the Company under circumstances that might require the integration of such security with the Warrants or Warrant Shares under the Securities Act or the rules and regulations of the Commission thereunder) that might subject the offering, issuance or sale of the Warrants and Warrant Shares to the registration provisions of the Securities Act. Assuming the representations and warranties of the Investors contained in Article V are true and correct, the issuance of the Warrants and Warrant Shares is exempt from registration under the Securities Act. The Company has complied with all Applicable Laws in all issuances and purchases of its Capital Stock prior to the date hereof and has not violated any Applicable Law in making such issuances and purchases of its Capital Stock prior to the date hereof. ARTICLE V

REPRESENTATIONS AND WARRANTIES OF THE INVESTORS

Each of the Investors severally represents and warrants to the Company, at and as of the Closing that:

Section 5.1 Power and Authority. Such Investor has full power and authority and, if not an individual Investor, has taken all required corporate (or trust or partnership, as the case may be) and other action necessary to permit it to execute and deliver the Agreements, if applicable and all other documents or instruments required by the Agreements, and to carry out the terms of the Agreements and of all such other documents or instruments. Each of the Agreements has been duly executed and delivered by such Investor and (assuming the due authorization, execution and delivery hereof and thereof by the other signatories thereto) and is a valid and binding obligation of such Investor, enforceable against such Investor in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (ii) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

Section 5.2 Purchase for Investment. Such Investor is acquiring the Warrants and Warrant Shares for investment, for its own account and not with a view to distribution thereof in violation of federal securities laws of the United States, except for transfers permitted hereunder. Such Investor understands that the Warrants and Warrant Shares must be held indefinitely unless registered under the Securities Act or an exemption from such registration becomes available. Such Investor understands that the Warrants it is purchasing are characterized as "restricted securities" under the federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Act only in certain limited circumstances. Such Investor understands that no public market presently exists for the Warrants, and there can be no assurance that any such market will be created.

Section 5.3 Financial Matters. Such Investor represents and warrants to the Company that it understands that the acquisition of the Warrants involves substantial risk and that its financial condition and investments are such that it is in a financial position to hold the Warrants for an indefinite period of time and to bear the economic risk of, and withstand a complete loss of, such Warrants. In addition, by virtue of its expertise, the advice available to it and previous investment experience, such Investor has extensive knowledge and experience in financial and business matters, investments, securities and private placements and the capability to evaluate the merits and risks of the transactions contemplated by this Agreement. Such Investor represents that it is an "accredited investor" as that term is defined in Regulation D promulgated under the Securities Act.

ARTICLE VI

Section 6.2 Deliveries. At the Closing, (a) the Company will deliver to each Investor a Warrant to purchase the number of shares of Common Stock set forth opposite such Investor's name in the appropriate column on Exhibit A, (b) each Investor will deliver to the Company executed counterpart signature pages to each of the Stockholders Agreement and the Registration Rights Agreement, in the forms attached as Exhibit H, (c) the Company shall have delivered to the Investors a counterpart of the VCOC Letter in the form attached hereto as Exhibit E that shall have been executed and delivered by a duly authorized officer of the Company and (d) there shall be made available to each of the Investors a certificate of the Secretary or an Assistant Secretary of the Company, dated the Closing Date and certifying: (1) that attached thereto is a true and complete copy of the Bylaws as in effect on the date of such certification; (2) that attached thereto is a true and complete copy of the Certificate of Incorporation as in effect on the date of such certification; and (3) that attached thereto is a true and complete copy of resolutions adopted by the Board authorizing the execution, delivery and performance of the Agreements, the issuance, sale, and delivery of the Warrants, and that all such resolutions are still in full force and effect and are all the resolutions adopted in connection with the transactions contemplated by this Agreement.

ARTICLE VII

MISCELLANEOUS

Section 7.1 Expenses.

(a) The Company shall pay all reasonable out-of-pocket costs and expenses incurred by the Investors and their counsel in connection with (i) any amendments, modifications or waivers of the provisions hereof (whether or not the transactions hereby contemplated shall be consummated) or (ii) any dispute or Proceeding in respect to the enforcement of the Investors' rights under any of the Agreements in which the Investors are the prevailing party.

(b) The provisions of this Section 7.1 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the invalidity or unenforceability of any term or provision of this Agreement, or any investigation made by or on behalf of the Investors. All amounts due under this Section 7.1 shall be payable on written demand therefor.

Section 7.2 Severability. In the event any one or more of the provisions contained in this Agreement be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.3 Notices. Notices and other communications provided for herein shall be in writing and shall be delivered in the manner set forth in the Warrants.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date 5 Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 7.3 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 7.3. As agreed to among the Company and the Investors from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable Person provided from time to time by such Person.

Section 7.4 Amendment and Modification; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Section 7.5 Survival of Agreement. All covenants, agreements, representations and warranties made by the Company herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Investors and shall survive the execution and delivery of this Agreement and the Closing, regardless of any investigation made by the Investors or on their behalf.

Section 7.6 Cumulative Remedies. The rights and remedies provided in this Agreement are cumulative and are not exclusive of, and are in addition to and not in substitution for, any other rights or remedies available at law, in equity or otherwise.

Section 7.7 Enforcement of Agreement. Each party hereby acknowledges that the rights of each party to consummate the transactions contemplated hereby are special, unique and of extraordinary character and that, in the event that any party violates or fails or refuses to perform any covenant or agreement made by it herein, the non-breaching party will (i) be without an adequate remedy at law and (ii) suffer irreparable damage. In the event that any party violates or fails or refuses to perform any covenant or agreement made by such party herein, the non-breaching party or parties may, subject to the terms hereof and in addition to any remedy at law for damages or other relief to which such party may be entitled, institute and prosecute an action in any court of competent jurisdiction to enforce specific performance of such covenant or agreement or seek any other injunctive or equitable relief, without posting any bond or other undertaking.

Section 7.8 Entire Agreement. This Agreement, together with the exhibits hereto, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

Section 7.9 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of laws of any jurisdiction other than of the State of New York.

Section 7.10 Submission to Jurisdiction; Consents to Service of Process.

(a) Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby shall be instituted in the federal courts of the United States of America or the courts of the State of New York in each case located in New York City, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action or any proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each party irrevocably consents to service of process in the manner provided for notices in Section 7.3. Nothing in this Agreement will affect the right of any party to serve process in any other manner permitted by law.

Section 7.11 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy that may arise under this Agreement is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement or the transactions contemplated hereby.

Section 7.12 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.13 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

Section 7.14 Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the parties hereto that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns. The Company shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Investors, and any attempted assignment without such consent shall be null and void.

Section 7.15 No Strict Construction. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.

Section 7.16 Replacement of Warrant on Loss. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of a Warrant and upon delivery of an indemnity reasonably satisfactory to it (it being understood that a written indemnification agreement or affidavit of loss of an Investor shall be a sufficient indemnity) and, in case of mutilation, upon surrender of such Warrant for cancellation to the Company, the Company at its own expense shall execute and deliver to the Investor, in lieu hereof, a new Warrant of like tenor and exercisable for an equivalent number of Warrant Shares as the Warrant so lost, stolen, mutilated or destroyed; provided, that, in the case of mutilation, no indemnity shall be required if a Warrant in identifiable form is surrendered to the Company for cancellation.

Section 7.17 Stockholders Agreement. Notwithstanding anything therein to the contrary, each Investor shall be deemed to be an “Eligible Stockholder” for purposes of the Stockholders Agreement, and shall be entitled to, without limitation, all rights specifically provided to an “Eligible Stockholder” thereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Subject to **Section 3(i)** below, this Warrant shall expire and be of no further force and effect upon the expiration of the Exercise Period.

3. **Exercise of Warrant**.

(a) **Exercise Procedure**. During the Exercise Period, this Warrant may be exercised by the Holder for all or from time to time any part of the unexercised Warrant Shares, upon:

(i) surrender of this Warrant to the Company at its then principal executive offices (or an indemnification undertaking with respect to this Warrant in the case of its loss, theft or destruction), together with a completed and executed Exercise Agreement; and

(ii) payment to the Company of the Aggregate Exercise Price in accordance with **Section 3(b)**.

(b) **Payment of the Aggregate Exercise Price**. Payment of the Aggregate Exercise Price may be made, at the option of the Holder as expressed in the Exercise Agreement, by any of the following methods:

(i) delivery to the Company of a certified or official bank check payable to the order of the Company or by wire transfer of immediately available funds to an account designated in writing by the Company;

(ii) instructing the Company to withhold a number of Warrant Shares then issuable upon exercise of this Warrant with an aggregate Fair Market Value as of the Exercise Date equal to such Aggregate Exercise Price (or the applicable portion thereof);

(iii) surrendering to the Company securities of the Company having a value as of the Exercise Date equal to the Aggregate Exercise Price (or the applicable portion thereof), which value in the case of debt securities shall be the principal amount thereof plus accrued and unpaid interest, in the case of preferred stock shall be the liquidation value thereof plus accumulated and unpaid dividends and in the case of shares of Common Stock shall be the Fair Market Value thereof; or

(iv) any combination of the foregoing.

In the event of any withholding of Warrant Shares or surrender of other equity securities pursuant to clause (ii), (iii) or (iv) above where the number of shares whose value is equal to the Aggregate Exercise Price is not a whole number, the number of shares withheld by or surrendered to the Company shall be rounded up to the nearest whole share and the Company

shall make a cash payment to the Holder (by delivery of a certified or official bank check or by wire transfer of immediately available funds) based on the incremental fraction of a share being so withheld by or surrendered to the Company in an amount equal to the product of (x) such incremental fraction of a share being so withheld or surrendered multiplied by (y) the value thereof as of the Exercise Date determined in accordance with clause (iii) above.

(c) **Delivery of Stock Certificates**. As promptly as practicable, and in any event within five Business Days after receipt by the Company of the Exercise Agreement, surrender of this Warrant and payment of the Aggregate Exercise Price (in accordance with **Section 3(a)** hereof), the Company shall execute (or cause to be executed) and deliver (or cause to be delivered) to the Holder a certificate or certificates representing the Warrant Shares issuable upon such exercise, together with cash in lieu of any fraction of a share, as provided in **Section 3(d)** hereof. The stock certificate or certificates so delivered shall be in such denomination or denominations as the exercising Holder shall reasonably request in the Exercise Agreement and registered in the name of the Holder or such other Person's name as shall be designated in the Exercise Agreement. This Warrant shall be deemed to have been exercised and such certificate or certificates of Warrant Shares shall be deemed to have been issued, and the Holder or any other Person so designated to be named therein shall be deemed to have become a holder of record of such Warrant Shares for all purposes, as of the Exercise Date.

(d) **Fractional Shares**. The Company shall not be required to issue a fractional share of Common Stock upon exercise of any Warrant. As to any fraction of a share that the Holder would otherwise be entitled to purchase upon such exercise, the Company shall pay to such Holder an amount in cash (by delivery of a certified or official bank check or by wire transfer of immediately available funds) equal to the product of (i) such fraction multiplied by (ii) the Fair Market Value of one share of Common Stock on the Exercise Date.

(e) **Delivery of New Warrant**. Unless the purchase rights represented by this Warrant shall have expired or shall have been fully exercised, at the time of delivery of the certificate or certificates representing the Warrant Shares being issued in accordance with **Section 3(c)** hereof, the Company shall deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unexpired and unexercised Warrant Shares called for by this Warrant. Such new Warrant shall in all other respects be identical to this Warrant.

(f) **Expenses and Taxes**. The Company shall pay all reasonable out-of-pocket expenses in connection with, and all issuance, stamp and similar taxes and other governmental charges that may be imposed with respect to, the issuance or delivery of Warrant Shares upon exercise of this Warrant; provided, that the Company shall not be required to pay any tax or governmental charge that may be imposed with respect to (i) the issuance or delivery of the Warrant Shares to any Person other than the Holder, or (ii) the sale or transfer of the Warrants or the Warrant Shares.

(g) **Conditional Exercise**. Notwithstanding any other provision hereof, if an exercise of any portion of this Warrant is required to be made in connection with a public offering, a Sale of the Company (pursuant to a merger, sale of stock, or otherwise), or any other event, such exercise may at the election of the Holder be conditioned upon the consummation of such transaction or event, in which case such exercise shall not be deemed to be effective until immediately prior to the consummation of such event.

(h) **Reservation of Shares**. During the Exercise Period, the Company shall at all times reserve and keep available out of its authorized but unissued Common Stock or other securities constituting Warrant Shares, solely for the purpose of issuance upon the exercise of this Warrant, the maximum number of Warrant Shares issuable upon the exercise of this Warrant. The Company shall not increase the par value of any Warrant Shares receivable upon the exercise of this Warrant above the Exercise Price then in effect, and shall take all such actions as may be necessary or appropriate so that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant.

(i) **Exercise Prior to Expiration**. Notwithstanding any other provision of this Warrant and to the extent this Warrant is not previously exercised as to all Warrant Shares subject hereto, if the Fair Market Value of Warrant Shares is greater than the Exercise Price then in effect, this Warrant shall be deemed automatically exercised by the method set forth in **Section 3(b)(ii)** above immediately before its expiration. To the extent this Warrant or any portion thereof is deemed automatically exercised pursuant to this **Section 3(i)**, the Company shall promptly notify the Holder of the number of Warrant Shares the Holder is to receive by reason of such automatic exercise.

(j) **Tax Treatment**. If the Holder elects (or is automatically deemed to elect pursuant to **Section 3(i)**) the method of exercise set forth in **Section 3(b)(ii)**, the "exchange" of the Warrants is intended to qualify as a recapitalization within the meaning of Section 368(a)(1)(E) of the U.S. Internal Revenue Code of 1986, as amended, and the parties hereto shall report consistently therewith for all tax purposes.

4. **Adjustment to Exercise Price and Number of Warrant Shares**. The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as provided in this **Section 4**.

(a) **Adjustment to Exercise Price Upon Issuance of Common Stock**. Except in the case of an Excluded Issuance or an event described in either **Section 4(d)** or **Section 4(e)**, if the Company shall, at any time or from time to time after the Original Issue Date, issue or sell (or in accordance with **Section 4(c)** is deemed to have issued or sold) any shares of Common Stock without consideration or for consideration per share less than the Exercise Price in effect immediately prior to such issuance or sale (or deemed issuance or sale), then immediately upon such issuance or sale (or deemed issuance or sale), the Exercise Price in effect immediately prior to such issuance or sale (or deemed issuance or sale) shall be reduced (and in no event increased) to an Exercise Price equal to the quotient obtained by dividing:

(i) the sum of (A) the product obtained by multiplying the Common Stock Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale) by the Exercise Price then in effect plus (B) the aggregate consideration, if any, received by the Company upon such issuance or sale (or deemed issuance or sale); by

(ii) the sum of (A) the Common Stock Deemed Outstanding immediately prior to such issuance or sale (or deemed issuance or sale) plus (B) the aggregate number of shares of Common Stock issued or sold (or deemed issued or sold) by the Company in such issuance or sale (or deemed issuance or sale).

(b) **Adjustment to Number of Warrant Shares Upon Adjustment to Exercise Price**. Upon each adjustment of the Exercise Price as provided in **Section 4(a)**, the number of Warrant Shares issuable upon the exercise of this Warrant immediately prior to any such adjustment shall be increased to a number of Warrant Shares equal to the quotient obtained by dividing:

(i) the product of (A) the Exercise Price in effect immediately prior to such adjustment multiplied by (B) the number of Warrant Shares issuable upon exercise of this Warrant immediately prior to such adjustment; by

(ii) the Exercise Price resulting from such adjustment.

(c) **Effect of Certain Events on Adjustment to Exercise Price**.

(i) Issuance of Convertible Securities. If the Company shall, at any time or from time to time after the Original Issue Date, in any manner grant or sell (whether directly or by assumption in a merger or otherwise) any Convertible Securities, whether or not immediately exercisable, and the price per share (determined as provided in this paragraph and in **Section 4(c)(iii)**) for which Common Stock is issuable upon the exercise, conversion or exchange thereof (or upon the exercise, conversion or exchange of Convertible Securities issuable upon the exercise, conversion or exchange thereof) is less than the Exercise Price in effect immediately prior to the time of the granting or sale of such Convertible Securities, then the total maximum number of shares of Common Stock issuable upon the exercise, conversion or exchange thereof (or upon the exercise, conversion or exchange of Convertible Securities issuable upon the exercise, conversion or exchange thereof) shall be deemed to have been issued as of the date of granting or sale thereof (and thereafter shall be deemed to be outstanding for purposes of adjusting the Exercise Price under **Section 4(a)**), at a price per share equal to the quotient obtained by dividing:

(A) the sum (which sum shall constitute the applicable consideration received for purposes of **Section 4(a)**) of (x) the total amount, if any, actually received by the Company as consideration for the granting or sale of all such Convertible Securities, plus (y) the minimum aggregate amount of additional consideration payable to the Company upon the exercise, conversion or exchange thereof (or upon the exercise, conversion or exchange of Convertible Securities issuable upon the exercise, conversion or exchange thereof), by

(B) the total maximum number of shares of Common Stock issuable upon the exercise, conversion or exchange thereof (or upon the exercise, conversion or exchange of Convertible Securities issuable upon the exercise, conversion or exchange thereof).

(ii) Change in Terms of Convertible Securities. Upon any change in any of (A) the total amount received or receivable by the Company as consideration for the granting or sale of any Convertible Securities, (B) the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise, conversion or exchange of any Convertible Securities (or upon the exercise, conversion or exchange of Convertible Securities issuable upon the exercise, conversion or exchange thereof), (C) the rate at which Convertible Securities hereof are convertible into or exchangeable for Common Stock, or (D) the maximum number of shares of Common Stock issuable in connection with any Convertible Securities, then (whether or not the original issuance or sale of such Convertible Securities resulted in an adjustment to the Exercise Price pursuant to this **Section 4**) (x) the Exercise Price in effect at the time of such change shall be adjusted or readjusted, as applicable, to the Exercise Price that would have been in effect at such time pursuant to the provisions of this **Section 4** had such Convertible Securities still outstanding provided for such changed consideration, conversion rate or maximum number of shares, as the case may be, at the time initially granted, issued or sold, but only if as a result of such adjustment or readjustment the Exercise Price then in effect is reduced, and (y) the number of Warrant Shares issuable upon the exercise of this Warrant immediately prior to any such adjustment or readjustment shall be correspondingly adjusted or readjusted pursuant to the provisions of **Section 4(b)**.

(iii) Calculation of Consideration Received. If the Company shall, at any time or from time to time after the Original Issue Date, issue or sell, or is deemed to have issued or sold, any shares of Common Stock or Convertible Securities: (A) for cash, the consideration received therefor shall be deemed to be the net amount received by the Company therefor; (B) for consideration other than cash, the amount of such consideration shall be the fair value of such consideration received by the Company, except where such consideration consists of marketable securities, in which case the amount of such consideration shall be the market price (as reflected on any securities exchange, quotation system or association or similar pricing system covering such security) for such securities as of the end of business on the date of receipt of such securities by the Company; (C) for no specifically allocated consideration in connection with an issuance or sale of other securities of the Company, together comprising one integrated transaction, the amount of the consideration therefor shall be deemed to be the fair value of such portion of the aggregate consideration received by the Company in such transaction as is attributable to such shares of Common Stock or Convertible Securities, as the case may be, issued in such transaction; or (D) to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving corporation, the amount of consideration

therefor shall be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock or Convertible Securities, as the case may be, issued to such owners. The net amount of any cash consideration and the fair value of any consideration other than cash or marketable securities shall be determined in good faith jointly by the Board and the Holder; provided, however, that if the Board and the Holder are unable to reach agreement within a reasonable period of time, such fair value shall be determined in good faith by an independent investment banking or valuation firm selected jointly by the Board and the Holder or, if that selection cannot be made within ten days, by an independent investment banking or valuation firm selected by the American Arbitration Association in accordance with its rules.

(iv) Record Date. For purposes of any adjustment to the Exercise Price or the number of Warrant Shares in accordance with this **Section 4**, in case the Company shall take a record of the holders of its Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock or Convertible Securities or (B) to subscribe for or purchase Common Stock or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(v) Treasury Shares. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company or any of its wholly-owned subsidiaries, and the disposition of any such shares (other than the cancellation or retirement thereof or the transfer of such shares among the Company and its wholly-owned subsidiaries) shall be considered an issue or sale of Common Stock.

(d) **Adjustment Upon Dividend, Subdivision or Combination of Common Stock**. If the Company shall, at any time or from time to time after the Original Issue Date, (i) pay a dividend or make any other distribution upon the Common Stock or any other capital stock of the Company payable in shares of Common Stock or Convertible Securities, or (ii) subdivide (by any stock split, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, (x) the Exercise Price in effect immediately prior to any such dividend, distribution or subdivision shall be proportionately reduced and (y) the number of Warrant Shares issuable upon exercise of this Warrant shall be proportionately increased. If the Company at any time combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, (x) the Exercise Price in effect immediately prior to such combination shall be proportionately increased and (y) the number of Warrant Shares issuable upon exercise of this Warrant shall be proportionately decreased. Subject to **Section 4(c)(iv)**, any adjustment under this **Section 4(d)** shall become effective at the close of business on the date the dividend, subdivision or combination becomes effective.

(e) **Adjustment Upon Reorganization, Reclassification, Consolidation or Merger**. In the event of any Reorganization, (A) each Warrant shall remain outstanding and shall thereafter, in lieu of or in addition to (as the case may be) the number of Warrant Shares then exercisable under this Warrant, be exercisable for the kind and number of shares of stock or other securities or assets of the Company or of the successor Person resulting from such transaction to which the Holder would have been entitled upon such Reorganization if the Holder had exercised this Warrant in full immediately prior to the time of such Reorganization and acquired the applicable number of Warrant Shares then issuable hereunder as a result of such exercise (without taking into account any limitations or restrictions on the exercisability of this Warrant); and (B) appropriate adjustment (in form and substance satisfactory to the Holder) shall be made with respect to the Holder's rights under this Warrant to insure that the provisions of this **Section 4** shall thereafter be applicable, as nearly as possible, to this Warrant in relation to any shares of stock, securities or assets thereafter acquirable upon exercise of this Warrant (including, in the case of any consolidation, merger, sale or similar transaction in which the successor or purchasing Person is other than the Company, an immediate adjustment in the Exercise Price to the value per share for the Common Stock reflected by the terms of such consolidation, merger, sale or similar transaction, and a corresponding immediate adjustment to the number of Warrant Shares acquirable upon exercise of this Warrant without regard to any limitations or restrictions on exercise, if the value so reflected is less than the Exercise Price in effect immediately prior to such consolidation, merger, sale or similar transaction). The provisions of this **Section 4(e)** shall similarly apply to successive Reorganizations. The Company shall not effect any Reorganization unless, prior to the consummation thereof, the successor Person (if other than the Company) resulting from such Reorganization shall assume, by written instrument substantially similar in form and substance to this Warrant and satisfactory to the Holder, the obligation to deliver to the Holder such shares of stock, securities or assets which, in accordance with the foregoing provisions, such Holder shall be entitled to receive upon exercise of this Warrant. Notwithstanding anything to the contrary contained herein, the Holder shall have the right to elect prior to the consummation of any Reorganization, to give effect to the exercise rights contained in **Section 2** instead of giving effect to the provisions contained in this **Section 4(e)** with respect to this Warrant.

(f) **Certain Events**. If any event of the type contemplated by the provisions of this **Section 4** but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features) occurs, then the Board shall make an appropriate adjustment in the Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant so as to protect the rights of the Holder in a manner consistent with the provisions of this **Section 4**; provided, that no such adjustment pursuant to this **Section 4(f)** shall increase the Exercise Price or decrease the number of Warrant Shares issuable as otherwise determined pursuant to this **Section 4**.

(g) **Certificate as to Adjustment**.

(i) As promptly as reasonably practicable following any adjustment of the Exercise Price, but in any event not later than five Business Days thereafter, the Company shall furnish to the Holder a certificate of an executive officer setting forth in reasonable detail such adjustment and the facts upon which it is based and certifying the calculation thereof.

(ii) As promptly as reasonably practicable following the receipt by the Company of a written request by the Holder, but in any event not later than five Business Days thereafter, the Company shall furnish to the Holder a certificate of an executive officer certifying the Exercise Price then in effect and the number of Warrant Shares or the amount, if any, of other shares of stock, securities or assets then issuable upon exercise of the Warrant.

(h) **Notices**. In the event:

(i) that the Company shall take a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon exercise of the Warrant) for the purpose of entitling or enabling them to receive any dividend or other distribution, to vote at a meeting (or by written consent), to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or

(ii) of any capital reorganization of the Company, any reclassification of the Common Stock of the Company, any consolidation or merger of the Company with or into another Person, or sale of all or substantially all of the Company's assets to another Person; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Company;

then, and in each such case, the Company shall send or cause to be sent to the Holder at least ten days prior to the applicable record date or the applicable expected effective date, as the case may be, for the event, a written notice specifying, as the case may be, (A) the record date for such dividend, distribution, meeting or consent or other right or action, and a description of such dividend, distribution or other right or action to be taken at such meeting or by written consent, or (B) the effective date on which such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up is proposed to take place, and the date, if any is to be fixed, as of which the books of the Company shall close or a record shall be taken with respect to which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon exercise of the Warrant) shall be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Warrant and the Warrant Shares.

5. **Purchase Rights**. In addition to any adjustments pursuant to **Section 4** above, if at any time the Company grants, issues or sells any shares of Common Stock or Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of Common Stock as of immediately prior to such grant, issuance or sale (the "**Purchase Rights**"), then the Company shall provide the Holder the right to acquire, upon the terms applicable to

such Purchase Rights, the aggregate Purchase Rights that the Holder would have acquired if the Holder had held the number of Warrant Shares acquirable upon complete exercise of this Warrant immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

6. **Transfer of Warrant**. Subject to (x) the prior written consent of the Company (provided, that the Holder may transfer this Warrant without the prior consent of the Company to its Permitted Transferees) and (y) the transfer conditions referred to in the legend endorsed hereon, this Warrant and all rights hereunder are transferable, in whole or in part, by the Holder without charge to the Holder, upon surrender of this Warrant to the Company at its then principal executive offices together with (i) a properly completed and duly executed Assignment in the form attached hereto as **Exhibit B**, and (ii) duly executed counterpart signature pages to each of the Stockholders Agreement and the Registration Rights Agreement in the forms attached as **Exhibit C**. Upon such compliance, surrender and delivery, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees and in the denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant, if any, not so assigned and this Warrant shall promptly be cancelled.

7. **Holder Not Deemed a Stockholder**. Except as otherwise specifically provided herein, prior to the issuance to the Holder of the Warrant Shares upon the due exercise of this Warrant, the Holder shall not be entitled to vote or receive dividends or be deemed the holder of Warrant Shares for any purpose. Nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this **Section 7**, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

8. **Replacement on Loss; Division and Combination**.

(a) **Replacement of Warrant on Loss**. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and upon delivery of an indemnity reasonably satisfactory to it (it being understood that a written indemnification agreement or affidavit of loss of the Holder shall be a sufficient indemnity) and, in case of mutilation, upon surrender of such Warrant for cancellation to the Company, the Company at its own expense shall execute and deliver to the Holder, in lieu hereof, a new Warrant of like tenor and exercisable for an equivalent number of Warrant Shares as the Warrant so lost, stolen, mutilated or destroyed; provided, that, in the case of mutilation, no indemnity shall be required if this Warrant in identifiable form is surrendered to the Company for cancellation.

(b) **Division and Combination of Warrant**. This Warrant may be divided or, following any such division of this Warrant, subsequently combined with other Warrants, upon the surrender of this Warrant or Warrants to the Company at its then principal executive offices, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the respective Holders or their agents or attorneys. The Company shall at its own expense execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants so surrendered in accordance with such notice. Such new Warrant or Warrants shall be of like tenor to the surrendered Warrant or Warrants and shall be exercisable in the aggregate for an equivalent number of Warrant Shares as the Warrant or Warrants so surrendered in accordance with such notice.

9. **No Impairment**. The Company shall not, by amendment of its certificate of incorporation or bylaws, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed by it hereunder, but shall at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may reasonably be requested by the Holder in order to protect the exercise rights of the Holder against dilution or other impairment, consistent with the tenor and purpose of this Warrant.

10. **Representations, Warranties and Covenants of the Company**. The Company hereby represents, covenants and agrees:

(a) This Warrant is, and any Warrant issued in substitution for or replacement of this Warrant shall be, upon issuance, duly authorized and validly issued.

(b) All Warrant Shares issuable pursuant to the terms hereof shall be, and the Company shall take all such actions as may be necessary or appropriate in order that such Warrant Shares are, upon issuance, validly issued, fully paid and non-assessable, issued without violation of any preemptive or similar rights, and free and clear of all taxes, liens and charges.

(c) The Company shall, at its own expense, (i) take all such actions as may be necessary or appropriate to ensure that (A) all Warrant Shares are issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which Warrant Shares may be listed at the time of such exercise (except for official notice of issuance which shall be immediately delivered by the Company upon each such issuance), and (B) the Warrant Shares, immediately upon their issuance upon the exercise of the Warrants, will be listed on each securities exchange, if any, on which the Common Stock is then listed and (ii) obtain and keep effective any and all permits, consents and approvals of governmental agencies and authorities which may from time to time be required of the Company in order to satisfy its obligations hereunder.

(formerly known as SLS BREEZE INTERMEDIATE HOLDINGS, INC.), a Delaware corporation ("***Holdings***"), the Lenders party hereto, and OBSIDIAN AGENCY SERVICES, INC., as administrative agent (in such capacity, the "***Administrative Agent***") and as collateral agent (in such capacity, the "***Collateral Agent***"), is entered into in connection with the Credit Agreement referred to in the first recital below.

RECITALS

WHEREAS, the Borrower and Holdings are parties to that certain Credit Agreement, dated as of September 25, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"; unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement), among the Borrower, Holdings, the financial institutions and other entities party to the Credit Agreement as lenders (the "***Lenders***"), the Administrative Agent and the Collateral Agent;

WHEREAS, the Borrower has requested that the Required Lenders amend certain provisions of the Credit Agreement with respect to the delivery of certain financial statements and waive any Default or Event of Default related thereto (to the extent arising or in effect prior to giving effect to this Agreement) as set forth more fully in this Agreement; and

WHEREAS, the Required Lenders have agreed to such amendments and waiver under the Credit Agreement, subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises made hereunder, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Amendment to Credit Agreement.

(a) Section 5.04(a) of the Credit Agreement is hereby amended by deleting the phrase "within 120 days (or for the first fiscal year ending after the Closing Date, 150 days) after the end of each fiscal year of the Borrower" appearing therein and inserting in its place the following:

"within 120 days after the end of each fiscal year of the Borrower (or, for the fiscal year ending December 31, 2014, no later than October 31, 2015)".

(b) Section 5.04(b) of the Credit Agreement is hereby amended by deleting the phrase "within 45 days (or for the fiscal quarter ending September 30, 2013, 90 days) after the end of each of the first three fiscal quarters of each fiscal year of the Borrower (commencing with the fiscal quarter ending September 30, 2013)" appearing therein and inserting in its place the following:

"within 45 days after the end of each of the first three fiscal quarters of each fiscal year of the Borrower (or for the fiscal quarters ending March 31, 2015 and June 30, 2015, no later than October 31, 2015)".

Section 2. Waiver. In reliance upon the representations and warranties of Holdings and the Borrower set forth in Section 4 below and subject to the conditions to effectiveness set forth in Section 3 below, the Administrative Agent and the Lenders hereby waive any Default or Event of Default that has occurred and is continuing solely to the extent such Default or Event of Default is related to (a) the failure of Holdings or the Borrower to deliver (i) the financial statements and other information required under (A) Section 5.04(a) of the Credit Agreement for the fiscal year ending December 31, 2014 or (B) Section 5.04(b) of the Credit Agreement for the fiscal quarters ending March 31, 2015 and June 30, 2015 or (ii) any Compliance Certificate required under Section 5.04(c) of the Credit Agreement in connection with the items set forth in Section 2(a)(i)(A) and (B) above, (b) any non- GAAP compliance or adjustments contained in any financial statements or information previously delivered pursuant to Section 5.04(b) of the Credit Agreement for the fiscal quarters ending March 31, 2015 and June 30, 2015 or any Compliance Certificate previously delivered for such fiscal quarters, (c) the failure of Holdings or the Borrower to deliver prompt written notice to the Administrative Agent or the documents required to be filed under the UCC to the Collateral Agent, in each case, with respect to the change in Holdings' legal name (as defined in Section 9-503(a) of the UCC) on August 21, 2014 as required under Section 5.06 of the Credit Agreement or (d) the amendment and restatement of the Certificate of Incorporation of Holdings that was filed with the State of Delaware Secretary of State on August 21, 2014 to the extent it was materially adverse to the Lenders in violation of Section 6.12(b) of the Credit Agreement (collectively, the Defaults or Events of Default set forth in clauses (a), (b), (c) and (d) of this sentence of this Section 2, the "***Existing Defaults***"). This is a limited waiver and shall not be deemed to constitute a waiver of any other Default or Event of Default or any future breach of the Credit Agreement or any of the other Loan Documents or any other requirements of any provision of the Credit Agreement or any other Loan Documents.

Section 3. Conditions Precedent. This Agreement shall become effective upon satisfaction of each of the following conditions precedent; provided that Sections 7 and 10 hereof shall be effective upon the execution and delivery of this Agreement by the parties hereto:

(a) The Administrative Agent shall have received a copy of this Agreement duly executed and delivered by each of the Administrative Agent, the Collateral Agent, the Borrower, Holdings and the Required Lenders.

(b) The representations and warranties contained herein shall be true and correct in all material respects as of the date hereof.

(c) After giving effect to the amendments in Section 1 and the waiver in Section 2 hereof, no Default or Event of Default shall have occurred and be continuing as of the date hereof.

Section 4. Representations and Warranties. Each of Holdings and the Borrower hereby represents and warrants, jointly and severally, to the Administrative Agent, the Collateral Agent and the Lenders that, as of the date hereof, (a) all representations and warranties set forth in Article III of the Credit Agreement are true and correct in all material respects to the same extent as though made on and as of the date hereof (or, to the extent such representations and warranties specifically relate to an earlier date, that such representations and warranties were true and correct in all material respects on and as of such earlier date), (b) no Default or Event of Default (other than the Existing Defaults) has occurred and is continuing, and (c) the Credit Agreement and all other Loan Documents to which the Loan Parties are a party thereto are and remain legal, valid, binding and enforceable obligations of such Loan Parties in accordance with the terms thereof, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 5. Survival of Representations and Warranties. All representations and warranties made in this Agreement or in any other Loan Document shall survive the execution and delivery of this Agreement, and no investigation by the Administrative Agent, the Collateral Agent, any Lender or any other Person shall affect such representations or warranties, or the right of the Administrative Agent, the Collateral Agent and the Secured Parties to rely upon them.

Section 6. Reference to Agreement. Each of the Loan Documents, including the Credit Agreement, and any and all other agreements, documents or instruments now or hereafter executed and/or delivered pursuant to the terms hereof or pursuant to the terms of the Credit Agreement as amended hereby, are hereby amended so that any reference in such Loan Documents to the Credit Agreement, whether direct or indirect, shall mean a reference to the Credit Agreement as amended hereby. This Agreement shall constitute a Loan Document under the Credit Agreement.

Section 7. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

Section 8. Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 3 hereof. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 9. Limited Effect. This Agreement relates only to the specific matters expressly covered herein, shall not be considered to be a waiver of any rights or remedies any Agent or Lender may have under the Credit Agreement or under any other Loan Document except as expressly set forth herein, and shall not be considered to create a course of dealing or to otherwise obligate in any respect any Agent or Lender to execute similar or other amendments or consents under the same or similar or other circumstances in the future.

Section 10. Payment of Legal Fees. The Borrower and Holdings shall, jointly and severally, pay all invoiced and reasonable fees, charges and disbursements of Proskauer Rose LLP incurred in connection with the preparation, negotiation, execution and delivery of this Agreement, and the consummation of the transactions contemplated hereby, in each case, to the extent required by Section 9.05(a) of the Credit Agreement.

Section 11. Waiver of Defenses. Without limiting the generality of any other provision in any other Loan Document or otherwise, each of the Borrower and Holdings hereby waives any suretyship or other defenses (other than a defense of (i) the payment in full in cash of all the Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations) or (ii) that no Obligations are yet due and payable) that may arise as a result of the joint and several liability of the Borrower and Holdings under this Agreement, and Section 2.03 of the Guarantee and Collateral Agreement is hereby incorporated herein by this reference, *mutatis mutandis*.

Section 12. Reaffirmation and Ratification. Each of Holdings and the Borrower (i) reaffirms and ratifies all of its payment and performance obligations, contingent or otherwise, under each of the Loan Documents to which it is a party and (ii) to the extent Holdings or the Borrower, as the case may be, granted liens on and security interests in any of its property (other than Excluded Assets (as defined in the Guarantee and Collateral Agreement)) pursuant to any Loan Document as security for or otherwise guaranteed the Obligations under or with respect to the Loan Documents, ratifies and reaffirms such guarantee and grant of liens and security interests and confirms and agrees that such liens and security interests hereafter secure all of the Obligations as amended hereby.

(b) Each Initial Term Loan Lender shall make the Initial Term Loan to be made by it hereunder on the Closing Date by wire transfer of immediately available funds to such account as the Borrower may designate not later than 2:00 p.m., Pacific time.

(c) The Borrower shall give the Administrative Agent at least one (1) Business Day's prior notice (unless waived by the Administrative Agent in its reasonable discretion) of its request to incur 2016 Term Loans hereunder, *provided* that any such notice shall be deemed to have been given on a certain day only if given before 1:00 p.m. (Pacific time) on such day. Such notice (the "***Notice of Borrowing***") shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing, in the form of Exhibit A, appropriately completed to specify: (i) the aggregate principal amount of the 2016 Term Loan to be incurred and (ii) the date of such borrowing (which shall be (x) a Business Day and (y) the ~~Closing~~Second Amendment Effective Date). Such notice (the "***Notice of Revolver Borrowing***") shall be irrevocable (unless such notice provides that such request is contingent on the consummation of a transaction (which transaction shall be described in reasonable detail in such notice), in which case, such notice shall be revocable to the extent the transaction is not consummated on the date such Revolving Loan is requested to be made) and shall be in writing, or by telephone promptly confirmed in writing, in the form of Exhibit A-1, appropriately completed to specify: (i) the aggregate principal amount of the Revolving Loan to be incurred pursuant to such borrowing (which shall be in an amount that is an integral multiple of $100,000 and not less than $500,000 (in each case, unless the remaining Total Unutilized Revolving Loan Commitments is less than such amount)) and (ii) the date of such borrowing (which shall be a Business Day; *provided, however*, the Borrower shall be entitled to make no more than one request for a

In each such case, unless a written notice of such borrowing request has thereafter been provided by the Borrower ~~hereby waives the right to dispute~~, the Administrative Agent's record of the terms of such telephonic notice of such borrowing of Loans shall be prima facie evidence of their correctness, as the case may be, absent manifest error.

SECTION 2.03. ***Disbursement of Funds***.

(Pacific time) on (i) the Closing Date, each Initial Term Loan Lender will make available its pro rata portion (determined based upon its Initial Term Loan Commitment) of the borrowing ~~requested to be made~~of Initial Term Loans requested to be made, (ii) the Second Amendment Effective Date, each 2016 Term Loan Lender will make available its pro rata portion (determined based upon its 2016 Term Loan Commitment) of the borrowing of 2016 Term Loans requested to be made and (iii) the date specified in each Notice of Revolver Borrowing, each RL Lender will make available its pro rata portion (determined based upon its RL Commitment) of each such borrowing of Revolving Loans requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrower at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the ~~Closing Date~~date of borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any borrowing to be made on ~~the Closing Date~~such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on ~~the Closing Date~~such date of borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall promptly pay such corresponding amount to the Administrative Agent. The Administrative Agent shall be entitled to recover on demand from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Effective Rate for the first three days and at the interest rate otherwise applicable to such Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective borrowing, as determined pursuant to Section 2.06. (b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from the Loans made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The entries made in the accounts maintained pursuant to paragraph (b) above shall be *prima facie* evidence absent manifest error of the existence and amounts of the obligations therein recorded; *provided*, *however*, that the failure of any Lender to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(d) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 9.04(d) and shall, if requested by such Lender, also be evidenced (i) in the case of Term Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each a "***Term Note***" and, collectively, the "~~***Notes***~~***Term Notes***") and (ii) in the case of Revolving Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-1, with blanks appropriately completed in conformity herewith (each a "***Revolving Note***", collectively, the "***Revolving Notes***" and together with the Term Notes, the "***Notes***"; provided that with respect to any Note issued prior to the Second Amendment Effective Date, all references to "Notes" therein shall be deemed to refer exclusively to Term Notes evidencing Initial Term Loans). (e) Notwithstanding anything to the contrary contained above in this Section 2.04 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) incurred by the Borrower that would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the Loan Documents. Any Lender that does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans; *provided* that, to the extent a Note was previously delivered to such Lender but such Lender has since lost or misplaced such Note or the Note cannot otherwise be found, such Lender shall execute and deliver to the Borrower a customary lost note affidavit in form and substance reasonably satisfactory to the Borrower and such Lender.

Accrued Commitment Fees shall be due and payable quarterly in arrears on each Interest Payment Date and, to the extent such date is not also an Interest Payment Date, on the date upon which the Total Revolving Loan Commitment is terminated.

(c) ~~(b)~~ All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent or the Lenders, as applicable. Once paid, to the extent the Loans related to such Fees are actually funded in accordance with the Loan Documents, none of the Fees shall be refundable under any circumstances or subject to any right of setoff, counterclaim or any similar right (each of which is hereby waived by Holdings and the Borrower).

To change the type of payment of interest for any period, such officer's certificate must be delivered to the Administrative Agent at least 5 Business Days prior to the applicable Interest Payment Date for such period. The Borrower may specify in such officer's certificate whether such change in the type of payment of interest is just for a specific period or shall be applicable to all future periods during the term of the Agreement until another officer's certificate is delivered specifying a different type of payment of interest for a period or periods.

Any determination of the principal amount outstanding under the Initial Term Loans or 2016 Term Loans after giving effect to any payment of PIK Interest hereunder or otherwise that is reasonably made by the Administrative Agent or the Lenders in good faith shall be prima facie evidence of the correctness of such determination in the absence of manifest error.

(c) ~~(b)~~ Interest on each Loan shall be payable on the Interest Payment Dates except as otherwise provided in this Agreement. Interest on each Loan shall be paid in cash except as otherwise provided in this Agreement.

(ii) The Borrower shall have the right at any time and from time to time to prepay all or any portion of Revolving Loans or other Obligations (other than the Term Loans, which are covered by Section 2.10(a)(i) above), without premium or penalty; *provided*, *however*, that (x) each partial prepayment of the Revolving Loans shall be in an amount that is an integral multiple of $50,000 and not

less than $100,000 (in each case, unless the remaining outstanding amount of Revolving Loans is less than such amount) and (y) the Borrower shall give the Administrative Agent one Business Day's prior written notice of such prepayment of the Revolving Loans; *provided* that such notice may be contingent on the satisfaction of certain conditions set forth therein, and such notice shall be deemed revoked if the conditions set forth therein are not satisfied within the time periods set forth in such notice for the satisfaction thereof (or are waived in writing by the Borrower).

(b) The Borrower will give at least 3 Business Days' prior written notice of each optional prepayment of the Term Loans under this Section 2.10 to the Administrative Agent. Each such notice shall specify the prepayment date, the aggregate principal amount of the Term Loans to be prepaid on such date, and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and, solely to the extent any such prepayment is made prior to the third anniversary of the Closing Date, shall be accompanied by a certificate of a Financial Officer of the Borrower as to the estimated Applicable Prepayment Premium due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Such notice shall be irrevocable and shall commit the Borrower to prepay the Term Loans by the amount stated therein on the date stated therein; *provided* that such notice may be contingent on the satisfaction of certain conditions set forth therein, and such notice shall be deemed revoked if the conditions set forth therein are not satisfied within the time periods set forth in such notice for the satisfaction thereof (or are waived in writing by the Borrower). All prepayments under this Section 2.10 shall be subject to Section 2.13. All prepayments under this Section 2.10 shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment, but, for the avoidance of doubt, no Applicable Prepayment Premium shall be paid or due (i) on any interest (other than, for the avoidance of doubt, PIK Interest on the Initial Term Loans and the 2016 Term Loans that has been capitalized and added to principal of such Initial Term Loans or 2016 Term Loans, as applicable) or amounts other than the principal amount of the Initial Term Loans or 2016 Term Loans so prepaid ~~or~~, (ii) on the proceeds of a Cure Contribution or Cure Securities that are used to prepay the Loans~~. Each~~, (iii) on any principal of, or other amounts related to, the Revolving Loans in accordance with Section 2.10(a)(ii) or Incremental Loans or (iv) on any Revolving Loan Commitments, 2016 Term Loan Commitments or Incremental Commitments that are reduced or terminated. Subject to Section 2.11(j), each prepayment pursuant to this Section 2.10 in respect of the ~~Loans~~Initial Term Loans and the 2016 Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) shall be applied *pro rata* among such Term Loans.

(c) Notwithstanding anything herein to the contrary, the Borrower shall repay in full, without penalty or premium, all Revolving Loans, together with all accrued and unpaid interest thereon, and the Revolving Loan Commitments of all RL Lenders shall automatically terminate and be reduced to zero, in each case, on the date of any repayment or prepayment (optional, mandatory or otherwise) of all of the Term Loans in full.

In addition, the Borrower shall, no later than 270 days (or, in the case of a binding commitment to reinvest entered into within 270 days, 405 days) after receipt of such Net Asset Sale Proceeds that have not theretofore been applied to the Obligations or that have not been so reinvested as provided above, make an additional prepayment of the ~~Loans~~Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) (and/or, to the extent required by Section 2.11(j), make a permanent repayment of the Revolving Loans (with a corresponding permanent reduction of the Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the amounts and pursuant to the terms set forth in Section 2.11(j)) in an amount equal to the full amount of all such Net Asset Sale Proceeds in accordance with ~~Section 2.11(e) and~~ Section 2.11(f) and Section 2.11(g) (and, to the extent applicable, Section 2.11(j)) within ten Business Days after the last day of the 270 or 405 day period, as applicable. ~~Notwithstanding anything to the contrary herein, with respect to the Disposition of any Revolving Loan Priority Collateral, the Borrower's obligation to prepay the Loans under this Section 2.11(a) shall be deemed satisfied to the extent that the amount that would otherwise be required to be used to prepay the Loans under this Section 2.11(a) is (y) required to be applied and is in fact applied to prepay the loans (but without requiring any permanent reduction of the commitments under the Revolving Loan Agreement) within the time period required by the terms of the Revolving Loan Agreement (including any grace period provided in connection therewith) or (z) reinvested in the business of the Borrower and its Subsidiaries pursuant to the terms of the Revolving Loan Agreement.~~

(c) ~~(b)~~ ***Net Insurance/Condemnation Proceeds***. (f) ~~(e)~~ The Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.11 a certificate signed by a Financial Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and to the extent practicable, at least three days' prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the principal amount of each Loan (or portion thereof) to be prepaid, and, if applicable, the Applicable Prepayment Premium or Change of Control Prepayment Premium due in connection with such prepayment. All prepayments of Loans under this Section 2.11 shall be subject to Section 2.11(~~f~~g), Section 2.11(~~g~~h), Section 2.11(j) and Section 2.13 and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment. For the avoidance of doubt, no Applicable Prepayment Premium or Change of Control Prepayment Premium shall be due on (i) interest (other than, for the avoidance of doubt, PIK Interest on the Initial Term Loans and the 2016 Term Loans that has been capitalized and added to principal~~) or any amount~~ of such Initial Term Loans or 2016 Term Loans, as applicable) or amounts other than the principal amount of the ~~Loans so prepaid~~Initial Term Loans or 2016 Term Loans so prepaid, (ii) any principal on the Revolving Loans or Incremental Loans, (iii) any amount or Obligations other than the principal amount of the Initial Term Loans or 2016 Term Loans so prepaid or (iv) any Revolving Loan Commitments, 2016 Term Loan Commitments or Incremental Commitments that are reduced or terminated. Subject to Section 2.11(j), all prepayments of the Term Loans pursuant to paragraphs (b), (c), (d) or (e), as applicable, of this Section 2.11, shall be applied to the outstanding Initial Term Loans and the 2016 Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis.

(g) ~~(f)~~ Notwithstanding anything to the contrary herein, any Lender may elect, by notice to the Borrower, prior to any prepayment of Loans or an offer to prepay the Term Loans required to be made by the Borrower pursuant to paragraph ~~(a), (b), (c) or (d), as applicable, of this Section 2.11,~~ (b), (c) (d) or (e), as applicable, of this Section 2.11 (other than, in the case of clause (d), a prepayment of all Loans in connection with a refinancing in full thereof), to decline all (but not a portion) of its *pro rata* share of such prepayment (such declined amounts, the "***Declined Proceeds***"). Any Declined Proceeds shall be offered on a *pro rata* basis to the ~~Lenders~~Term Loan Lenders (with respect to their remaining Term Loans only (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) not so declining such prepayment. To the extent such non-declining Term Loan Lenders elect to decline their *pro rata* shares of such Declined Proceeds, such Declined Proceeds may be retained by the Borrower.

(h) ~~(g)~~ With respect to any prepayment of Initial Term Loans or 2016 Term Loans (including capitalized PIK Interest thereof) required to be made by the Borrower pursuant to paragraph (~~d),~~e) of this Section 2.11, the Borrower shall pay the Change of Control Prepayment Premium (if any) determined for the prepayment date with respect to such principal amount of Initial Term Loans or 2016 Term Loans, as applicable, paid.

(i) ~~(h)~~ With respect to any prepayment of Initial Term Loans or 2016 Term Loans (including capitalized PIK Interest thereof) required to be made by the Borrower pursuant to paragraph (~~c~~d) of this Section 2.11 or Article VII (other than on account of an acceleration resulting solely from a breach of Section 6.10), the Borrower shall pay the Applicable Prepayment Premium determined for the prepayment date with respect to such principal amount of Initial Term Loans or 2016 Term Loans, as

applicable, paid. For the avoidance of doubt, no Applicable Prepayment Premium, Change of Control Prepayment Premium or any other prepayment premium shall be required to be paid with respect to any prepayment pursuant to paragraphs (a) ~~or (b) of this Section 2.11~~., (b) or (c) of this Section 2.11 or Section 7.02 or with respect to any prepayment, repayment or payment of the Revolving Loans (or in connection with any reduction in, or termination of, the Revolving Loan Commitments), or the Incremental Loans (or in connection with any reduction in, or termination of, the Incremental Commitments).

(j) Notwithstanding anything to the contrary herein, subject to Section 2.10(c), in the event the aggregate outstanding principal amount of the Term Loans is $15,000,000 or less or any repayment or prepayment (optional, mandatory or otherwise) of the Term Loans will cause the outstanding principal amount to be $15,000,000 or less, each amount required to be applied pursuant to Section 2.10(a)(i) and paragraphs (b), (c), (d) or (e) of this Section 2.11 shall be applied (i) first, to permanently prepay the Term Loans in such an amount that would cause the outstanding principal amount of the Term Loans to equal $15,000,000, (ii) second, to permanently repay any outstanding Revolving Loans (provided that each such repayment shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender) until the outstanding principal amount of Revolving Loans is zero, (iii) third, to permanently reduce the Unutilized Revolving Loan Commitment until the Total Revolving Loan Commitment is zero (it being understood that cash equal to the amount of the Unutilized Revolving Loan Commitment so reduced may be retained by the Borrower and shall not be required to prepay the Term Loans pursuant to Section 2.11(j)(iv)), and (iv) thereafter, to permanently prepay the remaining outstanding principal amount of the Initial Term Loans and the 2016 Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis.

SECTION 2.12. ***Reserve Requirements; Change in Circumstances***.

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender or shall impose on such Lender any other condition affecting this Agreement or Loans made by such Lender; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, upon written demand, such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender shall have reasonably determined that any Change in Law regarding capital adequacy or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's

holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.12 shall be delivered to the Borrower and shall be *prima facie* evidence absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate delivered by it within 10 Business Days after its receipt of the same.

(d) Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be under any obligation to compensate any Lender under paragraph (a) or (b) of this Section 2.12 with respect to increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies in writing the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof). The protection of this Section 2.12(d) shall be available to each Lender and regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

(e) Notwithstanding anything to the contrary, in the event that the Administrative Agent shall have reasonably determined that dollar deposits in the principal amounts of the Loan are not generally available in the London interbank market, or that the rates at which such dollar deposits are being offered will not adequately and fairly reflect the cost to the majority of Lenders of making or maintaining loans at the three-month London Interbank Offered Rate, or that reasonable means do not exist for ascertaining the Libor Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders (a "***LIBOR Unavailability Notice***"). In the event of any such reasonable determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, interest on the Loan shall accrue by reference to the Alternate Base Rate. Each determination by the Administrative Agent under this Section 2.12(e) shall be *prima facie* evidence absent manifest error.

SECTION 2.13. ***Indemnity***. Subject to the limitations set forth in Section 9.05(b) and the time period for payment set forth in Section 9.05(e), the Borrower shall indemnify each Lender against any loss or expense that such Lender may sustain or incur as a consequence of any default by the Borrower in the making of any payment or prepayment required to be made hereunder. A certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower and shall be *prima facie* evidence absent manifest error.

SECTION 2.14. ***Pro Rata Treatment***. Except as otherwise provided in this Agreement the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its *pro rata* share of any such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received. This Section 2.14 is subject to Section ~~2.19.~~2.20.

SECTION 2.15. ***Ratable Sharing***. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Borrower or any other Loan Party, or pursuant to a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means (but excluding any sale or participation of its Loans to a Person other than the Borrower or an Affiliate thereof, which shall be included), obtain payment (voluntary or involuntary) in respect of any principal of any Loan as a result of which the unpaid principal portion of its Loans shall be proportionately less than the unpaid principal portion of the Loans of any other Lender, it shall (a) notify the Administrative Agent of such fact and (b) be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Loans of such other Lender, so that the aggregate unpaid principal amount of the Loans and participations in Loans held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Loans then outstanding as the principal amount of its Loans prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all Loans outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; *provided*, *however*, that if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.15 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest. The Borrower and Holdings expressly consent to the foregoing arrangements and agree that any Lender holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim or other event with respect to any and all moneys owing by the Borrower and Holdings to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the Borrower in the amount of such participation.

SECTION 2.16. ***Payments***.

(a) Except with respect to any PIK Interest pursuant to Section 2.06, the Borrower shall make each payment (including principal of or interest on any Loan or any Fees or other amounts) hereunder and under any other Loan Document not later than 11:00 a.m., Local Time, on the date when due in immediately available Dollars, without setoff, defense (other than the defense of payment) or counterclaim. Subject to Section ~~2.19~~,2.20, each such payment shall be made to the Administrative Agent for distribution to the Lenders or other appropriate Person. Each such payment that is payable to a Lender shall be paid directly to such Lender at the office identified on Schedule 2.01 for such Lender or as otherwise directed by such Lender in writing from time to time, and each such payment that is payable to the Administrative Agent or the Collateral Agent shall be paid directly to the Administrative Agent or Collateral Agent, as applicable, at their respective offices identified on Schedule 2.01 or as otherwise directed by the Administrative Agent or Collateral Agent, as applicable, in writing from time to time.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Loan or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

SECTION 2.17. ***Taxes***.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable

Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Holdings and the Borrower shall, or shall cause each of the Loan Parties to, timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Administrative Agent has not already been indemnified by any of the Loan Parties for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(g) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall, or shall cause such Loan Party to, deliver to the Administrative Agent or the applicable Lender, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent or the applicable Lender, as the case may be.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the applicable Withholding Agent such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall

deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17 (ii)(A), (ii)(B) and ()(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, any Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such Tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that (A) such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and (B) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Foreign Lender (a "***U.S. Tax Compliance Certificate***") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this

paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such Tax had never been paid.

(h) Nothing contained in this Section 2.17 shall require any Lender (or any transferee or assignee) or either Agent to make available any of its Tax Returns or any other information that it deems to be confidential or proprietary.

SECTION 2.18. ***Assignment of Loans Under Certain Circumstances; Duty to Mitigate***.

(a) Notwithstanding anything to the contrary set forth in this Agreement, in the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.12, (ii) the Borrower is required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.17 or (iii) any Lender refuses to consent to any amendment, waiver or other modification of any Loan Document requested by the Borrower that requires the consent of a greater percentage of the Lenders than the Required Lenders and such amendment, waiver or other modification is consented to by the Required Lenders, and, in the case of clause (i) or (ii), such Lender has declined or is unable to designate a different lending office in accordance with Section 2.18(b) that would not require such compensation or requirement to pay such amounts, the Borrower, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender and the Administrative Agent, may require such Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or Section 2.17) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such assigned obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that, (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed, and (z) the Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender, plus all Fees and other amounts that have accrued and have earned for the account of such Lender hereunder with respect thereto (including any amounts under Section 2.12 and Section 2.13); *provided further* that, if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.12 or the amounts paid pursuant to Section 2.17, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital or cease to result in amounts being payable under Section 2.17, as the case may be (including as a result of any action taken by such Lender pursuant to paragraph (b) of this Section 2.18), or if such Lender shall waive its right to claim further compensation under Section 2.12 in respect of such circumstances or event or shall waive its right to further payments under Section 2.17 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder; *provided*, *however*, that any prior transfer or assignment shall still be in full force and effective. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.18.

(b) If (i) any Lender shall request compensation under Section 2.12 or (ii) the Borrower is required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental

Authority on account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts (which shall not require such Lender to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden reasonably deemed by it to be significant) to assign (at the request of the Borrower) its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.12 or would reduce amounts payable pursuant to Section 2.17, as the case may be, in the future. The Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

SECTION 2.19. ***Voluntary Termination of Unutilized Revolving Loan Commitments***. Upon at least 3 Business Days' prior written notice to the Administrative Agent, the Borrower shall have the right, at any time or from time to time, without premium or penalty, to terminate the Total Unutilized Revolving Loan Commitment in whole, or reduce it in part, pursuant to this Section 2.19, in an integral multiple of $1,000,000 in the case of partial reductions to the Total Unutilized Revolving Loan Commitment, provided that each such reduction shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender.

SECTION 2.20.~~SECTION 2.19.~~ ***Obsidian Agency Services as Administrative Agent***. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, at any time that Obsidian Agency Services, Inc. serves as the Administrative Agent hereunder, (a) the Lenders shall directly fund the Loans to the Borrower, (b) each Lender shall provide wire instructions to the Borrower with respect to payments to be received from the Borrower hereunder and the Borrower shall directly make any payments required or permitted hereunder to the Lenders and (c) neither the Lenders nor the Borrower shall remit any funds to the Administrative Agent to forward to another party hereunder.

SECTION 2.21.~~SECTION 2.20.~~ ***Tax Treatment***.

(a) Holdings, the Borrower and each of the Lenders agree, (i) that the Loans are debt for U.S. federal income tax purposes, (ii) that the Initial Term Loans are issued with original issue discount ("***OID***") solely on account of the PIK Interest and value allocated to the Warrants under Section ~~2.20~~2.21(b), (iii) that the ~~Loans~~2016 Term Loans are issued with OID solely on account of the PIK Interest, (iv) that the Initial Term Loans and 2016 Term Loans, as applicable, are not governed by the rules set out in Treasury Regulations Section 1.1275-4 and (~~iv~~v) not to file any Tax Return, report or declaration inconsistent with the foregoing, except as otherwise required pursuant to a "determination" within the meaning of Section 1313(a) of the Code (or any corresponding provision of state, local or foreign tax law).

(b) In connection with the Initial Term Loans, each of the Initial Term Loan Lenders is receiving Warrants on the Closing Date. The Initial Term Loans and Warrants are considered to be the issuance of an "investment unit" under Section 1273(c)(2) of the Code, and the parties agree that the aggregate fair market value of the Warrants shall be $1,060,000 for purposes of the investment unit allocation rules under Section 1273(c)(2) of the Code. The Borrower and each of the Lenders agree to report in a manner that is consistent with this allocation for all tax purposes.

(c) The inclusion of this Section ~~2.20~~2.21 is not an admission by any Lender that it is subject to United States taxation.

SECTION 2.22.~~SECTION 2.21.~~ ***AHYDO***. Notwithstanding anything herein to the contrary, if (1) the Initial Term Loans remain outstanding after the fifth anniversary of the initial issuance thereof and (2) the aggregate amount of the accrued but unpaid interest on the Initial Term Loans (including any amounts treated as interest for U.S. federal income tax purposes, such as "original issue discount") as of any Testing Date occurring after such fifth anniversary exceeds an amount equal to the Maximum Accrual, then all such accrued but unpaid interest on the Initial Term Loans (including any amounts treated as interest for U.S. federal income tax purposes, such as "original issue discount") as of such time in excess of an amount equal to the Maximum Accrual shall be paid in cash by the Borrower to the Lenders on such Testing Date, it being the intent of the parties hereto that the deductibility of interest under the Initial Term Loans shall not be limited or deferred by reason of Section 163(e)(5) and Section 163(i) of the Code. For these purposes, the "Maximum Accrual" is an amount equal to the product of such Initial Term Loans' issue price (as defined in Code Sections 1273(b) and 1274(a)) and their yield to maturity, and a "Testing Date" is the date on which any "accrual period" (within the meaning of Section 1272(a)(5) of the Code) closes.

SECTION 2.23.~~SECTION 2.22.~~ ***Incremental Facility***.

(a) From time to time after the Closing Date, but not more than ~~three~~two occasions during the term of the Loans, Borrower may by written notice to the Administrative Agent, elect prior to the Maturity Date, the establishment of one or more new term loan commitments (the "***Incremental Commitments***"), by (1) an amount not in excess of $~~25,000,000~~20,000,000 in the aggregate and (2) and not less than $1,000,000 individually (or such lesser amount which shall either (x) be approved by the Administrative Agent (which approval shall not be unreasonably delayed, withheld or conditioned) or (y) constitute the difference between $~~25,000,000~~20,000,000 and all such Incremental Commitments obtained prior to such date), and integral multiples of $1,000,000 in excess of that amount (or such lesser amount which shall either (x) be approved by the Administrative Agent (which approval shall not be unreasonably delayed, withheld or conditioned) or (y) constitute the difference between $~~25,000,000~~20,000,000 and all such Incremental Commitments obtained prior to such date). Each such notice shall specify (A) the date (each, an "***Increased Amount Date***") on which Borrower determines that the Incremental Commitments shall be effective, which shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period as shall be reasonably acceptable to the Administrative Agent) and (B) the identity of each Lender or other Person (each of which must be an Eligible Incremental Lender) (each, an "***Incremental Lender***") to whom Borrower proposes any portion of such Incremental Commitments be allocated and the amounts of such allocations; *provided*, that each existing Lender shall first be afforded, by written notice to the Administrative Agent (which notice shall be promptly forwarded by the Administrative Agent to the applicable existing Lenders and the Administrative Agent agrees to promptly forward such notice to the Lenders prior to the Increased Amount Date, but any failure to deliver such notice shall not prevent the above-mentioned ten (10) Business Day period from running after the Administrative Agent has received such notice), the opportunity to provide its Loan Commitment Percentage of any Incremental Commitments, as applicable; *provided*, *further*, that any Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide an Incremental Commitment. Each Lender may elect to provide all or a portion of its Loan Commitment Percentage of any Incremental Commitments, as applicable, by providing written notice (each, an "***Acceptance Notice***") to the Administrative Agent and the Borrower no later than 5:00 p.m. Local Time ten (10) days after the date of the Administrative Agent's receipt of notice from the Borrower. Each Acceptance Notice from a given Lender shall specify the principal amount of the Incremental Commitment to be provided by such Lender. If a Lender fails to deliver an Acceptance Notice to the Administrative Agent within the time frame specified above or such Acceptance Notice fails to specify the principal amount of the Incremental Commitments to be provided, any such failure will be deemed a rejection of the opportunity to provide any portion of the Incremental Commitment, and the Borrower

may have other Persons provide the remaining uncommitted portion of the Incremental Commitments. Such Incremental Commitments shall become effective as of such Increased Amount Date; *provided* that after giving effect to the making of any Incremental Loans and the use of proceeds thereof, (I) no Default or Event of Default shall have occurred and be continuing under any of the Loan Documents; (II) each of the representations and warranties set forth in Article III shall remain true and correct in all material respects (without duplication of any materiality qualifiers contained therein); and (III) the Consolidated Leverage Ratio, calculated on a pro forma basis for the last twelve month period for which financial statements have been (or were required to be) delivered pursuant to Sections 5.04 (a) or (b) and after giving effect to any Permitted Acquisitions or Investments permitted under the Loan Documents or prepayments of the Loans, shall be no greater than 0.74:1.00. The Incremental Commitments, as applicable, shall be effected pursuant to one or more amendments (each, an "***Incremental Loan Amendment***") executed and delivered by Borrower, the Incremental Lender and the Administrative Agent and each of which shall be recorded in the Register (*provided* that the Administrative Agent agrees to execute and deliver any Incremental Loan Amendment satisfying the requirements of this Section ~~2.22~~2.23 and otherwise in compliance with the terms of this Agreement).

(b) Any Incremental Loans made on an Increased Amount Date shall be designated a separate Tranche of Incremental Loans for all purposes of this Agreement. On any Increased Amount Date on which any Incremental Commitments are effected, subject to the satisfaction or waiver of the foregoing terms and conditions, (i) each Incremental Lender shall make a term loan to Borrower (an "***Incremental Loan***") in an amount equal to its Incremental Commitment, and (ii) each Incremental Lender shall become a Term Loan Lender and a Lender hereunder with respect to the Incremental Commitment and the Incremental Loans made pursuant thereto.

(c) The Administrative Agent shall notify the Lenders promptly upon receipt of Borrower's notice of each Increased Amount Date and in respect thereof the Incremental Commitments and the Incremental Lenders.

(d) The terms and provisions of the Incremental Loans and Incremental Commitments shall be as agreed between Borrower and the Incremental Lenders providing such Incremental Loans and Incremental Commitments and except as otherwise permitted pursuant to this clause (e), shall be either on terms (x) substantially consistent (taken as a whole) with the Initial Term Loans made on the Closing Date or (y) no more favorable (taken as a whole) to the Incremental Lenders than the terms applicable to the Initial Term Loans made on the Closing Date. In any event:

(i) the Incremental Loans shall rank *pari passu* in right of payment and be equal with respect to security with the Initial Term Loans ~~made on the Closing Date~~, the 2016 Term Loans and the Revolving Loans;

(ii) the Weighted Average Life to Maturity of the Incremental Loans shall be no shorter than the Weighted Average Life to Maturity of the Initial Term Loans made on the Closing Date (except by virtue of prepayment of such Loans prior to the time of such incurrence);

(iii) the final maturity date of the Incremental Loans shall be no earlier than the Maturity Date of the Initial Term Loans ~~made on the Closing Date~~, the 2016 Term Loans and the Revolving Loans;

(iv) at the option and agreement of the Borrower and the Incremental Lenders, the Incremental Loans may share ratably in right of prepayment with the Initial Term Loans ~~on~~and the ~~Closing Date~~2016 Term Loans pursuant to Sections 2.10 and 2.11 or otherwise; and

~~9335/74326-004 current/38542033v9~~

(v) the all-in yield applicable to such Incremental Loans (including interest rate margins and interest rate floors with respect to such Incremental Loans (based on the lesser of a four-year average life to maturity and the remaining life to maturity) (but only to the extent an increase in the interest floor in the Initial Term Loans ~~made on the Closing Date~~ would cause an increase in the interest rate then in effect hereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to such Initial Term Loans ~~made on the Closing Date~~ shall be increased to the extent of such differential above the 0.50% threshold below between interest rate floors), but excluding arrangement, structuring, underwriting, amendment or other fees paid or payable to the Administrative Agent, the Collateral Agent, the Lenders on the Closing Date or their Affiliates or that are not generally paid to all lenders of such type of indebtedness) shall not be greater than the corresponding all-in yield applicable to the Initial Term Loans ~~made on the Closing Date~~ plus 0.50% per annum (any such amount in excess of such 0.50% threshold, the "***Excess Rate***") unless the interest rate margin with respect to the Initial Term Loans ~~made on the Closing Date~~ are increased by an amount equal to the Excess Rate.

(e) Each Incremental Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable and mutual opinion of the Agents and Borrower to effect the provision of this Section ~~2.22~~2.23, and for the avoidance of doubt, this Section ~~2.22~~2.23 shall supersede any provisions in Sections 2.14 or 9.08 to the contrary.

(f) The Incremental Loans and Incremental Commitments extended or established pursuant to this Section ~~2.22~~2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Credit Documents, and shall, without limiting the foregoing, benefit equally and ratably from the guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure or demonstrate that the Lien and security interests granted in the Collateral by the Security Documents continue to be perfected under the Uniform Commercial Code or otherwise after giving effect to the extension or establishment of any such Incremental Loans or any such Incremental Commitments.

ARTICLE III

Any Applicable Prepayment Premium payable ~~above~~pursuant to the immediately preceding sentence shall be presumed to be the liquidated damages sustained by each ~~Lender~~such Initial Term Loan Lender or 2016 Term Loan Lender, as applicable, as the result of the early termination and the Borrower agrees that it is reasonable under the circumstances currently existing. The Applicable Prepayment Premium shall also be payable on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans or 2016 Term Loans that has been capitalized and added to principal of such Initial Term Loans or 2016 Term Loans, as applicable) of such Initial Term Loans or 2016 Term Loans, as applicable (but not any Revolving Loans, Incremental Loans, interest accruing thereon, other Obligations or other amounts), in the event the Obligations (and/or this Agreement or the Notes evidencing the Obligations) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREPAYMENT PREMIUM ON THE OUTSTANDING PRINCIPAL AMOUNT (INCLUDING, FOR THE AVOIDANCE OF DOUBT, PIK INTEREST ON THE INITIAL TERM LOANS OR 2016 TERM LOANS THAT HAS BEEN CAPITALIZED AND ADDED TO PRINCIPAL OF SUCH INITIAL TERM LOANS OR 2016 TERM LOANS, AS APPLICABLE) OF SUCH INITIAL TERM LOANS OR 2016 TERM LOANS, AS APPLICABLE IN CONNECTION WITH ANY SUCH ACCELERATION. The Borrower expressly agrees that: (A) the Applicable Prepayment Premium on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans or 2016 Term Loans that has been capitalized and added to principal of the Initial Term Loans or 2016 Term Loans, as applicable) of the Initial Term Loans or 2016 Term Loans, as applicable, is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans or 2016 Term Loans that has been capitalized and added to principal of the Initial Term Loans or 2016 Term Loans, as applicable) of the Initial Term Loans or 2016 Term Loans, as applicable, shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; and (D) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Borrower expressly acknowledges that its agreement to pay the Applicable Prepayment Premium ~~to~~on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans or 2016 Term Loans that has been capitalized and added to principal of such Initial Term Loans or 2016 Term Loans, as applicable) of the Initial Term Loans or 2016 Term Loans, as applicable (but not any Revolving Loans, Incremental Loans, interest accruing thereon, other Obligations or other amounts), to such Lenders as herein described is a material inducement to the Initial Term Loan Lenders and the 2016 Term Loan Lenders, as applicable, to make the ~~Loans~~Initial Term Loans and the 2016 Term Loans, as applicable.

(ii) if, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 6.10, the Borrower shall be deemed to have satisfied the requirements of the covenant set forth in Section 6.10 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the covenant set forth in Section 6.10 that had occurred shall be deemed cured for the purposes of this Agreement.

(b) Notwithstanding anything herein to the contrary (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right may be exercised no more than four times, (iii) the Cure Amount shall be no greater than the amount required for purposes of causing the Borrower to comply with the covenant set forth in Section 6.10, (iv) subject to Section 2.11(j), the proceeds of a Cure Contribution or Cure Securities shall be used to prepay the outstanding Initial Term Loans ~~(~~and 2016 Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis (and, in each case and notwithstanding anything to the contrary in this Agreement, such prepayment shall not be subject to the Applicable Prepayment Premium) and the Loans shall be deemed repaid for the purposes of recalculating the covenant set forth in Section 6.10.

(c) Upon the Administrative Agent's receipt of a notice from the Borrower that it intends to exercise the Cure Right (a "***Notice of Intent to Cure***"), until the 15th day subsequent to the date of required delivery of the related Compliance Certificate delivered pursuant to Section 5.04(c) to which such Notice of Intent to Cure relates, neither the Administrative Agent nor any Lender shall exercise the right to accelerate payment of the Loans or terminate or suspend the Commitments nor take any other remedy pursuant to Section 7.01 or otherwise and neither the Collateral Agent nor any other Lender shall exercise any right to foreclose on or take possession of the Collateral solely on the basis of an allegation of an Event of Default having occurred and being continuing under Section 7.01 due to failure by the Borrower to comply with the requirements of the covenant set forth in Section 6.10 for the applicable period.

Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents.

The Person serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Person and its affiliates may provide debt financing, equity capital or other services (including financial advisory services) to any of the Loan Parties (or any Person engaged in similar business as that engaged in by any of the Loan Parties) as if such Person was not performing the duties specified herein, and may accept fees and other consideration from any of the Loan Parties for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08), and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the Person serving as the Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08) or in the absence of its own gross negligence or willful misconduct as finally judicially determined by a court of competent jurisdiction. Neither Agent nor any Lender shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent or such Lender by Holdings, the Borrower or a Lender, and neither Agent nor any Lender shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or such Lender.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit ~~Facility~~Facilities as well as activities as Agent.

Subject to the appointment and acceptance of a successor Agent as provided below, either Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default), to appoint a successor other than any Excluded Lender. If no successor shall have been so appointed by the Required Lenders (with the Borrower's written consent, subject to the limitations on consent in the immediately preceding sentence) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent (other than any Excluded Lender) with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default) which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Agent hereunder by a successor (who shall not be an Excluded Lender and any attempted appointment of an Excluded Lender shall be absolutely void *ab initio)*, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. If within 30 days after written notice is given of the resigning Agent's resignation under this Article VIII no successor Agent shall have been appointed and shall have accepted such appointment, then on such 30th day (a) the retiring Agent's resignation shall become effective, (b) the retiring Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent that is not an Excluded Lender as provided above. The Borrower shall pay the reasonable and documented out-of-pocket fees of a successor Agent that is not an Excluded Lender and that is not appointed in violation of this paragraph. After an Agent's resignation hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Each Lender hereby further authorizes the Collateral Agent, on behalf of and for the benefit of Lenders, to enter into ~~the Intercreditor Agreement and into~~ each Security Document as secured party and to be the agent for and representative of the Lenders thereunder, and each Lender agrees to be bound by the terms of each Security Document ~~and the Intercreditor Agreement~~; *provided* that the Collateral Agent shall not (i) enter into or consent to any material amendment, modification, termination or waiver of any provision contained in any Security Document ~~or the Intercreditor Agreement~~ or (ii) release any Collateral (except as otherwise expressly permitted or required pursuant to the terms of this Agreement ~~, the Intercreditor Agreement~~ or the applicable Security Document), in the case of each of clauses (i) and (ii) without the prior consent of Required Lenders (or, if required pursuant to Section 9.08, all Lenders); *provided further, however,* that, without further written consent or authorization from the Lenders, the Collateral Agent may execute any documents or instruments necessary to (a) release any Lien encumbering any item of Collateral (1) that is the subject of a sale or other Disposition of assets permitted by this Agreement, the other Loan Documents or to which Required Lenders have otherwise consented or (2) upon the payment in full of the Obligations (other than contingent indemnity claims or expense reimbursement obligations not yet asserted), (b) release any Subsidiary Guarantor from the Guarantee and Collateral Agreement if all of the Equity Interests of such Subsidiary Guarantor are sold or otherwise Disposed of to any Person (other than an Affiliate of a Loan Party) pursuant to a sale or other Disposition permitted hereunder or under any of the other Loan Documents or to which Required Lenders have otherwise consented or (c) subordinate the Liens of the Collateral Agent, on behalf of the Secured Parties, to any Liens permitted by Section 6.02. Anything contained in any of the Loan Documents to the contrary notwithstanding, Holdings, the Borrower, the Collateral Agent and each Lender hereby agree that (1) no Lender shall have any right individually to realize upon any of the Collateral under or otherwise enforce any Security Document ~~or the Intercreditor Agreement~~, it being understood and agreed that all powers, rights and remedies under the Security Documents ~~and the Intercreditor Agreement~~ may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (2) in the event of a foreclosure by either on any of the Collateral pursuant to a public or private sale, either Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Collateral Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Notwithstanding anything to the contrary herein, the Collateral Agent shall be permitted to take any action it is authorized to take under any Loan Document ~~or the Intercreditor Agreement~~.

In case of the pendency of any case or proceeding under the Bankruptcy Code or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.05, Section 2.13, Section 2.17, and Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.05 and Section 9.05.

SECTION 9.02. ***Survival of Agreement***. All covenants, agreements, representations and warranties made by Holdings or the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the

Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other Obligation (other than contingent indemnity claims or expense reimbursement obligations not yet asserted) payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Section 2.12, Section 2.13, Section 2.17 and Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03. ***Binding Effect.*** This Agreement shall become effective when it shall have been executed by Holdings, the Borrower, the Collateral Agent and the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

SECTION 9.04. ***Successors and Assigns.***

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of Holdings, the Borrower, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees (which, for the avoidance of doubt, shall not be any Excluded Lender) all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it), with the prior written consent of the Borrower and the Administrative Agent (not to be unreasonably withheld or delayed); *provided*, *however,* that (i) the consent of the Borrower shall not be required to any such assignment made (A) to another Lender or an Affiliate of a Lender, or (B) after the occurrence and during the continuance of any Designated Event of Default; *provided* that, notwithstanding anything to the contrary in this Agreement, the Borrower shall retain its right to consent in writing to an assignment to any Excluded Lender at all times, (ii) unless otherwise consented to in writing by the Borrower and the Administrative Agent, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to when such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than, $1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans), (iii) the parties to each such assignment shall manually execute and deliver to the Administrative Agent an Assignment and Acceptance, together with, unless waived by the Administrative Agent, a processing and recordation fee of $3,500 (*provided* that only one such fee shall be payable in the case of concurrent assignments to Persons that, after giving effect to such assignments, will be Related Funds), and (iv) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms. Upon acceptance and recording pursuant to paragraph (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of, and subject to the requirements of, Section 2.12, Section 2.13, Section 2.17 and Section 9.05).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto (including the Borrower) as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim; (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 5.04 and such other documents and information as it has deemed reasonably appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall maintain at its principal executive offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). Absent manifest error, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and, if required, the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) notify the Borrower of such acceptance. The Administrative Agent shall promptly record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e). This Section 9.04(e) shall be construed so that any Commitment, Loan or other Obligation under the Loan Documents is in registered form under Section 5f103-1(c) of the United States Treasury Regulations.

(f) Each Lender may without the consent of the Borrower or the Administrative Agent sell participations to one or more banks or other Persons (in each case, other than to an Excluded Lender) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its

Commitment and the Loans owing to it); *provided, however,* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Section 2.12 and Section 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17 and it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender) to the same extent as if they were Lenders (but, with respect to any particular participant), to no greater extent than the Lender that sold the participation to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation, (iv) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing any Guarantor (other than in connection with the sale of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral) and (v) such bank or other Person shall not be an Excluded Lender. Notwithstanding anything to the contrary, no Lender shall enter into any agreement with any participant that will permit such participant to influence or control the voting rights of such Lender with respect to the Loans or Obligations (and no participant shall have or receive any voting rights with respect to the Loans or Obligations) except with regard to (i) decreases in the principal amount of, or extending the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waiving or excusing any such payment or any part thereof, or decreasing the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than any waiver of any increase in the interest rate applicable to the Loans as a result of the occurrence of an Event of Default and other than any waiver or extension of any mandatory prepayment), (ii) increasing or extending the Commitment or decreasing or extending the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such participant, or (iii) amending or modifying the pro rata requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of Section 9.08(b)(i) - (iii).

(g) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be *prima facie* evidence absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that, prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary and commercially reasonable exceptions) to bound by or preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(i) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender; *provided* that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(j) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle that is not an Excluded Lender (an "***SPC***"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPC may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in the Loans to the Granting Lender or to any financial institutions that are not Excluded Lenders (consented to by the Borrower and the Administrative Agent) providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Loans and (ii) disclose on a confidential basis (upon receiving a signed agreement to be bound to confidentiality provisions similar to those in Section 9.16) any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC. A Granting Lender that transfers all or any portion of its Loan to an SPC shall maintain a register that complies with the requirements set forth in Section 9.04(g).

(k) Neither Holdings nor the Borrower shall assign or delegate any of its rights or duties hereunder without the prior written consent of the Administrative Agent and each Lender. Notwithstanding anything to the contrary, any attempted assignment that is not permitted by the terms hereunder shall be absolutely void *ab initio*.

SECTION 9.05. ***Expenses; Indemnity.***

(a) Holdings and the Borrower agree, jointly and severally, to pay all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees

(limited to one transactional counsel and one local counsel in each relevant jurisdiction) and reasonable and documented out-of-pocket fees, costs and expenses of accountants, advisors and consultants, incurred by the Administrative Agent, the Collateral Agent and their one counsel in the negotiation, preparation and administration of this Agreement and the other Loan Documents including reasonable and documented out-of-pocket travel costs and costs and expenses (not to exceed $7,500 in any fiscal year of Holdings related to the obtaining and maintenance of credit ratings) or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or relating to efforts to evaluate or assess any Loan Party, its business or financial condition or protect, evaluate, assess or Dispose of any of the Collateral; and all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees (limited to one transactional counsel and one local counsel in each relevant jurisdiction), fees, costs and expenses of accountants, advisors and consultants and costs of settlement, incurred by the Administrative Agent, the Collateral Agent and Lenders in enforcing any Obligations of or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents (including in connection with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Loan Documents) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings. Notwithstanding the foregoing, the parties hereto agree that Holdings, the Borrower and the other Loan Parties shall not be required to pay costs and expenses incurred on or prior to the Closing Date in connection with the primary syndication of the Credit Facility and the negotiation, preparation and administration of this Agreement and the other Loan Documents in excess of $300,000.

(b) Holdings and the Borrower agree, jointly and severally, to indemnify the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "***Indemnitee***") against, and to hold each Indemnitee harmless from, any and all losses (other than lost profits), claims, damages, liabilities and related expenses, including reasonable and documented out-of-pocket counsel fees of one counsel and one local counsel in each relevant jurisdiction, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated thereby, (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto or the plaintiff or defendant thereunder (and regardless of whether such matter is initiated by a third party, a Lender, or by Holdings, the Borrower, any other Loan Party or any of their respective Affiliates), or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or its Affiliates, (B) result from a successful claim brought by the Borrower or any other Loan Party against an Indemnitee for a material breach of such Indemnitee's material obligations hereunder or under any other Loan Document or (C) arise from disputes arising solely among Indemnitees that do not involve any act or omission by any Loan Party or its Affiliates (other than claims, damages, liabilities and related expenses against an Agent acting solely in its capacity as such, but not with respect to any other Person that is party to such dispute with an Agent).

(c) To the extent that Holdings and the Borrower fail to pay any amount required to be paid by them to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section

~~9335/74326-004 current/38542033v9~~
9699/74326-004 current/53284768v11

9.05(c), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the outstanding Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable within 10 Business Days of demand therefor.

SECTION 9.06. ***Right of Setoff.*** If an Event of Default shall have occurred and be continuing, each Secured Party is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party to or for the credit or the account of Holdings or the Borrower against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Secured Party under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Secured Party may have.

SECTION 9.07. ***Applicable Law.*** THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

SECTION 9.08. ***Waivers; Amendment.***

(a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings or the Borrower in any case shall entitle Holdings or the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower, Holdings and the Required Lenders; *provided, however,* that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waive or excuse any such payment or any part thereof, or decrease the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than any waiver of any increase in the interest rate applicable to the Loans as a result of the occurrence of an Event of Default and other than any waiver or extension of any mandatory prepayment), (ii) increase or extend the Commitment or decrease or extend the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such Lender, (iii) amend or modify the *pro rata* requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of this Section 9.08(b) or release any Guarantor (other than in connection with the sale or other disposition of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral, without the prior written consent of each Lender, (iv) modify the protections afforded to an SPC pursuant to the provisions of Section 9.04(j) without the written consent of such SPC, ~~or~~ (v) without the written consent of the Required RL Lenders, amend, modify or waive any condition precedent set forth in Section 4.02 or amend the definition of "Required RL Lenders" or (vi) reduce the percentage contained in the definition of the term "Required Lenders" without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Commitments on the date hereof); *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent.

SECTION 9.09. ***Interest Rate Limitation.*** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the "***Charges***"), shall exceed the maximum lawful rate (the "***Maximum Rate***") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.10. ***Entire Agreement.*** This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. ***WAIVER OF JURY TRIAL.*** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. ***Severability.*** In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. ***Counterparts.*** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 9.14. ***Headings.*** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. ***Jurisdiction; Consent to Service of Process.***

(a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Holdings, the Borrower, or their respective properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan

Documents in any court located in the City of New York, Borough of Manhattan, or of the United States of America sitting in the Southern District of New York. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16. ***Confidentiality.*** Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, but only to the extent required or desirable in connection with such exercise or enforcement, (e) subject to an agreement containing provisions substantially the same as those of this Section 9.16, to (i) to the extent not an Excluded Lender, any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to Holdings, the Borrower or any Subsidiary or any of their respective obligations, (f) with the written consent of the Borrower or (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16 by any Agent, any Lender or any of their Related Parties. For the purposes of this Section 9.16, "Information" shall mean all information received from Holdings, the Borrower or any Subsidiary and related to Holdings, the Borrower or any Subsidiary or their business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a nonconfidential basis prior to its disclosure by Holdings, the Borrower or any Subsidiary; *provided* that with respect to clause (c) above, if the Administrative Agent, the Collateral Agent or any Lender receives a subpoena, interrogatory or other request (verbal or otherwise) for any Information, or believes that it is legally required to disclose any of the Information to a third party, it shall, in advance of such disclosure, to the extent practicable and legally permissible, promptly provide to the Borrower written notice of any such request or requirement so that Borrower or the applicable Loan Party (or Subsidiary thereof) may seek a protective order or other remedy; *provided, further,* that it shall (1) exercise reasonable efforts to preserve the confidentiality of such Information, (2) to the extent legally permissible and practicable, use commercially reasonable efforts to provide Borrower, in advance of such disclosure, with copies of any Information it intends to disclose (and, if applicable, the text of the disclosure language itself), and (3) reasonably cooperate at the reasonable cost and expense of the Borrower with the Borrower or applicable Loan Party (or Subsidiary thereof) to the extent Borrower or such Loan Party (or Subsidiary thereof) seeks to limit such disclosures. Notwithstanding anything to the contrary herein or in any other Loan Document or otherwise, each of the Administrative Agent, the Collateral Agent and the Lenders agrees not to disclose any Information to any Excluded Lender under any circumstance. Except with respect to disclosing any Information to an Excluded Lender, any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.17. ***USA PATRIOT Act Notice.*** Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Holdings, the Borrower and the Subsidiary Guarantors that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies Holdings, the Borrower and the Subsidiary Guarantors, which information includes the name and address of Holdings, the Borrower and the Subsidiary Guarantors and other information that will allow such Lender or the Administrative Agent, as applicable, to identify Holdings, the Borrower and the Subsidiary Guarantors in accordance with the USA PATRIOT Act.

Each of the Borrower and, by its acceptance hereof, the Lender, irrevocably and unconditionally waives, to the fullest extent that it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Term Note in any court located in the City of New York, Borough of Manhattan, or the United States of America sitting in the Southern District of New York. (e) the Lenders shall have received evidence reasonably satisfactory to the Administrative Agent that all existing indebtedness for borrowed money of RunBook and any of its subsidiaries (other than debt permitted under the Credit Agreement) shall have been (or substantially simultaneously with the consummation of the RunBook Acquisition shall be) repaid in full and all commitments to lend or make other extensions of credit thereunder have been terminated and all liens securing such indebtedness or other obligations thereunder have been released and/or terminated (other than liens permitted under the Credit Agreement);

(a) Deliver to the Administrative Agent, on behalf of itself, the Collateral Agent and the Lenders, a favorable written opinion of NautaDutilh, local counsel to the Subsidiaries organized under the laws of the Netherlands (A) addressed to the Administrative Agent, the Collateral Agent and the Lenders, and (B) covering such other matters relating to the Amendment and the Loan Documents as the Administrative Agent shall reasonably request and that are customary to cover in transactions of this type no later than thirty (30) days after the Third Amendment Effective Date (or such later date as the Administrative Agent may agree to in its sole and reasonable discretion).

Any Lender that does not have a Note

evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans; *provided* that, to the extent a Note was previously delivered to such Lender but such Lender has since lost or misplaced such Note or the Note cannot otherwise be found, such Lender shall execute and deliver to the Borrower a customary lost note affidavit in form and substance reasonably satisfactory to the Borrower and such Lender.

(c) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent or the Lenders, as applicable. Once paid, to the extent the Loans related to such Fees are actually funded in accordance with the Loan Documents, none of the Fees shall be refundable under any circumstances or subject to any right of setoff, counterclaim or any similar right (each of which is hereby waived by Holdings and the Borrower).

SECTION 2.06 ***Interest on Loans***.

(a) Subject to the provisions of Section 2.07, Revolving Loans shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal to the sum of the Libor Rate plus 6.0% per annum (or, to the extent the Administrative Agent shall have delivered a LIBOR Unavailability Notice to the Borrower and the Lenders pursuant to Section 2.12(e), the Alternate Base Rate plus 5.0% per annum).

(b) Subject to the provisions of Section 2.07, the Initial Term Loans, the 2016 Term Loans and the 2016 Acquisition Term Loans shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal to the sum of the Libor Rate plus 8.0% per annum (or, to the extent the Administrative Agent shall have delivered a LIBOR Unavailability Notice to the Borrower and the Lenders pursuant to Section 2.12(e), the Alternate Base Rate plus 7.0% per annum); *provided*, *however*, the Borrower may elect to pay, in kind, a portion of such accrued and unpaid interest (any such interest paid in kind, the "***PIK Interest***") due on any Interest Payment Date up to the maximum percentage set forth in the table below opposite the relevant period in which such Interest Payment Date occurs of the total accrued and unpaid interest payable on such Interest Payment Date; it being deemed that the Borrower has elected the maximum PIK Interest for each period during the term of this Agreement unless the Borrower shall have delivered a certificate executed by a

Responsible Officer of the Borrower to the Administrative Agent certifying that the Borrower has elected to pay interest with respect to the applicable Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans for the applicable period then ending (i) in such lesser percentage of PIK Interest and specifying the amount of such PIK Interest or (ii) in cash only. To change the type of payment of interest for any period, such officer's certificate must be delivered to the Administrative Agent at least 5 Business Days prior to the applicable Interest Payment Date for such period. The Borrower may specify in such officer's certificate whether such change in the type of payment of interest is just for a specific period or shall be applicable to all future periods during the term of the Agreement until another officer's certificate is delivered specifying a different type of payment of interest for a period or periods.

From and after the ~~Closing~~Third Amendment Effective Date to and including the ~~second~~first anniversary of the ~~Closing~~Third Amendment Effective Date	**~~80.0~~50.0%**
~~After the second anniversary of the Closing Date to and including the third anniversary of the Closing Date~~	**~~70.0~~%**

All interest due and payable hereunder that the Borrower elects to pay in the form of PIK Interest shall be capitalized, added to the then-outstanding principal amount of the applicable Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans as additional principal obligations hereunder on and as of such Interest Payment Date and shall automatically constitute a part of the outstanding principal amount of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans for all purposes hereof (including the accrual of interest thereon at the rates applicable to the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans generally). Any determination of the principal amount outstanding under the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans after giving effect to any payment of PIK Interest hereunder or otherwise that is reasonably made by the Administrative Agent or the Lenders in good faith shall be prima facie evidence of the correctness of such determination in the absence of manifest error.

(c) Interest on each Loan shall be payable on the Interest Payment Dates except as otherwise provided in this Agreement. Interest on each Loan shall be paid in cash except as otherwise provided in this Agreement.

SECTION 2.07 ***Default Interest***. Upon the occurrence and during the continuation of any Event of Default, the outstanding principal amount of all Loans and, to the extent permitted by applicable law, any interest payments thereon not paid when due and any fees and other amounts then due and

payable hereunder, shall thereafter, automatically in the case of an Event of Default under Sections 7.01(a), (g) or (h) and at the written election of the Administrative Agent (acting at the written direction of the Required Lenders) otherwise (it being understood that such election may apply retroactively to the date such other Event of Default occurred), bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) payable upon written demand at the rate otherwise applicable to such Loan pursuant to Section 2.06 plus 2.0% per annum. Payment or acceptance of the increased rates of interest provided for in this Section 2.07 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 2.08 ***Termination of Commitments***.

(a) The Initial Term Loan Commitments shall automatically terminate upon the making of the Initial Term Loans on the Closing Date.

(b) The 2016 Term Loan Commitment shall automatically terminate upon the making of the 2016 Term Loans on the Second Amendment Effective Date.

(c) The 2016 Acquisition Term Loan Commitment shall automatically terminate upon the making of the 2016 Acquisition Term Loans on the Third Amendment Effective Date.

(d)~~(c)~~ The Total Revolving Loan Commitment shall terminate in its entirety upon the Maturity Date.

SECTION 2.09 ***Repayment of Loans***.

To the extent not previously paid, all Loans shall be due and payable on the Maturity Date (or, if such day is not a Business Day, on the next succeeding Business Day), in immediately available funds, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment.

SECTION 2.10 ***Optional Prepayment***.

(a)(i) Subject to Section 2.11(j), the Borrower shall have the right at any time and from time to time to prepay the Term Loans (which shall be applicable towards the outstanding Initial Term Loans, 2016 Term Loans and 2016 Acquisition Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis), in whole or in part, at 100% of the principal amount so prepaid, plus, with respect to the Initial Term Loans ~~and,~~ the 2016 Term Loans and 2016 Acquisition Term Loans only (but such Applicable Prepayment Premium shall not apply to any Incremental Loans), the Applicable Prepayment Premium in respect of the principal amount so prepaid (*provided*, *however*, that each partial prepayment shall be in a principal amount that is an integral multiple of $500,000 and not less than $1,000,000, in each case, unless the remaining outstanding amount of the Initial Term Loans ~~or,~~ the 2016 Term Loans or 2016 Acquisition Term Loans, as applicable, is less than such amount).

(ii) The Borrower shall have the right at any time and from time to time to prepay all or any portion of Revolving Loans or other Obligations (other than the Term Loans, which are covered by Section 2.10(a)(i) above), without premium or penalty; provided, however, that (x) each partial prepayment of the Revolving Loans shall be in an amount that is an integral multiple of $50,000 and not less than $100,000 (in each case, unless the remaining outstanding amount of Revolving Loans is less

than such amount) and (y) the Borrower shall give the Administrative Agent one Business Day's prior written notice of such prepayment of the Revolving Loans; *provided* that such notice may be contingent on the satisfaction of certain conditions set forth therein, and such notice shall be deemed revoked if the conditions set forth therein are not satisfied within the time periods set forth in such notice for the satisfaction thereof (or are waived in writing by the Borrower).

(b) The Borrower will give at least 3 Business Days' prior written notice of each optional prepayment of the Term Loans under this Section 2.10 to the Administrative Agent. Each such notice shall specify the prepayment date, the aggregate principal amount of the Term Loans to be prepaid on such date, and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and, solely to the extent any such prepayment is made prior to the third anniversary of the Closing Date, shall be accompanied by a certificate of a Financial Officer of the Borrower as to the estimated Applicable Prepayment Premium due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Such notice shall be irrevocable and shall commit the Borrower to prepay the Term Loans by the amount stated therein on the date stated therein; *provided* that such notice may be contingent on the satisfaction of certain conditions set forth therein, and such notice shall be deemed revoked if the conditions set forth therein are not satisfied within the time periods set forth in such notice for the satisfaction thereof (or are waived in writing by the Borrower). All prepayments under this Section 2.10 shall be subject to Section 2.13. All prepayments under this Section 2.10 shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment, but, for the avoidance of doubt, no Applicable Prepayment Premium shall be paid or due (i) on any interest (other than, for the avoidance of doubt, PIK Interest on the Initial Term Loans ~~and~~, the 2016 Term Loans and 2016 Acquisition Term Loans that has been capitalized and added to principal of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable) or amounts other than the principal amount of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans so prepaid, (ii) on the proceeds of a Cure Contribution or Cure Securities that are used to prepay the Loans, (iii) on any principal of, or other amounts related to, the Revolving Loans in accordance with Section 2.10(a)(ii) or Incremental Loans or (iv) on any Revolving Loan Commitments, 2016 Term Loan Commitments, or 2016 Acquisition Term Loan Commitments or Incremental Commitments that are reduced or terminated. Subject to Section 2.11(j), each prepayment pursuant to this Section 2.10 in respect of the Initial Term Loans ~~and~~, the 2016 Term Loans and 2016 Acquisition Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) shall be applied *pro rata* among such Term Loans.

(c) Notwithstanding anything herein to the contrary, the Borrower shall repay in full, without penalty or premium, all Revolving Loans, together with all accrued and unpaid interest thereon, and the Revolving Loan Commitments of all RL Lenders shall automatically terminate and be reduced to zero, in each case, on the date of any repayment or prepayment (optional, mandatory or otherwise) of all of the Term Loans in full.

SECTION 2.11 ***Mandatory Prepayments***.

(a) ***Revolving Loans in Excess of Commitments***. On any day on which the sum of the aggregate outstanding principal amount of all Revolving Loans (after giving effect to all other repayments thereof on such date) exceeds the Total Revolving Loan Commitment, the Borrower shall prepay on such day (or if such day is not a Business Day, on the next Business Day) the principal of Revolving Loans in an amount equal to such excess.

(b) ***Net Asset Sale Proceeds***. Not later than the tenth Business Day following the receipt of Net Asset Sale Proceeds by the Borrower or any of its Subsidiaries, the Borrower shall either (1) apply an amount equal to 100% of the Net Asset Sale Proceeds received with respect thereto to prepay outstanding

Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) in accordance with Section 2.11(f) and Section 2.11(g) (and, to the extent Section 2.11(j) is applicable, to permanently repay Revolving Loans (with a corresponding permanent reduction in the Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the amounts and pursuant to the terms set forth in Section 2.11(j)) or (2) so long as no Event of Default shall have occurred and be continuing, deliver to the Administrative Agent a certificate of a Responsible Officer stating that the Borrower or such Subsidiary intends to reinvest or enter into a binding commitment to reinvest such Net Asset Sale Proceeds in assets used or that are useful in the business of the Borrower and its Subsidiaries within 270 days (or, in the case of a binding commitment to reinvest entered into within 270 days, within 405 days) of such date of receipt of such Net Asset Sale Proceeds. In addition, the Borrower shall, no later than 270 days (or, in the case of a binding commitment to reinvest entered into within 270 days, 405 days) after receipt of such Net Asset Sale Proceeds that have not theretofore been applied to the Obligations or that have not been so reinvested as provided above, make an additional prepayment of the Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) (and/or, to the extent required by Section 2.11(j), make a permanent repayment of the Revolving Loans (with a corresponding permanent reduction of the Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the amounts and pursuant to the terms set forth in Section 2.11(j)) in an amount equal to the full amount of all such Net Asset Sale Proceeds in accordance with Section 2.11(f) and Section 2.11(g) (and, to the extent applicable, Section 2.11(j)) within ten Business Days after the last day of the 270 or 405 day period, as applicable.

(c) ***Net Insurance/Condemnation Proceeds***. No later than the tenth Business Day following the date of receipt by the Borrower or any of its Subsidiaries of any Net Insurance/Condemnation Proceeds in excess of $500,000 for all Casualty Events in any fiscal year of the Borrower, the Borrower shall prepay outstanding Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) (and, to the extent Section 2.11(j) is applicable, to permanently repay Revolving Loans (with a corresponding permanent reduction in Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the amounts and pursuant to the terms set forth in Section 2.11(j)) in an aggregate amount equal to such excess; *provided*, so long as no Event of Default shall have occurred and be continuing, the Borrower shall have the option, directly or through one or more of its Subsidiaries to invest such excess amount within 270 days (or, in the case of a binding commitment to reinvest entered into within 270 days, 405 days) of receipt thereof (i) in assets used or that are useful in the business of the Borrower and its Subsidiaries or (ii) to repair, restore or replace the assets subject to the applicable Casualty Event; and *provided*, *further*, that an amount equal to any such Net Insurance/Condemnation Proceeds that have not been reinvested within 270 days (or, in the case of a binding commitment to reinvest entered into within 270 days, 405 days) of receipt thereof shall be applied by the Borrower to prepay the Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) (and/or, to the extent required by Section 2.11(j), the Revolving Loans (with a corresponding permanent reduction of the Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the amounts and pursuant to the terms set forth in Section 2.11(j)) in accordance with Section 2.11(f) and Section 2.11(g) (and, to the extent applicable, Section 2.11(j)).

(d) ***Issuance of Indebtedness***. On the date of receipt of the Net Securities Proceeds from the issuance of any Indebtedness of Holdings, the Borrower or any of its Subsidiaries after the Closing Date (other than Indebtedness permitted under Section 6.01), the Borrower shall prepay the Term Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) in accordance with Section 2.11(f) and Section 2.11(g) (and, to the extent Section 2.11(j) is applicable, to permanently repay Revolving Loans (with a corresponding permanent reduction in Revolving Loan Commitment) or permanently reduce the Unutilized Revolving Loan Commitment, in each case, in the

amounts and pursuant to the terms set forth in Section 2.11(j)) in an aggregate amount equal to such Net Securities Proceeds.

(e) ***Change of Control***. Upon the occurrence of a Change of Control, the Borrower shall offer to prepay all Loans (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) then outstanding at 100% of the principal amount (together with a termination of the Revolving Loan Commitment), plus, with respect to with respect to the Initial Term Loans ~~and~~, the 2016 Term Loans and 2016 Acquisition Term Loans only, the Change of Control Prepayment Premium.

(f) The Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.11 a certificate signed by a Financial Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and to the extent practicable, at least three days' prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the principal amount of each Loan (or portion thereof) to be prepaid, and, if applicable, the Applicable Prepayment Premium or Change of Control Prepayment Premium due in connection with such prepayment. All prepayments of Loans under this Section 2.11 shall be subject to Section 2.11(g), Section 2.11(h), Section 2.11(j) and Section 2.13 and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment. For the avoidance of doubt, no Applicable Prepayment Premium or Change of Control Prepayment Premium shall be due on (i) interest (other than, for the avoidance of doubt, PIK Interest on the Initial Term Loans, the 2016 Term Loans and the 2016 Acquisition Term Loans that has been capitalized and added to principal of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable) or amounts other than the principal amount of the Initial Term Loans , 2016 Term Loans or 2016 Acquisition Term Loans so prepaid, (ii) any principal on the Revolving Loans or Incremental Loans, (iii) any amount or Obligations other than the principal amount of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans so prepaid or (iv) any Revolving Loan Commitments, 2016 Term Loan Commitments, 2016 Acquisition Term Loan Commitments or Incremental Commitments that are reduced or terminated. Subject to Section 2.11(j), all prepayments of the Term Loans pursuant to paragraphs (b), (c), (d) or (e), as applicable, of this Section 2.11, shall be applied to the outstanding Initial Term Loans ~~and~~, the 2016 Term Loans and 2016 Acquisition Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis.

(g) Notwithstanding anything to the contrary herein, any Lender may elect, by notice to the Borrower, prior to any prepayment of Loans or an offer to prepay the Term Loans required to be made by the Borrower pursuant to paragraph (b), (c) (d) or (e), as applicable, of this Section 2.11 (other than, in the case of clause (d), a prepayment of all Loans in connection with a refinancing in full thereof), to decline all (but not a portion) of its *pro rata* share of such prepayment (such declined amounts, the "***Declined Proceeds***"). Any Declined Proceeds shall be offered on a *pro rata* basis to the Term Loan Lenders (with respect to their remaining Term Loans only (but, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) not so declining such prepayment. To the extent such non-declining Term Loan Lenders elect to decline their *pro rata* shares of such Declined Proceeds, such Declined Proceeds may be retained by the Borrower.

(h) With respect to any prepayment of Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans (including capitalized PIK Interest thereof) required to be made by the Borrower pursuant to paragraph (e) of this Section 2.11, the Borrower shall pay the Change of Control Prepayment Premium (if any) determined for the prepayment date with respect to such principal amount of Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable, paid.

(i) With respect to any prepayment of Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans (including capitalized PIK Interest thereof) required to be made by the Borrower

pursuant to paragraph (d) of this Section 2.11 or Article VII (other than on account of an acceleration resulting solely from a breach of Section 6.10), the Borrower shall pay the Applicable Prepayment Premium determined for the prepayment date with respect to such principal amount of Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable, paid. For the avoidance of doubt, no Applicable Prepayment Premium, Change of Control Prepayment Premium or any other prepayment premium shall be required to be paid with respect to any prepayment pursuant to paragraphs (a), (b) or (c) of this Section 2.11 or Section 7.02 or with respect to any prepayment, repayment or payment of the Revolving Loans (or in connection with any reduction in, or termination of, the Revolving Loan Commitments), or the Incremental Loans (or in connection with any reduction in, or termination of, the Incremental Commitments).

(j) Notwithstanding anything to the contrary herein, subject to Section 2.10(c), in the event the aggregate outstanding principal amount of the Term Loans is $15,000,000 or less or any repayment or prepayment (optional, mandatory or otherwise) of the Term Loans will cause the outstanding principal amount to be $15,000,000 or less, each amount required to be applied pursuant to Section 2.10(a)(i) and paragraphs (b), (c), (d) or (e) of this Section 2.11 shall be applied (i) first, to permanently prepay the Term Loans in such an amount that would cause the outstanding principal amount of the Term Loans to equal $15,000,000, (ii) second, to permanently repay any outstanding Revolving Loans (provided that each such repayment shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender) until the outstanding principal amount of Revolving Loans is zero, (iii) third, to permanently reduce the Unutilized Revolving Loan Commitment until the Total Revolving Loan Commitment is zero (it being understood that cash equal to the amount of the Unutilized Revolving Loan Commitment so reduced may be retained by the Borrower and shall not be required to prepay the Term Loans pursuant to Section 2.11(j)(iv)), and (iv) thereafter, to permanently prepay the remaining outstanding principal amount of the Initial Term Loans, the 2016 Term Loans and ~~the~~ 2016 Acquisition Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis.

(k) Notwithstanding anything to the contrary herein, if the Runbook Acquisition shall not have been consummated on or prior to the date occurring five (5) days after the Third Amendment Effective Date, the Borrower shall immediately repay all outstanding 2016 Acquisition Term Loans on such date, together with all accrued and unpaid interest thereon. No Applicable Prepayment Premium or other prepayment premium shall apply to any prepayment required to be made pursuant to this clause (k).

SECTION 2.12 ***Reserve Requirements; Change in Circumstances***.

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender or shall impose on such Lender any other condition affecting this Agreement or Loans made by such Lender; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender,

upon written demand, such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender shall have reasonably determined that any Change in Law regarding capital adequacy or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.12 shall be delivered to the Borrower and shall be *prima facie* evidence absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate delivered by it within 10 Business Days after its receipt of the same.

(d) Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be under any obligation to compensate any Lender under paragraph (a) or (b) of this Section 2.12 with respect to increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies in writing the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof). The protection of this Section 2.12(d) shall be available to each Lender and regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

(e) Notwithstanding anything to the contrary, in the event that the Administrative Agent shall have reasonably determined that dollar deposits in the principal amounts of the Loan are not generally available in the London interbank market, or that the rates at which such dollar deposits are being offered will not adequately and fairly reflect the cost to the majority of Lenders of making or maintaining loans at the three-month London Interbank Offered Rate, or that reasonable means do not exist for ascertaining the Libor Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders (a "***LIBOR Unavailability Notice***"). In the event of any such reasonable determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, interest on the Loan shall accrue by reference to the Alternate Base Rate. Each determination by the Administrative Agent under this Section 2.12(e) shall be *prima facie* evidence absent manifest error.

SECTION 2.13 ***Indemnity***. Subject to the limitations set forth in Section 9.05(b) and the time period for payment set forth in Section 9.05(e), the Borrower shall indemnify each Lender against any loss or expense that such Lender may sustain or incur as a consequence of any default by the Borrower in the making of any payment or prepayment required to be made hereunder. A certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower and shall be *prima facie* evidence absent manifest error.

SECTION 2.14 ***Pro Rata Treatment***. Except as otherwise provided in this Agreement the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its *pro rata* share of any such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received. This Section 2.14 is subject to Section 2.20.

SECTION 2.15 ***Ratable Sharing***. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Borrower or any other Loan Party, or pursuant to a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means (but excluding any sale or participation of its Loans to a Person other than the Borrower or an Affiliate thereof, which shall be included), obtain payment (voluntary or involuntary) in respect of any principal of any Loan as a result of which the unpaid principal portion of its Loans shall be proportionately less than the unpaid principal portion of the Loans of any other Lender, it shall (a) notify the Administrative Agent of such fact and (b) be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Loans of such other Lender, so that the aggregate unpaid principal amount of the Loans and participations in Loans held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Loans then outstanding as the principal amount of its Loans prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all Loans outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; *provided*, *however*, that if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.15 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest. The Borrower and Holdings expressly consent to the foregoing arrangements and agree that any Lender holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim or other event with respect to any and all moneys owing by the Borrower and Holdings to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the Borrower in the amount of such participation.

SECTION 2.16 ***Payments***.

(a) Except with respect to any PIK Interest pursuant to Section 2.06, the Borrower shall make each payment (including principal of or interest on any Loan or any Fees or other amounts) hereunder and under any other Loan Document not later than 11:00 a.m., Local Time, on the date when due in immediately available Dollars, without setoff, defense (other than the defense of payment) or counterclaim. Subject to Section 2.20, each such payment shall be made to the Administrative Agent for distribution to the Lenders or other appropriate Person. Each such payment that is payable to a Lender shall be paid directly to such Lender at the office identified on Schedule 2.01 for such Lender or as otherwise directed by such Lender in writing from time to time, and each such payment that is payable to the Administrative Agent or the Collateral Agent shall be paid directly to the Administrative Agent or Collateral Agent, as applicable, at their respective offices identified on Schedule 2.01 or as otherwise directed by the Administrative Agent or Collateral Agent, as applicable, in writing from time to time.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Loan or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

SECTION 2.17 ***Taxes***.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Holdings and the Borrower shall, or shall cause each of the Loan Parties to, timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Administrative Agent has not already been indemnified by any of the Loan Parties for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(g) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall, or shall cause such Loan Party to, deliver to the Administrative Agent or the applicable Lender, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent or the applicable Lender, as the case may be.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the applicable Withholding Agent such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17 (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, any Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such Tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that (A) such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and (B) the interest payments in question are not effectively connected with a U.S. trade or business conducted by such Foreign Lender (a "***U.S. Tax Compliance Certificate***") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E;

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership), executed originals of IRS Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, U.S. Tax Compliance Certificate, Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if one or more direct or indirect beneficial owners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender shall provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect beneficial owner; or

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such Tax had never been paid.

(h) Nothing contained in this Section 2.17 shall require any Lender (or any transferee or assignee) or either Agent to make available any of its Tax Returns or any other information that it deems to be confidential or proprietary.

SECTION 2.18 ***Assignment of Loans Under Certain Circumstances; Duty to Mitigate***.

(a) Notwithstanding anything to the contrary set forth in this Agreement, in the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.12, (ii) the Borrower is required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.17 or (iii) any Lender refuses to consent to any amendment, waiver or other modification of any Loan Document requested by the Borrower that requires the consent of a greater percentage of the Lenders than the Required Lenders and such amendment, waiver or other modification is consented to by the Required Lenders, and, in the case of clause (i) or (ii), such Lender has declined or is unable to designate a different lending office in accordance with Section 2.18(b) that would not require such compensation or requirement to pay such amounts, the Borrower, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender and the Administrative Agent, may require such Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or Section 2.17) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such assigned obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that, (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed, and (z) the Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender, plus all Fees and other amounts that have accrued and have earned for the account of such Lender hereunder with respect thereto (including any amounts under Section 2.12 and Section 2.13); *provided further* that, if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.12 or the amounts paid pursuant to Section 2.17, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital or cease to result in amounts being payable under Section 2.17, as the case may be (including as a result of any action taken by such Lender pursuant to paragraph (b) of this Section 2.18), or if such Lender shall waive its right to claim further compensation under Section 2.12 in respect of such circumstances or event or shall waive its right to further payments under Section 2.17 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder; *provided*, *however*, that any prior transfer or assignment shall still be in full force and effective. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.18.

(b) If (i) any Lender shall request compensation under Section 2.12 or (ii) the Borrower is required to pay any Indemnified Taxes or any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts (which shall not require such Lender to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden reasonably deemed by it to be significant) to assign (at the request of the Borrower) its rights and delegate and transfer its obligations hereunder to

another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.12 or would reduce amounts payable pursuant to Section 2.17, as the case may be, in the future. The Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

SECTION 2.19 ***Voluntary Termination of Unutilized Revolving Loan Commitments***. Upon at least 3 Business Days' prior written notice to the Administrative Agent, the Borrower shall have the right, at any time or from time to time, without premium or penalty, to terminate the Total Unutilized Revolving Loan Commitment in whole, or reduce it in part, pursuant to this Section 2.19, in an integral multiple of $1,000,000 in the case of partial reductions to the Total Unutilized Revolving Loan Commitment, provided that each such reduction shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender.

SECTION 2.20 ***Obsidian Agency Services as Administrative Agent***. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, at any time that Obsidian Agency Services, Inc. serves as the Administrative Agent hereunder, (a) the Lenders shall directly fund the Loans to the Borrower, (b) each Lender shall provide wire instructions to the Borrower with respect to payments to be received from the Borrower hereunder and the Borrower shall directly make any payments required or permitted hereunder to the Lenders and (c) neither the Lenders nor the Borrower shall remit any funds to the Administrative Agent to forward to another party hereunder.

SECTION 2.21 ***Tax Treatment***.

(a) Holdings, the Borrower and each of the Lenders agree, (i) that the Loans are debt for U.S. federal income tax purposes, (ii) that the Initial Term Loans ~~are~~and the 2016 Term Loans were issued with original issue discount ("***OID***") ~~solely on account of the PIK Interest and value allocated to the Warrants under Section 2.21(b),~~ (iii) that the 2016 Acquisition Term Loans are issued with OID ~~solely on account of the PIK Interest,~~ (iv) that the Initial Term Loans, 2016 Term Loans and 2016 Acquisition Term Loans, as applicable, are not governed by the rules set out in Treasury Regulations Section 1.1275-4 and (v) not to file any Tax Return, report or declaration inconsistent with the foregoing, except as otherwise required pursuant to a "determination" within the meaning of Section 1313(a) of the Code (or any corresponding provision of state, local or foreign tax law).

(b) In connection with the Initial Term Loans, each of the Initial Term Loan Lenders ~~is receiving~~received Warrants on the Closing Date. The Initial Term Loans and Warrants ~~are~~were considered to be the issuance of an "investment unit" under Section 1273(c)(2) of the Code, and the parties agree that the aggregate fair market value of the Warrants ~~shall be~~was $1,060,000 for purposes of the investment unit allocation rules under Section 1273(c)(2) of the Code. The Borrower and each of the Lenders agree to report in a manner that is consistent with this allocation for all tax purposes.

(c) The inclusion of this Section 2.21 is not an admission by any Lender that it is subject to United States taxation.

SECTION 2.22 ***AHYDO***. Notwithstanding anything herein to the contrary, if (1) the Initial Term Loans remain outstanding after the fifth anniversary of the initial issuance thereof and (2) the aggregate amount of the accrued but unpaid interest on the Initial Term Loans (including any amounts treated as interest for U.S. federal income tax purposes, such as "original issue discount") as of any Testing Date occurring after such fifth anniversary exceeds an amount equal to the Maximum Accrual, then all such accrued but unpaid interest on the Initial Term Loans (including any amounts treated as interest for U.S. federal income tax purposes, such as "original issue discount") as of such time in excess

of an amount equal to the Maximum Accrual shall be paid in cash by the Borrower to the Lenders on such Testing Date, it being the intent of the parties hereto that the deductibility of interest under the Initial Term Loans shall not be limited or deferred by reason of Section 163(e)(5) and Section 163(i) of the Code. For these purposes, the "Maximum Accrual" is an amount equal to the product of such Initial Term Loans' issue price (as defined in Code Sections 1273(b) and 1274(a)) and their yield to maturity, and a "Testing Date" is the date on which any "accrual period" (within the meaning of Section 1272(a)(5) of the Code) closes.

SECTION 2.23 ***Incremental Facility***.

(a) From time to time after the ~~Closing~~Third Amendment Effective Date, but not more than two occasions~~ during the term of the Loans,~~ Borrower may by written notice to the Administrative Agent, elect prior to the Maturity Date, the establishment of one or more new term loan commitments (the "***Incremental Commitments***"), by (1) an amount not in excess of $~~20,000,000~~11,000,000 in the aggregate and (2) and not less than $1,000,000 individually (or such lesser amount which shall either (x) be approved by the Administrative Agent (which approval shall not be unreasonably delayed, withheld or conditioned) or (y) constitute the difference between $20,000,00011,000,000 and all such Incremental Commitments obtained prior to such date), and integral multiples of $1,000,000 in excess of that amount (or such lesser amount which shall either (x) be approved by the Administrative Agent (which approval shall not be unreasonably delayed, withheld or conditioned) or (y) constitute the difference between $~~20,000,000~~11,000,000 and all such Incremental Commitments obtained prior to such date). Each such notice shall specify (A) the date (each, an "***Increased Amount Date***") on which Borrower determines that the Incremental Commitments shall be effective, which shall be a date not less than~~ ten (10) Business Days~~60 days after the date on which such notice is delivered to the Administrative Agent (or such shorter period as shall be reasonably acceptable to the Administrative Agent) and (B) the identity of each Lender or other Person (each of which must be an Eligible Incremental Lender) (each, an "***Incremental Lender***") to whom Borrower proposes any portion of such Incremental Commitments be allocated and the amounts of such allocations; *provided*, that each existing Lender shall first be afforded, by written notice to the Administrative Agent (which notice shall be promptly forwarded by the Administrative Agent to the applicable existing Lenders and the Administrative Agent agrees to promptly forward such notice to the Lenders prior to the Increased Amount Date, but any failure to deliver such notice shall not prevent the above-mentioned~~ ten (10) Business Day~~60-day period from running after the Administrative Agent has received such notice), the opportunity to provide its Loan Commitment Percentage of any Incremental Commitments, as applicable; *provided*, *further*, that any Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide an Incremental Commitment. Each Lender may elect to provide all or a portion of its Loan Commitment Percentage of any Incremental Commitments, as applicable, by providing written notice (each, an "***Acceptance Notice***") to the Administrative Agent and the Borrower no later than 5:00 p.m. Local Time~~ ten~~forty-five (~~10~~45) days after the date of the Administrative Agent's receipt of notice from the Borrower. Each Acceptance Notice from a given Lender shall specify the principal amount of the Incremental Commitment to be provided by such Lender. If a Lender fails to deliver an Acceptance Notice to the Administrative Agent within the time frame specified above or such Acceptance Notice fails to specify the principal amount of the Incremental Commitments to be provided, any such failure will be deemed a rejection of the opportunity to provide any portion of the Incremental Commitment, and the Borrower may have other Persons provide the remaining uncommitted portion of the Incremental Commitments. Such Incremental Commitments shall become effective as of such Increased Amount Date; *provided* that after giving effect to the making of any Incremental Loans and the use of proceeds thereof, (I) no Default or Event of Default shall have occurred and be continuing under any of the Loan Documents; (II) each of the representations and warranties set forth in Article III shall remain true and correct in all material respects (without duplication of any materiality qualifiers contained therein); and (III) the Consolidated

Leverage Ratio, calculated on a pro forma basis for the last twelve month period for which financial statements have been (or were required to be) delivered pursuant to Sections 5.04 (a) or (b) and after giving effect to any Permitted Acquisitions or Investments permitted under the Loan Documents or prepayments of the Loans, shall be no greater than 0.74:1.00. The Incremental Commitments, as applicable, shall be effected pursuant to one or more amendments (each, an "***Incremental Loan Amendment***") executed and delivered by Borrower, the Incremental Lender and the Administrative Agent and each of which shall be recorded in the Register (*provided* that the Administrative Agent agrees to execute and deliver any Incremental Loan Amendment satisfying the requirements of this Section 2.23 and otherwise in compliance with the terms of this Agreement).

(b) Any Incremental Loans made on an Increased Amount Date shall be designated a separate Tranche of Incremental Loans for all purposes of this Agreement. On any Increased Amount Date on which any Incremental Commitments are effected, subject to the satisfaction or waiver of the foregoing terms and conditions, (i) each Incremental Lender shall make a term loan to Borrower (an "***Incremental Loan***") in an amount equal to its Incremental Commitment, and (ii) each Incremental Lender shall become a Term Loan Lender and a Lender hereunder with respect to the Incremental Commitment and the Incremental Loans made pursuant thereto.

(c) The Administrative Agent shall notify the Lenders promptly upon receipt of Borrower's notice of each Increased Amount Date and in respect thereof the Incremental Commitments and the Incremental Lenders.

(d) The terms and provisions of the Incremental Loans and Incremental Commitments shall be as agreed between Borrower and the Incremental Lenders providing such Incremental Loans and Incremental Commitments and except as otherwise permitted pursuant to this clause (e), shall be either on terms (x) substantially consistent (taken as a whole) with the Initial Term Loans made on the Closing Date or (y) no more favorable (taken as a whole) to the Incremental Lenders than the terms applicable to the Initial Term Loans made on the Closing Date. In any event:

(i) the Incremental Loans shall rank *pari passu* in right of payment and be equal with respect to security with the Initial Term Loans, the 2016 Term Loans, the 2016 Acquisition Term Loans and the Revolving Loans;

(ii) the Weighted Average Life to Maturity of the Incremental Loans shall be no shorter than the Weighted Average Life to Maturity of the Initial Term Loans made on the Closing Date (except by virtue of prepayment of such Loans prior to the time of such incurrence);

(iii) the final maturity date of the Incremental Loans shall be no earlier than the Maturity Date of the Initial Term Loans, the 2016 Term Loans, the 2016 Acquisition Term Loans and the Revolving Loans;

(iv) at the option and agreement of the Borrower and the Incremental Lenders, the Incremental Loans may share ratably in right of prepayment with the Initial Term Loans, the 2016 Term Loans and the 2016 Acquisition Term Loans pursuant to Sections 2.10 and 2.11 or otherwise; and

(v) the all-in yield applicable to such Incremental Loans (including interest rate margins and interest rate floors with respect to such Incremental Loans (based on the lesser of a four-year average life to maturity and the remaining life to maturity) (but only to the extent an increase in the interest floor in the Initial Term Loans would cause an increase in the interest rate then in effect hereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to such Initial Term Loans shall be increased to the extent of such differential above the 0.50% threshold below

between interest rate floors), but excluding arrangement, structuring, underwriting, amendment or other fees paid or payable to the Administrative Agent, the Collateral Agent, the Lenders on the Closing Date or their Affiliates or that are not generally paid to all lenders of such type of indebtedness) shall not be greater than the corresponding all-in yield applicable to the Initial Term Loans plus 0.50% per annum (any such amount in excess of such 0.50% threshold, the "***Excess Rate***") unless the interest rate margin with respect to the Initial Term Loans are increased by an amount equal to the Excess Rate.

(e) Each Incremental Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable and mutual opinion of the Agents and Borrower to effect the provision of this Section 2.23, and for the avoidance of doubt, this Section 2.23 shall supersede any provisions in Sections 2.14 or 9.08 to the contrary.

(f) The Incremental Loans and Incremental Commitments extended or established pursuant to this Section 2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Credit Documents, and shall, without limiting the foregoing, benefit equally and ratably from the guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure or demonstrate that the Lien and security interests granted in the Collateral by the Security Documents continue to be perfected under the Uniform Commercial Code or otherwise after giving effect to the extension or establishment of any such Incremental Loans or any such Incremental Commitments.

ARTICLE III

Representations and Warranties

In order to induce the Lenders to enter into this Agreement and to make the Loans, each of Holdings and the Borrower represents and warrants to the Administrative Agent, the Collateral Agent and each of the Lenders on the Closing Date and at the time of making the 2016 Term Loans, the 2016 Acquisition Term Loans, any Incremental Loan or Revolving Loan, as applicable, after the Closing Date that:

SECTION 3.02 ***Authorization***. The entering into the Loan Documents to which the Loan Parties are parties thereto (a) have been duly authorized by all requisite corporate or other entity and, if required, stockholder action and (b) will not (i) violate (A) any provision of law, statute, rule or regulation, except, in each case, as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (B) any provision of the certificate or articles of incorporation or other Organizational Documents or bylaws of Holdings, the Borrower or any Subsidiary, (C) any order of any Governmental Authority, except as would not reasonably be expected to have a Material Adverse Effect, or (D) any provision of any Contractual Obligation to which Holdings, the Borrower or any Subsidiary is a party or by which any of them or any of their property is or may be bound, except, in each case, as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse

Effect, (ii) be in conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, or give rise to any right to accelerate or to require the prepayment, repurchase or redemption of any obligation under any Contractual Obligation relating to Material Indebtedness to which Holdings, the Borrower or any Subsidiary is a borrower or guarantor party thereunder or by which any of them or any of their property is or may be bound as a borrower or guarantor thereunder, or (iii) result in the creation or imposition of any Lien upon or with respect to any property or assets now owned or hereafter acquired by Holdings, the Borrower or any Subsidiary (other than any Lien created hereunder or under the Security Documents).

SECTION 3.03 ***Enforceability***. This Agreement has been duly executed and delivered by Holdings and the Borrower and constitutes, and each other Loan Document when executed and delivered by each Loan Party party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.04 ***Governmental Approvals; Third Party Approvals***. No action, consent or approval of, registration or filing with or any other action by any Governmental Authority or any other Person is or will be required in connection with entering into the Loan Documents to which the Loan Parties are parties thereto, except for (a) the filing of UCC financing statements and filings with the United States Patent and Trademark Office and the United States Copyright Office, (b) recordation of the Mortgages, (c) such as have been made or obtained and are in full force and effect, and (d) those the failure of which to obtain or make could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.05 ***Financial Statements***.

(a) The Borrower has heretofore furnished to the Administrative Agent (i) audited consolidated or combined, as applicable, balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower and its Subsidiaries for the fiscal year ended December 31, 2012, audited by and accompanied by the opinion of Moss Adams LLP, independent public accountants, (ii) unaudited consolidated or combined, as applicable, balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower and its Subsidiaries for each fiscal quarter after December 31, 2012 and ended 46 days before the Closing Date and (iii) unaudited consolidated or combined, as applicable, balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower and its Subsidiaries for each fiscal month after December 31, 2012 and ended 31 days before the Closing Date and, in each case, certified by a Financial Officer of the Borrower. Such financial statements present fairly, in all material respects, the financial condition and results of operations and cash flows of the Borrower and its Subsidiaries as of such dates and for such periods. Such balance sheets and the notes thereto disclose all material liabilities, direct or contingent, of the Borrower and its Subsidiaries as of the dates thereof required to be disclosed pursuant to GAAP. Such financial statements were prepared in accordance with GAAP (except (A) in the case of unaudited financial statements, for the lack of footnotes and being subject to year–end or quarter-end audit adjustments, as applicable, and (B) in respect of any monthly financial statements).

(b) The consolidated forecasted balance sheet and related statements of income and cash flows of the Borrower and its Subsidiaries have been delivered to the Administrative Agent on or prior to the Closing Date and (a) have been prepared on good faith estimates and assumptions believed by the Loan Parties to be reasonable as of the date of such projections and as of the Closing Date, and (b) present fairly, in all material respects, the consolidated financial position and results of operations of the Borrower and its Subsidiaries described therein as of such date and for such periods set forth therein, on a pro forma basis assuming that the Transactions contemplated hereby had occurred at such dates (it being

Any Applicable Prepayment Premium payable pursuant to the immediately preceding sentence shall be presumed to be the liquidated damages sustained by each such Initial Term Loan Lender ~~or~~, 2016 Term Loan Lender or 2016 Acquisition Term Lender, as applicable, as the result of the early termination and the Borrower agrees that it is reasonable under the circumstances currently existing. The Applicable Prepayment Premium shall also be payable on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans that has been capitalized and added to principal of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable) of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable (but not any Revolving Loans, Incremental Loans, interest accruing thereon, other Obligations or other amounts), in the event the Obligations (and/or this

Agreement or the Notes evidencing the Obligations) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREPAYMENT PREMIUM ON THE OUTSTANDING PRINCIPAL AMOUNT (INCLUDING, FOR THE AVOIDANCE OF DOUBT, PIK INTEREST ON THE INITIAL TERM LOANS, 2016 TERM LOANS OR 2016 ACQUISITION TERM LOANS THAT HAS BEEN CAPITALIZED AND ADDED TO PRINCIPAL OF SUCH INITIAL TERM LOANS, 2016 TERM LOANS OR 2016 ACQUISITION TERM LOANS, AS APPLICABLE) OF SUCH INITIAL TERM LOANS, 2016 TERM LOANS OR 2016 ACQUISITION TERM LOANS, AS APPLICABLE IN CONNECTION WITH ANY SUCH ACCELERATION. The Borrower expressly agrees that: (A) the Applicable Prepayment Premium on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans that has been capitalized and added to principal of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable) of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable, is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans that has been capitalized and added to principal of the Initial Term Loans or 2016 Term Loans, as applicable) of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable, shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; and (D) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Borrower expressly acknowledges that its agreement to pay the Applicable Prepayment Premium on the outstanding principal amount (including, for the avoidance of doubt, PIK Interest on the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans that has been capitalized and added to principal of such Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable) of the Initial Term Loans, 2016 Term Loans or 2016 Acquisition Term Loans, as applicable (but not any Revolving Loans, Incremental Loans, interest accruing thereon, other Obligations or other amounts), to such Lenders as herein described is a material inducement to the Initial Term Loan Lenders ~~and,~~ the 2016 Term Loan Lenders and 2016 Acquisition Term Loan Lenders, as applicable, to make the Initial Term Loans ~~and,~~ the 2016 Term Loans and 2016 Acquisition Term Loans, as applicable.

SECTION 7.02 ***Right to Cure***.

(a) Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower fails to comply with the requirements of the covenant set forth in Section 6.10, during the period beginning on the first day following the applicable fiscal quarter (i.e., the last fiscal quarter in the period of non-compliance with the covenant set forth in Section 6.10) until the expiration of the 15th day subsequent to the date the Compliance Certificate to be delivered pursuant to Section 5.04(c) for such fiscal quarter is required to be delivered (the "***Cure Date***"), Holdings shall have the right to use cash proceeds of any equity contribution (in the form of Qualified Capital Stock) to Holdings during such period (any such equity contribution to Holdings to exercise the Cure Right pursuant to this Section, a "***Cure Contribution***") or any issuance of Equity Interests by Holdings (other than any issuance of Disqualified Stock) during such period (any such Equity Interests issued by Holdings to exercise the Cure Right pursuant to this Section, "***Cure Securities***") to make an equity contribution to, or purchase equity of, the Borrower in each case, in the form of Qualified Capital Stock (collectively, the "***Cure Right***"), and upon the receipt by the Borrower of such cash (the "***Cure Amount***") pursuant to the exercise by Holdings of such Cure Right and written request to the Administrative Agent to effect such recalculation, the covenant set forth in Section 6.10 shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated Revenue shall be increased for such fiscal quarter (and any four fiscal quarter-period that includes such fiscal quarter), solely for the purpose of measuring the covenant set forth in Section 6.10 and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; and

(ii) if, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 6.10, the Borrower shall be deemed to have satisfied the requirements of the covenant set forth in Section 6.10 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the covenant set forth in Section 6.10 that had occurred shall be deemed cured for the purposes of this Agreement.

(b) Notwithstanding anything herein to the contrary (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right may be exercised no more than four times, (iii) the Cure Amount shall be no greater than the amount required for purposes of causing the Borrower to comply with the covenant set forth in Section 6.10, (iv) subject to Section 2.11(j), the proceeds of a Cure Contribution or Cure Securities shall be used to prepay the outstanding Initial Term Loans, 2016 Term Loans and 2016 Acquisition Term Loans (and, with respect to any Incremental Loans, only to the extent agreed pursuant to Section 2.23(d)(iv)) on a pro rata basis (and, in each case and notwithstanding anything to the contrary in this Agreement, such prepayment shall not be subject to the Applicable Prepayment Premium) and the Loans shall be deemed repaid for the purposes of recalculating the covenant set forth in Section 6.10.

(c) Upon the Administrative Agent's receipt of a notice from the Borrower that it intends to exercise the Cure Right (a "***Notice of Intent to Cure***"), until the 15th day subsequent to the date of required delivery of the related Compliance Certificate delivered pursuant to Section 5.04(c) to which such Notice of Intent to Cure relates, neither the Administrative Agent nor any Lender shall exercise the right to accelerate payment of the Loans or terminate or suspend the Commitments nor take any other remedy pursuant to Section 7.01 or otherwise and neither the Collateral Agent nor any other Lender shall exercise any right to foreclose on or take possession of the Collateral solely on the basis of an allegation of an Event of Default having occurred and being continuing under Section 7.01 due to failure by the Borrower to comply with the requirements of the covenant set forth in Section 6.10 for the applicable period.

ARTICLE VIII

The Administrative Agent and the Collateral Agent

Each of the Lenders hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Article VIII, the Administrative Agent and the Collateral Agent are referred to collectively as the "***Agents***") its agent and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents.

The Person serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Person and its affiliates may provide debt financing, equity capital or other services (including financial advisory services) to any of the Loan Parties (or any Person engaged in similar business as that engaged in by any of the Loan Parties) as if such Person was not performing the duties specified herein, and may accept fees and other consideration from any of the Loan Parties for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08), and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the Person serving as the Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08) or in the absence of its own gross negligence or willful misconduct as finally judicially determined by a court of competent jurisdiction. Neither Agent nor any Lender shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent or such Lender by Holdings, the Borrower or a Lender, and neither Agent nor any Lender shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or such Lender.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit Facilities as well as activities as Agent.

Subject to the appointment and acceptance of a successor Agent as provided below, either Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default), to appoint a successor other than any Excluded Lender. If no successor shall have been so appointed by the Required Lenders (with the Borrower's written consent, subject to the limitations on consent in the immediately preceding sentence) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent (other than any Excluded Lender) with the written consent of the Borrower (such consent not to be unreasonably withheld, delayed or conditioned and such consent not to be required during the continuance of a Designated Event of Default) which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Agent hereunder by a successor (who shall not be an Excluded Lender and any attempted appointment of an Excluded Lender shall be absolutely void *ab initio*), such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. If within 30 days after written notice is given of the resigning Agent's resignation under this Article VIII no successor Agent shall have been appointed and shall have accepted such appointment, then on such 30th day (a) the retiring Agent's resignation shall become effective, (b) the retiring Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent that is not an Excluded Lender as provided above. The Borrower shall pay the reasonable and documented out-of-pocket fees of a successor Agent that is not an Excluded Lender and that is not appointed in violation of this paragraph. After an Agent's resignation hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Each Lender hereby further authorizes the Collateral Agent, on behalf of and for the benefit of Lenders, to enter into each Security Document as secured party and to be the agent for and representative of the Lenders thereunder, and each Lender agrees to be bound by the terms of each Security Document; *provided* that the Collateral Agent shall not (i) enter into or consent to any material amendment, modification, termination or waiver of any provision contained in any Security Document or (ii) release any Collateral (except as otherwise expressly permitted or required pursuant to the terms of this Agreement or the applicable Security Document), in the case of each of clauses (i) and (ii) without the prior consent of Required Lenders (or, if required pursuant to Section 9.08, all Lenders); *provided further*, *however*, that, without further written consent or authorization from the Lenders, the Collateral Agent may execute any documents or instruments necessary to (a) release any Lien encumbering any item of Collateral (1) that is the subject of a sale or other Disposition of assets permitted by this Agreement, the other Loan Documents or to which Required Lenders have otherwise consented or (2) upon the payment in full of the Obligations (other than contingent indemnity claims or expense reimbursement obligations not yet asserted), (b) release any Subsidiary Guarantor from the Guarantee and Collateral Agreement if all of the Equity Interests of such Subsidiary Guarantor are sold or otherwise Disposed of to any Person

(other than an Affiliate of a Loan Party) pursuant to a sale or other Disposition permitted hereunder or under any of the other Loan Documents or to which Required Lenders have otherwise consented or (c) subordinate the Liens of the Collateral Agent, on behalf of the Secured Parties, to any Liens permitted by Section 6.02. Anything contained in any of the Loan Documents to the contrary notwithstanding, Holdings, the Borrower, the Collateral Agent and each Lender hereby agree that (1) no Lender shall have any right individually to realize upon any of the Collateral under or otherwise enforce any Security Document, it being understood and agreed that all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (2) in the event of a foreclosure by either on any of the Collateral pursuant to a public or private sale, either Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Collateral Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Notwithstanding anything to the contrary herein, the Collateral Agent shall be permitted to take any action it is authorized to take under any Loan Document.

In case of the pendency of any case or proceeding under the Bankruptcy Code or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.05, Section 2.13, Section 2.17, and Section 9.05) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.05 and Section 9.05.

SECTION 9.02 ***Survival of Agreement***. All covenants, agreements, representations and warranties made by Holdings or the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other Obligation (other than contingent indemnity claims or expense reimbursement obligations not yet asserted) payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Section 2.12, Section 2.13, Section 2.17 and Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03 ***Binding Effect***. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower, the Collateral Agent and the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

SECTION 9.04 ***Successors and Assigns***.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of Holdings, the Borrower, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees (which, for the avoidance of doubt, shall not be any Excluded Lender) all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it), with the prior written consent of the Borrower and the Administrative Agent (not to be unreasonably withheld or delayed); *provided*, *however*, that (i) the consent of the Borrower shall not be required to any such assignment made (A) to another Lender or an Affiliate of a Lender, or (B) after the occurrence and during the continuance of any Designated Event of Default; *provided* that, notwithstanding anything to the contrary in this Agreement, the Borrower shall retain its right to consent in writing to an assignment to any Excluded Lender at all times, (ii) unless otherwise consented to in writing by the Borrower and the Administrative Agent, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to when such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than, $1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans), (iii) the parties to each such assignment shall manually execute and deliver to the Administrative Agent an Assignment and Acceptance, together with, unless waived by the Administrative Agent, a processing and recordation fee of $3,500 (*provided* that only one such fee shall be payable in the case of concurrent assignments to Persons that, after giving effect to such assignments, will be Related Funds), and (iv) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms. Upon acceptance and recording pursuant to paragraph (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of, and subject to the requirements of, Section 2.12, Section 2.13, Section 2.17 and Section 9.05).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto (including the Borrower) as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim; (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 5.04 and such other documents and information as it has deemed reasonably appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents; (vi) such assignee appoints and

authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall maintain at its principal executive offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). Absent manifest error, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and, if required, the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) notify the Borrower of such acceptance. The Administrative Agent shall promptly record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e). This Section 9.04(e) shall be construed so that any Commitment, Loan or other Obligation under the Loan Documents is in registered form under Section 5f103-1(c) of the United States Treasury Regulations.

(f) Each Lender may without the consent of the Borrower or the Administrative Agent sell participations to one or more banks or other Persons (in each case, other than to an Excluded Lender) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided*, *however*, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Section 2.12 and Section 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17 and it being understood that the documentation required under Section 2.17 shall be delivered to the participating Lender) to the same extent as if they were Lenders (but, with respect to any particular participant), to no greater extent than the Lender that sold the participation to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation, (iv) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing any Guarantor (other than in connection with the sale of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the

Collateral) and (v) such bank or other Person shall not be an Excluded Lender. Notwithstanding anything to the contrary, no Lender shall enter into any agreement with any participant that will permit such participant to influence or control the voting rights of such Lender with respect to the Loans or Obligations (and no participant shall have or receive any voting rights with respect to the Loans or Obligations) except with regard to (i) decreases in the principal amount of, or extending the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waiving or excusing any such payment or any part thereof, or decreasing the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than any waiver of any increase in the interest rate applicable to the Loans as a result of the occurrence of an Event of Default and other than any waiver or extension of any mandatory prepayment), (ii) increasing or extending the Commitment or decreasing or extending the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such participant, or (iii) amending or modifying the pro rata requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of Section 9.08(b)(i) - (iii).

(g) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be *prima facie* evidence absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that, prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary and commercially reasonable exceptions) to bound by or preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(i) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender; *provided* that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(j) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle that is not an Excluded Lender (an "***SPC***"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC

hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPC may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in the Loans to the Granting Lender or to any financial institutions that are not Excluded Lenders (consented to by the Borrower and the Administrative Agent) providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Loans and (ii) disclose on a confidential basis (upon receiving a signed agreement to be bound to confidentiality provisions similar to those in Section 9.16) any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC. A Granting Lender that transfers all or any portion of its Loan to an SPC shall maintain a register that complies with the requirements set forth in Section 9.04(g).

(k) Neither Holdings nor the Borrower shall assign or delegate any of its rights or duties hereunder without the prior written consent of the Administrative Agent and each Lender. Notwithstanding anything to the contrary, any attempted assignment that is not permitted by the terms hereunder shall be absolutely void *ab initio*.

SECTION 9.05 ***Expenses; Indemnity***.

(a) Holdings and the Borrower agree, jointly and severally, to pay all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees (limited to one transactional counsel and one local counsel in each relevant jurisdiction) and reasonable and documented out-of-pocket fees, costs and expenses of accountants, advisors and consultants, incurred by the Administrative Agent, the Collateral Agent and their one counsel in the negotiation, preparation and administration of this Agreement and the other Loan Documents including reasonable and documented out-of-pocket travel costs and costs and expenses (not to exceed $7,500 in any fiscal year of Holdings related to the obtaining and maintenance of credit ratings) or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or relating to efforts to evaluate or assess any Loan Party, its business or financial condition or protect, evaluate, assess or Dispose of any of the Collateral; and all reasonable and documented out-of-pocket costs and expenses, including reasonable and documented attorneys' fees (limited to one transactional counsel and one local counsel in each relevant jurisdiction), fees, costs and expenses of accountants, advisors and consultants and costs of settlement, incurred by the Administrative Agent, the Collateral Agent and Lenders in enforcing any Obligations of or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents (including in connection with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Loan Documents) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings. Notwithstanding the foregoing, the parties hereto agree that Holdings, the Borrower and the other Loan Parties shall not be required to pay costs and expenses incurred on or prior to the Closing Date in connection with the primary syndication of the Credit Facility and the negotiation, preparation and administration of this Agreement and the other Loan Documents in excess of $300,000.

(b) Holdings and the Borrower agree, jointly and severally, to indemnify the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "***Indemnitee***") against, and to hold each Indemnitee harmless from, any and all losses (other than lost profits), claims, damages, liabilities and related expenses, including reasonable and documented out-of-pocket counsel fees of one counsel and one local counsel in each relevant jurisdiction, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated thereby, (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto or the plaintiff or defendant thereunder (and regardless of whether such matter is initiated by a third party, a Lender, or by Holdings, the Borrower, any other Loan Party or any of their respective Affiliates), or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or its Affiliates, (B) result from a successful claim brought by the Borrower or any other Loan Party against an Indemnitee for a material breach of such Indemnitee's material obligations hereunder or under any other Loan Document or (C) arise from disputes arising solely among Indemnitees that do not involve any act or omission by any Loan Party or its Affiliates (other than claims, damages, liabilities and related expenses against an Agent acting solely in its capacity as such, but not with respect to any other Person that is party to such dispute with an Agent).

(c) To the extent that Holdings and the Borrower fail to pay any amount required to be paid by them to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section 9.05(c), each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the outstanding Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable within 10 Business Days of demand therefor.

SECTION 9.06 ***Right of Setoff***. If an Event of Default shall have occurred and be continuing, each Secured Party is hereby authorized at any time and from time to time, except to the extent prohibited

by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party to or for the credit or the account of Holdings or the Borrower against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Secured Party under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Secured Party may have.

SECTION 9.07 ***Applicable Law***. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

SECTION 9.08 ***Waivers; Amendment***.

(a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or among the parties with respect to the subject matter hereof is superseded by this Agreement and the other the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings or the Borrower in any case shall entitle Holdings or the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower, Holdings and the Required Lenders; *provided*, *however*, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest or premium on any Loan, or waive or excuse any such payment or any part thereof, or decrease the rate of interest or premium on any Loan, without the prior written consent of each Lender directly adversely affected thereby (other than (x) any waiver of any increase in the interest rate applicable to the Loans as a result of the occurrence of an Event of Default ~~and other than,~~ (y) any waiver or extension of any mandatory prepayment and (z) any waiver of the requirements of Section 2.23(d)(v)), (ii) increase or extend the Commitment or decrease or extend the date for payment of any Fees or premiums of any Lender (other than any waiver or extension of any mandatory prepayment) without the prior written consent of such Lender, (iii) amend or modify the *pro rata* requirements of Section 2.14, the provisions of Section 9.04(k) or the provisions of this Section 9.08(b) or release any Guarantor (other than in connection with the sale or other disposition of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral, without the prior written consent of each Lender, (iv) modify the protections afforded to an SPC pursuant to the provisions of Section 9.04(j) without the written consent of such SPC, (v) without the written consent of the Required RL Lenders, amend, modify or waive any condition precedent set forth in Section 4.02 or amend the definition of "Required RL Lenders" or (vi) reduce the percentage contained in the definition of the term "Required Lenders" without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination

of the Required Lenders on substantially the same basis as the Commitments on the date hereof); *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent.

SECTION 9.09 ***Interest Rate Limitation***. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the "***Charges***"), shall exceed the maximum lawful rate (the "***Maximum Rate***") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.10 ***Entire Agreement***. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11 ***WAIVER OF JURY TRIAL***. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12 ***Severability***. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13 ***Counterparts***. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in

Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic means shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 9.14 ***Headings***. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15 ***Jurisdiction; Consent to Service of Process***.

(a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Holdings, the Borrower, or their respective properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court located in the City of New York, Borough of Manhattan, or of the United States of America sitting in the Southern District of New York. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16 ***Confidentiality***. Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, but only to the extent required or desirable in connection with such exercise or enforcement, (e) subject to an agreement containing provisions substantially the same as those of this Section 9.16, to (i) to the extent not an Excluded Lender, any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to Holdings, the Borrower or any Subsidiary or any of their respective obligations, (f) with the written consent of the Borrower or (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16 by any

Agent, any Lender or any of their Related Parties. For the purposes of this Section 9.16, "Information" shall mean all information received from Holdings, the Borrower or any Subsidiary and related to Holdings, the Borrower or any Subsidiary or their business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a nonconfidential basis prior to its disclosure by Holdings, the Borrower or any Subsidiary; *provided* that with respect to clause (c) above, if the Administrative Agent, the Collateral Agent or any Lender receives a subpoena, interrogatory or other request (verbal or otherwise) for any Information, or believes that it is legally required to disclose any of the Information to a third party, it shall, in advance of such disclosure, to the extent practicable and legally permissible, promptly provide to the Borrower written notice of any such request or requirement so that Borrower or the applicable Loan Party (or Subsidiary thereof) may seek a protective order or other remedy; *provided*, *further*, that it shall (1) exercise reasonable efforts to preserve the confidentiality of such Information, (2) to the extent legally permissible and practicable, use commercially reasonable efforts to provide Borrower, in advance of such disclosure, with copies of any Information it intends to disclose (and, if applicable, the text of the disclosure language itself), and (3) reasonably cooperate at the reasonable cost and expense of the Borrower with the Borrower or applicable Loan Party (or Subsidiary thereof) to the extent Borrower or such Loan Party (or Subsidiary thereof) seeks to limit such disclosures. Notwithstanding anything to the contrary herein or in any other Loan Document or otherwise, each of the Administrative Agent, the Collateral Agent and the Lenders agrees not to disclose any Information to any Excluded Lender under any circumstance. Except with respect to disclosing any Information to an Excluded Lender, any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.17 ***USA PATRIOT Act Notice***. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Holdings, the Borrower and the Subsidiary Guarantors that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies Holdings, the Borrower and the Subsidiary Guarantors, which information includes the name and address of Holdings, the Borrower and the Subsidiary Guarantors and other information that will allow such Lender or the Administrative Agent, as applicable, to identify Holdings, the Borrower and the Subsidiary Guarantors in accordance with the USA PATRIOT Act.

(a) Administration by Board. The Board shall administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in Section 2(c).

(b) Powers of Board. The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (A) which of the persons eligible under the Plan shall be granted Stock Awards; (B) when and how each Stock Award shall be granted; (C) what type or combination of types of Stock Award shall be granted; (D) the provisions of each Stock Award granted (which need not be identical), including the time or times when a person shall be permitted to receive cash or Common Stock pursuant to a Stock Award; (E) the number of shares of Common Stock with respect to which a Stock Award shall be granted to each such person; and (F) the Fair Market Value applicable to a Stock Award.

(ii) To construe and interpret the Plan and Stock Awards granted under it, and to establish, amend and revoke rules and regulations for administration of the Plan. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Stock Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make the Plan or Stock Award fully effective.

(iii) To settle all controversies regarding the Plan and Stock Awards granted under it.

(iv) To accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

(v) To suspend or terminate the Plan at any time. Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the affected Participant.

(vi) To amend the Plan in any respect the Board deems necessary or advisable, including, without limitation, amendments relating to Incentive Stock Options and certain nonqualified deferred compensation under Section 409A of the Code and/or to bring the Plan or Stock Awards granted under the Plan into compliance therewith, subject to the limitations, if any, of applicable law. However, except as provided in Section 9(a) relating to Capitalization Adjustments, to the extent required by applicable law, stockholder approval shall be required for any amendment of the Plan that either (A) increases the number of shares of Common Stock available for issuance under the Plan, (B) expands the class of individuals eligible to receive Stock Awards under the Plan, or (C) extends the term of the Plan. Except as provided above, rights under any Stock Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

(vii) To submit any amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 422 of the Code regarding Incentive Stock Options.

(viii) To approve forms of Stock Award Agreements for use under the Plan and to amend the terms of any one or more Stock Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Stock Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided however,* that, the rights under any Stock Award shall not be impaired by any such amendment unless (i) the Company requests the consent of the affected Participant, and (ii) such Participant consents in writing. Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without the affected Participant's consent, the Board may amend the terms of any one or more Stock Awards if necessary to maintain the qualified status of the Stock Award as an Incentive Stock Option or to bring the Stock Award into compliance with Section 409A of the Code.

(ix) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Stock Awards.

(x) To effect, at any time and from time to time, with the consent of any adversely affected Participant, (A) the reduction of the exercise price (or strike price) of any outstanding Option or Stock Appreciation Right under the Plan, (B) the cancellation of any outstanding Option or Stock Appreciation Right under the Plan and the grant in substitution therefore of (1) a new Option or Stock Appreciation Right under the Plan or another equity plan of the Company covering the same or a different number of shares of Common Stock, (2) a Restricted Stock Award, (3) a Restricted Stock Unit Award, (4) cash and/or (5) other valuable consideration (as determined by the Board, in its sole discretion), or (C) any other action that is treated as a repricing under generally accepted accounting principles; *provided, however*, that no such reduction or cancellation may be effected if it is determined, in the Company's sole discretion, that such reduction or cancellation would result in any such outstanding Option becoming subject to the requirements of Section 409A of the Code.

(c) Delegation to Committee. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revest in the Board some or all of the powers previously delegated.

(d) Delegation to an Officer. The Board may delegate to one or more Officers of the Company the authority to do one or both of the following: (i) designate Officers and Employees of the Company or any of its Subsidiaries to be recipients of Options and Stock Appreciation Rights (and, to the extent permitted by applicable law, other Stock Awards) and the terms thereof, and (ii) determine the number of shares of Common

Stock to be subject to such Stock Awards granted to such Officers and Employees; *provided, however,* that the Board resolutions regarding such delegation shall specify the total number of shares of Common Stock that may be subject to the Stock Awards granted by such Officer and that such Officer may not grant a Stock Award to himself or herself. Notwithstanding the foregoing, the Board may not delegate authority to an Officer to determine the Fair Market Value pursuant to Section 13(s) below.

(e) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

3. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve. Subject to the provisions of Section 9(a) relating to Capitalization Adjustments, the aggregate number of shares of Common Stock that may be issued pursuant to Stock Awards beginning on the Effective Date shall not exceed 25,000,000 shares (the ***"Share Reserve"***). Furthermore, if a Stock Award (i) expires or otherwise terminates without having been exercised in full or (ii) is settled in cash (*i.e.*, the holder of the Stock Award receives cash rather than stock), such expiration, termination or settlement shall not reduce (or otherwise offset) the number of shares of Common Stock that may be issued pursuant to the Plan. For clarity, the limitation in this Section 3(a) is a limitation in the number of shares of Common Stock that may be issued pursuant to the Plan. Accordingly, this Section 3(a) does not limit the granting of Stock Awards except as provided in Section 7(a).

(b) Reversion of Shares to the Share Reserve. If any shares of Common Stock issued pursuant to a Stock Award are forfeited back to the Company because of the failure to meet a contingency or condition required to vest such shares in the Participant, then the shares which are forfeited shall revert to and again become available for issuance under the Plan. Also, any shares reacquired by the Company pursuant to Section 8(g) or as consideration for the exercise of an Option shall again become available for issuance under the Plan. Notwithstanding the provisions of this Section 3(b), any such shares shall not be subsequently issued pursuant to the exercise of Incentive Stock Options. With respect to Stock Appreciation Rights, only shares of Common Stock actually issued pursuant to a Stock Appreciation Right will cease to be available under the Plan and all remaining shares under Stock Appreciation Rights will remain available for future grant under the Plan.

(c) Incentive Stock Option Limit. Notwithstanding anything to the contrary in this Section 3(c), subject to the provisions of Section 9(a) relating to Capitalization Adjustments, the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options shall be 25,000,000 shares of Common Stock.

(d) Source of Shares. The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

4. ELIGIBILITY.

(a) Eligibility for Specific Stock Awards. Incentive Stock Options may be granted only to employees of the Company or a "parent corporation" or "subsidiary corporation" thereof (as such terms are defined in Sections 424(e) and (f) of the Code). Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants; *provided*, *however*, Nonstatutory Stock Options and Stock Appreciation Rights may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any "parent" of the Company, as such term is defined in Rule 405, unless the stock underlying such Stock Awards is treated as "service recipient stock" under Section 409A of the Code because the Stock Awards are granted pursuant to a corporate transaction (such as a spin off transaction) or unless such Stock Awards comply with the distribution requirements of Section 409A of the Code.

(b) Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

(c) Consultants. A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, either the offer or the sale of the Company's securities to such Consultant is not exempt under Rule 701 because of the nature of the services that the Consultant is providing to the Company, because the Consultant is not a natural person, or because of any other provision of Rule 701, unless the Company determines that such grant need not comply with the requirements of Rule 701 and will satisfy another exemption under the Securities Act as well as comply with the securities laws of all other relevant jurisdictions**.**

5. PROVISIONS RELATING TO OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option or Stock Appreciation Right shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options or Stock Appreciation Rights need not be identical; *provided*, *however*, that each Option Agreement or Stock Appreciation Right Agreement shall conform to (through incorporation of provisions hereof by reference in the applicable Stock Award Agreement or otherwise) the substance of each of the following provisions:

(a) Term. Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, no Option or Stock Appreciation Right shall be exercisable after the expiration of ten (10) years from the date of its grant or such shorter period specified in the Stock Award Agreement.

(b) Exercise Price. Subject to the provisions of Section 4(b) regarding Incentive Stock Options granted to Ten Percent Stockholders, the exercise price (or strike price) of each Option or Stock Appreciation Right shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option or Stock Appreciation Right on the date the Option or Stock Appreciation Right is granted. Notwithstanding the foregoing, an Option or Stock Appreciation Right may be granted with an exercise price (or strike price) lower than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option or Stock Appreciation Right if such Option or Stock Appreciation Right is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Change in Control and in a manner consistent with the provisions of Sections 409A and 424(a) of the Code (whether or not such Stock Awards are Incentive Stock Options). Each Stock Appreciation Right will be denominated in shares of Common Stock equivalents.

(c) Consideration for Options. The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The permitted methods of payment are as follows:

(i) by cash, check, bank draft or money order payable to the Company;

(ii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(iv) if the Option is a Nonstatutory Stock Option, by a "net exercise" arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however,* that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued; *provided, further,* that shares of Common Stock will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) shares issuable upon exercise are reduced to pay the exercise price pursuant to the "net exercise," (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations;

(v) according to a deferred payment or similar arrangement with the Optionholder; *provided, however*, that interest shall **compound** at least annually and shall be charged at the minimum rate of interest necessary to avoid (A) the imputation of interest income to the Company and compensation income to the Optionholder under any applicable provisions of the Code, and (B) the classification of the Option as a liability for financial accounting purposes; or

(vi) in any other form of legal consideration that may be acceptable to the Board.

(d) Exercise and Payment of a Stock Appreciation Right. To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) the strike price that will be determined by the Board at the time of grant of the Stock Appreciation Right. The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(e) Transferability of Options and Stock Appreciation Rights. The Board may, in its sole discretion, impose such limitations on the transferability of Options and Stock Appreciation Rights as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and Stock Appreciation Rights shall apply:

(i) Restrictions on Transfer. An Option or Stock Appreciation Right shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant; *provided, however*, that the Board may, in its sole discretion, permit transfer of the Option or Stock Appreciation Right to such extent as permitted by Rule 701 and in a manner consistent with applicable tax and securities laws upon the Participant's request.

(ii) Domestic Relations Orders. Notwithstanding the foregoing, an Option or Stock Appreciation Right may be transferred pursuant to a domestic relations order; *provided, however,* that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

(iii) Beneficiary Designation. Notwithstanding the foregoing, the Participant may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company and any broker designated by the Company to effect Option exercises, designate a third party who, in the event of the death of the Participant, shall thereafter be entitled to exercise the Option or Stock Appreciation Right and receive the Common Stock or other consideration resulting from such exercise. In the absence of such a designation, the executor or administrator of the Participant's estate shall be entitled to exercise the Option or Stock Appreciation Right and receive the Common Stock or other consideration resulting from such exercise.

(f) Vesting Generally. The total number of shares of Common Stock subject to an Option or Stock Appreciation Right may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option or Stock Appreciation Right may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of performance goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or Stock Appreciation Rights may vary. The provisions of this Section 5(f) are subject to any Option or Stock Appreciation Right provisions governing the minimum number of shares of Common Stock as to which an Option or Stock Appreciation Right may be exercised.

(g) Termination of Continuous Service. Except as otherwise provided in the applicable Stock Award Agreement or other agreement between the Participant and the Company, in the event that a Participant's Continuous Service terminates (other than for Cause or upon the Participant's death or Disability), the Participant may exercise his or her Option or Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Stock Award as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date sixty (60) days following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the Stock Award Agreement, which period shall not be less than thirty (30) days if necessary to comply with applicable state laws) or (ii) the expiration of the term of the Option or Stock Appreciation Right as set forth in the Stock Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or Stock Appreciation Right within the time specified herein or in the Stock Award Agreement (as applicable), the Option or Stock Appreciation Right shall terminate.

(h) Extension of Termination Date. Except as otherwise provided in the applicable Stock Award Agreement or other agreement between the Participant and the Company, if the exercise of an Option or Stock Appreciation Right following the termination of the Participant's Continuous Service (other than upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option or Stock Appreciation Right shall terminate on the earlier of (i) the expiration of a period of three (3) months after the termination of the Participant's Continuous Service during which the exercise of the Option or Stock Appreciation Right would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option or Stock Appreciation Right as set forth in the Stock Award Agreement. In addition, unless otherwise provided in a Participant's Award Agreement, if the sale of any Common Stock received upon exercise of an Option or Stock Appreciation Right following the termination of the Participant's Continuous Service would violate the Company's insider trading policy, then the Option or Stock Appreciation Right shall terminate on the earlier of (i) the expiration of a period equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the exercise of the Option or Stock Appreciation Right would not be in violation of the Company's insider trading policy, or (ii) the expiration of the term of the Option or Stock Appreciation Right as set forth in the applicable Stock Award Agreement.

(i) Disability of Participant. Except as otherwise provided in the applicable Stock Award Agreement or other agreement between the Participant and the Company, in the event that a Participant's Continuous Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option or Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Option or Stock Appreciation Right as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date six (6) months following such termination of Continuous Service (or such longer or shorter period specified in the Stock Award Agreement, which period shall not be less than six (6) months if necessary to comply with applicable state laws), or (ii) the expiration of the term of the Option or Stock Appreciation Right as set forth in the Stock Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or Stock Appreciation Right within the time specified herein or in the Stock Award Agreement (as applicable), the Option or Stock Appreciation Right shall terminate.

(j) Death of Participant. Except as otherwise provided in the applicable Stock Award Agreement or other agreement between the Participant and the Company, in the event that (i) a Participant's Continuous Service terminates as a result of the Participant's death, or (ii) the Participant dies within the period (if

any) specified in the Stock Award Agreement after the termination of the Participant's Continuous Service for a reason other than death, then the Option or Stock Appreciation Right may be exercised (to the extent the Participant was entitled to exercise such Option or Stock Appreciation Right as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option or Stock Appreciation Right by bequest or inheritance or by a person designated to exercise the Option or Stock Appreciation Right upon the Participant's death, but only within the period ending on the earlier of (i) the date six (6) months following the date of death (or such longer or shorter period specified in the Stock Award Agreement, which period shall not be less than six (6) months if necessary to comply with applicable state laws), or (ii) the expiration of the term of such Option or Stock Appreciation Right as set forth in the Stock Award Agreement. If, after the Participant's death, the Option or Stock Appreciation Right is not exercised within the time specified herein or in the Stock Award Agreement (as applicable), the Option or Stock Appreciation Right shall terminate.

(k) Termination for Cause. Except as explicitly provided otherwise in the applicable Stock Award Agreement or other agreement between the Participant and the Company, if a Participant's Continuous Service is terminated for Cause, the Option or SAR shall terminate upon the termination date of such Participant's Continuous Service, and the Participant shall be prohibited from exercising his or her Option or SAR from and after the time of such termination of Continuous Service.

(l) Non-Exempt Employees. No Option or Stock Appreciation Right granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, shall be first exercisable for any shares of Common Stock until at least six months following the date of grant of the Option or Stock Appreciation Right. Notwithstanding the foregoing, consistent with the provisions of the Worker Economic Opportunity Act, in the event of the Participant's death or Disability, upon a Change in Control in which the vesting of such Options or Stock Appreciation Rights accelerates, or upon the Participant's retirement (as such term may be defined in the Participant's Stock Award Agreement or in another applicable agreement or in accordance with the Company's then current employment policies and guidelines) any such vested Options Stock Appreciation Rights may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or Stock Appreciation Right will be exempt from his or her regular rate of pay.

(m) Right of Repurchase. Subject to the "Repurchase Limitation" in Section 8(l), the Option or Stock Appreciation Right may include a provision whereby the Company may elect to repurchase all or any part of the vested shares of Common Stock acquired by the Participant pursuant to the exercise of the Option or Stock Appreciation Right.

(n) Right of First Refusal. The Option or Stock Appreciation Right may include a provision whereby the Company may elect to exercise a right of first refusal following receipt of notice from the Participant of the intent to transfer all or any part of the shares of Common Stock received upon the exercise of the Option or Stock Appreciation Right. Such right of first refusal shall be subject to the "Repurchase Limitation" in Section 8(l). Except as expressly provided in this Section 5(n) or in the Stock Award Agreement, such right of first refusal shall otherwise comply with any applicable provisions of the Bylaws of the Company.

6. PROVISIONS OF RESTRICTED STOCK AWARDS AND RESTRICTED STOCK UNITS.

(a) Restricted Stock Awards. Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical; *provided, however*, that each Restricted Stock Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) cash or cash equivalents, (B) past or future services actually or to be rendered to the Company or an Affiliate, or (C) any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. Subject to the "Repurchase Limitation" in Section 8(l), shares of Common Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of Participant's Continuous Service. If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right, any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement or other agreement between the Participant and the Company.

(iv) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Common Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

(v) Dividends. A Restricted Stock Award Agreement may provide that any dividends paid on Restricted Stock will be subject to the same vesting and forfeiture restrictions as apply to the shares subject to the Restricted Stock Award to which they relate.

(b) Restricted Stock Unit Awards. Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical, *provided*, *however*, that each Restricted Stock Unit Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Common Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Restricted Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) Additional Restrictions. At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of shares of Common Stock covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Common Stock covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all the terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement or other agreement between the Participant and the Company, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(vii) Compliance with Section 409A of the Code. Notwithstanding anything to the contrary set forth herein, any Restricted Stock Unit Award granted under the Plan that is not exempt from the requirements of Section 409A of the Code shall contain such provisions so that such Restricted Stock Unit Award will comply with the requirements of Section 409A of the Code. Such restrictions, if any, shall be determined by the Board and contained in the Restricted Stock Unit Award Agreement evidencing such Restricted Stock Unit Award. For example, such restrictions may include, without limitation, a requirement that any Common Stock that is to be issued in a year following the year in which the Restricted Stock Unit Award vests must be issued in accordance with a fixed pre-determined schedule.

7. COVENANTS OF THE COMPANY.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; *provided*, *however,* that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained. A Participant shall not be eligible for the grant of a Stock Award or the subsequent issuance of Common Stock pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c) No Obligation to Notify. The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

8. MISCELLANEOUS.

(a) Use of Proceeds from Sales of Common Stock. Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

(b) Corporate Action Constituting Grant of Stock Awards. Corporate action constituting a grant by the Company of a Stock Award to any Participant shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant.

(c) Stockholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Stock Award has been entered into the books and records of the Company.

(d) No Employment or Other Service Rights. Nothing in the Plan, any Stock Award Agreement or any other instrument executed thereunder or in connection with any Stock Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(e) Incentive Stock Option $100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars ($100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(f) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (x) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (y) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(g) Withholding Obligations. Unless prohibited by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to a Stock Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Stock Award; *provided, however*, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding payment from any amounts otherwise payable to the Participant; (iv) withholding cash from a Stock Award settled in cash; or (v) by such other method as may be set forth in the Stock Award Agreement.

(h) Electronic Delivery. Any reference herein to a "written" agreement or document shall include any agreement or document delivered electronically or posted on the Company's intranet.

(i) Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Stock Award may be deferred and may establish programs and procedures for deferral elections

to be made by Participants. Deferrals by Participants will be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an employee or otherwise providing services to the Company. The Board is authorized to make deferrals of Stock Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant's termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(j) Compliance with Section 409A. To the extent that the Board determines that any Stock Award granted hereunder is subject to Section 409A of the Code, the Stock Award Agreement evidencing such Stock Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Stock Award Agreements shall be interpreted in accordance with Section 409A of the Code.

(k) Compliance with Exemption Provided by Rule 12h-1(f). If: (i) the aggregate of the number of Optionholders and the number of holders of all other outstanding compensatory employee stock options to purchase shares of Common Stock equals or exceeds five hundred (500), and (ii) the assets of the Company at the end of the Company's most recently completed fiscal year exceed $10 million, then the following restrictions shall apply during any period during which the Company does not have a class of its securities registered under Section 12 of the Exchange Act and is not required to file reports under Section 15(d) of the Exchange Act: (A) the Options and, prior to exercise, the shares of Common Stock acquired upon exercise of the Options may not be transferred until the Company is no longer relying on the exemption provided by Rule 12h-1(f) promulgated under the Exchange Act ("***Rule 12h-1(f)***"), except: (1) as permitted by Rule 701(c) promulgated under the Securities Act, (2) to a guardian upon the disability of the Optionholder, or (3) to an executor upon the death of the Optionholder (collectively, the "***Permitted Transferees***"); *provided*, *however*, the following transfers are permitted: (i) transfers by the Optionholder to the Company, and (ii) transfers in connection with a change of control or other acquisition involving the Company, if following such transaction, the Options no longer remain outstanding and the Company is no longer relying on the exemption provided by Rule 12h-1(f); *provided further*, that any Permitted Transferees may not further transfer the Options; (B) except as otherwise provided in (A) above, the Options and shares of Common Stock acquired upon exercise of the Options are restricted as to any pledge, hypothecation, or other transfer, including any short position, any "put equivalent position" as defined by Rule 16a-1(h) promulgated under the Exchange Act, or any "call equivalent position" as defined by Rule 16a-1(b) promulgated under the Exchange Act by the Optionholder prior to exercise of an Option until the Company is no longer relying on the exemption provided by Rule 12h-1(f); and (C) at any time that the Company is relying on the exemption provided by Rule 12h-1(f), the Company shall deliver to Optionholders (whether by physical or electronic delivery or written notice of the availability of the information on an internet site) the information required by Rule 701(e)(3), (4), and (5) promulgated under the Securities Act every six (6) months, including financial statements that are not more than one hundred eighty (180) days old; *provided*, *however*, that the Company may condition the delivery of such information upon the Optionholder's agreement to maintain its confidentiality.

(l) Repurchase Limitation. The terms of any repurchase right shall be specified in the Stock Award Agreement. The repurchase price for vested shares of Common Stock shall be the Fair Market Value of the shares of Common Stock on the date of repurchase. The repurchase price for unvested shares of Common Stock shall be the lower of (i) the Fair Market Value of the shares of Common Stock on the date of repurchase or (ii) their original purchase price. However, the Company shall not exercise its repurchase right until at least six (6) months (or such longer or shorter period of time necessary to avoid classification of the Stock Award as a liability for financial accounting purposes) have elapsed following delivery of shares of Common Stock subject to the Stock Award, unless otherwise specifically provided by the Board.

9. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.

(a) Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities that may be issued pursuant to the

exercise of Incentive Stock Options pursuant to Section 3(c), and (iii) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive.

(b) Dissolution or Liquidation. Except as otherwise provided in the Stock Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company's right of repurchase) shall terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service, *provided, however,* that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) Change in Control. The following provisions shall apply to Stock Awards in the event of a Change in Control unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the holder of the Stock Award or unless otherwise expressly provided by the Board at the time of grant of a Stock Award. Except as otherwise stated in the Stock Award Agreement, in the event of a Change in Control, then, notwithstanding any other provision of the Plan, the Board shall take one or more of the following actions with respect to Stock Awards, contingent upon the closing or completion of the Change in Control:

(i) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the stockholders of the Company pursuant to the Change in Control);

(ii) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

(iii) accelerate the vesting, in whole or in part, of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Change in Control as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective date of the Change in Control), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Change in Control;

(iv) arrange for the lapse of any reacquisition or repurchase rights held by the Company with respect to the Stock Award;

(v) cancel or arrange for the cancellation of the Stock Award, to the extent not vested or not exercised prior to the effective time of the Change in Control, in exchange for such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; and

(vi) make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the holder of the Stock Award would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise. The Board need not take the same action with respect to all Stock Awards or with respect to all Participants.

10. TERMINATION OR SUSPENSION OF THE PLAN.

(a) Plan Term. The Board may suspend or terminate the Plan at any time. Unless sooner terminated by the Board pursuant to Section 2, the Plan shall automatically terminate on the day before the tenth (10th) anniversary of the earlier of (i) the date the Plan is adopted by the Board, or (ii) the date the Plan is approved by the stockholders of the Company. No Stock Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) No Impairment of Rights. Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the affected Participant.

11. EFFECTIVE DATE OF PLAN.

This Plan shall become effective on the Effective Date.

12. CHOICE OF LAW.

The law of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to that state's conflict of laws rules.

13. DEFINITIONS.

As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

(a) "***Affiliate***" means, at the time of determination, any "parent" or "majority-owned subsidiary" of the Company, as such terms are defined in Rule 405 of the Securities Act. The Board shall have the authority to determine the time or times at which "parent" or "majority- owned subsidiary" status is determined within the foregoing definition.

(b) "***Board***" means the Board of Directors of the Company.

(c) "***Capitalization Adjustment***" means any change that is made in, or other events that occur with respect to, the Common Stock subject to the Plan or subject to any Stock Award after the Effective Date without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards No. 123 (revised). Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a Capitalization Adjustment.

(d) "***Cause***" shall have the meaning ascribed to such term in any written agreement between the Participant and the Company defining such term and, in the absence of such agreement, such term means with respect to a Participant, the occurrence of any of the following events: (i) Participant's willful failure to perform his or her duties and responsibilities to the Company or deliberate violation of a Company policy; (ii) Participant's commission of any act of dishonesty, fraud, misconduct, insubordination, unauthorized use or disclosure of confidential information or trade secrets, or conviction or confession of a crime punishable by law (except minor violations) or any other willful misconduct that has caused or is reasonably expected to result in material injury to the Company; (iii) unauthorized use or disclosure by Participant of any proprietary information or trade secrets of the Company or any other party to whom the Participant owes an obligation of nondisclosure as a result of his or her relationship with the Company; or (iv) Participant's willful breach of any of his or her obligations under any written agreement or covenant with the Company. The determination as to whether a Participant is being terminated for Cause shall be made in good faith by the Company and shall be final and binding on the Participant. The foregoing definition does not in any way limit the Company's ability to terminate a Participant's employment or consulting relationship at any time as provided in Section 8(d), and the term "Company" will be interpreted to include any Subsidiary, Parent, Affiliate or successor thereto, if appropriate.

(e) "***Change in Control***" means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) the consummation of a sale or other disposition of all or substantially all, as determined by the Board in its sole discretion, of the consolidated assets of the Company and its Subsidiaries;

(ii) the consummation of a sale or other disposition of more than fifty percent (50%) of the outstanding securities of the Company;

(iii) the consummation of a merger, consolidation or similar transaction following which the Company is not the surviving corporation;

(iv) the consummation of a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise; or

(v) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company's securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities or (C) solely because the level of Ownership held by any Exchange Act Person (the "*Subject Person*") exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur. Notwithstanding the foregoing definition or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement; *provided*, *however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Director, or Consultant or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, shall not terminate a Participant's Continuous Service; *provided*, *however*, if the Entity for which a Participant is rendering service ceases to qualify as an Affiliate, as determined by the Board in its sole discretion, such Participant's Continuous Service shall be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. For example, a change in status from an employee of the Company to a consultant of an Affiliate or to a Director shall not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

Accordingly, this Section 3(a) does not limit the granting of Stock Awards except as provided in Section 7(a)."

3. Except as expressly provided in this Amendment, all of the terms and provisions of the Plan are and will remain in full force and effect and are hereby ratified and confirmed.

AMENDMENT NO. 3 TO THE
BLACKLINE, INC. 2014 EQUITY INCENTIVE PLAN

This Amendment No. 3 ("Amendment") to the BlackLine, Inc. 2014 Equity Incentive Plan (f/k/a the SLS Breeze Holdings, Inc. 2014 Equity Incentive Plan) (the "Plan") is made by BlackLine, Inc. ("BlackLine") on 12-14, 2015 (the "Amendment Effective Date").

WHEREAS, the BlackLine Board of Directors and Shareholders adopted the Plan on March 3, 2014;

WHEREAS, the BlackLine Board of Directors and a majority of its Shareholders approved an amendment to the Plan on February 25, 2015 authorizing an increased number of shares of Common Stock that may be issued as Stock Awards;

WHEREAS, BlackLine adopted Amendment No. 1 to the Plan on July 28, 2015 authorizing an increased number of shares of Common Stock that may be issued as Stock Awards;

WHEREAS, the BlackLine Board of Directors and a majority of its Shareholders approved an amendment to the Plan on August 5, 2015 and August 24, 2015, respectively, authorizing an increased number of shares of Common Stock that may be issued as Stock Awards; and

WHEREAS, BlackLine adopted Amendment No. 2 to the Plan on August 26, 2015 authorizing an increased number of shares of Common Stock that may be issued as Stock Awards.

WHEREAS, BlackLine desires to amend the Plan in a manner consistent with the foregoing amendments.

NOW, THEREFORE, the Plan is modified as follows.

1. Capitalized terms used but not defined in this Amendment shall have the meanings ascribed to such terms in the Plan.

2. Section 3(a) of the Plan, shall be replaced in its entire with the following:

> **"Share Reserve.** Subject to the provisions of Section 9(a) relating to Capitalization Adjustments, the aggregate number of shares of Common Stock that may be issued pursuant to Stock Awards beginning on the Effective Date shall not exceed 32,007,310 shares (the "**Share Reserve**"). Furthermore, if a Stock Award (i) expires or otherwise terminates without having been executed in full or (ii) is settled in cash (i.e., the holder of the Stock Award receives cash rather than stock), such expiration, termination or settlement shall not reduce (or otherwise offset) the number of shares of Common Stock that may be issued pursuant to the Plan. For clarity, the limitation set forth in this Section 3(a) is a limitation in the number of shares of Common Stock that may be issued pursuant to the Plan. Accordingly, this Section 3(a) does not limit the granting of Stock Awards except as provided in Section 7(a)."

3. Except as expressly provided in this Amendment, all of the terms and provisions of the Plan are and will remain in full force and effect and are hereby ratified and confirmed.

IN WITNESS WHEREOF, BlackLine has caused the officer set forth below to execute this Amendment as of the Amendment Effective Date.

Exhibit 10.10

BLACKLINE, INC.

2016 EQUITY INCENTIVE PLAN

1. Purposes of the Plan.

The purposes of this Plan are to attract and retain personnel for positions with the Company, to provide additional incentive to Employees, Directors, and Consultants (collectively, "Service Providers"), and to promote the success of the Company's business.

The Plan permits the grant of Incentive Stock Options to Employees and the grant of Nonstatutory Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Stock Units, and Performance Awards to any Service Provider.

2. Shares Subject to the Plan.

(a) Allocation of Shares to Plan. The maximum aggregate number of Shares that may be issued under the Plan is:

(i) 30,980,000 Shares (on pre reverse stock split), plus

(ii) a number of Shares equal to the number of Shares subject to outstanding awards granted under the Company's 2014 Equity Incentive Plan, as amended and restated (the "Existing Plan") that, after the date the Existing Plan is terminated, expire or otherwise terminate without having been exercised in full and a number of Shares equal to the number of Shares issued under awards granted under the Existing Plan that, after the date the Existing Plan is terminated, are forfeited to the Company, tendered to or withheld by the Company for payment of an exercise price or for tax withholding, or repurchased by the Company due to failure to vest, with the maximum number of Shares that may be added to the Plan under this Section 2(a)(i) being equal to 33,900,000 Shares, plus

(iii) any additional Shares that become available for issuance under the Plan under Sections 2(b) and 2(c).

The Shares may be authorized but unissued Common Stock or Common Stock issued and then reacquired by the Company.

(b) Automatic Share Reserve Increase. The number of Shares available for issuance under the Plan will be increased on the first day of each Fiscal Year beginning with the 2016 Fiscal Year, in an amount equal to the least of

(i) 30,980,000 Shares,

(ii) 5% of the total number of shares of Common Stock outstanding on the last day of the immediately preceding Fiscal Year, and

(iii) a lower number of Shares determined by the Administrator.

(c) Lapsed Awards.

(i) *Options and Stock Appreciation Rights*. If an Option or Stock Appreciation Right expires or becomes unexercisable without having been exercised in full or is surrendered under an Exchange Program, the unissued Shares subject to the Option or Stock Appreciation Right will become available for future issuance under the Plan.

(ii) *Stock Appreciation Rights*. Only Shares actually issued pursuant to a Stock Appreciation Right (i.e., the net Shares issued) will cease to be available under the Plan; all remaining Shares originally subject to the Stock Appreciation Right will remain available for future issuance under the Plan.

(iii) *Full-Value Awards*. Shares issued pursuant to Awards of Restricted Stock, Restricted Stock Units, Performance Shares, Performance Stock Units or stock-settled Performance Awards that are reacquired by the Company due to failure to vest or are forfeited to the Company will become available for future issuance under the Plan.

(iv) *Withheld Shares*. Shares used to pay the Exercise Price of an Award or to satisfy tax withholding obligations related to an Award will become available for future issuance under the Plan.

(v) *Cash-Settled Awards*. If any portion of an Award under the Plan is paid to a Participant in cash rather than Shares, that cash payment will not reduce the number of Shares available for issuance under the Plan.

(d) Incentive Stock Options. The maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal 200% of the aggregate Share number stated in Section 2(a) plus, to the extent allowable under Code Section 422, any Shares that become available for issuance under the Plan under Sections 2(b) and 2(c).

(e) Adjustment. The numbers provided in Sections 2(a), 2(b), and 2(d) will be adjusted as a result of changes in capitalization referred to in Section 13.

(f) Substitute Awards. If the Committee grants Awards in substitution for equity compensation awards outstanding under a plan maintained by an entity acquired by or consolidated with the Company, the grant of those substitute Awards will not decrease the number of Shares available for issuance under the Plan.

3. Administration of the Plan.

(a) Procedure.

(i) *General*. The Plan will be administered by the Board or a Committee (the "Administrator"). Different Administrators may administer the Plan with respect to different groups of Service Providers. The Board may retain the authority to concurrently administer the Plan with a Committee and may revoke the delegation of some or all authority previously delegated.

(ii) *Further Delegation*. To the extent permitted by Applicable Laws, the Board or a Committee may delegate to 1 or more officers the authority to grant Awards to Employees of the Company or any of its Subsidiaries who are not officers, provided that the delegation must specify any limitations on the authority required by Applicable Laws, including the total number of Shares that may be subject to the Awards granted by such officer(s). Such delegation may be revoked at any time by the Board or Committee. Any such Awards will be granted on the form of Award Agreement most recently approved for use by the Board or a Committee made up solely of Directors, unless the resolutions delegating the authority permit the officer(s) to use a different form of Award Agreement approved by the Board or a Committee made up solely of Directors.

(iii) *Section 162(m)*. Unless an Award is granted and administered solely by a Committee of 2 or more "outside directors" within the meaning of Code Section 162(m), it will not qualify as "performance-based compensation" within the meaning of Code Section 162(m).

(b) Powers of the Administrator. Subject to the terms of the Plan, any limitations on delegations specified by the Board, and any requirements imposed by Applicable Laws, the Administrator will have the authority, in its sole discretion, to make any determinations and perform any actions deemed necessary or advisable to administer the Plan including:

(i) to determine the Fair Market Value;

(ii) to approve forms of Award Agreements for use under the Plan (provided that all forms of Award Agreement must be approved by the Board or the Committee of Directors acting as the Administrator);

(iii) to select the Service Providers to whom Awards may be granted and grant Awards to such Service Providers;

(iv) to determine the number of Shares to be covered by each Award granted;

(v) to determine the terms and conditions, consistent with the Plan, of any Award granted. Such terms and conditions may include, but are not limited to, the Exercise Price, the time(s) when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating to an Award;

(vi) to institute and determine the terms and conditions of an Exchange Program;

(vii) to interpret the Plan and make any decisions necessary to administer the Plan;

(viii) to establish, amend and rescind rules relating to the Plan, including rules relating to sub-plans established to satisfy laws of jurisdictions other than the United States or to qualify Awards for favorable tax treatment under laws of jurisdictions other than the United States;

(ix) to interpret, modify or amend each Award (subject to Section 18), including extending the Expiration Date and the post-termination exercisability period of such modified or amended Awards;

(x) to allow Participants to satisfy tax withholding obligations in any manner permitted by Section 15;

(xi) to delegate ministerial duties to any of the Company's employees;

(xii) to authorize any person to take any steps and execute, on behalf of the Company, any documents required for an Award previously granted by the Administrator to be effective; and

(xiii) to allow Participants to defer the receipt of the payment of cash or the delivery of Shares otherwise due to any such Participants under an Award.

(c) Termination of Status.

(i) Unless a Participant is on a leave of absence approved by the Company as set forth in Section 11, the Participant's status as a Service Provider will end at midnight at the end of the last day the Participant actively provides services for a member of the Company Group (the "Termination of Status Date"). The Administrator has the sole discretion to determine the date on which a Participant stops actively providing services and whether a Participant may still be considered to be providing services while on a leave of absence and the Administrator may delegate this decision, other than with respect to Officers, to the Company's senior human resources officer.

(ii) This termination of status as a Service Provider will occur regardless of the reason for such termination even if the termination is later found to be invalid, in breach of employment laws in the jurisdiction where Participant is providing services, or in violation of the terms of Participant's employment or service agreement, if any such agreement exists.

(iii) Unless otherwise expressly provided in an Award Agreement or otherwise determined by the Administrator, a Participant's right to vest in any Award under the Plan will cease as of the Termination of Status Date and will not be extended by any notice period, whether arising under contract, statute or common law, including any period of "garden leave" or similar period mandated under employment laws in the jurisdiction where the Participant is providing services.

(d) Grant Date. The grant date of an Award ("Grant Date") will be the date that the Administrator makes the determination granting such Award or may be a later date if such later date is designated by the Administrator on the date of the determination or under an automatic grant policy. Notice of the determination will be provided to each Participant within a reasonable time after the Grant Date.

(e) Waiver. The Administrator may waive any terms, conditions or restrictions.

(f) Fractional Shares. Except as otherwise provided by the Administrator, any fractional Shares that result from the adjustment of Awards will be canceled. Any fractional Shares that result from vesting percentages will be accumulated and vested on the date that an accumulated full Share is vested.

(g) Electronic Delivery. The Company may deliver by e-mail or other electronic means (including posting on a website maintained by the Company or by a third party under contract with the Company or another member of the Company Group) all documents relating to the Plan or any Award and all other documents that the Company is required to deliver to its security holders (including prospectuses, annual reports and proxy statements).

(h) Choice of Law; Choice of Forum. The Plan, all Awards and all determinations made and actions taken under the Plan, to the extent not otherwise governed by the laws of the United States, will be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. For purposes of litigating any dispute that arises under this Plan, a Participant's acceptance of an Award is his or her consent to the jurisdiction of the State of Delaware, and agreement that any such litigation will be conducted in Delaware Court of Chancery, or the federal courts for the United States for the District of Delaware, and no other courts, regardless of where a Participant's services are performed.

(i) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

4. Stock Options.

(a) Stock Option Award Agreement. Each Option will be evidenced by an Award Agreement that will specify the number of Shares subject to the Option, its per share exercise price ("Exercise Price"), its Expiration Date, and such other terms and conditions as the Administrator determines. Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. An Option not designated as an Incentive Stock Option is a Nonstatutory Stock Option.

(b) Exercise Price. The Exercise Price for the Shares to be issued upon exercise of an Option will be determined by the Administrator.

(c) Form of Consideration. The Administrator will determine the acceptable forms of consideration for exercising an Option and those forms of consideration will be described in the Award Agreement. The consideration may consist of any combination of the following, to the extent permitted by Applicable Laws:

(i) cash;

(ii) check or wire transfer;

(iii) promissory note;

(iv) other Shares that have a fair market value on the date of surrender equal to the aggregate Exercise Price of the Shares as to which such Option will be exercised. To the extent not prohibited by the Administrator, this shall include the ability to tender Shares to exercise the Option and then use the Shares received on exercise to exercise the Option with respect to additional Shares;

(v) consideration received by the Company under a cashless exercise arrangement (whether through a broker or otherwise) implemented by the Company for the exercise of Options that has been approved by the Board or a Committee of Directors;

(vi) consideration received by the Company under a net exercise program under which Shares are withheld from otherwise deliverable Shares that has been approved by the Board or a Committee of Directors; and

(vii) any other consideration or method of payment to issue Shares (provided that other forms of considerations may only be approved by the Board or a Committee of Directors).

(d) Incentive Stock Option Limitations.

(i) The Exercise Price of an Incentive Stock Option may not be less than 100% of the Fair Market Value on the Grant Date.

(ii) To the extent that the aggregate fair market value of the shares with respect to which incentive stock options under Code Section 422(b) are exercisable for the first time by a Participant during any calendar year (under all plans and agreements of the Company Group) exceeds $100,000, the incentive stock options whose value exceeds $100,000 will be treated as nonstatutory stock options. Incentive stock options will be considered in the order in which they were granted. For this purpose the fair market value of the shares subject to an option will be determined as of the grant date of each option.

(iii) The Expiration Date of an Incentive Stock Option will be the day prior to the 10th anniversary of the Grant Date or any earlier date provided in the Award Agreement, subject to clause (iv) below.

(iv) The following rules apply to Incentive Stock Options granted to Participants who own stock representing more than 10% of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company:

(1) the Expiration Date of the Incentive Stock Option may not be after the day prior to the 5th anniversary of the Grant Date; and

(2) the Exercise Price may not be less than 110% of the Fair Market Value on the Grant Date.

If an Option is designated in the Administrator action that granted it as an Incentive Stock Option but the terms of the Option do not comply with Sections 4(d)(iv)(1) and 4(d)(iv)(2), then the Option will not qualify as an Incentive Stock Option. All Options granted under the Plan are Nonstatutory Stock Options unless specifically designated as Incentive Stock Options in the Award Agreement pursuant to which such Options are granted.

(e) Exercise of Option. An Option is exercised when the Company receives: (i) a notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option and (ii) full payment for the Shares with respect to which the Option is exercised (together with applicable withholding taxes). Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares subject to an Option, despite the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. An Option may not be exercised for a fraction of a Share. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for purchase under the Option, by the number of Shares as to which the Option is exercised.

(f) Expiration of Options. Subject to Section 4(d), an Option's Expiration Date will be set forth in the Award Agreement. An Option may expire before its expiration date under Sections 14 or 16(b) or under the Award Agreement.

(g) Tolling of Expiration. If exercising an Option prior to its expiration is not permitted because of Applicable Laws, other than the rules of any stock exchange or quotation system on which the Common Stock is listed or quoted, the Option will remain exercisable until 30 days after the first date on which exercise would no longer be prevented by such provisions. If this would result in the Option remaining exercisable past its Expiration Date, then it will remain exercisable only until the end of the later of (x) the first day on which its exercise would not be prevented by Section 19(a) and (y) its Expiration Date.

5. Restricted Stock.

(a) Restricted Stock Award Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction (if any), the number of Shares granted, and such other terms and conditions as the Administrator determines. Unless the Administrator determines otherwise, Shares of Restricted Stock will be held in escrow until the end of the Period of Restriction applicable to such Shares. All grants of Restricted Stock and interpretative decisions about Restricted Stock may only be made by the Administrator.

(b) Restrictions:

(i) Except as provided in this Section 5 or the Award Agreement, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated until the end of the Period of Restriction applicable to such Shares.

(ii) During the Period of Restriction, Service Providers holding Shares of Restricted Stock may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(iii) During the Period of Restriction, Service Providers holding Shares of Restricted Stock will not be entitled to receive dividends and other distributions paid with respect to such Shares, unless the Administrator provides otherwise. If the Administrator provides that dividends and distributions will be received and any such dividends or distributions are paid in cash they will be subject to the same provisions regarding forfeitability as the Shares of Restricted Stock with respect to which they were paid and if such dividend or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid and, unless the Administrator determines otherwise, the Company will hold such Shares until the restrictions on the Shares of Restricted Stock with respect to which they were paid have lapsed.

(iv) Except as otherwise provided in this Section 5 or an Award Agreement, Shares of Restricted Stock covered by each Restricted Stock Award made under the Plan will be released from escrow when practicable after the last day of the applicable Period of Restriction.

(v) The Administrator may impose, prior to grant, or remove any restrictions on Shares of Restricted Stock.

6. Restricted Stock Units.

(a) Restricted Stock Unit Award Agreement. Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the terms, conditions, and restrictions related to the grant, including the number of Restricted Stock Units.

(b) Vesting Criteria and Other Terms. The Administrator will set vesting criteria that, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, divisional, business unit, or individual goals (that may include continued employment or service) or any other basis determined by the Administrator in its sole discretion.

(c) Earning Restricted Stock Units. Upon meeting the applicable vesting criteria, the Participant will have earned the Restricted Stock Units and will be paid as determined in Section 6(d). The Administrator may reduce or waive any criteria that must be met to earn the Restricted Stock Units.

(d) Form and Timing of Payment. Payment of earned Restricted Stock Units will be made when practicable after the date set forth in the Award Agreement and determined by the Administrator. The Administrator may settle earned Restricted Stock Units in cash, Shares, or a combination of both.

7. Stock Appreciation Rights.

(a) Stock Appreciation Right Award Agreement. Each Stock Appreciation Right grant will be evidenced by an Award Agreement that will specify the Exercise Price (which may not be less than 100% of Fair Market Value on the Grant Date), its Expiration Date, the conditions of exercise, and such other terms and conditions as the Administrator determines.

(b) Payment of Stock Appreciation Right Amount. When a Participant exercises a Stock Appreciation Right, he or she will be entitled to receive a payment from the Company equal to:

(i) the difference between the Fair Market Value on the date of exercise and the Exercise Price multiplied by

(ii) the number of Shares with respect to which the Stock Appreciation Right is exercised.

Payment upon Stock Appreciation Right exercise may be made in cash, in Shares of equivalent value, or any combination of cash and Shares, with the determination of form of payment made by the Administrator. Shares issued upon exercise of a Stock Appreciation Right will be issued in the name of the Participant. Until Shares are issued (as evidenced by the entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares subject to a Stock Appreciation Right, despite the exercise of the Stock Appreciation Right. The Company will issue (or cause to be issued) such Shares promptly after the Stock Appreciation Right is exercised. A Stock Appreciation Right may not be exercised for a fraction of a Share.

Exercising a Stock Appreciation Right in any manner will decrease (x) the number of Shares thereafter available under the Stock Appreciation Right by the number of Shares as to which the Stock Appreciation Right is exercised and (y) the number of Shares thereafter available under the Plan by the number of Shares issued upon such exercise.

(c) Expiration of Stock Appreciation Rights. A Stock Appreciation Right's Expiration Date will be set forth in the Award Agreement. A Stock Appreciation Right may expire before its expiration date under Sections 14 or 16(b) or under the Award Agreement

(d) Tolling of Expiration. If exercising an Stock Appreciation Right prior to its expiration is not permitted because of Applicable Laws, other than the rules of any stock exchange or quotation system on which the Common Stock is listed or quoted, the Stock Appreciation Right will remain exercisable until 30 days after the first date on which exercise would no longer be prevented by such provisions. If this would result in the Stock Appreciation Right remaining exercisable past its Expiration Date, then it will remain exercisable only until the end of the later of (x) the first day on which its exercise would not be prevented by Section 19(a) and (y) its Expiration Date.

8. Performance Stock Units and Performance Shares.

(a) Award Agreement. Each Award of Performance Stock Units/Shares will be evidenced by an Award Agreement that will specify the time period during which the performance objectives or other vesting provisions will be measured ("Performance Period") and the material terms of the Award. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, business unit or individual goals (including, but not limited to, continued employment or service) or any other basis determined by the Administrator.

(b) Value of Performance Stock Units/Shares. Each Performance Stock Unit will have an initial value established by the Administrator on or before the Grant Date. Each Performance Share will have an initial value equal to the Fair Market Value on the Grant Date.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions (that may include continued employment or service). These objectives or vesting provisions may determine the number or value of Performance Stock Units/Shares paid out.

(d) Earning of Performance Stock Units/Shares. After an applicable Performance Period has ended, the holder of Performance Stock Units/Shares will be entitled to receive a payout of the number of Performance Stock Units/Shares earned by the Participant over the Performance Period. The Administrator may reduce or waive any performance objectives or other vesting provisions for such Performance Stock Unit/Share.

(e) Payment of Performance Stock Units/Shares. Payment of earned Performance Stock Units/Shares will be made when practicable after the end of the applicable Performance Period. Payment with respect to earned Performance Stock Units/Shares may be made in cash, in Shares of equivalent value, or any combination of cash and Shares, with the determination of form of payment made by the Administrator.

9. Performance Awards.

(a) Award Agreement. Each Performance Award will be evidenced by an Award Agreement that will specify the Performance Period and the material terms of the Award. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, business unit or individual goals (including, but not limited to, continued employment or service) or any other basis determined by the Administrator.

(b) Value of Performance Awards. Each Performance Award's threshold, target, and maximum payout values will be established by the Administrator on or before the Grant Date.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions (that may include continued employment or service). These objectives or vesting provisions will determine the value of the payout for the Performance Awards.

(d) Earning of Performance Awards. After an applicable Performance Period has ended, the holder of a Performance Award will be entitled to receive a payout for the Performance Award earned by the Participant over the Performance Period. The Administrator may reduce or waive any performance objectives or other vesting provisions for such Performance Award.

(e) Payment of Performance Awards. Payment of earned Performance Awards will be made when practicable after the end of the applicable Performance Period. Payment with respect to earned Performance Awards will be made in cash, in Shares of equivalent value, or any combination of cash and Shares, with the determination of form of payment made by the Administrator at the time of payment.

10. Outside Director Limitations.

No Outside Director may be granted, in any Fiscal Year, Awards with a grant date fair value (determined under U.S. generally accepted accounting principles) of more than $500,000, increased to $1,000,000 in connection with his or her initial service as an Outside Director. Awards granted to an individual while he or she was an Employee, or while he or she was a Consultant but not an Outside Director, will not count for purpose of this limitation.

11. Leaves of Absence/Transfer Between Locations/Change of Status.

(a) General. Unless otherwise provided by the Administrator, a Participant will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or other member of the Company Group employing such Employee or (ii) any transfer between locations of the Company or members of the Company Group.

(b) Vesting. Unless a leave policy approved by the Administrator provides otherwise or it is otherwise required by Applicable Law, vesting of Awards granted under the Plan will continue only for Participants on an approved leave of absence.

(c) Incentive Stock Option Status. If a Participant's leave of absence approved by the Company or other member of the Company Group employing such Employee exceeds 3 months and reemployment upon expiration of such leave is not guaranteed by statute or contract, then 3 months following the 1st day of such leave the Participant will no longer be an employee for incentive stock option purposes. If reemployment upon expiration of such leave of absence is not guaranteed by statute or contract, then 6 months following the 1st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

(d) Protected Leaves.

(i) Any leave of absence by a Participant will be subject to any Applicable Laws that apply to leaves of absence.

(ii) For a Participant on a military leave, if required by Applicable Laws, vesting will continue for the longest period that vesting continues under any other statutory or Company-approved leave of absence. When a Participant returns from military leave (under conditions that would entitle him or her to such protection under the Uniformed Services Employment and Reemployment Rights Act), the Participant will be given vesting credit to the same extent as if the Participant had continued to provide services to the Company or other member of the Company Group, as applicable, through the military leave.

(e) Changes in Status. If a Participant who is an Employee has a reduction in hours worked, the Administrator may unilaterally:

(i) make a corresponding reduction in the number of Shares or cash amount subject to any portion of an Award that is scheduled to vest or become payable after the date of such extend leave or reduction in hours; and

(ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award.

If any such reduction occurs, the Participant will have no right to any portion of the Award that is reduced.

(f) Determinations. The effect of a Company-approved leave of absence, a transfer, or a Participant's reduction in hours of employment or service on the vesting of an Award shall be determined, under policies reviewed by the Administrator, by the Company's senior human resources officer or other person performing that function or, with respect to Directors or Officers by the Compensation Committee of the Board, and any such determination will be final.

12. Transferability of Awards.

(a) General Rule. Unless determined otherwise by the Administrator, or otherwise required by Applicable Laws, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, the Award will be limited by any additional terms and conditions imposed by the Administrator. Any unauthorized transfer of an Award will be void.

(b) Domestic Relations Orders. If approved by the Administrator, an Award may be transferred under a domestic relations order, official marital settlement agreement or other divorce or separation instrument as permitted by Treasury Regulations Section 1.421-1(b)(2). An Incentive Stock Option may be converted into a Nonstatutory Stock Option as a result of such transfer.

(c) Limited Transfers for the Benefit of Family Members. The Administrator may permit an Award or Share issued under this Plan to be assigned or transferred subject to the applicable limitations, set forth in the General Instructions to Form S-8 Registration Statement under the Securities Act, if applicable, and any other Applicable Laws.

(d) Permitted Transferees. Any individual or entity to whom an Award is transferred will be subject to all of the terms and conditions applicable to the Participant who transferred the Award, including the terms and conditions in this Plan and the Award Agreement. If an Award is unvested then the service of the Participant will continue to determine whether the Award will vest and any Expiration Date.

13. Adjustments; Dissolution or Liquidation.

(a) Adjustments. If any extraordinary dividend or other extraordinary distribution (whether in cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to acquire securities of the Company, other change in the corporate structure of the Company affecting the Shares, or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any of its successors) affecting the Shares occurs (including, without limitation, a Change in Control), the Administrator, to prevent diminution or enlargement of the benefits or potential benefits intended to be provided under the Plan, will adjust the number and class of shares that may be delivered under the Plan and/or the number, class, and price of shares covered by each outstanding Award, and the numerical Share limits in Section 2 in such a manner as it deems equitable. Notwithstanding the foregoing, the conversion of any convertible securities of the Company and ordinary course repurchases of shares or other securities of the Company will not be treated as an event that will require adjustment.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant when practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

14. Change in Control.

(a) Administrator Discretion. If a Change in Control or a merger of the Company with or into another corporation or other entity occurs, each outstanding Award will be treated as the Administrator determines, including, without limitation, that such Award be continued by the successor corporation or a Parent or Subsidiary of the successor corporation.

(b) Identical Treatment Not Required. The Administrator need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Administrator may take different actions with respect to the vested and unvested portions of an Award. The Administrator will not be required to treat all Awards similarly in the transaction.

(c) Continuation. An Award will be considered continued if, following the Change in Control or merger:

(i) the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the transaction, the consideration (whether stock, cash, or other securities or property) received in the transaction by holders of Shares for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration received by the holders of a majority of the outstanding Shares); provided that if the consideration received in the transaction is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon exercising an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, Performance Stock Unit, Performance Share or Performance Award, for each Share subject to such Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the transaction; or

(ii) the Award is terminated in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction. Any such cash or property may be subjected to any escrow applicable to holders of Common Stock in the Change of Control. If as of the date of the occurrence of the transaction the Administrator determines that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment. The amount of cash or property can be subjected to vesting and paid to the Participant over the original vesting schedule of the Award.

(iii) Notwithstanding anything in this Section 14(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-transaction corporate structure will not invalidate an otherwise valid Award assumption.

(d) The Administrator will have authority to modify Awards in connection with a Change in Control or merger:

(i) in a manner that causes them to lose their tax-preferred status,

(ii) to terminate any right a Participant has to exercise an Option prior to vesting in the Shares subject to the Option (i.e., "early exercise"), so that following the closing of the transaction the Option may only be exercised to the extent it is vested;

(iii) to reduce the Exercise Price subject to the Award in a manner that is disproportionate to the increase in the number of Shares subject to the Award, as long as the amount that would be received upon exercise of the Award immediately before and immediately following the closing of the transaction is equivalent and the adjustment complies with Treasury Regulation Section 1.409A-1(b)(v)(D); and

(iv) to suspend a Participant's right to exercise an Option during a limited period of time preceding and or following the closing of the transaction without Participant consent if such suspension is administratively necessary or advisable to permit the closing of the transaction.

(e) Non-Continuation. If the successor corporation does not continue for an Award (or some portion such Award), the Participant will fully vest in (and have the right to exercise) 100% of the then-unvested Shares subject to his or her outstanding Options and Stock Appreciation Rights, all restrictions on 100% of the Participant's outstanding Restricted Stock and Restricted Stock Units will lapse, and, regarding 100% of Participant's outstanding Awards with performance-based vesting, all performance goals or other vesting criteria will be treated as achieved at 100% of target levels and all other terms and conditions met. In no event will vesting of an Award accelerate as to more than 100%of the Award. If Options or Stock Appreciation Rights are not continued when a Change in Control or a merger of the Company with or into another corporation or other entity occurs, the Administrator will notify the Participant in writing or electronically that the Participant's vested Options or Stock Appreciation Rights (after considering the foregoing vesting acceleration, if any) will be exercisable for a period of time determined by the Administrator in its sole discretion and all of the Participant's Options or Stock Appreciation Rights will terminate upon the expiration of such period (whether vested or unvested).

(f) Outside Director Awards. With respect to Awards granted to an Outside Director that are continued, if on the date of or following such continuation the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant that is not at the request of the acquirer, then the Participant will fully vest in and have the right to exercise Options and/or Stock Appreciation Rights as to all of the Shares underlying such Award, including those Shares not otherwise vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be treated as achieved at 100% of target levels and all other terms and conditions met.

15. Tax Matters.

(a) Withholding Requirements. Prior to the delivery of any Shares or cash under an Award (or exercise thereof) or such earlier time as any tax withholding obligations are due, the Company may deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any taxes (including the Participant's social tax obligations) required to be withheld with respect to such Award (or exercise thereof).

(b) Withholding Arrangements. The Administrator, in its sole discretion and under such procedures as it may specify from time to time, may permit or may require a Participant to satisfy such tax withholding obligations, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable cash (including cash from the sale of Shares issued to Participant) or Shares having a fair market value equal to the minimum statutory amount required to be withheld or a greater amount if such greater amount would not result in unfavorable financial accounting treatment, (iii) delivering to the Company already-owned Shares having a fair market value equal to the minimum statutory amount required to be withheld or a greater amount if such greater amount would not result in unfavorable financial accounting treatment, or (iv) requiring the Participant to engage in a cashless exercise transaction (whether through a broker or otherwise) implemented by the Company in connection with the Plan. The fair market value of the Shares to be withheld or delivered will be determined as of the date the taxes must be withheld.

(c) Compliance With Code Section 409A. Except as otherwise determined by the Administrator, it is intended that Awards will be designed and operated so that they are either exempt from the application of Code Section 409A or comply with any requirements necessary to avoid the imposition of additional tax under Code Section 409A(a)(1)(B) so that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Code Section 409A and the Plan and each Award Agreement will be interpreted consistent with this intent. This Section 15(c) is not a guarantee to any Participant of the consequences of his or her Awards.

16. Other Terms.

(a) No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right regarding continuing the Participant's relationship as a Service Provider with the Company or member of the Company Group, nor will they interfere with the Participant's right, or the Participant's employer's right, to terminate such relationship with or without cause, to the extent permitted by Applicable Laws.

(b) Forfeiture Events**.**

(i) All Awards granted under the Plan will be subject to recoupment under any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Laws. In addition, the Administrator may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Administrator determines necessary or appropriate, including but not limited to a reacquisition right regarding previously acquired Shares or other cash or property. Unless this Section 16(b) is specifically mentioned and waived in an Award Agreement or other document, no recovery of compensation under a clawback policy or otherwise will give a Participant the right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with the Company.

(ii) The Administrator may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award will be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but will not be limited to, termination of such Participant's status as Service Provider for cause or any act by a Participant, whether before or after such Participant's Termination Status Date, that would constitute cause for termination of such Participant's status as a Service Provider.

(iii) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under securities laws, any Participant who (i) knowingly or through gross negligence engaged in the misconduct or who knowingly or through gross negligence failed to prevent the misconduct or (ii) is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, must reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the 12-month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever first occurred) of the financial document embodying such financial reporting requirement.

17. Term of Plan.

Subject to Section 20, the Plan will become effective upon the business day immediately prior to the Registration Date. It will continue in effect until terminated under Section 18, but no Incentive Stock Options may be granted after 10 years from the date the Plan is adopted by the Board and Section 2(b) will operate only until the 10th anniversary of the date the Plan is adopted by the Board.

18. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board or Compensation Committee of the Board may amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary or desirable to comply with Applicable Laws.

(c) Consent of Participants Generally Required. Subject to Section 18(d) below, no amendment, alteration, suspension or termination of the Plan or an Award under it will materially impair the rights of any Participant without a signed, written agreement between the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it regarding Awards granted under the Plan prior to such termination.

(d) Exceptions to Consent Requirement.

(i) A Participant's rights will not be deemed to have been impaired by any amendment, alteration, suspension or termination if the Administrator, in its sole discretion, determines that the amendment, alteration, suspension or termination taken as a whole, does not materially impair the Participant's rights; and

(ii) Subject to any limitations of Applicable Laws, the Administrator may amend the terms of any one or more Awards without the affected Participant's consent even if it does materially impair the Participant's right if such amendment is done

(1) in a manner permitted under the Plan,

(2) to maintain the qualified status of the Award as an Incentive Stock Option under Code Section 422,

(3) to change the terms of an Incentive Stock Option, if such change results in impairment of the Award only because it impairs the qualified status of the Award as an Incentive Stock Option under Code Section 422,

(4) to clarify the manner of exemption from Code Section 409A or compliance with any requirements necessary to avoid the imposition of additional tax under Code Section 409A(a)(1)(B), or

(5) to comply with other Applicable Laws.

19. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws. If required by the Administrator, issuance will be further subject to the approval of counsel for the Company with respect to such compliance. The inability of the Company to obtain authority from any regulatory body having jurisdiction or to complete or comply with the requirements of any Applicable Laws will relieve the Company of any liability regarding the failure to issue or sell such Shares as to which such authority, registration, qualification or rule compliance was not obtained and the Administrator reserves the authority, without the consent of a Participant, to terminate or cancel Awards with or without consideration in such a situation.

(b) Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant during any such exercise that the Shares are being purchased only for investment and with no present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

(c) Failure to Accept Award. If a Participant has not accepted an Award or has not taken all administrative and other steps (e.g. setting up an account with a broker designated by the Company) necessary for the Company to issue Shares upon the vesting, exercise, or settlement of the Award prior to the first date the Shares subject such Award are scheduled to vest, then the Award will be cancelled on such date and the Shares subject to such Award immediately will revert to the Plan for no additional consideration unless otherwise provided by the Administrator.

20. Stockholder Approval.

The Plan will be subject to approval by the stockholders of the Company within 12 months after the date the Plan is adopted by the Board. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws.

21. Definitions.

The following definitions are used in this Plan:

(a) “Applicable Laws” means the requirements relating to the administration of equity-based awards and the related issuance of Shares under U.S. state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the Common Stock is listed or quoted and, only to the extent applicable with respect to an Award or Awards, the tax, securities or exchange control laws of any jurisdictions other than the United States where Awards are, or will be, granted under the Plan. Reference to a section of an Applicable Law or regulation related to that section shall include such section or regulation, any valid regulation issued under such section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

(b) “Award” means, individually or collectively, a grant under the Plan of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Stock Units, Performance Shares, or Performance Awards.

(c) “Award Agreement” means the written or electronic agreement setting forth the terms applicable to an Award granted under the Plan. The Award Agreement is subject to the terms of the Plan.

(d) “Board” means the Board of Directors of the Company.

(e) “Change in Control” means the occurrence of any of the following events:

(i) A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group (“Person”), acquires ownership of the stock of the Company that, with the stock held by such Person, constitutes more than 50% of the total voting power of the stock of the Company; provided, that for this subsection, the acquisition of additional stock by any one Person, who prior to such acquisition is considered to own more than 50% of the total voting power of the stock of the Company will not be considered a Change in Control. Further, if the stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company’s voting

stock immediately prior to the change in ownership, direct or indirect beneficial ownership of 50% or more of the total voting power of the stock of the Company, such event shall not be considered a Change in Control under this Section 21(e)(i). For this purpose, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(ii) A change in the effective control of the Company which occurs on the date a majority of members of the Board is replaced during any 12-month period by Directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the appointment or election. For this Section 21(e)(ii), if any Person is in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change in Control; or

(iii) A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person or Persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, that for this Section 21(e)(iii), the following will not constitute a change in the ownership of a substantial portion of the Company's assets:

(1) a transfer to an entity controlled by the Company's stockholders immediately after the transfer, or

(2) a transfer of assets by the Company to:

(A) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock,

(B) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by the Company,

(C) a Person, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of the Company, or

(D) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a Person described in subsections 21(e)(iii)(2)(A) to 21(e)(iii)(2)(C).

For this definition, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. For this definition, persons will be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

A transaction will not be a Change in Control:

(iv) unless the transaction qualifies as a change in control event within the meaning of Code Section 409A; or

(v) if its sole purpose is to (1) change the state of the Company's incorporation, or (2) create a holding company owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

(f) "Code" means the Internal Revenue Code of 1986. Reference to a section of the Code or regulation related to that section shall include such section or regulation, any valid regulation issued under such section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

(g) "Committee" means a committee of Directors or of other individuals satisfying Applicable Laws appointed by the Board.

(h) “Common Stock” means the common stock of the Company.

(i) “Company” means Blackline, Inc., a Delaware corporation, or any of its successors.

(j) “Company Group” means the Company, any Parent or Subsidiary of the Company, and any entity that, from time to time and at the time of any determination, directly or indirectly, is in control of, is controlled by or is under common control with the Company.

(k) “Consultant” means any natural person engaged by a member of the Company Group to render bona fide services to such entity, provided the services (i) are not in connection with the offer or sale of securities in a capital raising transaction, and (ii) do not directly promote or maintain a market for the Company’s securities. A Consultant must be a person to whom the issuance of Shares registered on Form S-8 under the Securities Act is permitted.

(l) “Director” means a member of the Board.

(m) “Employee” means any person, including Officers and Directors, employed by the Company or any member of the Company Group. However, with respect to Incentive Stock Options, an Employee must be employed by the Company or any Parent or Subsidiary of the Company. Notwithstanding Stock Options granted to individuals not providing services to the Company or a subsidiary of the Company should be carefully structured to comply with the payment timing rule of Code Section 409A. Neither service as a Director nor payment of a director’s fee by the Company will constitute “employment” by the Company.

(n) “Exchange Act” means the U.S. Securities Exchange Act of 1934.

(o) “Exchange Program” means a program under which (i) outstanding Awards are surrendered or cancelled in exchange for awards of the same type (which may have higher or lower Exercise Prices and different terms), awards of a different type, and/or cash, (ii) Participants would have the opportunity to transfer any outstanding Awards to a financial institution or other person or entity selected by the Administrator, and/or (iii) the Exercise Price of an outstanding Award is increased or reduced. The Administrator will determine the terms and conditions of any Exchange Program in its sole discretion.

(p) “Expiration Date” means the last possible day on which an Option or Stock Appreciation Right may be exercised. Any exercise must be completed by midnight California Time between the Expiration Date and the following date.

(q) “Fair Market Value” means, as of any date, the value of a Share, determined as follows:

(i) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the New York Stock Exchange, the NASDAQ Global Select Market, the NASDAQ Global Market or the NASDAQ Capital Market of The NASDAQ Stock Market, the Fair Market Value will be the closing sales price for a Share (or the closing bid, if no sales were reported) as quoted on such exchange or system on the day of determination, as reported by such source as the Administrator determines to be reliable;

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value of a Share will be the mean between the high bid and low asked prices for the Common Stock on the day of determination (or, if no bids and asks were reported on that date on the last Trading Day such bids and asks were reported), as reported by such source as the Administrator determines to be reliable;

(iii) For any Awards granted on the Registration Date, the Fair Market Value will be the initial price to the public set forth in the final prospectus included within the registration statement in Form S-1 filed with the Securities and Exchange Commission for the initial public offering of the Company’s Common Stock; or

(iv) Absent an established market for the Common Stock, the Fair Market Value will be determined in good faith by the Administrator.

Notwithstanding the foregoing, if the determination date for the Fair Market Value occurs on a weekend, holiday or other non-Trading Day, the Fair Market Value will be the price as determined under subsections (i) or (ii) above on the immediately preceding Trading Day, unless otherwise determined by the Administrator. In addition, for purposes of

determining the fair market value of shares for any reason other than the determination of the Exercise Price of Options or Stock Appreciation Rights, fair market value will be determined by the Administrator in a manner compliant with Applicable Laws and applied consistently for such purpose. Note that the determination of fair market value for purposes of tax withholding may be made in the Administrator's sole discretion subject to Applicable Laws and is not required to be consistent with the determination of Fair Market Value for other purposes.

(r) "Fiscal Year" means a fiscal year of the Company.

(s) "Incentive Stock Option" means an Option that is intended to qualify and does qualify as an incentive stock option within the meaning of Code Section 422.

TERMS AND CONDITIONS OF RESTRICTED STOCK UNIT AWARD

1. Grant. The Company grants the Participant an award of RSUs as described in the Notice of Grant. If there is a conflict between the Plan, this Agreement, or any other agreement with the Participant governing these RSUs, those documents will take precedence and prevail in the following order: (a) the Plan, (b) the Agreement, and (c) any other agreement between the Company and the Participant governing these RSUs.

2. Company's Obligation to Pay. Each RSU is a right to receive a Share on the date it vests. Until an RSU vests, the Participant has no right to payment of the Share. Before a vested RSU is paid, the RSU is an unsecured obligation of the Company, payable (if at all) only from the Company's general assets. A vested RSU will be paid to the Participant (or in the event of his or her death, to his or her estate) in whole Shares as soon as practicable after vesting (but no later than 60 days following the vesting date), subject to him or her satisfying any obligations for Tax-Related Items (as defined in Section 7 of this Agreement) and any delay in payment required under Section 7 of this Agreement. The Participant cannot specify (directly or indirectly) the taxable year of the payment of any vested RSU under this Agreement.

3. Vesting. These RSUs will vest only under the Vesting Schedule in the Notice of Grant, Section 4 of this Agreement, or Section 14 of the Plan. RSUs scheduled to vest on a certain date or upon the occurrence of a certain condition will not vest unless the Participant continues to be a Service Provider until the time such vesting is scheduled to occur. The Administrator may modify the Vesting Schedule according to its authority under the Plan if the Participant takes a leave of absence or has a reduction in hours worked.

4. Administrator Discretion. The Administrator has the discretion to accelerate the vesting of any RSUs at any time, subject to the terms of the Plan. In that case, those RSUs will be vested as of the date specified by the Administrator.

5. Forfeiture upon Termination of Status as a Service Provider. Upon the Participant's termination as a Service Provider for any reason, these RSUs will immediately stop vesting, and on the 30th day following the Termination of Status Date (or any earlier date on or following the Termination of Status Date determined by the Administrator), any of these RSUs that have not yet vested will be forfeited by the Participant, subject to Applicable Laws. The date of the Participant's termination as a Service Provider is detailed in Section 3(c) of the Plan.

6. Death of Participant. Any distribution or delivery to be made to the Participant under this Agreement will, if he or she is then deceased, be made to the administrator or executor of his or her estate or, if the Administrator permits, his or her designated beneficiary. Any such transferee must furnish the Company with (a) written notice of his or her status as transferee, and (b) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations that apply to the transfer.

7. Tax Obligations.

(a) **Tax Withholding**.

(i) No Shares will be issued to the Participant until he or she makes satisfactory arrangements (as determined by the Administrator) for the payment of income, employment, social insurance, National Insurance Contributions, payroll tax, fringe benefit tax, payment on account, or other tax-related items related to his or her participation in the Plan and legally applicable to him or her that the Administrator

determines must be withheld ("**Tax-Related Items**"), including those that result from the grant, vesting, or payment of these RSUs, the subsequent sale of Shares acquired pursuant to such payment, or the receipt of any dividends. If the Participant is a non-U.S. employee, the method of payment of Tax-Related Items may be restricted by any Appendix. If the Participant fails to make satisfactory arrangements for the payment of any Tax-Related Items under this Agreement when any of these RSUs otherwise are supposed to vest or Tax-Related Items related to RSUs otherwise are due, he or she will permanently forfeit the applicable RSUs and any right to receive Shares under such RSUs, and such RSUs will be returned to the Company at no cost to the Company.

(ii) The Company has the right (but not the obligation) to satisfy any Tax-Related Items by withholding from proceeds of a sale of Shares acquired upon payment of these RSUs arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent).

(iii) The Company also has the right (but not the obligation) to satisfy any Tax-Related Items by reducing the number of Shares otherwise deliverable to the Participant.

(iv) Further, if the Participant is subject to taxation in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, the Company and/or any member of the Company Group for whom he or she is performing services (each, an "**Employer**") or former Employer(s) may withhold or account for tax in more than one jurisdiction.

(v) Regardless of any action of the Company or the Employer(s), the Participant acknowledges that the ultimate liability for all Tax-Related Items is and remains his or her responsibility and may exceed the amount actually withheld by the Company or the Employer(s). The Participant further acknowledges that the Company and the Employer(s) (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of these RSUs and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of these RSUs to reduce or eliminate his or her liability for Tax-Related Items or achieve any particular tax result.

(b) **Code Section 409A**. This Section 7(b) does not apply if the Participant is not a U.S. taxpayer.

(i) If the vesting of any RSUs is accelerated in connection with a termination of the Participant's status as a Service Provider that is a "separation from service" within the meaning of Code Section 409A and (x) the Participant is a "specified employee" within the meaning of Code Section 409A at that time and (y) the payment of such accelerated RSUs would result in the imposition of additional tax under Code Section 409A if paid to the Participant within the 6-month period following such termination, then the accelerated RSUs will not be paid until the first day after the 6-month period ends.

(ii) If the Participant's status as a Service Provider terminates due to death or the Participant dies after he or she stops being a Service Provider, the delay under Section 7(b)(i) of this Agreement will not apply, and these RSUs will be paid in Shares to the Participant's estate as soon as practicable.

(iii) All payments and benefits under this Agreement are intended to be exempt from Code Section 409A or comply with any requirements necessary to avoid the imposition of additional tax under Code Section 409A(a)(1)(B) so that none of these RSUs or Shares issuable upon the vesting of RSUs will be subject to the additional tax imposed under Code Section 409A, and any ambiguities will be interpreted according to that intent.

(iv) Each payment under this Agreement is a separate payment under Treasury Regulations Section 1.409A-2(b)(2).

8. Forfeiture or Clawback. These RSUs (including any proceeds, gains or other economic benefit received by the Participant from any subsequent sale of Shares issued upon payment of the RSUs) will be subject to any compensation recovery or clawback policy implemented by the Company before or after the date of this Agreement. This includes any clawback policy adopted to comply with the requirements of Applicable Laws.

9. Rights as Stockholder. The Participant's rights as a stockholder of the Company (including the right to vote and to receive dividends and distributions) will not begin until Shares have been issued and recorded on the records of the Company or its transfer agents or registrars.

10. Acknowledgements and Agreements. The Participant's signature on the Notice of Grant accepting these RSUs indicates that:

(a) HE OR SHE ACKNOWLEDGES AND AGREES THAT THE VESTING OF THESE RSUS IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER AND THAT BEING HIRED OR BEING GRANTED THESE RSUS WILL NOT RESULT IN VESTING.

(b) HE OR SHE FURTHER ACKNOWLEDGES AND AGREES THAT THESE RSUS AND THIS AGREEMENT DO NOT CREATE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL AND DOES NOT INTERFERE IN ANY WAY WITH HIS OR HER RIGHT OR THE RIGHT OF THE EMPLOYER(S) TO TERMINATE HIS OR HER RELATIONSHIP AS A SERVICE PROVIDER AT ANY TIME, WITH OR WITHOUT CAUSE, SUBJECT TO APPLICABLE LAWS.

(c) The Participant agrees that this Agreement and its incorporated documents reflect all agreements on its subject matters and that he or she is not accepting this Agreement based on any promises, representations, or inducements other than those reflected in the Agreement.

(d) The Participant agrees that the Company's delivery of any documents related to the Plan or these RSUs (including the Plan, the Agreement, the Plan's prospectus, and any reports of the Company provided generally to the Company's stockholders) to him or her may be made by electronic delivery, which may include the delivery of a link to a Company intranet or to the Internet site of a third party involved in administering the Plan, the delivery of the document via e-mail, or any other means of electronic delivery specified by the Company. If the attempted electronic delivery of such documents fails, the Participant will be provided with a paper copy of the documents. The Participant acknowledges that he or she may receive from the Company a paper copy of any documents that were delivered electronically at no cost to him or her by contacting the Company by telephone or in writing. The Participant may revoke his or her consent to the electronic delivery of documents or may change the electronic mail address to which such documents are to be delivered (if the Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents.

(e) The Participant may deliver any documents related to the Plan or these RSUs to the Company by e-mail or any other means of electronic delivery approved by the Administrator, but he or she must provide the Company or any designated third party administrator with a paper copy of any documents if his or her attempted electronic delivery of such documents fails.

(f) The Participant accepts that all good faith decisions or interpretations of the Administrator regarding the Plan and Awards under the Plan are binding, conclusive, and final. No member of the Administrator will be personally liable for any such decisions or interpretations.

(g) The Participant agrees that the Plan is established voluntarily by the Company, is discretionary in nature, and may be amended, suspended, or terminated by the Company at any time, to the extent permitted by the Plan.

(h) The Participant agrees that the grant of these RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of restricted stock units or benefits in lieu of restricted stock units, even if restricted stock units have been granted in the past.

(i) The Participant agrees that any decisions regarding future Awards will be in the Company's sole discretion.

(j) The Participant agrees that he or she is voluntarily participating in the Plan.

(k) The Participant agrees that these RSUs and any Shares acquired under these RSUs are not intended to replace any pension rights or compensation.

(l) The Participant agrees that these RSUs, any Shares acquired under these RSUs, and their income and value are not part of normal or expected compensation for any purpose, including for calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, holiday pay, long-service awards, pension or retirement or welfare benefits, or similar payments.

(m) The Participant agrees that the future value of the Shares underlying these RSUs is unknown, indeterminable, and cannot be predicted with certainty.

(n) The Participant agrees that, for purposes of these RSUs, his or her engagement as a Service Provider is terminated as of the Termination of Status Date (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), unless otherwise expressly provided in this Agreement or determined by the Administrator.

(o) The Participant agrees that any right to vest in these RSUs terminates as of the Termination of Status Date and will not be extended by any notice period (e.g., the period that he or she is a Service Provider would not include any contractual notice period or any period of "garden leave" or similar period mandated under employment laws (including common law, if applicable) in the jurisdiction where he or she is a Service Provider or by his or her service agreement or employment agreement, if any, unless he or she is providing bona fide services during such time).

(p) The Participant agrees that the Administrator has the exclusive discretion to determine when he or she is no longer actively providing services for purposes of these RSUs (including whether he or she is still considered to be providing services while on a leave of absence).

(q) The Participant agrees that no member of the Company Group is liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of these RSUs or of any amounts due to him or her from the payment of these RSUs or the subsequent sale of any Shares acquired upon such payment.

(r) The Participant has read and agrees to the Data Privacy Provisions of Section 11 of this Agreement.

(s) The Participant agrees that he or she has no claim or entitlement to compensation or damages from any forfeiture of these RSUs resulting from the termination of his or her status as a Service

Provider (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), and in consideration of the grant of these RSUs to which he or she is otherwise not entitled, he or she irrevocably agrees never to institute any claim against the Company or any member of the Company Group, waives his or her ability (if any) to bring any such claim, and releases the Company and all members of the Company Group from any such claim. If any such claim is nevertheless allowed by a court of competent jurisdiction, then the Participant's participation in the Plan constitutes his or her irrevocable agreement to not pursue such claim and to execute any and all documents necessary to request dismissal or withdrawal of such claim.

11. Data Privacy.

*(a) The Participant voluntarily consents to the collection, use and transfer, in electronic or other form, of his or her personal data as described in this Agreement and any other Award materials ("***Data***") by and among, as applicable, the Employer(s), the Company and any member of the Company Group for the exclusive purpose of implementing, administering, and managing his or her participation in the Plan.*

(b) The Participant understands that the Company and the Employer(s) may hold certain personal information about him or her, including, but not limited to, his or her name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all equity awards or any other entitlement to stock awarded, canceled, exercised, vested, unvested or outstanding in his or her favor, for the exclusive purpose of implementing, administering, and managing the Plan.

(c) The Participant understands that Data will be transferred to one or more a stock plan service provider(s) selected by the Company, which may assist the Company with the implementation, administration, and management of the Plan. The Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipient's country (e.g., the United States) may have different data privacy laws and protections than his or her country. The Participant understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Participant authorizes the Company and any other possible recipients that may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purposes of implementing, administering and managing his or her participation in the Plan.

(d) The Participant understands that Data will be held only as long as is necessary to implement, administer and manage his or her participation in the Plan. The Participant understands that if he or she resides in certain jurisdictions outside the United States, to the extent required by Applicable Laws, he or she may, at any time, request access to Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents given by accepting these RSUs, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Participant understands that he or she is providing these consents on a purely voluntary basis. If the Participant does not consent or if he or she later seeks to revoke his or her consent, his or her engagement as a Service Provider with the Employer(s) will not be adversely affected; the only consequence of refusing or withdrawing his or her consent is that the Company will not be able to grant him or her awards under the Plan or administer or maintain awards. Therefore, the Participant understands that refusing or withdrawing his or her consent may affect his or her ability to participate in the Plan (including the right to retain these RSUs). The Participant understands that he or she may contact his or her local human resources representative for more information on the consequences of his or her refusal to consent or withdrawal of consent.

12. Miscellaneous.

(a) **Address for Notices**. Any notice to be given to the Company under the terms of this Agreement must be addressed to the Company at BlackLine, Inc., 21300 Victory Boulevard, 12th Floor, Woodland Hills, CA 91367 until the Company designates another address in writing.

(b) **Non-Transferability of RSUs.** These RSUs may not be transferred other than by will or the laws of descent or distribution.

(c) **Binding Agreement**. If any RSUs are transferred, this Agreement will be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors, and assigns of the parties to this Agreement.

(d) **Additional Conditions to Issuance of Stock**. If the Company determines that the listing, registration, qualification, or rule compliance of the Common Stock on any securities exchange or under any state, federal, or foreign law or the tax code and related regulations or the consent or approval of any governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to the Participant (or his or her estate), the Company will try to meet the requirements of any such state, federal, or foreign law or securities exchange and to obtain any such consent or approval of any such governmental authority or securities exchange, but the Shares will not be issued until such conditions have been met in a manner acceptable to the Company.

(e) **Captions**. Captions provided in this Agreement are for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

(f) **Agreement Severable**. If any provision of this Agreement is held invalid or unenforceable, that provision will be severed from the remaining provisions of this Agreement and the invalidity or unenforceability will have no effect on the remainder of the Agreement.

(g) **Non-U.S. Appendix**. These RSUs are subject to any special terms and conditions set forth in any appendix to this Agreement for the Participant's country (the "**Appendix**"). If the Participant relocates to a country included in the Appendix, the special terms and conditions for that country will apply to him or her to the extent the Company determines that applying such terms and conditions is necessary or advisable for legal or administrative reasons.

(h) **Choice of Law; Choice of Forum.** The Plan, this Agreement, these RSUs, and all determinations made and actions taken under the Plan, to the extent not otherwise governed by the laws of the United States, will be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. For purposes of litigating any dispute that arises under the Plan, the Participant's acceptance of these RSUs is his or her consent to the jurisdiction of the State of Delaware and his or her agreement that any such litigation will be conducted in the Delaware Court of Chancery or the federal courts for the United States for the District of Delaware and no other courts, regardless of where he or she is performing services.

(i) **Modifications to the Agreement**. The Plan and this Agreement constitute the entire understanding of the parties on the subjects covered. The Participant expressly warrants that he or she is not accepting this Agreement in reliance on any promises, representations, or inducements other than those contained herein. Modifications to this Agreement or the Plan can be made only in an express written contract executed by a duly authorized officer of the Company. The Company reserves the right to revise the Agreement as it deems necessary or advisable, in its sole discretion and without the consent of the Participant, to comply with Code Section 409A, to otherwise avoid imposition of any additional tax or income recognition under Code Section 409A in connection with these RSUs, or to comply with other Applicable Laws.

(j) **Waiver**. The Participant acknowledges that a waiver by the Company of a breach of any provision of this Agreement will not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach of this Agreement by him or her.

EXHIBIT B

APPENDIX TO RESTRICTED STOCK UNIT AGREEMENT

Terms and Conditions

This Appendix to Restricted Stock Unit Agreement (the "**Appendix**") includes additional terms and conditions that govern these RSUs granted to the Participant under the Plan if he or she resides in one of the countries listed below on the Grant Date or he or she moves to one of the listed countries.

Notifications

This Appendix may also include information regarding exchange controls and certain other issues of which the Participant should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other Applicable Laws in effect in the respective countries as of September 2016. Such Applicable Laws are often complex and change frequently. As a result, the Company strongly recommends that the Participant not rely on the information in this Appendix as the only source of information relating to the consequences of participation in the Plan because the information may be out of date at the time the Participant sells Shares acquired under the Plan.

In addition, the information contained in this Appendix is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure him or her of a particular result. The Participant is advised to seek appropriate professional advice as to how the Applicable Laws in his or her country may apply to his or her situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which he or she is currently working, transfers employment after these RSUs are granted, or is considered a resident of another country for local law purposes, the information in this Appendix may not apply to him or her, and the Administrator will determine to what extent the terms and conditions in this Appendix apply.

EXHIBIT A

TERMS AND CONDITIONS OF STOCK OPTION GRANT

1. Grant. The Company grants the Participant an Option to purchase Shares of Common Stock as described in the Notice of Grant. If there is a conflict between the Plan, this Agreement, or any other agreement with the Participant governing this Option, those documents will take precedence and prevail in the following order: (a) the Plan, (b) the Agreement, and (c) any other agreement between the Company and the Participant governing this Option.

If the Notice of Grant designates this Option as an Incentive Stock Option ("**ISO**"), this Option is intended to qualify as an ISO under Code Section 422. Even if this Option is designated an ISO, to the extent it first become exercisable as to more than $100,000 in any calendar year, the portion in excess of $100,000 is not an ISO under Code Section 422(d) and that portion will be a Nonstatutory Stock Option ("**NSO**"). In addition, if the Participant exercises the Option after 3 months have passed since he or she ceased to be an employee of the Company or a Parent or Subsidiary of the Company, it will no longer be an ISO. If there is any other reason this Option (or a portion of it) will not qualify as an ISO, to the extent of such nonqualification, the Option will be an NSO. The Participant understands that he or she will have no recourse against the Administrator, any member of the Company Group, or any officer or director of a member of the Company Group if any portion of this Option is not an ISO.

2. Vesting. This Option will only be exercisable (also referred to as vested) under the Vesting Schedule in the Notice of Grant, Section 3 of this Agreement, or Section 14 of the Plan. Shares scheduled to vest on a certain date or upon the occurrence of a certain condition will not vest unless the Participant continues to be a Service Provider until the time such vesting is scheduled to occur. The Administrator may modify the Vesting Schedule according to its authority under the Plan if the Participant takes a leave of absence or has a reduction in hours worked.

3. Administrator Discretion. The Administrator may accelerate the vesting of any portion of this Option. In that case, this Option will be vested as of the date and to the extent specified by the Administrator.

4. Forfeiture upon Termination of Status as a Service Provider. Upon the Participant's termination as a Service Provider for any reason, this Option will immediately stop vesting, and on the 30th day following the Termination of Status Date (or any earlier date on or following the Termination of Status Date determined by the Administrator), any portion of this Option that has not yet vested will be immediately forfeited for no consideration, subject to Applicable Laws. The date of the Participant's termination as a Service Provider is detailed in Section 3(c) of the Plan.

5. Death of Participant. Any distribution or delivery to be made to the Participant under this Agreement will, if he or she is then deceased, be made to the administrator or executor of his or her estate or, if the Administrator permits, his or her designated beneficiary. Any such transferee must furnish the Company with (a) written notice of his or her status as transferee, and (b) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations that apply to the transfer.

6. Exercise of Option.

(a) **Right to Exercise**. This Option may be exercised only before its Expiration Date and only under the Plan and this Agreement.

(b) **Method of Exercise**. To exercise this Option, the Participant must deliver and the Administrator must receive an exercise notice according to procedures determined by the Administrator. The exercise notice must:

(i) state the number of Shares as to which this Option is being exercised ("**Exercised Shares**"),

(ii) make any representations or agreements required by the Company,

(iii) be accompanied by a payment of the total exercise price for all Exercised Shares, and

(iv) be accompanied by a payment of all required Tax-Related Items (defined in Section 8(a) of this Agreement) for all Exercised Shares.

The Option is exercised when both the exercise notice and payments due under Sections 6(b)(iii) and 6(b)(iv) have been received by the Company for all Exercised Shares. The Administrator may designate a particular exercise notice to be used, but until a designation is made, the exercise notice attached to this Agreement as Exhibit C may be used.

7. Method of Payment. The Participant may pay the exercise price for Exercised Shares by any of the following methods or a combination of methods:

(a) cash;

(b) check;

(c) wire transfer;

(d) consideration received by the Company under a formal cashless exercise program adopted by the Company; or

(e) surrender of other Shares, as long as the Company determines that accepting such Shares does not result in any adverse accounting consequences to the Company. If Shares are surrendered, the value of those Shares will be the Fair Market Value for those Shares on the date they are surrendered.

A non-U.S. resident's methods of exercise may be restricted by the terms and condition of any appendix to this Agreement for the Participant's country (the "**Appendix**").

8. Tax Obligations.

(a) **Tax Withholding**.

(i) No Shares will be issued to the Participant until he or she makes satisfactory arrangements (as determined by the Administrator) for the payment of income, employment, social insurance, National Insurance Contributions, payroll tax, fringe benefit tax, payment on account, or other tax-related items related to his or her participation in the Plan and legally applicable to him or her that the Administrator determines must be withheld ("**Tax-Related Items**"), including those that result from the grant, vesting, or exercise of this Option, the subsequent sale of Shares acquired under this Option or the receipt of any dividends. If the Participant is a non-U.S. employee, the method of payment of Tax-Related Items may be restricted by any Appendix. If the Participant fails to make satisfactory arrangements for the payment of any Tax-Related Items under this Agreement at the time of an attempted Option exercise, the Company may refuse to honor the exercise and refuse to deliver the Shares.

(ii) The Company has the right (but not the obligation) to satisfy any Tax-Related Items by withholding from proceeds of a sale of Shares acquired upon the exercise of this Option arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent).

(iii) The Company has the right (but not the obligation) to satisfy any Tax-Related Items by reducing the number of Shares otherwise deliverable to the Participant.

(iv) The Participant authorizes the Company and/or any member(s) of the Company Group for whom he or she is performing services (each, an "**Employer**") to withhold any Tax-Related Items legally payable by the Participant from his or her wages or other cash compensation paid to the Participant by the Company and/or the Employer(s) or from proceeds of the sale of Shares.

(v) Further, if the Participant is subject to taxation in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, the Company and/or the Employer(s) or former Employer(s) may withhold or account for tax in greater than one jurisdiction.

(vi) Regardless of any action of the Company or the Employer(s), the Participant acknowledges that the ultimate liability for all Tax-Related Items is and remains his or her responsibility and may exceed the amount actually withheld by the Company or the Employer(s). The Participant further acknowledges that the Company and the Employer(s) (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of this Option to reduce or eliminate his or her liability for Tax-Related Items or achieve any particular tax result.

(b) **Tax Reporting**. This Section 8(b) applies if the Participant is a U.S. taxpayer. If this Option is partially or wholly an ISO, and if the Participant sells or otherwise disposes of any the Shares acquired by exercising the ISO portion on or before the later of (i) the date 2 years after the Grant Date, or (ii) the date 1 year after the date of exercise, he or she may be subject to withholding of Tax-Related Items by the Company on the compensation income recognized by him or her and must immediately notify the Company in writing of the disposition.

9. Forfeiture or Clawback. This Option (including any proceeds, gains or other economic benefit received by the Participant from any subsequent sale of Shares resulting from the exercise) will be subject to any compensation recovery or clawback policy implemented by the Company before or after the date of this Agreement. This includes any clawback policy adopted to comply with the requirements of Applicable Laws.

10. Rights as Stockholder. The Participant's rights as a stockholder of the Company (including the right to vote and to receive dividends and distributions) will not begin until Shares have been issued and recorded on the records of the Company or its transfer agents or registrars.

11. Acknowledgements and Agreements. The Participant's signature on the Notice of Grant accepting this Option indicates that:

(a) HE OR SHE ACKNOWLEDGES AND AGREES THAT THE VESTING OF THIS OPTION IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER AND THAT BEING HIRED, GRANTED THIS OPTION, AND EXERCISING THE OPTION WILL NOT RESULT IN VESTING.

(b) HE OR SHE FURTHER ACKNOWLEDGES AND AGREES THAT THIS OPTION AND AGREEMENT DO NOT CREATE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL, AND DOES NOT INTERFERE IN ANY WAY WITH HIS OR HER RIGHT OR THE RIGHT OF THE EMPLOYER(S) TO TERMINATE HIS OR HER RELATIONSHIP AS A SERVICE PROVIDER AT ANY TIME, WITH OR WITHOUT CAUSE, SUBJECT TO APPLICABLE LAWS.

(c) The Participant agrees that this Agreement and its incorporated documents reflect all agreements on its subject matters and that he or she is not accepting this Agreement based on any promises, representations, or inducements other than those reflected in the Agreement.

(d) The Participant understands that exercise of this Option is governed strictly by Sections 6, 7, and 8 of this Agreement and that failure to comply with those Sections could result in the expiration of this Option, even if an attempt was made to exercise.

(e) The Participant agrees that the Company's delivery of any documents related to the Plan or this Option (including the Plan, the Agreement, the Plan's prospectus and any reports of the Company provided generally to the Company's stockholders) to him or her may be made by electronic delivery, which may include the delivery of a link to a Company intranet or the Internet site of a third party involved in administering the Plan, the delivery of the document via e-mail, or any other means of electronic delivery specified by the Company. If the attempted electronic delivery of such documents fails, the Participant will be provided with a paper copy of the documents. The Participant acknowledges that he or she may receive from the Company a paper copy of any documents that were delivered electronically at no cost to him or her by contacting the Company by telephone or in writing. The Participant may revoke his or her consent to the electronic delivery of documents or may change the electronic mail address to which such documents are to be delivered (if the Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents.

(f) The Participant may deliver any documents related to the Plan or this Option to the Company by e-mail or any other means of electronic delivery approved by the Administrator, but he or she must provide the Company or any designated third party administrator with a paper copy of any documents if his or her attempted electronic delivery of such documents fails.

(g) The Participant accepts that all good faith decisions or interpretations of the Administrator regarding the Plan and Awards under the Plan are binding, conclusive, and final. No member of the Administrator will be personally liable for any such decisions or interpretations.

(h) The Participant agrees that the Plan is established voluntarily by the Company, is discretionary in nature, and may be amended, suspended, or terminated by the Company at any time, to the extent permitted by the Plan.

(i) The Participant agrees that the grant of this Option is voluntary and occasional and does not create any contractual or other right to receive future grants of options, or benefits in lieu of options, even if options have been granted in the past.

(j) The Participant agrees that any decisions regarding future Awards will be in the Company's sole discretion.

(k) The Participant agrees that he or she is voluntarily participating in the Plan.

(l) The Participant agrees that this Option and any Shares acquired under the Plan are not intended to replace any pension rights or compensation.

(m) The Participant agrees that this Option, any Shares acquired under the Plan, and their income and value of same are not part of normal or expected compensation for any purpose, including for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, holiday pay, long-service awards, pension or retirement or welfare benefits, or similar payments.

(n) The Participant agrees that the future value of the Shares underlying this Option is unknown, indeterminable, and cannot be predicted with certainty.

(o) The Participant understands that if the underlying Shares do not increase in value, this Option will have no intrinsic monetary value.

(p) The Participant understands that if this Option is exercised, the value of each Share received on exercise may increase or decrease in value, even below the Exercise Price per Share.

(q) The Participant agrees that, for purposes of this Option, his or her engagement as a Service Provider is terminated as of the Termination of Status Date (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), unless otherwise expressly provided in this Agreement or determined by the Administrator.

(r) The Participant agrees that any right to vest in this Option terminates as of the Termination of Status Date and will not be extended by any notice period (e.g., the period that he or she is a Service Provider would not include any contractual notice period or any period of "garden leave" or similar period mandated under employment laws (including common law, if applicable) in the jurisdiction where he or she is a Service Provider or by his or her service agreement or employment agreement, if any, unless he or she is providing bona fide services during such time).

(s) The Participant agrees that the period during which the Participant may exercise the vested portion of this Option after a termination of his or her status as a Service Provider (if any) will start as of the Termination of Status Date (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), unless otherwise expressly provided in this Agreement or determined by the Administrator.

(t) The Participant agrees that the Administrator has the exclusive discretion to determine when he or she is no longer actively providing services for purposes of this Option (including whether he or she is still considered to be providing services while on a leave of absence).

(u) The Participant agrees that no member of the Company Group is liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of this Option or of any amounts due to him or her from the exercise of this Option or the subsequent sale of any Shares acquired upon exercise.

(v) The Participant has read and agrees to the Data Privacy Provisions of Section 12 of this Agreement.

(w) The Participant agrees that he or she has no claim or entitlement to compensation or damages from any forfeiture of this Option resulting from the termination of his or her status as a Service Provider (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), and in consideration of the grant of this Option to which he or she is otherwise not entitled, he or she irrevocably agrees never to institute any claim against the Company or any member of the Company Group, waives his or her ability (if any) to bring any such claim, and releases the Company and all members of the Company Group from any such claim. If any such claim is nevertheless allowed by a court of competent jurisdiction, then the Participant's participation in the Plan constitutes his or her irrevocable agreement to not pursue such claim and to execute any and all documents necessary to request dismissal or withdrawal of such claim.

12. Data Privacy**.**

*(a) The Participant voluntarily consents to the collection, use and transfer, in electronic or other form, of his or her personal data as described in this Agreement and any other Award materials ("***Data***") by and among, as applicable, the Employer(s), the Company and any member of the Company Group for the exclusive purpose of implementing, administering, and managing his or her participation in the Plan.*

(b) The Participant understands that the Company and the Employer(s) may hold certain personal information about him or her, including, but not limited to, his or her name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all equity awards or any other entitlement to stock awarded, canceled, exercised, vested, unvested or outstanding in his or her favor, for the exclusive purpose of implementing, administering, and managing the Plan.

(c) The Participant understands that Data will be transferred to one or more a stock plan service provider(s) selected by the Company, which may assist the Company with the implementation, administration, and management of the Plan. The Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipient's country (e.g., the United States) may have different data privacy laws and protections than his or her country. The Participant understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Participant authorizes the Company and any other possible recipients that may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purposes of implementing, administering and managing his or her participation in the Plan.

(d) The Participant understands that Data will be held only as long as is necessary to implement, administer and manage his or her participation in the Plan. The Participant understands that if he or she resides in certain jurisdictions outside the United States, to the extent required by Applicable Laws, he or she may, at any time, request access to Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents given by accepting this Option, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Participant understands that he or she is providing these consents on a purely voluntary basis. If the Participant does not consent or if he or she later seeks to revoke his or her consent, his or her engagement as a Service Provider with the Employer(s) will not be adversely affected; the only consequence of refusing or withdrawing his or her consent is that the Company will not be able to grant him or her awards under the Plan or administer or maintain awards. Therefore, the Participant understands that refusing or withdrawing his or her consent may affect his or her ability to participate in the Plan (including the right to retain this Option). The Participant understands that he or she may contact his or her local human resources representative for more information on the consequences of his or her refusal to consent or withdrawal of consent.

13. Miscellaneous

(a) **Address for Notices**. Any notice to be given to the Company under the terms of this Agreement must be addressed to the Company at BlackLine, Inc., 21300 Victory Boulevard, 12th Floor, Woodland Hills, CA 91367 until the Company designates another address in writing.

(b) **Non-Transferability of Option**. This Option may not be transferred other than by will or the laws of descent or distribution and may be exercised during the lifetime of the Participant only by him or her or his or her representative following a Disability.

(c) **Binding Agreement**. If this Option is transferred, this Agreement will be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors, and assigns of the parties to this Agreement.

(d) **Additional Conditions to Issuance of Stock**. If the Company determines that the listing, registration, qualification, or rule compliance of the Common Stock on any securities exchange or under any

state, federal, or foreign law or the tax code and related regulations or the consent or approval of any governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to the Participant (or his or her estate), the Company will try to meet the requirements of any such state, federal, or foreign law or securities exchange and to obtain any such consent or approval of any such governmental authority or securities exchange, but the Shares will not be issued until such conditions have been met in a manner acceptable to the Company.

(e) **Captions**. Captions provided in this Agreement are for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

(f) **Agreement Severable**. If any provision of this Agreement is held invalid or unenforceable, that provision will be severed from the remaining provisions of this Agreement and the invalidity or unenforceability will have no effect on the remainder of the Agreement.

(g) **Non-U.S. Appendix**. This Option is subject to any special terms and conditions set forth in any Appendix. If the Participant relocates to a country included in the Appendix, the special terms and conditions for that country will apply to him or her to the extent the Company determines that applying such terms and conditions is necessary or advisable for legal or administrative reasons.

(h) **Choice of Law; Choice of Forum**. The Plan, this Agreement, this Option, and all determinations made and actions taken under the Plan, to the extent not otherwise governed by the laws of the United States, will be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. For purposes of litigating any dispute that arises under the Plan, the Participant's acceptance of this Option is his or her consent to the jurisdiction of the State of Delaware and his or her agreement that any such litigation will be conducted in the Delaware Court of Chancery or the federal courts for the United States for the District of Delaware and no other courts, regardless of where he or she is performing services.

(i) **Modifications to the Agreement**. The Plan and this Agreement constitute the entire understanding of the parties on the subjects covered. The Participant expressly warrants that he or she is not accepting this Agreement in reliance on any promises, representations, or inducements other than those contained herein. Modifications to this Agreement or the Plan can be made only in an express written contract executed by a duly authorized officer of the Company. The Company reserves the right to revise the Agreement as it deems necessary or advisable, in its sole discretion and without the consent of the Participant, to comply with Code Section 409A, to otherwise avoid imposition of any additional tax or income recognition under Code Section 409A in connection with this Option, or to comply with other Applicable Laws.

(j) **Waiver**. The Participant acknowledges that a waiver by the Company of a breach of any provision of this Agreement will not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach of this Agreement by him or her.

EXHIBIT B

APPENDIX TO STOCK OPTION AGREEMENT

Terms and Conditions

This Appendix to Stock Option Agreement (the "**Appendix**") includes additional terms and conditions that govern this Option granted to the Participant under the Plan if he or she resides in one of the countries listed below on the Grant Date or he or she moves to one of the listed countries.

Notifications

This Appendix may also include information regarding exchange controls and certain other issues of which the Participant should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other Applicable Laws in effect in the respective countries as of September 2016. Such Applicable Laws are often complex and change frequently. As a result, the Company strongly recommends that the Participant not rely on the information in this Appendix as the only source of information relating to the consequences of participation in the Plan because the information may be out of date at the time the Participant sells Shares acquired under the Plan.

In addition, the information contained in this Appendix is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure him or her of a particular result. The Participant is advised to seek appropriate professional advice as to how the Applicable Laws in his or her country may apply to his or her situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which he or she is currently working, transfers employment after this Option is granted, or is considered a resident of another country for local law purposes, the information in this Appendix may not apply to him or her, and the Administrator will determine to what extent the terms and conditions in this Appendix apply.

EXHIBIT A

TERMS AND CONDITIONS OF RESTRICTED STOCK AWARD

1. Grant. The Company grants the Participant an award of Restricted Stock as described in the Notice of Grant. If there is a conflict between the Plan, this Agreement, or any other agreement with the Participant governing these Shares of Restricted Stock, those documents will take precedence and prevail in the following order: (a) the Plan, (b) the Agreement, and (c) any other agreement between the Company and the Participant governing these Shares of Restricted Stock.

2. Escrow of Shares.

(a) Once the Participant signs this Agreement, all of these Shares of Restricted Stock will be delivered to an escrow holder designated by the Company (the "Escrow Holder") and will be held by the Escrow Holder until these Shares of Restricted Stock vest or the Participant ceases to be a Service Provider.

(b) The Escrow Holder is not liable for any act it does or does not do for purposes of holding these Shares of Restricted Stock in escrow.

(c) The Escrow Holder will transfer any vested Shares of Restricted Stock to the Participant at his or her request.

(d) The Participant has no right to receive cash dividends on any of these Shares of Restricted Stock that are held in escrow but has all other rights of a stockholder for such Shares, including the right to vote.

(e) These Shares of Restricted Stock will be subject to any adjustments made according to Section 13(a) of the Plan.

(f) The Company may instruct the transfer agent for the Common Stock to record the restrictions on transfer in this Agreement by placing a legend on the certificates representing the Restricted Stock or otherwise noting its records.

3. Vesting. These Shares of Restricted Stock will vest only under the Vesting Schedule in the Notice of Grant, Section 4 of this Agreement, or Section 14 of the Plan. Shares of Restricted Stock scheduled to vest on a certain date or upon the occurrence of a certain condition will not vest unless the Participant continues to be a Service Provider until the time such vesting is scheduled to occur. The Administrator may modify the Vesting Schedule according to its authority under the Plan if the Participant takes a leave of absence or has a reduction in hours worked.

4. Administrator Discretion. The Administrator has the discretion to accelerate the vesting of any number of unvested Shares of Restricted Stock at any time, subject to the terms of the Plan. In that case, those Shares of Restricted Stock will be vested as of the date specified by the Administrator.

5. Forfeiture upon Termination of Status as a Service Provider. Upon the Participant's termination as a Service Provider for any reason, these Shares of Restricted Stock will immediately stop vesting, and on the 30th day following the Termination of Status Date (or any earlier date on or following the Termination of Status Date determined by the Administrator), any of these Shares of Restricted Stock that have not yet vested will be forfeited by the Participant and automatically transferred by the Escrow Holder to the Company at no cost to the Company, subject to Applicable Laws. The Participant will not be refunded any price paid for such Shares and will have no further rights under this Agreement. The Participant appoints the Escrow Holder with full

power of substitution (as the Participant's true and lawful attorney-in-fact with irrevocable power and authority in the name and on behalf of the Participant) to take any action and execute all documents and instruments, including stock powers necessary to transfer the certificate(s) evidencing such unvested Shares of Restricted Stock to the Company upon such termination. The date of the Participant's termination as a Service Provider is detailed in Section 3(c) of the Plan.

6. Death of Participant. Any distribution or delivery to be made to the Participant under this Agreement will, if he or she is then deceased, be made to the administrator or executor of his or her estate or, if the Administrator permits, his or her designated beneficiary. Any such transferee must furnish the Company with (a) written notice of his or her status as transferee, and (b) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations that apply to the transfer.

7. Tax Withholding.

(a) No Shares of Restricted Stock may be released from escrow until the Participant makes satisfactory arrangements (as determined by the Administrator) for the payment of income, employment, social insurance, National Insurance Contributions, payroll tax, fringe benefit tax, payment on account, or other tax-related items related to his or her participation in the Plan and legally applicable to him or her that the Administrator determines must be withheld ("**Tax-Related Items**"), including those that result from the grant, vesting, or subsequent sale of Shares of Restricted Stock or the receipt of any dividends . If the Participant is a non-U.S. employee, the method of payment of Tax-Related Items may be restricted by any Appendix. If the Participant fails to make satisfactory arrangements for the payment of any Tax-Related Items under this Agreement when any of these Shares of Restricted Stock otherwise are supposed to vest or Tax-Related Items related to these Shares of Restricted Stock otherwise are due, he or she will permanently forfeit the applicable Shares of Restricted Stock and such Shares of Restricted Stock will be returned to the Company at no cost to the Company.

(b) The Company has the right (but not the obligation) to satisfy any Tax-Related Items by withholding from proceeds of a sale of any of these Shares of Restricted Stock that have vested arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent).

(c) The Company also has the right (but not the obligation) to satisfy any Tax-Related Items by reducing the number of Shares otherwise deliverable to the Participant.

(d) Further, if the Participant is subject to taxation in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, the Company and/or any member of the Company Group for whom he or she is performing services (each, an "**Employer**") or former Employer(s) may withhold or account for tax in more than one jurisdiction.

(e) Regardless of any action of the Company or the Employer(s), the Participant acknowledges that the ultimate liability for all Tax-Related Items is and remains his or her responsibility and may exceed the amount actually withheld by the Company or the Employer(s). The Participant further acknowledges that the Company and the Employer(s) (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of these Shares of Restricted Stock and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of these Shares of Restricted Stock to reduce or eliminate his or her liability for Tax-Related Items or achieve any particular tax result.

8. Forfeiture or Clawback. These Shares of Restricted Stock (including any proceeds, gains or other economic benefit received by the Participant from their subsequent sale) will be subject to any compensation recovery or clawback policy implemented by the Company before or after the date of this Agreement. This includes any clawback policy adopted to comply with the requirements of Applicable Laws.

9. Rights as Stockholder. The Participant's rights as a stockholder of the Company (including the right to vote and to receive dividends and distributions) will not begin until these Shares of Restricted Stock have been issued and recorded on the records of the Company or its transfer agents or registrars.

10. Acknowledgements and Agreements. The Participant's signature on the Notice of Grant accepting these Shares of Restricted Stock indicates that:

(a) HE OR SHE ACKNOWLEDGES AND AGREES THAT THE VESTING OF THE SHARES OF RESTRICTED STOCK IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER AND THAT BEING HIRED OR BEING GRANTED THESE SHARES OF RESTRICTED STOCK DO NOT RESULT IN VESTING.

(b) HE OR SHE FURTHER ACKNOWLEDGES AND AGREES THAT THESE SHARES OF RESTRICTED STOCK AND THIS AGREEMENT DO NOT CREATE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL AND DOES NOT INTERFERE IN ANY WAY WITH HIS OR HER RIGHT OR THE RIGHT OF THE EMPLOYER(S) TO TERMINATE HIS OR HER RELATIONSHIP AS A SERVICE PROVIDER AT ANY TIME, WITH OR WITHOUT CAUSE, SUBJECT TO APPLICABLE LAWS.

(c) The Participant agrees that this Agreement and its incorporated documents reflect all agreements on its subject matters and that he or she is not accepting this Agreement based on any promises, representations, or inducements other than those reflected in the Agreement.

(d) The Participant agrees that the Company's delivery of any documents related to the Plan or these Shares of Restricted Stock (including the Plan, the Agreement, the Plan's prospectus, and any reports of the Company provided generally to the Company's stockholders) to him or her may be made by electronic delivery, which may include the delivery of a link to a Company intranet or to the Internet site of a third party involved in administering the Plan, the delivery of the document via e-mail, or any other means of electronic delivery specified by the Company. If the attempted electronic delivery of such documents fails, the Participant will be provided with a paper copy of the documents. The Participant acknowledges that he or she may receive from the Company a paper copy of any documents that were delivered electronically at no cost to him or her by contacting the Company by telephone or in writing. The Participant may revoke his or her consent to the electronic delivery of documents or may change the electronic mail address to which such documents are to be delivered (if the Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents.

(e) The Participant may deliver any documents related to the Plan or these Shares of Restricted Stock to the Company by e-mail or any other means of electronic delivery approved by the Administrator, but he or she must provide the Company or any designated third party administrator with a paper copy of any documents if his or her attempted electronic delivery of such documents fails.

(f) The Participant accepts that all good faith decisions or interpretations of the Administrator regarding the Plan and Awards under the Plan are binding, conclusive, and final. No member of the Administrator will be personally liable for any such decisions or interpretations.

(g) The Participant agrees that the Plan is established voluntarily by the Company, is discretionary in nature, and may be amended, suspended, or terminated by the Company at any time, to the extent permitted by the Plan.

(h) The Participant agrees that the grant of these Shares of Restricted Stock is voluntary and occasional and does not create any contractual or other right to receive future grants of restricted stock or benefits in lieu of restricted stock, even if restricted stock has been granted in the past.

(i) The Participant agrees that any decisions regarding future Awards will be in the Company's sole discretion.

(j) The Participant agrees that he or she is voluntarily participating in the Plan.

(k) The Participant agrees that these Shares of Restricted Stock are not intended to replace any pension rights or compensation.

(l) The Participant agrees that these Shares of Restricted Stock and their income and value are not part of normal or expected compensation for any purpose, including for calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, holiday pay, long-service awards, pension or retirement or welfare benefits, or similar payments.

(m) The Participant agrees that the future value of these Shares of Restricted Stock is unknown, indeterminable, and cannot be predicted with certainty.

(n) The Participant agrees that, for purposes of these Shares of Restricted Stock , his or her engagement as a Service Provider is terminated as of the Termination of Status Date (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), unless otherwise expressly provided in this Agreement or determined by the Administrator.

(o) The Participant agrees that any right to vest in these Shares of Restricted Stock terminates as of the Termination of Status Date and will not be extended by any notice period (e.g., the period that he or she is a Service Provider would not include any contractual notice period or any period of "garden leave" or similar period mandated under employment laws (including common law, if applicable) in the jurisdiction where he or she is a Service Provider or by his or her service agreement or employment agreement, if any, unless he or she is providing bona fide services during such time).

(p) The Participant agrees that the Administrator has the exclusive discretion to determine when he or she is no longer actively providing services for purposes of these Shares of Restricted Stock (including whether he or she is still considered to be providing services while on a leave of absence).

(q) The Participant agrees that no member of the Company Group is liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of these Shares of Restricted Stock or of any amounts due to him or her upon the sale of any of these Shares of Restricted Stock.

(r) The Participant has read and agrees to the Data Privacy Provisions of Section 11 of this Agreement.

(s) The Participant agrees that he or she has no claim or entitlement to compensation or damages from any forfeiture of these Shares of Restricted Stock resulting from the termination of his or her status as a Service Provider (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where he or she is a Service Provider or the terms of his or her service agreement, if any), and in consideration of the grant of these Shares of Restricted Stock to which he or she is otherwise not entitled, he or she irrevocably agrees never to institute any claim against the Company or any member of the Company Group, waives his or her ability (if any) to bring any such claim, and releases the Company and all members of the Company Group from any such claim. If any such claim is nevertheless allowed by a court of competent jurisdiction, then the Participant's participation in the Plan constitutes his or her irrevocable agreement to not pursue such claim and to execute any and all documents necessary to request dismissal or withdrawal of such claim.

11. Data Privacy.

*(a) The Participant voluntarily consents to the collection, use and transfer, in electronic or other form, of his or her personal data as described in this Agreement and any other Award materials ("***Data***") by and among, as applicable, the Employer(s), the Company and any member of the Company Group for the exclusive purpose of implementing, administering, and managing his or her participation in the Plan.*

(b) The Participant understands that the Company and the Employer(s) may hold certain personal information about him or her, including, but not limited to, his or her name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all equity awards or any other entitlement to stock awarded, canceled, exercised, vested, unvested or outstanding in his or her favor, for the exclusive purpose of implementing, administering, and managing the Plan.

(c) The Participant understands that Data will be transferred to one or more a stock plan service provider(s) selected by the Company, which may assist the Company with the implementation, administration, and management of the Plan. The Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipient's country (e.g., the United States) may have different data privacy laws and protections than his or her country. The Participant understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Participant authorizes the Company and any other possible recipients that may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purposes of implementing, administering and managing his or her participation in the Plan.

(d) The Participant understands that Data will be held only as long as is necessary to implement, administer and manage his or her participation in the Plan. The Participant understands that if he or she resides in certain jurisdictions outside the United States, to the extent required by Applicable Laws, he or she may, at any time, request access to Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents given by accepting these Shares of Restricted Stock, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Participant understands that he or she is providing these consents on a purely voluntary basis. If the Participant does not consent or if he or she later seeks to revoke his or her consent, his or her engagement as a Service Provider with the Employer(s) will not be adversely affected; the only consequence of refusing or withdrawing his or her consent is that the Company will not be able to grant him or her awards under the Plan or administer or maintain awards. Therefore, the Participant understands that refusing or withdrawing his or her consent may affect his or her ability to participate in the Plan (including the right to retain

these Shares of Restricted Stock). The Participant understands that he or she may contact his or her local human resources representative for more information on the consequences of his or her refusal to consent or withdrawal of consent.

12. Miscellaneous.

(a) **Address for Notices**. Any notice to be given to the Company under the terms of this Agreement must be addressed to the Company at BlackLine, Inc., 21300 Victory Boulevard, 12th Floor, Woodland Hills, CA 91367 until the Company designates another address in writing.

(b) **Non-Transferability of Restricted Stock.** These Shares of Restricted Stock may not be transferred other than by will or the laws of descent or distribution.

(c) **Binding Agreement**. If any Shares of Restricted Stock are transferred, this Agreement will be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors, and assigns of the parties to this Agreement.

(d) **Additional Conditions to Issuance of Stock and Release from Escrow**. If the Company determines that the listing, registration, qualification, or rule compliance of the Common Stock on any securities exchange or under any state, federal, or foreign law or the tax code and related regulations or the consent or approval of any governmental regulatory authority is necessary or desirable as a condition to the issuance of these Shares of Restricted Stock or their release from escrow to the Participant (or his or her estate), the Company will try to meet the requirements of any such state, federal, or foreign law or securities exchange and to obtain any such consent or approval of any such governmental authority or securities exchange, but these Shares of Restricted Stock will not be issued until such conditions have been met in a manner acceptable to the Company.

(e) **Captions**. Captions provided in this Agreement are for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

(f) **Agreement Severable**. If any provision of this Agreement is held invalid or unenforceable, that provision will be severed from the remaining provisions of this Agreement and the invalidity or unenforceability will have no effect on the remainder of the Agreement.

(g) **Non-U.S. Appendix**. These Shares of Restricted Stock are subject to any special terms and conditions set forth in any appendix to this Agreement for the Participant's country (the "**Appendix**"). If the Participant relocates to a country included in the Appendix, the special terms and conditions for that country will apply to him or her to the extent the Company determines that applying such terms and conditions is necessary or advisable for legal or administrative reasons.

(h) **Choice of Law; Choice of Forum.** The Plan, this Agreement, these Shares of Restricted Stock, and all determinations made and actions taken under the Plan, to the extent not otherwise governed by the laws of the United States, will be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. For purposes of litigating any dispute that arises under the Plan, the Participant's acceptance of these Shares of Restricted Stock is his or her consent to the jurisdiction of the State of Delaware and his or her agreement that any such litigation will be conducted in the Delaware Court of Chancery or the federal courts for the United States for the District of Delaware and no other courts, regardless of where he or she is performing services.

(i) **Modifications to the Agreement**. The Plan and this Agreement constitute the entire understanding of the parties on the subjects covered. The Company reserves the right to revise the Agreement as it deems necessary or advisable, in its sole discretion and without the consent of the Participant, to comply with other Applicable Laws.

(j) **Waiver**. The Participant acknowledges that a waiver by the Company of a breach of any provision of this Agreement will not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach of this Agreement by him or her.

EXHIBIT B

APPENDIX TO RESTRICTED STOCK AGREEMENT

Terms and Conditions

This Appendix to Restricted Stock Agreement (the "**Appendix**") includes additional terms and conditions that govern these Shares of Restricted Stock granted to the Participant under the Plan if he or she resides in one of the countries listed below on the Grant Date or he or she moves to one of the listed countries.

Notifications

This Appendix may also include information regarding exchange controls and certain other issues of which the Participant should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other Applicable Laws in effect in the respective countries as of September 2016. Such Applicable Laws are often complex and change frequently. As a result, the Company strongly recommends that the Participant not rely on the information in this Appendix as the only source of information relating to the consequences of participation in the Plan because the information may be out of date at the time the Participant sells Shares acquired under the Plan.

In addition, the information contained in this Appendix is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure him or her of a particular result. The Participant is advised to seek appropriate professional advice as to how the Applicable Laws in his or her country may apply to his or her situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which he or she is currently working, transfers employment after these Shares of Restricted Stock are granted, or is considered a resident of another country for local law purposes, the information in this Appendix may not apply to him or her, and the Administrator will determine to what extent the terms and conditions in this Appendix apply.

3. Selection of Participants and Determination of Awards.

(a) Selection of Participants. The Committee, in its sole discretion, will select the Employees who will be Participants for any Performance Period. Participation in the Plan is in the sole discretion of the Committee, on a Performance Period by Performance Period basis. Accordingly, an Employee who is a Participant for a given Performance Period in no way is guaranteed or assured of being selected for participation in any subsequent Performance Period or Performance Periods.

(b) Determination of Target Awards. The Committee, in its sole discretion, will establish a Target Award for each Participant (which may be expressed as a percentage of a Participant's average annual base salary for the Performance Period or a fixed dollar amount or such other amount or based on such other formula as the Committee determines).

(c) Bonus Pool. Each Performance Period, the Committee, in its sole discretion, will establish a Bonus Pool, which pool may be established before, during or after the applicable Performance Period. Actual Awards will be paid from the Bonus Pool.

(d) Discretion to Modify Awards. Notwithstanding any contrary provision of the Plan, the Committee may, in its sole discretion and at any time, (i) increase, reduce or eliminate a Participant's Actual Award, and/or (ii) increase, reduce or eliminate the amount allocated to the Bonus Pool. The Actual Award may be below, at or above the Target Award, in the Committee's discretion. The Committee may determine the amount of any increase, reduction or elimination on the basis of such factors as it deems relevant, and will not be required to establish any allocation or weighting with respect to the factors it considers.

(e) Discretion to Determine Criteria. Notwithstanding any contrary provision of the Plan, the Committee, in its sole discretion, will determine the performance goals (if any)

applicable to any Target Award (or portion thereof) which may include, without limitation, (i) annualized recurring revenue; (ii) attainment of research and development milestones, (iii) bookings, (iv) business divestitures and acquisitions, (v) cash flow, (vi) cash position, (vii) contract awards or backlog, (viii) customer renewals, (ix) customer retention rates, (x) earnings (which may include earnings before interest and taxes, earnings before taxes, and net taxes), (xi) earnings per share, (xii) expenses, (xiii) free cash flow, (xiv) gross margin, (xv) growth in stockholder value relative to the moving average of the S&P 500 Index or another index, (xvi) internal rate of return, (xvii) market share, (xviii) net income, (xix) net profit, (xx) net sales, (xxi) new product development, (xxii) new product invention or innovation, (xxiii) number of customers, (xxiv) operating cash flow, (xxv) operating expenses, (xxvi) operating income, (xxvii) operating margin, (xxviii) overhead or other expense reduction, (xxix) product defect measures, (xxx) product release timelines, (xxxi) productivity, (xxxii) profit, (xxxiii) retained earnings, (xxxiv) return on assets, (xxxv) return on capital, (xxxvi) return on equity, (xxxvii) return on investment, (xxxviii) return on sales, (xxxxix) revenue, (xl) revenue growth, (xli) sales results, (xlii) sales growth, (xliii) stock price, (xliv) time to market, (xlv) total stockholder return, (xlvii) working capital and (xlvii) individual objectives such as peer reviews or other subjective or objective criteria. As determined by the Committee, the performance goals may be based on generally accepted accounting principles ("GAAP") or non-GAAP results and any actual results may be adjusted by the Committee for one-time items or unbudgeted or unexpected items and/or payments of Actual Awards under the Plan when determining whether the performance goals have been met. The goals may be on the basis of any factors the Committee determines relevant, and may be on an individual, divisional, business unit, segment or Company-wide basis. Any criteria used may be measured on such basis as the Committee determines, including but not limited to, as applicable, (A) in absolute terms, (B) in combination with another performance goal or goals (for example, but not by way of limitation, as a ratio or matrix), (C) in relative terms (including, but not limited to, results for other periods, passage of time and/or against another company or companies or an index or indices), (D) on a per-share basis, (E) against the performance of the Company as a whole or a segment of the Company and/or (F) on a pre-tax or after-tax basis. The performance goals may differ from Participant to Participant and from award to award. Failure to meet the goals will result in a failure to earn the Target Award, except as provided in Section 3(d). The Committee also may determine that a Target Award (or portion thereof) will not have a performance goal associated with it but instead will be granted (if at all) in the sole discretion of the Committee.

4. Payment of Awards.

(a) Right to Receive Payment. Each Actual Award will be paid solely from the general assets of the Company. Nothing in this Plan will be construed to create a trust or to establish or evidence any Participant's claim of any right other than as an unsecured general creditor with respect to any payment to which he or she may be entitled.

(b) Timing of Payment. Payment of each Actual Award shall be made as soon as practicable after the end of the Performance Period to which the Actual Award relates and after the Actual Award is approved by the Committee, but in no event later than the later of (i) the 15th day of the third month of the Fiscal Year immediately following the Fiscal Year in which the Participant's Actual Award is first no longer subject to a substantial risk of forfeiture, and (ii) March 15 of the calendar year immediately following the calendar year in which the Participant's Actual Award is

first no longer subject to a substantial risk of forfeiture. Unless otherwise determined by the Committee, to earn an Actual Award a Participant must be employed by the Company or any Affiliate on the date the Actual Award is paid.

It is the intent that this Plan be exempt from or comply with the requirements of Code Section 409A so that none of the payments to be provided hereunder will be subject to the additional tax imposed under Code Section 409A, and any ambiguities herein will be interpreted to be so exempt or so comply. Each payment under this Plan is intended to constitute a separate payment for purposes of Treasury Regulation Section 1.409A-2(b)(2).

(c) Form of Payment. Each Actual Award generally will be paid in cash (or its equivalent) in a single lump sum. The Committee reserves the right, in its sole discretion, to settle an Actual Award with a grant of an equity award under the Company's then-current equity compensation plan.

(d) Payment in the Event of Death or Disability. If a Participant dies or is terminated due to his or her Disability prior to the payment of an Actual Award the Committee has determined will be paid for a prior Performance Period, the Actual Award will be paid to his or her estate or to the Participant, as the case may be, subject to the Committee's discretion to reduce or eliminate any Actual Award otherwise payable.

5. Plan Administration.

(a) Committee is the Administrator. The Plan will be administered by the Committee. The Committee will consist of not less than two members of the Board. The members of the Committee will be appointed from time to time by, and serve at the pleasure of, the Board.

(b) Committee Authority. It will be the duty of the Committee to administer the Plan in accordance with the Plan's provisions. The Committee will have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the power to (i) determine which Employees will be granted awards, (ii) prescribe the terms and conditions of awards, (iii) interpret the Plan and the awards, (iv) adopt such procedures and subplans as are necessary or appropriate to permit participation in the Plan by Employees who are foreign nationals or employed outside of the United States, (v) adopt rules for the administration, interpretation and application of the Plan as are consistent therewith, and (vi) interpret, amend or revoke any such rules.

(c) Decisions Binding. All determinations and decisions made by the Committee, the Board, and/or any delegate of the Committee pursuant to the provisions of the Plan will be final, conclusive, and binding on all persons, and will be given the maximum deference permitted by law.

(d) Delegation by Committee. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or part of its authority and powers under the Plan to one or more directors and/or officers of the Company.

(e) Indemnification. Each person who is or will have been a member of the Committee will be indemnified and held harmless by the Company against and from (i) any loss,

cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any award, and (ii) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she will give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification will not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

6. General Provisions.

(a) Tax Withholding. The Company or any Affiliate will withhold all applicable taxes from any Actual Award, including any federal, state and local taxes (including, but not limited to, the Participant's FICA and SDI obligations).

(b) No Effect on Employment or Service. Nothing in the Plan will interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or service at any time, with or without cause. For purposes of the Plan, transfer of employment of a Participant between the Company and any one of its Affiliates (or between Affiliates) will not be deemed a Termination of Service. Employment with the Company and its Affiliates is on an at-will basis only. The Company expressly reserves the right, which may be exercised at any time and without regard to when during a Performance Period such exercise occurs, to terminate any individual's employment with or without cause, and to treat him or her without regard to the effect that such treatment might have upon him or her as a Participant.

(c) Participation. No Employee will have the right to be selected to receive an award under this Plan, or, having been so selected, to be selected to receive a future award.

(d) Successors. All obligations of the Company under the Plan, with respect to awards granted hereunder, will be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

(e) Nontransferability of Awards. No award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution. All rights with respect to an award granted to a Participant will be available during his or her lifetime only to the Participant.

7. Amendment, Termination, and Duration.

(a) Amendment, Suspension, or Termination. The Board and/or the Committee, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. The amendment, suspension or termination of the Plan will not, without the consent of the

Participant, alter or impair any rights or obligations under any Actual Award theretofore earned by such Participant. No award may be granted during any period of suspension or after termination of the Plan.

(b) Duration of Plan. The Plan will commence on the date first adopted by the Board or the Compensation Committee of the Board, and subject to Section 7(a) (regarding the Board's and/or the Committee's right to amend or terminate the Plan), will remain in effect thereafter until terminated.

8. Legal Construction.

(a) Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also will include the feminine; the plural will include the singular and the singular will include the plural.

(b) Severability. In the event any provision of the Plan will be held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provision had not been included.

(c) Requirements of Law. The granting of awards under the Plan will be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

(d) Governing Law. The Plan and all awards will be construed in accordance with and governed by the laws of the State of California, but without regard to its conflict of law provisions.

BlackLine, Inc.

Change of Control and Severance Policy

This Change of Control and Severance Policy (the "**Policy**") is designed to provide certain protections to a select group of key employees of BlackLine, Inc. ("**BlackLine**" or the "**Company**") or any of its subsidiaries in connection with a change of control of BlackLine or in connection with the involuntary termination of their employment under the circumstances described in this Policy. The Policy is designed to be an "employee welfare benefit plan" (as defined in Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**")), and this document is both the formal plan document and the required summary plan description for the Policy.

Eligible Employee: An individual is only eligible for protection under this Policy if he or she is an Eligible Employee and complies with its terms (including any terms in the Eligible Employee's Participation Agreement (as defined below)). To be an "**Eligible Employee**," an employee must (a) have been designated by the Board or an authorized committee of the Board (in either case, the "**Committee**") as eligible to participate in the Policy, whether individually or by position or category of position and (b) have executed a participation agreement in the form attached hereto as Exhibit A (a "**Participation Agreement**").

Policy Benefits: An Eligible Employee will be eligible to receive the payments and benefits set forth in his or her Participation Agreement if his or her employment with BlackLine and all of its subsidiaries terminates as a result of a Qualified Termination. All benefits under this Policy and the Participation Agreement will be subject to the Eligible Employee's compliance with the Release Requirement and any timing modifications required to avoid adverse taxation under Section 409A.

Death of Eligible Employee: If the Eligible Employee dies before all payments or benefits he or she is entitled to receive have been paid, such unpaid amounts will be paid to his or her designated beneficiary, if living, or otherwise to his or her personal representative in a lump-sum payment as soon as possible following his or her death.

Forfeiture/Clawback: If the Company discovers after the Eligible Employee's receipt of payments or benefits under this Policy that grounds for the termination of the Eligible Employee's employment for Cause existed, then the Eligible Employee will cease receiving any further payments or benefits under this Policy and, to the extent permitted under applicable laws, will be required to repay to the Company any payments or benefits he or she received under the Policy (or any financial gain derived from such payments or benefits).

Release: The Eligible Employee's receipt of any severance payments or benefits under this Policy is subject to the Eligible Employee signing and not revoking the Company's then-standard separation agreement and release of claims (which may include an agreement not to disparage the Company, non-solicit provisions, and other standard terms and conditions) (the "**Release**" and such requirement, the "**Release Requirement**"), which must become effective and irrevocable no later than the 60th day following the Eligible Employee's Qualified Termination (the "**Release Deadline**"). If the Release does not become effective and irrevocable by the Release Deadline, the Eligible Employee will forfeit any right to severance payments or benefits under this Policy. In no event will severance payments or benefits under the Policy be paid or provided until the Release actually becomes effective and irrevocable. Notwithstanding any other payment schedule set forth in this Policy or the Eligible Employee's Participation Agreement, none of the severance payments and benefits payable upon such

Eligible Employee's Qualified Termination under this Policy will be paid or otherwise provided prior to the 60th day following the Eligible Employee's Qualified Termination. Except as otherwise set forth in an Eligible Employee's Participation Agreement or to the extent that payments are delayed under the paragraph below entitled "Section 409A," on the first regular payroll pay day following the 60th day following the Eligible Employee's Qualified Termination, the Company will pay or provide the Eligible Employee the severance payments and benefits that the Eligible Employee would otherwise have received under this Policy on or prior to such date, with the balance of such severance payments and benefits being paid or provided as originally scheduled.

Section 409A: The Company intends that all payments and benefits provided under this Policy or otherwise are exempt from, or comply with, the requirements of Section 409A of the Code and any guidance promulgated thereunder (collectively, "**Section 409A**") so that none of the payments or benefits will be subject to the additional tax imposed under Section 409A, and any ambiguities herein will be interpreted in accordance with this intent. No payment or benefits to be paid to an Eligible Employee, if any, under this Policy or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Section 409A (together, the "**Deferred Payments**") will be paid or otherwise provided until such Eligible Employee has a "separation from service" within the meaning of Section 409A. If, at the time of the Eligible Employee's termination of employment, the Eligible Employee is a "specified employee" within the meaning of Section 409A, then the payment of the Deferred Payments will be delayed to the extent necessary to avoid the imposition of the additional tax imposed under Section 409A, which generally means that the Eligible Employee will receive payment on the first payroll date that occurs on or after the date that is 6 months and 1 day following his or her termination of employment. The Company reserves the right to amend the Policy as it deems necessary or advisable, in its sole discretion and without the consent of any Eligible Employee or any other individual, to comply with any provision required to avoid the imposition of the additional tax imposed under Section 409A or to otherwise avoid income recognition under Section 409A prior to the actual payment of any benefits or imposition of any additional tax. Each payment, installment, and benefit payable under this Policy is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2). In no event will the Company reimburse any Eligible Employee for any taxes that may be imposed on him or her as a result of Section 409A.

Parachute Payments:

Reduction of Severance Benefits. Notwithstanding anything set forth herein to the contrary, if any payment or benefit that an Eligible Employee would receive from the Company or any other party whether in connection with the provisions herein or otherwise (the "**Payment**") would (a) constitute a "parachute payment" within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended (the "**Code**"), and (b) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then such Payment will be equal to the Best Results Amount. The "**Best Results Amount**" will be either (x) the full amount of such Payment or (y) such lesser amount as would result in no portion of the Payment being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local employment taxes, income taxes and the Excise Tax, results in the Eligible Employee's receipt, on an after-tax basis, of the greater amount notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in payments or benefits constituting parachute payments is necessary so that the Payment equals the Best Results Amount, reduction will occur in the following order: reduction of cash

payments; cancellation of accelerated vesting of stock awards; reduction of employee benefits. In the event that acceleration of vesting of stock award compensation is to be reduced, such acceleration of vesting will be cancelled in the reverse order of the date of grant of the Eligible Employee's Equity Awards unless the Eligible Employee elects in writing a different order for cancellation. The Eligible Employee will be solely responsible for the payment of all personal tax liability that is incurred as a result of the payments and benefits received under this Policy, and the Eligible Employee will not be reimbursed by the Company for any such payments.

Determination of Excise Tax Liability. The Company will select a professional services firm to make all of the determinations required to be made under these paragraphs relating to parachute payments. The Company will request that firm provide detailed supporting calculations both to the Company and the Eligible Employee prior to the date on which the event that triggers the Payment occurs if administratively feasible, or subsequent to such date if events occur that result in parachute payments to the Eligible Employee at that time. For purposes of making the calculations required under these paragraphs relating to parachute payments, the firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith determinations concerning the application of the Code. The Company and the Eligible Employee will furnish to the firm such information and documents as the firm may reasonably request in order to make a determination under these paragraphs relating to parachute payments. The Company will bear all costs the firm may reasonably incur in connection with any calculations contemplated by these paragraphs relating to parachute payments. Any such determination by the firm will be binding upon the Company and the Eligible Employee, and the Company will have no liability to the Eligible Employee for the determinations of the firm.

Administration: The Policy will be administered by the Committee or its delegate (in each case, an "**Administrator**"). The Administrator will have full discretion to administer and interpret the Policy. Any decision made or other action taken by the Administrator with respect to the Policy and any interpretation by the Administrator of any term or condition of the Policy, or any related document, will be conclusive and binding on all persons and be given the maximum possible deference allowed by law. The Administrator is the "plan administrator" of the Policy for purposes of ERISA and will be subject to the fiduciary standards of ERISA when acting in such capacity.

Attorneys Fees: The Company and each Eligible Employee will bear their own attorneys' fees incurred in connection with any disputes between them.

Exclusive Benefits: Except as may be set forth in an Eligible Employee's Participation Agreement, this Policy is intended to be the only agreement between the Eligible Employee and the Company regarding any change of control or severance payments or benefits to be paid to the Eligible Employee on account of a termination of employment whether unrelated to, concurrent with, or following, a Change of Control. Accordingly, by executing a Participation Agreement, an Eligible Employee hereby forfeits and waives any rights to any severance or change of control benefits set forth in any employment agreement, offer letter, and/or Equity Award agreement, except as set forth in this Policy and in the Eligible Employee's Participation Agreement.

Tax Withholding: All payments and benefits under this Policy will be paid less applicable withholding taxes. The Company is authorized to withhold from any payments or benefits all federal, state, local and/or foreign taxes required to be withheld therefrom and any other required payroll deductions. The Company will not pay any Eligible Employee's taxes arising from or relating to any payments or benefits under this Policy.

Amendment or Termination: The Committee may amend or terminate the Policy at any time without advance notice to any Eligible Employee or other individual and without regard to the effect of the amendment or termination on any Eligible Employee or on any other individual. Notwithstanding the preceding, (a) any amendment to the Policy that causes an individual to cease to be an Eligible Employee will not be effective with respect to a Qualified Termination unless it is both approved by the Administrator and communicated to the affected individual(s) in writing at least 6 months prior to the effective date of the amendment or termination, and (b) no amendment or termination of the Policy will be made within 12 months following a Change of Control if such amendment or reduction would reduce the benefits provided hereunder or impair an Eligible Employee's eligibility under the Policy (unless the affected Eligible Employee consents to such amendment or termination). Any action in amending or terminating the Policy will be taken in a non-fiduciary capacity.

Claims Procedure: Any Eligible Employee who believes he or she is entitled to any payment under the Policy may submit a claim in writing to the Administrator. If the claim is denied (in full or in part), the claimant will be provided a written notice explaining the specific reasons for the denial and referring to the provisions of the Policy on which the denial is based. The notice will also describe any additional information needed to support the claim and the Policy's procedures for appealing the denial. The denial notice will be provided within 90 days after the claim is received. If special circumstances require an extension of time (up to 90 days), written notice of the extension will be given within the initial 90-day period. This notice of extension will indicate the special circumstances requiring the extension of time and the date by which the Administrator expects to render its decision on the claim.

Appeal Procedure: If the claimant's claim is denied, the claimant (or his or her authorized representative) may apply in writing to the Administrator for a review of the decision denying the claim. Review must be requested within 60 days following the date the claimant received the written notice of their claim denial or else the claimant loses the right to review. The claimant (or representative) then has the right to review and obtain copies of all documents and other information relevant to the claim, upon request and at no charge, and to submit issues and comments in writing. The Administrator will provide written notice of the decision on review within 60 days after it receives a review request. If additional time (up to 60 days) is needed to review the request, the claimant (or representative) will be given written notice of the reason for the delay. This notice of extension will indicate the special circumstances requiring the extension of time and the date by which the Administrator expects to render its decision. If the claim is denied (in full or in part), the claimant will be provided a written notice explaining the specific reasons for the denial and referring to the provisions of the Policy on which the denial is based. The notice will also include a statement that the claimant will be provided, upon request and free of charge, reasonable access to, and copies of, all documents and other information relevant to the claim and a statement regarding the claimant's right to bring an action under Section 502(a) of ERISA.

Successors: Any successor to the Company of all or substantially all of the Company's business and/or assets (whether direct or indirect and whether by purchase, merger, consolidation, liquidation or other transaction) will assume the obligations under the Policy and agree expressly to perform the obligations under the Policy in the same manner and to the same extent as the Company would be required to

perform such obligations in the absence of a succession. For all purposes under the Policy, the term "Company" will include any successor to the Company's business and/or assets which becomes bound by the terms of the Policy by operation of law, or otherwise.

Applicable Law: The provisions of the Policy will be construed, administered, and enforced in accordance with ERISA and, to the extent applicable, the internal substantive laws of the state of California (but not its conflict of laws provisions).

Definitions: Unless otherwise defined in an Eligible Employee's Participation Agreement, the following terms will have the following meanings for purposes of this Policy and the Eligible Employee's Participation Agreement:

"**Base Salary**" means the greater of: Eligible Employee's annual base salary as in effect immediately prior to (a) such Eligible Employee's Qualified Termination (or if the termination is due to a resignation for Good Reason based on a material reduction in base salary, then the Eligible Employee's annual base salary in effect immediately prior to such reduction) or (b) the Change of Control.

"**Board**" means the Board of Directors of the Company.

"**Cause**" means the occurrence of any of the following as determined in good faith by the Administrator: (a) the Eligible Employee's gross negligence or willful misconduct in the performance of duties to the Company that has resulted or is reasonably likely to result in damage to the Company or its subsidiaries as determined in good faith by the Administrator; (b) commission of any act of fraud, embezzlement, or dishonesty that has caused or is reasonably expected to result in injury to the Company (or any of its subsidiaries); (c) any material unauthorized use or disclosure of confidential and proprietary information or trade secrets of the Company (or a successor, if appropriate) or any other party to whom you owe an obligation of nondisclosure as a result of relationship with the Company (or any of its subsidiaries) as determined in good faith the Administrator; (d) conviction of, or plea of nolo contendere to, a felony or a crime involving moral turpitude or commission of any act of fraud with respect to the Company (or any of its subsidiaries); or (e) the Eligible Employee's material breach of any of his or her obligations under any written agreement or covenant with the Company (or any of its subsidiaries).

"**Change of Control**" means the occurrence of any of the following events:

(a) Change in Ownership of the Company. A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group ("**Person**"), acquires ownership of the stock of the Company that, with the stock held by such Person, constitutes more than 50% of the total voting power of the stock of the Company; provided, that for this subsection, the acquisition of additional stock by any one Person, who prior to such acquisition is considered to own more than 40% of the total voting power of the stock of the Company will not be considered a Change of Control. Further, if the stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company's voting stock immediately prior to the change in ownership, direct or indirect beneficial ownership of 50% or more of the total voting

power of the stock of the Company, such event shall not be considered a Change of Control under this clause (a). For this purpose, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(b) Change in Effective Control of the Company. If the Company has a class of securities registered under Section 12 of the Exchange Act, a change in the effective control of the Company which occurs on the date that a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purposes of this clause (b), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change of Control; or

(c) Change in Ownership of a Substantial Portion of the Company's Assets. A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, however, that for purposes of this subsection, the following will not constitute a change in the ownership of a substantial portion of the Company's assets: (1) a transfer to an entity that is controlled by the Company's stockholders immediately after the transfer, or (2) a transfer of assets by the Company to: (a) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock, (b) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by the Company, (c) a Person, that owns, directly or indirectly, 40% or more of the total value or voting power of all the outstanding stock of the Company, or (d) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a Person.

For this definition, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. For this definition, persons will be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing, a transaction will not be a Change of Control unless the transaction qualifies as a change in control event within the meaning of Section 409A (as defined below).

"**Change of Control Period**" will mean the period beginning on a Change of Control and ending 12 months following the Change of Control.

"**COBRA**" means the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.

"**Code**" means the Internal Revenue Code of 1986, as amended.

"**Disability**" means the Eligible Employee (a) is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, or (b) is, by reason of any medically determinable physical or mental impairment which can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of not less than 3 months under an accident and health plan covering Company employees.

"**Equity Award"** means, unless otherwise specified in an Eligible Employee's Participation Agreement, any equity-based award covering shares of the Company's common stock that was issued to the Eligible Employee either in connection with the Eligible Employee's (a) initial hiring by the Company (or any subsidiary of the Company) or (b) promotion to a position of greater title, authorities, responsibilities, and/or duties within the Company (or any subsidiary of the Company). For the avoidance of doubt, any other equity-based award shall not be an Equity Award under this Policy or the Eligible Employee's Participation Agreement.

"**Exchange Act**" means the Securities and Exchange Act of 1934, as amended.

"**Qualified Termination**" has the meaning set forth in the Eligible Employee's Participation Agreement.

Statement of ERISA Rights:

Eligible Employees have certain rights and protections under ERISA:

They may examine (without charge) all Policy documents, including any amendments and copies of all documents filed with the U.S. Department of Labor, such as the Policy's annual report (Internal Revenue Service Form 5500). These documents are available for review in the Company's Human Resources Department.

They may obtain copies of all Policy documents and other Policy information upon written request to the Plan Administrator. A reasonable charge may be made for such copies.

In addition to creating rights for Eligible Employees, ERISA imposes duties upon the people who are responsible for the operation of the Policy. The people who operate the Policy (called "fiduciaries") have a duty to do so prudently and in the interests of Eligible Employees. No one, including the Company or any other person, may fire or otherwise discriminate against an Eligible Employee in any way to prevent them from obtaining a benefit under the Policy or exercising rights under ERISA. If an Eligible Employee's claim for a severance benefit is denied, in whole or in part, they must receive a written explanation of the reason for the denial. An Eligible Employee has the right to have the denial of their claim reviewed. (The claim review procedure is explained above.)

Under ERISA, there are steps Eligible Employees can take to enforce the above rights. For instance, if an Eligible Employee requests materials and does not receive them within 30 days, they may file suit in a federal court. In such a case, the court may require the Administrator to provide the materials and to pay the Eligible Employee up to $110 a day until they receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If an Eligible Employee has a claim which is denied or ignored, in whole or in part, he or she may file suit in a state or federal court. If it should happen that an Eligible Employee is discriminated against for asserting their rights, he or she may seek assistance from the U.S. Department of Labor, or may file suit in a federal court.

In any case, the court will decide who will pay court costs and legal fees. If the Eligible Employee is successful, the court may order the person sued to pay these costs and fees. If the Eligible Employee loses, the court may order the Eligible Employee to pay these costs and fees, for example, if it finds that the claim is frivolous.

If an Eligible Employee has any questions regarding the Policy, please contact the Plan Administrator. If an Eligible Employee has any questions about this statement or about their rights under ERISA, they may contact the nearest area office of the Employee Benefits Security Administration (formerly the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in the telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W. Washington, D.C. 20210. An Eligible Employee may also obtain certain publications about their rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

EXHIBIT A

Change of Control and Severance Policy
Participation Agreement

This Participation Agreement ("**Agreement**") is made and entered into by and between on the one hand, and BlackLine, Inc. (the "**Company**") on the other.

You have been designated as eligible to participate in the Policy, a copy of which is attached hereto, under which you are eligible to receive the following severance payments and benefits upon a Qualified Termination, subject to the terms and conditions of the Policy.

Qualified Termination

COC Qualified Termination. Upon your COC Qualified Termination, you will be entitled to the following benefits, subject to your compliance with the Policy:

- **Equity Vesting**: 100% of the then-unvested shares subject to each of your then-outstanding Equity Awards will immediately vest and, in the case of options and stock appreciation rights, will become exercisable (for avoidance of doubt, no more than 100% of the shares subject to the outstanding portion of an Equity Award may vest and become exercisable under this provision). In the case of Equity Awards with performance-based vesting, unless otherwise determined by the Company and set forth in your Equity Award agreement, all performance goals and other vesting criteria will be deemed achieved at 100% of target levels. Any restricted stock units, performance shares, performance units, and similar full value awards that vest under this paragraph will be settled on the 61st day following your COC Qualified Termination.
- **Salary Severance**: You will be eligible to receive salary severance payment(s) in the amount of 6 months of your Base Salary, and payable in a lump sum on the 61st day following your Qualified Termination.
- **COBRA Benefit**: Upon a Qualified Termination, if you make a valid election under COBRA to continue your health coverage, the Company will pay or reimburse you for the cost of such continuation coverage for you and any of your eligible dependents that were covered under the Company's health care plans immediately prior to the date of such Qualified Termination until the earliest of (a) the end of the 6-month period following your Qualified Termination or (b) the date upon which you and/or your eligible dependents become covered under similar plans or (c) the date upon which you cease to be eligible for coverage under COBRA (the "**COBRA Coverage**"). Notwithstanding the preceding, if the Company determines in its sole discretion that it cannot provide the COBRA Coverage without potentially violating applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company will instead provide you a taxable lump-sum payment on the 61st day following your Qualified Termination, in an amount equal to 6 months of COBRA Coverage multiplied by the monthly COBRA premium that you would be required to pay to continue group health coverage for you and your eligible dependents, in each case, in effect on the date of the Qualified Termination based on the premium for the first month of COBRA coverage

(whichever of such taxable payments or the COBRA Coverage that the Company actually provides, the "**COBRA Benefit**"). If the Company provides for a taxable cash payment in lieu of the COBRA Coverage, then such cash payment will be made regardless of whether you elect COBRA continuation coverage and such payment will be made in full on the 61st day following your Qualified Termination.

Non-COC Qualified Termination. Upon your Non-COC Qualified Termination, you will be entitled to the payments and benefits set forth in the "Salary Severance" and "COBRA Benefits" sections above, subject to your compliance with the Policy.

"**Qualified Termination**" means either (i) a termination of your employment by the Company (or any of its subsidiaries) other than for Cause, death, or Disability or by you for Good Reason, in either case, during the Change of Control Period (a "**COC Qualified Termination**") or (ii) a termination of your employment by the Company (or any of its subsidiaries) other than for Cause, death, or Disability outside the Change of Control Period (a "**Non-COC Qualified Termination**").

"**Good Reason**" means your termination of employment with the Company (or any of its subsidiaries) in accordance with the next sentence after the occurrence of one or more of the following events without your consent: (a) a material reduction in your authority, duties, or responsibilities with the Company or a subsidiary of the Company in effect immediately prior to such reduction, provided that, neither a mere change in title alone nor reassignment following a Change of Control to a position that is substantially similar to the position held prior to the Change of Control in terms of job authority, duties, and responsibilities shall constitute grounds for "Good Reason" by itself; (b) a material change in the geographic location at which you must be principally located, provided that a change in office location of greater than 40 miles from your home will be such a material change in geographic location; (c) a material reduction by the Company or a subsidiary of the Company in your base compensation or annual target bonus, in each case, as in effect immediately prior to such reduction other than in connection with a general reduction of base compensation and/or annual target bonus for officers at the Company or its subsidiaries; or (d) any material breach by the Company or a subsidiary of the Company of the agreement under which you provide services to the Company or such subsidiary. To terminate for Good Reason, you must first provide the Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within 90 days of the initial existence of the grounds for "Good Reason" and a cure period of 30 days following the date of written notice (the "**Cure Period**"), such grounds must not have been cured during such time, and you must terminate your employment within 60 days following the Cure Period.

Other Provisions

You agree that the Policy and the Agreement constitute the entire agreement of the parties hereto and supersede in their entirety all prior representations, understandings, undertakings or agreements (whether oral or written and whether expressed or implied) of the parties, and will specifically supersede any severance and/or change of control provisions of any offer letter, employment agreement, or Equity Award agreement entered into between you and the Company.

This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

By its signature below, each of the parties signifies its acceptance of the terms of this Agreement, in the case of the Company by its duly authorized officer effective as of the last date set forth below.

1. Duties and Scope of Employment.

(a) During the Employment Term, Executive will serve as the Company's Chief Executive Officer reporting to the Company's Board of Directors (the "**Board**"), and will perform the duties, consistent with this position, as the Board may assign.

(b) During the Employment Term, Executive will perform Executive's duties faithfully and to the best of her ability and will devote her full business efforts and time to the Company. For the duration of the Employment Term, Executive agrees not to actively engage in any other employment, occupation or consulting activity for any direct or indirect remuneration without the prior approval of the Board. Executive may engage in charitable, civic educational or community activities may continue to serve on existing boards of directors and advisory boards previously disclosed to the Company, and may manage her personal investments; provided that such activities do not materially interfere with her duties and obligations to the Company.

2. Employment Term. Subject to the provisions of Section 5, beginning on the Effective Date and, continuing until the day prior to the third anniversary of the Effective Date, Executive will be employed with the Company on the terms and subject to the conditions set forth in this Agreement (the "**Initial Term**"); provided, however, that beginning on the end date of the Initial Term and on each one year anniversary thereafter (each an "**Extension Date**"), the Employment Term (as defined below) will be automatically extended for an additional one-year period, unless the Company or Executive provides the other party written notice at least 30 calendar days before the Extension Date that the Employment Term will not be extended. The Initial Term as it may be extended from time to time shall be defined as the "Employment Term". If a Change in Control occurs during the Term then this Agreement will be automatically extended so that it extends until the 2nd anniversary of the Change in Control. If an event that would be Good Reason occurs within 120 days of the end of the Term, the Term will be extended to the 121st date after the occurrence of the event.

3. Compensation.

(a) Base Salary. The Company will pay Executive an annual salary of $350,000, as compensation for services (the "**Base Salary**"). The Base Salary will be paid according to the Company's normal payroll practices and subject to the usual and required withholdings. Executive's Base Salary will be reviewed and adjusted annually by the Board or an authorized committee of the Board (either, a "**Committee**").

(b) Annual Bonus. Executive is eligible to earn a target annual bonus of 100% of Executive's Base Salary based upon achievement of performance objectives to be determined by the Committee in its sole discretion after conferring with Executive and payable upon achievement of those applicable objectives, subject to minimum and maximum limits as established by the Committee (the "**Annual Bonus**"). If the Committee, in its sole discretion, determines the applicable performance objectives are achieved in a manner that would result in a payment of the Annual Bonus (or portion thereof), such amount will be paid when practicable after the Committee determines the relevant performance objectives have been achieved, subject to Executive being employed on the date of payment; provided, however, that if the Employment Term is not extended as a result of a notice from the Company or Executive to the other, Executive only shall be required to be employed on the last day of a performance period in order to be eligible for the annual bonus for such performance period and the annual bonus for such performance period shall be paid no later than 2 ½ months following the end of such performance period . The Committee may modify the structure and performance objectives used for Annual Bonus determinations.

(c) Equity Compensation. During the Employment Term, Executive will be eligible to be granted additional equity awards to purchase shares of the Company's common stock (the "**Equity Awards**") under (and therefore subject to all terms and conditions of) plans or programs as the Company may from time to time adopt (the "**Equity Documents**"). The size and type of Equity Award, and the terms and conditions applicable thereto, will be determined by the Committee, in its discretion and under the Equity Documents pursuant to which the applicable Equity Award is granted.

4. Employee Benefits.

(a) Executive will be entitled to participate in the employee benefit plans maintained by the Company and generally applicable to senior executives of the Company, subject to the terms and conditions of those plans. The Company may cancel or change the benefit plans and programs it offers and those changes will not breach this Agreement. The Company agrees to reimburse Executive for up to $10,000 in legal fees related to the negotiation and drafting of this Agreement.

(b) Upon the submission of proper substantiation by Executive, and subject to such rules and guidelines as the Company may from time to time adopt with respect to the reimbursement of expenses of employee personnel, the Company shall reimburse Executive for all reasonable expenses actually paid or incurred by Executive during the Employment Term in the course of and pursuant to the business of the Company. Executive will account to the Company in writing for all expenses for which reimbursement is sought and will supply to the Company copies of all relevant invoices, receipts or other evidence reasonably requested by the Company.

(c) During the Employment Term, Executive will be provided coverage under the Company's liability insurance policy for directors and officers and form of indemnification agreement as in effect for other directors and senior executives of the Company, subject to the terms and conditions of those arrangements.

5. Termination of Employment; Severance.

(a) At-Will Employment. Executive and the Company agree that Executive's employment with the Company will be "at-will" employment and may be terminated at any time with or without Cause or notice. Executive understands and agrees this at-will employment relationship will not be modified or amended unless it is done in a writing that complies with Section 10(f) and Section 10(i) and explicitly references this Section 5(a). Executive's employment will terminate upon the earlier to occur of (i) a termination by the Company with or without Cause, (ii) Executive's Disability or death, (iii) a resignation by Executive with or without Good Reason, or (iv) upon the termination of the Employment Term.

(b) Terminations of Employment. Executive's employment may be terminated under a scenario addressed in this Section 5(b). Upon any termination of employment, Executive will receive benefits described in Section 5(b)(i). Depending on the circumstances of the termination of employment, subject to the conditions in Section 6, Executive may be entitled to a lump sum payment of the amounts listed under one of Section 5(b)(ii), Section 5(b)(iii), or Section 5(b)(iv). Executive agrees that if Executive owns or beneficially owns less than 5% of the Company's fully diluted equity, upon termination of Executive's employment for any reason, Executive will resign as of the date of such termination and to the extent applicable, from the Board (and any committees thereof), the board of directors (and any committees thereof) of any of the Company's subsidiaries or affiliates. Executive agrees that upon termination of Executive's employment for any reason, Executive will resign as of the date of such termination from any other employment positions Executive holds with the Company or any of its subsidiaries or affiliates.

(i) Termination for Cause or Resignation Other Than for Good Reason. Executive's employment may be terminated for Cause, effective upon the Company's delivery to Executive of a Notice of Termination or the Executive may resign. If Executive's employment is terminated for Cause or Executive resigns other than for Good Reason, Executive will receive:

(1) the Base Salary accrued through the termination date, payable under the Company's usual payment practices;

(2) reimbursement within 60 days following submission by Executive to the Company of appropriate supporting documentation for any unreimbursed business expenses properly incurred by Executive prior to the termination date; provided that claims for reimbursement are submitted, under Company policy, to the Company within 90 days following the termination date; and

(3) any fully vested and non-forfeitable employee benefits to which Executive may be entitled under the Company's employee benefit plans (other than benefits in the nature of severance pay) (the amounts described in clauses (1) through (3) above are referred to later as the "**Accrued Obligations**").

(ii) Termination by Reason of Disability or Death. Executive's employment may be terminated effective upon the Company's delivery to Executive of a Notice of Termination if Executive becomes Disabled and will automatically terminate upon Executive's death. Upon termination of Executive's employment for either Disability or death, Executive or Executive's estate (as the case may be) will receive:

(1) Accrued Obligations;

(2) any earned but unpaid Annual Bonus for a prior year. For the avoidance of doubt, if Executive is terminated after the end of a fiscal year but before annual bonuses are approved and paid to other senior executives in the normal course of business, then Executive will receive an Annual Bonus for the prior fiscal year, the actual amount of which will still be subject to the achievement of any performance targets as established by the Committee, the achievement of which will be determined by the Committee. Any payment under this Section 5(b)(iii)(2) will be paid no later than one day prior to the date that is 2 ½ months following the last day of the fiscal year in which such termination occurred. The amount payable under this paragraph hereinafter referred to as the "**Prior Year Bonus**;" and

(3) an amount equal to a prorated earned portion of the target Annual Bonus for the year of termination that would have been paid to Executive had Executive been employed by the Company for the entire fiscal year that contained the date of Executive's death or disability.

(iii) Termination Without Cause, Non-Renewal by the Company, or Resignation for Good Reason. Executive's employment may be terminated without Cause effective upon the Company's delivery to Executive of a Notice of Termination, at the End of the Employment Term as a result of the Company providing Executive with a notice of its intention not to extend the Employment Term ("Non-Renewal"), or by Executive's resignation for Good Reason effective 30 days following delivery to the Company of Notice of Termination provided such delivery is within 90 days following the occurrence of events that result in Good Reason. No resignation for Good Reason will be effective unless during the 30-day period following the delivery of the Notice of Termination, the Company has not cured the events that result in Good Reason. If Executive's employment is terminated without Cause (other than by reason of death or Disability), as a result of Non-Renewal, or if Executive resigns for Good Reason, Executive will receive:

(1) the Accrued Obligations;

(2) any Prior Year Bonus;

(3) a payment equal to 18 months of Executive's Base Salary as then in effect;

(4) a payment equal to the premium costs for Executive and her eligible dependents to continue health insurance coverage under COBRA for 18 months; and

(5) an amount equal to a prorated portion of the earned Annual Bonus for the year of termination that would have been paid to Executive had Executive been employed by the Company for the entire fiscal year that contained the date of Executive's termination, based on actual performance for such fiscal year (and assuming that any performance objectives that are based on individual performance are achieved at target levels).

(iv) Termination of Employment in Connection with Change of Control. If Executive's employment is terminated under circumstances that would entitle Executive to payment of benefits under Section 5(b)(iii) and such termination of employment occurs in connection with or within 3 months before or within 24 months after a Change of Control, then Executive will receive the benefits described in Sections 5(b)(iii)(1) through (4), but the payment in Section 5(b)(iii)(3) will be equal to 12 months of Executive's Base Salary as then in effect or, if greater, as in effect immediately prior to the Change of Control, the health insurance coverage payment in Section 5(b)(iii)(4) will be for 12 months, and Executive will be entitled to accelerated vesting of 100% of the then-unvested Equity Awards at Executive's termination date.

(c) Exclusive Remedy. If a termination of Executive's employment with the Company (or any successor) occurs, the provisions of this Section 5 are intended to be and are exclusive and in lieu of any other rights or remedies to which Executive or the Company (or any successor) may otherwise be entitled, whether at law, tort or contract, in equity, or under this Agreement. Executive will be entitled to no severance or other benefits upon termination of employment other than those benefits expressly set forth in this Section 5.

6. Conditions to Receipt of Severance; No Duty to Mitigate.

(a) Separation Agreement and Release of Claims. Executive will not receive severance pay or benefits other than the Accrued Obligations unless (i) Executive signs and does not revoke a separation agreement and release of claims in the form consistent with the form attached as Exhibit B hereto (the "**Release**") and (ii) such Release becomes effective and irrevocable no later than sixty (60) days following the termination date (such deadline, the "**Release Deadline**"). If the Release does not become effective and irrevocable by the Release Deadline, Executive will forfeit any rights to severance or benefits under this Agreement. All payments will be made upon the effectiveness of the Release but will be delayed until a subsequent calendar year if necessary so their timing does not result in penalty taxation under Section 409A. Severance payments or benefits will not be paid or provided until the Release becomes effective and irrevocable. For avoidance of doubt, although Executive's severance payments and benefits are contractual rights, not "damages," Executive is not required to seek other employment or otherwise "mitigate damages" as a condition of receiving such payments and benefits.

(b) If any amount or benefit that would constitute non-exempt "deferred compensation" under Internal Revenue Code ("**Code**") Section 409A would be payable under this Agreement by reason of Executive's "separation from service" during a period in which Executive is a "specified employee" (within the meaning of Code Section 409A as determined by the Company), then any payment or benefits will be delayed until the earliest date on which they could be paid or distributed without being subject to penalty taxation under Code Section 409A.

(c) Each payment and benefit payable under this Agreement is intended to constitute a separate payment under Treasury Regulations Section 1.409A-2(b)(2).

(d) Executive's receipt of any payment or benefits other than Accrued Obligations will be subject to Executive continuing to comply with her confidentiality obligations to the Company under the Confidentiality Agreement and Section 9.

7. Definitions.

(a) Cause means the occurrence of one or more of the following events or circumstances as determined in good faith by the Board (excluding, for this purpose and any other references in this Section 7(a), Executive): (i) Executive's gross negligence or willful misconduct in the performance of duties to the Company as determined in good faith by the Board, (ii) commission of any act of fraud, embezzlement, or dishonesty, in each case, that results in material harm to the Company (iii) any material unauthorized use or disclosure of any confidential and proprietary information or trade secrets of the Company (or a successor, if appropriate) or any other party to whom Executive owes an obligation of nondisclosure as a result of Executive's service relationship with the Company (or a successor, if appropriate) as determined in good faith by the Board, (iv) conviction of an act that constitutes a felony (other than a driving offense related solely to driving in excess of the speed limit) or a crime involving moral turpitude, or (v) Executive's material breach of any of Executive's material obligations under this Agreement or any other written agreement or covenant with the Company (or a successor, if appropriate).

(b) Change of Control means the occurrence of any of the following events:

(i) Change in Ownership of the Company. A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group (**"Person"**), acquires ownership of the stock of the Company that, with the stock held by such Person, constitutes more than 50% of the total voting power of the stock of the Company; provided, that for this subsection, the acquisition of additional stock by any one Person, who prior to such acquisition is considered to own more than 40% of the total voting power of the stock of the Company will not be considered a Change of Control. Further, if the

stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company's voting stock immediately prior to the change in ownership, direct or indirect beneficial ownership of 50% or more of the total voting power of the stock of the Company, such event shall not be considered a Change of Control under this clause (i). For this purpose, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(ii) Change in Effective Control of the Company. If the Company has a class of securities registered under Section 12 of the Securities and Exchange Act of 1934, as amended, a change in the effective control of the Company which occurs on the date that a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purposes of this clause (ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change of Control; or

(iii) Change in Ownership of a Substantial Portion of the Company's Assets. A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, however, that for purposes of this subsection, the following will not constitute a change in the ownership of a substantial portion of the Company's assets: (1) a transfer to an entity that is controlled by the Company's stockholders immediately after the transfer, or (2) a transfer of assets by the Company to: (a) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock, (b) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by the Company, (c) a Person, that owns, directly or indirectly, 40% or more of the total value or voting power of all the outstanding stock of the Company, or (d) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a Person.

For this definition, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. For this definition, persons will be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing, a transaction will not be a Change of Control unless the transaction qualifies as a change in control event within the meaning of Code Section 409A and the official guidance thereunder.

(c) Disabled means physically or mentally incapacitated and unable for a period of six (6) consecutive months or for an aggregate of nine (9) months in any twenty-four (24) consecutive month period to perform Executive's duties (such incapacity is a "**Disability**"). Any question as to the existence of a Disability will be determined in writing by a qualified independent physician mutually acceptable to Executive and the Company. If Executive and the Company cannot agree as to a qualified independent physician, each will appoint a physician and those two physicians will select a third physician who will make such determination in writing. The determination will be final and conclusive for this Agreement.

(d) Good Reason means the occurrence of one or more of the following events without Executive's express consent: (i) a material reduction of Executive's Base Salary (except where there is a pro-rata reduction applicable to the management team generally), or (ii) a material change in the geographic location at which Executive must perform her services; provided, that in no instance will the relocation of Executive to a

facility or a location of fifty (50) miles or less from Executive's then current office location be deemed material for purposes of this Agreement, or (iii) a material reduction of Executive's authorities, duties or responsibilities, including after a Change of Control (1) the assignment of responsibilities, duties, reporting relationship or position that are not at least the substantial functional equivalent of the Executive's position occupied immediately preceding the Change of Control, including the assignment of responsibilities, duties, reporting relationship or position that are not in a substantive area that is consistent with the Executive's experience and the position occupied prior to the Change of Control or (2) a material diminution in the budget and number of subordinates over which the Executive's retains authority;

8. Limitation on Payments; Section 280G. If any severance or other benefits payable to Executive under this Agreement or otherwise (the "**Payments**") (i) are "parachute payments" within the meaning of Code Section 280G and (ii) but for this Section 8, would be subject to the "golden parachute" excise tax imposed by Section 4999 of the Code, then the Payments will reduced to a level that will result in no tax under Code Section 4999 unless it would be better economically for Executive to receive all of the Payments and pay the excise tax. If a reduction in the Payments is necessary for this purpose, then the reduction will occur in the following order (1) reduction of the cash severance payments; (2) reduction of continued employee benefits; and (3) cancellation of accelerated vesting of equity awards . If the acceleration of vesting of equity award compensation is to be reduced, that acceleration of vesting will be cancelled in the reverse order of the date of grant of Executive's equity awards. Any determination required under this Section 8 will be made in writing by a nationally recognized accounting firm chosen by the Company immediately prior to a Change of Control and paid for by the Company and that determination will be conclusive and binding upon Executive and the Company for all purposes.

9. Covenants.

(a) Executive is entering into in connection herewith the Company's confidential information and inventions assignment agreement attached as Exhibit A ("**Confidentiality Agreement**") and agrees that it will remain in effect during the Employment Term and thereafter pursuant to its terms.

(b) To the fullest extent permitted under applicable law, during the Employment Term and continuing for a period of 1 year after the date Executive's service relationship with the Company terminates for any reason, whether voluntary or involuntary, with or without Cause, Executive agrees not to:

(i) directly or indirectly solicit any of the employees of the Company or any subsidiary or affiliate of the Company to leave their employment, with the exception of Isaac Tucker, son of Therese Tucker. Executive agrees that nothing in this Section 9(b) shall affect Executive's continuing obligations under this Agreement or any other written agreement between Executive and the Company during and after such 1-year period, including, without limitation, any obligations under the Confidentiality Agreement.

(ii) make any public statement that is intended, or may reasonably be expected to harm the reputation, business, prospects or operations of the Company or any of its subsidiaries, any of the investment funds invested in the Company or any affiliated funds (all of the foregoing collectively, the **"Company Group"**); provided, that the non-disparagement provisions of this Section 9(b) will not apply to any statements that Executive makes in addressing any disparaging statements made by the Company Group or their respective officers and/or its directors regarding Executive or Executive's performance as an employee of the Company so long as Executive's statements are truthful. The Company and its subsidiaries and affiliates shall instruct their respective officers and directors to refrain from making any disparaging statements about Executive for the same period for which Executive is subject to the non-disparagement provisions of this Section 9(b); provided, however, that the non-disparagement provisions will not apply to any statements that the Company or any of its subsidiaries or affiliates, or their respective officers and directors make in addressing any disparaging statements made by Executive regarding the Company Group or its officers and directors so long as such statements are truthful. Executive and the Company expressly consider the restrictions contained in this Section 9(b) to be reasonable.

10. Miscellaneous.

(a) Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of California, without regard to conflicts of laws principles thereof.

(b) Entire Agreement. This Agreement, along with the Confidentiality Agreement and the Equity Documents (to the extent and as applicable), contains the entire understanding of the parties with respect to Executive's employment and supersedes any prior agreements or understandings (including verbal agreements) between the parties relating to the subject matter of this agreement. There are no restrictions, agreements, promises, warranties, covenants or undertakings between the parties with respect to the subject matter herein other than those expressly set forth herein. Notwithstanding the foregoing, Executive shall be covered by the Company's applicable liability insurance policy and its indemnification provisions for actions taken on behalf of the Company during the course of Executive's employment. This Agreement may not be altered, modified, or amended except by written instrument signed by the parties that references this Section 10(b).

(c) Severability. In the event that any one or more of the provisions of this Agreement will be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement will not be affected.

(d) Assignment. This Agreement, and all of Executive's rights and duties under it, are not assignable or delegable by Executive. Any purported assignment or delegation by Executive will be null and void. This Agreement may be assigned by the Company to a person or entity which is an affiliate or a successor in interest to substantially all of its business operations. Upon such assignment, the rights and obligations of the Company hereunder will become the rights and obligations of such affiliate or successor person or entity.

(e) Successors; Binding Agreement. This Agreement will inure to the benefit of and be binding upon personal or legal representatives, executors, administrators, successors and heirs.

(f) Notice. The notices and all other communications provided for in this Agreement will be deemed to have been duly given when delivered by hand or overnight courier addressed to the addresses set forth below, or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notice of change of address will be effective only upon receipt.

Executive acknowledges that she has had the opportunity to discuss this matter with and obtain advice from his private attorney, has had sufficient time to, and has carefully read and fully understands all the provisions of this Agreement, and is knowingly and voluntarily entering into this Agreement.

(h) Cooperation. Subject to the Company's compliance with Section 9(b) and this Section 10(h), Executive will provide Executive's reasonable cooperation in connection with any action or proceeding (or any appeal from any action or proceeding) which relates to events occurring during Executive's employment with the Company or its affiliates. Executive's cooperation pursuant to this Section 10(h) will be at no cost to Executive, and if such cooperation occurs after the termination of this Agreement, Company will promptly

EXHIBIT A

CONFIDENTIAL INFORMATION AND INVENTIONS ASSIGNMENT AGREEMENT

This Confidential Information and Inventions Assignment Agreement ("Agreement") is entered into by and between BlackLine Systems, Inc. ("Company"), and the undersigned individual ("Recipient") (each, a "Party" and, collectively, the "Parties"). The Effective Date of this Agreement is the earlier of the date on which it is executed by the Parties or the first date on which Company disclosed, or discloses, to Recipient any "Confidential Information" (as defined below).

RECITALS

A. In connection with Recipient's employment by Company, Company has provided or will provide Recipient with access to, or Recipient will otherwise become acquainted with, Confidential Information of Company. Such access to Confidential Information is granted only because it has been deemed essential to Recipient performing the duties of his or her employment.

B. The business in which Company is engaged is highly competitive, and Company's success is, and will continue to be, based substantially on Company's Confidential Information.

NOW THEREFORE, in consideration for Company allowing Recipient access to Confidential Information, and as an express condition of such access and Recipient's employment or continuing employment by Company, Recipient and Company hereby enter into this Agreement in accordance with the terms below.

AGREEMENT

1. **Confidential Information Defined**. "Confidential Information" means (a) Company's "trade secrets" as defined in California Civil Code section 3426 et seq. and/or as defined in any applicable jurisdiction; (b) Company's proprietary information; (c) information held in trust or confidence by Company for any customer, supplier or other third party; (d) any information relating to the business, finances or operations of Company that is not generally known outside of Company; and/or (e) without limitation, information disclosed to Recipient, or known by Recipient, as a direct or indirect result of Recipient's employment with Company, concerning any of the following: Company's technology, current and prospective programs, processes, improvements, research, developments, discoveries, inventions, computer hardware and computer software including, without limitation, source code and object code; Company's current and prospective vendors, suppliers, partners, resellers, licensors, licensees and consultants, and the terms of the business relationships between Company and any of them; Company's accounting, sales, marketing and administrative processes and procedures; Company's contemplated trademarks, servicemarks, tradenames and patents; Company's employees; the identities, goals, needs, business operations and strategic plans of individuals and entities currently or prospectively served by Company ("Clients"), and the terms on which such Clients do business or seek to do business with Company. Information is Confidential Information whether it is intangible (such as a fact known to Recipient but not recorded), recorded in written form (as in a letter, memo or other document) or otherwise recorded (as in a photograph, film, computer disk or other storage medium). By signing this Agreement, Recipient acknowledges understanding: (i) that the Confidential Information has independent economic value to Company and is not readily ascertainable from public sources; (ii) that Company has expended considerable time and effort to develop, compile and protect the secrecy of its Confidential Information; and (iii) that the Confidential Information has been expressly identified to Recipient as a valuable trade secret or other intellectual property of Company. Strictly with respect to this Agreement, "employment" as used herein shall include contractors and consultants.

2. **Exceptions to Confidential Information.** Information shall not be Confidential Information if Recipient can document that such information: (a) is in the public domain through no act or failure to act on the part of Recipient; (b) was lawfully known to Recipient, without any obligation of confidentiality, at the time such information was received from or otherwise disclosed by Company; or (c) was lawfully disclosed to Recipient by a third party without a breach of any obligation and without restriction. Moreover, nothing in this Agreement is intended to or does prevent Recipient from disclosing Confidential Information to the extent such disclosure is required in response to a valid subpoena or other legal process, provided that before making such disclosure, Recipient shall furnish Company with advance notice of such subpoena or other legal process and allow Company sufficient time to obtain, in Company's discretion, an appropriate protective order or otherwise oppose or limit such disclosure.

3. **Safeguarding Confidential Information.** Recipient will hold in confidence and not possess or use any Confidential Information except to the extent actually required to perform the duties of his or her employment with Company, and will not disclose any Confidential Information except as expressly permitted by this Agreement. Recipient shall not disseminate, share, post, sell and/or license the Confidential Information except as expressly permitted by this Agreement. Recipient shall not publish, authorize or cause to be published, or otherwise assist or cooperate in the preparation or presentation of, any publication of any kind that includes or makes use of any Confidential Information. Recipient understands and agrees that all communications in public concerning Confidential Information, even with fellow employees and independent contractors of Company, constitute a breach of this Agreement if such communications might reasonably be overheard by a third party. Recipient will use Recipient's best efforts at all times to safeguard all Confidential Information from loss, theft, damage and destruction. Recipient will not reverse engineer or attempt to derive the composition or underlying information, structure or

ideas of any Confidential Information, no matter how such Confidential Information was obtained by Recipient. Recipient hereby acknowledges that Recipient has no right, title or interest in any Confidential Information, and no right to make any use of such Confidential Information except as expressly set forth in this Agreement. Any gain or profit of any kind or nature obtained or derived by Recipient from the use or exploitation of Confidential Information shall be held in trust by Recipient for the express benefit of Company and shall be remitted to Company by Recipient, unless Recipient establishes that such use or exploitation did not violate the terms of this Agreement.

4. **Return of Confidential Information.** Upon the ending of Recipient's employment with Company for any reason, or if requested by Company at any time, Recipient will promptly return to Company all Confidential Information and all copies, extracts and other objects or items in which any Confidential Information is contained or embodied.

5. **Notification of Unauthorized Use.** Recipient will immediately notify Company of any unauthorized use, release or disclosure of Confidential Information.

6. **Business Opportunities.** Recipient understands and acknowledges that Company is engaged in providing software designed to automate and control the entire financial close process ("Company Business"). Recipient agrees that except for "Excluded Inventions" (as defined below), all business opportunities that are conceived by Recipient while employed by Company, whether conceived solely or jointly with others, which are related to Company Business or capable of beneficial use by Company, as determined in the sole discretion of Company (all the foregoing, "Business Opportunities"), shall be immediately disclosed to Company by Recipient in writing. Unless the Company's Chief Executive Officer, in each instance, rejects a Business Opportunity in writing, Recipient shall have no right or authority to pursue such Business Opportunity on his or her own behalf or on behalf of any person or entity other than Company.

7. **Inventions Retained.** Recipient has attached hereto, as Exhibit A, a list describing with particularity all inventions, original works of authorship, developments, improvements, and trade secrets which were made by Recipient prior to the commencement of employment with Company (collectively, the "Prior Inventions"), which belong solely to Recipient or belong to Recipient jointly with another, which relate in any way to any of the Company's proposed businesses, products or research and development, and which are not assigned to the Company hereunder; or, if no such list is attached, Recipient represents that there are no such Prior Inventions. If, in the course of Recipient's employment with the Company, Recipient incorporate into a Company product, process or machine a Prior Invention owned by Recipient or in which Recipient has an interest, the Company is hereby granted and shall have an exclusive, royalty-free, irrevocable, perpetual, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, sell and otherwise distribute such Prior Invention as part of or in connection with such product, process or machine. Recipient agrees to keep and maintain adequate and current written records of all Inventions made by Recipient (solely or jointly with others) during the term of Recipient's employment with the Company. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, notebooks, and any other format. The records will be available to and remain the sole property of the Company at all times. Recipient agrees not to remove such records from the Company's place of business except as expressly permitted by Company policy which may, from time to time, be revised at the sole election of the Company.

8. **Work Product.**

   a. Company shall be the sole owner, in perpetuity, throughout the universe in any and all languages, of all right, title and interest in and to the results and proceeds of Recipient's services performed for or on behalf of Company ("Work Product"), whether under a current written or oral employment agreement, a prior employment agreement or any other agreement. Such Work Product includes, without limitation, all material of any kind and nature whatsoever – whether tangible or intangible – produced, conceived, developed, acquired, obtained, created and/or furnished by or submitted to Recipient prior to or during Recipient's employment by Company, including without limitation, all materials, ideas, concepts, formats, suggestions, developments, arrangements, packages, computer programs, source code, object code, documentation, plans, drawings, designs, specifications, calculations, renderings, models, prototypes, copyrights and other intellectual property or intangible rights. Any work in connection with such services shall be considered a "work made for hire" under the Copyright Law of the United States, and Recipient recognizes and agrees that Company is the sole author and copyright (and any other intellectual property) holder of such work. Any Work Product created and/or submitted to Company during Recipient's employment shall automatically become the sole property of Company.

   b. To the extent any Work Product is not created as a work-for-hire, Recipient hereby transfers and agrees to transfer and assign to Company all rights and materials related to or comprising the Work Product including, but not limited to, all intellectual property rights, including but not limited to, copyrights, patents, trade secrets, and similar protections and renewals and extensions thereto and any and all causes of action that have accrued or may accrue in Recipient's favor for infringement. Recipient shall, at Company's request, execute and deliver to Company such documents or other instruments as Company may from time to time reasonably deem necessary or desirable to evidence, maintain, perfect, protect, enforce or defend Company's right, title and interest in and to the Work Product and to carry out the intent and purposes of this section. In the event that Recipient fails to execute, acknowledge or deliver promptly to Company any agreements, assignments, quitclaims or other instruments required by Company

hereunder, Company is hereby irrevocably appointed Recipient's attorney-in-fact (which agency shall be deemed coupled with an interest) with full right, power and authority to execute, acknowledge, verify and deliver the same in the name of and on behalf of Recipient. Recipient represents, warrants and agrees that the Work Product is and shall be free and clear of any claims by Recipient (or anyone claiming under Recipient) of any kind or character whatsoever. Neither the suspension nor termination of Recipient's employment nor the expiration of this Agreement will in any way adversely affect Company's ownership of the Work Product.

c. Company shall have the right, but not the duty, to use, adapt and change the Work Product, or any part thereof, and to combine the same with other works, and to vend, copy, publish, reproduce, record, transmit, and communicate the same by any means now known or hereafter devised, either publicly or otherwise, and for profit or otherwise, throughout the world in perpetuity. Recipient waives any so-called "moral rights" which may now or hereafter be recognized, including, without limitation, any right (i) to approve such revisions, deletions, abridgments or other changes in the Work Product; or (ii) to withdraw the Work Product from distribution. The rights granted herein include, but are not limited to, the right to make foreign versions and translations of the Work Product.

d. This Agreement shall inure not only to Company's benefit, but also to the benefit of all parties who may hereafter acquire the right to distribute, exhibit, advertise and/or exploit any Work Product. Company may release the Work Product in which Recipient's services appear under any company name or trademark, trade name, etc., designated by Company.

e. Notwithstanding the foregoing, Recipient hereby acknowledges that if Recipient is a California employee, Company has notified Recipient that any assignment otherwise provided for in this section shall not apply to any invention that qualifies fully for exemption from assignment under the provisions of Section 2870 of the California Labor Code ("Excluded Inventions"), which provides as follows:

"(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either: (1) relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) result from any work performed by the employee for the employer. (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable."

9. **No Obligation to Disclose.** Recipient acknowledges and agrees that this Agreement does not obligate Company to disclose any information to Recipient.

10. **Not an Employment Agreement.** Recipient agrees and understands that nothing in this Agreement is intended to, or does, confer upon recipient any right to continuing employment. If recipient is otherwise an at-will employee of Company, this Agreement shall in no way modify or interfere with that status.

11. **Provisions relating to Third Parties.**

a. Recipient represents that Recipient's performance of his or her obligations under this Agreement does not and will not breach any agreement with, or obligation to, any third party to keep in confidence information acquired by Recipient in confidence or in trust. Recipient has not entered into, and Recipient agrees that Recipient will not enter into, any agreement, either written or oral, in conflict with this Agreement.

b. Recipient acknowledges that Company has received, and in the future will receive, from third parties confidential or proprietary information ("Third Party Information") subject to a duty on Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Recipient will hold in confidence and not possess or use any Third Party Information except to the extent actually required to perform the duties of his or her employment with Company, and will not disclose any Third Party Information except as expressly permitted by this Agreement.

c. Recipient will not improperly use or disclose any confidential information or trade secrets, if any, of any former employer or any other person or entity to whom Recipient has an applicable obligation of confidentiality.

d. Recipient hereby consents to Company notifying any person or entity, now or in the future, of Recipient's obligations under this Agreement.

12. **Equitable Relief.** Recipient acknowledges and agrees that due to the unique nature of the Confidential Information, any breach of this Agreement by Recipient would cause irreparable harm to Company for which damages would not be an adequate remedy, and that Company will therefore be entitled to seek injunctive and other equitable relief, in addition to all other remedies available at law, to the extent such remedy is consistent with any arbitration agreement entered into between the Parties.

13. **Continuing Obligation of Confidentiality.** Recipient's obligations under this Agreement shall remain in force with respect to any particular Confidential Information unless and until Recipient can document that such information falls into one of the exceptions expressly set forth in Paragraph 2 above.

14. **No Interference.** While Recipient is employed by Company and for a period of two years after such employment ends, Recipient will not recruit or solicit for employment by Recipient or any third party, any individual who: (a) is, at that time, employed by Company; or (b) who, at that time, was employed by Company within the prior six (6) months. At no time shall Recipient engage in any of the following conduct: (i) make use of any trade secret or other Confidential Information to solicit or attempt to solicit, on Recipient's own behalf or on behalf of any person or entity other than Company, business from any Company Client; or (ii) induce or attempt to induce, on Recipient's own behalf or on behalf of any person or entity other than Company, any consultant, independent contractor, licensee or other third party to sever any existing contractual relationship with Company.

15. **Governing Law**. This Agreement is governed by the internal laws of the State of California without regard to conflicts-of-law principles.

Your compensation will be reviewed periodically as part of the Company's normal review process.

You will receive a one-time signing bonus in the gross amount of $50,000, effective DATE (first pay date after start date) and subject to legally required withholding. This will be paid in conjunction with your regular wages during the first payroll after commencement of employment.

RESIGNATION/TERMINATION DATE	RECOUPMENT AMOUNT

Your options will vest and become exercisable over a four-year period with 25% vesting on the one-year anniversary of your first day of employment with BlackLine and with the balance vesting equally every year thereafter over the following three years. The options and vesting in the options will depend on your continued employment with the Company and will be subject to all the terms and conditions of the Company's option plan.

In the event of a "Change of Control", if your employment is terminated by the Company (or its successor or parent) without "Cause" or by you for "Good Reason", within 12 months after the Change of Control, your option vesting schedule will be forward accelerated by two years, effective immediately as of the termination date.

The term "Change of Control" means (1) a sale of all or substantially all of the Company's assets, (2) any merger, consolidation or other business combination transaction of the Company with or into another corporation, entity or person, other than a transaction in which the holders of at least a majority of the shares of voting capital stock of the Company outstanding immediately prior to such transaction continue to hold (either by such shares remaining outstanding or by their being converted into shares of voting capital stock of the surviving entity) at least a majority of the total voting power represented by the shares of voting capital stock of the Company (or the surviving entity) outstanding immediately after such transaction; provided, however, that a bona fide equity financing shall not be deemed a Change of Control, or (3) the direct or indirect acquisition (including by way of a tender or exchange offer) by any person, or persons acting as a group, of beneficial ownership or a right to acquire beneficial ownership of shares representing a majority of the voting power of the then outstanding shares of capital stock of the Company.

For purposes of this agreement, "Cause" means the occurrence of one or more of the following events or circumstances as determined in good faith by a majority of the members of the Board: (i) your gross negligence or willful misconduct in the performance of duties to the Company that has resulted or is reasonably likely to result in damage to the Company or its subsidiaries as determined in good faith by the Board, (ii) commission of any act of fraud, embezzlement, or dishonesty that has caused or is reasonably expected to result in injury to the Company (or a successor, if appropriate), (iii) any material unauthorized use or disclosure of any confidential and proprietary information or trade secrets of the Company (or a successor, if appropriate) or any other party to whom you owe an obligation of nondisclosure as a result of your relationship with the Company (or a successor, if appropriate) as

determined in good faith by the Board, (iv) conviction of, or plea of nolo contendere to, a felony or a crime involving moral turpitude or commission of any act of fraud with respect to the Company, or (v) your material breach of any of your obligations under any written agreement or covenant with the Company (or a successor, if appropriate).

For purposes of this agreement, "Good Reason" shall be deemed to occur if any of the following occurs without your written consent: (A) a material change in your authority or operating responsibilities, provided that neither a mere change in title following a Change of Control to a position that is substantially similar to the position held prior to the Change of Control with respect to the operations of the Company nor an immaterial change in responsibilities shall, by itself, constitute a material change in authority or operating responsibilities; (B) a failure to pay, or a reduction in, your base salary or minimum bonus (if applicable), other than a reduction as a result of an across-the-board reduction in base salaries or minimum bonuses for all management-level employees of the Company by an average percentage not less than the percentage reduction of your base salary or minimum bonus; or (C) a requirement for you to relocate.

You should be aware that your employment with the Company is for no specified period and constitutes at-will employment. As a result, you are free to resign at any time, for any reason or for no reason. Similarly, the Company is free to conclude its employment relationship with you at any time, with or without cause, and with or without notice. The Company shall grant you severance pay equal to six months of your Base Salary and Benefits continuation (at the rate in effect on the date of your termination of employment) in the event you are terminated without Cause, provided that you execute and deliver (and do not revoke thereafter) an appropriate release of the Company in the form provided by the Company.

For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

You agree that, during the term of your employment with the Company, you will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of your employment, nor will you engage in any other activities that conflict with your obligations to the Company.

Commencement of your employment at BlackLine, even if you accept this offer, is conditioned upon: satisfactory verification of any employment references you have provided; and (b) satisfactory completion of a background check.

To indicate your acceptance of the Company's offer, please sign and date this letter in the space provided below and return it to me. This letter and the agreements relating to proprietary rights between you and the Company and arbitration set forth the terms of your employment with the Company and supersede any prior or contemporaneous representations or agreements, whether written or oral. This letter may not be modified or amended except by a written agreement, signed by an officer of the Company and by you.

This offer will expire if not signed and returned to BlackLine Systems by Monday, May 4, 2015 at 5 PM. This offer is also subject to the results of the Company's standard criminal, background and/or reference checks as may be required.

We look forward to working with you at BlackLine Systems.

VIA EMAIL

Mr. Mark Partin

Dear Mark:

I am pleased to offer you a position with BlackLine Systems, Inc. (the "Company") as Chief Financial Officer reporting directly to me. Speaking for myself, as well as the other members of the Board and the management team, we are all excited to have you join and we look forward to your future success with the Company

You will be paid a base salary of $300,000 on an annualized basis ("Base Salary").Your Base Salary will be payable in bi-weekly payments per year less applicable taxes, deductions and withholdings and otherwise pursuant to the Company's regular payroll policy. You will be provided standard health, life, disability and dental insurance coverage as generally supplied per Company policy and will be eligible for enrollment in the Company's 401(k) plan subject to standard Company policy.

You will be eligible for an annual incentive bonus with a target amount equal to $60,000 for the full fiscal year provided that you remain employed with the Company through the date that such bonus is paid and subject to the Company's financial performance and the Board's determination of your performance and contribution to the Company. The amount of your target incentive bonus will be prorated for fiscal year 2015 based on the number of full months you are employed during that fiscal year following your acceptance of this letter. Your compensation will be reviewed periodically as part of the Company's normal review process.

In addition to your base salary and incentive bonus compensation as described herein, you will receive an incentive stock option to purchase 2,800,884 shares of the Company's common stock at an exercise price determined by the Company's Board of Directors, which will generally be the current fair market value for such shares. Your options will vest and become exercisable over a four-year period with 25% vesting on the one-year anniversary of your first day of employment with BlackLine and with the balance vesting equally every year thereafter over the following three years. The options and vesting in the options will depend on your continued employment with the Company and will be subject to all the terms and conditions of the Company's option plan.

In the event of a "Change of Control", if your employment is terminated by the Company (or its successor or parent) without "Cause" or by you for "Good Reason", within 12 months after the Change of Control, your option vesting schedule will be forward accelerated by two years, effective immediately as of the termination date.

The term "Change of Control" means (1) a sale of all or substantially all of the Company's assets, (2) any merger, consolidation or other business combination transaction of the Company with or into another corporation, entity or person, other than a transaction in which the

holders of at least a majority of the shares of voting capital stock of the Company outstanding immediately prior to such transaction continue to hold (either by such shares remaining outstanding or by their being converted into shares of voting capital stock of the surviving entity) at least a majority of the total voting power represented by the shares of voting capital stock of the Company (or the surviving entity) outstanding immediately after such transaction; provided, however, that a bona fide equity financing shall not be deemed a Change of Control, or (3) the direct or indirect acquisition (including by way of a tender or exchange offer) by any person, or persons acting as a group, of beneficial ownership or a right to acquire beneficial ownership of shares representing a majority of the voting power of the then outstanding shares of capital stock of the Company.

For purposes of this agreement, "Cause" means the occurrence of one or more of the following events or circumstances as determined in good faith by a majority of the members of the Board: (i) your gross negligence or willful misconduct in the performance of duties to the Company that has resulted or is reasonably likely to result in damage to the Company or its subsidiaries as determined in good faith by the Board, (ii) commission of any act of fraud, embezzlement, or dishonesty that has caused or is reasonably expected to result in injury to the Company (or a successor, if appropriate), (iii) any material unauthorized use or disclosure of any confidential and proprietary information or trade secrets of the Company (or a successor, if appropriate) or any other party to whom you owe an obligation of nondisclosure as a result of your relationship with the Company (or a successor, if appropriate) as determined in good faith by the Board, (iv) conviction of, or plea of nolo contendere to, a felony or a crime involving moral turpitude or commission of any act of fraud with respect to the Company, or (v) your material breach of any of your obligations under any written agreement or covenant with the Company (or a successor, if appropriate).

For purposes of this agreement, "Good Reason" shall be deemed to occur if any of the following occurs without your written consent: (A) a material change in your authority or operating responsibilities, provided that neither a mere change in title following a Change of Control to a position that is substantially similar to the position held prior to the Change of Control with respect to the operations of the Company nor an immaterial change in responsibilities shall, by itself, constitute a material change in authority or operating responsibilities; (B) a failure to pay, or a reduction in, your base salary or minimum bonus (if applicable), other than a reduction as a result of an across-the-board reduction in base salaries or minimum bonuses for all management-level employees of the Company by an average percentage not less than the percentage reduction of your base salary or minimum bonus; or (C) a requirement for you to relocate.

You should be aware that your employment with the Company is for no specified period and constitutes at-will employment. As a result, you are free to resign at any time, for any reason or for no reason. Similarly, the Company is free to conclude its employment relationship with you at any time, with or without cause, and with or without notice. The Company shall grant you severance pay equal to six months of your Base Salary and Benefits continuation (at the rate in effect on the date of your termination of employment) in the event you are terminated without Cause, provided that you execute and deliver (and do not revoke thereafter) an appropriate release of the Company in the form provided by the Company.

For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

You agree that, during the term of your employment with the Company, you will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of your employment, nor will you engage in any other activities that conflict with your obligations to the Company.

Commencement of your employment at BlackLine, even if you accept this offer, is conditioned upon: satisfactory verification of any employment references you have provided; and (b) satisfactory completion of a background check.

To indicate your acceptance of the Company's offer, please sign and date this letter in the space provided below and return it to me. This letter and the agreements relating to proprietary rights between you and the Company and arbitration set forth the terms of your employment with the Company and supersede any prior or contemporaneous representations or agreements, whether written or oral. This letter may not be modified or amended except by a written agreement, signed by an officer of the Company and by you.

This offer will expire if not signed and returned to BlackLine Systems by Friday, December 26, 2014 at 5 PM. This offer is also subject to the results of the Company's standard criminal, background and/or reference checks as may be required.

We so look forward to working with you at BlackLine Systems!

Very truly yours,

/s/ Therese Tucker

FORM OF INDEMNIFICATION AGREEMENT

This Indemnification Agreement, dated as of [*insert date*] (this "Agreement"), is made by and between BlackLine, Inc., a Delaware corporation (the "Company") and [*insert name of indemnitee*] ("Indemnitee").

RECITALS:

A. Indemnitee's service to the Company substantially benefits the Company.

B. Individuals are reluctant to serve as directors or officers of corporations or in certain other capacities unless they are provided with adequate protection through insurance or indemnification against the risks of claims and actions against them arising out of such service.

C. Indemnitee does not regard the protection currently provided by applicable law, the Company's governing documents and any insurance as adequate under the present circumstances, and Indemnitee may not be willing to serve as a director or officer without additional protection.

C. [Indemnitee has certain rights to indemnification and/or insurance provided by [*insert name of fund*] and certain affiliates thereof (collectively, the "Secondary Indemnitors")] which Indemnitee and the Secondary Indemnitors intend to be secondary to the primary obligation of the Company to indemnify Indemnitee as provided herein.]

D. Indemnitee's willingness to serve as a director or officer of the Company is predicated, in substantial part, upon the Company's willingness to indemnify Indemnitee to the fullest extent permitted by the laws of the state of Delaware, and upon the other undertakings set forth in this Agreement.

E. Therefore, in recognition of the need to provide Indemnitee with substantial protection against personal liability, in order to procure Indemnitee's continued service as a director or officer of the Company and to enhance Indemnitee's ability to serve the Company in an effective manner, and in order to provide such protection pursuant to express contract rights (intended to be enforceable irrespective of, among other things, any amendment to the Company's certificate of incorporation or bylaws (collectively, the "Constituent Documents"), any change in the composition of the Company's Board of Directors (the "Board") or any change-in-control or business combination transaction relating to the Company), the Company wishes to provide in this Agreement for the indemnification of and the advancement of Expenses (as defined in Section 1(g)) to Indemnitee as set forth in this Agreement and for the continued coverage of Indemnitee under the Company's directors' and officers' liability insurance policies.

F. In light of the considerations referred to in the preceding recitals, it is the Company's intention and desire that the provisions of this Agreement be construed liberally, subject to their express terms, to maximize the protections to be provided to Indemnitee hereunder.

AGREEMENT:

NOW, THEREFORE, the parties hereby agree as follows:

1. Certain Definitions. In addition to terms defined elsewhere herein, the following terms have the following meanings when used in this Agreement with initial capital letters:

(a) "Change in Control" means the occurrence after the date of this Agreement of any of the following events:

(i) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets of another corporation, or other transaction (each, a "***Business Combination***"), unless, in each case, immediately following such Business Combination) all or substantially all of the beneficial owners of voting stock of the Company immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the combined voting power of the then outstanding shares of voting stock of the entity resulting from such Business Combination, or

(ii) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

(b) "Incumbent Directors" means the individuals who, as of the date hereof, are Directors of the Company and any individual becoming a director subsequent to the date hereof whose election, nomination for election by the Company's stockholders, or appointment, was approved by a vote of at least two-thirds of the then Incumbent Directors (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without objection to such nomination).

(c) "Subsidiary" means an entity in which the Company directly or indirectly beneficially owns 50% or more of the outstanding Voting Stock.

(d) "Voting Stock" means securities entitled to vote generally in the election of directors (or similar governing bodies).

(e) "Claim" means (i) any threatened, asserted, pending or completed claim, demand, action, suit or proceeding, whether civil, criminal, administrative, arbitrative, investigative or other, and whether made pursuant to federal, state or other law; and (ii) any inquiry or investigation, whether made, instituted or conducted by the Company or any other party, including without limitation any federal, state or other governmental entity, that Indemnitee determines might lead to the institution of any such claim, demand, action, suit or proceeding.

(f) "Disinterested Director" means a director of the Company who is not and was not a party to the Claim in respect of which indemnification is sought by Indemnitee.

(g) "Expenses" means attorneys' and experts' fees and expenses and all other costs and expenses paid or payable in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in (including on appeal), any Claim.

(h) "Indemnifiable Claim" means any Claim based upon, arising out of or resulting from (i) any actual, alleged or suspected act or failure to act by Indemnitee in his or her capacity as a director, officer, employee or agent of the Company or as a director, officer, employee, member, manager, trustee or agent of any other corporation, limited liability company, partnership, joint venture,

trust or other entity or enterprise, whether or not for profit, as to which Indemnitee is or was serving at the request of the Company as a director, officer, employee, member, manager, trustee or agent, (ii) any actual, alleged or suspected act or failure to act by Indemnitee in respect of any business, transaction, communication, filing, disclosure or other activity of the Company or any other entity or enterprise referred to in clause (i) of this sentence, or (iii) Indemnitee's status as a current or former director, officer, employee or agent of the Company or as a current or former director, officer, employee, member, manager, trustee or agent of the Company or any other entity or enterprise referred to in clause (i) of this sentence or any actual, alleged or suspected act or failure to act by Indemnitee in connection with any obligation or restriction imposed upon Indemnitee by reason of such status.

(i) "Indemnifiable Losses" means any and all Losses relating to, arising out of or resulting from any Indemnifiable Claim.

(j) "Independent Counsel" means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Indemnifiable Claim giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee's rights under this Agreement.

(k) "Losses" means any and all Expenses, damages, losses, liabilities, judgments, fines, penalties (whether civil, criminal or other) and amounts paid in settlement, including without limitation all interest, assessments and other charges paid or payable in connection with or in respect of any of the foregoing.

2. Indemnification Obligation. Subject to Section 7, the Company shall indemnify, defend and hold harmless Indemnitee, to the fullest extent permitted by the laws of the State of Delaware in effect on the date hereof or as such laws may from time to time hereafter be amended to increase the scope of such permitted indemnification, against any and all Indemnifiable Claims and Indemnifiable Losses; *provided*, *however*, that, except as provided in Section 5, Indemnitee shall not be entitled to indemnification pursuant to this Agreement (a) in connection with any Claim initiated by Indemnitee against the Company or any director or officer of the Company unless the Company (in an action approved by a majority of the Disinterested Directors who are also not affiliated with the Indemnitee) has joined in or consented to the initiation of such Claim, (b) if a final decision by a court of competent jurisdiction determines that such indemnification is prohibited by applicable law, or (c) for the disgorgement of profits arising from the purchase or sale by Indemnitee of securities of the Company in violation of Section 16(b) of the Exchange Act, or any similar successor statute.

3. Advancement of Expenses. Indemnitee shall have the right to advancement by the Company prior to the final disposition of any Indemnifiable Claim of any and all Expenses relating to any Indemnifiable Claim paid or incurred by Indemnitee or reasonably likely to be paid or incurred by Indemnitee within ninety (90) days following the date of the request for indemnification hereunder. Indemnitee's right to such advancement is not subject to the satisfaction of any standard of conduct. Without limiting the generality or effect of the foregoing, within five business days after any request by Indemnitee, the Company shall, in accordance with such request, (a) pay such Expenses on behalf of Indemnitee, (b) advance to Indemnitee funds in an amount sufficient to pay such Expenses, or (c) reimburse Indemnitee for such Expenses; *provided* that Indemnitee shall repay, without interest, any

amounts actually advanced to Indemnitee that, at the final disposition of the Indemnifiable Claim to which the advance related, were in excess of amounts paid or payable by Indemnitee in respect of Expenses relating to from such Indemnifiable Claim. In connection with any such payment, advancement or reimbursement, Indemnitee shall execute and deliver to the Company an undertaking, which need not be secured and shall be accepted without reference to Indemnitee's ability to repay the Expenses, by or on behalf of the Indemnitee, to repay any Expenses if it shall have been determined, pursuant to Section 7, that the Indemnitee is not entitled to indemnification hereunder.

4. Indemnification for Additional Expenses. The Company shall also indemnify against and, if requested by Indemnitee, shall reimburse Indemnitee in accordance with for, or advance to Indemnitee in accordance with Section 3, within five business days of such request, any Expenses paid or incurred by Indemnitee or which Indemnitee is reasonably likely to pay or incur within ninety (90) days following the date of the request for indemnification hereunder in connection with any Claim by Indemnitee for (a) indemnification or reimbursement or advance payment of Expenses by the Company under any provision of this Agreement, or under any other agreement or provision of the Constituent Documents now or hereafter in effect relating to Indemnifiable Claims, and/or (b) recovery under any directors' and officers' liability insurance policies maintained by the Company, regardless in each case of whether Indemnitee ultimately is determined to be entitled to such indemnification, reimbursement, advance or insurance recovery, as the case may be; *provided, however*, that Indemnitee shall return, without interest, any such advance of Expenses (or portion thereof) which remains unspent at the final disposition of the Claim to which the advance related.

5. Partial Indemnity. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for a portion of any Indemnifiable Loss but not for the total amount thereof, the Company shall nevertheless indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

6. Procedure for Notification. To obtain indemnification under this Agreement in respect of an Indemnifiable Claim or Indemnifiable Loss, Indemnitee shall submit to the Company a written request therefor, including a brief description (based upon information then available to Indemnitee) of the nature of, and the facts underlying such Indemnifiable Claim or Indemnifiable Loss. If, at the time of the receipt of such request, the Company has directors' and officers' liability insurance in effect under which coverage for such Indemnifiable Claim or Indemnifiable Loss is potentially available, the Company shall give prompt written notice of such Indemnifiable Claim or Indemnifiable Loss to the applicable insurers in accordance with the procedures set forth in the applicable policies. The Company shall provide to Indemnitee a copy of such notice delivered to the applicable insurers, and copies of all subsequent correspondence between the Company and such insurers regarding the Indemnifiable Claim or Indemnifiable Loss, in each case substantially concurrently with the delivery or receipt thereof by the Company. The failure by Indemnitee to timely notify the Company of any Indemnifiable Claim or Indemnifiable Loss shall not relieve the Company from any liability hereunder unless, and only to the extent that, the Company's ability to participate in the defense of such Indemnifiable Claim or Indemnifiable Loss was materially and adversely affected by such failure.

7. **Determination of Right to Indemnification**.

(a) To the extent that Indemnitee shall have been successful on the merits or otherwise in defense of any Indemnifiable Claim or any portion thereof or in defense of any issue or matter therein, including without limitation dismissal without prejudice, Indemnitee shall be indemnified against all Indemnifiable Losses relating to such Indemnifiable Claim in accordance with Section 2 and no Standard of Conduct Determination (as defined in Section 7(b)) shall be required.

(b) To the extent that the provisions of Section 7(a) are inapplicable to an Indemnifiable Claim that shall have been finally disposed of, any determination of whether Indemnitee has satisfied any applicable standard of conduct under Delaware law that is a legally required condition to indemnification of Indemnitee hereunder against Indemnifiable Losses relating to such Indemnifiable Claim (a "Standard of Conduct Determination") shall be made as follows: (i) if no Change of Control shall have occurred, (A) by a majority vote of the Disinterested Directors, even if less than a quorum of the Board, (B) if there are no such Disinterested Directors, by Independent Counsel in a written opinion addressed to the Board, a copy of which shall be delivered to Indemnitee; and (ii) if a Change in Control shall have occurred, by Independent Counsel in a written opinion addressed to the Board, a copy of which shall be delivered to Indemnitee. The Company shall indemnify and hold harmless Indemnitee against and, if requested by Indemnitee, shall reimburse Indemnitee for, or advance to Indemnitee, within five business days of such request, any and all costs and expenses (including attorneys' and experts' fees and expenses) incurred by Indemnitee in cooperating with the person or persons making such Standard of Conduct Determination.

(c) The Company shall use its reasonable best efforts to cause any Standard of Conduct Determination required under Section 7(b) to be made as promptly as practicable. If the person or persons determined under Section 7 to make the Standard of Conduct Determination shall not have made a determination within 30 days after the later of (A) receipt by the Company of written notice from Indemnitee advising the Company of the final disposition of the applicable Indemnifiable Claim (the date of such receipt being the "Notification Date") and (B) the selection of an Independent Counsel, if such determination is to be made by Independent Counsel, then Indemnitee shall be deemed to have satisfied the applicable standard of conduct; provided that such 30-day period may be extended for a reasonable time, not to exceed an additional 30 days, if the person or persons making such determination in good faith requires such additional time to obtain or evaluate information relating thereto.

(d) If (i) Indemnitee shall be entitled to indemnification pursuant to Section 7(a), (ii) no determination of whether Indemnitee has satisfied any applicable standard of conduct under Delaware law is a legally required condition to indemnification of Indemnitee hereunder against any Indemnifiable Losses, or (iii) Indemnitee has been determined or deemed pursuant to Section 7(b) or (c) to have satisfied any applicable standard of conduct under Delaware law which is a legally required condition to indemnification of Indemnitee then the Company shall pay to Indemnitee, within five business days after the later of (x) the Notification Date regarding the Indemnifiable Claim giving rise to the Indemnifiable Losses and (y) the earliest date on which the applicable criterion specified in clause (i), (ii) or (iii) is satisfied, an amount equal to such Indemnifiable Losses.

(e) If a Standard of Conduct Determination is to be made by Independent Counsel pursuant to Section 7(b)(i), the Independent Counsel shall be selected by the Board of Directors, and the Company shall give written notice to Indemnitee advising him or her of the identity of the Independent Counsel so selected. If a Standard of Conduct Determination is to be made by Independent Counsel pursuant to Section 7(b)(ii), the Independent Counsel shall be selected by Indemnitee, and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected. In either case, Indemnitee or the Company, as applicable, may, within five business days after receiving written notice of selection from the other, deliver to the other a written objection to such selection; *provided*, *however*, that such objection may be asserted only on the ground that the Independent Counsel so selected does not satisfy the criteria set forth in the definition of "Independent Counsel" in Section 1(j), and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person or firm so selected shall act as Independent Counsel. If such written objection is properly and timely made and substantiated, (i) the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has

determined that such objection is without merit and (ii) the non-objecting party may, at its option, select an alternative Independent Counsel and give written notice to the other party advising such other party of the identity of the alternative Independent Counsel so selected, in which case the provisions of the two immediately preceding sentences and clause (i) of this sentence shall apply to such subsequent selection and notice. If applicable, the provisions of clause (ii) of the immediately preceding sentence shall apply to successive alternative selections. If no Independent Counsel that is permitted under the foregoing provisions of this Section 7(e) to make the Standard of Conduct Determination shall have been selected within 30 days after the Company gives its initial notice pursuant to the first sentence of this Section 7(e) or Indemnitee gives its initial notice pursuant to the second sentence of this Section 7(e), as the case may be, either the Company or Indemnitee may petition the Court of Chancery of the State of Delaware for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the Court or by such other person as the Court shall designate, and the person or firm with respect to whom all objections are so resolved or the person or firm so appointed will act as Independent Counsel. In all events, the Company shall pay all of the reasonable fees and expenses of the Independent Counsel incurred in connection with the Independent Counsel's determination pursuant to Section 7(b).

8. Presumption of Entitlement. In making any Standard of Conduct Determination, the person or persons making such determination shall presume that Indemnitee has satisfied the applicable standard of conduct, and the Company shall have the burden to overcome that presumption. Any Standard of Conduct Determination that is adverse to Indemnitee may be challenged by the Indemnitee in the Court of Chancery of the State of Delaware. No determination by the Company (including by its directors or any Independent Counsel) that Indemnitee has not satisfied any applicable standard of conduct shall be a defense to any Claim by Indemnitee for indemnification or reimbursement or advance payment of Expenses by the Company hereunder or create a presumption that Indemnitee has not met any applicable standard of conduct.

9. No Other Presumption. For purposes of this Agreement, the termination of any Claim by judgment, order, settlement (whether with or without court approval) or conviction, or upon a plea of *nolo contendere* or its equivalent, will not create a presumption that Indemnitee did not meet any applicable standard of conduct or that indemnification hereunder is otherwise not permitted.

10. Non-Exclusivity. The rights of Indemnitee hereunder will be in addition to any other rights Indemnitee may have under the Constituent Documents, or the substantive laws of the Company's jurisdiction of incorporation, any other contract or otherwise (collectively, "***Other Indemnity Provisions***"); *provided, however*, that (a) to the extent that Indemnitee otherwise would have any greater right to indemnification under any Other Indemnity Provision, Indemnitee will be deemed to have such greater right hereunder and (b) to the extent that any change is made to any Other Indemnity Provision which permits any greater right to indemnification than that provided under this Agreement as of the date hereof, Indemnitee will be deemed to have such greater right hereunder. The Company will not adopt any amendment to any of the Constituent Documents the effect of which would be to deny, diminish or encumber Indemnitee's right to indemnification under this Agreement or any Other Indemnity Provision. [Without limitation of the foregoing, the Company hereby acknowledges that Indemnitee has certain rights to indemnification, advancement of expenses and/or insurance provided by the Secondary Indemnitors. The Company hereby agrees that it (i) is, relative to the Secondary Indemnitors, the indemnitor of first resort (i.e., its obligations to Indemnitee under this Agreement are primary and any duplicative, overlapping or corresponding obligations of the Secondary Indemnitors are secondary), (ii) shall be required to make all advances and other payments under this Agreement, and shall be fully liable therefor, without regard to any rights Indemnitee may have against the Secondary Indemnitors, and (iii) irrevocably waives, relinquishes and releases the Secondary Indemnitors from any and all claims against

the Secondary Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof, except to the extent that such waiver and release would contravene the provisions of any applicable insurance policy. The Company further agrees that no advancement or payment by the Secondary Indemnitors on behalf of Indemnitee with respect to any claim for which Indemnitee has sought indemnification from the Company shall affect the foregoing and the Secondary Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Indemnitee against the Company. The Company and Indemnitee agree that the Secondary Indemnitors is an express third party beneficiary of the terms of this Section 10.]

11. Liability Insurance and Funding. For the duration of Indemnitee's service as a director and/or officer of the Company, and thereafter for so long as Indemnitee shall be subject to any pending Indemnifiable Claim, the Company shall use reasonable best efforts (taking into account the scope and amount of coverage available relative to the cost thereof) to cause to be maintained in effect policies of directors' and officers' liability insurance providing coverage for directors and/or officers of the Company that is at least substantially comparable in scope and amount to that provided by the Company's current policies of directors' and officers' liability insurance. Upon request, the Company shall provide Indemnitee with a copy of all directors' and officers' liability insurance applications, binders, policies, declarations, endorsements and other related materials. Without limiting the generality or effect of the two immediately preceding sentences, the Company shall not discontinue or significantly reduce the scope or amount of coverage from one policy period to the next (i) without the prior approval thereof by a majority vote of the Incumbent Directors, even if less than a quorum, or (ii) if at the time that any such discontinuation or significant reduction in the scope or amount of coverage is proposed there are no Incumbent Directors, without the prior written consent of Indemnitee (which consent shall not be unreasonably withheld or delayed). Notwithstanding the foregoing, in all policies of directors' and officers' liability insurance obtained or maintained by the Company, Indemnitee shall be named as an insured in such a manner as to provide Indemnitee the same rights and benefits, subject to the same limitations, as are accorded to the Company's directors and officers most favorably insured by such policy. The Company may, but shall not be required to, create a trust fund, grant a security interest or use other means, including without limitation a letter of credit, to ensure the payment of such amounts as may be necessary to satisfy its obligations to indemnify and advance expenses pursuant to this Agreement.

12. Subrogation. [Except as provided in Section 10, i][I]n the event of payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the related rights of recovery of Indemnitee against other persons or entities (other than Indemnitee's successors), including any entity or enterprise referred to in clause (i) of the definition of "Indemnifiable Claim" in Section 1(h). Indemnitee shall execute all papers reasonably required to evidence such rights (all of Indemnitee's reasonable Expenses, including attorneys' fees and charges, related thereto to be reimbursed by or, at the option of Indemnitee, advanced by the Company).

13. No Duplication of Payments. [Except as provided in Section 10, t][T]he Company shall not be liable under this Agreement to make any payment to Indemnitee in respect of any Indemnifiable Losses to the extent Indemnitee has otherwise actually received payment (net of Expenses incurred in connection therewith) under any insurance policy, the Constituent Documents and Other Indemnity Provisions or otherwise.

14. Defense of Claims. The Company shall be entitled to participate in the defense of any Indemnifiable Claim or to assume the defense thereof, with counsel reasonably satisfactory to the Indemnitee; *provided* that if Indemnitee reasonably determines, after consultation with counsel selected by Indemnitee, that (a) the use of counsel chosen by the Company to represent Indemnitee would present such counsel with an actual conflict, or (b) any such representation by such counsel would be precluded

under the applicable standards of professional conduct then prevailing, or (c) if the Company approves, then Indemnitee shall be entitled to retain separate counsel (but not more than one law firm plus, if applicable, local counsel in respect of any particular Indemnifiable Claim) at the Company's expense. The Company shall not be liable to Indemnitee under this Agreement for any amounts paid in settlement of any threatened or pending Indemnifiable Claim effected without the Company's prior written consent. The Company shall not, without the prior written consent of the Indemnitee, effect any settlement of any threatened or pending Indemnifiable Claim which the Indemnitee is a party unless such settlement solely involves the payment of money and includes a complete and unconditional release of the Indemnitee from all liability on any claims that are the subject matter of such Indemnifiable Claim. Neither the Company nor Indemnitee shall unreasonably withhold its consent to any proposed settlement; *provided* that Indemnitee may withhold consent to any settlement that does not provide a complete and unconditional release of Indemnitee.

15. Successors and Binding Agreement.

(a) The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation, reorganization or otherwise) to all or substantially all of the business or assets of the Company, by agreement in form and substance satisfactory to Indemnitee and his or her counsel, expressly to assume and agree to perform this Agreement in the same manner and to the same extent the Company would be required to perform if no such succession had taken place. This Agreement shall be binding upon and inure to the benefit of the Company and any successor to the Company, including without limitation any person acquiring directly or indirectly all or substantially all of the business or assets of the Company whether by purchase, merger, consolidation, reorganization or otherwise (and such successor will thereafter be deemed the "***Company***" for purposes of this Agreement), but shall not otherwise be assignable or delegatable by the Company.

(b) This Agreement shall inure to the benefit of and be enforceable by the Indemnitee's personal or legal representatives, executors, administrators, heirs, distributees, legatees and other successors.

(c) This Agreement is personal in nature and neither of the parties hereto shall, without the consent of the other, assign or delegate this Agreement or any rights or obligations hereunder except as expressly provided in Sections 15(a) and 15(b). Without limiting the generality or effect of the foregoing, Indemnitee's right to receive payments hereunder shall not be assignable, whether by pledge, creation of a security interest or otherwise, other than by a transfer by the Indemnitee's will or by the laws of descent and distribution, and, in the event of any attempted assignment or transfer contrary to this Section 15(c), the Company shall have no liability to pay any amount so attempted to be assigned or transferred.

16. Notices. For all purposes of this Agreement, all communications, including without limitation notices, consents, requests or approvals, required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when hand delivered or dispatched by electronic facsimile transmission (with receipt thereof confirmed), or five business days after having been mailed by United States registered or certified mail, return receipt requested, postage prepaid or one business day after having been sent for next-day delivery by a nationally recognized overnight courier service, addressed to the Company (to the attention of the Secretary of the Company) and to Indemnitee at the addresses shown on the signature page hereto, or to such other address as any party may have furnished to the other in writing and in accordance herewith, except that notices of changes of address will be effective only upon receipt.

17. Governing Law. The validity, interpretation, construction and performance of this Agreement shall be governed by and construed in accordance with the substantive laws of the State of Delaware, without giving effect to the principles of conflict of laws of such State. The Company and Indemnitee each hereby irrevocably consent to the jurisdiction of the Chancery Court of the State of Delaware for all purposes in connection with any action or proceeding which arises out of or relates to this Agreement and agree that any action instituted under this Agreement shall be brought only in the Chancery Court of the State of Delaware.

18. Validity. If any provision of this Agreement or the application of any provision hereof to any person or circumstance is held invalid, unenforceable or otherwise illegal, the remainder of this Agreement and the application of such provision to any other person or circumstance shall not be affected, and the provision so held to be invalid, unenforceable or otherwise illegal shall be reformed to the extent, and only to the extent, necessary to make it enforceable, valid or legal. In the event that any court or other adjudicative body shall decline to reform any provision of this Agreement held to be invalid, unenforceable or otherwise illegal as contemplated by the immediately preceding sentence, the parties thereto shall take all such action as may be necessary or appropriate to replace the provision so held to be invalid, unenforceable or otherwise illegal with one or more alternative provisions that effectuate the purpose and intent of the original provisions of this Agreement as fully as possible without being invalid, unenforceable or otherwise illegal.

19. Miscellaneous. No provision of this Agreement may be waived, modified or discharged unless such waiver, modification or discharge is agreed to in writing signed by Indemnitee and the Company. No waiver by either party hereto at any time of any breach by the other party hereto or compliance with any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No agreements or representations, oral or otherwise, expressed or implied with respect to the subject matter hereof have been made by either party that are not set forth expressly in this Agreement. References to Sections are to references to Sections of this Agreement.

20. Legal Fees and Expenses. It is the intent of the Company that Indemnitee not be required to incur legal fees and or other Expenses associated with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement by litigation or otherwise because the cost and expense thereof would substantially detract from the benefits intended to be extended to Indemnitee hereunder. Accordingly, without limiting the generality or effect of any other provision hereof, if it should appear to Indemnitee that the Company has failed to comply with any of its obligations under this Agreement or in the event that the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or proceeding designed to deny, or to recover from, Indemnitee the benefits provided or intended to be provided to Indemnitee hereunder, the Company irrevocably authorizes the Indemnitee from time to time to retain counsel of Indemnitee's choice, at the expense of the Company as hereafter provided, to advise and represent Indemnitee in connection with any such interpretation, enforcement or defense, including without limitation the initiation or defense of any litigation or other legal action, whether by or against the Company or any director, officer, stockholder or other person affiliated with the Company, in any jurisdiction. Without respect to whether Indemnitee prevails, in whole or in part, in connection with any of the foregoing, the Company will pay and be solely financially responsible for any and all attorneys' and related fees and expenses incurred by Indemnitee in connection with any of the foregoing.

21. Certain Interpretive Matters. No provision of this Agreement shall be interpreted in favor of, or against, either of the parties hereto by reason of the extent to which any such party or its counsel participated in the drafting thereof or by reason of the extent to which any such provision is inconsistent with any prior draft hereof or thereof.

22. Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original but all of which together shall constitute one and the same agreement.

RESTRICTIVE COVENANT AGREEMENT

This RESTRICTIVE COVENANT AGREEMENT (this "Agreement"), dated as of Aug 8, 2013, is made by and between Therese Tucker (the "Equity Holder") and SLS Breeze Holdings, Inc. (the "Parent"), a Delaware corporation.

WHEREAS, this Agreement is being entered into in connection with that certain Agreement and Plan of Merger, executed concurrently herewith by and among the Parent, SLS Breeze Intermediate Holdings, Inc., a Delaware corporation and a subsidiary of Parent ("Intermediate Corp"), SLS Breeze Merger Sub, Inc. a California corporation and subsidiary of Parent (the "Merger Sub"), and BlackLine Systems, Inc., a California corporation (the "Company") (the "Merger Agreement");

WHEREAS, Parent, Intermediate Corp, Merger Sub, and the Company have agreed to merge the Merger Sub with and into the Company, forming the Surviving Company as a subsidiary of the Parent, on the terms and conditions set forth in the Merger Agreement (such transaction, the "Merger" and the closing thereof, the "Closing");

WHEREAS, the Equity Holder is a holder of Company common stock and/or options to acquire Company common stock and as such will benefit substantially from the Merger Agreement and the transactions contemplated thereby;

WHEREAS, Parent wishes to protect its investment in the Business made pursuant to the Merger Agreement, including the confidential and proprietary information and goodwill possessed by the Equity Holder, by restricting the activities of the Equity Holder as set forth herein which might be competitive with or harmful to the Business; and

WHEREAS, the execution of this Agreement by the Equity Holder is a condition to Parent's willingness to enter into the Merger Agreement.

NOW, THEREFORE, in consideration of the terms, conditions and other provisions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Restrictive Covenants.

(a) For a period of five (5) years beginning on the Effective Date (such five (5) year period being the "Restrictive Covenant Term"), the Equity Holder shall not, directly or indirectly:

(i) engage or have any interest, whether as officer, agent, employee, director, partner or stockholder, or through the investment of capital, lending of money or rendering of services, in any business or Person that is competing with the Business anywhere in the world; or

(ii) solicit or induce any Person who is an employee or consultant of the Company or any subsidiary of the Company to terminate or reduce his, her or its services to the Company or such subsidiary or otherwise hire any such Person, provided, however, that nothing herein shall be deemed to prohibit the Equity Holder (i) from soliciting or hiring any employee or consultant of the Company or any of its subsidiaries, if such employee or consultant is a member of the Equity Holder's immediate family; (ii) from placing advertisements in newspapers or other media of general circulation advertising employment or consulting opportunities; and (iii) from hiring persons who are no longer employees or consultants of the Company or any of its subsidiaries at the time of hiring, provided that they were not otherwise solicited by the Equity Holder in violation of this section.

For purposes of this Agreement, "Business" shall mean the business conducted by the Company and its subsidiaries on or prior to the Effective Date, and "Person" means any individual, corporation, general or limited partnership, limited liability company, joint venture, estate, trust, association, organization or other entity of any kind or nature.

(b) Notwithstanding anything to the contrary herein, the Equity Holder may own, solely as an investment, securities of any company engaged in the Business which such securities are publicly traded on a national stock exchange, so long as (i) the Equity Holder is not a controlling person of or a member of a group which controls such company and (ii) the Equity Holder does not, directly or indirectly, own 5% or more of such company.

(c) Equity Holder agrees that, from and after the Effective Date, Equity Holder shall treat and hold as confidential all information concerning the businesses and affairs of the Company or any of its subsidiaries (including all intellectual property of the Company and its subsidiaries) that is proprietary to, or otherwise treated as confidential by, the Company or its subsidiaries (the "Confidential Information") and, except as otherwise expressly permitted by this Agreement, refrain from using any of the Confidential Information and, upon the request of Parent, deliver promptly to Parent or destroy all tangible embodiments (and all copies) of the Confidential Information which are in Equity Holder's possession or otherwise under Equity Holder's control. In the event that Equity Holder is requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand, or similar process) to disclose any Confidential Information, Equity Holder shall, to the extent permitted by applicable law, notify Parent promptly of the request or requirement so that Parent may seek, at its sole expense, an appropriate protective order or waive compliance with the provisions of this Section 1(c). If, in the absence of a protective order or the receipt of a waiver hereunder, Equity Holder is compelled to disclose any Confidential Information under applicable law, Equity Holder may disclose the Confidential Information; provided that Equity Holder shall use reasonable efforts to obtain, at the request and sole expense of Parent, an order or other assurance that confidential treatment shall be accorded to such portion of the Confidential Information required to be disclosed. Notwithstanding the foregoing, for purposes of this Agreement, Confidential Information shall not include information (i) which is or becomes generally available to the public other than as a result of a disclosure by Equity Holder in violation of this Agreement or (ii) was lawfully disclosed to Equity Holder by a third party without breach of any obligation and without restriction.

(d) The Equity Holder expressly acknowledges that compliance with the restrictions set forth in this Agreement will not prevent her from earning a livelihood. The Equity Holder further agrees that the restrictions set forth herein are reasonable for the purposes of protecting the business and goodwill of the Company in connection with the Merger. The Equity Holder acknowledges that Parent would be irreparably harmed and that monetary damages may not provide an adequate remedy in the event that the covenants contained herein were not complied with strictly in accordance with their terms. Accordingly, the Equity Holder agrees that any breach or threatened breach by her of any provision hereof shall entitle Parent to seek injunctive and other equitable relief to secure the enforcement of these provisions, in addition to any and all other remedies which may be available to Parent. It is the desire and intent of the parties hereto that the provisions hereof be enforced to the fullest extent permissible under the laws and public policies of each jurisdiction in which enforcement is sought. If any provisions hereof relating to the time period, scope of activities or geographic area of restrictions is declared by a court of competent jurisdiction to exceed the maximum permissible time period, scope of activities or geographic area, as the case may be, the time period, scope of activities or geographic area shall be reduced to the maximum extent that such court deems enforceable. If any provision hereof other than those described in the preceding sentence are adjudicated to be invalid or unenforceable, the invalid or unenforceable provisions shall be deemed amended (with respect only to the jurisdiction in which such adjudication is made) in such manner as to render them enforceable and to effectuate as nearly as possible the original intentions and agreement of the parties.

2. Miscellaneous.

(a) This Agreement shall become effective automatically without any further action by or on behalf of any party hereto upon the Closing (the date on which the Closing is consummated and this Agreement becomes effective is referred to herein as the “Effective Date”). If the Merger Agreement is terminated prior to the Closing in accordance with its terms, then this Agreement shall terminate and be of no further force or effect.

(b) This Agreement constitutes the entire agreement and understanding of the parties hereto relating to the Equity Holder’s restrictive covenant agreement in connection with the Merger. The recitals above are hereby incorporated into the Agreement of the parties hereto. This Agreement may be executed simultaneously in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The parties agree and acknowledge that delivery of a signature by facsimile shall constitute execution by such signatory.

(c) This Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of California, without giving effect to its conflict of laws rules that would cause the application of the laws of any jurisdiction other than the internal laws of the State of California to the rights and duties of the parties.

(d) Any failure by a party to this Agreement to comply with any obligation, covenant, agreement or condition in this Agreement may be waived by the party entitled to the benefits thereof only by a written instrument signed by the party granting such waiver. No delay on the part of any party to this Agreement in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party to this Agreement of any right, power or privilege hereunder operate as a waiver of any other right, power or privilege hereunder, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. This Agreement may be amended or modified only by a written instrument executed by both of the parties hereto.

(e) The rights and remedies provided for in this Agreement are cumulative and are not exclusive of any rights or remedies which the parties to this Agreement may otherwise have at law or in equity.

(f) No party may assign any of its rights or obligations under this Agreement without the prior written consent of the other party, and any purported assignment without such consent shall be null and void.

(g) Each of the parties hereto agrees to bring any Action arising out of this Agreement exclusively to the jurisdiction of any federal or state court in the State of California having subject matter jurisdiction. Each of the parties agrees that venue will be proper as to proceedings brought in any such federal or state court.

(h) The Parties agree that solely for income tax purposes, $100,000 of the consideration due to the Equity Holder pursuant to the Merger Agreement shall be allocated to this Agreement (the “Allocation”). The Parties shall file all tax returns consistent with the Allocation.

(i) All notices, requests, instructions, claims, demands, consents and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given on the date delivered by hand or by overnight courier service such as Federal Express or by other messenger (as evidenced by written receipt, or, if delivery is refused, upon presentment) or upon receipt by facsimile transmission (with confirmation), or upon delivery by registered or certified mail (return receipt requested), postage prepaid, to the parties at the following addresses:

EXECUTION VERSION
Confidential

RESTRICTIVE COVENANT AGREEMENT

This RESTRICTIVE COVENANT AGREEMENT (this "Agreement"), dated as of August 9, 2013, is made by and between Mario Spanicciati (the "Equity Holder") and SLS Breeze Holdings, Inc. (the "Parent"), a Delaware corporation.

WHEREAS, this Agreement is being entered into in connection with that certain Agreement and Plan of Merger, executed concurrently herewith by and among the Parent, SLS Breeze Intermediate Holdings, Inc., a Delaware corporation and a subsidiary of Parent ("Intermediate Corp"), SLS Breeze Merger Sub, Inc. a California corporation and subsidiary of Parent (the "Merger Sub"), and BlackLine Systems, Inc., a California corporation (the "Company") (the "Merger Agreement");

WHEREAS, Parent, Intermediate Corp, Merger Sub, and the Company have agreed to merge the Merger Sub with and into the Company, forming the Surviving Company as a subsidiary of the Parent, on the terms and conditions set forth in the Merger Agreement (such transaction, the "Merger" and the closing thereof, the "Closing");

WHEREAS, the Equity Holder is a holder of Company common stock and/or options to acquire Company common stock and as such will benefit substantially from the Merger Agreement and the transactions contemplated thereby;

WHEREAS, Parent wishes to protect its investment in the Business made pursuant to the Merger Agreement, including the confidential and proprietary information and goodwill possessed by the Equity Holder, by restricting the activities of the Equity Holder as set forth herein which might be competitive with or harmful to the Business; and

WHEREAS, the execution of this Agreement by the Equity Holder is a condition to Parent's willingness to enter into the Merger Agreement.

NOW, THEREFORE, in consideration of the terms, conditions and other provisions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Restrictive Covenants.

(a) For a period of five (5) years beginning on the Effective Date (such five (5) year period being the "Restrictive Covenant Term"), the Equity Holder shall not, directly or indirectly:

(i) engage or have any interest, whether as officer, agent, employee, director, partner or stockholder, or through the investment of capital, lending of money or rendering of services, in any business or Person that is competing with the Business anywhere in the world; or

(ii) solicit or induce any Person who is an employee or consultant of the Company or any subsidiary of the Company to terminate or reduce his, her or its services to the Company or such subsidiary or otherwise hire any such Person, provided, however, that nothing herein shall be deemed to prohibit the Equity Holder (i) from soliciting or hiring any employee or consultant of the Company or any of its subsidiaries, if such employee or consultant is a member of the Equity Holder's immediate family; (ii) from placing advertisements in newspapers or other media of general circulation advertising employment or consulting opportunities; and (iii) from hiring persons who are no longer employees or consultants of the Company or any of its subsidiaries at the time of hiring, provided that they were not otherwise solicited by the Equity Holder in violation of this section.

For purposes of this Agreement, "Business" shall mean the business conducted by the Company and its subsidiaries on or prior to the Effective Date, and "Person" means any individual, corporation, general or limited partnership, limited liability company, joint venture, estate, trust, association, organization or other entity of any kind or nature.

(b) Notwithstanding anything to the contrary herein, the Equity Holder may own, solely as an investment, securities of any company engaged in the Business which such securities are publicly traded on a national stock exchange, so long as (i) the Equity Holder is not a controlling person of or a member of a group which controls such company and (ii) the Equity Holder does not, directly or indirectly, own 5% or more of such company.

(c) Equity Holder agrees that, from and after the Effective Date, Equity Holder shall treat and hold as confidential all information concerning the businesses and affairs of the Company or any of its subsidiaries (including all intellectual property of the Company and its subsidiaries) that is proprietary to, or otherwise treated as confidential by, the Company or its subsidiaries (the "Confidential Information") and, except as otherwise expressly permitted by this Agreement, refrain from using any of the Confidential Information and, upon the request of Parent, deliver promptly to Parent or destroy all tangible embodiments (and all copies) of the Confidential Information which are in Equity Holder's possession or otherwise under Equity Holder's control. In the event that Equity Holder is requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand, or similar process) to disclose any Confidential Information, Equity Holder shall, to the extent permitted by applicable law, notify Parent promptly of the request or requirement so that Parent may seek, at its sole expense, an appropriate protective order or waive compliance with the provisions of this Section 1(c). If, in the absence of a protective order or the receipt of a waiver hereunder, Equity Holder is compelled to disclose any Confidential Information under applicable law, Equity Holder may disclose the Confidential Information; provided that Equity Holder shall use reasonable efforts to obtain, at the request and sole expense of Parent, an order or other assurance that confidential treatment shall be accorded to such portion of the Confidential Information required to be disclosed. Notwithstanding the foregoing, for purposes of this Agreement, Confidential Information shall not include information (i) which is or becomes generally available to the public other than as a result of a disclosure by Equity Holder in violation of this Agreement or (ii) was lawfully disclosed to Equity Holder by a third party without breach of any obligation and without restriction.

(d) The Equity Holder expressly acknowledges that compliance with the restrictions set forth in this Agreement will not prevent him from earning a livelihood. The Equity Holder further agrees that the restrictions set forth herein are reasonable for the purposes of protecting the business and goodwill of the Company in connection with the Merger. The Equity Holder acknowledges that Parent would be irreparably harmed and that monetary damages may not provide an adequate remedy in the event that the covenants contained herein were not complied with strictly in accordance with their terms. Accordingly, the Equity Holder agrees that any breach or threatened breach by him of any provision hereof shall entitle Parent to seek injunctive and other equitable relief to secure the enforcement of these provisions, in addition to any and all other remedies which may be available to Parent. It is the desire and intent of the parties hereto that the provisions hereof be enforced to the fullest extent permissible under the laws and public policies of each jurisdiction in which enforcement is sought. If any provisions hereof relating to the time period, scope of activities or geographic area of restrictions is declared by a court of competent jurisdiction to exceed the maximum permissible time period, scope of activities or geographic area, as the case may be, the time period, scope of activities or geographic area shall be reduced to the maximum extent that such court deems enforceable. If any provision hereof other than those described in the preceding sentence are adjudicated to be invalid or unenforceable, the invalid or unenforceable provisions shall be deemed amended (with respect only to the jurisdiction in which such adjudication is made) in such manner as to render them enforceable and to effectuate as nearly as possible the original intentions and agreement of the parties.

2. Miscellaneous.

(a) This Agreement shall become effective automatically without any further action by or on behalf of any party hereto upon the Closing (the date on which the Closing is consummated and this Agreement becomes effective is referred to herein as the “Effective Date”). If the Merger Agreement is terminated prior to the Closing in accordance with its terms, then this Agreement shall terminate and be of no further force or effect.

(b) This Agreement constitutes the entire agreement and understanding of the parties hereto relating to the Equity Holder’s restrictive covenant agreement in connection with the Merger. The recitals above are hereby incorporated into the Agreement of the parties hereto. This Agreement may be executed simultaneously in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The parties agree and acknowledge that delivery of a signature by facsimile shall constitute execution by such signatory.

(c) This Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of California, without giving effect to its conflict of laws rules that would cause the application of the laws of any jurisdiction other than the internal laws of the State of California to the rights and duties of the parties.

(d) Any failure by a party to this Agreement to comply with any obligation, covenant, agreement or condition in this Agreement may be waived by the party entitled to the benefits thereof only by a written instrument signed by the party granting such waiver. No delay on the part of any party to this Agreement in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party to this Agreement of any right, power or privilege hereunder operate as a waiver of any other right, power or privilege hereunder, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. This Agreement may be amended or modified only by a written instrument executed by both of the parties hereto.

(e) The rights and remedies provided for in this Agreement are cumulative and are not exclusive of any rights or remedies which the parties to this Agreement may otherwise have at law or in equity.

(f) No party may assign any of its rights or obligations under this Agreement without the prior written consent of the other party, and any purported assignment without such consent shall be null and void.

(g) Each of the parties hereto agrees to bring any Action arising out of this Agreement exclusively to the jurisdiction of any federal or state court in the State of California having subject matter jurisdiction. Each of the parties agrees that venue will be proper as to proceedings brought in any such federal or state court.

(h) The Parties agree that solely for income tax purposes, $50,000 of the consideration due to the Equity Holder pursuant to the Merger Agreement shall be allocated to this Agreement (the “Allocation”). The Parties shall file all tax returns consistent with the Allocation.

(i) All notices, requests, instructions, claims, demands, consents and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given on the date delivered by hand or by overnight courier service such as Federal Express or by other messenger (as evidenced by written receipt, or, if delivery is refused, upon presentment) or upon receipt by facsimile transmission (with confirmation), or upon delivery by registered or certified mail (return receipt requested), postage prepaid, to the parties at the following addresses:

This Office Lease (this "Lease"), dated November 22, 2010, is by and between DOUGLAS EMMETT 2008, LLC, a Delaware limited liability company ("Landlord"), with an office at 808 Wilshire Boulevard, Suite 200, Santa Monica, California 90401, and BLACKLINE SYSTEMS, INC., a California corporation ("Tenant"), with an office at 23586 Calabasas Road, Suite 103, Calabasas, California 91302.

ARTICLE 1
DEMISE OF PREMISES

S**ection 1.1 Demise.** Subject to the covenants and agreements contained in this Lease, Landlord leases to Tenant and Tenant hires from Landlord, Suite Number 1200 (the "Premises") on the twelfth (12th) floor, in the building located at 21300 Victory Boulevard, Woodland Hills, California 91367 (the "Building"). The configuration of the Premises is shown on Exhibit A, attached hereto and made a part hereof by reference.

Tenant acknowledges that it has made its own inspection of and inquiries regarding the Premises, subject to the terms and conditions this Lease. Therefore, except for the improvements to be completed by Landlord pursuant to Exhibit B, attached hereto and made a part hereof by reference, and subject to Landlord's obligations under this Lease, and subject to any latent defects of which Tenant notifies Landlord in writing within eighteen (18) months after the date of substantial completion of the Improvements and the delivery of the Premises to Tenant, Tenant accepts the Premises in their "as-is" condition. Tenant further acknowledges that Landlord has made no representation or warranty, express or implied, except as are contained in this Lease and its Exhibits, regarding the condition, suitability or usability of the Premises or the Building for the purposes intended by Tenant. Landlord shall, at its sole cost and expense, cause the Building's electrical, plumbing, HVAC and elevator systems, and any other Building systems serving the Premises, to be in good working order and repair as of the Commencement Date.

The Building, the Building's parking facilities, any outside plaza areas, land and other improvements surrounding the Building which are designated from time to time by Landlord as Common Areas appurtenant to or servicing the Building, and the land upon which any of the foregoing are situated, are herein sometimes collectively referred to as the "Real Property".

Section 1.2 Tenant's Non-Exclusive Use. Subject to the contingencies contained herein, Tenant is granted the nonexclusive use of the common corridors and hallways, stairwells, elevators, restrooms, parking facilities, lobbies and other public or Common Areas located on the Real Property (collectively, "Common Areas"). However, the manner in which such public and Common Areas are maintained and operated shall be at the reasonable discretion of Landlord, and Tenant's use thereof shall be subject to such reasonable and non-discriminatory rules, regulations and restrictions as Landlord may make from time to time. Notwithstanding the foregoing, but subject to Landlord's reservations of rights under Section 1.3, below, Tenant shall have exclusive use of all areas on the 12th floor of the Building, and any other full floor that Tenant leases in the Building.

Section 1.3 Landlord's Reservation of Rights. Landlord specifically reserves to itself use, control and repair of the structural portions of all perimeter walls of the Premises, any balconies, terraces or roofs adjacent to the Premises (including any flagpoles or other installations on said walls, balconies, terraces or roofs) and any space in and/or adjacent to the Premises used for the Building's shafts, stairways (other than any internal stairways within the Premises), pipes, conduits, ducts, mail chutes, conveyors, pneumatic tubes, electric or other utilities, sinks, fan rooms or other Building facilities, and the use thereof, as well as access thereto through the Premises. Landlord also specifically reserves to itself the following rights, subject to the terms and conditions of this Lease, and which Landlord shall exercise reasonably, and in a non-discriminatory manner, without interfering with any of Tenant's rights under this Lease, and so long as Tenant's access to and use of the Premises, Common Areas, parking areas, signage and rooftop equipment is not materially impaired thereby:

(a) To designate all sources furnishing sign painting or lettering;

(b) To constantly have pass keys to the Premises;

(c) To grant to anyone the exclusive right to conduct any particular business or undertaking in the Building, so long as Landlord's granting of the same does not prohibit Tenant's use of the Premises for Tenant's Specified Use, as defined in Article 6;

(d) To enter the Premises at any reasonable time with reasonable notice (except for emergencies) to inspect, repair, alter, improve, update or make additions to the Premises or the Building so long as Tenant's access to and use of the Premises is not materially impaired thereby;

(e) During the last six (6) months of the Term, to exhibit the Premises to prospective future tenants upon not less than 24 hours prior notice;

(f) Subject to the provisions of Article 12, to, at any time, and from time to time, whether at Tenant's request or pursuant to governmental requirement, repair, alter, make additions to, improve, or decorate all or any portion of the Real Property,

Building or Premises at any reasonable time with reasonable notice (except for emergencies), so long as Tenant's access to and use of the Premises is not materially impaired thereby. In connection therewith, and without limiting the generality of the foregoing rights, Landlord shall specifically have the right to remove, alter, improve or rebuild all or any part of the lobby of the Building as the same is presently or shall hereafter be constituted;

(g) Subject to the provisions of Article 12, Landlord reserves the right to make alterations or additions to or change the location of elements of the Real Property and any Common Areas appurtenant thereto at any reasonable time with reasonable notice (except for emergencies), and to access any utility closet or storage areas or restrooms, so long as Tenant's access to and use of the Premises is not materially impaired thereby; and/or

(h) To take such other actions as may reasonably be necessary when the same are required to preserve, protect or improve the Premises, the Building, or Landlord's interest therein at any reasonable time with reasonable notice (except for emergencies), so long as Tenant's access to and use of the Premises is not materially impaired thereby.

Notwithstanding the foregoing or anything to the contrary set forth in this Lease, upon notice to Landlord Tenant may from time to time designate certain areas of the Premises as "Secured Areas" as Tenant's business may require such areas for the purpose of securing certain valuable property or confidential information or for regulatory purposes. In connection with the foregoing, Landlord shall not enter such Secured Areas except in the event of an emergency or unless Landlord is accompanied by a Tenant escort, to the extent an escort is reasonably available. Landlord shall only maintain or repair such Secured Areas to the extent (i) such repair or maintenance is required in order to maintain and repair the Building systems or structure or required in order to make repairs affecting areas outside of Tenant's Premises; (ii) required by applicable laws, or (iii) in response to specific requests by Tenant and in accordance with a schedule reasonably designated by Tenant, subject to Landlord's reasonable approval.

Section 1.4 Area. Landlord and Tenant agree that the usable area (the "Usable Area") of the Premises has been measured using the 2010 ANSI/BOMA Standard published collectively by the American National Standards Institute and the Building Owners' and Managers' Association ("ANSI/BOMA Standard"), as a guideline, and that Landlord is utilizing a deemed add-on factor of [***]% to compute the rentable area (the "Rentable Area") of the Premises. Rentable Area herein is calculated as [***] times the estimated Usable Area, regardless of what the actual square footage of the Common Areas of the Building may be, and whether or not they are more or less than [***]% of the total estimated Usable Area of the Building. The purpose of this calculation is solely to provide a general basis for comparison and pricing of this space in relation to other spaces in the market area. Landlord and Tenant further agree that even if the Rentable or Usable Area of the Premises and/or the total Building Area are later determined to be more or less than the figures stated herein, for all purposes of this Lease, the figures stated herein shall be conclusively deemed to be the actual Rentable or Usable Area of the Premises, as the case may be.

Section 1.5 Quiet Enjoyment. So long as Tenant is not in default under this Lease beyond all applicable notice and cure periods with regard to keeping, observing and performing all of the covenants, agreements, terms, provisions and conditions of this Lease on its part to be kept, observed and performed, Tenant shall lawfully and quietly hold, occupy and enjoy the Premises during the Term.

Section 1.6 No Light, Air or View Easement. Any diminution or shutting off of light, air or view by any structure which is now or may hereafter be erected on lands adjacent to the Building shall in no way affect this Lease or impose any liability on Landlord. Noise, dust or vibration or other ordinary incidents to new construction of improvements on lands adjacent to the Building, whether or not by Landlord, shall in no way affect this Lease or impose any liability on Landlord.

ARTICLE 2
COMMENCEMENT DATE AND TERM

Section 2.1 Commencement Date and Term. The term of this Lease ("Term") shall commence the next day after the date Landlord substantially completes the Improvements contemplated under Exhibit B in accordance with the terms and conditions of this Lease, and delivers possession of the Premises to Tenant in broom-clean condition and free of any tenancies (the "Commencement Date"), and shall end, unless sooner terminated as otherwise provided herein, at 11:59 p.m. on the last day of the calendar month that is seventy-two (72) months after the Rent Commencement Date (the "Termination Date"). The anticipated Commencement Date is April 22, 2011, and Landlord shall use commercially reasonable efforts to have the Commencement Date occur as soon as reasonably practicable on or before April 22, 2011. Landlord shall deliver the Premises to Tenant in accordance with the terms and conditions of this Lease upon the next day after the date Landlord substantially completes the Improvements contemplated under Exhibit B in accordance with the terms and conditions of this Lease (subject to the following paragraph). The Rent Commencement Date shall be the later of the Commencement Date or September 15, 2011, subject to extension, as set forth below ("Rent Commencement Date"). Tenant shall be entitled to possess, occupy, improve and use the entire Premises as of the Commencement Date and Tenant shall have no obligation to pay Fixed Monthly Rent until the Rent Commencement Date. Tenant shall pay parking charges and all other amounts due to Landlord (if any) during such period of beneficial occupancy prior to the Rent Commencement Date, subject to any discounts or abatement of parking provided for under the terms of this Lease.

Landlord, subject to the terms of this paragraph, shall grant Tenant access to the Premises up to approximately thirty (30) days prior to the Commencement Date, solely for the purpose of installing Tenant's furniture, fixtures and equipment, computer and telephone cabling (the "Access Period"). Tenant's access to the Premises shall be for the purposes herein stated such access shall not interfere with or delay construction of the Improvements. During the Access Period, if any, Tenant shall be subject to Landlord's reasonable administrative control and supervision and Tenant shall comply with all of the provisions and covenants contained in this Lease, except that Tenant shall not be obligated to pay Fixed Monthly Rent or Additional Rent until the Rent Commencement Date (as defined above).

In the event of any Tenant Delay (as such term is defined in Exhibit B), in addition to any other remedies available to Landlord under this Lease or applicable law, the Commencement Date shall be deemed to be the next day after the date the Improvements would have been substantially completed had no such Tenant Delay occurred. In the event of any Landlord Delay (as such term is defined in Exhibit B), in addition to any other remedies available to Tenant under this Lease or applicable law, the Rent Commencement Date shall be delayed day for day for each day of such Landlord Delay(s), but only if such Landlord Delay (when aggregated with all other Landlord Delays, if any) causes a delay in the construction of the Improvements such that substantial completion occurs on or after May 22, 2011.

Landlord and Tenant shall promptly execute an amendment to this Lease (the "Memorandum") substantially in the form attached hereto as Exhibit D, confirming the finalized Commencement Date and Term as soon as they are determined. Tenant shall execute the Memorandum and return it to Landlord within fifteen (15) business days after receipt thereof. Failure of Tenant to timely execute and deliver the Memorandum shall constitute an acknowledgement by Tenant that the statements included in such Memorandum are true and correct. For purposes of establishing the Commencement Date, substantial completion shall be defined as that point in the construction process when a temporary certificate of occupancy or its substantial equivalent (such as a final signature card sign off from the City of Los Angeles) has been issued the applicable governmental authorities for Tenant's use and occupancy of the entire Premises for the Specified Use (as defined in Section 6.1), and the Improvements, including, without limitation, the structural, mechanical, plumbing and electrical work specified herein has been performed in accordance with the terms and conditions of this Lease; the paint, carpet, hard flooring materials, and base moldings, if any, have been installed and substantially completed in accordance with the terms and conditions of this Lease, subject to punch list items which do not materially affect Tenant's use of the Premises, and which punch list items shall be performed by Landlord within 30 days after such substantial completion.

Except as set forth in this Lease, if for any reason (including any Tenant Delay or Landlord's inability to complete the Improvements called for hereunder) Landlord is unable to deliver possession of the Premises to Tenant on the anticipated Commencement Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Tenant for any damage resulting from Landlord's inability to deliver such possession. However, Tenant shall not be obligated to pay the Fixed Monthly Rent or Additional Rent that Tenant is required to pay pursuant to Section 3.1 until the Rent Commencement Date. Except for such delay in the commencement of Rent (but subject to any acceleration of the Commencement Date as a result of any Tenant Delay), and except as otherwise expressly set forth in this Lease, Landlord's failure to give possession on the anticipated Commencement Date shall in no way affect Tenant's obligations hereunder.

If possession of the Premises is not tendered by Landlord in accordance with the terms and conditions of this Lease, with substantial completion of the Improvements having occurred within ninety (90) days after the anticipated Commencement Date, then, subject to any Tenant Delay, Tenant shall have the right to terminate this Lease by giving written notice to Landlord within ten (10) business days after such failure. Landlord shall have ten (10) business days after receipt of such notice to cure such failure and, if Landlord has not cured the matter within such time period (subject to any Tenant Delay), this Lease shall terminate upon a second (2nd) written notice from Tenant after such failure to cure. If such notice of termination is not so given by Tenant within said ten (10) business day time period, then this Lease shall continue in full force and effect.

Section 2.2 Holding Over. If Tenant fails to deliver possession of the Premises on the Termination Date, but holds over after the expiration or earlier termination of this Lease without the express prior written consent of Landlord, such tenancy shall be construed as a month to month tenancy on the same terms and conditions as are contained herein, except that the Fixed Monthly Rent payable by Tenant during such period of holding over shall automatically increase as of the Termination Date to an amount equal to one hundred twenty-five percent (125%) of the Fixed Monthly Rent payable by Tenant for the calendar month immediately prior to the date when Tenant commences such holding over and, beginning on the sixty-first (61st) day after the Termination Date and continuing thereafter during any period of holding over, the Fixed Monthly Rent payable by Tenant shall increase to an amount equal to one hundred fifty percent (150%) of the Fixed Monthly Rent payable by Tenant for the calendar month immediately prior to the date when Tenant commenced such holding over (with respect to the Fixed Monthly Rent due during either time period the "Holdover Rent"). During

any period of holding over without Landlord's consent, Tenant shall be obligated to pay Holdover Rent for a full calendar month whether or not Tenant remains in possession of the Premises for the entire calendar month and there shall be no pro-rata apportionment of Holdover Rent. Tenant's payment of such Holdover Rent, and Landlord's acceptance thereof, shall not constitute a waiver by Landlord of any of Landlord's rights or remedies with respect to such holding over, nor shall it be deemed to be a consent by Landlord to Tenant's continued occupancy or possession of the Premises past the time period covered by Tenant's payment of the Holdover Rent.

Furthermore, if Tenant fails to deliver possession of the Premises to Landlord upon the expiration or earlier termination of this Lease, and Landlord has theretofore notified Tenant in writing that Landlord requires possession of the Premises for a succeeding tenant, then, in addition to any other liabilities to Landlord accruing therefrom, Tenant shall protect, defend, indemnify and hold Landlord harmless from all loss, costs (including reasonable attorneys' fees and expenses) and liability resulting from such failure.

Notwithstanding the provisions contained hereinabove regarding Tenant's liability for a continuing holdover, Landlord agrees to use commercially reasonable efforts to insert into any future lease of another tenant proposing to occupy the Premises provisions similar to those contained in Section 2.1, permitting mitigation of Tenant's damages arising out of Tenant's temporary holdover.

ARTICLE 3
PAYMENT OF RENT, LATE CHARGE

Section 3.1 Payment of Fixed Monthly Rent and Additional Rent. "Rent" shall mean: all payments of monies in any form whatsoever required under the terms and provisions of this Lease, and shall consist of:

(a) "Fixed Monthly Rent", which shall be payable initially in equal monthly installments of $[***] beginning on the Rent Commencement Date (which initial Fixed Monthly Rent shall be calculated using a base rate of $[***] per rentable square foot for a Rentable Area of [***] square feet of the Premises), subject to (i) delay of the Rent Commencement Date in accordance with Section 2.1 of this Lease in the event of a Landlord Delay (but only if such Landlord Delay (aggregated with all other Landlord Delays, if any) causes a delay in the construction of the Improvements such that substantial completion occurs on or after May 22, 2011), and (ii) adjustment as provided in Section 3.3 of this Lease; plus

(b) Additional Rent as provided in Article 4 and elsewhere in this Lease.

(c) "Amortization Rent" which shall mean the total cost of Excess Improvements advanced by Landlord, if any, pursuant to Tenant's request under the provisions of Section 2(b) of Exhibit B with interest thereon at the rate of [***] per annum, amortized on a straight-line basis over the Term, to be paid as and when Fixed Monthly Rent is paid.

Section 3.2 Manner of Payment. Tenant shall pay Fixed Monthly Rent and Additional Rent immediately upon the same becoming due and payable, without demand therefor, and without any abatement, set off or deduction whatsoever, except as may be expressly provided in this Lease. Landlord's failure to submit statements to Tenant stating the amount of Fixed Monthly Rent or Additional Rent then due, including Landlord's failure to provide to Tenant a calculation of the adjustment as required in Section 3.3 or the Escalation Statement referred to in Article 4, shall not constitute Landlord's waiver of Tenant's requirement to pay the Rent called for herein. Tenant's failure to pay Additional Rent as provided herein shall constitute a material default equal to Tenant's failure to pay Fixed Monthly Rent when due.

Rent shall be payable in advance on the first day of each and every calendar month throughout the Term, in lawful money of the United States of America, to Landlord at 21300 Victory Boulevard, Suite 285, Woodland Hills, California 91367, or at such other place(s) as Landlord designates in writing to Tenant. Tenant's obligation to pay Rent shall begin on the Rent Commencement Date and continue throughout the Term, without abatement, setoff or deduction, except as otherwise specified hereinbelow.

Concurrent with Tenant's execution and delivery to Landlord of this Lease, Tenant shall pay to Landlord the Fixed Monthly Rent due for the first full month of following the Rent Commencement Date.

Section 3.3 Fixed Monthly Rent Increase. Commencing on the date that is the first (1st) calendar day of the fifth (5th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the tenth (10th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month (which Fixed Monthly Rent shall be calculated using a base rate of $[***] per rentable square foot for a Rentable Area of [***] square feet of the Premises). Notwithstanding anything to the contrary in this Lease, although certain amounts hereunder are payable based on a Rentable Area that is less than the Rentable Area for the entire Premises, the entire Premises shall be delivered to Tenant with substantial completion of the Improvements, and Tenant shall have the use and enjoyment of the entire Premises, as further set forth in Section 2.1 above.

Commencing on the date that is the first (1st) calendar day of the eleventh (11th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the twelfth (12th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month (which Fixed Monthly Rent shall be calculated using a base rate of $[***] per rentable square foot for a Rentable Area of the entire Premises).

Commencing on the date that is the first (1st) calendar day of the thirteenth (13th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the twenty-fourth (24th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month

Commencing on the date that is the first (1st) calendar day of the twenty-fifth (25th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the thirty-sixth (36th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the date that is the first (1st) calendar day of the thirty-seventh (37th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the forty-eighth (48th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the date that is the first (1st) calendar day of the forty-ninth (49th) calendar month after the Rent Commencement Date, and continuing through the last calendar day of the sixtieth (60th) calendar month after the Rent Commencement Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the date that is the first (1st) calendar day of the sixty-first (61st) calendar month after the Rent Commencement Date, and continuing throughout the remainder of the initial Term, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Landlord and Tenant shall, in the Memorandum, confirm the actual dates upon which the changes in Fixed Monthly Rent specified above shall occur.

Notwithstanding the foregoing, Tenant shall be permitted to defer [***] of the Fixed Monthly Rent due for each of the calendar months starting on [***] and continuing through and including the [***] anniversary of [***] (collectively, the amount of Fixed Monthly Rent deferred shall be referred to herein as the "Rent Deferral Amount"). So long as Landlord has not terminated this Lease prior to its then scheduled expiration date in accordance with the terms and conditions of this Lease as a result of a material default of Tenant under this Lease beyond all applicable notice and cure periods, the entire Rent Deferral Amount shall be abated and forgiven as of the Termination Date; provided, however, that if Landlord has terminated this Lease prior to its then scheduled expiration date in accordance with the terms and conditions of this Lease as a result of a material default of Tenant under this Lease beyond all applicable notice and cure periods, then (a) Tenant shall pay to Landlord upon demand the entire Rent Deferral Amount due for the months of the Term prior to the occurrence of such material default, and (b) Tenant shall not be entitled to any additional or future deferral of Fixed Monthly Rent.

Section 3.4 Tenant's Payment of Certain Taxes. Tenant shall, within thirty (30) days following Tenant's receipt of Landlord's invoices, reimburse Landlord, as Additional Rent, for any and all taxes, surcharges, levies, assessments, fees and charges payable by Landlord when:

(a) assessed on, measured by, or reasonably attributable to the cost or value of Tenant's equipment, b) on or measured by any rent payable hereunder, including, without limitation, any gross income tax, gross receipts tax, or excise tax levied by the City or County of Los Angeles or any other governmental body with respect to the receipt of such rent (computed as if such rent were the only income of Landlord), but solely when levied by the appropriate City or County agency in lieu of, or as an adjunct to, such business license(s), fees or taxes as would otherwise have been payable by Tenant directly to such taxing authority. If it becomes unlawful for Tenant so to reimburse Landlord, the rent payable to Landlord under this Lease shall be revised to net Landlord the same rent after imposition of any such tax as would have been payable to Landlord prior to the imposition of any such tax.

Said taxes shall be due and payable whether or not now customary or within the contemplation of Landlord and Tenant. Notwithstanding the above, in no event shall the provisions of this Section 3.4 serve to entitle Landlord to reimbursement from Tenant for any federal, state, county or city income tax payable by Landlord or the managing agent of Landlord.

Section 3.5 Certain Adjustments. If:

(a) the Commencement Date occurs on other than January 1st of a calendar year, or this Lease expires or terminates on other than December 31st of a calendar year;

(b) the size of the Premises changes during a calendar year; or

(c) any abatement of Fixed Monthly Rent or Additional Rent occurs during a calendar year,

then the amount payable by Tenant or reimbursable by Landlord during such year shall be adjusted proportionately on a daily basis, and the obligation to pay such amount shall survive the expiration or earlier termination of this Lease.

If the Commencement Date occurs on other than the first day of a calendar month, or this Lease expires on a day other than the last day of a calendar month, then the Fixed Monthly Rent and Additional Rent payable by Tenant shall be appropriately apportioned on a prorata basis for the number of days remaining in the month of the Term for which such proration is calculated.

If the amount of Fixed Monthly Rent or Additional Rent due is modified pursuant to the terms of this Lease, such modification shall take effect the first day of the calendar month immediately following the date such modification would have been scheduled.

Section 3.6 Late Charge and Interest. Tenant acknowledges that late payment by Tenant to Landlord of Fixed Monthly Rent or Additional Rent will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which are extremely difficult and impracticable to fix. Such costs include, without limitation, processing and accounting charges and late charges that may be imposed on Landlord by the terms of any encumbrance and note secured by any encumbrance covering the Premises. Therefore, if any installment of Fixed Monthly Rent or Additional Rent and other payment due from Tenant hereunder is not received by Landlord within seven (7) business days of the date it becomes due, Tenant shall pay to Landlord on demand an additional sum equal to five percent (5%) of the overdue amount as a late charge. The parties agree that this late charge represents a fair and reasonable settlement against the costs that Landlord will incur by reason of Tenant's late payment. Acceptance of any late charge shall not constitute a waiver of Tenant's default with respect to the overdue amount, or prevent Landlord from exercising any of the other rights and remedies available to Landlord.

Every installment of Fixed Monthly Rent and Additional Rent and any other payment due hereunder from Tenant to Landlord which is not paid within twelve (12) days after the same becomes due and payable shall, in addition to any Late Charge already paid by Tenant, bear interest at the rate of ten percent (10%) per annum from the date that the same originally became due and payable until the date it is paid. Landlord shall bill Tenant for said interest, and Tenant shall pay the same within five (5) days of receipt of Landlord's billing.

Notwithstanding the foregoing, Tenant shall not be assessed any late charge for the first late payment in each twelve (12) month period of the Term so long as Tenant pays such amount within five (5) business days of Tenant's receipt of written notice from Landlord that such amount has not been paid.

Section 3.7 Security Deposit. Concurrent with Tenant's execution and tendering of this Lease to Landlord, Tenant shall deposit the sum of $[***] (the "Security Deposit"), which amount Tenant shall thereafter at all times maintain on deposit with Landlord as security for Tenant's full and faithful observance and performance of its obligations under this Lease (expressly including, without limitation, the payment as and when due of the Fixed Monthly Rent, Additional Rent and any other sums or damages payable by Tenant hereunder and the payment of any and all other damages for which Tenant shall be liable by reason of any act or omission contrary to any of said covenants or agreements). Landlord shall have the right to commingle the Security Deposit with its general assets and shall not be obligated to pay Tenant interest thereon.

If at any time Tenant defaults in the performance of any of its obligations under this Lease, after the expiration of notice and the opportunity to cure (if a notice and cure period is provided for under this Lease for the particular default), then, Landlord may:

(a) apply as much of the Security Deposit as may be necessary to cure Tenant's non-payment of the Fixed Monthly Rent, Additional Rent and/or other sums or damages due from Tenant; and/or;

(b) if Tenant is in default of any of the covenants or agreements of this Lease; apply so much of the Security Deposit as may be necessary to reimburse all expenses incurred by Landlord in curing such default; or

(c) if the Security Deposit is insufficient to pay the sums specified in Section 3.7 (a) or (b), elect to apply the entire Security Deposit in partial payment thereof, and proceed against Tenant pursuant to the provisions of Article 17 and Article 18 herein.

Tenant hereby waives the provisions of Section 1950.7 of the California Civil Code, and all other laws, statutes, ordinances or other governmental rules, regulations or requirements now in force or which may hereafter be enacted or promulgated, which (i) establish the time frame by which Landlord must refund a security deposit under a lease, and/or (ii) provide that Landlord may claim from the Security Deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Tenant or to clean the Premises, it being agreed that Landlord may, in addition, claim those sums specified in Article 18 below, and/or those sums reasonably necessary to compensate Landlord for any loss or damage caused by Tenant's breach of this Lease beyond all applicable notice and cure periods by Tenant. If, as a result of Landlord's application of any portion or all of the Security Deposit as may be expressly permitted hereunder, the amount held by Landlord declines to less than $[***], Tenant shall, within ten (10) days after demand therefor, deposit with Landlord additional cash sufficient to bring the then-existing balance held as the Security Deposit to the amount specified hereinabove. Tenant's failure to deposit said amount shall constitute a material breach of this Lease.

At the expiration or earlier termination of this Lease, Landlord shall deduct from the Security Deposit being held, as may be expressly permitted hereunder, on behalf of Tenant any unpaid sums, costs, expenses or damages payable by Tenant pursuant to the provisions of this Lease; and/or any costs required to cure Tenant's default or performance of any other covenant or agreement of this Lease, and shall, within thirty (30) days after the expiration or earlier termination of this Lease, return to Tenant, without interest, all or such part of the Security Deposit as then remains on deposit with Landlord.

ARTICLE 4
ADDITIONAL RENT

Section 4.1 Certain Definitions. As used in this Lease:

(a) "Escalation Statement" means a statement by Landlord, setting forth the amount payable by Tenant or by Landlord, as the case may be, for a specified calendar year pursuant to this Article 4.

(b) "Operating Expenses" means the following in a referenced calendar year, including the Base Year as hereinafter defined, calculated assuming the Building is at least ninety-five percent (95%) occupied for purposes of calculating variable operating expenses: all costs of management, operation, maintenance, and repair of the Building.

By way of illustration only, Operating Expenses shall include, but not be limited to: management fees, which shall not exceed those reasonable and customary in the geographic area in which the Building is located; water and sewer charges; any and all insurance premiums not otherwise directly payable by Tenant; license, permit and inspection fees; air conditioning (including repair of same); heat; light; power and other utilities; steam; labor; cleaning and janitorial services; guard services; supplies; materials; equipment and tools.

Operating Expenses shall also include the cost or portion thereof of those capital improvements made to the Building by Landlord during the Term (the "Permitted CapEx"):

(i) To the extent that such capital improvements reduce other Operating Expenses, when the same were made to the Building by Landlord after the Rent Commencement Date, or

(ii) that are required under any governmental law or regulation that was not applicable to the Building as of the Rent Commencement Date.

Said capital improvement costs, or the allocable portion thereof (as referred to in clauses (i) and (ii) above), shall be amortized in equal, annual installments over the useful life of the subject capital improvement pursuant to generally-accepted accounting principles, together with interest on the unamortized balance at the rate of eight percent (8%) per annum.

Operating Expenses shall also include all general and special real estate taxes, increases in assessments or special assessments and any other ad valorem taxes, rates, levies and assessments paid during a calendar year (or portion thereof) upon or with respect to the Building and the personal property used by Landlord to operate the Building, whether paid to any governmental or quasi-governmental authority, and all taxes specifically imposed in lieu of any such taxes (but excluding taxes referred to in Section 3.4 for which Tenant or other tenants in the Building are liable) including fees of counsel and experts, reasonably incurred by, or reimbursable by Landlord in connection with any application for a reduction in the assessed valuation of the Building and/or the land thereunder or for a judicial review thereof, (collectively "Appeal Fees"), but solely to the extent that the Appeal Fees result directly in a reduction of taxes otherwise payable by Tenant. However, in no event shall the portion of Operating Expenses used to calculate any billing to Tenant attributable to real estate taxes and assessments for any expense year be less than the billing for real estate taxes and assessments during the Base Year. Notwithstanding anything to the contrary set forth in this Lease, the amount of taxes included in Operating Expenses for the Base Year and any subsequent year shall be calculated without taking into account any decreases in real estate taxes obtained in connection with any reductions obtained by Landlord pursuant to California Proposition 8. Except as set forth in the preceding sentence, refunds of taxes, to the extent previously paid by Tenant to Landlord as part of Operating Expenses, shall be credited back to Tenant's Operating Expenses due regardless of when received, based on the year to which the refund is applicable. Operating Expenses shall also include, but not be limited to, the premiums for the following insurance coverage: all-risk, structural, fire, boiler and machinery, liability, earthquake and for replacement of tenant improvements to a maximum of $35.00 per usable square foot, and for such other coverage(s), and at such policy limit(s) as Landlord deems reasonably prudent and/or are required by any lender or ground lessor, which coverage and limits Landlord may, in Landlord's reasonable discretion, change from time to time.

If, in any calendar year following the Base Year, as defined hereinbelow (a "Subsequent Year"), a new expense item (e.g., earthquake insurance, concierge services; entry card systems), is included in Operating Expenses which was not included in the Base Year Operating Expenses, then the cost of such new item shall be added to the Base Year Operating Expenses for purposes of determining the Additional Rent payable under this Article 4 for such Subsequent Year. During each Subsequent Year, the same amount shall continue to be included in the computation of Operating Expenses for the Base Year, resulting in each such Subsequent Year Operating Expenses only including the increase in the cost of such new item over the Base Year, as so adjusted. However, if in any Subsequent Year thereafter, such new item is not included in Operating Expenses, no such addition shall be made to Base Year Operating Expenses.

Conversely, as reasonably determined by Landlord, when an expense item that was originally included in the Base Year Operating Expenses is, in any Subsequent Year, no longer included in Operating Expenses, then the cost of such item shall be deleted from the Base Year Operating Expenses for purposes of determining the Additional Rent payable under this Article 4 for such Subsequent Year. The same amount shall continue to be deleted from the Base Year Operating Expenses for each Subsequent Year thereafter that the item is not included. However, if such expense item is again included in the Operating Expenses for any Subsequent Year, then the amount of said expense item originally included in the Base Year Operating Expenses shall again be added back to the Base Year Operating Expenses.

(c) Exclusions from Operating Expenses. Notwithstanding anything contained in the definition of Operating Expenses as set forth in

Subsection 4.1(b) of this Lease, Operating Expenses shall not include the following:

(i) The costs of repairs to the Building, if and to the extent that any such costs is actually reimbursed by the insurance carried by Landlord or otherwise, or subject to award under any eminent domain proceeding;

(ii) Depreciation, amortization and interest payments, except as specifically permitted herein or except on materials, tools supplies and vendor-type equipment purchased by Landlord to enable Landlord to supply services Landlord might otherwise contract for with a third party where such depreciation, amortization and interest payments would otherwise have been included in the charge for such third party's services. In such a circumstance, the inclusion of all depreciation, amortization and interest payments shall be determined pursuant to generally accepted accounting principles, consistently applied, amortized over the reasonably anticipated useful life of the capital item for which such amortization, depreciation or interest allocation was calculated;

(iii) Marketing costs, including leasing commissions, attorneys' fees incurred in connection with the negotiation and preparation of letters, deal memos, letters of intent, leases subleases and/or assignments, space planning costs, and other costs and expenses incurred in connection with lease, sublease and/or assignment negotiations and transactions with present or prospective tenants or other occupants of the Building;

(iv) Expenses for services not offered to Tenant or for which Tenant is charged directly, whether or not such services or other benefits are provided to another tenant or occupant of the Building;

(v) Costs incurred due to Landlord's or any tenant of the Building's violation, other than Tenant, of the terms and conditions of any lease or rental agreement in the Building;

(vi) Interest, principal, points and fees on debts or amortization on any mortgage or mortgages or any other debt instrument encumbering the Building or the land thereunder;

(vii) Costs associated with operating the entity which constitutes Landlord, as the same are distinguished from the costs of operation of the Building, including, without limitation, reserves, general corporate overhead and administrative expense, partnership accounting and legal matters, costs of defending any lawsuits with any mortgagee (except as the actions of Tenant may be in issue), costs of selling, syndicating, financing, mortgaging or hypothecating any of Landlord's interest in the Building, costs (including attorneys' fees and costs of settlement judgments and payments in lieu thereof) arising from claims, disputes or potential disputes in connection with potential or actual claims, litigation or arbitration pertaining to Landlord's ownership of the Building;

(viii) Leasing advertising and promotional expenditures, and costs of leasing signs in or on the Building identifying the owner of the Building, or other tenants signs;

(ix) Electric, gas or other power costs for which (and only to the extent) Landlord has been directly reimbursed by another tenant or occupant of the Building, or for which any tenant directly contracts with the local public service company;

(x) Costs, including attorneys' fees and settlement judgments and/or payments in lieu thereof, arising from actual or potential claims, disputes, litigation or arbitration pertaining to Landlord and/or the Building;

(xi) Costs incurred with respect to the installation of Tenant's or other occupant's improvements or incurred in renovating or otherwise improving, decorating, painting or redecorating vacant space for Tenant or other occupants of the Building;

(xii) Tax penalties and interest incurred as a result of Landlord's negligent or willful failure to make payments and/or to file any income tax or informational return(s) when due, unless such non-payment is due to Tenant's nonpayment of rent;

(xiii) Any charitable or political contributions;

(xiv) The purchase or rental price of any sculpture, paintings or other object of art (except for costs associated with any common area fountains), whether or not installed in, on or upon the Building;

(xv) Costs of repairs which would have been covered by casualty insurance but for Landlord's failure to maintain casualty insurance to cover the replacement value of the Building as required by this Lease;

(xvi) Capital expenditures, including, without limitation, costs of capital repairs, replacements or improvements, except for the Permitted CapEx (but only to the extent of the amortized portion, as set forth in (b) above) expressly permitted to be included in Operating Expenses under the terms of subsections (b)(i) or (b)(ii) above;

(xvii) The assessment or billing of operating expenses that results in Landlord being reimbursed more than one hundred percent (100%) of the total expenses for the calendar year in question;

(xviii) Costs incurred in connection with the original construction of the Building or in connection with any major structural change in the Building, such as adding or deleting entire floors;

(xix) The wages and benefits of any employee who does not devote substantially all of his or her employed time to the Building unless such wages and benefits are prorated to reflect time spent on operating and managing the Building vis-à-vis time spent on matters unrelated to operating and managing the Building; provided, that in no event shall Operating Expenses include wages and/or benefits attributable to personnel above the level of Building manager or Building engineer;

(xx) Any amount paid by Landlord or to the parent organization or a subsidiary or affiliate of Landlord for supplies, work and/or services, to the extent the same exceeds the costs of such supplies, work and/or services rendered by qualified, first-class unaffiliated third parties on a competitive basis;

(xxi) Any compensation paid to clerks, attendants or other persons in commercial concessions operated by Landlord;

(xxii) Any management fee in excess of five percent (5%) of the total Rent for the Building or any fees or reimbursements payable to Landlord and/or its affiliates which exceed the amount which would normally be paid to comparable unaffiliated third party vendors at the Comparable Buildings (as defined below);

(xxiii) Rent for any office space occupied by Landlord's management personnel to the extent the size or rental rate of of comparable first-class high-rise office buildings in Woodland Hills, California ("Comparable Buildings"), with adjustment where appropriate for the size of the applicable building;

(xxiv) Costs arising from the negligence or willful misconduct of Landlord or its agents, employees, affiliates, managers, members, contractors or representatives, or the material breach of this Lease by Landlord;

(xxv) All excess profits taxes, franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, estate taxes, federal and state income taxes, and other taxes and assessments to the extent applicable to Landlord's general or net income (as opposed to rents, receipts or income attributable to operations at the Building), or any taxes to the extent paid by Tenant directly to the taxing authority;

(xxvi) Ground rental;

(xxvii) Costs Incurred to comply with applicable laws, or to otherwise remove or remediate, with respect to Hazardous Materials (as defined in Section 20.20 below); or

(xxviii) All assessments and premiums which are not specifically charged to Tenant because of what Tenant has done, which can be paid by Landlord in installments if commercially reasonable, shall be paid by Landlord in the maximum number of installments permitted by law (or permitted without penalty or added cost or premium) and shall be included as Operating Expenses in the year in which the assessment or premium installment is actually paid.

(d) "Tenant's Share" means 9.08% (based on a total Usable Area of the Building of approximately 221,981 square feet as of the date of this Lease).

Section 4.2 Calculation of Tenant's Share of Increases in Operating Expenses. If, commencing with the calendar year 2012, the Operating Expenses for any calendar year during the Term, or portion thereof, (including the last calendar year of the Term), have increased over the Operating Expenses for the calendar year 2011 (the "Base Year"), then within thirty (30) days after Tenant's receipt of Landlord's computation of such increase (an "Escalation Statement"), Tenant shall pay to Landlord, as Additional Rent, an amount equal to the product obtained by multiplying such increase by Tenant's Share. Landlord shall use commercially reasonable efforts to deliver the Escalation Statement in or prior to the third calendar quarter of each calendar year during the Term. Tenant shall have no obligation to pay Operating Expenses for the period beginning on the Rent Commencement Date and continuing for twelve months thereafter.

Notwithstanding any provision of this Lease to the contrary, the increase in total Operating Expenses (excluding from any limits imposed under this grammatical paragraph (i) all utilities of any kind, (ii) insurance premiums and costs of any kind, (iii) all general and special real estate taxes, increases in assessments or special assessments and any other ad valorem taxes, rates, levies and assessments and (iv) any labor costs, such as but not limited to janitorial or security services, that are subject to a collective bargaining agreement (or over which Landlord has no reasonable control), none of which shall be subject to a cap ("Uncontrollable Expenses")), shall be limited to [***] on a cumulative basis per calendar year (the "Expense Cap"). If the amount of Operating Expenses (excluding the Uncontrollable Expenses), for any single calendar year exceeds the Expense Cap, Landlord may accrue the difference between the Expense Cap and the actual percentage increase for that calendar year, and add said difference to the Operating Expenses for the following calendar year, subject to the maximum [***] cap (when including the addition of such difference) during such year.

Landlord may, at or after the start of any calendar year subsequent to the Base Year, notify Tenant of the amount which Landlord reasonably estimates will be Tenant's monthly share of any such increase in Operating Expenses for such calendar year over the Base Year and the amount thereof shall be added to the Fixed Monthly Rent payments required to be made by Tenant in such year. If Tenant's Share of any such increase in rent payable hereunder as shown on the Escalation Statement is greater or less than the total amounts actually billed to and paid by Tenant during the year covered by such statement, then within thirty (30) days thereafter, Tenant shall pay in cash any sums owed Landlord or, if applicable, Tenant shall either receive a credit against any Fixed Monthly Rent and/or Additional Rent next accruing for any sum owed Tenant, or if Landlord's Escalation Statement is rendered after the expiration or earlier termination of this Lease and indicates that Tenant's estimated payments have exceeded the total amount to which Tenant was obligated, then provided that Landlord is not owed any other sum by Tenant, Landlord shall issue a cash refund to Tenant within thirty (30) days after Landlord's completion of such Escalation Statement.

Section 4.2.1. In the event Tenant disputes the amount of Additional Rent set forth in the Escalation Statement, then Tenant may, within two hundred ten (210) days after Tenant receives the subject Escalation Statement, engage an independent certified public accountant (which accountant shall not be working on the audit hereunder on a contingency fee basis) (the "Audit Accountant"), designated and paid for by Tenant (subject to the terms of this Section 4.2.1 below), to inspect Landlord's records with respect to such Escalation Statement at the offices of Landlord where such records are customarily maintained or at such other location reasonably selected by Landlord provided that:

(a) Tenant is not then in default under this Lease beyond all applicable notice and cure periods;

(b) Tenant provides Landlord with written notice of the dispute, which notice shall state with reasonable particularity the basis for the dispute, the amount at issue and identifying the accountant engaged or to be engaged by Tenant;

(c) Tenant has paid all amounts that are required to be paid under the applicable Escalation Statement;

(d) Such inspection is conducted during normal business hours (with such inspection to be completed within a commercially reasonable period of time) at time(s) reasonably designated by Landlord;

(e) Tenant and Tenant's agents shall, in a writing delivered to Landlord, agree in advance of such inspection to follow Landlord's reasonable rules and procedures regarding inspections of Landlord's records (including, without limitation, no photocopying);

(f) Prior to any inspection of Landlord's records, Tenant and Tenant's agents execute a commercially reasonable confidentiality agreement regarding such inspection and deliver an original of the same to Landlord; and

(g) Tenant's failure to provide written notice to Landlord in accordance with clause b), above, within two hundred ten (210) days after Tenant's receipt of the applicable Escalation Statement shall be deemed to be Tenant's approval of such statement and, in case of such failure, Tenant, after the expiration of such two hundred ten (210)-day period, shall have waived its right to dispute the amounts set forth in such statement.

If, after such inspection, if any, Tenant still disputes such Additional Rent, a determination as to the proper amount shall be made, at Tenant's expense, by an independent certified public accountant (the "Accountant") selected by Landlord and subject to Tenant's reasonable approval; provided that if such determination by the Accountant proves that the Operating Expenses (for the Building as a whole) were overstated in the applicable Escalation Statement by more than five percent (5%), then the fees and expenses of the Audit Accountant, the Accountant and all other costs of such determination shall be paid for by Landlord. However, if the Operating Expenses (for the Building as a whole) were overstated in the applicable Escalation Statement by five percent (5%) or less, or was in fact understated, the Tenant shall promptly pay the fees and expenses of the Accountant and all other costs of such determination (including, without limitation, the amount of Operating Expenses owed to Landlord as evidenced by the inspection). Any reconciliation of charges set forth in the Escalation Statement, which is necessitated by the inspection, shall be paid or credited by Tenant or Landlord, as applicable, in accordance with this Section 4.2.1. Tenant hereby acknowledges that Tenant's sole right to inspect Landlord's books and records and to contest the amount of Operating Expenses payable by Tenant shall be as set forth in this Section 4.2.1 and Tenant hereby waives any and all other rights pursuant to applicable law to inspect such books and records and/or to contest the amount of Operating Expenses payable by Tenant.

Section 4.3 Tenant's Payment of Direct Charges as Additional Rent. Any other cost, expense, charge, amount or sum (other than Fixed Monthly Rent and the Security Deposit) payable by Tenant as provided in this Lease shall also be considered Additional Rent.

ARTICLE 5
ETHICS

Section 5.1 Ethics. Landlord and Tenant agree to conduct their business or practice in compliance with any appropriate and applicable codes of professional or business practice.

ARTICLE 6
USE OF PREMISES

Section 6.1 Use. The Premises shall only be used for general office use consistent with the operation of a first-class office building in the Woodland Hills area (the "Specified Use") and for no other purposes, without Landlord's prior written consent, which consent shall be in Landlord's sole discretion. Any proposed revision of the Specified Use by Tenant shall be for a use consistent with those customarily found in first-class office buildings. Reasonable grounds for Landlord withholding its consent shall include, but not be limited to:

(a) the proposed use will place a disproportionate burden on the Building systems;

(b) the proposed use is for governmental or medical purposes or for a company whose primary business is that of conducting boiler-room type transactions or sales;

(c) the proposed use would generate excessive foot traffic to the Premises and/or Building.

So long as Tenant is in control of the Premises, Tenant covenants and agrees that it shall not use, suffer or permit any person(s) to use all or any portion of the Premises for any purpose in violation of the laws of the United States of America, the State of California, or the ordinances, regulations or requirements of the City or County of Los Angeles, or other lawful authorities having jurisdiction over the Building.

Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or unreasonably interfere with the rights of other tenants or occupants of the Building, or injure or unreasonably annoy them. Tenant shall not use or allow the Premises to be used for any pornographic or violent purposes, nor shall Tenant cause, commit, maintain or permit the continuance of any unreasonable nuisance or waste in, on or about the Premises. Tenant shall not use the Premises in any manner that in Landlord's reasonable judgment would materially and adversely unreasonably affect or interfere with any services Landlord is required to furnish to Tenant or to any other tenant or occupant of the Building, or that would interfere with or obstruct the proper and economical rendition of any such service.

Section 6.2 Exclusive Use. Landlord represents that Tenant's Specified Use of the Premises does not conflict with exclusive use provisions granted by Landlord in other leases for the Building. Landlord further agrees that it shall, in the future, not grant an exclusive use privilege to any other tenant in the Building that will prevent Tenant from continuing to use the Premises for its Specified Use.

Tenant acknowledges and agrees that it shall not engage in any of the uses specified hereinbelow, for which Landlord has already granted exclusive rights: None.

Provided that Tenant has received written notice of the same from Landlord, and further provided that Landlord does not grant a future exclusive use right that prohibits Tenant from engaging in the Specified Use, then Tenant agrees that it shall not violate any exclusive use provision(s) granted by Landlord to other tenants in the Building.

Section 6.3 Rules and Regulations. Tenant shall observe and comply with the rules and regulations set forth in Exhibit C, and such other and further reasonable and non-discriminatory rules and regulations as Landlord may make or adopt and communicate to Tenant in writing at any time or from time to time, when said rules, in the reasonable judgment of Landlord, may be necessary or desirable to ensure the first-class operation, maintenance, reputation or appearance of the Building. However, if any conflict arises between the provisions of this Lease and any such rule or regulation, the provisions of this Lease shall control.

Provided Landlord makes commercially reasonable efforts to seek compliance by all occupants of the Building with the rules and regulations adopted by Landlord, Landlord shall not be responsible to Tenant for the failure of any other tenants or occupants of the Building to comply with said rules and regulations.

ARTICLE 7
CONDITION UPON VACATING & REMOVAL OF PROPERTY

Section 7.1 Condition upon Vacating. At the expiration or earlier termination of this Lease, Tenant shall:

(a) terminate its occupancy of, quit and surrender to Landlord, all or such portion of the Premises upon which this Lease has so terminated, broom-clean and in the same condition as received except for:

(i) ordinary wear and tear, or

(ii) loss or damage by fire or other casualty, and any other loss or damage resulting from Landlord's material breach of this Lease; and

(b) surrender the Premises free of any and all debris and trash and any of Tenant's personal property, furniture, fixtures and equipment that do not otherwise become a part of the Real Property, pursuant to the provisions contained in Section 7.2 hereinbelow; and

(c) at Tenant's sole expense, forthwith and with all due diligence remove any of the initial Improvements installed pursuant to Exhibit B attached hereto and any Tenant Change (as defined in Section 12.12 of this Lease), repair any damage caused thereby and restore the affected area to the condition existing at the time of installation (reasonable wear and tear and casualty damage excepted) but only in the event the subject portion of the initial Improvements or Tenant Change is not a general office improvement and is an over-standard improvement of the type that owners of Comparable Buildings would require to be removed at the expiration or earlier termination of leases (such as but not limited to vaults, chandeliers, interior staircases, mechanical units, security devices, low voltage cabling, specialty doors and locks, audio/visual equipment, floor cores, telephone racks, floor anchors, raised flooring, and supplemental air conditioning systems serving the Premises) and (i) such removal was requested by Landlord (in Landlord's sole and absolute discretion) at the time the plans for such Improvements or Tenant Change are reviewed by Landlord or (ii) the subject Improvement or Tenant Change was made without Landlord's approval (if approval was required under the terms of this Lease). If Tenant fails to complete such removal and/or restoration and/or to repair any damage caused by the removal or restoration of any of the initial Tenant Improvements or Tenant Change (provided Tenant is required to do so by the express terms of this Lease), Landlord may do so and may charge the cost thereof to Tenant or deduct the cost from the Security Deposit under Section 3.7 of this Lease.

If a Tenant Change does not require Landlord's prior consent under Section 12.12 of this Lease, Tenant shall request that Landlord review the plans for such Tenant Change solely to determine whether Landlord will require removal, repair and restoration under this Section 7.1 (c). Landlord shall respond to such notice within ten (10) business days after receipt or shall be deemed to have waived its right to request removal, repair and restoration. Tenant shall remove any (1) data, telecom and other cabling and wiring installed by or for Tenant in the Premises (including any of the same installed above the ceiling plenum), and (2) security system or devices installed by Tenant, in either case whether or not the installation was performed as part of the initial Improvements constructed in the Premises or after such time, and Tenant shall repair any damage caused by such removal.

Section 7.2 Tenant's Property. All fixtures, equipment, improvements and installations attached or built into the Premises at any time during the Term (other than Tenant's personal property, equipment and trade fixtures) shall, at the expiration or earlier termination of this Lease, be deemed the property of Landlord; become a permanent part of the Premises and remain therein. However, provided after such removal Tenant restores the Premises to the condition existing prior to installation of Tenant's trade fixtures, personal property or equipment, Tenant shall be permitted, at Tenant's sole expense, to remove said trade fixtures, personal property and equipment.

The provisions of this Article 7 shall survive the expiration or earlier termination of this Lease.

ARTICLE 8
UTILITIES AND SERVICES

Section 8.1 Normal Building Hours / Holidays. The "Normal Business Hours" of the Building, during which Landlord shall furnish the services specified in this Article 8 are defined as 8:00 A.M. to 6:00 P.M., Monday through Friday, and 9:00 A.M. to 1:00 P.M. on Saturday, any one or more Holiday(s) excepted.

The "Holidays" which shall be observed by Landlord in the Building are defined as: New Years Day, Presidents' Day, Memorial Day, the 4th of July, Labor Day, Thanksgiving Day, the day after Thanksgiving, and Christmas Day (each individually a "Holiday"). Tenant acknowledges that the Building shall be closed on each and every such Holiday, and Tenant shall not be guaranteed access to Landlord or Landlord's managing agent(s) on each such Holiday, but shall still have access to the Building, Premises and parking areas.

Section 8.2 Access to the Building and General Services. Subject to Force Majeure and any power outage(s) which may occur in the Building when the same are out of Landlord's reasonable control, Landlord shall furnish the following services to the Premises twenty-four (24) hours per day, seven days per week:

(a) during Normal Business Hours, bulb replacement for building standard lights;

(b) access to and use of the parking facilities for persons holding valid parking permits;

(c) access to and use of the elevators and Premises;

(d) use of electrical lighting on an as-needed basis within the Premises; and

(e) use of a reasonable level of water for kitchen and toilet facilities in the Premises and Common Area bathrooms.

Section 8.3 Janitorial Services. Landlord shall furnish the Premises with reasonable and customary janitorial services five (5) days per business week, after Normal Business Hours except when the Building is closed on any Holiday. Landlord shall retain the sole discretion to choose and/or revise the janitorial company providing said services to the Premises and/or Building. Landlord's janitorial services as provided as of the date of this Lease are set forth on Exhibit I attached hereto, which specifications may be revised during the Term as long as the janitorial services provided to the Premises and Building are comparable to the services provided to Comparable Buildings. Any janitorial service engaged by Landlord shall perform background checks on any personnel that will access Tenant's Premises.

Section 8.4 Security Services. Tenant acknowledges that Landlord currently provides uniformed guard service to the Building from 7:00 a.m. to 11:00 p.m., Sunday through Saturday (including Holidays) solely for the purposes of providing surveillance of, and information and directional assistance to persons entering the Building. The Building is accessible only with an access key card after Normal Business Hours.

Tenant acknowledges that such guard service shall not provide any measure of security or safety to the Building or the Premises, and that Tenant shall take such actions as it may deem necessary and reasonable to ensure the safety and security of Tenant's property or person or the property or persons of Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders. Tenant agrees and acknowledges that, except in the case of the negligence or willful misconduct of Landlord or its directors, employees, officers, partners or shareholders, Landlord shall not be liable to Tenant in any manner whatsoever arising out of the failure of Landlord's guard service to secure any person or property from harm.

Tenant agrees and acknowledges that Landlord, in Landlord's sole discretion, shall have the option, but not the obligation to add, decrease, revise the hours of and/or change the level of services being provided by any guard company serving the Building. Tenant further agrees that Tenant shall not engage or hire any outside guard or security company without Landlord's prior written consent, which shall be in Landlord's sole discretion. In any event, Landlord shall provide security at a level commensurate with that provided at the Comparable Buildings and any security service engaged by Landlord shall perform background checks on any security personnel that will have access to Tenant's Premises.

Tenant, at its sole cost and expense, shall have the right to install a Building standard Premises keycard security access system, subject to Landlord's prior review and reasonable approval of all specifications for the same, and which security system: (i) shall be located within the Premises, (ii) is compatible with Landlord's security system, (iii) is independent of and which does not adversely affect, Landlord's security system, and shall provide for Landlord to have at Tenant's sole expense, a "key-override" on the Building's master key system access and any other reasonable access required to the Premises (e.g. during emergencies and for janitorial service but, otherwise, only upon reasonable prior notice to Tenant), and (iv) which does not create a "Design Problem," as that term is defined herein. A "Design Problem" is a component of the system that (a) would have an adverse affect on the Building or Building Systems (b) does not comply with applicable law (c) interferes unreasonably with another occupant's normal and customary business or (d) affects (other than permitted signage) the exterior appearance of the Building. Further, on or before the expiration or earlier termination of the Lease, Tenant at its sole expense shall remove Tenant's security system together with all service wiring, cabling and related devices and shall repair any damage caused by such removal, and restore the Premises to the condition existing prior to installation of Tenant's Security System.

Section 8.5 Utilities. During Normal Business Hours Landlord shall furnish a reasonable level of water, heat, ventilation and air conditioning ("HVAC"), and a sufficient amount of electric current to provide customary business lighting and to operate ordinary office business machines, such as a single personal computer and ancillary printer per [***] rentable square feet contained in the Premises, facsimile machines, small copiers customarily used for general office purposes, and such other equipment and office machines as do not result in above-standard use of the existing electrical system. So long as the same remain reasonably cost competitive, Landlord shall retain the sole discretion to choose the utility vendor(s) to supply such services to the Premises and the Building.

As part of Operating Expenses, Landlord shall provide the Premises with electrical capacity for normal office lighting and equipment, which shall be no less than 5.5 watts per square foot of Rentable Area, on a demand load basis, over a one year period, averaged twenty four (24) hours per day, seven (7) days per week. Subject to the preceding sentence, Tenant shall not use in the Premises any above-standard equipment that, in the aggregate with Tenant's other electrical equipment in the Premises, consumes unreasonably above-standard levels of electricity or otherwise overloads the Building's electrical systems or reasonably creates any safety hazards. Except with the prior written consent of Landlord, Tenant shall not connect any electrical equipment to the electrical system of the Building, except through electrical outlets already existing in the Premises, nor shall Tenant pierce, revise, delete or add to the electrical, plumbing, mechanical or HVAC systems in the Premises.

Section 8.6 After Hours HVAC and/or Excess Utility Usage. If Tenant requires HVAC service during other than Normal Business Hours ("Excess HVAC"), Tenant shall make its request during Normal Business Hours via Landlord's commercially reasonable system, which is currently administered by providing Excess HVAC access cards to the Tenant each with a user name and pass code, which users may call into a phone center which will prompt the caller to program their access to Excess HVAC. There shall be a one (1)-hour minimum charge for Excess HVAC when such Excess HVAC is ordered. Tenant's request shall be deemed conclusive evidence of its willingness to pay Landlord's reasonable costs of Excess HVAC, as determined by Landlord, in Landlord's reasonable discretion, and shall be subject to increases based on actual increases in Landlord's cost to provide Excess HVAC. As of the date of this Lease, Landlord's cost for the twelfth (12th) floor Excess HVAC (and the after-hours charge to Tenant for Excess HVAC) is $[***] per hour.

Except with respect to Excess HVAC, if Tenant requires electric current in excess of the amounts specified hereinabove, water or gas in excess of that customarily furnished to the Premises as office space ("Excess Utility Use"), Tenant shall first procure Landlord's prior written consent to such Excess Utility Use, which Landlord may reasonably refuse.

In lieu of Landlord's refusal, Landlord may cause a meter or sub-meter to be installed to measure the amount of excess water, gas and/or electric current consumed by Tenant in the Premises. The reasonable cost of any such meter(s), and the installation, maintenance, and repair thereof, shall be paid by Tenant as Additional Rent.

After completing installation of said meter(s), and/or if Tenant requests Excess HVAC, then Tenant shall pay, as Additional Rent, within thirty (30) calendar days after Tenant's receipt of Landlord's billing, for the actual amounts of all water, steam, compressed air, electric current and/or Excess HVAC consumed in excess of the normal levels Landlord is required herein to provide. Said billing shall be calculated on the usage indicated by such meter(s), sub-meter(s), or Tenant's written request therefor, and shall be issued by Landlord at the rates charged for such services by the local public utility furnishing the same, plus any additional expense reasonably incurred by Landlord in providing said Excess Utility Use and/or in keeping account of the water, steam, compressed air and electric current so consumed.

Section 8.6.1. Supplemental HVAC. Tenant may install one or more separate HVAC units (the "Supplemental HVAC") in the Premises at Tenant's sole cost and expense, subject to Landlord's prior written approval of the plans and specifications (including, without limitation, the location of the Supplemental HVAC), which approval shall not be unreasonably withheld, conditioned or delayed; such approval by Landlord shall be deemed granted unless Landlord provides a reasonable disapproval or approval to Tenant prior to the sixth (6th) business day after Landlord's receipt of such plan and specifications. Tenant shall pay for all costs of the use, maintenance, repair and (if necessary, as determined by Tenant, in Tenant's sole and absolute discretion) the replacement of the Supplemental HVAC and any and all other costs of the Supplemental HVAC. Landlord shall not be responsible or liable in any way for the Supplemental HVAC, including for any failures of the Supplemental HVAC, except and to the extent caused by an act of negligence or willful misconduct by Landlord or any of the Landlord Parties. Landlord makes no representation or warranty regarding the Supplemental HVAC and whether it will perform in accordance with Tenant's requirements. Without limiting the definition of an Abatement Event or Tenant's rights with respect thereto, in no event shall any failure or deficiency in the Supplemental HVAC entitle Tenant to any offset or abatement of Rent and shall not be an "Abatement Event" under this Lease. Prior to any use of any Supplemental HVAC, Landlord may, in its sole discretion, cause a meter or sub-meter to be installed in accordance with Landlord's reasonable guidelines for the same to measure the amount of electric current consumed by the Supplemental HVAC. Tenant shall pay any and all reasonable, out-of-pocket costs of the meter or submeter and the installation of the same within thirty (30) days demand by Landlord. Tenant shall pay the actual amount of the electrical current, calculated on the usage of said meter and based solely upon the applicable utility provider's actual charges, with such charges due within thirty (30) days after Tenant receives Landlord's invoice

therefore, together with reasonably detailed supporting documentation, including, without limitation, from the applicable utility provider. The meter or submeter shall be read monthly by the Landlord's Building management and billed directly to Tenant. Tenant shall enter into a maintenance contract covering the Supplemental HVAC with a vendor reasonably acceptable to Landlord and approved by Tenant, which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall cause the Supplemental HVAC to be in good working order and repair at all times and to be in compliance with applicable law at all times. Tenant shall cause such vendor to perform preventative maintenance on the Supplemental HVAC on a commercially reasonable basis. Tenant will provide Landlord with a true, complete and correct copy of such maintenance contract. Tenant's operation and maintenance of the Supplemental HVAC shall not unreasonably interfere with the quiet enjoyment of other tenants and occupants in the Building or the Project. Upon the expiration or earlier termination of the Term of this Lease, Tenant shall, at Tenant's sole expense, remove the Supplemental HVAC (and any cables or other ancillary equipment connected thereto) from the Premises and restore the affected areas to the condition existing as of the date of installation by Tenant in the Premises (reasonable wear and tear and casualty damage, and damage caused by Landlord or any of the Landlord Parties, excepted), all at Tenant's sole cost and expense. Tenant shall repair any damage caused by such repair and restoration, at Tenant's sole cost and expense. Any amounts to be paid to Landlord under this Section 8.6.1 shall be deemed Additional Rent under this Lease.

Section 8.7 Changes Affecting HVAC. Tenant shall also pay as Additional Rent for any additional costs Landlord incurs to repair any failure of the HVAC equipment and systems to perform their function when said failure arises out of or in connection with any change in, or alterations to, the arrangement of partitioning in the Premises after the Commencement Date, or from occupancy by, on average, more than [***] people for every one thousand (1,000) square feet of Usable Area in the Premises, or from Tenant's failure to keep all HVAC vents within the Premises free of obstruction.

Section 8.8 Damaged or Defective Systems. Tenant shall give written notice to Landlord after Tenant becomes aware of any alleged damage to, or defective condition in any part or appurtenance of the Building's sanitary, electrical, HVAC or other systems serving, located in, or passing through, the Premises. Provided that the repair or remedy of said damage or defective condition is within the reasonable control of Landlord, it shall be remedied by Landlord with reasonable diligence. Otherwise, Landlord shall make such commercially reasonable efforts as may be available to Landlord to effect such remedy or repair, but except in the case of Landlord's negligence and/or willful misconduct or the negligence and/or willful misconduct of Landlord's agents, contractors, directors, employees, officers, partners, and/or shareholders, or the material breach of this Lease by Landlord, Landlord shall not be liable to Tenant for any failure thereof.

Tenant shall not be entitled to claim any damages arising from any such damage or defective condition nor shall Tenant be entitled to claim any eviction by reason of any such damage or defective condition unless:

(a) the same was caused by Landlord's (or its contractors', agents', employees', managers' or representatives') negligence or willful misconduct or Landlord's material breach of this Lease;

(b) the damage or defective condition has substantially prevented Tenant from conducting its normal business operations or obtaining access to at least fifty percent (50%) of the Premises or Tenant's parking spaces; and

(c) Landlord shall have failed to commence the remedy thereof and proceeded with reasonable diligence to complete the same after Landlord's receipt of notice thereof from Tenant.

Furthermore, if such damage or defective condition was caused by, or is attributed to, a Tenant Change not consented to by Landlord or the unreasonable or improper use of such system(s) by Tenant or its employees, licensees or invitees:

(d) the cost of the remedy thereof shall be paid by Tenant as Additional Rent pursuant to the provisions of Section 4.3;

(e) in no event shall Tenant be entitled to any abatement of rent as specified in Section 8.9 below; and

(f) Tenant shall be estopped from making any claim for damages arising out of Landlord's repair thereof.

Section 8.9 Limitation on Landlord's Liability for Failure to Provide Utilities and/or Services. Except in the case of Landlord's negligence or willful misconduct or the negligence or willful misconduct of Landlord's agents, contractors, members, invitees, representatives, lenders, directors, employees, licensees, officers, partners or shareholders, Tenant hereby releases Landlord from any liability for damages, by abatement of rent or otherwise, for any failure or delay in furnishing any of the services or utilities specified in this Article 8 (including, but not limited to telephone and telecommunication services), or for any diminution in the quality or quantity thereof.

Subject to Tenant's rights and remedies under this Lease, and provided the same is not caused by the negligence or willful misconduct or breach of this Lease by Landlord or any of the Landlord Parties, Tenant's release of Landlord's liability shall be applicable when such failure, delay or diminution is occasioned, in whole or in part, by repairs, replacements, or improvements, by any strike, lockout or other labor trouble, by Landlord's inability to secure electricity, gas, water or other fuel at the Building after Landlord's reasonable effort to do so, by accident or casualty whatsoever, by act or default of Tenant or parties other than Landlord, or by any other cause beyond Landlord's reasonable control. Subject to Tenant's rights and remedies under this Lease, and provided the same is not caused by the negligence or willful misconduct or breach of this Lease by Landlord or any of the Landlord Parties, Tenant's, such failures, delays or diminution shall never be deemed to constitute a constructive eviction or disturbance of Tenant's use and possession of the Premises, or serve to relieve Tenant from paying Rent or performing any of its obligations under this Lease.

Furthermore, Landlord shall not be liable under any circumstances for a loss of, injury to, or interference with, Tenant's business, including, without limitation, any loss of profits occurring or arising through or in connection with or incidental to Landlord's failure to furnish any of the services or utilities required by this Article 8.

Notwithstanding the above, Landlord shall use commercially reasonable efforts to remedy any delay, defect or insufficiency in providing the services and or utilities required hereunder.

Notwithstanding the foregoing, if Tenant is prevented from using and does not use, the Premises or any portion thereof, as a result of Landlord's failure to provide repairs, maintenance, services or utilities as required by this Lease (an "Abatement Event"), then Tenant may give Landlord notice of such Abatement Event and if such Abatement Event continues for five (5) consecutive business days after

Landlord's receipt of any such Notice (the "Eligibility Period"), and such failure is not attributable to, or caused by, the acts of Tenant, then the Fixed Monthly Rent and Additional Rent shall be abated or reduced, as the case may be, after expiration of the Eligibility Period for such time that Tenant continues to be so prevented from using, and does not use, the Premises, or a portion thereof, in the proportion that the rentable area of the portion of the Premises that Tenant is prevented from using, and does not use ("Unusable Area"), bears to the total rentable area of the Premises; provided, however, in the event that Tenant is prevented from using, and does not use, the Unusable Area for a period of time in excess of the Eligibility Period and the remaining portion of the Premises is not sufficient to allow Tenant to effectively conduct its business therein and if Tenant does not conduct its business from such remaining portion, then for such time after expiration of the Eligibility Period during which Tenant is so prevented from effectively conducting its business therein, the Fixed Monthly Rent and Additional Rent for the entire Premises shall be abated for such time as Tenant continues to be so prevented from using, and does not use, the Premises. If, however, Tenant reoccupies any portion of

the Premises during such period and effectively conducts its business therein, the Rent allocable to such reoccupied portion, based on the proportion that the rentable area of such reoccupied portion of the Premises bears to the total rentable area of the Premises, shall be payable by Tenant from the date Tenant reoccupies such portion of the Premises and effectively conducts its business therein. Such right to abate Fixed Monthly Rent and Additional Rent shall be Tenant's sole and exclusive monetary remedy at law or in equity for an Abatement Event. Notwithstanding the foregoing, if any additional Abatement Events (after the occurrence of a first Abatement Event) occur in any [***]month period, the Eligibility Period for any such subsequent Abatement Event shall commence on the [***] day of the Abatement Event, and, in the event of any such additional Abatement Event, regardless of when occurring, lasting for more than [***] consecutive days and covers substantially the entire Premises, then Tenant may, in its sole and absolute discretion, terminate this Lease, without penalty.

Section 8.10 Tenant Provided Services. Tenant shall make no contract or employ any labor for the maintenance, cleaning or other servicing of the structural portions of the Premises (collectively and individually a "Tenant Service") without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall not permit the use of any labor, material or equipment in the performance of any Tenant Service if the use thereof, in Landlord's reasonable judgment, would unreasonably disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Building or the Common Areas. Tenant shall indemnify and hold Landlord harmless from and against all claims, suits, demands, damages, judgments, costs, interest and expenses (including attorneys fees and costs incurred in the defense thereof) to which Landlord may be subject or suffer when the same arise out of or in connection with the use of, work in, construction to, or actions in, on, upon or about the Premises by Tenant or Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, including any actions relating to the installation, placement, removal or financing of any Tenant Service, improvements, fixtures and/or equipment in, on, upon or about the Premises.

ARTICLE 9
TENANT'S INDEMNIFICATION AND LIMITATION ON LANDLORD'S LIABILITY

Section 9.1 Tenant's Indemnification and Hold Harmless. For the purposes of this Section 9.1, "Indemnitee(s)" shall jointly and severally refer to Landlord and Landlord's agents, clients, directors, employees, officers, members, partners, and/or shareholders.

Tenant shall indemnify and hold Indemnitees harmless from and against all claims, suits, demands, damages, judgments, costs, interest and expenses (including reasonable attorneys fees and costs incurred in the defense thereof) to which any Indemnitee may be subject or suffer when the same arise out of the negligence or willful misconduct of Tenant or the negligence or willful misconduct of Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders in connection with the use of, work in, construction to, or actions in, on, upon or about the Premises, including any actions relating to the installation, placement, removal or financing of any Tenant Change, improvements, fixtures and/or equipment in, on, upon or about the Premises.

Tenant's indemnification shall extend to any and all claims and occurrences, whether for injury to or death of any person or persons, or for damage to property, or otherwise, occurring during the Term or prior to the Commencement Date and to all claims arising from any condition of the Premises due to or resulting from any default by Tenant in the keeping, observance or performance of any covenant or provision of this Lease, or from the negligence or willful misconduct of Tenant or the negligence or willful misconduct of Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders.

Section 9.2 Nullity of Tenant's Indemnification in Event of Negligence. Notwithstanding anything to the contrary contained in this Lease, Tenant's indemnification shall not extend to the negligence or willful misconduct of Landlord or the negligence or willful misconduct of Landlord's agents, contractors, clients, directors, employees, officers, members, representatives, partners or shareholders, nor to such events and occurrences for which Landlord otherwise carries insurance coverage or for which Landlord is required to carry insurance under this Lease, or the material breach of this Lease by Landlord.

Section 9.3 Tenant's Waiver of Liability. Provided and to the extent that any injury or damage suffered by Tenant or Tenant's agents, clients, contractors, directors, employees, invitees, officers, partners, and/or shareholders did not arise out of the breach of this Lease or negligence or willful misconduct of Landlord or the negligence or willful misconduct of Landlord's agents, contractors, employees, officers, partners or shareholders, Tenant shall make no claim against Landlord and Landlord shall not be liable or responsible in any way for, and Tenant hereby waives all claims against Landlord with respect to or arising out of injury or damage to any person or property in or about the Premises by or from any cause whatsoever under the reasonable control or management of Tenant.

Section 9.4 Limitation of Landlord's Liability. Tenant expressly agrees that, notwithstanding anything in this Lease and/or any applicable law to the contrary, the liability of Landlord and Landlord's agents, contractors, directors, employees, licensees, officers, partners or shareholders, including any successor in interest thereto (collectively and individually the "Landlord Parties"), and any recourse by Tenant against Landlord or the Landlord Parties shall be limited solely and exclusively to an amount which is equal to the interest of Landlord in the Building, including, without limitation, all rents, profits, income, insurance, and condemnation proceeds.

Tenant specifically agrees that the Landlord Parties (not including Landlord) shall not have any personal liability therefor. Further, Tenant hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Tenant. Landlord specifically agrees that none of the Tenant Parties (as hereinafter defined but not including Tenant) shall have any personal liability. "Tenant Parties" shall mean Tenant's agents, affiliates, lenders, directors, employees, licensees, officers, partners or shareholders, including any successor in interest thereto. Further, Landlord hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Landlord.

Section 9.5 Transfer of Landlord's Liability. Tenant expressly agrees that, to the extent that any transferee assumes the obligations of Landlord hereunder in writing, and provided Landlord has either transferred the complete Security Deposit and Letter of Credit held pursuant to this Lease or refunded the same to Tenant as of the date of such transfer, then the covenants and agreements on the part of Landlord to be performed under this Lease which arise and/or accrue after the date of such transfer shall not be binding upon Landlord herein named from and after the date of transfer of its interest in the Building.

Section 9.6 Landlord's Indemnification. Notwithstanding any contrary provision of this Lease, Landlord shall indemnify, and hold Tenant and Tenant's agents, clients, directors, officers, partners, employees, shareholders, representatives, lenders, members, affiliates and contractors harmless from and against, any and all claims, causes of action, liabilities, losses, reasonable costs and expenses, including reasonable attorney's fees and court costs, arising from or in connection with:

(a) Any activity occurring, or condition existing, at or in the Building and/or the Real Property (other than in the Premises) when such activity or condition is under the reasonable control of Landlord, except and to the extent the same is caused by the negligence or willful misconduct of Tenant or Tenant's employees, agents, licensee, invitees, or contractors, or by Tenant's breach or default in the performance of any obligation under this Lease;

(b) Any activity occurring, or condition existing in the Premises when and to the extent caused by the negligence or willful misconduct of Landlord or Landlord's employees, agents or contractors; or

(c) Any material breach by Landlord of any of Landlord's obligations under this Lease that extend after the expiration of any notice and cure period.

This Section 9.6 shall survive the expiration or termination of this Lease.

ARTICLE 10
COMPLIANCE WITH LAWS

Section 10.1 Tenant's Compliance with Laws. Tenant shall not use, permit to be used, or permit anything to be done in or about all or any portion of the Premises which will in any way violate any laws, statutes, ordinances, rules, orders or regulations duly issued by any governmental authority having jurisdiction over the Premises, or by the Board of Fire Underwriters (or any successor thereto) (collectively "Codes").

Section 10.2 Tenant to Comply at Sole Expense. Tenant shall, at its sole expense, promptly remedy any violation of such Codes. Notwithstanding the foregoing, nothing contained in this Article 10 shall require or permit Tenant to make any exterior, structural or systems changes to the Premises or Building, unless such changes are required due to either Tenant or Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders particular use of the Premises for purposes other than general office purposes consistent with a Class A office building, in which case any such change in use shall be subject to the restrictions specified in Section 6.1 of this Lease.

Section 10.3 Landlord's Compliance With Law. Landlord shall comply with all laws applicable to Landlord and the Building.

ARTICLE 11
ASSIGNMENT AND SUBLETTING

Section 11.1 Permission Required for Assignment or Sublet. Unless Landlord's prior written consent has been given, which consent shall not be unreasonably withheld, conditioned and/or delayed (subject to the express provisions of this Article 11), this Lease shall not, nor shall any interest herein, be assignable as to the interest of Tenant by operation of law; nor shall Tenant:

(a) assign Tenant's interest in this Lease; or

(b) sublet the Premises or any part thereof or permit the Premises or any part thereof to be utilized by anyone other than Tenant, whether as by a concessionaire, franchisee, licensee, permittee or otherwise (collectively, a "sublease").

In addition, except for Transfers under clauses (a) or (b), Tenant shall not mortgage, pledge, encumber or otherwise transfer this Lease, the Term and/or estate hereby granted or any interest herein without Landlord's prior written consent, which consent may be granted or withheld in Landlord's reasonable discretion.

Any assignment, mortgage, pledge, encumbrance, transfer or sublease (collectively, any "Transfer") without Landlord's prior written consent as may be required under this Article 11 shall be void.

Section 11.2 Affiliated Companies/Restructuring of Business Organization. Any contrary provision of this Article 11 notwithstanding, the assignment by Tenant of all of its rights under this Lease or the subletting by Tenant of all or any portion of the Premises to (i) a parent or subsidiary of Tenant, (ii) any person or entity which controls, is controlled by or under common control with Tenant, (iii) any entity which purchases all or substantially all of the assets or stock of Tenant, (iv) any entity into which Tenant is merged or consolidated, (v) any entity which results from the merger or consolidation of entities which control, are controlled by or under common control with Tenant, or (vi) the temporary use or occupancy of portions of the Premises by a party or parties in connection with the transaction of

business with Tenant or with an entity which is controlled by, controls or is under common control with Tenant (all such persons or entities described in (i), (ii), (iii), (iv), (v) and (vi) being sometimes hereinafter referred to as "Affiliates") shall not be deemed a Transfer under this Article 11 and thus shall not be subject to Landlord's prior consent, and Landlord shall not be entitled to any Net Rental Profit resulting therefrom, and shall not have any rights or remedies under or with respect to Section 11.4(iii) below (and no other right of recapture) in connection therewith, provided that:

(a) Any such Affiliate was not formed as a subterfuge to avoid the obligations of this Article 11;

(b) Tenant gives Landlord prior notice of any such assignment or sublease to an Affiliate;

(c) The successor of Tenant or Tenant have as of the effective date of any such assignment or sublease a tangible net worth, in the aggregate, computed in accordance with generally accepted accounting principles, which is sufficient to meet the obligations of Tenant under this Lease;

(d) Any such assignment or sublease shall be subject and subordinate to all of the terms and provisions of this Lease, and such assignee shall be deemed to have assumed all of the obligations of Tenant under this Lease with respect to that portion of the Premises which is the subject of such Transfer; and

(e) Tenant and any guarantor shall remain fully liable for all obligations to be performed by Tenant under this Lease (based on the terms and conditions of this Lease existing at the time of the Transfer).

Section 11.3 Request to Assign or Sublease. If at any time during the Term, Tenant wishes to assign this Lease or any interest therein, or to sublet all or any portion of the Premises, then at least thirty (30) days prior to the date when Tenant desires the assignment or sublease to be effective, Tenant shall give written notice to Landlord setting forth the name, address, and business of the proposed assignee or sublessee, business credit applications completed on Landlord's commercially reasonable application forms, and information (including references and such financial documentation as Landlord shall reasonably prescribe) concerning the character and financial condition of the proposed assignee or sublessee, the effective date of the assignment or sublease, and all the material terms and conditions of the proposed assignment, and with reference solely to a sublease: a detailed description of the space proposed to be sublet, together with any rights of the proposed sublessee to use Tenant's improvements and/or ancillary services with the Premises.

Section 11.4 Landlord's Consent. In the case of an assignment and/or sublease requiring Landlord's consent under this Article 11, Landlord shall have thirty (30) days after Tenant's notice of assignment and/or sublease is received with the financial information reasonably requested by Landlord to advise Tenant of Landlord's (i) consent to such proposed assignment or sublease, (ii) reasonable withholding of consent to such proposed assignment or sublease (together with detailed reasons therefor), or (iii) election to terminate this Lease, such termination to be effective as of the date of the commencement of the proposed assignment or subletting. If Landlord shall exercise its termination right hereunder, Landlord shall have the right to enter into a lease or other occupancy agreement directly with the proposed assignee or subtenant, and Tenant shall have no right to any of the rents or other consideration payable by such proposed assignee or subtenant under such other lease or occupancy agreement, even if such rents and other consideration exceed the rent payable under this Lease by Tenant. Landlord shall have the right to lease the Premises to any other tenant, or not lease the Premises, in its sole and absolute discretion. Landlord and Tenant specifically agree that Landlord's right to terminate this Lease under clause (iii) above is a material consideration for Landlord's agreement to enter into this Lease and such right may be exercised in Landlord's sole and absolute discretion and no test of reasonableness shall be applicable thereto.

Tenant acknowledges that Landlord's consent shall be based upon the criteria listed in Sections 11.4 (a) through (e) below, and subject to Landlord's right to reasonably disapprove of any proposed assignment and/or sublease, based on the existence of any condition contained within Section 11.5 hereinbelow. If Landlord provides its consent within the time period specified, Tenant shall be free to complete the assignment and/or sublet such space to the party contained in Tenant's notice, subject to the following conditions:

(a) The assignment and/or sublease shall be on substantially the same terms as were set forth in the notice given to Landlord;

(b) The assignment and/or sublease shall be documented in a written format that is reasonably acceptable to Landlord, which form shall specifically include the assignee's and/or sublessee's acknowledgement and acceptance of the obligation contained in this Lease, in so far as applicable;

(c) The assignment and/or sublease shall not be valid, nor shall the assignee or sublessee take possession of the Premises, or subleased portion thereof, until an executed duplicate original of such sublease and/or assignment has been delivered to Landlord;

(d) The assignee and/or sublessee shall have no further right to assign this Lease and/or sublease the Premises without Landlord's consent, if and as required pursuant to the terms and conditions of this Article 11;

(e) In the event of any Transfer, Landlord shall receive as Additional Rent hereunder (and without affecting or reducing any other obligation of Tenant under this Lease) fifty percent (50%) of Tenant's "Net Rental Profit" derived from such Transfer, as and when paid to and received by Tenant. In the event of a Transfer which is a sublease, "Net Rental Profit" shall mean all rent, Additional Rent or other consideration actually payable (in lieu of or in addition to rent) by Transferee in connection with the Transfer in excess of the Rent and Additional Rent and any other consideration payable by Tenant under this Lease during the term of the Transfer on a per rentable square foot basis if less than all of the Premises is transferred, after deducting the reasonable expenses incurred by Tenant in connection with such Transfer for (i) advertising costs, (ii) any improvement allowance or other economic concessions (e.g., free rent, space planning allowance and moving expenses) paid by Tenant in connection with such Transfer, (iii) any brokerage commissions incurred by Tenant in connection with the Transfer, and (iv) reasonable attorneys' fees incurred by Tenant in connection with the Transfer. In the event of a Transfer other than a sublease, "Net Rental Profit" shall mean key money, bonus money or other consideration paid by the Transferee to Tenant in connection with such Transfer, and any payment in excess of fair market value for services rendered by Tenant to the Transferee for assets, fixtures, inventory, equipment, or furniture transferred by Tenant to the Transferee in connection with such Transfer, after deducting the reasonable expenses incurred by Tenant in connection with such Transfer, as described in the preceding sentence.

Section 11.5 Reasonable Grounds for Denial of Assignment and/or Sublease. Landlord and Tenant agree that, in addition to such other reasonable grounds as Landlord may assert for withholding its consent, it shall be reasonable under this Lease and any applicable law for Landlord to withhold its consent to any proposed Transfer, where any one or more of the following conditions exists:

(a) The proposed sublessee or assignee (a "Transferee") is, in Landlord's reasonable judgment, of a character or reputation which is not consistent with those businesses customarily found in a Class A office building;

(b) The Transferee is engaged in a business or intends to use all or any portion of the Premises for purposes which are not general office use and not consistent with those generally found in the Building or other Class A office buildings in the vicinity of the Building, provided, however, that in no event shall Landlord be permitted to decline Tenant's request for a Transfer solely on the basis of said Transferee's intent to change the Specified Use from that of Tenant, unless such proposed change shall violate any Exclusive Use provision already granted by Landlord;

(c) The Transferee is either a governmental agency or instrumentality thereof;

(d) The Transfer will result in more than a reasonable and safe number of occupants within the Premises;

(e) The Transferee is not a party of reasonable financial worth and/or financial stability in light of the responsibilities involved under the sublease, if a sublessee, or this Lease, if an assignee, on the date consent is requested, or has demonstrated a prior history of credit instability or unworthiness;

(f) The Transfer will cause Landlord to be in violation of another lease or agreement to which Landlord is a party, or would give another occupant of the Building a right to cancel its lease;

(g) Either the proposed Transferee, or any person or entity which directly or indirectly, controls, is controlled by, or is under common control with, the proposed Transferee is engaged in bona fide ongoing negotiations with Landlord (which shall mean that Landlord has received a written proposal or counter-proposal for lease of the subject space) to lease comparable space (in size, quality and location) in the Building for a substantially similar term (and commencing at substantially the same time) at the time Tenant requests approval of the proposed Transfer; or

(h) The Transferee intends to use all or a portion of the Premises for medical procedures or for a primary business which is as a boiler-room type sales organization.

If Landlord withholds or conditions its consent and Tenant believes that Landlord did so contrary to the terms of this Lease, Tenant may exercise any remedy at law or in equity available to Tenant under applicable law, provided that Tenant hereby waives the remedy of termination of this Lease as a result of Landlord's denial of consent to a proposed assignment of this Lease hereunder, as set forth in California Civil Code Section 1995.310(b).

Section 11.6 Tenant's Continued Obligation. Any consent by Landlord to an assignment of this Lease and/or sublease of the Premises shall not release Tenant from any of Tenant's obligations hereunder or be deemed to be a consent by Landlord to any subsequent hypothecation, assignment, subletting, occupation or use by another person, and Tenant shall remain liable to pay the Rent and/or perform all other obligations to be performed by Tenant hereunder pursuant to the terms and conditions of this Lease existing as of the effective date of the Transfer. Landlord's acceptance of Rent or Additional Rent from any other person shall not be deemed to be a waiver by Landlord of any provision of this Lease. Landlord's consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting.

If any assignee or sublessee of Tenant or any successor of Tenant defaults in the performance of any of the provisions of this Lease, whether or not Landlord has collected Rent directly from said assignee or sublessee, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against such assignee, sublessee or other successor-in-interest.

Provided that in no event shall any further assignment, sublease, amendment or modification to this Lease serve to either increase Tenant's liability or expand Tenant's duties or obligations hereunder, or relieve Tenant of its liability under this Lease, then Landlord may consent to subsequent assignments or subletting of this Lease or amendments or modifications to this Lease with any assignee, without notifying Tenant or any successor of Tenant, and without obtaining their consent thereto.

Section 11.7 Tenant To Pay Landlord's Costs. If Tenant assigns or sublets the Premises and requests the consent of Landlord to any such assignment or subletting as may be required pursuant to Article 11 of this Lease, or if Tenant enters into a Financing as provided under Section 11.9 below, or if Tenant requests the consent of Landlord for any act that Tenant proposes to do which requires Landlord's consent pursuant to the terms and conditions of this Lease, whether or not Landlord shall grant consent thereto, then Tenant shall, within thirty (30) days after its receipt of Landlord's written request therefor, pay to Landlord (a) the nonrefundable sum of $1,000.00 as reasonable consideration for

Landlord's considering and processing the applicable request, plus (b) the amount of reasonable legal fees incurred by Landlord in connection therewith, not to exceed $500.00 except in the event Tenant requests unusually excessive modifications to Landlord's customary consent form documents (provided the same are commercially reasonable, and provided that similar changes are not generally requested by other comparable tenants), in which case such limit on attorney fees incurred shall be $3,000.00.

Section 11.8 Successors and Assigns. Subject to the provisions contained herein, the covenants and agreements contained in this Lease shall bind and inure to the benefit of Landlord and Tenant, their respective successors and assigns and all persons claiming by, through or under them.

Section 11.9 Equipment Financing; Subordination of Landlord's Lien. With respect to any financing transaction entered into by Tenant (a "Financing") pursuant to which the subject lender intends to obtain a security interest in all or portions of Tenant's furniture, fixtures and equipment in the Premises (the "Collateral"), Landlord agrees to reasonably cooperate with Tenant and its lender at no cost to Landlord and Landlord agrees to subordinate (but not waive) all of its interest, if any, in the Collateral, subject to the terms and conditions of Landlord's commercially reasonable form for such transaction. Tenant shall pay Landlord's reasonable costs as provided above in Section 11.7.

ARTICLE 12
MAINTENANCE, REPAIRS, DAMAGE, DESTRUCTION, RENOVATION AND/OR ALTERATION

Section 12.1 Tenant's Obligation to Maintain. Subject to Landlord's obligations under this Lease, and subject to casualty and condemnation, Tenant shall, at Tenant's sole expense, maintain the Premises in good order and repair, and shall also keep clean any portion of the Premises which Landlord is not obligated to clean. Such obligation shall include the clean-out; repair and/or replacement of Tenant's garbage disposal(s), Instant-Heat or other hot water producing equipment, if any, and the cleaning and removal of any dishes and/or food prior to the same becoming unsanitary.

Further, subject to Section 19.4 below, Tenant shall pay the cost of any injury, damage or breakage in, upon or to the Premises created by Tenant's negligence or willful misconduct or the negligence or willful misconduct of Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders.

Subject to Tenant's obligation to pay its share of Operating Expenses pursuant and subject to the terms and conditions of this Lease, Landlord shall make any repairs in the Premises, and maintain and repair, in a first-class manner, in compliance with all applicable laws, codes, rules, regulations and ordinances, and in a manner consistent with that at the Comparable Buildings, the exterior walls, foundation and roof of the Building, the structural portions of the floors of the Building (including the structural portion and exterior walls of the of Premises) and all other structural portions of the Building (including the Premises), the systems and equipment of the Building (including the Building systems serving the Premises) and the Improvements installed in the Premises. However, if such repairs, maintenance or cleaning are required due to Tenant's negligence or willful misconduct or the negligence or willful misconduct of Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders, then, Tenant shall, within thirty (30) days after receipt of Landlord's billing therefor, reimburse Landlord, as Additional Rent, for any expense of such repairs, cleaning and/or maintenance in excess of any insurance proceeds available for reimbursement thereof, subject to Section 19.4 below.

Notwithstanding any of the terms and conditions set forth in this Lease to the contrary, if Tenant provides written notice to Landlord of a "Self-Help Event" (as such term is defined below), which Self-Help Event materially and adversely affects the conduct of Tenant's business from the Premises, and Landlord fails to commence corrective action (or to commence any process required to commence corrective action (such as but not limited to, the ordering of materials required to commence corrective action) within a commercially reasonable period of time (provided that in the case of an emergency where Tenant's conduct of its business is materially and adversely affected, such time period shall

be twenty-four (24) hours after Landlord's receipt of notice) but in any event not later than thirty (30) days after receipt of such notice, then Tenant may proceed to take the required action upon delivery of an additional five (5) business days' notice specifying that Tenant is taking such required action (provided that such additional 5 business day period shall not apply in the event of an emergency). If such action was required under the terms and conditions of this Lease to be taken by Landlord and was not commenced by Landlord within such five (5) business day period and thereafter diligently pursued to completion (provided that no additional five (5) business days' notice shall be required in the case of an emergency where Tenant's conduct of its business is materially and adversely affected), then Tenant shall be entitled to perform such action as Tenant reasonably deems necessary, and shall be entitled to reimbursement by Landlord within thirty (30) days after Landlord's receipt of paid invoices (or at Landlord's election, in the form of an offset against Rent next due) of Tenant's reasonable costs and expenses in taking such action. In the event Tenant takes such action, Tenant shall use only those contractors used and approved by Landlord in the Building for work unless such contractors are unwilling or unable to perform at competitive market rates, or timely perform, such work, in which event Tenant may utilize the services of any other qualified contractor which normally and regularly performs similar work in Comparable Buildings. Promptly following completion of any work taken by Tenant pursuant to the terms and conditions of this Section 12.1, Tenant shall deliver a detailed invoice of the work completed, the materials used and the costs relating thereto. If Landlord does not deliver a detailed written objection to Tenant within thirty (30) days after receipt of an invoice from Tenant, then Tenant shall be entitled to deduct from Rent payable by Tenant under this Lease, the amount set forth in such invoice. If, however, Landlord delivers to Tenant, within thirty (30) days after receipt of Tenant's invoice, a written objection to the payment of such invoice, setting forth with reasonable particularity Landlord's reasons for its claim that such action did not have to be taken by Landlord pursuant to the terms and conditions of this Lease or that the charges are excessive (in which case Landlord shall pay the amount it contends would not have been excessive), then Tenant shall not then be entitled to such deduction from Rent, but Tenant may proceed to claim a default by Landlord or, if elected by either Landlord or Tenant, the matter shall proceed to resolution by Arbitration to resolve the dispute in accordance with Section 20.17 of this Lease. If Tenant prevails in the arbitration, the amount of the award may be deducted by Tenant from the Rent next due and owing under this Lease. For purposes of this Section 19.1, a "Self-Help Event" shall mean an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance that is required within the Premises or with respect to systems and/or equipment which service the Premises (but only to the extent not involving entry into another occupant's premises or a material disruption in the Building Common Areas or Building Systems).

Except for Tenant's "Self-Help Right" Tenant hereby waives all right to make repairs at Landlord's expense under the provisions of Section 1932(1), 1941 and 1942 of the Civil Code of California.

Section 12.2 Repair Period Notice. Tenant shall give prompt notice to Landlord of Tenant's actual knowledge of any damage or destruction to all or any part of the Premises or Building resulting from or arising out of any fire, earthquake, or other casualty (individually or collectively a "Casualty"). The time periods specified in this Section 12.2 shall commence after Landlord receives said written notice from Tenant of the occurrence of a Casualty. After receipt of notice that a Casualty has occurred, Landlord shall, within the later of:

(a) thirty (30) days after the date on which Landlord determines the full extent of the damage caused by the Casualty, or

(b) thirty (30) days after Landlord has determined the extent of the insurance proceeds available to effectuate repairs, but

(c) in no event more than one hundred and twenty (120) days after the Casualty,

provide written notice to Tenant indicating the anticipated time period for repairing the Casualty (the "Repair Period Notice"). The Repair Period Notice shall also state, if applicable, Landlord's election either to repair the Premises, or to terminate this Lease, pursuant to the provisions of Section 12.3, and if Landlord elects to terminate this Lease under Section 12.3, Landlord shall use commercially reasonable efforts to provide Tenant with a minimum period of ninety (90) days within which to fully vacate the Premises.

Section 12.3 Landlord's Option to Terminate or Repair. Notwithstanding anything to the contrary contained herein, Landlord shall have the option, but not the obligation to elect not to rebuild or restore the Premises and/or the Building if one or more of the following conditions is present:

(a) repairs to the Premises cannot reasonably be completed within one hundred and eighty (180) days after the date of the Casualty (when such repairs are made without the payment of overtime or other premiums);

(b) repairs required cannot be made pursuant to the then-existing laws or regulations affecting the Premises or Building, or the Building cannot be restored except in a substantially different structural or architectural form than existed before the Casualty;

(c) the holder of any mortgage on the Building or ground or underlying lessor with respect to the Real Property and/or the Building shall require that all or such large a portion of the insurance proceeds be used to retire the mortgage debt, so that the balance of insurance proceeds remaining available to Landlord for completion of repairs shall be insufficient to repair said damage or destruction;

(d) the holder of any mortgage on the Building or ground or underlying lessor with respect to the Real Property and/or the Building shall terminate the mortgage, ground or underlying lease, as the case may be;

(e) provided Landlord has carried the coverage Landlord is required to obtain under Section 19.1 of this Lease, the damage and is not fully covered, except for deductible amounts, by Landlord's insurance policies;

(f)more than thirty-three and one-third percent (33 1/3%) of the Building is damaged or destroyed, whether or not the Premises is affected, provided that Landlord elects to terminate all other leases for offices of a similar size in the Building.

If Landlord elects not to complete repairs to the Building or Premises, pursuant to this Section 12.3, Landlord's election to terminate this Lease shall be stated in the Repair Period Notice, in which event this Lease shall cease and terminate as of the reasonable date contained in Landlord's Repair Period Notice.

If one hundred percent of the Building is damaged or destroyed, as certified by an independent building inspector, this Lease shall automatically terminate after Landlord's or Tenant's receipt of written notice of such termination from the other, and without action beyond the giving of such notice being required by either Landlord or Tenant.

Upon any termination of this Lease pursuant to this Section 12.3, Tenant shall pay its prorata share of Fixed Monthly Rent and Additional Rent, properly apportioned up to the date of such termination, reduced by any abatement of Rent to which Tenant is entitled under Section 12.5; after which both Landlord and Tenant shall thereafter be freed and discharged of all further obligations under this Lease, except for those obligations which by their provisions specifically survive the expiration or earlier termination of the Term.

Section 12.4 Tenant's Option to Terminate. If:

(a) the Repair Period Notice provided by Landlord indicates that the anticipated period for repairing the Casualty exceeds one hundred and eighty (180) days after the Casualty (the "Repair Period"), or

(b) the Casualty to the Premises occurs during the last twelve (12) months of the Term;

then Tenant shall have the option, but not the obligation, to terminate this Lease by providing written notice ("Tenant's Termination Notice") to Landlord within thirty (30) days after receiving the Repair Period Notice in the case of 12.4 (a); or within thirty (30) days after it has notice of the Casualty, in the case of Section 12.4 (b). Furthermore, if:

(c) Landlord does not complete the repairs required hereinabove within the Repair Period, and

(d) further provided Landlord has not diligently commenced and continued to prosecute to completion repair of the damage and/or destruction caused by the Casualty, and

(e) Landlord has not completed the repairs thereafter on or before thirty (30) days after the expiration of the Repair Period,

then Tenant shall also have the option, but not the obligation, to terminate this Lease by giving Landlord written notice of its intention to so terminate, which notice shall be given not more than forty-five (45) days after expiration of the Repair Period.

Tenant's failure to provide Landlord with Tenant's Termination Notice within the time periods specified hereinabove shall be deemed conclusive evidence that Tenant has waived its option to terminate this Lease.

Section 12.5 Temporary Space and/or Rent Abatement During Repairs or Renovation. During the Repair Period or during any such period that Landlord completes Work (as defined hereinbelow) or Renovations (as defined in Section 12.11 hereinbelow), if available, and if requested by Tenant in writing, Landlord shall make available to Tenant other space in the Building which, in Tenant's reasonable opinion, is suitable for the temporary conduct of Tenant's business. However, if such temporary space is smaller than the Premises, Tenant shall pay Fixed Monthly Rent and Additional Rent for the temporary space based upon the calculated rate per rentable square foot payable hereunder for the Premises, times the number of rentable square feet available for Tenant's use in the temporary space.

If no temporary space is available that is reasonably satisfactory to Tenant, and any part of the Premises is rendered untenantable by reason of such Casualty, Work or Renovation, then to the extent that all or said portion of the usable area of the Premises is so rendered untenantable by reason of such Casualty, Work or Renovation, Tenant shall be provided with a proportionate abatement of Fixed Monthly Rent and Additional Rent. Said proportional abatement shall be based on the usable square footage of the Premises that cannot and is not actually used by Tenant, divided by the total usable square feet contained in the Premises. That proportional abatement, if any, shall be provided during the period beginning on the later of:

(a) the date of the Casualty; or

(b) the actual date on which Tenant ceases to conduct Tenant's normal business operations in all or any portion of the Premises,

and shall end on the date Landlord achieves substantial completion of restoration of the Premises, including, without limitation, the Improvements.

Section 12.6 Tenant's Waiver of Consequential Damages. Subject to Section 12.4, the provisions contained in this Article 12 are Tenant's sole remedy arising out of any Casualty. In the event of a casualty contemplated hereunder, Landlord shall otherwise not be liable to Tenant or any other person or entity for any direct, indirect, or consequential damage (including but not limited to lost profits of Tenant or loss of or interference with Tenant's business), unless

caused by the negligence or willful misconduct of Landlord or the negligence or willful misconduct of Landlord's agents, contractors, directors, employees, licensees, officers, partners, members, managers, affiliates or shareholders, due to, arising out of, or as a result of the Casualty (including but not limited to the termination of this Lease in connection with the Casualty).

Section 12.7 Repair Of The Premises When Casualty Not Caused By Tenant. In the event of a Casualty, then, provided such Casualty is not a result of Tenant's gross negligence or willful misconduct or the gross negligence or willful misconduct of Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, Landlord shall restore the Premises to its condition prior to the Casualty and repair and/or replace the Improvements previously installed in the Premises.

If Landlord has elected to complete repairs to the Premises, and has not elected to terminate this Lease, as specified in Section 12.3, then Landlord shall complete such repairs within the Repair Period, in a manner, and at times, which do not unreasonably interfere with Tenant's use of that portion of the Premises remaining unaffected by the Casualty. Provided Landlord has elected to make the repairs required hereunder, subject to the terms and conditions of this Article 12, this Lease shall not be void or voidable during the Repair Period, nor shall Landlord be deemed to have constructively evicted Tenant thereby.

Section 12.8 Repair of the Premises When Casualty Caused by Tenant. If the Casualty to all or any portion of the Premises is caused by the gross negligence and/or willful misconduct of Tenant or the gross negligence and/or willful misconduct of Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, Landlord shall not be required to repair any such injury or damage. Landlord shall only repair, at its expense, damage or destruction to the Building, and Tenant shall pay the cost of repairing the Premises and any deductible payable by Landlord for repair of the Building, subject to Section 19.4 below. Furthermore, Landlord and Tenant hereby waive the provisions of California Civil Code Sections 1932(2) and 1933(4) and the provisions of any successor or other law of like import.

If the Casualty to all or any portion of the Premises was caused by the gross negligence and/or willful misconduct of Tenant or the gross negligence and/or willful misconduct of Tenant's agents, contractors, directors, employees, officers, partners, and/or shareholders, then, except in the case of Landlord's negligence and/or willful misconduct, Landlord shall not be liable for any inconvenience or annoyance to Tenant or Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders, or for injury to the business of Tenant resulting in any way from such damage, or from Landlord's undertaking of such repairs.

Section 12.9 Repair of the Building. Except as specified hereinabove, unless Landlord terminates this Lease as permitted hereinabove, Landlord shall repair the Building, parking structure or other supporting structures and facilities within one hundred and eighty (180) days after Landlord becomes aware of such damage and/or destruction.

Section 12.10 Government-Required Repairs. If, during the Term, additional inspections other than those standard annual or biannual inspections to which the Building may generally be subject; testing, repairs and/or reconstruction (collectively the "Work") are required by any governmental authority, or if, upon the recommendation of its engineers, Landlord independently elects to undertake all or any portion of the Work prior to being required to do so by such governmental authority, Landlord shall give notice thereof to Tenant and shall not unreasonably interfere with Tenant's use of the Premises or parking areas or Common Areas or any other rights or remedies of Tenant, while completing the Work. Tenant shall reasonably cooperate with Landlord, at Landlord's cost, in connection with the Work. Tenant agrees that Landlord shall allocate all costs associated with completion of the Work to the Building's Operating Expenses, when permitted to under the provisions of Section 4.1 of this Lease.

If Landlord elects to undertake the Work during the Term, then Tenant shall be entitled to an abatement of rent if the Work causes an Abatement Event in accordance with the provisions of Section 8.9 of this Lease hereinabove, and Landlord shall be completely responsible for repair of any damage to the Premises and all costs associated with the removal, moving, damage and/or storage of Tenant's furniture, artwork, office equipment and files. Landlord will restore any and all areas damaged by completion of the Work to their previous quality and pay all clean-up costs. Landlord further agrees that it shall use commercially reasonable efforts to see that all construction, such as coring or power nailing that could be disruptive to Tenant's normal business operations shall, in so far as is reasonably possible, be performed between the hours of 7:00 p.m. to 7:00 a.m. Monday through Friday; after 1:00 p.m. on Saturdays and/or at any time on Sundays.

Except in the case of Landlord's material breach of this Lease (which breach materially and adversely affects Tenant's access to or use of the Premises or parking facilities) or Landlord's negligence and/or willful misconduct or the negligence and/or willful misconduct of Landlord's agents, contractors, directors, employees, officers, partners, and/or shareholders, Tenant shall not have the right to terminate this Lease as a result of Landlord undertaking the Work, nor shall Tenant or any third party claiming under Tenant be entitled to make any claim against Landlord for any interruption, interference or disruption of Tenant's business or loss of profits therefrom as a result of the Work.

Section 12.11 Optional Landlord Renovation. It is specifically understood and agreed that except as expressly set forth in this Lease Landlord has no obligation to alter, remodel, improve, renovate or decorate the Premises, Building, or any part thereof and that, except as expressly set forth in this Lease, Landlord has made no representations and/or warranties to Tenant respecting the condition of the Premises or the Building, including, without limitation, any representation or warranty regarding any upgrades or other improvements to any Common Areas of the Building or Real Property.

However, at any time and from time to time during the Term, provided that Tenant's use of and access to the Premises and parking areas is not materially and adversely affected, and Tenant's other rights and remedies under this Lease are not adversely affected, Landlord may elect, in Landlord's sole discretion, to otherwise renovate, improve, alter or modify elements of the Real Property and/or the Building (but not the Premises, unless Tenant shall have granted its written consent thereto) (collectively, "Renovations") including without limitation, the parking facilities, Common Areas, systems, equipment, roof, and structural portions of the same, which Renovations may include, without limitation:

(a) modifying the Common Areas and tenant spaces to comply with applicable laws and regulations, including regulations relating to the physically disabled, seismic conditions and building safety and security, and

(b) installing new carpeting, lighting and wall covering in the Building Common Areas.

In connection with such Renovations, Landlord may, among other things, erect scaffolding or other necessary structures in or about the Building, limit or eliminate access to portions of the Building, Common Areas or parking facilities serving the Building, or perform other work in or about the Building, which work may create noise, dust or debris that remains in the Building, so long as Tenant's use of and access to the Premises, Common Areas and parking areas is not adversely affected, and Tenant's other rights and remedies under this Lease are not adversely affected.

So long as Tenant's use of and access to the Premises, Common Areas and parking areas is not materially and adversely affected, and Tenant's other rights and remedies under this Lease are not materially and adversely affected Landlord shall have the right to access through the Premises as well as the right to take into and upon and through all or any part of the Premises, or any other part of the Building, all materials that may reasonably be required to make such repairs, alterations, decorating, additions or improvements pursuant to the provisions of this Section 12.11. So long as Tenant's use of and access to the Premises and parking areas is not adversely affected, and Tenant's other rights and remedies under this Lease are not materially and adversely affected, Landlord shall also have the right, in the course of the Renovations, to close entrances, doors, corridors, elevators, or other building facilities, or temporarily to abate the operation of such facilities.

So long as Tenant is not required to vacate the Premises for any reason arising out of the Renovations, and maintains reasonable access to and use of the Premises, Common Areas, Tenant's signage and the parking facilities, Tenant shall permit all of the Renovations to be done in a commercially reasonable manner, consistent with that at the Comparable Buildings, and except in the case of Landlord's negligence or willful misconduct or the negligence or willful misconduct of Landlord's contractors, directors, employees, officers, partners or shareholders, without claiming Landlord is guilty of the constructive eviction or disturbance of Tenant's use and possession. If Landlord elects to undertake Renovations, and if the Renovations cause an Abatement Event, Tenant shall be entitled to an abatement of rent in accordance with Section 8.9 of this Lease, and Landlord shall be completely responsible for repair of any damage to the Premises and all costs associated with the removal, moving, damage and/or storage of Tenant's furniture, artwork, office equipment and files. Landlord will restore any and all areas damaged by completion of the Renovations to their previous quality and pay all clean-up costs. Landlord further agrees that it shall use commercially reasonable efforts to see that all construction, such as coring or power nailing that could be disruptive to Tenant's normal business operations shall, in so far as is reasonably possible, be performed between the hours of 7:00 p.m. to 7:00 a.m. Monday through Friday; after 1:00 p.m. on Saturdays and/or at any time on Sundays.

Except in the case of Landlord's material breach of this Lease (which breach materially and adversely affects Tenant's access to or use of the Premises or parking facilities) or Landlord's negligence and/or willful misconduct or the negligence and/or willful misconduct of Landlord's agents, contractors, directors, employees, officers, partners, and/or shareholders, Tenant shall not have the right to terminate this Lease as a result of Landlord undertaking the Renovations, nor shall Tenant or any third party claiming under Tenant be entitled to make any claim against Landlord for any interruption, interference or disruption of Tenant's business or loss of profits therefrom as a result of the Renovations. However, Landlord agrees that the Renovations shall be scheduled to permit Tenant to continue its normal business operations, with advance notice thereof, and in such commercially reasonable manner so as to minimize Tenant's inconvenience.

Section 12.12 Optional Tenant Changes During the Term. After completion of the initial Improvements contemplated hereunder, if any, Tenant shall make no alteration, change, addition, demolition or improvement in, on, upon, to or about the Premises, or at any time to any portion of the Building (collectively or individually a "Tenant Change"), without the prior written consent of Landlord, which consent shall be granted or withheld in Landlord's reasonable discretion. Notwithstanding the foregoing, Tenant shall have the right, without Landlord's consent but upon ten (10) days prior notice to Landlord and in compliance with Exhibit B-1, to make interior, non-structural alterations (such as new paint and carpet and changes to millwork) ("Cosmetic Alterations") to the Premises that (i) do not affect the exterior appearance of the Building; (ii) do not adversely affect the Building systems and/or the Building structure; (iii) do not interfere unreasonably with another occupant's normal and customary business; and (iv) do not require a building permit from the City of Los Angeles. Except as otherwise specified in Article 7, any Tenant Change shall, at the termination of this Lease, become a part of the Building and belong to Landlord, pursuant to the provisions of Article 7 (it being understood that Tenant owns its trade fixtures, personal property and equipment). Any application for Landlord's consent to a Tenant Change, and the completion thereof, shall be in conformance with the provisions of Exhibit B-1, attached hereto and made a part hereof by reference.

Except as provided herein, Tenant shall not knowingly permit Tenant's agents, clients, contractors, directors, employees, invitees, licensees, officers, partners or shareholders to deface the walls, floors and/or ceilings of the Premises, nor mark, drive nails, screws or drill holes into, or in any way mar any surface in the Building. Notwithstanding the above, Tenant is hereby permitted to install such pictures, certificates, licenses, artwork, bulletin boards and similar items as are normally used in Tenant's business, so long as such installation is carefully attached to the walls by Tenant in a manner reasonably prescribed by Landlord.

If Tenant desires, as a part of any Tenant Change, to make any revisions whatsoever to the common electrical, HVAC, mechanical, life-safety, plumbing, or structural systems of the Building, such revisions, if approved by Landlord, must be completed by subcontractors specified by Landlord and in the manner and location(s) reasonably prescribed by Landlord.

If Landlord consents to any requested Tenant Change, Tenant shall give Landlord a minimum of fifteen (15) days written notice prior to commencement thereof. Landlord reserves the option, but not the obligation, to enter upon the Premises for the purpose of posting and maintaining such notices on the Premises as may be reasonably necessary to protect Landlord against mechanic's liens, material man's liens or other liens, and/or for posting any other notices that may be proper and necessary in connection with Tenant's completion of the Tenant Change.

If any alterations, additions or improvements made by Tenant to the Premises after completion of the Improvements by Landlord result in Landlord being required to make any alterations to other portions of the Building in order to comply with any applicable statutes, ordinances or regulations (e.g., "handicap ordinances") then Tenant shall reimburse Landlord within thirty (30) days after demand for all reasonable costs and expenses incurred by Landlord in making such alterations. In addition, Tenant shall reimburse Landlord for any and all of Landlord's reasonable out of pocket costs incurred in reviewing Tenant's plans for any Tenant Change or for any other "peer review" work associated with Landlord's review of Tenant's plans for any Tenant Change, including, without limitation, Landlord's reasonable out of pocket costs incurred in engaging any third party engineers, contractors, consultants or design specialists, not to exceed an aggregate of two percent (2%) of the cost of the work in question. Tenant shall pay such costs to Landlord within thirty (30) days after Landlord's delivery to Tenant of a copy of the invoice(s) for such work.

S**ection 12.13 Express Agreement**. The provisions of this Lease, including those contained in this Article 12, constitute an express agreement between Landlord and Tenant that applies in the event of any Casualty to the Premises, Building or Real Property. Tenant and Landlord, therefore, fully waive the provisions of any statute or regulations, including California Civil Code Sections 1932(2) and 1933(4), and any other law or statute which purports to govern the rights or obligations of Landlord and Tenant concerning a Casualty in the absence of express agreement. Tenant and Landlord expressly agree and accept that any successor or other law of like import shall have no application hereunder.

ARTICLE 13
CONDEMNATION

Section 13.1 Condemnation of the Premises. If more than twenty-five percent (25%) of the Premises is lawfully condemned or taken in any manner for any public or quasi-public use, or if any portion of the Building is condemned or taken in such a manner that Tenant is reasonably prevented from obtaining access to the Building or the Premises, this Lease may, within ten (10) business days of such taking, be terminated at the option of either Landlord or Tenant by one party giving the other thirty (30) days written notice of its intent to do so. If either Landlord or Tenant provide the other party written notice of termination, the Term and estate hereby granted shall forthwith cease and terminate as of the earlier of the date of vesting of title in such condemnation or taking or the date of taking of possession by the condemning authority.

If less than twenty-five percent (25%) of the Premises is so condemned or taken, then the term and estate hereby granted with respect to such part shall forthwith cease and terminate as of the earlier of the date of vesting of title in such condemnation or taking or the date of taking of possession by the condemning authority, and the Fixed Monthly Rent payable hereunder (and Additional Rent payable pursuant to Articles 3 or 4) shall be abated on a prorated basis, by dividing the total number of usable square feet so taken by the total number of usable square feet contained in the Premises, then multiplying said percentage on a monthly basis, continuing from the date of such vesting of title to the date specified in this Lease for the expiration of the Term hereof.

Section 13.2 Condemnation of the Building. If less than twenty-five percent (25%) of the Building is so condemned or taken, then Landlord shall, to the extent of the proceeds of the condemnation payable to Landlord and with reasonable diligence, restore the remaining portion of the Building as nearly as practicable to its condition prior to such condemnation or taking; except that, if such proceeds constitute less than ninety percent (90%) of Landlord's estimate of the cost of rebuilding or restoration, then Landlord may terminate this Lease on thirty (30) days' prior written notice to Tenant.

If more than twenty-five percent (25%) of the Building is so condemned or taken, but the Premises are unaffected thereby, then Landlord shall have the option but not the obligation, which election shall be in Landlord's sole discretion, to terminate this Lease, effective the earlier of the date of vesting of title in such condemnation or the date Landlord delivers actual possession of the Building and Premises to the condemning authority, which election by Landlord shall be provided to Tenant in writing.

Section 13.3 Award. If any condemnation or taking of all or a part of the Building takes place, Tenant shall be entitled to join in any action claiming compensation therefore, and Landlord shall be entitled to receive that portion of the award made for the value of the Building, Premises, leasehold improvements made or reimbursed by Landlord, or bonus value of this Lease, and Tenant shall only be entitled to receive any award made for the value of the estate vested by this Lease in Tenant, including Tenant's proximate damages to Tenant's business and reasonable relocation expenses. Nothing shall preclude Tenant from intervening in any such condemnation proceeding to claim or receive from the condemning authority any compensation to which Tenant may otherwise lawfully be entitled in such case in respect of Tenant's property or for moving to a new location.

Section 13.4 Condemnation for a Limited Period. Notwithstanding the provisions of Section 13.1, 13.2 or 13.3, except during the final twelve (12) months of the Term, if all or any portion of the Premises are condemned or taken for governmental occupancy for a limited period (i.e., anticipated to be no longer than sixty (60) days), then this Lease shall not terminate; there shall be no abatement of Fixed Monthly Rent or Additional Rent payable hereunder; and Tenant shall be entitled to receive the entire award therefor (whether paid as damages, rent or otherwise).

If, during the final twelve (12) months of the Term, all or any portion of the Premises are condemned or taken for governmental occupancy for a limited period anticipated to be in excess of sixty (60) days, or for a period extended after the expiration of the initial Term, Tenant shall have the option, but not the obligation, to terminate this Lease, in which case, Landlord shall be entitled to such part of such award as shall be properly allocable to the cost of restoration of the Premises, and the balance of such award shall be apportioned between Landlord and Tenant as of the date of such termination.

If the termination of such governmental occupancy is prior to expiration of this Lease, and Tenant has not elected to terminate this Lease, Tenant shall, upon receipt thereof and to the extent an award has been made, restore the Premises as nearly as possible to the condition in which they were prior to the condemnation or taking.

ARTICLE 14
MORTGAGE SUBORDINATION; ATTORNMENT AND MODIFICATION OF LEASE

Section 14.1 Subordination. This Lease, the Term and estate hereby granted, are and shall be subject and subordinate to the lien of each mortgage which may now or at any time hereafter affect Landlord's interest in the real property, Building, parking facilities, Common Areas or portions thereof and/or the land thereunder (an "underlying mortgage"), regardless of the interest rate, the terms of repayment, or the use of the proceeds of any such mortgage. Tenant shall from time to time execute and deliver such instruments as Landlord or the holder of any such mortgage may reasonably request to confirm the subordination provided in this Section 14.1. Landlord shall use commercially reasonable efforts deliver to Tenant for execution a commercial non-disturbance agreement from EUROHYPO AG, New York Branch, as Administrative Agent on behalf of a syndicate of lenders (collectively, the "Lender") which is the beneficiary under a first-lien deed of trust encumbering the Building, in the form of Exhibit F attached hereto and made a part hereof ("SNDA"). Lender requires that Tenant and Landlord execute the SNDA prior to Lender's execution thereof. Except with respect to the initial SNDA from the existing Lender as of the date hereof, Tenant shall pay the costs

associated with Lender's processing (and, if revisions are requested by Tenant, negotiating any modifications to such instrument) of such SNDA, including any legal fees incurred with respect thereto, not to exceed $[***]. As a condition to the subordination of this Lease to any future underlying mortgage, Landlord agrees to obtain for the benefit of Tenant a commercially reasonable form of subordination, non-disturbance and attornment agreement from the lender or lessor, as applicable, under every underlying mortgage.

Section 14.2 Attornment. Tenant confirms that if by reason of a default under an underlying mortgage the interest of Landlord in the Premises is terminated, provided Tenant is granted in writing continued quiet enjoyment of the Premises pursuant to the terms and provisions of this Lease, Tenant shall attorn to the holder of the reversionary interest in the Premises and shall recognize such holder as Tenant's landlord under this Lease, but in no event shall such holder be bound by any payment of Rent paid more than one month in advance of the date due under this Lease. Tenant shall, within fifteen (15) business days after request therefor, execute and deliver, at any time and from time to time, upon the request of Landlord or of the holder of an underlying mortgage any reasonable instrument which may be necessary or appropriate to evidence such attornment.

Section 14.3 Notice of Default. Should Landlord or any such current or prospective mortgagee or ground lessor require execution of a reasonable short form of Lease for recording, containing, among other customary provisions, the names of the parties, a description of the Premises and the Term, Tenant agrees to execute and deliver to Landlord such short form of Lease within fifteen (15) business days following the request therefor. Further, Tenant shall give written notice of any default by Landlord under this Lease to any mortgagee and ground lessor of the Building who have given Tenant their address information in writing and have provided written notice to Tenant that they are to be notified in the event of a default by Landlord under this Lease, and shall afford such mortgagee and ground lessor the same cure period as is provided to Landlord under this Lease to cure such default under this Lease.

ARTICLE 15
ESTOPPEL CERTIFICATES

Section 15.1 Estoppel Certificates. Tenant shall, within fifteen (15) business days after receipt of Landlord's written request therefor, execute, acknowledge and deliver to Landlord an Estoppel Certificate, which may be conclusively relied upon by any prospective purchaser, mortgagee or beneficiary under any deed of trust covering the Building or any part thereof. Said Estoppel Certificate shall certify the following, to the actual knowledge of Tenant:

(a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each modification);

(b) the date, if any, to which rental and other sums payable hereunder have been paid;

(c) that no notice has been received by Tenant of any default which has not been cured, except as to defaults specified in the certificate;

(d) that Landlord is not in default under this Lease or, if so, specifying such default; and

(e) such other factual matters as may be reasonably requested by Landlord.

Tenant's failure to deliver the Estoppel Certificate within such 15 business day period and an additional five (5) business days following receipt of the Landlord's second (2nd) written request therefor shall entitle Landlord to declare a default under this Lease. Once in any eighteen (18) month period, Tenant may request that Landlord execute and deliver to Tenant an Estoppel Certificate in connection with a financing or other material transaction in which Tenant is a party. The Estoppel Certificate shall state that this Lease is materially unmodified and in full force and effect (or, if there have been material modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each

modification); (b) the date, if any, to which Fixed Monthly Rent and Additional Rent have been paid; and (c) to the actual, then-current knowledge of Landlord (which shall mean Landlord's property manager), without the duty of inquiry and without inspection of the Premises (and such Estoppel Certificate shall reserve for Landlord any matters that would be discovered upon an inspection of the Premises) that Tenant is not in material default under this Lease or, if so, specifying such material default. Landlord shall deliver such Estoppel Certificate within fifteen (15) business days after Tenant's request therefor. Landlord shall have no obligation to deliver an Estoppel Certificate more frequently than once in any eighteen (18) month period.

ARTICLE 16
NOTICES

Section 16.1 Notices. Any notice, consent, approval, agreement, certification, request, bill, demand, statement, acceptance or other communication hereunder (a "notice") shall be in writing and shall be considered duly given or furnished when:

(a) delivered personally or by messenger or overnight delivery service, with signature evidencing such delivery;

(b) upon the date of delivery, after being mailed in a postpaid envelope, sent certified mail, return receipt requested, when addressed to Landlord as set forth in the Basic Lease Information and to Tenant at the Premises and any other address for Tenant specified in the Basic Lease Information; or to such other address or addressee as either party may designate by a written notice given pursuant hereto; or

(c) upon confirmation of good transmission if sent via facsimile machine to such phone number as shall have been provided in writing by Landlord or Tenant, one to the other.

For the purpose of the service of any notice by Landlord in an action to obtain legal possession of the Premises under Article 17 of this Lease, the notice will be deemed served ten (10) business days after the date of mailing, attempted personal delivery or dispatch by overnight courier by Landlord under clauses a) or b) above if such mailing or personal or overnight delivery is not accepted or signed for by Tenant notwithstanding Landlord's good faith reasonable efforts.

ARTICLE 17
DEFAULT AND LANDLORD'S OPTION TO CURE

Section 17.1 Tenant's Default. For the purposes of this Section 17.1, if the term "Tenant", as used in this Lease, refers to more than one person, then, such term shall be deemed to include all of such persons or any one of them; if any of the obligations of Tenant under this Lease are guaranteed, the term "Tenant", as used in Section 17.1(e) and Section 17.1(f), shall be deemed to also include the guarantor or, if there is more than one guarantor, all or any one of them; and if this Lease has been assigned, the term "Tenant", as used in Sections 17.1 (a) through (g), inclusive, shall be deemed to include the assignee and assignor, jointly and severally, unless Landlord shall have, in connection with such assignment, previously released the assignor from any further liability under this Lease, in which event the term "Tenant", as used in said subparagraphs, shall not include the assignor that was previously released.

Tenant's continued occupancy and quiet enjoyment of the Premises and this Lease and the covenants and estate hereby granted are subject to the limitation that:

(a) if Tenant fails to make any payment of any Fixed Monthly Rent or Additional Rent within five (5) business days after Tenant's receipt of a factually correct written notice from Landlord that the amount in question is overdue; or

(b) if Tenant abandons the Premises without the payment of Rent; or

(c) if Tenant defaults in the keeping, observance or performance of any covenant or agreement set forth in Sections 6.1, 6.2, or 19.3, and if such default continues and is not cured by Tenant ten (10) business days after Tenant's receipt of a factually correct written notice from Landlord that the default in question exists and requires cure; provided, however, if the nature of Tenant's covenant or agreement is such that more than ten (10) days are required for its performance, then Tenant shall not be in default if it shall commence such performance within such ten (10) day period and thereafter diligently pursue the same to completion within a reasonable time period or

(d) if Tenant defaults in the keeping, observance or performance of any covenant or agreement including any provisions of the rules and regulations established by Landlord (other than a default of the character referred to in Sections 17.1 (a), (b) or (c)), and if such default continues and is not cured by Tenant within thirty (30) days after Landlord has given to Tenant a notice specifying the same, provided, however, if the nature of Tenant's covenant or agreement is such that more than thirty (30) days are required for its performance, then Tenant shall not be in default if it shall commence such performance within such thirty (30) day period and thereafter diligently pursues the same to completion within a reasonable time period; :

(e) intentionally omitted; or

(f) if Tenant:

(i) applies for or consents to the appointment of, or the taking of possession by a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its property;

(ii) admits in writing its inability, or is generally unable, to pay its debts as such debts become due;

(iii) makes a general assignment for the benefit of its creditors;

(iv) commences a voluntary case under federal bankruptcy laws (as now or hereafter in effect);

(v) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up, or composition or adjustment of debts;

(vi) fails to controvert in a timely or appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under such bankruptcy laws;

(vii) takes any action for the purpose of effecting any of the foregoing; or

(g) if a proceeding or case is commenced against Tenant, without the application or consent of Tenant, in any court of competent jurisdiction, which is not dismissed within ninety (90) days after filing, seeking:

(i) the liquidation, reorganization, dissolution, winding up, or composition or readjustment of debts, of Tenant; or

(ii) the appointment of a trustee, receiver, custodian, liquidator or the like of Tenant or of all or a substantial part of its assets; or

(iii) similar relief with respect of Tenant under any law relating to bankruptcy, insolvency, reorganization, winding up, or composition or adjustment of debts, and such proceeding or case shall continue undismissed, or an order, judgment or decree approving or ordering any of the foregoing shall be entered and continue unstayed and in effect, for a period of ninety (90) days, or an order for relief against Tenant shall be entered in an involuntary case under such bankruptcy laws.

then, in any or each such event, Tenant shall be deemed to have committed a material default under this Lease.

Section 17.2 Landlord's Option to Cure Tenant's Default. If Tenant enters into a default under Section 17.1 of this Lease, beyond all applicable notice and cure periods, in lieu of Landlord's issuance of a written notice, as specified hereinbelow, Landlord may cure the same at the sole expense of Tenant immediately and without notice in the case of emergency; or if such default unreasonably interferes with the use by any other tenant of the Building; with the efficient operation of the Building; or will result in a violation of law or in a cancellation of any insurance policy maintained by Landlord.

Within fifteen (15) business days after receiving a statement from Landlord, Tenant shall pay to Landlord the reasonable amount of the expense reasonably incurred by Landlord in performing Tenant's obligation hereunder. If Tenant fails to pay such amount to Landlord within the specified time period, Landlord may (in addition to any other remedies of Landlord under this Lease or applicable law) deduct the amount due from the Security Deposit under Section 3.7.

Section 17.3 Landlord's Option to Terminate this Lease. In addition to any other remedies Landlord may have at law or in equity, if Tenant enters into a default under Section 17.1 of this Lease, beyond all applicable notice and cure periods, Landlord shall be entitled to give to Tenant a written notice of intention to terminate this Lease at the expiration of three (3) days from the date of the giving of such notice, and if such notice is given by Landlord, and Tenant fails to cure the defaults specified therein, then this Lease and the Term and estate hereby granted (whether or not the Commencement Date has already occurred) shall terminate upon the expiration of such three (3) day period (a "Default Termination"), with the same effect as if the last of such three (3) days were the Termination Date, except that Tenant shall remain liable for damages as provided hereinbelow or pursuant to law.

Section 17.4 Certain Payments. Bills for all reasonable costs and expenses incurred by Landlord in connection with any performance by it under Section 17.2 shall be payable, as Additional Rent, pursuant to the provisions of Section 4.3.

Section 17.5 Certain Waivers. Unless Tenant has submitted documentation that it validly disputes Landlord's billing for Fixed Monthly Rent hereunder, or is completing an audit of Landlord's Operating Expense Statement, if Tenant is in default in payment of Fixed Monthly Rent or Additional Rent hereunder beyond all applicable notice and cure periods, Tenant waives the right to designate the items against which any payments made by Tenant are to be credited. In lieu thereof, Landlord may apply any payments received from Tenant to the then-oldest billing remaining unpaid on Tenant's rental account or to any other payment due from Tenant, as Landlord sees fit.

Section 17.6 Landlord Default. Notwithstanding anything to the contrary set forth in this Lease, Landlord shall not be in default in the performance of any obligation required to be performed by Landlord pursuant to this Lease unless:

(a) in the event such default is with respect to the payment of money, Landlord fails to pay such unpaid amounts within five (5) business days of written notice from Tenant that the same was not paid when due, or

(b) in the event such default is other than the obligation to pay money, Landlord fails to perform such obligation within thirty (30) days after the receipt of notice from Tenant specifying in detail Landlord's failure to perform; provided, however, if the nature of Landlord's obligation is such that more than thirty (30) days are required for its performance, then Landlord shall not be in default under this Lease if it shall commence such performance within such thirty (30) days period and thereafter diligently pursue the same to completion within a reasonable time period.

Upon any such default by Landlord under this Lease, Tenant may, except as otherwise specifically provided in this Lease to the contrary, exercise any of its rights provided at law or in equity.

ARTICLE 18
DAMAGES; REMEDIES; RE-ENTRY BY LANDLORD; ETC.

Section 18.1 Damages. If Landlord terminates this Lease, pursuant to the provisions of Section 17.3 (a "Default Termination"), then Landlord may recover from Tenant the total of:

(a) the worth at the time of award of the unpaid Fixed Monthly Rent and Additional Rent earned to the date of such Default Termination; and

(b) the worth at the time of award of the amount by which the unpaid Fixed Monthly Rent and Additional Rent which would have been earned after the date of such Default Termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; and

(c) the worth at the time of award of the amount by which the unpaid Fixed Monthly Rent and Additional Rent which would have been earned for the balance of the Term after the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; and

(d) any other amount reasonably necessary to compensate Landlord for all of the detriment proximately caused by Tenant's failure to observe or perform any of its covenants and agreements under this Lease or which in the ordinary course of events would be likely to result therefrom, including, without limitation, the payment of the reasonable expenses incurred or paid by Landlord in re-entering and securing possession of the Premises and in the reletting thereof (including, without limitation, altering and preparing the Premises for new tenants and brokers' commission); and

(e) at Landlord's sole election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time under applicable California laws.

Section 18.2 Computations: The "worth at the time of award" is computed:

(a) in paragraphs (a) and (b) above, by allowing interest at the rate of ten percent (10%) per annum (but in no event in excess of the maximum rate permitted by law); and

(b) in paragraph (c) above, by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(c) For purposes of computing unpaid rental which would have accrued and become payable under this Lease, unpaid rental shall consist of the sum of:

(i) the total Fixed Monthly Rent for the balance of the then existing fixed Term, plus

(ii) a computation of Tenant's Share of Additional Rent due under this Lease including, without limitation, Tenant's Share of any increase in Operating Expenses (including real estate taxes) for the balance of the Term. For purposes of computing any increases due Landlord hereunder, Additional Rent for the calendar year of the

default and for each future calendar year in the Term shall be assumed to be equal to the Additional Rent for the calendar year prior to the year in which default occurs, compounded at a rate equal to the mean average rate of inflation for the preceding five calendar years as determined by the United States Department of Labor, Bureau of Labor Statistics Consumer Price Index (All Urban Consumers, all items, 1982-84 equals 100) for the metropolitan area or region of which Los Angeles, California is a part. If such index is discontinued or revised, the average rate of inflation shall be determined by reference to the index designated as the successor or substitute index by the government of the United States.

Section 18.3 Re-Entry by Landlord.

(a) If a Default Termination occurs, Landlord or Landlord's authorized representatives may re-enter the Premises and remove all persons and all property therefrom, either by summary dispossession proceedings or by any suitable action or proceeding by law, without being liable to indictment, prosecution or damages therefor, and may repossess and enjoy the Premises. No re-entry or repossession of the Premises by Landlord or its representatives under this Section 18.3 shall be construed as an election to terminate this Lease unless a notice of such election is given to Tenant or unless the termination thereof is decreed by a court of competent jurisdiction. The words "re-enter", "re-entry" and "re-entering" as used herein are not restricted to their technical legal meanings.

(b) If any default specified in Sections 17.1 (a) through (g) occurs and continues beyond the period of grace (if any) therefor, then if Landlord does not elect to terminate this Lease Landlord may, from time to time and without terminating this Lease, enforce all its rights and remedies under this Lease, including the right to recover the Fixed Monthly Rent and Additional Rent as the same becomes payable by Tenant hereunder.

(i) If Landlord consents thereto, Tenant may sublet the Premises or any part thereof (which consent Landlord agrees will not be unreasonably withheld), subject to Tenant's compliance with the requirements of Article 11 of this Lease. So long as Landlord is exercising this remedy it will not terminate Tenant's right to possession of the Premises, but it may engage in the acts permitted by Section 1951.4(c) of the California Civil Code.

(c) If Tenant abandons the Premises in breach of this Lease, Landlord shall have the right to relet the Premises or any part thereof on such terms and conditions and at such rentals as Landlord in its sole discretion may deem advisable, with the right to make alterations and repairs in and to the Premises necessary to reletting. If Landlord so elects to relet, then gross rentals received by Landlord from the reletting shall be applied:

(i) first, to the payment of the reasonable expenses incurred or paid by Landlord in re-entering and securing possession of the Premises and in the reletting thereof (including, without limitation, altering and preparing the Premises for new tenants and brokers' commissions);

(ii) second, to the payment of the Fixed Monthly Rent and Additional Rent payable by Tenant hereunder; and

(iii) third, the remainder, if any, to be retained by Landlord and applied to the payment of future Fixed Monthly Rent and Additional Rent as the same become due.

Should the gross rentals received by Landlord from the reletting be insufficient to pay in full the sums stated in Section 18.3 (a) and (b) hereinabove, Tenant shall, upon demand, pay the deficiency to Landlord.

Section 18.4 Certain Waivers. After Landlord has actually obtained possession of the Premises pursuant to any lawful order of possession granted in a valid court of law, Tenant thereafter waives and surrenders for Tenant, and for all claiming under Tenant, all rights and privileges now or hereafter existing to redeem the Premises (whether by order or

judgment of any court or by any legal process or writ); to assert Tenant's continued right to occupancy of the Premises; or to have a continuance of this Lease for the Term hereof. Tenant also waives the provisions of any law relating to notice and/or delay in levy of execution in case of an eviction or dispossession for nonpayment of rent, and of any successor or other law of like import. Notwithstanding anything to the contrary set forth in this Lease, including, without limitation, this Article 18, Tenant shall in no event be liable for any punitive, special, incidental or consequential damages (including, without limitation, loss of income, lost profits or loss of goodwill).

Section 18.5 Cumulative Remedies. The remedies of Landlord provided for in this Lease are cumulative and are not intended to be exclusive of any other remedies to which Landlord may be lawfully entitled. The exercise by Landlord of any remedy to which it is entitled shall not preclude or hinder the exercise of any other such remedy. Notwithstanding the foregoing, Landlord shall use all commercially reasonable efforts to mitigate any and all of its damages.

ARTICLE 19
INSURANCE

Section 19.1 Landlord Obligations:

(a) Landlord shall secure and maintain during the Term of this Lease the following insurance:

(i) Commercial General Liability and Umbrella Liability insurance relating to Landlord's operation of the Building, for personal and bodily injury and death, and damage to other's property.

(ii) All risk of standard fire insurance and extended coverage, for full replacement value thereof, and including vandalism and malicious mischief and sprinkler leakage endorsements, relating to the Building, the parking facilities, the Common Area improvements and any and all improvements (including, without limitation, the Improvements) installed in, on or upon the Premises and affixed thereto (but excluding Tenant's trade fixtures, furnishings, equipment, personal property or other elements of Tenant's Property);

(iii) Such other insurance (including, without limitation, boiler and machinery, rental loss, earthquake and/or flood insurance) as Landlord reasonably elects to obtain or any Lender requires.

(b) Insurance effected by Landlord under this Section 19.1 will be:

(i) In amounts which Landlord from time to time determines sufficient or which any Lender requires, but in any event comparable to that carried at the Comparable Buildings; and

(ii) Subject to such commercially reasonable deductibles and exclusions as Landlord deems appropriate.

(c) Notwithstanding any contribution by Tenant to the cost of insurance premiums as provided herein, Tenant acknowledges that Tenant has no right to receive any proceeds from any insurance policies carried by Landlord, except as may be set forth in this Lease.

Section 19.2 Tenant Obligations.

(a) At least ten (10) days prior to the earlier of the Commencement Date or Tenant's anticipated early access date of the Premises and thereafter during the Term of this Lease, Tenant shall secure and maintain, at its own expense throughout the Term of this Lease the following minimum types and amounts of insurance, in form and in companies acceptable to Landlord, insuring Tenant, its employees, agents and designees:

(i) Workers' Compensation Insurance, the amount and scope of which shall be the amount and scope required by statute or other governing law;

(ii) Employer's Liability Insurance in amounts equal to the greater of (1) the insurance currently maintained by Tenant, or (2) the following: Bodily Injury by accident—$1,000,000 each accident; Bodily Injury by disease—$1,000,000 policy limit; and Bodily Injury by disease—$1,000,000 each employee;

(iii) Commercial General Liability and Umbrella Liability Insurance on an occurrence basis, without claims-made features, with bodily injury and property damage coverage in an amount equal to a combined single limit of not less than $2,000,000; and such insurance shall include the following coverages: (A) Premises and Operations coverage with X, C, and U exclusions for explosion, collapse, and underground property damage deleted under both premises/operations and contractual liability coverage parts, if applicable; (B) Owner and Contractor Protective coverage; (C) Products and Completed Operations coverage; (D) Blanket Contractual coverage, including both oral and written contracts; (E) Personal Injury coverage; (F) Broad Form Comprehensive General Liability coverage (or its equivalent); and (G) Broad Form Property Damage coverage, including completed operations;

(iv) All risk of standard fire insurance and extended coverage with vandalism and malicious mischief and sprinkler leakage endorsements, insuring fixtures, glass, equipment, merchandise, inventory and other elements of Tenant's Property in and all other contents of the Premises. Such insurance shall be in an amount equal to 100% of the replacement value thereof (and Tenant shall re-determine the same as frequently as necessary in order to comply herewith, provided that Tenant may have commercially reasonable deductibles.

(b) All insurance policies maintained to provide the coverages required herein shall:

(i) Be issued by insurance companies authorized to do business in the state in which the leased premises are located, and with companies rated, at a minimum "A- VII" by A.M. Best;

(ii) Provide for a deductible only so long as Tenant shall remain liable for payment of any such deductible in the event of any loss;

(iii) Contain appropriate cross-liability endorsements denying Tenant's insurers the right of subrogation against Landlord as to risks covered by such insurance, without prejudice to any waiver of indemnity provisions applicable to Tenant and any limitation of liability provisions applicable to Landlord hereunder, of which provisions Tenant shall notify all insurance carriers;

(iv) Contain provisions for at least ten (10) days advance written notice to Landlord of cancellation due to non-payment and thirty (30) days advance written notice to Landlord of material modification or cancellation for any reason other than nonpayment; and

(v) Stipulate that coverages afforded under such policies are primary insurance as respects Landlord and that any other insurance maintained by Landlord are excess and non-contributing with the insurance required hereunder.

(c) No endorsement limiting or excluding a required coverage is permitted.

(d) Tenant shall deliver to Landlord upon execution of this Lease, written evidence of insurance coverages required herein. Tenant shall deliver to Landlord no less than fifteen (15) days prior to the expiration of any required coverage, written evidence of the renewal or replacement of such coverage. Landlord's failure at any time to object to Tenant's failure to provide the specified insurance or written evidence thereof (either as to the type or amount of such insurance) shall not be deemed as a waiver of Tenant's obligations under this Section.

(e) Landlord shall be named as an additional insured on the Tenant's policies of General Liability and Umbrella Liability insurance and as a loss payee on the Tenant's policies of All Risk insurance as their interest may appear, to the extent of Landlord's interest in the Improvements constructed by Landlord and for which Landlord is obligated to repair and restore pursuant to the terms and conditions of this Lease governing casualty damage to the Premises. Tenant shall deliver to Landlord the appropriate endorsements evidencing additional insured and loss payee status.

(f) The insurance requirements in this Section shall not in any way limit, in either scope or amount, the indemnity obligations separately owed by Tenant to Landlord or Landlord to Tenant under this Lease.

(g) Nothing herein shall in any manner limit the liability of Tenant for non-performance of its obligations or for loss or damage for which Tenant is responsible. The aforementioned minimum limits of policies shall in no event limit the liability of Tenant hereunder.

(h) Tenant may, at its option, satisfy its insurance obligations hereunder by policies of so-called blanket insurance carried by Tenant provided that the same shall, in all respects, comply with the provisions hereof. In such event, Tenant shall not be deemed to have complied with its obligations hereunder until Tenant shall have obtained and delivered to Landlord a copy of each such policy together with an appropriate endorsement or certificate applicable to and evidencing full compliance with the specific requirements of this Lease (irrespective of any claim which may be made with respect to any other property or liability covered under such policy).

Section 19.3 Compliance with Building Insurance Requirements. After Tenant takes occupancy of the Premises, Tenant shall not violate or permit in, on or upon the Premises the violation of any condition imposed by such standard fire insurance policies as are normally issued for office buildings in the City or County in which the Building is located. Tenant shall not do, suffer or permit anything to be done, or keep, suffer or permit anything to be kept, in the Premises which would increase the risk ratings or premium calculation factors on the Building or property therein (collectively an "Increased Risk"), or which would result in insurance companies of good standing refusing to insure the Building or any property appurtenant thereto in such amounts and against such risks as Landlord may reasonably determine from time to time are appropriate, provided the same is consistent with that at the Comparable Buildings.

Notwithstanding the above, if additional insurance is available to cover such Increased Risk, Tenant shall not be in default hereunder if:

(a) Tenant authorizes Landlord in writing to obtain such additional insurance; and

(b) prepays the annual cost thereof to Landlord for such additional coverage, as well as the additional costs, if any, of any increase in Landlord's other insurance premiums resulting from the existence or continuance of such Increased Risk.

Section 19.4 Mutual Waiver of Subrogation. Landlord and Tenant agree to have their respective insurance companies issuing property damage insurance waive any rights of subrogation that such companies may have against Landlord or Tenant, as the case may be. Anything in this Lease to the contrary notwithstanding, Landlord and Tenant hereby waive and release each other of and from any and all rights of recovery, claims, actions or causes of actions against each other, their respective agents, officers and employees, for any loss or damage that may occur to the Premises, Building or Project, or personal property within the Building, regardless of cause or origin, including the negligence of Landlord and Tenant and their respective agents, officers, employees and contractors, to the extent the same is covered by property insurance, or would have been covered by property insurance had the insurance required

under this Lease been carried. Each party agrees to give immediately to its respective insurance company which has issued policies of insurance covering any risk of direct physical loss, written notice of the terms of the mutual waivers contained in this Section 19.4, and to have such insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverage by reason of said waivers.

Section 19.5 Failure to Secure. If at any time during the Term, and after expiration of twenty (20) business days' prior written demand therefore from Landlord, Tenant fails to:

(a) provide Landlord with access to a licensed insurance broker that can verify Tenant's compliance with the requirement contained in this Article 19; or

(b) provide documentation reasonably acceptable to Landlord that Tenant has secured and maintained the insurance coverage required hereunder,

then such failure shall be considered a material default under this Lease, and Landlord shall have the option, but not the obligation, without further notice or demand to obtain such insurance on behalf of or as the agent of Tenant and in Tenant's name.

Tenant shall pay Landlord's billing for the premiums associated with such insurance policy or policies within thirty (30) days after receipt of Landlord's billing, as well as such other reasonable costs and fees arising out of such default, together with interest on the entire amount so advanced by Landlord, at the rate of ten percent (10%) per annum, computed from the date of such advance. Such advances, if made by Landlord, shall be construed as and considered Additional Rent under this Lease.

ARTICLE 20
MISCELLANEOUS

Section 20.1 Entire Agreement. This Lease, including the exhibits and guaranty of lease, if any, annexed hereto, contains all of the agreements and understandings relating to the leasing of the Premises and the obligations of Landlord and Tenant in connection therewith and neither party and no agent or representative thereof has made or is making, and neither party in executing and delivering this Lease is relying upon, any warranties or representations, except to the extent set forth in this Lease. All understandings and agreements heretofore had between Landlord and Tenant relating to the leasing of the Premises are merged in this Lease, which alone fully and completely expresses their agreement. The Riders (if any) and Exhibits annexed to this Lease and the Construction Agreement are hereby incorporated herein and made a part hereof.

Section 20.2 No Waiver or Modification. The failure of Landlord or Tenant to insist in any instance upon the strict keeping, observance or performance of any covenant or agreement contained in this Lease or to exercise any election herein contained shall not be construed as a waiver or relinquishment for the future of such covenant or agreement, but the same shall continue and remain in full force and effect. No waiver or modification by either Landlord or Tenant of any covenant or agreement contained in this Lease shall be deemed to have been made unless the same is in writing executed by the party whose rights are being waived or modified. No surrender of possession of any part of the Premises shall release Tenant from any of its obligations hereunder unless accepted in writing by Landlord. The receipt and retention by Landlord, and the payment by Tenant, of Fixed Monthly Rent or Additional Rent with knowledge of the breach of any covenant or agreement contained in this Lease shall not be deemed a waiver of such breach by either Landlord or Tenant.

Section 20.3 Time of the Essence. Time is of the essence of this Lease and of all provisions hereof (including, without limitation, Exhibit B).

Section 20.4 Force Majeure. For the purposes of this Lease, "Force Majeure" shall be defined as any or all prevention, delays or stoppages and/or the inability to obtain services, labor, materials or reasonable substitutes therefor, when such prevention, delay, stoppage or failure is due to strikes, lockouts, labor disputes, terrorist acts, acts of God, governmental actions, civil commotion, fire or other casualty, and/or other causes beyond the reasonable control of the party obligated to perform, except that Force Majeure may not be raised as a defense for Tenant's non-performance of any obligations imposed by this Lease with regard to the payment of Fixed Monthly Rent and/or Additional Rent or any monetary obligations of Landlord or to Landlord's obligation to timely construct the Improvements and timely deliver the Premises to Tenant, and except as may be otherwise expressly set forth in this Lease.

Notwithstanding anything to the contrary contained in this Lease, Force Majeure shall excuse the performance of such party for a period equal to any such prevention, delay, stoppage or inability. Therefore, if this Lease specifies a time period for performance of an obligation by either party, that time period shall be extended by the period of any delay in such party's performance caused by a Force Majeure.

Section 20.5 Broker. Landlord and Tenant represent to one another that each has dealt with no broker or agent in connection with this Lease or its negotiations other than Douglas Emmett Management, LLC and CB Richard Ellis. Landlord and Tenant shall hold one another harmless from and against any and all liability, loss, damage, expense, claim, action, demand, suit or obligation arising out of or relating to a breach by the indemnifying party of such representation. Landlord agrees to pay all commissions due to the brokers listed above.

Section 20.6 Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of California.

Section 20.7 Submission of Lease. Whether or not rental deposits have been received by Landlord from Tenant, and whether or not Landlord has delivered to Tenant an unexecuted draft version of this Lease for Tenant's review and/or signature, no contractual or other rights shall exist between Landlord and Tenant with respect to the Premises, nor shall this Lease be valid and/or in effect until this Lease has been fully executed and a duplicate original of said fully-executed Lease has been delivered to both Landlord and Tenant.

The submission of this Lease to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or an option for Tenant to lease, or otherwise create any interest by Tenant in the Premises or any other offices or space situated in the Building. Execution of this Lease by Tenant and its return to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has in fact executed and delivered a fully-executed duplicate original of this Lease to Tenant. Landlord and Tenant agree hereby to authorize transmission of all or portions of documents, including signature lines thereon, by facsimile machines, and further authorize the other party to rely conclusively upon such facsimile transmissions as if the original had been received.

Section 20.8 Captions. The captions in this Lease are for convenience only and shall not in any way limit or be deemed to construe or interpret the terms and provisions hereof.

Section 20.9 Singular and Plural, Etc. The words "Landlord" and "Tenant", as used herein, shall include the plural as well as the singular. Words used in the masculine gender include the feminine and neuter. If there be more than one Landlord or Tenant the obligations hereunder imposed upon Landlord and Tenant shall be joint and several.

Section 20.10 Independent Covenants. Except where the covenants contained in one Article of this Lease are clearly affected by or contingent upon fulfillment by either party of another Article or paragraph of this Lease, this Lease shall be construed as though the covenants herein between Landlord and Tenant are independent and not dependent and Tenant hereby expressly waives the benefit of any statute to the contrary and agrees that if Landlord fails to perform its obligations set forth herein, Tenant shall not be entitled to make any repairs or perform any actions hereunder at Landlord's expense or to any set-off of the Rent or other amounts owing hereunder against Landlord, except as set forth

in this Lease; provided, however, that the foregoing shall in no way impair the right of Tenant to commence a separate action against Landlord for the violation by Landlord of the provisions hereof so long as, pursuant to Section 14.3 above, notice is first given to Landlord and any holder of a mortgage or deed of trust covering the Building, Real Property or any portion thereof, of whose address Tenant has theretofore been notified, and an opportunity is granted to Landlord and such holder to correct such violations as provided above.

Section 20.11 Severability. If any covenant or agreement of this Lease or the application thereof to any person or circumstance shall be held to be invalid or unenforceable, then and in each such event the remainder of this Lease or the application of such covenant or agreement to any other person or any other circumstance shall not be thereby affected, and each covenant and agreement hereof shall remain valid and enforceable to the fullest extent permitted by law.

Section 20.12 Warranty of Authority. If Landlord or Tenant signs as a corporation, limited liability company or a partnership, each of the persons executing this Lease on behalf of Landlord or Tenant hereby covenant and warrant that each is a duly authorized and existing entity, that each has and is qualified to do business in California, that the persons signing on behalf of Landlord or Tenant have full right and authority to enter into this Lease, and that each and every person signing on behalf of either Landlord or Tenant are authorized to do so.

Section 20.13 No Representations or Warranties. Neither Landlord nor Landlord's agents or attorneys have made any representations or warranties with respect to the Premises, the Building or this Lease, except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise.

Section 20.14 No Joint Venture or Partnership. This Lease shall not be deemed or construed to create or establish any relationship of partnership or joint venture or similar relationship or arrangement between Landlord and Tenant hereunder except as expressly set forth herein.

Section 20.15 Tenant's Obligations At Its Sole Expense. Notwithstanding the fact that certain references in this Lease to acts required to be performed by Tenant hereunder, or to breaches or defaults of this Lease by Tenant, omit to state that such acts shall be performed at Tenant's sole expense, or omit to state that such breaches or defaults by Tenant are material, unless the context clearly implies to the contrary each and every act to be performed or obligation to be fulfilled by Tenant pursuant to this Lease shall be performed or fulfilled at Tenant's sole expense, and all breaches or defaults by Tenant hereunder shall be deemed material.

Section 20.16 Attorneys' Fees. If litigation or legal proceeding is instituted between Landlord and Tenant, the cause for which arises out of or in relation to this Lease, the prevailing party in such litigation shall be entitled to receive its costs (not limited to court costs), expenses and reasonable attorneys' fees from the non-prevailing party as the same may be awarded by the court.

Section 20.17 Alternative Dispute Resolution.

A. MEDIATION: Except for an action for unlawful detainer or other action to obtain legal possession of the Premises (with respect to which Landlord may commence an action in any court of competent jurisdiction and prosecute such remedies as are available to Landlord under applicable law in an unlawful detainer action), and except with respect to the determination of the Option Rent under Section 23 below (which shall be governed by the terms and conditions of such Section 23), the parties hereto agree to mediate any dispute or claim between them arising out of this Lease before resorting to arbitration or court action. Mediation fees, if any, shall be divided equally among the parties involved. If, for any dispute or claim to which this paragraph applies, any party commences an arbitration or an action without first attempting to resolve the matter through mediation, or refuses to mediate after a request has been made, then that party shall not be entitled to recover attorney fees, even if they would otherwise be available to that party in any such action. THIS MEDIATION PROVISION APPLIES WHETHER OR NOT THE ARBITRATION PROVISION IS INITIALED.

B. ARBITRATION OF DISPUTES: The parties hereto agree that, except as provided above with respect to an unlawful detainer action (or other action to obtain legal possession of the Premises) and the determination of the Option Rent under Section 23 below, any dispute or claim in law or equity arising between them out of this Lease, which is not settled through Mediation, shall be decided by neutral, binding arbitration ("Arbitration"). The Arbitrator shall be a retired judge with JAMS/Endispute unless the parties mutually agree to a different Arbitrator, who shall render an award in accordance with substantive California law. The parties shall have the right to discovery in accordance with California Code of Civil Procedure Section 1283.05. In all other respects, the Arbitration shall be conducted in accordance with Title 9 of Part III of the California Code of Civil Procedure. Judgment upon the award of the Arbitrator(s) may be entered into any court having jurisdiction. Interpretation of this Lease to Arbitrate shall be governed by the Federal Arbitration Act. The prevailing party in such Arbitration shall be entitled to recover its reasonable attorneys fees and all costs (including arbitration fees and costs) from the losing party.

"NOTICE: BY INITIALING IN THE SPACE BELOW YOU ARE AGREEING TO HAVE ANY DISPUTE ARISING OUT OF THE MATTERS INCLUDED IN THE 'ARBITRATION OF DISPUTES' PROVISION DECIDED BY NEUTRAL, BINDING ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND YOU ARE GIVING UP ANY RIGHTS YOU MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT OR JURY TRIAL. BY INITIALING IN THE SPACE BELOW YOU ARE GIVING UP YOUR JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, UNLESS THOSE RIGHTS ARE SPECIFICALLY INCLUDED IN THE 'ARBITRATION OF DISPUTES' PROVISION. IF YOU REFUSE TO SUBMIT TO ARBITRATION AFTER AGREEING TO THIS PROVISION, YOU MAY BE COMPELLED TO ARBITRATE UNDER THE AUTHORITY OF THE CALIFORNIA CODE OF CIVIL PROCEDURE. YOUR AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY."

"WE HAVE READ AND UNDERSTAND THE FOREGOING AND AGREE TO SUBMIT DISPUTES ARISING OUT OF THE MATTERS INCLUDED IN THE 'ARBITRATION OF DISPUTES' PROVISION TO NEUTRAL, BINDING ARBITRATION."

Section 20.18 No Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of Landlord terminate all or any existing subleases or subtenancies, or may, at the option of Landlord, operate as an assignment to it of any or all such subleases or subtenancies.

Section 20.19 Prohibition Against Recording. Except as provided in Section 14.3 of this Lease, neither this Lease, nor any memorandum, affidavit or other writing with respect thereto, shall be recorded by Tenant or by anyone acting through, under or on behalf of Tenant.

Section 20.20 Hazardous Waste. As used in this Lease, the term "Hazardous Material" shall mean any hazardous or toxic substance, material, or waste that is or becomes regulated by the United States, the State of California or any governmental authority having jurisdiction over the Project. Landlord represents that, as of the date of this Lease and to the best of its knowledge, there are no Hazardous Materials in violation of applicable laws, or otherwise requiring removal or encapsulation or remediation in any of the Premises, Building or Real Property. If Landlord receives a written citation or written notification from a governmental authority with jurisdiction over the Project that Hazardous Materials exist in or on the Building or elsewhere in the Project (any such notice being referred to herein as a "Hazardous Materials Notice"), and such Hazardous Materials were neither created or brought in by Tenant, and Landlord does not choose to dispute such citation or notification, or is unsuccessful in the prosecution of such dispute, then Landlord agrees that it will hire a contractor certified to handle hazardous wastes and toxic materials, and will comply with the reasonable recommendation(s) of said contractor, whether for removal or encapsulation of the Hazardous Materials, or to leave said Hazardous Materials undisturbed. Tenant specifically agrees that, except for such limited quantities of office materials and supplies as are customarily used in Tenant's normal business operations, Tenant shall not engage or permit at any time, any operations or activities upon, or any use or occupancy of the Premises, or any portion thereof, for the purpose of or in any way involving the handling, manufacturing, treatment, storage, use, transportation, spillage, leakage, dumping, discharge or disposal (whether legal or illegal, accidental or intentional) of any Hazardous Materials. Tenant

shall, during the Term, remain in full compliance with all applicable laws governing its use and occupancy of the Premises, including, without limitation, the handling, manufacturing, treatment, storage, disposal, discharge, use, and transportation of Hazardous Materials. Tenant will remain in full compliance with the terms and conditions of all permits and licenses issued to it by any governmental authority on account of any or all of its activities on the Premises.

Section 20.21 Intentionally Omitted.

Section 20.22 Signage. Tenant may not install, inscribe, paint or affix any awning, shade, sign, advertisement or notice on or to any part of the outside or inside of the Building, or in any portion of the Premises visible to the outside of the Building or Common Areas without Landlord's prior written consent, which consent may be granted or withheld in Landlord's sole and absolute discretion. All signage and/or directory listings installed on behalf of Tenant, whether installed in, on or upon the public corridors, doorways, Building directory and/or parking directory (if any), or in any other location whatsoever visible outside of the Premises, shall be installed by Landlord, at Tenant's sole expense (which may be charged against the Allowance (as defined in Exhibit B attached hereto) at a commercially reasonable cost. Tenant shall be permitted Building standard signage in a location designated by Landlord at the entrance of the Premises and Tenant's name, logo and company colors may be displayed in the elevator lobby of the twelfth (12th) floor and any other full floor later occupied by Tenant pursuant to this Lease. The size, style, and placement of letters to be used in any of Tenant's signage shall be determined by Landlord, in Landlord's reasonable discretion, in full conformance with the previously established commercially reasonable signage program for the Building. Except as specified hereinbelow, Tenant shall only be entitled to one (1) listing on the Building directory for Tenant's business name and which shall only show Tenant's business name and suite designation. Tenant shall also be entitled to twenty (20) additional listings on said Building for each floor in the Building on which Tenant leases premises, which listings shall be limited solely to Tenant's officers, employees, subsidiaries, affiliates and/or sublessees, if any. All of said listings shall be subject to Landlord's prior written approval, which shall not be unreasonably withheld, conditioned or delayed.

Section 20.22.1. Exterior Signage.

(a) Monument Signage. Subject to the terms and conditions set forth in this Section 20.22.1, Tenant shall, at Tenant's sole expense, be entitled to affix Tenant's name (but not Tenant's logo to one (1) dedicated monument sign facing Victory Boulevard ("Monument Signage") on a non-exclusive basis.

(i) The Monument Signage shall be subject to the terms of Exhibit H attached hereto and made a part hereof. The Monument Signage shall be provided by the sign contractor designated by Tenant and reasonably acceptable to Landlord. The elevations, style, color, size and format and all other plans, specifications and design elements and materials of the Monument Signage shall be acceptable to Landlord in Landlord's sole and absolute discretion. The Monument Signage shall be consistent with Landlord's current signage program (as may be modified from time to time in Landlord's sole and absolute discretion). In addition, Tenant shall bear all expenses relating to the Monument Signage, including, without limitation:

(A) The cost of obtaining permits and approvals;

(B) The cost of maintaining, repairing, and replacing the Monument Signage; and

(C) If applicable, the cost of any electrical consumption illuminating the Monument Signage.

(D) Tenant shall pay to Landlord, within thirty (30) days after receipt of Landlord's demand, any expenses incurred by Landlord with respect to the Monument Signage, except for those payable directly by Tenant to any third party.

(ii) The Monument Signage right granted hereunder is personal to the original Tenant signing this Lease and any Affiliate and shall be suspended for such time, if any, that Tenant is in material default of its obligations under this Lease beyond all applicable notice and cure periods and Landlord has commenced an action in a court of competent jurisdiction for unlawful detainer or Default Termination. In addition, Landlord may prohibit the transfer of Tenant's Monument Signage right and Building Top Signage right (specified below) to an assignee or sublessee that is not an Affiliate if in Landlord's reasonable determination any signage identifying such assignee or sublessee would be inconsistent with the first class character of the Building (such as but not limited to in the event the assignee or sublessee is engaged in a business that Landlord reasonably deems identified with prurient interests) or would not be permitted by owners of Comparable Buildings in the vicinity of the Building (and it is agreed that it shall be reasonable for Landlord to exercise this right in circumstances where Landlord has consented to the subject assignment or sublease).

At the expiration, or earlier termination of this Lease, Tenant shall, at Tenant's sole expense remove the Monument Signage from the monument pylon and replace the vacancy created thereby with unlettered material reasonably acceptable to Landlord.

Tenant acknowledges that if Tenant has not installed the Monument Signage prior to the date that is the last calendar day of the fourth (4th) month after the Rent Commencement Date, and provided that Landlord delivers written notice to Tenant during the preceding calendar month that Tenant's right to install the Monument Signage shall expire as of such date, then Tenant's right to install the Monument Signage shall expire as of the date that is the first calendar day of the fifth (5th) calendar month after the Rent Commencement Date and Tenant's right to install said signage shall be null and void thereafter, provided that in the event Tenant has performed all material work to have the Monument Signage installed and is delayed only because of a delay caused by Landlord or any of the Landlord Parties, or a delay in receiving a required approval by any governmental authority having jurisdiction over the Monument Signage, then, upon notice of the same to Landlord, such deadline shall be extended day for day until such approval is granted (including any time period that the governmental authority has granted Tenant to modify its application or design) and the applicable delay ends.

(b) Right to Building Top Signage. In addition, subject to the terms and the full satisfaction of the conditions specified in this Section 20.22.1(b), Tenant shall have the right, at Tenant's sole cost and expense, to install one (1) identifying sign (but not logo unless Tenant's logo is substantially incorporated as part of Tenant's name) on the top portion of the Building's exterior in an exact location to be reasonably determined by Landlord (the "Building Top Signage"). Tenant's right to the Building Top Signage shall be subject to the following terms and conditions:

(i) At the time the Building Top Signage is installed (if at all) and at all times thereafter Tenant shall be collectively leasing and occupying a Rentable Area in the Building not less than 44,000 rentable square feet and Tenant shall not be in material default under the Lease after the expiration of any applicable notice and cure periods.

(ii) All of the provisions specified in Section 20.22.1(a)(i) and (ii) above governing Monument Signage, and Exhibit H attached hereto, shall also apply to the Building Top Signage.

In the event Tenant elects to exercise its rights under this Section 20.22.1(b) (and if Tenant has satisfied the conditions precedent to installing the Building Top Signage), Tenant shall provide written notice to Landlord and promptly thereafter Landlord and Tenant shall meet and confer and further document the schedule and terms of the installation of the Building Top Signage (provided that Tenant's obligations shall not be materially different from those stated hereunder). Upon such written election by Tenant, and Tenant's installation of the Building Top Signage pursuant to the terms of this Section 20.22, Article 25 of this Lease shall be deemed void and of no further force or effect. Landlord agrees that during the Term, Landlord shall not grant a building top sign right to any other party that does not lease a minimum of 44,000 rentable square feet in the Building.

Section 20.23 Confidentiality. Landlord and Tenant agree that the covenants and provisions of this Lease shall not be divulged to anyone not directly involved in the management, administration, ownership, lending against, or subleasing of the Premises, which permitted disclosure shall include, but not be limited to, the board members, legal counsel and/or accountants of either Landlord or Tenant.

Section 20.24 ADA Compliance. Landlord represents that, as of the date of this Lease, to the best of Landlord's knowledge, the Building is in material compliance with the requirements of the Americans with Disabilities Act of 1990, as amended ("ADA"). If Landlord receives a written notice or citation from any governmental authority with jurisdiction over the Building alleging that the Building does not comply with the ADA, and Landlord does not elect to dispute said citation or notification, or is unsuccessful in the prosecution of such dispute, and said non-compliance arose out of a condition existing before the Rent Commencement Date, Landlord shall bear such costs as may be necessary to bring the structure of the Building in compliance with the ADA, at Landlord's sole cost and expense (and which costs and expenses shall not be included as part of Operating Expenses).

ARTICLE 21

Throughout the Term, Tenant shall have the right but not the obligation to purchase up to [***] parking permits per one thousand (1,000) usable square feet in the Premises, of which up to a maximum of [***] parking permits shall be reserved spaces and the remaining shall be unreserved spaces as set forth in Section 21.1 of the Basic Lease Information ("BLI"). Landlord agrees to locate up to a maximum of seven (7) reserved parking stalls for Tenant on the "G" level, which is accessed at the Canoga Avenue entrance, or if Tenant requests on the first underground level, which is designated as "B1". Except as otherwise permitted by Landlord's management agent in its reasonable discretion, and based on the availability thereof, in no event shall Tenant be entitled to purchase more than the number of parking permits listed in the BLI. If additional parking permits are available on a month-to-month basis, which determination shall be in the sole discretion of Landlord's parking agent, Tenant shall be permitted to purchase one or more of said permits on a first-come, first-served basis. Said parking permits shall allow Tenant to park in the Building parking facility at the posted monthly parking rates and charges then in effect (currently $88.00 per single unreserved permit per month and $143.00 per single reserved permit per month, including the 10% City tax), plus any and all applicable taxes, provided that such rates may be changed from time to time, in Landlord's sole discretion. Tenant shall have the right to access its parking spaces twenty-four (24) hours per day, seven (7) days per week.

Notwithstanding the foregoing, Tenant shall be granted the following concessions for parking:

(a) For the period commencing upon the mutual execution of this Lease and continuing through the date immediately preceding the Rent Commencement Date, Tenant shall be entitled to (i) thirty (30) unreserved parking permits at no charge (except for initial parking start-up costs for Building access/parking cards) and (ii) a fifty percent (50%) discount on any additional parking passes purchased by Tenant.

(b) For the period beginning on the Rent Commencement Date and continuing through the last calendar day of the thirtieth (30th) calendar month after the Rent Commencement Date, Tenant shall be granted a fifty percent (50%) discount on all parking charges for the above specified allocation of permits and any visitor validations (so long as such visitor validations are purchased by Tenant on a bulk basis in increments of $500.00).

(c) For the period beginning on the first calendar day of the thirty-first (31st) calendar month after the Rent Commencement Date and continuing through the last calendar day of the forty-eighth (48th) calendar month after the Rent Commencement Date, Tenant shall be granted a twenty-five percent (25%) discount on all parking charges for the above specified allocation of permits.

Landlord shall retain sole discretion to designate the location of each parking space, except for the location of Tenant's seven (7) reserved stalls as specified above, and whether it shall be assigned, or unassigned, unless specifically agreed to otherwise in writing between Landlord and Tenant. Guests and invitees of Tenant shall have the right to use, in common with guests and invitees of other tenants of the Building, the transient parking facilities of the Building at the then-posted parking rates and charges, or at such other rate or rates and charges as may be agreed upon from time to time between Landlord and Tenant in writing subject to Tenant's rights set forth in this Lease with respect to parking charges and validations. Such rate(s) or charges may be changed by Landlord from time to time in Landlord's sole discretion, and shall include, without limitation, any and all fees or taxes relating to parking assessed to Landlord for such parking facilities.

Tenant shall comply with the reasonable and non-discriminatory rules and regulations adopted by Landlord in Exhibit C attached hereto, which rules and regulations for parking may reasonably change at any time or from time to time during the Term hereof in Landlord's reasonable discretion, and subject to Tenant's parking rights set forth herein.

ARTICLE 22
CONCIERGE SERVICES

Section 22.1 Provision of Services. Landlord and Tenant acknowledge and understand that Landlord, through one or more of its affiliates, may, from time to time, make it possible for Tenant to use or purchase a variety of personal services which may include, but not be limited to, personal shopping, assistance with choosing or obtaining travel reservations, accommodations and/or tickets; tickets to performances, recommendations to eating establishments; and the like, as well as construction administration services (collectively "Concierge Services").

Tenant acknowledges that said Concierge Services are provided by Landlord's affiliate solely as an accommodation to and for the convenience of Tenant and Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, and Landlord does not make any representation, warranty or guarantee, express or implied, as to the quality, value, accuracy, or completeness of said Concierge Services, or whether or not Tenant shall be satisfied with the services and/or goods so provided and/or recommended. Landlord hereby disclaims any control over the variety or sufficiency of such services to be provided.

Tenant acknowledges that Tenant is not required to use such Concierge Services as a condition precedent to compliance with this Lease; that Tenant's use of such Concierge Services is strictly voluntary, and at the sole discretion and control of Tenant. Tenant shall independently make such financial arrangements for payment of the services provided as Tenant deems reasonable and of value.

ARTICLE 23
OPTION TO EXTEND TERM

Section 23.1 Option to Extend Term. Provided Tenant is not in material default under this Lease after the expiration of all applicable notice and cure periods on the date Tenant gives notice to Landlord of Tenant's intent to exercise its rights pursuant to this Article 23, Tenant is given the option to extend the term for an additional five (5) year period (the "Extended Term"), commencing the next calendar day after the expiration of the Term (the "Option"). The Option shall apply only to the entirety of the Premises, and Tenant shall have no right to exercise the Option as to only a portion of the Premises.

Tenant's exercise of this Option is contingent upon Tenant giving written notice to Landlord (the "Option Notice") of Tenant's election to exercise its rights pursuant to this Option by Certified Mail, Return Receipt Requested, overnight courier or personal delivery with a signature required upon receipt, no more than twelve (12) and no less than nine (9) months prior to the Termination Date.

Section 23.2 Fixed Monthly Rent Payable. The Fixed Monthly Rent payable by Tenant during the Extended Term ("Option Rent") shall be equal to the Fair Market Value of the Premises as of the commencement date of the Extended Term. The term "Fair Market Value" shall be defined as the effective fixed monthly rent reasonably achievable by Landlord from willing unaffiliated comparable tenants negotiating at arm's length, and shall take into account all economic benefits obtainable by Landlord from any such tenants, and all concessions available to such tenants in the Comparable Building), as is chargeable for a similar use of comparable space by a comparable tenant in first-class office buildings in Woodland Hills, California. Landlord and Tenant shall have thirty (30) days (the "Negotiation Period") after Landlord receives the Option Notice in which to agree on the Fair Market Value. If Landlord and Tenant agree on the Fair Market Value during the Negotiation Period, they shall promptly execute an amendment to the Lease extending the Term and stating the Fair Market Value.

Section 23.3 Appraisers to Set Fixed Monthly Rent. If Landlord and Tenant are unable to agree on the Fair Market Value during the Negotiation Period, then:

(a) Within five (5) days after the expiration of the Negotiation Period, Landlord and Tenant will each place in a sealed envelope their final proposal as to Fair Market Value (the "Final Proposal" or "Final Landlord Proposal" and "Final Tenant Proposal") in the form of an initial price per rentable square foot for fixed minimum rent together with the amount and date of any escalations and any rental abatement and tenant improvement allowance. Landlord and Tenant shall deliver to each other the Final Tenant Proposal and the Final Landlord Proposal within the five (5) day period and shall each deliver their Final Proposal to the appointed brokers pursuant to Section 23.3(b) below within five (5) days of such appointment. The Final Landlord Proposal and Final Tenant Proposal may or may not be the final proposal made by Landlord and Tenant to each other during the Negotiation Period.

(b) Within seven (7) days after the expiration of the Negotiation Period, Landlord and Tenant will each appoint a real estate broker with at least seven (7) years' full-time commercial real estate appraisal experience in the area in which the Premises are located to determine the Fair Market Value of the Premises. If either Landlord or Tenant does not appoint an broker within such seven (7) day period, the single broker appointed will be the sole broker and will determine the Fair Market Value of the Premises within thirty (30) days of appointment by determining whether the Final Landlord Proposal or Final Tenant Proposal is closer to the actual Fair Market Value as determined by the broker utilizing the guidelines and parameters set forth in this Article 23. If two (2) brokers are appointed pursuant to this paragraph, they will meet promptly and attempt a similar determination of the Fair Market Value of the Premises. In either event the broker(s) sole determination shall be determining whether the Final Landlord Proposal or Final Tenant Proposal is closer to the actual Fair Market Value of the Premises as determined by the broker(s) and neither the broker(s) nor the retired judge appointed pursuant to this Section 23.3(b) shall compromise the submissions of Fair Market Value or determine any other Fair Market Value other than the Final Landlord Proposal or the Final Tenant Proposal. If the two (2) brokers are unable to agree within thirty (30) days after the second broker has been appointed, they will attempt to select a third broker meeting the qualifications stated in this paragraph within ten (10) days after the last day the two (2) brokers are given to set the Fair Market Value of the Premises. If they are able to agree on the third broker, then the third such broker will be the sole broker and will determine the Fair Market Value of the Premises within thirty (30) days of appointment by determining whether the Final Landlord Proposal or Final Tenant Proposal is closer to the actual Fair Market Value as determined by such broker utilizing the guidelines and parameters set forth in this Article 23. If they are unable to agree on the third broker, either Landlord or Tenant, by giving ten (10) days' prior notice to the other, can apply to Judicial Arbitration and Mediation Services ("JAMS") or, if JAMS is no longer in existence or cannot provide this service, to the then-presiding judge of the Los Angeles County Superior Court for the selection of a retired judge to act as the sole broker. The brokers must be people who have not previously acted in any capacity for either Landlord or Tenant.

(c) Within thirty (30) days after the selection of the retired judge, and after hearing such testimony and evidence from the two (2) brokers as may be determined necessary and appropriate by such retired judge, the retired judge will set the Fair Market Value of the Premises by determining whether the Final Landlord Proposal or Final Tenant Proposal is closer to the actual Fair Market Value of the Premises as determined by the retired judge utilizing the guidelines and parameters set forth in this Article 23.

(d) Irrespective of whether the Fair Market Value of the Premises is determined by one or more brokers or by a retired judge, the party whose Final Proposal is determined not to be closest to the actual Fair Market Value of the Premises shall bear (i) all of the costs and expenses of the broker(s), of JAMS, and of the retired judge in connection with determining the Fair Market Value of the Premises and whether the Final Landlord Proposal or Final Tenant Proposal is closer to the actual Fair Market Value of the Premises, and (ii) all reasonable attorneys fees and costs incurred in connection with the appraisal process of the party whose Final Proposal is determined to be the closest to the actual Fair Market Value of the Premises.

(e) Landlord and Tenant shall execute an amendment to the Lease establishing the Fair Market Value promptly after the same has been determined pursuant to this Article 23.

Section 23.4 No Right of Reinstatement or Further Extension. Once Tenant has failed to exercise its rights to extend the term pursuant to this Article 23, it shall have no right of reinstatement of its Option to Extend the Term, nor shall Tenant have any right to a further or second extension of the Term beyond the period stated in Section 23.1 hereinabove.

Section 23.5 No Assignment of Option. This Option is personal to the original Tenant signing the Lease and any affiliate assignee of Tenant, and shall be null, void and of no further force or effect as of the date that Tenant assigns the Lease to an entity that is not an Affiliate pursuant to an assignment which requires Landlord's written consent pursuant to the terms and conditions of this Lease and/or subleases more than forty-nine percent (49%) of the total Rentable Area to an entity that is not an Affiliate.

ARTICLE 24
RIGHT OF FIRST OFFER/RIGHT OF FIRST REFUSAL

Section 24.1 Right of First Offer.

(a) Subject and subordinate only to the continuing right (as it exists as of the date of this Lease) of first offer granted to [***] with respect to any available space on the tenth (10th) floor and to [***] expansion rights (as they exist as of the date of this Lease) covering Suites [***], [***] and [***] on the eleventh (11th) floor, which Suites contain an aggregate of approximately [***] rentable square feet, and are depicted on Exhibit J attached hereto and are referred to herein as the "ROFO Encumbered Premises") (and Landlord, with the express understanding that Tenant's expansion rights hereunder are a material inducement for Tenant to enter into this Lease, represents and warrants that neither [***] nor any other party has a right superior to Tenant, or to which Tenant's rights are subject and subordinate, covering any other space on the 11th floor other than the [***] rights with respect to the ROFO Encumbered Premises as set forth above) with such representation and warranty surviving the expiration or termination of this Lease); and

(b) Provided Tenant is not in material uncured default after the expiration of time and the opportunity to cure as of the date or any time after Tenant tenders to Landlord Tenant's Expansion Notice,

then Landlord grants Tenant a continuing right of first offer to lease any space on the eleventh (11th) floor(s) of the Building (the "Expansion Premises") that is vacated and thereafter becomes available for rent (or space that Landlord has knowledge will be available for lease in the reasonably near future).

If any space within the Expansion Premises is vacated and becomes available for lease to third parties at any time during the initial Term of this Lease, Landlord shall give written notice thereof (the "Offer Notice") to Tenant, specifying the terms and conditions upon which Landlord is willing to lease that portion of the Expansion Premises then available.

Section 24.2 Tenant's Acceptance. Tenant shall have five (5) business days after receipt of the Offer Notice from Landlord to advise Landlord of Tenant's election (the "Acceptance") to lease the Expansion Premises on the same terms and conditions as Landlord has specified in its Offer Notice. If the Acceptance is so given, then promptly thereafter, Landlord and Tenant shall sign an amendment to this Lease, adding the Expansion Premises to the Premises pursuant to the terms hereof (the "Expansion Amendment").

Section 24.3 Failure to Accept Extinguishes Rights. If Tenant does not tender the Acceptance of Landlord's Offer Notice, or if Tenant's Acceptance is conditional or purports to modify any material term contained in Landlord's Offer Notice, or if Landlord and Tenant fail to execute the amendment to Lease called for above within the time period specified, then Landlord may lease such portion of the Expansion Premises as is then available to any third party it chooses without liability to Tenant on terms and conditions reasonably similar to those specified in Landlord's Offer Notice, and Tenant's right of first offer shall be null and void thereafter, subject to Tenant's right of first refusal during the time period commencing on the Commencement Date and ending twelve (12) months after the Rent Commencement Date ("Right of First Refusal Period"), provided that, in the event Landlord (a) intends to enter into a lease for the applicable Expansion Premises on terms which are materially more favorable to the prospective tenant than those terms offered to Tenant, or (b) Landlord fails to lease the previously offered Expansion Premises for a period of eight (8) months following the Tenant's declination (or deemed declination) of the Offer Notice, then Landlord shall again offer the revised terms (under the foregoing clause (a) only) or such other terms as Landlord deems appropriate (under clause (b)) to Tenant and Tenant shall have three (3) business days to agree to such terms in writing or waive its right to lease the applicable Expansion Premises pursuant to such terms. If Tenant does not tender the Acceptance of Landlord's revised Offer Notice, then Landlord may lease such portion of the Expansion Premises as is then available to any third party it chooses without liability to Tenant, subject to Tenant's rights under this Section 24. For purposes of this clause (c), "materially more favorable" shall mean, at a minimum, that the new terms include a net effective rent that is at least seven and one half percent (7.5%) less than the net effective rent offered to Tenant. The foregoing obligation of Landlord and right of Tenant with respect to revised Offer Notices shall continue throughout the initial Term in accordance with this Article 24.

Section 24.4 Right of First Refusal. Subject and subordinate only to the continuing right of first offer granted to [***] Company with respect to any available space on the tenth (10th) floor (as it exists as of the date of this Lease) and to [***] expansion rights covering the ROFO Encumbered Premises (as it exists as of the date of this Lease), if at any time during the Right of First Refusal Period Landlord receives a bona fide proposal for any space comprising the Expansion Premises (whether or not such space has been the subject of an Offer Notice), Landlord shall provide Tenant written notice thereof along with the material terms of such offer (the "RFR Notice"). Landlord may keep confidential the identity of the proposed tenant and Tenant shall have no right to inquire as to such identity. Tenant shall have four (4) business days after receipt of RFR Notice from Landlord to advise Landlord of Tenant's election (the "RFR Acceptance") to lease the subject Expansion Premises on the same terms and conditions as Landlord has specified in its RFR Offer Notice, provided that the term of this Lease for the Expansion Premises shall be co-terminous with the term of this Lease for the original Premises. If the RFR Acceptance is so given, then within promptly thereafter, Landlord and Tenant shall sign an amendment to this Lease, adding the Expansion Premises to the Premises and incorporating all of the terms and conditions originally contained in Landlord's Offer Notice. If Tenant does not tender the RFR Acceptance of the RFR Offer Notice, within the time periods set forth herein, then Landlord may lease such portion of the Expansion Premises as is then available to any third party it chooses without liability to Tenant on all of the same material terms and conditions as those specified in Landlord's RFR Offer Notice, subject to Tenant's rights under this Section 24. With the express understanding that Tenant's expansion rights hereunder are a material inducement for Tenant to enter into this Lease, Landlord represents and warrants that, subject to [***] rights with respect to the ROFO Encumbered Premises as set forth above, neither [***] nor any other party has a right superior to Tenant, or to which Tenant's rights are subject and subordinate, covering any other space on the 11th floor, which representation and warranty shall survive the expiration or earlier termination of this Lease.

Section 24.5 Condition of Expansion Premises. Landlord shall, at its sole cost and expense, cause the Building's electrical, plumbing, HVAC and elevator systems, and any other Building systems serving any portion of the Expansion Premises leased by Tenant to be in good working order and repair as of the date of delivery of the same to Tenant (or the commencement date for the applicable Expansion Premises, if later) but, in connection with the lease of the Expansion Premises by Tenant, subject to the terms of this Article 24, Landlord shall not be obligated at its cost to perform any code upgrades or other improvements within the Premises or Expansion Premises.

ARTICLE 25
OPTION TO TERMINATE LEASE EARLY

Section 25.1 Option to Terminate Lease Early. Tenant may elect to terminate the Lease as of 11:59 p.m. Pacific Time on the last calendar day of the thirty-sixth (36th) calendar month after the Rent Commencement Date (the "Early Termination Date") by giving Landlord written notice (the "Termination Notice") not later than nine (9) months prior to the Termination Date (the "Notice Period Expiration Date"), with said notice being sent Certified Mail, Return Receipt Requested, via overnight courier or personal delivery with a signature required upon receipt.

Section 25.2 Contingencies to Early Termination. Provided that:

(a) the Termination Notice is timely received by Landlord; and

(b) Tenant complies with all the requirements contained in Section 25.3; and

then, as of the Early Termination Date, Tenant and Landlord shall be released from liability for any of their respective obligations hereunder, except for such obligations as specifically herein continue after the expiration or earlier termination of this Lease and except for any outstanding amounts of Rent owed to Landlord for the time period on and prior to the Early Termination Date. In the event Tenant fails to vacate the Premises and surrender legal possession thereof on or before the Early Termination Date, this Article 25 shall be null and void as of the Early Termination Date and this Lease shall remain in full force and effect in accordance with its terms. If Tenant fails to comply with the requirements of this Section 25.2 or fails to pay the statement rendered to it by Landlord within the specified time period, which failure shall include but not be limited to Tenant's check being returned by the bank for insufficient funds, such failure shall constitute a material default of this provision and shall serve to nullify the terms and conditions of this provision, in which case this Lease shall continue in full force and effect for the remainder of the initial Term.

Section 25.3 Tenant's Compensation to Landlord for Early Termination. As soon as is reasonably possible after Landlord's receipt of the Termination Notice, Landlord shall send to Tenant a statement for an amount equal to the sum of (a) any lease commission and tenant improvement costs incurred by Landlord which shall be amortized over the Term on a straight line basis at an interest rate of [***] ([***]) as of the Early Termination Date, and (b) a cancellation fee equal to [***] months of Fixed Monthly Rent due for the calendar month in which the Early Termination Date occurs. Tenant shall pay Landlord the total so billed within sixty (60) days after Tenant's receipt of such statement.

Section 25.4 Expiration of Option to Terminate Early. Provided that Tenant has not already delivered the Termination Notice specified hereinabove, then, effective on the first calendar day of the twenty-eighth (28th) calendar month after the Rent Commencement Date, the provisions of this Article 25 shall be deemed null, void and of no further force or effect. If the Early Termination Option has not expired on its terms herein and Tenant exercises in writing the Right of First Offer under Article 25 of this Lease on or after the first calendar day of twenty-fifth (25th) calendar month

after the Rent Commencement Date (and ultimately leases the Expansion Premises pursuant to such exercise by Tenant under Article 25), or its right to Building Top Signage under Section 20.22.1 of this Lease (provided Tenant has actually installed its Building Top Signage under such Section 20.22.1), Tenant acknowledges and agrees that the provisions of this Article 25 shall be deemed null, void and of no further force or effect upon the full mutual execution and delivery of the Expansion Amendment.

ARTICLE 26
SATELLITE EQUIPMENT

Section 26.1 Satellite Dish And Other Communications Equipment. Landlord hereby grants Tenant the nonexclusive right, at Tenant's sole cost and expense, and subject to the provisions of this Article 26 and further subject to the availability of space therefor, to install, operate and maintain one (1) satellite dish no larger than 36" in diameter ("Satellite Dish") on the roof of the Building in a location designated by Landlord in Landlord's sole and absolute discretion. In addition, Tenant shall have the right, subject to the available capacity of the Building, to install such connection equipment, such as conduits, cables, risers, feeders and materials (collectively, the "Connecting Equipment," hereinafter referred to together and/or separately with the Satellite Dish as the "Transmission and/or Reception Equipment") in the shafts, ducts, conduits, chases, utility closets and other facilities of the Building as is reasonably necessary to connect the Satellite Dish to Tenant's other equipment in the Premises, subject however, to the provisions of this Article 26 and subject to the availability of vertical riser and feeder excess capacity, as determined by Landlord.

Tenant shall also have the right of access to the areas where any such Transmission and/or Reception Equipment is located for the purposes of maintaining, repairing, testing and replacing the same, provided that Tenant shall not be provided access to the roof without in each instance notice to Landlord and having a representative of the Landlord accompany Tenant or any of its contractors. All plans and specifications for the Transmission and/or Reception Equipment shall be subject to Landlord's prior review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. It shall be reasonable for Landlord to withhold its approval to Tenant's plans in the event, without limitation, that the Transmission and/or Reception Equipment would interfere with the rights of any parties existing as of the date of this Lease or if applicable law does not permit installation and/or operation. As a condition to Landlord's approval, Landlord may require Tenant to install certain improvements to the roof to protect the roof from abnormal wear and tear, all at Tenant's sole cost and expense. Any additions, alterations, replacements, modifications to or relocation of any of the Transmission and/or Reception Equipment initially approved by Landlord shall be subject to the prior written approval of Landlord, which approval may be withheld or granted in Landlord's reasonable discretion.

Section 26.2 Installation. The installation, repair and/or replacement of the Transmission and/or Reception Equipment shall be performed in a good and workmanlike manner at Tenant's sole cost and expense. Tenant acknowledges that the local telephone company can extend lines but not circuits directly into the Premises and that a third party vendor may only connect telephone lines from the telephone board in the Premises through the conduit to the outside connection locations. The installation, use, repair, replacement and maintenance of the Transmission and/or Reception Equipment shall be performed in compliance with all applicable statutes, codes, rules ordinances and all other applicable laws of all governmental authorities with jurisdiction over the same. Tenant, at Tenant's sole cost and expense, shall obtain and maintain current all permits and other approvals required by any governmental authority with jurisdiction over the Transmission and/or Reception Equipment. The Transmission and/or Reception Equipment shall be treated for all purposes of this Lease as if the same were Tenant's property. For the purposes of determining Tenant's obligations with respect to its use of the roof of the Building herein provided, the portion of the roof of the Building affected by the Transmission and/or Reception Equipment shall be deemed to be a portion of the Premises, as applicable, and all of the applicable provisions of this Lease with respect to the Premises shall apply to the installation, use and maintenance of the Transmission and/or Reception Equipment, including without limitation, applicable provisions relating to compliance with requirements as to insurance, indemnity, repairs and maintenance, and compliance with laws.

Section 26.3 Non-exclusive Right. It is expressly understood that Landlord retains the right to grant third parties the right to utilize any portion of the roof not utilized by Tenant and to use the portion of the roof on which the Transmission and/or Reception Equipment is located for any purpose whatsoever. In no event shall Tenant's Transmission and/or Reception Equipment interfere with the permitted rooftop equipment of any other tenant in the Building prior to the Commencement Date.

Section 26.4 Maintenance. Tenant shall install, use, maintain and repair the Transmission and/or Reception Equipment so as not to damage the mechanical, electrical, plumbing, HVAC or communications systems of the Building (collectively the "Systems and Equipment") or any other communications or similar equipment located on the roof of the Building; and Tenant hereby agrees to indemnify, defend and hold Landlord harmless from and against any and all claims, costs, damages, expenses and liabilities (including reasonable attorney's fees) arising out of Tenant's failure to comply with the provisions of this Section 26.4. Tenant, at Tenant's sole cost and expense, shall maintain such equipment and install such fencing and other protective equipment on or about the Transmission and/or Reception Equipment as Landlord may reasonably determine to be necessary or appropriate.

Section 26.5 No Obligation of Landlord. Landlord shall not have any obligations with respect to the Transmission and/or Reception Equipment or compliance with any requirements relating thereto nor shall Landlord be responsible for any damage that may be caused to the Transmission and/or Reception Equipment unless and to the extent caused by the negligence or intentional acts of Landlord, its agents, employees, or contractors. Landlord makes no representation or warranty whatsoever with respect to the Transmission and/or Reception Equipment and, in particular but not in limitation of the foregoing, Landlord no representation or warranty that the Transmission and/or Reception Equipment will be able to receive or transmit communication signals without interference or disturbance and Tenant agrees that Landlord shall not be liable to Tenant therefor.

Section 26.6 Liability of Tenant. Tenant shall (i) be solely responsible for any damage or interference caused as a result of the Transmission and/or Reception Equipment, (ii) promptly pay any and all taxes, license or permit fees charged pursuant to any requirements in connection with the installation, maintenance or use of the Transmission and/or Reception Equipment and timely and fully comply with all precautions and safeguards recommended or required by any governmental authority, (iii) make any and all necessary repairs, replacements or maintenance of the Transmission and/or Reception Equipment, and (iv) pay the cost of any abnormal wear and tear to the roof and other Building areas affected by the Transmission and/or Reception Equipment in violation of this Lease.

Section 26.7 Additional Remedies. If Tenant does not comply with each and every condition and covenant set forth in this Article 26, then, without limiting Landlord's rights and remedies which it may otherwise have under the Lease or applicable law, Tenant shall, upon written notice from Landlord, have the obligation either to (i) reposition the Transmission and/or Reception Equipment to a location designated by Landlord in the exercise of Landlord's reasonable discretion with regard to such location (if Landlord elects to permit such repositioning), and make the repairs and restorations required under Section 26.8 below, or (ii) otherwise correct such noncompliance within ten (10) days after receipt of notice (or such longer period as may be reasonably required as long as Tenant commences such correction within such 10-day period and diligently prosecutes same to completion). If Tenant fails to correct such noncompliance within such ten (10) day period (as may be extended as set forth above) or if it is commercially impracticable to do so, then Tenant shall immediately discontinue its use of the Transmission and/or Reception Equipment and remove the same, in all events at Tenant's sole expense.

Section 26.8 Tenant's Duties Upon Lease Termination. Upon the expiration or earlier termination of the Lease, or any circumstance specified herein where Tenant is obligated to remove the Transmission and/or Reception Equipment, ordinary wear and tear and casualty excepted, Tenant shall, subject to the reasonable control and direction of Landlord, remove the Transmission and/or Reception Equipment, repair any damage caused thereby, and restore the roof and other facilities of the Building to their condition existing prior to the installation of the Transmission and/or Reception Equipment. Tenant's obligations hereunder shall survive the expiration or early termination of the Lease Term.

Section 26.9 Payment by Tenant. In the event Tenant exercises its rights under this Article 26, one 36-inch satellite dish may be used by Tenant during the Term without charge. For any additional dishes, if permitted by Landlord, Tenant shall pay to Landlord, on or before the first (1st) day of each calendar month during the Term in the same manner as Fixed Monthly Rent (and pro-rated for any partial month) an amount to be reasonably assessed by Landlord upon such exercise, which amount shall not be less than $[***] per month as Additional Rent, with [***] annual increases, but shall not be greater than Landlord's prevailing rates, and shall be waived for one (1) dish device and conduit space only for the initial Term of the Lease. Tenant's failure to pay such amounts, upon the expiration of any applicable notice and cure period set forth in this Lease with regard to the non-payment of Rent, shall entitle Landlord to exercise any and all remedies available to Landlord pursuant to this Lease. Additionally, upon the expiration of any applicable notice and cure period, but with one (1) additional business days' notice, Landlord shall have the right to remove the Transmission and/or Reception Equipment, at Tenant's expense, which Tenant shall pay within thirty (30) days of being invoiced by Landlord. Landlord may elect, in Landlord's sole and absolute discretion, to charge Tenant an amount equal to Landlord's reasonable, actual out of pocket costs incurred by Landlord, in approving any additions, alterations, replacements, modifications to or relocation of any of the Transmission and/or Reception Equipment initially approved by Landlord to the extent the same was requested by Tenant in writing.

Section 26.10 Conditional Right. Except for the equipment for which charges are waived hereunder, Tenant's rights under this Article 26 are conditioned upon landlord's determination that space is available for the installation and operation of any transmission and/or reception equipment.

ARTICLE 27
LETTER OF CREDIT

Within forty-five (45) days after the mutual execution and delivery of this Lease, Tenant shall deliver to Landlord, as collateral for the full and faithful performance by Tenant of all of its obligations under this Lease, an irrevocable and unconditional negotiable letter of credit (the "Letter of Credit"), substantially in the form attached as Exhibit G hereto and made a part hereof, and containing the terms required herein, payable in the State of California, running in favor of Landlord, issued by a solvent bank reasonably approved by Landlord under the supervision of the Superintendent of Banks of the State of California, or a National Banking Association, in the initial amount of $[***] ("LC Amount"). Tenant shall provide Landlord with a specimen Letter of Credit from the approved issuer prior to the execution of this Lease. The Letter of Credit shall be:

(a) at sight and irrevocable;

(b) maintained in effect for the entire period from the date of execution of this Lease through the date which is sixty (60) days following the Termination Date ("Letter of Credit Expiration Date"), subject to the last paragraph of this Article 27, provide that the expiration date of the Letter of Credit shall be no earlier than the Letter of Credit Termination Date or provide for automatic renewal thereof at least through the Letter of Credit Expiration Date, unless the issuing bank provides at least thirty (30) days prior written notice to Landlord of such non-renewal by certified mail, return receipt requested at the address set forth on the form of Letter of Credit attached as Exhibit G, or in such form as is otherwise approved by Landlord, in its reasonable discretion, and, in such event, Tenant shall deliver a new Letter of Credit to Landlord at least thirty (30) days prior to the expiration of the Letter of Credit without any action whatsoever on the part of Landlord;

(c) subject to the Uniform Customs and Practices for Documentary Credits (1993-Rev) International Chamber of Commerce Publication #600; and

(d) fully assignable by Landlord in connection with any number of transfers of Landlord's interest in this Lease (with Tenant bearing any fees, costs or expenses in connection with any such transfer), and permit partial draws.

In addition to the foregoing, the form and terms of the Letter of Credit (and the bank issuing the same) shall be acceptable to Landlord, in Landlord's reasonable discretion, and shall provide, among other things, in effect that:

(i) Landlord, or its then managing agent, shall have the right to draw down an amount up to the face amount of the Letter of Credit upon the presentation to the issuing bank of Landlord's (or Landlord's then managing agent's) written statement that Landlord is entitled to make such drawing under this Lease, it being understood that if Landlord or its managing agent be a corporation, partnership or other entity, then such statement shall be signed by an officer (if a corporation), a general partner (if a partnership), or any authorized party (if another entity);

(ii) the Letter of Credit will be honored by the issuing bank without inquiry as to the accuracy thereof and regardless of whether the Tenant disputes the content of such statement; and

(iii) in the event of a transfer of Landlord's interest in the Building, Landlord shall transfer the Letter of Credit, in whole or in part to the transferee and thereupon the Landlord shall, without any further agreement between the parties, be released by Tenant from all liability therefor, and it is agreed that the provisions hereof shall apply to every transfer or assignment of the whole or any portion of said Letter of Credit to a new landlord.

If, as a result of any application or use by Landlord of all or any part of the Letter of Credit, the amount of the Letter of Credit shall be less than the LC Amount, Tenant shall, within ten (10) business days thereafter, provide Landlord with an additional letter(s) of credit, in an amount equal to the deficiency (or a replacement letter of credit in the total amount of the LC Amount) and any such additional (or replacement) letter of credit shall comply with all of the provisions of this Article 27, and if Tenant fails to comply with the foregoing terms of this sentence, the same shall constitute an uncurable default by Tenant.

Tenant further covenants and warrants that it will neither assign nor encumber the Letter of Credit, or any part thereof and that neither Landlord nor its successors or assigns will be bound by any such assignment, encumbrance, attempted assignment or attempted encumbrance. Without limiting the generality of the foregoing, if the Letter of Credit expires earlier than the Lease Expiration Date, Landlord will accept a renewal letter of credit or substitute letter of credit (such renewal or substitute letter of credit to be in effect and delivered to Landlord, as applicable, not later than thirty (30) days prior to the expiration of the Letter of Credit or amendment), which shall be irrevocable and automatically renewable as above provided through the Lease Expiration Date upon the same terms as the expiring Letter of Credit or such other terms as may be acceptable to Landlord in its reasonable discretion. However, if the Letter of Credit is not timely renewed or a substitute or amendment to letter of credit is not timely received, or if Tenant fails to maintain the Letter of Credit in the amount and in accordance with the terms set forth in this Article 27, Landlord shall have the right to present the Letter of Credit to the issuing bank in accordance with the terms of this Article 27, and the entire sum evidenced thereby shall be paid to and held by Landlord as cash (the "Cash Collateral") to be held as collateral for performance of all of Tenant's obligations under this Lease and for all losses and damages Landlord may suffer as a result of any default by Tenant under this Lease pending Tenant's delivery to Landlord of the required replacement letter of credit in the LC Amount and otherwise complying with all of the provisions of this Article 27. Upon delivery of such replacement letter of credit, any Cash Collateral held by Landlord shall be returned to Tenant. Landlord shall have the right to hold Cash Collateral in a deposit account in the name of Landlord and commingle the Cash Collateral with its general assets and Tenant hereby grants Landlord a security interest in the Cash Collateral. Tenant shall not be entitled to any interest earned on the Cash Collateral.

If there shall occur a default under the Lease beyond all applicable notice and cure periods, Landlord may, but without obligation to do so, draw upon the Letter of Credit and/or utilize the Cash Collateral, in part or in whole, to the extent necessary to cure any default of Tenant and/or to compensate Landlord for any and all damages of any kind or nature sustained or which may be sustained by Landlord resulting from Tenant's default, as may be permitted by the express terms and conditions of this Lease. Tenant agrees not to interfere in any way with payment to Landlord of the proceeds of the Letter of Credit, either prior to or following a "draw" by Landlord of any portion of the Letter of Credit,

regardless of whether any dispute exists between Tenant and Landlord as to Landlord's right to draw from the Letter of Credit. No condition or term of this Lease shall be deemed to render the Letter of Credit conditional to justify the issuer of the Letter of Credit in failing to honor a drawing upon such Letter of Credit in a timely manner.

Landlord and Tenant acknowledge and agree that in no event or circumstance shall the Letter of Credit or any renewal thereof or substitute therefor or Cash Collateral be:

(e) deemed to be or treated as a "security deposit" within the meaning of California Civil Code Section 1950.7;

(f) subject to the terms of such Section 1950.7; or

(g) intended to serve as a "security deposit" within the meaning of such Section 1950.7.

The parties hereto:

(i) recite that the Letter of Credit and/or Cash Collateral, as the case may be, is not intended to serve as a security deposit and such Section 1950.7 and any and all other laws, rules and regulations applicable to security deposits in the commercial context ("Security Deposit Laws") shall have no applicability or relevancy thereto; and

(ii) waive any and all rights, duties and obligations either party may now or, in the future, will have relating to or arising from the Security Deposit Laws.

Notwithstanding any contrary provision of this Article 27 and subject to the conditions set forth in the last sentence of this paragraph, the LC Amount shall decrease to $[***] as of the first calendar day of the thirty-seventh (37th) calendar month after the Rent Commencement Date (which may be accomplished by delivery to Landlord of an amendment to the Letter of Credit or a replacement letter of credit), to $[***] as of the first calendar day of the forty-ninth (49th) calendar month after the Rent Commencement Date, and to $[***] as the of the first calendar day of the sixty-first (61st) calendar month after the Rent Commencement Date. There shall be no further reductions of the LC Amount thereafter. Notwithstanding the foregoing, the LC Amount shall be decreased only if (a) there does not then exist a material default by Tenant of its obligations or liabilities under this Lease beyond all applicable notice and cure periods, and (b) neither the Lease nor Tenant's right to possession of the Premises has been terminated as a result of a material default by Tenant beyond all applicable notice and cure periods.

EXHIBIT A – PREMISES PLAN

Suite 1200 at 21300 Victory Boulevard, Woodland Hills, California 91367
Rentable Area: approximately 22,067 square feet
Usable Area: approximately 20,147 square feet
(Measured pursuant to the provisions of Section 1.4 of the Lease)

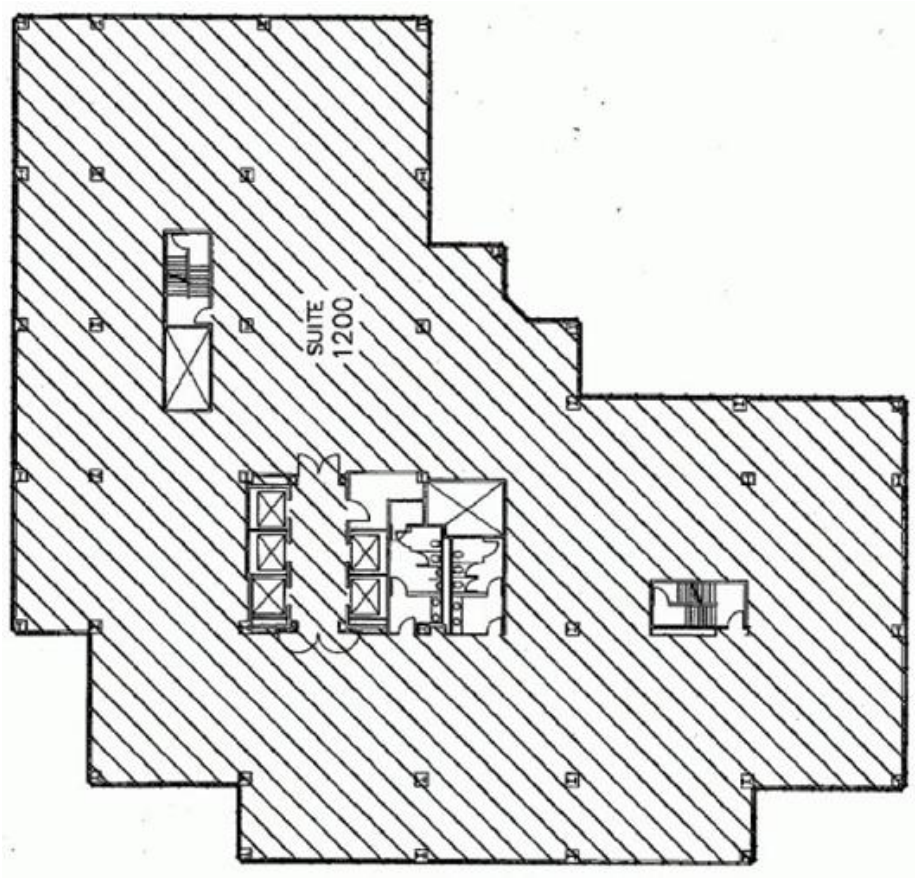

EXHIBIT B
IMPROVEMENT CONSTRUCTION AGREEMENT
CONSTRUCTION TO BE PERFORMED BY LANDLORD WITH AN ALLOWANCE

Section 1. **Completion of Improvements.** Landlord, through its general contractor ("Contractor"), shall furnish and install within the Premises those items of general design, engineering and construction, shown on the final plans and specifications approved by Landlord and Tenant pursuant to the Schedule of Approvals below, in compliance with all applicable laws, ordinances, codes, rules and regulations and matters of record, and complete any construction required in the Common Areas of the Building when such construction is required by or arises out of completion of such work (collectively the "Improvements"). The contractor constructing the Improvements in the Premises shall be selected pursuant to a procedure whereby the final Plans and Specifications (as such term is defined in this Exhibit B) are submitted to Douglas Emmett Builders, Inc. ("DEB") and Pinnacle Contracting Corporation (collectively, the "Approved Contractors"), who shall be requested to each submit to Landlord and to Tenant a sealed contract bid using such forms reasonably acceptable to Landlord in order to provide an "apples to apples" bidding process. The sealed bids shall be delivered to Tenant and Landlord and opened jointly by Landlord and Tenant. Tenant, in Tenant's sole and absolute discretion, shall select the Contractor from the two Approved Contractors (regardless of which has the lower bid). Each bid from the contractors shall specify any allowances for exclusions and shall further provide that said bids are without overtime premiums or bonuses necessary to complete the Improvements in accordance with the terms hereof. The architect engaged by Tenant to prepare the Space Plan and Plans and Specifications and related design work for the Improvements shall be Wolcott (the "Architect"). Landlord shall disburse amounts of the Allowance (up to the maximum specified below) to Architect within thirty (30) days after receipt of paid invoices from Architect or Tenant for Architect's services; provided, however, notwithstanding the foregoing, Landlord shall pay $[***] for the Architect's preparation of the Space Plan (as evidenced by the Architect's invoice number 68045 dated October 15, 2010), at Landlord's sole cost and expense (and without using the Allowance or any portion thereof).

The definition of Improvements shall include all costs associated with completing the Improvements, including but not limited to, fees payable to Wolcott, space planning, design, architectural, and engineering fees, contracting, labor and material costs, municipal fees, plan check and permit costs, and document development and/or reproduction, and all costs and expenses for any construction manager(s) engaged by Tenant (provided such soft costs for architectural and engineering services charged against the Allowance shall not exceed $[***] per square feet of Usable Area in the Premises) at Tenant's sole option. The Space Plan and the Plans and Specifications (each as defined in Section 3 of this Exhibit B) shall be subject to Landlord's prior review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. Landlord's approval of any iteration of a Space Plan or Plans and Specifications shall be deemed granted unless Landlord provides a reasonable disapproval or approval to Tenant prior to the sixth (6th) business day after Landlord's receipt of the Space Plan or Plans and Specifications. Without limiting Landlord's discretion to reasonably withhold its approval, Tenant agrees that it shall be reasonable for Landlord to withhold its approval of any aspect of Tenant's Space Plan or Plans and Specifications (or, in either case, any proposed changes thereto) which (i) adversely affect Building systems, the structure of the Building or the safety of the Building and/or its occupants, (ii) would violate any governmental laws, rules or ordinances; (iii) would require any changes that adversely impact the base, shell and core of the Building, and/or (iv) are inconsistent with the standards of first class office buildings in the vicinity of the Building, as reasonably determined by Landlord and the Contractor. Landlord shall provide a written statement of any disapproval of any Space Plan or Plans and Specifications stating the reasons for Landlord's disapproval.

Tenant acknowledges and agrees that any change in the scope of work or details of construction after Tenant's and Landlord's approval of the Plans and Specifications shall constitute a "Change Order", the costs of which may be charged against any available amounts of the Allowance under this Exhibit B. To the extent the Change Order delays construction of the Improvements, the same shall be a Tenant Delay.

(a) Subject to the terms of this Exhibit B and the Lease, Tenant shall bear all costs of construction of the Improvements in excess of the "Allowance" (as hereinafter defined) and any architectural services fees and costs in excess of the maximum sum for architectural service fees as specified in Section 2 b) below, and shall deposit such excess costs with Landlord pursuant to the provisions of Subsection 2 (d) hereinbelow. In addition, Tenant shall reimburse Landlord for any and all of Landlord's out of pocket costs incurred in reviewing Tenant's Space Plan and/or Plans and Specifications or any Change Order or for any other "peer review" work associated with Landlord's review of Tenant's Space Plan and/or Plans and Specifications or any Change Order, including, without limitation, Landlord's out of pocket costs incurred in engaging any third party engineers, contractors, consultants or design specialists. Tenant shall pay such costs to Landlord within five (5) business days after Landlord's delivery to Tenant of a copy of the invoice(s) for such work, it being understood and agreed by Landlord and Tenant that such third party may submit its invoice to Landlord before or after the completion of the Improvements but Tenant's obligation to pay the same shall remain in force and effect until paid. Landlord shall have no obligation whatsoever to commence construction of the Improvements until such time as Tenant has deposited the excess costs of construction, and Tenant's failure to make such deposit timely, as required, shall be assessed against Tenant as a Tenant Delay.

(b) Landlord shall contribute a maximum sum of $[***] per square foot of Usable Area contained in the Premises (the "Allowance") which may solely be applied towards completion of the Improvements, and which Landlord shall pay directly to Contractor or other of Tenant's Agents for Tenant's account (provided that the fees and costs attributable to architectural services (whether incurred by the Architect or other party providing architectural services) shall not exceed an aggregate amount equal to $[***] per square foot of Usable Area of the Premises. The Allowance shall be based on the entire Usable Area of the Premises (20,147 square feet). Tenant shall pay such excess costs to Landlord, which excess costs shall not be chargeable against the Allowance). Tenant acknowledges Landlord shall have no obligation to disburse the Allowance after the expiration of eighteen (18) months following the full execution and delivery of this Lease (which period shall be extended day-for-day for each day of extension of the Rent Commencement Date, if any, in accordance with the terms of Section 2.1 of the Lease), provided that Landlord shall have provided Tenant with thirty (30) days prior written notice of the expiration of such 18-month period, with an express reference to this sentence and the expiration of the period for Landlord to disburse the Allowance hereunder).

In addition, and not to be charged against the Allowance, Landlord shall, at Landlord's sole cost and expense, remove all data, telecom and other cabling and wiring in the Premises plenum existing as of the date of this Lease except to the extent Tenant, in its sole and absolute discretion notifies Landlord in writing that it can utilize certain existing cabling for its information technology equipment.

Tenant shall be entitled to disbursements out of the Allowance (and not in addition to the Allowance) of an amount not to exceed $[***] per square foot of Usable Area in the Premises for the purchase and/or installation of furniture, fixtures and equipment (including data and telecom cabling) in the Premises and moving costs into the Premises. No other amounts of the Allowance shall be used for any purpose other than for the cost of the defined "Improvements", except as set forth herein or in the Lease. Such amounts shall be disbursed to Tenant within thirty (30) days after Landlord's receipt of paid invoices evidencing Tenant's costs incurred.

In addition, if the cost of completing the Improvements exceeds the Allowance specified above, if requested by Tenant in writing (in Tenant's sole and absolute discretion), Landlord agrees to advance on behalf of Tenant a maximum of $[***] per square foot of Usable Area contained in the Premises as "Excess Improvements," which total advance, with interest thereon at [***] ([***]) per annum, shall be repaid by Tenant as Amortization Rent, pursuant to the provisions of Section 3.1 of the Lease.

(c) Prior to commencing construction of the Improvements, Landlord shall submit to Tenant a written estimate showing the total anticipated cost of the Improvements (the "Cost Estimate"), which shall include Contractor's overhead and profit, as set forth in the bid approved by Tenant, and an estimate of all fees, and, but only if the Contractor is not DEB, Tenant shall also include an administrative fee payable to the managing agent of Landlord for supervision of completion of the construction equal to [***] ([***]) of the amount of the Improvement Allowance used to construct the Improvements.

Tenant's failure to give written approval of such statement within seven (7) business days after submission thereof shall be a Tenant Delay and shall be conclusively deemed a disapproval of the Cost Estimate, and Contractor shall not commence work on the Improvements until such approval is given by Tenant to Landlord. In addition, a Tenant Delay shall be deemed to have occurred commencing on the sixth (6th) business day after submission of the Cost Estimate and continuing for each day thereafter that Tenant has not approved the same.

(d) Tenant agrees to pay Landlord for the estimated cost of all the Improvements in excess of the Allowance in interim equal monthly payments not to exceed four (4) payments, with the first payment due within ten (10) business days after receipt of Landlord's Cost Estimate.

Tenant hereby authorizes Landlord to pay Contractor interim payments from the Allowance and from the funds so deposited towards completion of the Improvements, except that Landlord shall retain the sum of ten percent (10%) of the total cost of Improvements, as revised by Change Orders, if any, until the date Contractor provides Landlord with reasonable documentation that the Improvements have been substantially completed in accordance with the Plans and Specifications. Progress payments shall be made no more frequently than once per month during construction and amounts of the Allowance shall be disbursed to the Contractor within thirty (30) days after Landlord's receipt of (i) invoices from the Contractor for all labor rendered and materials delivered to the Premises; (ii) executed unconditional mechanic's lien waiver and releases from all of contractors and materialmen which shall comply with California Civil Code Section 3262(d)(4); and (iii) Landlord's receipt of all other information reasonably requested by Landlord.

In the event there is any difference between the estimated cost of the Improvements, the final cost of the Improvements; any initial or interim payments made by Tenant towards completion thereof, then after Contractor has substantially completed the Improvements, Landlord shall provide Tenant with a final statement (the "Final Statement") showing such difference, the amount of the Allowance disbursed to pay for the Improvements and the balance therefore owing from or to Tenant. Any balance owed to Tenant shall be returned with such statement, and any shortfall due Landlord shall be paid by Tenant within thirty (30) days after Tenant's receipt of the Final Statement.

(e) As used in this Lease, "Tenant Delay" shall mean any delay in the design or construction of the Improvements to the extent caused by any act or omission of Tenant or Architect regardless of whether such act or omission is wrongful, negligent or otherwise. A "Tenant Delay" shall include, but shall not be limited to (i) the failure of Tenant or Architect to comply with any design or construction schedule or other provision expressly set forth in this Lease (including, without limitation, this Exhibit B) requiring Tenant or Architect to respond to, review, authorize or approve any matter, or perform an obligation (including, without limitation, the obligation to pay, when due, any amounts required to be paid by Tenant or Architect pursuant to this Lease or to participate in any design or construction meetings or inspections of which Tenant or Architect had reasonable notice) within the time period specified in this Lease or in any written notice; (ii) any net (when taking into account all other Change Orders) delay attributable to any Change Order (as such term is defined in this Exhibit B) or any other changes in or additions to the Space Plan or Plans and Specifications (as such terms are defined in this Exhibit B); or (iii) delay in delivery of any materials that Tenant or Architect require as part of the Plans and Specifications beyond any commercially reasonable delivery time period or any complex engineering work not evident on the Space Plan that will require additional time for installation; (i) the failure to comply with any of the terms of this Exhibit B. No Tenant Delay shall be deemed to have occurred unless the subject delay is not cured within two (2) business days after Landlord's delivery of a factually correct notice to Tenant's representative set forth in Section 10 of this Exhibit B identifying the Tenant Delay; if such delay is not cured by Tenant within such two (2) business day period, then the Tenant Delay shall be deemed to have occurred as of the expiration of such two (2) business day period. In the event of any Tenant Delay the Commencement Date shall be the next day after the date the Improvements would have been substantially completed had no such Tenant Delay occurred.

(f) As used herein, a "Landlord Delay" shall mean any actual delay in the completion of the Improvements as a result of Landlord's breach or material default under this Exhibit B, or Section 2.1 of the Lease; any failure to respond to any items required to be furnished or approved by Landlord within a time period expressly set forth in this Lease (unless a deemed approval is specified, in which case no Landlord Delay shall be assessed); Landlord's failure to allow contractors access to the Building or Premises as scheduled or Landlord's request for material changes in the final Plans and Specifications after Landlord's approval thereof (unless such request was caused by an error or omission by Tenant), provided, however, that notwithstanding the foregoing, no Landlord Delay shall be deemed to have occurred unless and until Tenant has delivered to Landlord a factually correct written notice (the "Landlord Delay Notice"), specifying the bona fide action or inaction which Tenant contends constitutes the Landlord Delay. If such action or inaction is not cured by Landlord within two (2) business days of Landlord's receipt of such Landlord Delay Notice, then the Landlord Delay shall be deemed to have occurred as of the expiration of such two (2) business day period. A delay in construction of the Improvements due to a Tenant Delay, any Force Majeure event or a delay by any governmental authority (including but not limited to the City of Los Angeles) shall not be deemed a Landlord Delay.

Section 3. **Plans and Specifications.** Landlord and Tenant have approved the Tenant's space plan prepared by Architect, with the final revision dated November 11, 2010 (disregarding the furniture layout which was not approved by Tenant), attached hereto as Schedule 1 ("Space Plan").

The Architect shall prepare and submit to Tenant and Landlord construction drawings based on the Space Plan, which drawings shall include a description of all finishes and materials ("Plans and Specifications"). Tenant and Landlord shall approve or comment upon the Plans and Specifications within the time period shown on the Schedule of Approvals.

Any failure by the Tenant to comply with the Schedule of Approvals or to provide information to the Architect as required by Exhibit B shall be a Tenant Delay.

Section 4. **Completion of Work** Not included as Improvements. Except as set forth in this Lease, any work not shown in the Plans and Specifications for data and telephone cabling and equipment, furnishings, installation of Tenant's trade fixtures or cabinetry (collectively "Tenant Work"), shall be separately contracted and paid for by Tenant, to the extent elected by Tenant, in Tenant's discretion. Tenant shall obtain Landlord's prior written approval of Tenant's suppliers and contractors prior to commencement of any of Tenant's Work, which approval shall not be unreasonably withheld, conditioned or delayed, and shall be deemed granted if Landlord does not reasonably disapprove within five (5) business days after notice from Tenant. If Landlord's consent is granted, then as a condition to such consent and prior to the commencement of any Tenant Work, Tenant shall submit a schedule to Landlord, for its reasonable review and approval, which schedule shall detail the timing and purpose (e.g., a description of the work proposed to be performed) of Tenant's Work; if Landlord does not reasonably disapprove within two (2) business days after notice from Tenant, then Landlord's approval shall be deemed granted. Tenant shall comply with any reasonable adjustments to Tenant's proposed schedule requested by Landlord. If the performance of any Tenant Work interferes with the construction of the Improvements or otherwise delays completion of the Improvements, the same shall be deemed a Tenant Delay under this Lease. Subject to the foregoing, Landlord shall give reasonable access to Tenant's suppliers and contractors so as to achieve timely completion of any Tenant Work, provided that such suppliers and contractors shall be under the reasonable administrative control and supervision of Landlord. During completion of any Tenant Work, neither Tenant or Tenant's contractor shall permit any sub-contractors, workmen, laborers, material or equipment to come into or upon the Building if the use thereof, in Landlord's reasonable judgment, would unreasonably disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Building or the Common Areas.

Notwithstanding anything to the contrary in this Lease, Landlord agrees to pay, at its sole cost and expense, and not from the Allowance, any increased costs in the performance of the Improvements to the extent resulting from required remediation of Hazardous Materials (such as, by way of example, asbestos or mold) that are present in the Premises as of the date of this Lease and not brought onto the Premises by Tenant or any of Tenant's contractors.

Section 5. **Schedule of Approvals.** Landlord and Tenant shall comply with the schedule ("Schedule of Approvals") set forth below. Tenant's failure to comply with the Schedule of Approvals shall be a Tenant Delay.

Event	Time
Deadline by which Tenant shall have met with Landlord's space planner.	Completed
Deadline for Tenant's approval or disapproval of Space Plan.	Completed
Design Completion and Finish selection by Tenant	Ten (10) business days after mutual execution and delivery of this Lease
Plans and Specifications delivered to Landlord for review, comment and/or approval	Ten (10) business days after Design Completion and Finish selection by Tenant

Qualify Bids and Award Contract	Five (5) business days after receipt of Contractor bids

Section 6. **Construction Insurance Requirements.** Contractor, at the its sole expense, shall obtain and maintain public liability and workmen's compensation insurance adequate to protect Tenant and Landlord from and against any and all liability for death or injury to persons or damage to property caused in or about the Premises by reason of completion of the Improvements.

For Tenant Work, if any, Tenant shall, at Tenant's sole expense, either obtain and maintain public liability and workmen's compensation insurance adequate to fully protect Landlord as well as Tenant' from and against any and all liability for death or injury to persons or damage to property caused in or about the Premises by reason completion of any Tenant Work, or shall cause Tenant's contractors or subcontractors to provide such insurance

Section 7. **Completion of Punchlist.** Prior to Tenant's taking occupancy of the Premises, the representatives of each of Landlord and Tenant as specified in Section 9, below, shall conduct a joint inspection of the Premises for the purpose of developing a written "punchlist" of Improvement items, if any, that do not conform to the Plans and Specifications and any Change Orders (the "Punchlist"). Provided that said items were included within the Plans and Specifications or Change Orders approved by the Landlord, as may be required hereunder, Landlord shall correct those items not yet completed within thirty (30) days after creation of the Punchlist. Tenant's failure or refusal to participate in such inspection in a timely manner (provided Tenant has received reasonable written notice of the readiness of the Premises for such inspection), provided such failure continues after a five (5) business day written reminder notice from Landlord, shall constitute any associated commercially reasonable Punchlist prepared by Landlord, Architect and Contractor being deemed the approved Punchlist hereunder.

Section 8. **Construction Warranties.** Landlord agrees that, subject to Tenant's performance of Tenant's obligation under this Exhibit B and after Landlord shall complete the Improvements, Landlord shall correct any construction defects about which Tenant notifies Landlord in writing within one (1) year following the later of the completion of the Improvements or the Rent Commencement Date. Tenant's right to repair of any defect shall be extended for such longer period as may be covered by warranties provided by Contractor or subcontractor (s), and Landlord shall use commercially reasonable efforts to obtain all available warranties and guaranties with respect to the Improvements.

Section 9. **Meetings.** Upon commencement of the planning and construction process, Landlord's representatives shall hold meetings on a regular basis (which shall be weekly if deemed reasonably necessary) at reasonable times, with representatives of Tenant, and, when the parties deem reasonably appropriate, Architect and the Contractor, regarding the progress of the construction of the Improvements, which meetings shall be held at a location reasonably agreed to by Landlord and Tenant (or to be held by conference call). Tenant and/or its agents shall receive reasonable prior notice of all such meetings.

Section 10. **Landlord and Tenant Representatives.** Tenant has designated Mario Spanicciati as its sole representative with respect to the matters set forth in this Exhibit B, who, until further notice to Landlord, shall have full authority and responsibility to act on behalf of the Tenant as required in this Exhibit B. Landlord has designated Helen Chong as its sole representatives with respect to the matters set forth in this Exhibit B, who, until further notice to Tenant, shall have full authority and responsibility to act on behalf of the Landlord as required in this Exhibit B.

SCHEDULE 1

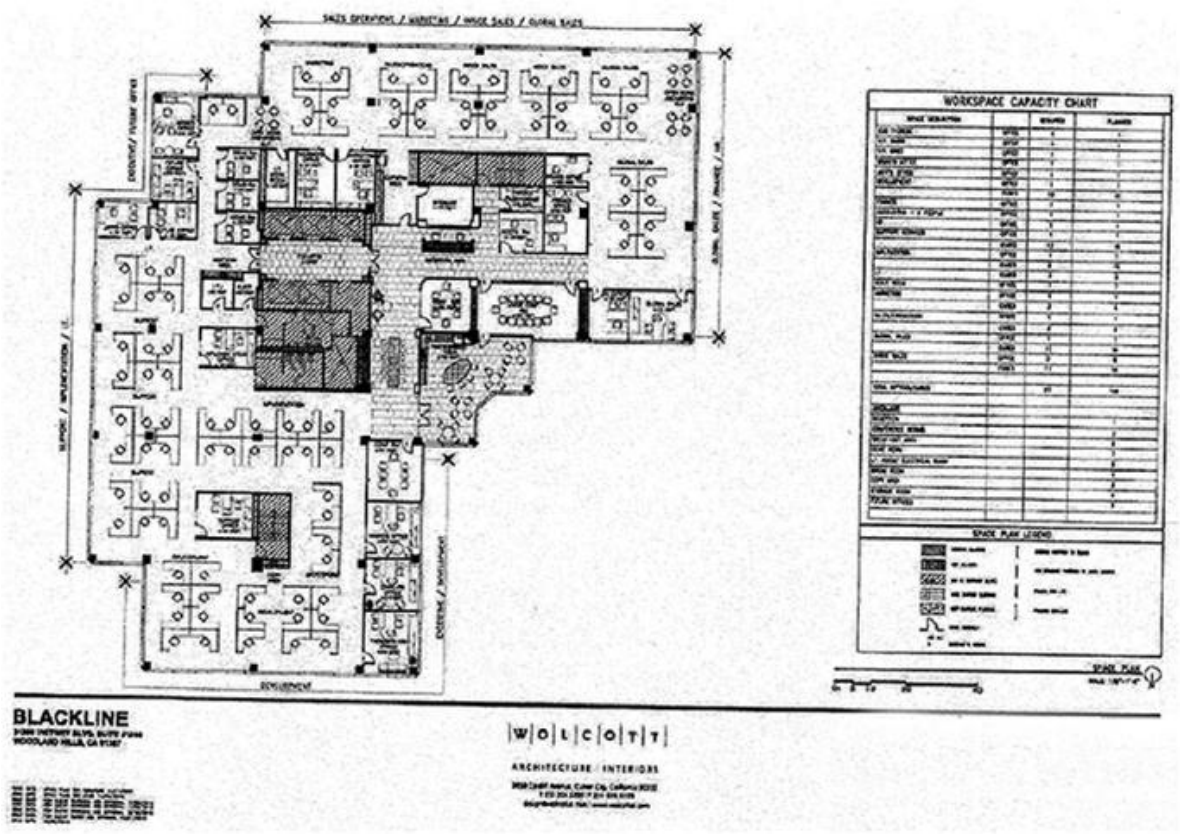

EXHIBIT B-1
CONSTRUCTION BY TENANT DURING TERM

1. If Tenant wishes to make a Tenant Change, as specified in Section 12.12 of the Lease, such Tenant Change shall be completed pursuant to the provisions of Section 12.12 of the Lease and this Exhibit B- 1. Tenant shall bear all costs of said Tenant Change, including to Tenant's general contractor ("Contractor").

2. Contractor shall complete construction to the Premises pursuant to the final Plans and Specifications approved in writing by Landlord and Tenant, as such consent may be required under the Lease (the "Tenant Change"), in compliance with all applicable codes and regulations. Tenant's selections of finishes and materials shall be indicated on the Plans and Specifications, and shall be equal to or better than the minimum Building standards and specifications. All work not shown on the final Plans and Specifications, but which is to be included in the Tenant Change, including but not limited to, telephone service installation, furnishings or cabinetry, shall be installed pursuant to Landlord's reasonable directives.

3. Prior to commencing any work:

(a) Tenant's proposed Contractor and the Contractor's proposed subcontractors and suppliers shall be approved in writing by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. As a condition of such approval, so long as the same are reasonably cost competitive, then Contractor shall use Landlord's Heating, Venting, and Air-conditioning, plumbing, and electrical subcontractors for such work.

(b) During completion of any Tenant Change, neither Tenant or Contractor shall permit any sub-contractors, workmen, laborers, material or equipment to come into or upon the Building if the use thereof, in Landlord's reasonable judgment, would unreasonably disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Building or the Common Areas. Tenant shall indemnify and hold Landlord harmless from and against all claims, suits, demands, damages, judgments, costs, interest and expenses (including attorneys fees and costs incurred in the defense thereof) to which Landlord may be subject or suffer when the same arise out of or in connection with the use of, work in, construction to, or actions in, on, upon or about the Premises by Tenant or Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, including any actions relating to the installation, placement, removal or financing of any Tenant Change, improvements, fixtures and/or equipment in, on, upon or about the Premises.

Contractor shall submit to Landlord and Tenant a written bid for completion of the Tenant Change. Said bid shall include Contractor's overhead, profit, and fees, and, if the proposed Tenant Change is for cosmetic work in excess of $100,000 in aggregate value per occurrence or for structural work of any kind, Contractor shall:

(i) pre-pay to Landlord's managing agent $250.00 as partial payment of said managing agent's construction administration fee, as specified hereinbelow, and

(ii) upon completion of said Tenant Change, pay an administration fee for supervision of said Tenant Change equal to two percent (2%) of the total cost of the Tenant Change, to defray said agent's costs for supervision of the construction.

4. Tenant or Contractor shall submit all Plans and Specifications to Landlord, and no work on the Premises shall be commenced before Tenant has received Landlord's final written approval thereof, which shall not be unreasonably withheld, delayed or conditioned Landlord's approval of any iteration of the Plans and Specifications shall be deemed granted unless Landlord provides a reasonable disapproval or approval to Tenant prior to the sixth (6th) business day after Landlord's receipt of the Space Plan or Plans and Specifications. In addition, Tenant shall reimburse Landlord for any and all of Landlord's reasonable out of pocket costs incurred in reviewing Tenant's plans for any Tenant Change or

for any other "peer review" work associated with Landlord's review of Tenant's plans for any Tenant Change, including, without limitation, Landlord's reasonable out of pocket costs incurred in engaging any third party engineers, contractors, consultants or design specialists. Tenant shall pay such costs to Landlord within thirty (30) days after Landlord's delivery to Tenant of a copy of the invoice(s) for such work.

5. Contractor shall complete all architectural and planning review and obtain all permits, including signage, required by the city, state or county in which the Premises are located.

6. Contractor shall submit to Landlord verification of public liability and worker's compensation insurance adequate to fully protect Landlord and Tenant from and against any and all liability for death or injury to persons or damage to property caused in or about or by reason of the construction of any work done by Contractor or Contractor's subcontractors or suppliers.

7. Intentionally Omitted.

8. Contractor and Contractor's subcontractors and suppliers shall be subject to Landlord's reasonable administrative control and supervision. Landlord shall provide Contractor and Contractor's subcontractors and suppliers with reasonable access to the Premises.

9. During construction of the Tenant Change, Contractor shall adhere to the procedures contained hereinbelow, which represent Landlord's minimum requirements for completion of the Tenant Change.

10. Upon completion of the Tenant Change, Tenant shall provide Landlord with such evidence as Landlord may reasonably request that the Contractor has been paid in full, and Contractor shall provide Landlord with lien releases as reasonably requested by Landlord, confirmation that no liens have been filed against the Premises or the Building. If any liens arise against the Premises or the Building as a result of the Tenant Change, Tenant shall, within twenty (20) days after notice that the lien has been filed, at Tenant's sole expense, remove or bond against such liens and provide Landlord evidence that the title to the Building and Premises have been cleared of such liens or that such liens have been bonded over.

11. Whether or not Tenant or Contractor timely complete the Tenant Change, unless the Lease is otherwise terminated pursuant to the provisions contained therein, Tenant acknowledges and agrees that Tenant's obligations under the Lease to pay Fixed Monthly Rent and/or Additional Rent shall continue unabated, except as set forth in the Lease.

CONSTRUCTION POLICY

The following policies outlined are the construction procedures for the Building. As a material consideration to Landlord for granting Landlord's permission to Tenant to complete the construction contemplated hereunder, Tenant agrees to be bound by and follow the provisions contained hereinbelow:

1. Administration

(a) Contractors to notify the management office for the Building prior to starting any work. All jobs must be scheduled by the general contractor or sub-contractor when no general contractor is being used.

(b) The general contractor is to provide the Building Manager with a copy of the projected work schedule for the suite, prior to the start of construction.

(c) Contractor will make sure that at least one set of drawings will have the Building Manager's initials approving the plans and a copy delivered to the Building Office.

(d) As-built construction, including mechanical drawings and air balancing reports will be submitted at the end of each project.

(e) The HVAC contractor performing work for Tenant in connection with a Tenant Change (and not the Improvements) is to provide the following items to the Building Manager upon being awarded the contract from the general contractor:

(i) A plan showing the new ducting layout, all supply and return air grille locations and all thermostat locations. The plan sheet should also include the location of any fire dampers.

(ii) An Air Balance Report reflecting the supply air capacity throughout the suite, which is to be given to the Chief Building Engineer at the finish of the HVAC installation.

(f) All paint bids should reflect a one-time touch-up paint on all suites. This is to be completed approximately five (5) days after move-in date.

(g) The general contractor must provide for the removal of all trash and debris arising during the course of construction. At no time are the building's trash compactors and/or dumpsters to be used by the general contractor's clean-up crews for the disposal of any trash or debris accumulated during construction. The Building Office assumes no responsibility for bins. Contractor is to monitor and resolve any problems with bin usage without involving the Building Office. Bins are to be emptied on a regular basis and never allowed to overflow. Trash is to be placed in the bin.

(h) Contractors will include in their proposals all costs to include: parking, elevator service, additional security (if required), restoration of carpets, etc. Parking will be validated only if contractor is working directly for the Building Office.

(i) Any problems with construction per the plan, will be brought to the attention of and documented to the Building Manager. Any changes that need additional work not described in the bid will be approved in writing by the Building Manager. All contractors doing work on this project should first verify the scope of work (as stated on the plans) before submitting bids; not after the job has started.

2. Building Facilities Coordination

(a) All deliveries of material will be made through the parking lot entrance.

(b) Construction materials and equipment will not be stored in any area without prior approval of the Building Manager.

(c) Only the freight elevator is to be used by construction personnel and equipment. Under no circumstances are construction personnel with materials and/or tools to use the "passenger" elevators.

3. Housekeeping

(a) Suite entrance doors are to remain closed at all times, except when hauling or delivering construction materials.

(b) All construction done on the property that requires the use of lobbies or Common Area corridors will have carpet or other floor protection. The following are the only prescribed methods allowed:

(i) Mylar: Extra heavy-duty to be taped from the freight elevator to the suite under construction.

(ii) Masonite: 1/4 inch Panel, Taped to floor and adjoining areas. All corners, edges and joints to have adequate anchoring to provide safe and "trip-free" transitions. Materials to be extra heavy-duty and installed from freight elevator to the suite under construction.

(c) Restroom wash basins will not be used to fill buckets, make pastes, wash brushes, etc. If facilities are required, arrangements for utility closets will be made with the Building Office.

(d) Food and related lunch debris are not to be left in the suite under construction.

(e) All areas the general contractor or their sub-contractors work in must be kept clean. All suites the general contractor works in will have construction debris removed prior to completion inspection. This includes dusting of all window sills, light diffusers, cleaning of cabinets and sinks. All Common Areas are to be kept clean of building materials at all times so as to allow tenants access to their suites or the building.

4. Construction Requirements

(a) All Life and Safety and applicable Building Codes will be strictly enforced (i.e., tempered glass, fire dampers, exit signs, smoke detectors, alarms, etc.). Prior coordination with the Building Manager is required.

(b) Electric panel schedules must be brought up to date identifying all new circuits added.

(c) All electrical outlets and lighting circuits are to be properly identified. Outlets will be labeled on back side of each cover plate.

(d) All electrical and phone closets being used must have panels replaced and doors shut at the end of each day's work. Any electrical closet that is opened with the panel exposed must have a work person present.

(e) All electricians, telephone personnel, etc. will, upon completion of their respective projects, pick up and discard their trash leaving the telephone and electrical rooms clean. If this is not complied with, a clean-up will be conducted by the building janitors and the general contractor will be back-charged for this service.

(f) Welding or burning with an open flame will not be done without prior approval of the Building Manager. Fire extinguishers must be on hand at all times.

(i) All HVAC work must be inspected by the Building Engineer. The following procedures will be followed by the general contractor:

(i) A preliminary inspection of the HVAC work in progress will be scheduled through the Building Office prior to the reinstallation of the ceiling grid.

(ii) A second inspection of the HVAC operation will also be scheduled through the Building Office and will take place with the attendance of the HVAC contractor's Air Balance Engineer. This inspection will take place when the suite in question is ready to be air-balanced.

(iii) The Building Engineer will inspect the construction on a periodic basis as well.

(j) All existing thermostats, ceiling tiles, lighting fixtures and air conditioning grilles shall be saved and turned over to the Building Engineer.

Good housekeeping rules and regulations will be strictly enforced. The building office and engineering department will do everything possible to make your job easier. However, contractors who do not observe the construction policy will not be allowed to perform within this building. The cost of repairing any damages that are caused by Tenant or Tenant's contractor during the course of construction shall be deducted Tenant's Security Deposit as may be permitted under the express terms and conditions of Section 3.7 of the Lease.

FIRST AMENDMENT TO OFFICE LEASE

This First Amendment to Office Lease (the "**First Amendment**"), dated August 14, 2012, is made by and between DOUGLAS EMMETT 2008, LLC, a Delaware limited liability company ("**Landlord**"), and BLACKLINE SYSTEMS, INC., a California corporation ("**Tenant**").

WHEREAS,

A. Landlord, pursuant to the provisions of that certain Office Lease, dated November 22, 2010 and a certain Memorandum of Lease Term Dates and Rent dated April 21, 2011 (the "**Original Memorandum**", and collectively, the "**Lease**"), leased to Tenant and Tenant leased from Landlord space in the property located at 21300 Victory Boulevard, Woodland Hills, California 91367 (the "**Building**"), commonly known as Suite 1200 (the "**Existing Premises**");

B. Tenant wishes to expand its occupancy within the Building to include a lease of additional office space in the Building on the eleventh floor of the Building (the "**Expansion Space**"), which Expansion Space is shown on Exhibit A and will be designated as Suite 1100; and

C. The Term of the Lease for the Existing Premises expires September 30, 2017, which Term Landlord and Tenant wish to hereby extend for a period of three (3) months through December 31, 2017.

Landlord and Tenant, for their mutual benefit, wish to revise certain other covenants and provisions of the Lease.

NOW, THEREFORE, in consideration of the covenants and provisions contained herein, and other good and valuable consideration, the sufficiency of which Landlord and Tenant hereby acknowledge, Landlord and Tenant agree:

1. Confirmation of Defined Terms. Unless modified herein, all terms previously defined and capitalized in the Lease shall hold the same meaning for the purposes of this First Amendment.

2. Extension of Term. The Term of the Lease of the Existing Premises is hereby extended for a period of three (3) months (the "**Extended Term**"), from and including October 1, 2017 (the "**Renewal Effective Date**"), through and including midnight on December 31, 2017 (the "**Termination Date**").

3. Delivery Date; Condition of the Expansion Space; Expansion Date and Expansion Term. Landlord shall deliver exclusive possession of the Expansion Space to Tenant, in broom-clean condition and free of any tenancies (and with all personal property ~~and cabling~~ of any prior occupants removed, ~~except to the extent Tenant, in its sole and absolute discretion notifies Landlord in writing prior to the execution of this First Amendment that it can utilize certain existing cabling for its information technology equipment~~ and provided that, upon the expiration of the Term or the early termination of this Lease, any new cabling or wiring installed by Tenant shall be removed in accordance with and subject to the terms of Section 7.1 c) of the Lease), on the first business day following (i) the mutual execution of this First Amendment by Landlord and Tenant and (ii) payment to Landlord of all funds due to be paid by Tenant upon execution of this First Amendment; and (iii) delivery of written evidence to Landlord of the insurance covering the Expansion Space required to be procured and maintained by Tenant under Section 19.2 of the Lease, so that Tenant may commence the construction of the Improvements (as such term is defined in Exhibit B attached hereto and incorporated herein by this reference (the "**Delivery Date**")). Tenant's occupancy of the Expansion Space from and after the Delivery Date and prior to the Expansion Date (the "**Access Period**") shall be upon all of the terms and conditions of the Lease, as amended (including insurance coverage), except that Tenant shall not be obligated to pay Fixed Monthly Rent or Additional Rent for the Expansion Space, or HVAC, janitorial or security during Normal Business Hours for the Expansion Space until the Expansion Date, provided that during the Access Period Tenant shall pay for Excess HVAC in accordance with the Lease, and any above-standard janitorial services. Tenant's contractor parking and other vendor parking during the Access Period shall be free of charge in connection with work being performed in the Expansion Space, and Landlord

shall make available reasonably sufficient parking in the Building parking facility for such contractors and vendors. During the Access Period Tenant shall be subject to Landlord's reasonable administrative control and supervision and Tenant shall be entitled to construct the Improvements in the Expansion Space in accordance with and subject to the terms of Exhibit B attached hereto.

If possession of the Expansion Space is not delivered by Landlord to Tenant in accordance with the terms and conditions of this First Amendment, within ten (10) business days after the Delivery Date, then Tenant shall have the right to terminate this First Amendment by giving written notice to Landlord within ten (10) calendar days after such failure. Landlord shall have three (3) days after receipt of such notice to cure such failure and, if Landlord has not cured the matter within such time period, this First Amendment shall terminate upon a second (2nd) written notice from Tenant after such failure to cure. If such notice of termination is not so given by Tenant within said ten (10) calendar day time period, then this First Amendment shall continue in full force and effect. The term of the lease of the Expansion Space under this First Amendment shall commence on December 27, 2012 (the "**Expansion Date**"), and shall continue through and including the Termination Date (the "**Expansion Term**"). Tenant shall commence the payment of Fixed Monthly Rent and Additional Rent with respect to the Expansion Space upon the Expansion Date; provided, however, notwithstanding anything to the contrary in the Lease, the Expansion Date shall be extended by the number of days on which there is any delay in the construction of the Improvements resulting from Landlord Delay (as defined below) or Force Majeure (as defined in the Lease). Tenant shall be entitled to possess, occupy, improve and use the entire Expansion Space as of the Delivery Date and Tenant shall have no obligation to pay Fixed Monthly Rent or Additional Rent for the Expansion Space until the Expansion Date. As used herein, a "**Landlord Delay**" shall mean any actual delay in the completion of the Improvements as a result of Landlord's breach or material default under this First Amendment (including, without limitation, any breach of representation or warranty); any delays relating to any of the matters specified in Section 5.3 of Exhibit B attached hereto; any failure to respond to any items required to be furnished or approved by Landlord within a time period expressly set forth in this First Amendment or the Lease (unless a deemed approval is specified, in which case no Landlord Delay shall be assessed); Landlord's failure to allow contractors access to the Building or Premises as scheduled in advance with the Building's property manager or Landlord's request for material changes in the final Plans and Specifications after Landlord's approval thereof (unless such request was caused by an error or omission by Tenant), provided, however, that notwithstanding the foregoing, no Landlord Delay shall be deemed to have occurred unless and until Tenant has delivered to Landlord a factually correct written notice (the "**Landlord Delay Notice**"), specifying the bona fide action or inaction which Tenant contends constitutes the Landlord Delay. If such action or inaction is not cured by Landlord within two (2) business days of Landlord's receipt of such Landlord Delay Notice, then the Landlord Delay shall be deemed to have occurred as of the expiration of such two (2) business day period. A delay in construction of the Improvements due to a Tenant Delay (as defined in Exhibit B to the Lease), any Force Majeure event or a delay by any governmental authority (including but not limited to the City of Los Angeles) shall not be deemed a Landlord Delay. Any Landlord Delay Notice shall be sent to the notice address set forth in the Lease with copies to (a) to the property manager at the management office of the Building; and to (b) Douglas Emmett Management LLC, 808 Wilshire Boulevard, Suite 200, Santa Monica, California 90401, Attention: Leasing Legal Department Manager.

Except as otherwise set forth in this First Amendment, Landlord shall deliver the Expansion Space to Tenant, and Tenant shall accept the Expansion Space, in its "as-is" condition, subject to Landlord's obligations under the Lease and this First Amendment, and subject to any latent defects of which Tenant notifies Landlord in writing within twelve (12) months after the date of delivery of the Expansion Space to Tenant, and subject to the following representations and warranties by Landlord as of the Delivery Date: (a) the Building and mechanical systems serving the Expansion Space shall be in proper working order and repair; and (b) the Building systems serving the Expansion Space shall provide electrical and HVAC capacity for standard office use consistent with Class A buildings in the Woodland Hills Area, provided that (i) occupancy in the Expansion Space is, on average, no more than six (6) persons for every 1,000 square feet of Usable Area in the Expansion Space and (ii) Tenant does not use in the Expansion Space any above-standard equipment that, in the aggregate with Tenant's other electrical equipment in the Expansion Space, consumes above-standard levels of electricity or otherwise overloads the Building's electrical systems or creates any safety hazards. Tenant may increase its permissible occupancy density ratio in the Expansion Space after this First Amendment is executed from six (6) per 1,000 square feet of Usable Area in the Expansion Space to up to seven (7) persons per 1,000 square feet of Usable Area in the Expansion Space, on average, as long as Tenant pays for installation of additional VAV boxes, to the extent reasonably necessary as a result of such increase to reasonably accommodate the Building systems requirements of the increased density. In such event, Tenant shall deliver notice to Landlord and promptly thereafter Landlord and Tenant shall meet and confer to reasonably agree upon the contractor to perform the work and the plans and specifications for such work.

Landlord and Tenant acknowledge the existence of certain wiring and cabling located above the ceiling in the Expansion Space that was used by prior occupants of the Expansion Space but not removed. Tenant shall remove the wiring and cabling as part of the construction of the Improvements, the cost of which Tenant may charge against the Cabling Restoration Allowance (as defined in Exhibit B attached to this First Amendment).

Landlord and Tenant also acknowledge the existence of the fixtures and equipment in the Expansion Space kitchen (including the related ceiling vent in the kitchen). Landlord makes no representation, warranty or covenant whatsoever about the condition of the kitchen, or any of the fixtures and equipment in the kitchen (including the ceiling vent), or whether any of the same comply with applicable law in their current condition; provided however, to the extent that, at any time during the Term, Tenant's Improvements (or any other alterations or improvements) or governmental requirements require the alteration or removal of the shaft above the ceiling vent, or such alteration or removal is otherwise required, then Landlord's contractor shall, at Landlord's sole cost and expense, alter or remove the shaft (together with all related restoration, repair and other work, such as, by way of example, removing the shaft from the Building in its entirety, if necessary, and restoring the other floors in the Building as a result thereof) to the extent reasonably required to accommodate the installation of Tenant's Improvements (or any other alterations or improvements) without delaying Tenant's construction thereof.

To Landlord's knowledge, Landlord has received no written notice in effect as of the date of this First Amendment of any code or other legal violations relating to the Expansion Space, or relating to the Building that would increase the cost of, or time to construct, the Improvements.

4. Expansion of Premises. Provided that the demising wall is erected in the location specified on Exhibit A attached hereto, for purposes of calculating Fixed Monthly Rent and Tenant's Share the parties hereby stipulate that the Expansion Premises contains approximately 9,271 square feet of Rentable Area and approximately 7,836 square feet of Usable Area. As of the Expansion Date, the definition of the Premises shall be revised to include both the Existing Premises and the Expansion Space, and wherever in the Lease the word "Premises" is found, it shall thereafter refer to both the Existing Premises and the Expansion Space together, as if the same had been originally included in said Lease, subject to the terms and conditions of this First Amendment. Landlord and Tenant agree that a recalculation of the Usable Area of the Expansion Space shall be made after the Expansion Date by Stevenson Systems, Inc., an independent planning firm, using the 2010 ANSI/BOMA Standard set forth collectively by the American National Standards Institute and the Building Owners and Managers Association ("**ANSI/BOMA Standard**"), as a guideline, and that Landlord is utilizing a deemed add-on factor of 18.31% to compute the Rentable Area of the Expansion Space. Tenant and Landlord agree to document the revised Usable Area as documented by Stevenson Systems, and the other matters specified below that will be determined upon such Usable Area being confirmed, in the Memorandum (as defined in Section 4 below). Landlord and Tenant further agree that the Rentable Area of the Expansion Space shall be calculated on the basis of 1.1831 times the estimated Usable Area, regardless of what actual common areas of the Building may be, or whether they may be more or less than 18.31% of the total estimated Usable Area of the Building, and is provided solely to give a general basis for comparison and pricing of this space in relation to other spaces in the market area. Landlord and Tenant further agree that once the Rentable Area and Usable Area of the Expansion Space have been determined as specified hereinabove, even if later either party alleges that the actual Rentable Area or Usable Area of the Expansion Space is more or less than the figures stated herein; and whether or not such figures are inaccurate, for all purposes of the Lease, the Rentable and Usable figures agreed upon shall be conclusively deemed to be the Rentable Area, or Usable Area of the Expansion Space, as the case may be.

Notwithstanding any adjustment in the Usable Area and/or Rentable Area as determined pursuant to this Section 4, and provided the demising wall is erected in the location indicated on Exhibit A attached hereto and the Expansion Space plan as depicted on Exhibit A is not modified after this First Amendment is executed, there shall be no change in the Fixed Monthly Rent due for the Expansion Space as set forth in Section 5.2, below or in Tenant's Share as set forth in Section 6, below. As of the Expansion Date, the total Usable Area of the Premises shall be 27,983 square feet and the total Rentable Area of the Premises shall be 31,338 square feet, subject to confirmation of the Usable Area and Rentable Area as provided above.

If the demising wall is erected in a location different from that as indicated on Exhibit A attached hereto, or if the Expansion Space plan as depicted on Exhibit A is otherwise modified after this First Amendment is executed, and if as a result the Rentable Area of the Expansion Space is increased or decreased pursuant to this Section 4 then (a) the Fixed Monthly Rent commencing on the first calendar day of the thirteenth (13th) calendar month after the Expansion Date shall be recalculated based on $2.13 per square foot of Rentable Area of the Expansion Space, per month; (b) thereafter, the Fixed Monthly Rent shall be adjusted to result in an increase of three percent (3%) per annum, cumulative over the Expansion Term; (c) as of the Expansion Date, Security Deposit for the Expansion Space shall be adjusted to an amount equal to one month's Fixed Monthly Rent for the Expansion Space due during the last year of the Term; (d) as of the Expansion Date, if the Usable Area of the Expansion Space is increased or decreased pursuant to this Section 4, then "Tenant's Share" as set forth herein for the Expansion Space shall be increased or decreased equally, by dividing the newly calculated Usable Area of the Expansion Space by the Usable Area of the Building; (e) the Allowance shall equal $32.50 per square foot of Rentable Area within Expansion Space; and (f) all other amounts based on the Usable Area of the Expansion Space or Rentable Area of the Expansion Space shall be adjusted appropriately. Landlord and Tenant shall promptly execute a memorandum (the "**Memorandum**") confirming the finalized Delivery Date, Expansion Date, the Fixed Monthly Rent escalation dates as described in Section 5.b. below, and the other matters specified above as soon as they are determined. Tenant shall execute the Memorandum and return it to Landlord within fifteen (15) business days after receipt thereof. Failure of Tenant to timely execute and deliver the Memorandum shall constitute an acknowledgement by Tenant that the statements included in such Memorandum are true and correct.

5. Revision in Fixed Monthly Rent.

5.1 Existing Premises.

The Fixed Monthly Rent for the Existing Premises through September 30, 2017 shall be as set forth in the Original Memorandum.

Commencing on the Renewal Effective Date, and continuing through the Termination Date, the Fixed Monthly Rent payable by Tenant for the Existing Premises shall be $[***] per month.

5.2 Expansion Space.

Commencing on the Expansion Date and continuing through the last day of the sixth (6th) month after the Expansion Date, the Fixed Monthly Rent payable by Tenant shall be $[***] per month.

Commencing on the first (1st) day of the seventh (7th) month and continuing through the last day of the twelfth (12th) month after the Expansion Date, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Subject to verification of the Usable Area and Rentable Area as specified in Section 4 above but only in the event the demising wall is erected in a location different from that as indicated on Exhibit A attached hereto or the Expansion Space plan as depicted on Exhibit A is otherwise modified after this First Amendment is executed and as a result the Rentable Area of the Expansion Space is increased or decreased.

Commencing on the first (1st) day of the thirteenth (13th) month after the Expansion Date and continuing through the last day of the twenty-fourth (24th) month after the Expansion Date the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the first (1st) day of the twenty-fifth (25th) month after the Expansion Date, and continuing through the last day of the thirty-sixth (36th) month after the Expansion Date the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the first (1st) day of the thirty-seventh (37th) month after the Expansion Date and continuing through the last day of forty-eighth (48th) month after the Expansion Date the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Commencing on the first (1st) day of the forty-ninth (49th) month after the Expansion Date and continuing through December 31, 2017, the Fixed Monthly Rent payable by Tenant shall increase from $[***] per month to $[***] per month.

Notwithstanding anything to the contrary in the Lease or this First Amendment, although the Fixed Monthly Rent payable during the time period beginning on the Expansion Date and continuing through the last calendar day of the 12th month after the Expansion Date is based on a Rentable Area that is less than the Rentable Area for the entire Expansion Space, the entire Expansion Space shall be delivered to Tenant in accordance with the terms hereof, and Tenant shall have the use and enjoyment of the entire Expansion Space.

Notwithstanding the foregoing, Tenant shall be permitted to defer [***] of the Fixed Monthly Rent due for each of the 13th, 14th, 18th, 19th, 25th, 26th, 37th and 38th full months of the Expansion Term (and if the Expansion Date occurs prior to January 1, 2013, such months would be January 2014, February 2014, June, 2014, July 2014, January 2015, February 2015, January 2016 and February 2016) (collectively, the amount of Fixed Monthly Rent deferred shall be referred to herein as the "Rent Deferral Amount"). So long as Landlord has not terminated the Lease prior to its then scheduled expiration date in accordance with the terms and conditions of the Lease as a result of a material default of Tenant under the Lease beyond all applicable notice and cure periods, the entire Rent Deferral Amount shall be abated and forgiven as of the Termination Date; provided, however, that if Landlord has terminated the Lease prior to its then scheduled expiration date in accordance with the terms and conditions of the Lease as a result of a material default of Tenant under the Lease beyond all applicable notice and cure periods, then (a) Tenant shall pay to Landlord upon demand the entire Rent Deferral Amount due for the months of the Term prior to the occurrence of such material default, and (b) Tenant shall not be entitled to any additional or future deferral of Fixed Monthly Rent.

Concurrent with Tenant's execution and delivery to Landlord of this First Amendment, Tenant shall pay to Landlord the Fixed Monthly Rent due for the Expansion Space alone for the first month of the Expansion Term.

6. Tenant's Share. As of the Expansion Date, subject to verification of the Usable Area and Rentable Area as specified in Section 4 above, but only in the event the demising wall is erected in a location different from that as indicated on Exhibit A attached hereto or the Expansion Space plan as depicted on Exhibit A is otherwise modified after this First Amendment is executed and as a result the Usable Area of the Expansion Space is increased or decreased, then Tenant's Share for the Expansion Space, shall be 3.53%.

7. Modification to Security Deposit. Landlord acknowledges that it currently holds the sum of $[***] as a Security Deposit under the Lease, which amount Landlord shall continue to hold throughout the Term, in accordance with the terms and conditions of the Lease, unless otherwise applied pursuant to the provisions of the Lease. Concurrent with Tenant's execution and tendering to Landlord of this First Amendment, and subject to adjustment under Section 4, above, but only in the event the demising wall is erected in a location different from that as indicated on Exhibit A attached hereto or the Expansion Space plan as depicted on Exhibit A is otherwise modified after this First Amendment is executed and as a result the Rentable Area of the Expansion Space is increased or decreased (in which case the additional amount of the Security Deposit shall equal the last month's Fixed Monthly Rent for the Expansion Space), Tenant shall tender the sum of $[***], which amount Landlord shall add to the Security Deposit already held by Landlord, so that thereafter, throughout the Term, provided the same is not otherwise applied, Landlord shall hold a total of $[***] as a Security Deposit on behalf of Tenant. Tenant hereby waives the provisions of Section 1950.7 of the California Civil Code, and all other laws, statutes, ordinances or other governmental rules, regulations or requirements now in force or which may hereafter be enacted or promulgated, which (i) establish the time frame by which Landlord must refund a security deposit under a lease, and/or (ii) provide that Landlord may claim from the Security Deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Tenant or to clean the Premises, it being agreed that Landlord may, in addition, claim those sums specified in Lease Article 18 and/or those sums reasonably necessary to compensate Landlord for any loss or damage caused by Tenant's breach of the Lease or the acts or omission of Tenant or any Tenant Party. As used in the Lease a "Tenant Party" shall mean Tenant, any employee of Tenant, or any agent, authorized representative, design consultant or construction manager engaged by or under the control of Tenant.

8. Parking. Throughout the Expansion Term, with respect to the Expansion Space, Tenant shall have the right but not the obligation to purchase up to five (5) parking permits per one thousand (1,000) square feet of Rentable Area in the Expansion Space, of which one (1) parking permit shall, if designated by Tenant in Tenant's sole and absolute discretion, be for a reserved space and the remaining shall be unreserved spaces. Commencing on the Expansion Date and continuing through June 30, 2015, Tenant shall be granted the following concessions for parking for the entire Premises (i.e., including the Existing Premises and the Expansion Space):

(a) a fifty percent (50%) discount on all parking charges for the above specified allocation of permits and any visitor validations (so long as such visitor validations are purchased by Tenant on a bulk basis in increments of $500.00).

(b) For the period beginning on July 1, 2015 and continuing through December 31, 2017, Tenant shall be granted a twenty-five percent (25%) discount on all parking charges for the above specified allocation of permits and any visitor validations (so long as such visitor validations arc purchased by Tenant on a bulk basis in increments of $500.00).

Except as modified herein, Tenant's parking rights and obligations shall be as set forth in Article 21 of the Lease, and Tenant's parking rights with respect to the Existing Premises shall not be reduced in any manner.

9. Miscellaneous. The Lease is hereby amended as follows (all Section and Article references shall be references to the original Lease unless specified otherwise):

9.1 Option to Extend. The Option to Extend set forth in Article 23 is amended to include the Expansion Space and to change the Termination Date to the Termination Date as defined in this First Amendment.

9.2 Right of First Offer/Right of First Refusal. The Right of First Offer and Right of First Refusal set forth in Article 24 shall remain in full force and effect except that the Right of First Refusal Period is hereby extended until midnight on September 30, 2014.

9.3 Termination Option. The Termination Option set forth in Article 25 shall remain in full force and effect and shall include the Expansion Space, except that: (a) the "Early Termination Date" shall mean September 30, 2015; (b) the "Notice Period Expiration Date", shall mean December 31, 2014; (c) the termination compensation specified in Section 25.3 shall include (in addition to the amounts stated in Section 25.3) (i) any lease commission and tenant improvement costs incurred by Landlord in connection with this First Amendment, which shall be amortized over the Expansion Term on a straight line basis at an interest rate of eight percent (8%) as of the Early Termination Date, and (ii) a cancellation fee equal to three (3) months of Fixed Monthly Rent for the Expansion Space due for the calendar month in which the Early Termination Date occurs; and (d) Section 25.4 is deleted in its entirety and replace with the following, which shall be fully incorporated in the Lease as if set forth therein: "Section 25.4. Expiration of Option to Terminate Early. Provided that Tenant has not already delivered the Termination Notice specified hereinabove, then, effective on January 1, 2015, the provisions of this Article 25 shall be deemed null, void and of no further force or effect. If the Early Termination Option has not expired on its terms herein and Tenant exercises in writing the Right of First Offer under Article 25 of this Lease on or after October 1, 2014 (and ultimately leases the Expansion Space pursuant to such exercise by Tenant under Article 25), or its right to Building Top Signage under Section 20.22.1 of this Lease (provided Tenant has actually installed its Building Top Signage under such Section 20.22.1), Tenant acknowledges and agrees that the provisions of this Article 25 shall be deemed null, void and of no further force or effect upon the full mutual execution and delivery of the Expansion Amendment."

9.4 Amendment to SNDA. Landlord shall use its most diligent efforts to deliver Lender's written consent to this First Amendment in order to comply with Section 4(i) of the existing SNDA within thirty (30) days after this First Amendment is executed and delivered by the parties, which written consent shall include a written statement that the terms and provisions of the existing SNDA cover the entire Premises, including the Expansion Space (or in lieu of such written statement, Landlord shall use its most diligent efforts to cause Lender to execute and record an amended and restated SNDA that covers the entire Premises, including the Expansion Space).

9.5 ADA Compliance. Landlord's representations, warranties and covenants under Section 20.25 of the Lease are hereby ratified.

9.6 Directory Signage. Tenant may, in its sole discretion, install building standard signage per a building standard location at the entrance of the Expansion Space at Landlord's sole cost and expense, payable by Landlord to Tenant within thirty (30) days after Landlord's receipt of written invoice. If required by applicable law (such as, without limitation, any fire codes or regulation), or otherwise desired by Landlord, Landlord shall, at Landlord's sole cost and expense, install building standard signage per a building standard location at the entrance of the Expansion Space. Tenant, in its sole and absolute discretion, may elect to have its names grouped in one location of the directory board, at Landlord's sole cost and expense, in any area reasonably designated by the Landlord in addition to having such names individually listed alphabetically per one line per 1,000 rentable square feet in the Expansion Space not to exceed twenty (20) lines, subject to space availability. The signage hereunder shall be in addition, and without limitation, to the signage provided under the Lease.

9.7 Key Card Systems.

9.7.1 Exit Stairwell System. Tenant shall have the right, but not the obligation, to install a key card reader inside either or both of the interior exit stairwells on the eleventh (11th) and twelfth (12th) floors for entrance from the stairwell into the Existing Premises and the Expansion Space, all at Tenant's sole cost and expense.

9.7.2 Elevator Card Access System. The Building elevator system currently has four (4) elevator cabs, two (2) of which currently have installed hardware with the capacity, subject to programming of the elevator operating system, to restrict access to floor(s) leased by Tenant to only Tenant and its designees who have been issued a key card or similar access key (the "Elevator Card Access System") and two (2) which do not have such Elevator Card Access System hardware built in as of the date hereof. Promptly after this First Amendment is mutually executed and for so long as Tenant or any Affiliate leases the entire twelfth (12th) floor, at Tenant's election in Tenant's sole and absolute discretion, Landlord shall program the restricted access Card System for the twelfth (12th) floor at Tenant's sole cost and expense. In addition, for any other full floors in the Building leased by Tenant (including the eleventh (11th) floor at any time during the Term (as may be extended pursuant to the Lease), Landlord shall promptly, upon notice from Tenant and at Landlord's sole cost and expense, (a) install Elevator Card Access System hardware in the two (2) cabs that do not currently have such hardware (and such system shall be comparable to that installed in the other two (2) cabs) and Landlord shall program and activate all four (4) Elevator Card Access Systems at Landlord's sole cost for every such full floor leased by Tenant.

9.7.3 Plans and Specifications; Restoration. The plans and specifications for the foregoing systems specified in Sections 9.7.1 and 9.7.2 (if installed) shall be subject to the prior written approval of Landlord and Tenant, which approval shall not be unreasonably withheld, conditioned or delayed. In addition, the systems shall be programmed so that Landlord will have a "key-override" and any other reasonable access required to the Premises, including the Expansion Space (e.g. during emergencies and for janitorial service). The systems shall not interfere with or have an unreasonable adverse effect upon the Building's security, electrical, structural or elevator systems or on any other tenants' use of their premises. Upon the expiration of the Term or the early termination of this Lease, such systems shall be de-activated, and Tenant shall be responsible at Tenant's cost for the removal and restoration of such systems, to the extent located within the interior of the Premises, in accordance with Section 7.1 of the original Lease. For the avoidance of doubt, Tenant shall not be required to remove or restore any of such systems to the extent located in the Building common areas (including, without limitation, in the elevators).

9.8 Expansion Space Excess HVAC; Expansion Space Supplemental HVAC. If Tenant requires Excess HVAC in the Expansion Space Tenant shall make its request during Normal Business Hours via Landlord's commercially reasonable system, which is currently administered by providing Excess HVAC access cards to the Tenant each with a user name and pass code, which users may call into a phone center which will prompt the caller to program their access to Excess HVAC. There shall be a one (l)-hour minimum charge for Excess HVAC when such Excess HVAC is ordered. Tenant's request shall be deemed conclusive evidence of its willingness to pay the cost for excess HVAC pursuant to this Section 9.8. Notwithstanding anything to the contrary in the Lease or this First Amendment, the cost for Excess HVAC for the Expansion Space shall not exceed Landlord's reasonable cost thereof, which shall only

include the actual cost of utilities charged by the 3rd-party utility provider, plus a reasonable allowance for accelerated depreciation and additional maintenance for the Building HVAC systems as a result of the Excess HVAC used by Tenant in the Expansion Space. For the avoidance of doubt, in no event shall charges for Excess HVAC include an administrative, supervision or other like fee. As of the date of this Lease, Landlord's cost for the Expansion Space Excess HVAC (and the after-hours charge to Tenant for Excess HVAC) is $43.12 per hour, subject to changes in Landlord's actual costs for providing Excess HVAC (which shall be substantiated in writing to Tenant).

Landlord and Tenant acknowledge the existence, as of the date hereof, of a supplemental HVAC unit located above the ceiling in the Expansion Space that was used by former occupants of the Expansion Space but not removed. Tenant shall remove the supplemental HVAC unit as part of the construction of the Improvements, the cost of which Tenant may charge against the HVAC Restoration Allowance (as defined in Exhibit B attached to this First Amendment).

9.9 Internal Staircase. Subject to Landlord's approval of the final Plans and Specifications (as defined in Exhibit B), Tenant shall have the right but not the obligation to construct an internal staircase connecting the Existing Premises with the Expansion Space. If constructed, the staircase shall be subject to the terms of Section 7.1(c) of the Original Lease.

10. Base Year. The Base Year for the Expansion Space shall be calendar year 2013. Tenant shall have no obligation to pay Operating Expenses for the Expansion Space during the period beginning on the Expansion Date and continuing for twelve months thereafter. For the avoidance of doubt, the Expense Cap under Section 4.2 of the Lease shall also apply to the Expansion Space (in addition to the Existing Premises).

11. Acceptance of Expansion Space. Subject to the terms and conditions of this First Amendment (including, without limitation, Landlord's covenants, representations and warranties), Tenant has made its own inspection of and inquiries regarding the Expansion Space, which is already improved. Therefore, subject to the terms and conditions of this First Amendment (including, without limitation, Landlord's covenants, representations and warranties), Tenant accepts the Expansion Space in its "as-is" condition. Tenant further acknowledges that Landlord has made no currently effective representation or warranty, express or implied regarding the condition, suitability or usability of the Expansion Space for the purposes intended by Tenant except as set forth in this First Amendment.

12. Warranty of Authority. If Landlord or Tenant signs as a corporation or limited liability company or a partnership, each of the persons executing this First Amendment on behalf of Landlord or Tenant hereby covenants and warrants that the applicable entity executing herein below is a duly authorized and existing entity that is qualified to do business in California; that the person(s) signing on behalf of either Landlord or Tenant have full right and authority to enter into this First Amendment; and that each and every person signing on behalf of either Landlord or Tenant are authorized in writing to do so.

If either signatory hereto is a corporation, the person(s) executing on behalf of said entity shall affix the appropriate corporate seal to each area in the document where request therefor is noted, and the other party shall be entitled to conclusively presume that by doing so the entity for which said corporate seal has been affixed is attesting to and ratifying this First Amendment.

13. Broker Representation. Landlord and Tenant represent to one another that it has dealt with no broker in connection with this First Amendment other than Douglas Emmett Management, LLC and CB Richard Ellis. Landlord and Tenant shall hold one another harmless from and against any and all liability, loss, damage, expense, claim, action, demand, suit or obligation arising out of or relating to a breach by the indemnifying party of such representation. Landlord agrees to pay all commissions due to the brokers listed above created by Tenant's execution of this First Amendment.

14. Confidentiality. Landlord and Tenant agree that the covenants and provisions of this First Amendment shall not be divulged to anyone not directly involved in the management, administration, ownership, lending against, or subleasing of the Premises, which permitted disclosure shall include, but not be limited to, the board members, legal counsel and/or accountants of either Landlord or Tenant.

[***] = CONFIDENTIAL INFORMATION HAS BEEN OMITTED AND FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION. CONFIDENTIAL TREATMENT HAS BEEN REQUESTED WITH RESPECT TO THIS OMITTED INFORMATION.

15. Governing Law. The provisions of this First Amendment shall be governed by the laws of the State of California.

16. Reaffirmation. Landlord and Tenant acknowledge and agree that the Lease, as amended herein, constitutes the entire agreement by and between Landlord and Tenant relating to the Premises, and supersedes any and all other agreements written or oral between the parties hereto. Furthermore, except as modified herein, all other covenants and provisions of the Lease shall remain unmodified and in full force and effect.

17. Submission of Document. No expanded contractual or other rights shall exist between Landlord and Tenant with respect to the Expansion Space, as contemplated under this Amendment, until both Landlord and Tenant have executed and delivered this First Amendment, whether or not any additional rental or security deposits have been received by Landlord, and notwithstanding that Landlord has delivered to Tenant an unexecuted copy of this First Amendment. The submission of this First Amendment to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or an option for the Tenant to lease the Expansion Space, or otherwise create any interest by Tenant in the Expansion Space or any other portion of the Building other than the original Existing Premises currently occupied by Tenant. Execution of this First Amendment by Tenant and its return to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has in fact executed and delivered this Amendment to Tenant.

IN WITNESS WHEREOF, Landlord and Tenant have duly executed this document, effective the later of the date(s) written below.

EXHIBIT A – EXPANSION SPACE PLAN

Suite 1100 at 21300 Victory Boulevard, Woodland Hills, California 91367

Rentable Area: approximately 9,271 square feet
Usable Area: approximately 7,836 square feet
[Subject to the terms of Section 4 of the First Amendment]

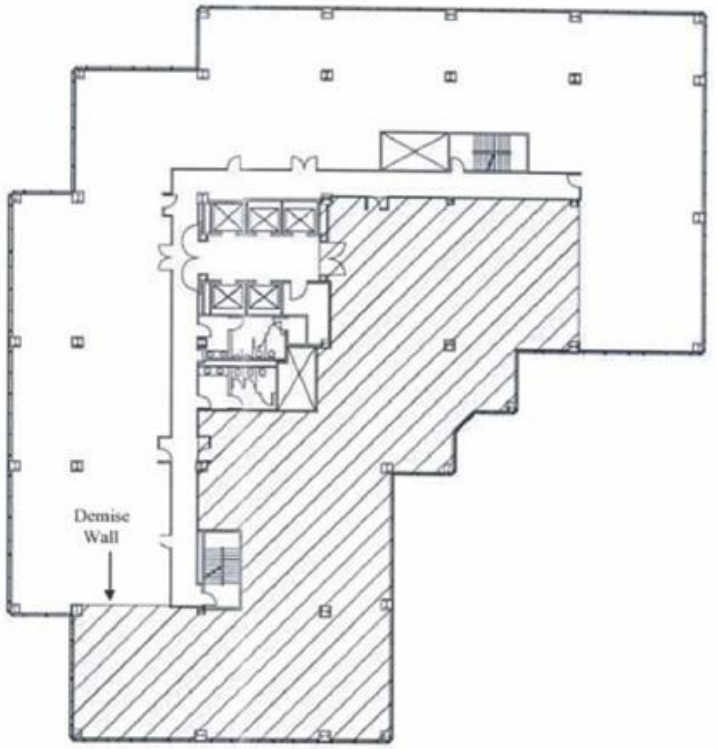

EXHIBIT B

IMPROVEMENT CONSTRUCTION AGREEMENT
CONSTRUCTION PERFORMED BY TENANT

Section 1. Tenant to Complete Construction. Tenant's general contractor ("**Contractor**") shall furnish and install within the Expansion Space, and, at Tenant's sole option, the Existing Premises (it being expressly understood that Tenant may use the Allowance and Space Planning Allowance for either or both of the Expansion Space and/or Existing Premises) those items of general construction (the "**Improvements**"), shown on the final Plans and Specifications approved by Landlord. The definition of "Improvements" shall include all costs associated with completing the Improvements in accordance with applicable law, including but not limited to, space planning, design, architectural, and engineering fees, contracting, labor and material costs, municipal fees, plan check and permit costs, and document development and/or reproduction. The Improvements shall comply in all respects with the following: (i) all state, federal, city or quasi-governmental laws, codes, ordinances and regulations, as each may apply according to the rulings of the controlling public official, agent or other person; (ii) applicable standards of the American Insurance Association (formerly, the National Board of Fire Underwriters) and the National Electrical Code; (iii) building material manufacturer's specifications and (iv) the Plans and Specifications.

All Tenant selections of finishes shall be indicated in the Plans and Specifications and shall be equal to or better than the minimum Building standards and specifications. Any work not shown in the Plans and Specifications or included in the Improvements such as, but not limited to, telephone service, furnishings, or cabinetry, for which Tenant contracts separately shall be subject to Landlord's reasonable, non-discriminatory policies and shall be conducted in such a way as to not unreasonably hinder or delay the work of Improvements. Subject to Landlord's approval of the final Plans and Specifications, Tenant shall have the right but not the obligation to construct an internal staircase connecting the Existing Premises with the Expansion Space. If constructed, the staircase shall be subject to the terms of Section 7.1(c) of the Original Lease.

1.1 Demise Work. Tenant's Contractor shall (and Tenant may use the Allowance and Space Planning Allowance, or any part thereof, for the following):

(a) Demise the Expansion Space by erecting a demising wall separating the Expansion Space from the remaining space on the 11th floor in accordance with the Plans and Specifications;

(b) Complete all work reasonably necessary to split the Building's systems so as to have functioning Building systems in the Expansion Space, including without limitation, the HVAC, life-safety and electrical systems in the Expansion Space (the "**Systems**"); and

(c) Subsequently reconnect all existing electrical, life-safety and HVAC ducting to the Expansion Space, all in accordance with Tenant's Plans and Specifications (collectively, the "**Demising Work**").

Except as provided in Section 1.1 (c), which shall be paid entirely by Tenant, Landlord and Tenant shall each pay fifty percent (50%) of the costs for the Demising Work, and Tenant may use available amounts of the Allowance and Space Planning Allowance to pay its share. If Tenant requests that a portion of the Allowance or Space Planning Allowance be applied to its share of the Demising Work costs, then Tenant shall include such request in its disbursement request under Section 5, below. With respect to Landlord's share of the Demising Work costs. Tenant shall submit to Landlord (i) a request for payment approved by Tenant detailing the work completed; (ii) invoices from the Contractor and its subcontractors and suppliers for labor rendered and materials for the Demising Work; and (iii) mechanic's lien releases from all of Tenant's Agents performing the Demising Work conforming to California law. Landlord shall disburse to Tenant, in addition to the Allowance and Space Planning Allowance, Landlord's share of the Demising Work costs upon receipt of the foregoing. Notwithstanding anything to the contrary herein, in no event shall Tenant be required to reconnect any mechanical systems, and, with respect to the side of the demising wall not in the Expansion Space, Tenant shall only be required to have such side of the wall contain studs and, without limiting the foregoing, shall not have any obligation to install drywall on the side of the wall not in the Expansion Space.

Section 2. Tenant's Payment of Costs. Subject to Landlord's reimbursement as specified hereinbelow, Tenant shall bear any and all costs of the Improvements, and shall timely pay said costs directly to the Contractor. From time to time, Tenant shall provide Landlord with such evidence as Landlord may reasonably request that the Contractor has been paid in full for the work completed to-date.

In addition, Tenant shall reimburse Landlord for any and all of Landlord's reasonable third party out of pocket costs not to exceed $[***] actually incurred in reviewing Tenant's Plans and Specifications or for any other "peer review" work associated with Landlord's review of Tenant's Plans and Specifications, including, without limitation, Landlord's reasonable third party out of pocket costs actually incurred in engaging any third party engineers, contractors, consultants or design specialists. Landlord shall engage such third parties only if reasonably necessary and shall explain to Tenant in advance in reasonable detail the need to engage them prior to doing so. Landlord shall also provide a good faith estimate of the cost of such review, the name(s) of the proposed third-party to be engaged, and shall give Tenant a reasonable opportunity to respond and modify any plans. Landlord shall use commercially reasonable efforts to engage the most cost-competitive qualified third parties. Tenant shall pay such costs to Landlord within thirty (30) days after Landlord's delivery to Tenant of a copy of the invoice(s) for such work, up to a maximum aggregate total of $1,000.

Section 3. Lien Waiver and Releases. If any liens arise against the Expansion Space, the Existing Premises or the Building as a result of Tenant's Improvements, Tenant shall immediately, at Tenant's sole expense, remove such liens and provide Landlord evidence that the title to the Building and Expansion Space have been cleared of such liens, as required of Tenant under the Lease.

Section 4. Intentionally Omitted.

Section 5. Landlord's Reimbursement of Tenant's Costs.

5.1 Allowance. In accordance with the terms and procedures specified below, Landlord shall pay to Tenant for the Improvements, an allowance, not to exceed the sum of $32.50 per square foot of Rentable Area within Expansion Space, which shall mean 9,271 square feet, except in the event the demising wall is erected in a location different from that as indicated on Exhibit A attached hereto, or the Expansion Space plan as depicted on Exhibit A is otherwise modified after this First Amendment is executed, and as a result the Rentable Area of the Expansion Space is increased or decreased, in which case the Allowance (and Space Planning Allowance) shall be calculated as provided in Section 4 of this First Amendment (the "**Allowance**"). In addition to the Allowance and not a part of the Allowance, Landlord shall (a) reimburse Tenant an amount, not to exceed the sum of $0.15 per square foot of Usable Area within Expansion Space, for architectural services and space planning (the "**Space Planning Allowance**"); (b) an amount not to exceed $1,920.00 for the removal of a supplemental HVAC system above the Expansion Space ceiling and disconnection of the fire life safety component connected thereto, if reasonably necessary or required by applicable law (the "**HVAC Restoration Allowance**"); and an amount not to exceed $520.00 for the removal of a cabling and wiring above the Expansion Space ceiling (the "**Cabling Restoration Allowance**"). The HVAC Restoration Allowance and the Cabling Restoration Allowance each shall be separate allowances for reimbursements for the individual purposes intended and may not be comingled with the Allowance or Space Planning Allowance (and the HVAC Restoration Allowance and the Cabling Restoration Allowance may not be comingled). The removal of the supplemental HVAC and the cabling and wiring shall be performed in good workmanlike manner and Tenant shall repair any damage caused by such removal. Notwithstanding the maximum amounts of the HVAC Restoration Allowance and the Cabling Restoration Allowance referred to above, if Tenant's Contractor engages Landlord's preferred subcontractors for the HVAC and cabling restoration work, and if the costs for the HVAC restoration and cabling restoration work exceeds the HVAC Restoration Allowance and/or the Cabling Restoration Allowance, respectively, Landlord shall pay such excess costs by funding the excess amount to either or both the HVAC Restoration Allowance and the Cabling Restoration Allowance. Landlord's preferred subcontractors are as follows: Southland Electrical Contractors (cabling restoration work); MK Heating & Air Inc. (HVAC restoration work); and Chubb Fire and Safety Inc. (fire life safety disconnection related to HVAC restoration, if necessary).

The Allowance, Space Planning Allowance, HVAC Restoration Allowance and the Cabling Restoration Allowance shall be available for disbursement to the Tenant through December 31, 2013 (which date shall be extended day-for-day for each day the Expansion Date is extended beyond December 27, 2012, if any, in accordance with the terms of this First Amendment) (the "**Outside Allowance Date**") and thereafter Landlord shall have no obligation to disburse any portions of the Allowance, Space Planning Allowance, the HVAC Restoration Allowance or the Cabling Restoration Allowance, provided, however, that if Tenant has complied with all of the conditions precedent required for disbursement of the Allowance, Space Planning Allowance, the HVAC Restoration Allowance and the Cabling Restoration Allowance, as applicable, prior to the Outside Allowance Date but Landlord has not yet disbursed such the amount requested then, subject to Tenant's compliance with the terms and conditions of this Exhibit B, Tenant shall be entitled to such disbursement. Landlord shall deliver written notice to Tenant not later than thirty (30) days prior to the Outside Allowance Date if at such time there is a balance remaining in the amount of the Allowance, Space Planning Allowance, the HVAC Restoration Allowance and the Cabling Restoration Allowance available for use by Tenant. The Outside Allowance Date shall be extended day for day for each day Landlord fails to give such notice.

5.2 Use of the Allowance.

5.2.1 Allowance Items. Except as otherwise set forth in this Exhibit B, the Allowance and Space Planning Allowance shall be disbursed by Landlord only for the following items and costs (collectively, the "Allowance Items"):

5.2.1.1 Payment of any space planning or architectural services fees and costs not to exceed $4.00 per square foot of Usable Area in the Expansion Space;

5.2.1.2 The payment of plan check permit and license fees relating to construction of the Improvements;

5.2.1.3 The costs of construction of the Improvements, including without limitation, the Demise Work, testing and inspection costs, installation of built-in work stations, floor loading reinforcement costs, hoisting and trash removal costs, and contractors' fees and general conditions, provided that the Allowance, Space Planning Allowance, the HVAC Restoration Allowance or the Cabling Restoration Allowance, may not be applied to the purchase of furniture or equipment or cabling or wiring or any other personal property except as set forth herein. For the avoidance of doubt, the Allowance and Space Planning Allowance may be used by Tenant for either or both of the Existing Premises and/or the Expansion Space, the HVAC Restoration Allowance may be used solely for removal of the supplemental HVAC unit above the ceiling in the Expansion Space and the Cabling Restoration Allowance may be used solely for removal of the cabling and wiring above the ceiling in the Expansion Space;

5.2.1.4 The cost of any changes in the base, shell and core when such changes are required solely by the Plans and Specifications, such cost to include all direct architectural and/or engineering fees and expenses incurred in connection therewith;

5.2.1.5 The cost of any changes to the Plans and Specifications or the Improvements required by all applicable building codes, subject to Landlord's obligations under the Lease and this First Amendment;

5.2.1.6 An amount up to $8.00 per square foot of Rentable Area in the Expansion Space for the purchase and/or installation of furniture, fixtures, equipment or cabling in the Expansion Space (including any work required to cause the supplemental HVAC units referred to in Section 9.8 of the First Amendment to be operational) (collectively, the "FF&E Items");

5.2.1.7 The costs of purchase and installation of supplemental HVAC units, equipment and/or systems; and 5.2.1.8 Payment of any fees and costs to approved "Tenant's Agents," as defined below in Section 6 (b).

5.2.2 Disbursement of the Allowance. During the construction of the Improvements, Tenant may request and Landlord shall make monthly disbursements of the Allowance, Space Planning Allowance, the HVAC Restoration Allowance or the Cabling Restoration Allowance for the Allowance Items for the benefit of Tenant and shall authorize the release of monies for the benefit of Tenant as follows:

5.2.2.1 **Disbursements**. Tenant may request monthly progress payments out of the Allowance and Space Planning Allowance in accordance with this Section 5.2.2.1. In connection with the foregoing, and not more than once each calendar month, Tenant shall deliver to Landlord: (i) a request for payment approved by Tenant detailing the work completed; (ii) invoices from the Contractor and its subcontractors and suppliers for labor rendered and materials delivered to the Expansion Space and, if applicable, the Existing Premises; and (iii) conditional mechanic's lien releases from all of Tenant's Agents performing the Improvements for which the applicable payment is requested which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Section 3262(d). Within thirty (30) days after Landlord has received all of the items in the foregoing clauses (i) through (iii), Landlord shall deliver a check to Tenant payable to Tenant, or, at Tenant's sole election, a check payable jointly to Tenant and Contractor in payment of the lesser of: (A) the amounts so requested by Tenant, less an amount, to the extent not already reflected in Tenant's request for payment as the retention provided for in the construction contract, equal to the lesser of (i) a ten percent (10%) retention, or (ii) the retention provided for in the construction contract approved by Landlord (the aggregate amount of such retentions to be known as the "Final Retention"), and (B) the balance of any remaining available portion of the Allowance and Space Planning Allowance, not including the Final Retention. Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request. No retention shall be required for the HVAC Restoration Allowance or the Cabling Restoration Allowance as it is anticipated that there shall be only one disbursement for each.

5.2.2.2 **Final Retention**. Subject to the provisions of this Exhibit B, a check for the Final Retention payable to Tenant shall be delivered by Landlord to Tenant following the completion of construction of the Improvements, provided that (i) Tenant delivers to Landlord properly executed mechanics lien releases in compliance with both California Civil Code Section 3262(d)(2) and either Section 3262(d)(3) or Section 3262(d)(4), (ii) Landlord has reasonably determined that no substandard work exists which materially adversely affects the mechanical, electrical, plumbing, heating, ventilating and air conditioning, life-safety or other systems of the Building, the curtain wall of the Building, the structure or exterior appearance of the Building, or any other tenant's use of such other tenant's leased premises in the Building, and (iii) Tenant delivers to Landlord a certificate from the Architect or Contractor, in a form reasonably acceptable to Landlord, certifying that the construction of the Improvements in the Expansion Space has been substantially completed.

5.2.2.3 **Other Terms**. Landlord shall only be obligated to make disbursements from the Allowance and Space Planning Allowance to the extent costs are incurred by Tenant for the Allowance Items, and Landlord shall only be obligated to make disbursements from the HVAC Restoration Allowance or the Cabling Restoration Allowance to the extent costs are incurred by Tenant for the permitted purposes for each.

5.3 Notwithstanding anything to the contrary in the Lease or this First Amendment, Landlord agrees to pay, at its sole cost and expense, and not from the Allowance, Space Planning Allowance, HVAC Restoration Allowance or the Cabling Restoration Allowance, any increased costs in the performance of the Improvements to the extent resulting from any of the following (each, a "**Landlord TI Event**"): (a) required remediation of Hazardous Materials (such as, by way of example, asbestos or mold), present in the Expansion Space or Building as of the Delivery Date, or (b) violation of any applicable law, code, rule, regulation or ordinance existing in the Building or Expansion Space, on an "as-is" and unoccupied basis, as of the date of this First Amendment, excluding any of the Improvements to be constructed, or modifications to the Expansion Space required by applicable law in connection with the installation of the Improvements to be constructed in the Expansion Space by Tenant, such as but not limited to exiting modifications

due to the configuration of the Expansion Space as built out by Tenant or fire life safety requirements and improvements required by applicable law for the Expansion Space, or (c) any construction or design defect in the Premises or Building that is known by Landlord as of the date hereof, but that would not be reasonably discoverable by Tenant or its consultants upon a reasonable inspection, and, based on the information known to Landlord as of the date hereof, would reasonably be expected to materially delay or increase the cost (or change the scope) of the performance of the Improvements. The Contractor shall perform, at Landlord's sole cost and expense (and not from the Allowance, Space Planning Allowance, HVAC Restoration Allowance and the Cabling Restoration Allowance), provided such costs shall be commercially reasonable, all reasonable work to the extent reasonably necessary relating to each Landlord TI Event affecting the Improvements (or any portion thereof (subject to Landlord's prior review of the written plans and written bids therefor in reasonable detail), and Landlord shall timely and promptly pay the Contractor directly for such work within thirty (30) days after invoicing.

Section 6. Retention of Professionals; Pre-Construction Requirements and Approvals. Prior to Tenant or Contractor commencing any work:

(a) Tenant shall retain an architect/space planner, subject to Landlord's approval, which approval shall not be unreasonably withheld, conditioned or delayed (the "Architect"), and which approval shall be deemed granted unless Landlord provides a reasonable disapproval prior to the third (3rd) business day after receipt by Landlord of Tenant's proposed Architect. Notwithstanding anything to the contrary herein, Tenant may, at Tenant's sole option, and without the need for approval by Landlord, use Wolcott as the Architect. The Architect shall prepare the Space Plan.

(b) Contractor, and its subcontractors and suppliers, shall be subject to Landlord's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall deliver to Landlord notice of its proposed Contractor not later than ten (10) business days after the mutual execution of this First Amendment, and Landlord shall approve or reject the same within three (3) business days after the receipt of notice of Tenant's proposed Contractor provided that such approval shall be deemed granted unless Landlord provides a reasonable disapproval prior to the third (3rd) business day after the receipt of notice of Tenant's proposed Contractor. Notwithstanding anything to the contrary herein, Tenant may, at Tenant's sole option, and without the need for approval by Landlord, use Pinnacle as the Contractor. Contractor shall provide Landlord with a true, complete and correct copy of the construction contract between Contractor and Tenant. So long as the same are reasonably cost competitive, Contractor shall use Landlord's preferred fire-life safety and heating, venting, air-conditioning subcontractors for such work. All subcontractors, laborers, materialmen, and suppliers, and the Contractor, Architect and Engineers shall be known collectively as "Tenant's Agents". During completion of the Improvements, Tenant and Tenant's Agents shall use commercially reasonable efforts avoid creating disputes or conflicts between any labor personnel hired by Tenant or Tenant's Agents and unionized workforce or trades engaged in performing other work, labor or services in or about the Building or in the vicinity. If any dispute or conflict occurs, Tenant, upon demand by Landlord, shall attempt to resolve such dispute or conflict. Tenant shall indemnify and hold Landlord harmless from and against all claims, suits, demands, damages, judgments, costs, interest and expenses (including attorneys fees and costs incurred in the defense thereof) to which Landlord may be subject or suffer when the same arise out of or in connection with the use of, work in, construction to, or actions in, on, upon or about the Expansion Space by Tenant or Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, including any actions relating to the installation, placement, removal or financing of the Improvements and any other improvements, fixtures and/or equipment in, on, upon or about the Expansion Space. Notwithstanding the foregoing or anything to the contrary in this First Amendment or the Lease, Tenant shall have no obligation whatsoever to use union labor (or any other labor subject to a collective bargaining agreement).

(c) All Plans and Specifications shall be subject to Landlord's reasonable prior approval, which approval shall not be unreasonably withheld or delayed and shall be deemed granted if Landlord does not reasonably disapprove the Plans and Specifications within five (5) business days of receipt of such Plans and Specifications from Tenant. Notwithstanding anything contained in this Exhibit B to the contrary, and without limiting Landlord's reasonable discretion to withhold its approval hereunder, it shall be deemed reasonable for Landlord to deny

its consent to any aspect of the Plans and Specifications that (i) adversely affect Building systems, the structure of the Building or the safety of the Building and/or its occupants, (ii) would violate any applicable governmental laws, rules or ordinances; (iii) would require any changes that adversely impact the base, shell and core of the Building, and/or (iv) are inconsistent with the standards of first class office buildings in the vicinity of the Building, as reasonably determined by Landlord and the Contractor. Landlord shall provide a written statement of any disapproval of any Plans and Specifications stating the reasons for Landlord's disapproval. Tenant and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the base building plans, and Tenant and Architect shall be solely responsible for the same, and Landlord shall have no responsibility in connection therewith. Landlord's review of the Plans and Specifications as set forth in this Section 6, shall be for its sole purpose and shall not imply Landlord's approval of the same, or obligate Landlord to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Plans and Specifications are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Tenant agrees that Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Plans and Specifications. After the mutual execution and delivery of this First Amendment by Landlord and Tenant, Tenant shall promptly cause the Architect to complete the architectural and engineering drawings for the Expansion Space, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "Plans and Specifications") and shall submit the same to Landlord for Landlord's approval, which approval shall not be unreasonably withheld, conditioned or delayed and shall be deemed granted unless Landlord provides a written reasonable disapproval thereof to Tenant within five (5) business days after Landlord's receipt of the Plans and Specifications. Tenant shall supply Landlord with two (2) copies certified by the Architect of such Plans and Specifications. If reasonably and timely requested by Landlord, Tenant shall revise the Plans and Specifications in accordance with such review and any disapproval of Landlord in connection therewith. The Plans and Specifications must be approved (which approval shall not be unreasonably withheld, conditioned or delayed, and which approval shall be deemed granted as set forth herein) by Landlord prior to the commencement of construction of the Expansion Space by Tenant. Concurrently with Tenant's submittal of the Plans and Specifications to Landlord for its approval hereunder, Tenant may submit the same to the appropriate municipal authorities for all applicable building permits (provided that such submission shall be at Tenant's sole risk and shall not alter or modify Landlord's right to reasonably approve the Plans and Specifications in accordance with the terms hereof). Tenant hereby agrees that, subject to the terms and conditions of this Exhibit B, neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy (or their substantial equivalent) for the Expansion Space and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy at no material cost to Landlord. No material changes, modifications or alterations in the Plans and Specifications may be made without the prior written consent of Landlord, which consent may not be unreasonably withheld or delayed and shall be deemed granted unless Landlord delivers a written reasonable disapproval thereof to Tenant within five (5) business days following submission by Tenant.

(d) Prior to the commencement of the construction of the Improvements, Tenant shall provide Landlord with a detailed breakdown, by trade, of the final costs to be incurred or which have been incurred in connection with the design and construction of the Improvements to be performed by or at the direction of Tenant or the Contractor, which costs form a basis for the amount of the construction contract with Contractor. Such breakdown shall include Contractor's overhead, profit, and an administration fee equal to one percent (1%) of the Used Allowance (defined below), which shall be deducted from the Allowance and disbursed to Landlord's managing agent to defray said agent's costs for supervision of the construction, review of the Plans and Specifications by Landlord's in-house staff and all other in-house costs incurred by Landlord with respect to the Improvements. The "Used Allowance" is defined as the portion of the Allowance (excluding the Space Planning Allowance, the HVAC Restoration Allowance or the Cabling Restoration Allowance for the calculation of this fee) actually spent by Tenant on hard costs for the Improvements, specifically not including, without limitation, any soft costs or amounts spent on FF&E Items. Notwithstanding anything to the contrary in this First Amendment or the Lease, Landlord shall not be entitled to any other fees or charges in connection with the Improvements except as otherwise provided in this Exhibit B.

(e) Contractor shall submit to Landlord verification of public liability and workmen's compensation insurance as required by Landlord's Building manager (which requirements shall be delivered to Tenant in writing on or before this First Amendment is fully executed).

(f) Landlord and Tenant agree that if the Improvements are actually constructed by Tenant's Contractor at a cost which is less than the Allowance or Space Planning Allowance, or if the supplemental HVAC removal is performed at a cost which is less than the HVAC Restoration Allowance or if the cabling and wiring removal is performed at a cost which is less than the Cabling Restoration Allowance, there shall be no monetary adjustment between Landlord and Tenant or offset against Rent or other sums owed by Tenant to Landlord under the Lease and the entire cost savings shall be retained by Landlord and relinquished by Tenant.

Section 7. Landlord's Administration of Construction. Tenant's Contractor and its subcontractors and suppliers shall be subject to Landlord's reasonable administrative control and supervision. Landlord shall provide the Contractor and its subcontractors free parking in the Building parking facility and reasonable access to the Building, the Building parking facilities, the Existing Premises and the Expansion Space twenty-four (24) hours per day, seven (7) days per week, provided that Tenant and its contractors schedule such access in advance as may be reasonably requested by the Building's property manager, so as to timely complete the Improvements; reasonable use of the freight elevators and loading docks for the movement of Contractor's and its subcontractor's materials and laborers free of charge. Landlord shall not charge Tenant for Contractor's and subcontractors' parking, elevator use, utilities or HVAC during construction of the Improvements and while such Contractor and subcontractors are performing the Improvements. Tenant's subcontractors shall submit schedules of all work relating to the Improvements to Contractor and Contractor shall, within five (5) business days of receipt thereof, inform Tenant's subcontractors of any changes which are necessary thereto, and Tenant's subcontractors shall substantially adhere to such corrected schedule. Tenant shall abide by all reasonable, non-discriminatory rules made by Landlord's Building manager with respect to the storage of materials, coordination of work with the contractors of other tenants, and any other matter in connection with this Exhibit B. From time to time during the construction of the Improvements Tenant shall, promptly upon reasonable request from Landlord, provide reasonable progress reports to Landlord regarding the progress of the preparation of plans and specifications and the construction of the Improvements. In addition, Landlord shall have the right to inquire of Tenant from time to time regarding meetings to be held between Tenant, the Architect and the Contractor, and shall have the right to attend any such meetings. Further, Landlord shall have the right to require Tenant, Architect and the Contractor to meet with Landlord to discuss the progress of the preparation of plans and specifications and the construction of the Improvements, as deemed reasonably necessary by Landlord.

Section 8. Fixed Date for Expansion Date. Tenant acknowledges and agrees that whether or not Tenant has completed construction of the Improvements, the Expansion Date shall be as set forth in Section 3 of the First Amendment.

Section 9. Compliance with Construction Policies. During construction of the Improvements, Tenant's Contractor shall adhere to the Construction Policies specified hereinbelow, which represent Landlord's minimum requirements for completion of the Improvements.

CONSTRUCTION POLICIES

The following policies outlined are the construction procedures for the Building. As a material consideration to Landlord for granting Landlord's permission to Tenant to complete the construction contemplated hereunder, Tenant agrees to be bound by and follow the provisions contained hereinbelow:

Section 10. Administration.

(a) Contractors to notify Building Office prior to starting any work. No exceptions. All jobs must be scheduled by the general contractor or sub-contractor when no general contractor is being used.

(b) The general contractor is to provide the Building Manager with a copy of the projected work schedule for the suite, prior to the start of construction.

(c) Contractor will make sure that at least one set of drawings will have the Building Manager's initials approving the plans and a copy delivered to the Building Office.

(d) As-built construction, including mechanical drawings and air balancing reports will be submitted at the end of each project.

(e) The HVAC contractor is to provide the following items to the Building Manager upon being awarded the contract from the general contractor:

(i) A plan showing the new ducting layout, all supply and return air grille locations and all thermostat locations. The plan sheet should also include the location of any fire dampers.

(ii) An Air Balance Report reflecting the supply air capacity throughout the suite, which is to be given to the Chief Building Engineer at the finish of the HVAC installation.

(f) All paint bids should reflect a one-time touch-up paint on all suites. This is to be completed approximately five (5) days after move-in date.

(g) The general contractor must provide for the removal of all trash and debris arising during the course of construction. At no time are the building's trash compactors and/or dumpsters to be used by the general contractor's clean-up crews for the disposal of any trash or debris accumulated during construction. The Building Office assumes no responsibility for bins. Contractor is to monitor and resolve any problems with bin usage without involving the Building Office. Bins are to be emptied on a regular basis and never allowed to overflow. Trash is to be placed in the bin.

(h) Contractors will include in their proposals all costs to include: additional security (if required), restoration of carpets, etc.

Section 11. Building Facilities Coordination.

Section 12. Housekeeping.

(a) Suite entrance doors are to remain closed at all times, except when hauling or delivering construction materials.

(b) All construction done on the property that requires the use of lobbies or common area corridors will have carpet or other floor protection. The following are the only prescribed methods allowed:

i) Mylar — Extra heavy-duty to be taped from the freight elevator to the suite under construction.

ii) Masonite —1/4 inch Panel, Taped to floor and adjoining areas. All corners, edges and joints to have adequate anchoring to provide safe and "trip-free" transitions. Materials to be extra heavy-duty and installed from freight elevator to the suite under construction.

(c) Restroom wash basins will not be used to fill buckets, make pastes, wash brushes, etc. If facilities are required, arrangements for utility closets will be made with the Building Office.

(d) Food and related lunch debris are not to be left in the suite under construction.

(e) All areas the general contractor or their sub-contractors work in must be kept clean. All suites the general contractor works in will have construction debris removed prior to completion inspection. This includes dusting of all window sills, light diffusers, cleaning of cabinets and sinks. All common areas are to be kept clean of building materials at all times so as to allow tenants access to their suites or the building.

Section 13. Construction Requirements.

(a) All Life and Safety and applicable Building Codes will be strictly enforced (i.e., tempered glass, fire dampers, exit signs, smoke detectors, alarms, etc.). Prior coordination with the Building Manager is required.

(b) Electric panel schedules must be brought up to date identifying all new circuits added.

(c) All electrical outlets and lighting circuits are to be properly identified. Outlets will be labeled on back side of each cover plate.

(d) All electrical and phone closets being used must have panels replaced and doors shut at the end of each day's work. Any electrical closet that is opened with the panel exposed must have a work person present.

(e) All electricians, telephone personnel, etc. will, upon completion of their respective projects, pick up and discard their trash leaving the telephone and electrical rooms clean. If this is not complied with, a clean-up will be conducted by the building janitors and the general contractor will be back-charged for this service.

(f) Welding or burning with an open flame will not be done without prior approval of the Building Manager. Fire extinguishers must be on hand at all times.

(g) All "anchoring" of walls or supports to the concrete are not to be done during normal working hours (7:30 AM—6:00 PM, Monday through Friday). This work must be scheduled before or after these hours during the week or on the weekend.

(h) All core drilling is not to be done during normal working hours (7:30 AM—6:00 PM, Monday through Friday). This work must be scheduled before or after these hours during the week or on the weekend.

(i) All HVAC work must be inspected by the Building Engineer. The following procedures will be followed by the general contractor:

i) A preliminary inspection of the HVAC work in progress will be scheduled through the Building Office prior to the reinstallation of the ceiling grid.

ii) A second inspection of the HVAC operation will also be scheduled through the Building Office and will take place with the attendance of the HVAC contractor's Air Balance Engineer. This inspection will take place when the suite in question is ready to be air-balanced.

iii) The Building Engineer will inspect the construction on a periodic basis as well.

(j) All existing thermostats, ceiling tiles, lighting fixtures and air conditioning grilles shall be saved and turned over to the Building Engineer.

Good housekeeping rules and regulations will be strictly enforced. The building office and engineering department will do everything possible to make your job easier. However, contractors who do not observe the construction policy will not be allowed to perform within this building. The cost of repairing any damages that are caused by Tenant or Tenant's contractor during the course of construction and not remedied within the notice and cure periods set forth in the Lease, shall be deducted from Tenant's Allowance.

SECOND AMENDMENT TO OFFICE LEASE

This Second Amendment to Office Lease (the **"Second Amendment"**), dated December 26, 2013, is made by and between DOUGLAS EMMETT 2008, LLC, a Delaware limited liability company (**"Landlord"**), and BLACKLINE SYSTEMS, INC., a California corporation (**"Tenant"**).

WHEREAS,

A. Landlord, pursuant to the provisions of that certain Office Lease, dated November 22, 2010, a certain Memorandum of Lease Term Dates and Rent dated April 21, 2011, a certain First Amendment to Office Lease dated August 14, 2012 (collectively, the **"Lease"**), leased to Tenant and Tenant leased from Landlord space in the property located at 21300 Victory Boulevard, Woodland Hills, California 91367 (the "**Building**"), commonly known as Suite 1100 and Suite 1200 (the "**Existing Premises**"); and

B. Tenant wishes to expand its occupancy within the Building to include a short-term lease of additional office space in the Building on the eleventh floor of the Building (the "**Expansion Premises**"), which Expansion Premises is shown on Exhibit A and is designated as Suite 1150.

Landlord and Tenant, for their mutual benefit, wish to revise certain other covenants and provisions of the Lease.

NOW, THEREFORE, in consideration of the covenants and provisions contained herein, and other good and valuable consideration, the sufficiency of which Landlord and Tenant hereby acknowledge, Landlord and Tenant agree:

1. Confirmation **of Defined Terms.** Unless modified herein, all terms previously defined and capitalized in the Lease shall hold the same meaning for the purposes of this Second Amendment.

2. **Lease Term for Expansion Premises; Holdover.** The lease term for the Expansion Premises ("**Expansion Premises Term**") shall commence on February 1, 2014 (the "**Expansion Premises Commencement Date**"), and shall continue through and including 11:59 p.m. on July 31, 2014 (the "**Expansion Premises Termination Date**"). Notwithstanding any contrary provision of the Lease with respect to Tenant's holding over in the Existing Premises, solely with respect to the Expansion Premises, if Tenant fails to deliver possession of the Premises on the Expansion Premises Termination Date, and holds over in the Expansion Premises, then such tenancy shall be construed as a month-to-month tenancy on the same terms and conditions as are contained herein, and the Fixed Monthly Rent payable by Tenant during such period of holding (but not to extend after October 31, 2014), shall be equal to one hundred percent (100%) of the Fixed Monthly Rent payable by Tenant for July 2014. If Tenant continues to holdover in the Expansion Premises after October 31, 2014, with or without Landlord's consent, then the terms of Section 2.2 of the Lease shall apply to such holding over.

3. **Delivery Date.** Landlord shall deliver exclusive possession of the Expansion Premises to Tenant, in broom-clean condition and free of any tenancies on the earlier of December 31, 2013 or the next business day after (i) the mutual execution of this Second Amendment by Landlord and Tenant and (ii) payment to Landlord of all funds due to be paid by Tenant upon execution of this Second Amendment; and (iii) delivery of written evidence to Landlord of the insurance covering the Expansion Premises required to be procured and maintained by Tenant under Section 19.2 of the Lease (the "**Delivery Date**"). Tenant's occupancy of the Expansion Premises from and after the Delivery Date and prior to the Expansion Premises Commencement Date (the **"Access Period"**) shall be upon all of the terms and conditions of the Lease, as amended (including insurance coverage), except that during the Access Period Tenant shall not be obligated to pay Fixed Monthly Rent or Additional Rent for the Expansion Premises, or HVAC, janitorial, parking charges (except such parking charges as are due under the Lease with respect to the Existing Premises) during Normal Business Hours for the Expansion Premises until the Expansion Premises Commencement Date, provided that during the Access Period Tenant shall pay for Excess HVAC in accordance with the Lease, and any above-standard janitorial services or other above-standard services. Except as otherwise set forth in this Second Amendment, Landlord shall deliver the Expansion Premises to Tenant, and Tenant shall accept the Expansion Premises, in its "as-is" condition, subject to Landlord's obligations under the Lease and this Second Amendment, and subject to any latent defects of

which Tenant notifies Landlord in writing within six (6) months after the Delivery Date, and subject to the following representations and warranties by Landlord as of the Delivery Date: (a) the Building and mechanical systems serving the Expansion Premises shall be in proper working order and repair; (b) the Building systems serving the Expansion Premises shall provide electrical and HVAC capacity for standard office use consistent with Class A buildings in the Woodland Hills Area, provided that (i) occupancy in the Expansion Premises is, on average, no more than one (1) person for every 200 square feet of Usable Area in the Expansion Premises and (ii) Tenant does not use in the Expansion Premises any above-standard equipment that, in the aggregate with Tenant's other electrical equipment in the Expansion Premises, consumes above-standard levels of electricity or otherwise overloads the Building's electrical systems or creates any safety hazards. If possession of the Expansion Premises is not delivered by Landlord to Tenant in accordance with the terms and conditions of this Second Amendment within five (5) business days after the Delivery Date, then Tenant shall have the right to terminate this Second Amendment by giving written notice to Landlord within ten (10) business days after such failure. Landlord shall have three (3) days after receipt of such notice to cure such failure and, if Landlord has not cured the matter within such time period, this Second Amendment shall terminate upon a second (2nd) written notice from Tenant after such failure to cure. If such notice of termination is not so given by Tenant within said ten (10) business day time period, then this Second Amendment shall continue in full force and effect.

SECOND AMENDMENT TO OFFICE LEASE (continued)

4. **Expansion of Premises.** Landlord and Tenant hereby stipulate that the Expansion Premises contains approximately 4,487 square feet of Rentable Area and approximately 3,793 square feet of Usable Area (which is in accordance with BOMA 2010). As of the Expansion Premises Commencement Date, during the Expansion Premises Term, the definition of the Premises shall be revised to include both the Existing Premises and the Expansion Premises, and wherever in the Lease the word "Premises" is found, it shall thereafter refer to both the Existing Premises and the Expansion Premises together, as if the same had been originally included in said Lease, subject to the terms and conditions of this Second Amendment.

5. **Fixed Monthly Rent; No Operating Expenses.** Commencing on the Expansion Premises Commencement Date, and continuing through the Expansion Premises Termination Date, the Fixed Monthly Rent payable by Tenant for the Expansion Premises shall be $[***] per month.

Concurrent with Tenant's execution and delivery to Landlord of this Second Amendment, Tenant shall pay to Landlord the Fixed Monthly Rent due for the Expansion Premises for February 2014.

For the avoidance of doubt, Operating Expenses shall not be payable with respect to the Expansion Premises (and Tenant's Share shall remain as set forth in the original Lease and shall not be increased in connection with this Expansion Premises and/or this Second Amendment).

6. **Security Deposit.** No Security Deposit and/or letter of credit shall be required in connection with this Second Amendment.

7. **Parking.** Throughout the Expansion Premises Term, with respect to the Expansion Premises, Tenant shall have the right but not the obligation to purchase up to eighteen (18) unreserved parking permits. Commencing on the Expansion Premises Commencement Date and continuing through the Expansion Premises Termination Date, Tenant shall be granted a fifty percent (50%) discount on all parking charges for the above specified allocation of eighteen (18) unreserved permits. Except as modified herein, Tenant's parking rights and obligations shall be as set forth in the Lease, and Tenant's parking rights with respect to the Existing Premises shall not be reduced in any manner.

8. **Acceptance of Expansion Premises.** Subject to the terms and conditions of this Second Amendment and the Lease (including, without limitation, Landlord's covenants, representations and warranties), Tenant has made its own inspection of and inquiries regarding the Expansion Premises, which is already improved. Therefore, subject to the terms and conditions of this Second Amendment and the Lease (including, without limitation, Landlord's covenants, representations and warranties), Tenant accepts the Expansion Premises in its "as-is" condition. Tenant further acknowledges that Landlord has made no currently effective representation or warranty, express or implied regarding the condition, suitability or usability of the Expansion Premises for the purposes intended by Tenant except as set forth in this Second Amendment or the Lease.

9. **Directory Signage.** Tenant may, in its sole discretion, install building standard signage per a building standard location at the entrance of the Expansion Premises at Tenant's sole cost and expense. If required by applicable law (such as, without limitation, any fire codes or regulation), or otherwise desired by Landlord, Landlord shall, at Landlord's sole cost and expense, install building standard signage per a building standard location at the entrance of the Expansion Premises. During the Expansion Premises Term, Tenant, in its sole and absolute discretion, may elect to place up to an additional four (4) names on the directory board, at Landlord's sole cost and expense, subject to space availability. The signage hereunder shall be in addition, and without limitation, to the signage provided under the Lease.

10. **Warranty of Authority.** If Landlord or Tenant signs as a corporation or limited liability company or a partnership, each of the persons executing this Second Amendment on behalf of Landlord or Tenant hereby covenants and warrants that the applicable entity executing herein below is a duly authorized and existing entity that is qualified to do business in California; that the person(s) signing on behalf of either Landlord or Tenant have full right and authority to enter into this Second Amendment; and that each and every person signing on behalf of either Landlord or Tenant are authorized in writing to do so.

If either signatory hereto is a corporation, the person(s) executing on behalf of said entity shall affix the appropriate corporate seal to each area in the document where request therefor is noted, and the other party shall be entitled to conclusively presume that by doing so the entity for which said corporate seal has been affixed is attesting to and ratifying this Second Amendment.

11. **Broker Representation.** Landlord and Tenant represent to one another that it has dealt with no broker in connection with this Second Amendment other than Douglas Emmett Management, LLC and CBRE, Inc. Landlord and Tenant shall hold one another harmless from and against any and all liability, loss, damage, expense, claim, action, demand, suit or obligation arising out of or relating to a breach by the indemnifying party of such representation. Landlord agrees to pay all commissions due to the brokers listed above created by Tenant's execution of this Second Amendment.

12. **Confidentiality.** Landlord and Tenant agree that the covenants and provisions of this Second Amendment shall not be divulged to anyone not directly involved in the management, administration, ownership, lending against, or subleasing of the Premises, which permitted disclosure shall include, but not be limited to, the board members, legal counsel and/or accountants of either Landlord or Tenant.

13. **Governing Law.** The provisions of this Second Amendment shall be governed by the laws of the State of California.

14. **Reaffirmation.** Landlord and Tenant acknowledge and agree that the Lease, as amended herein, constitutes the entire agreement by and between Landlord and Tenant relating to the Premises, and supersedes any and all other agreements written or oral between the parties hereto. Furthermore, except as modified herein, all other covenants and provisions of the Lease shall remain unmodified and in full force and effect.

15. **Submission of Document.** No expanded contractual or other rights shall exist between Landlord and Tenant with respect to the Expansion Premises, as contemplated under this Amendment, until both Landlord and Tenant have executed and delivered this Second Amendment, whether or not any additional rental or security deposits have been received by Landlord, and notwithstanding that Landlord has delivered to Tenant an unexecuted copy of this Second Amendment. The submission of this Second Amendment to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or an option for the Tenant to lease the Expansion Premises, or otherwise create any interest by Tenant in the Expansion Premises or any other portion of the Building other than the original Existing Premises currently occupied by Tenant. Execution of this Second Amendment by Tenant and its return to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has in fact executed and delivered this Second Amendment to Tenant.

THIRD AMENDMENT TO OFFICE LEASE

This Third Amendment to Office Lease (the "**Third Amendment**"), dated June 24, 2014, is made by and between DOUGLAS EMMETT 2008, LLC, a Delaware limited liability company ("**Landlord**"), and BLACKLINE SYSTEMS, INC., a California corporation ("**Tenant**").

WHEREAS,

A. Landlord, pursuant to the provisions of that certain Office Lease, dated November 22, 2010 and a certain Memorandum of Lease Term Dates and Rent dated April 21, 2011 (the "**Original Memorandum**"**,** and collectively, the "**Original Lease**"); as amended by a certain First Amendment to Office Lease dated August 14, 2012 (the "**First Amendment**"); and as further amended by a certain Second Amendment to Office Lease dated December 26, 2013, pursuant to which Tenant leased Suite 1150 (the "**Second Amendment**" and together with the Original Lease and the First Amendment, the "**Lease**"), leased to Tenant and Tenant leased from Landlord space in the property located at 21300 Victory Boulevard, Woodland Hills, California 91367 (the "**Building**"), commonly known as Suite 1100 and Suite 1200 (and Suites 1100 and 1200 shall be referred to herein as the "**Existing Premises**");

B. Tenant wishes to expand its occupancy within the Building to include a lease of the Expansion Premises (as defined below in this Third Amendment);

C. Tenant's short-term lease of Suite 1150 pursuant to the Second Amendment will continue after the expiration of the term of the lease of Suite 1150 on July 31, 2014 upon the terms and conditions specified in Section 2 of the Second Amendment and Section 3 below, and, notwithstanding any contrary provision in the Lease, effective as of the Eleventh Floor Expansion Premises Delivery Date (as defined below), Suite 1150 shall be deemed part of the "Eleventh Floor Expansion Premises" as defined below and shall not comprise any part of the Existing Premises; and

D. The Term of the Lease for the Existing Premises expires at midnight on December 31, 2017, which Term shall be extended as provided in this Third Amendment.

Landlord and Tenant, for their mutual benefit, wish to revise certain other covenants and provisions of the Lease.

NOW, THEREFORE, in consideration of the covenants and provisions contained herein, and other good and valuable consideration, the sufficiency of which Landlord and Tenant hereby acknowledge, Landlord and Tenant agree:

1. **Confirmation of Defined Terms.** Unless modified herein, all terms previously defined and capitalized in the Lease shall hold the same meaning for the purposes of this Third Amendment.

2. **Existing Premises; Expansion Premises.** As used in this Third Amendment, the "**Tenth Floor Expansion Premises**" shall mean, collectively, Suites 1000, 1050 and 1070 (to be collectively designated as Suite 1000) located on the tenth (10th) floor of the Building, and the "**Eleventh Floor Expansion Premises**" shall mean, collectively, Suites 1150, 1180, 1185, 1190 and 1195 (all of which suites shall be collectively designated as part of Suite 1100) located on the eleventh (11th) floor of the Building. As used in this Third Amendment, the term "**Expansion Premises**" shall mean, collectively, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises. The Expansion Premises are depicted on Exhibit A attached hereto and made a part hereof by this reference. Upon the occurrence of the Expansion Premises Commencement Dates (as defined in Section 5 below), the defined "Premises" shall consist of the following:

	Square Feet of Rentable Area	Square Feet of Usable Area	Tenant's Share
Existing Premises			
Suites 1100 and 1200	31,338	27,983	12.61%
Expansion Premises			
Tenth Floor Expansion Premises	22,094	20,171	8.41%
Eleventh Floor Expansion Premises	13,015	10,843	4.88%
Expansion Premises Total	35,109	31,014	13.29%
Premises Total	66,447	58,997	25.90%

The Usable Area of the Expansion Premises is based on the parties' understanding that the Tenant will remove the existing multi-tenant corridors on the tenth (10th) and eleventh (11th) floors at Tenant's sole cost (subject to reimbursement from the Allowance and Space Planning Allowance as defined in Exhibit B attached hereto and hereby incorporated herein by this reference; and, except as otherwise stated in this Third Amendment, all references in this Third Amendment to "Exhibit B" shall mean and refer to said Exhibit B). Landlord represents and warrants that the Usable Area of the Premises has been measured by Stevenson Systems, Inc., an independent planning firm, using the 2010 ANSI/BOMA Standard set forth collectively by the American National Standards Institute and the Building Owners and Managers Association, as a guideline, and that Landlord is utilizing the load factors set forth below to compute the Rentable Area of the Premises (as the defined Premises will be comprised following the last to occur of the Tenth Floor Expansion Premises Commencement Date and the Eleventh Floor Expansion Premises Commencement Date):

	Square Feet of Rentable Area	Square Feet of Usable Area	Load Factor	Tenant's Share
Suite 1000	22,094	20,171	9.535%	9.09%
Suite 1100	22,286	20,176	10.46%	9.09%
Suite 1200	22,067	20,147	9.53%	9.08%
Premises Total	66,447	60,494		27.26%

3. **Extension of Term for the Existing Premises; Extension of Term for Suite 1150.** The Term of the Lease of the Existing Premises is hereby extended from and including January 1, 2018 and shall continue thereafter coterminous with the New Expansion Premises Term (as defined below) through the Termination Date (as defined below in Section 5.1 below).

The term of Tenant's lease of Suite 1150 is hereby extended on a month-to-month basis commencing on August 1, 2014 and continuing through the date immediately prior to the Eleventh Floor Expansion Premises Delivery Date (as defined below) upon the same terms and conditions as are contained in the Second Amendment (except that no holdover rent shall be payable by Tenant for Suite 1150), and, as stated in the Second Amendment, the Fixed Monthly Rent payable by Tenant during such period shall be $[***] per month. Notwithstanding the foregoing or anything to the contrary herein, (a) Landlord shall have no right to terminate the lease of Suite 1150 (except in the event of Landlord's exercise of remedies in accordance with and subject to Article 17 and Article 18 of the Original Lease); (b) Tenant may, at any time after July 31, 2014 (and prior to the Eleventh Floor Expansion Premises Delivery Date), in Tenant's sole and absolute discretion, (i) terminate the existing lease of Suite 1150 by delivering

written notice to Landlord at least five (5) business days prior to the termination date, and (ii) if Tenant exercises its right to terminate the lease of Suite 1150 as set forth in the foregoing clause (i), Tenant shall vacate Suite 1150 not later than the termination date set forth in Tenant's notice and, if Tenant later elects in Tenant's sole and absolute discretion to again lease and occupy Suite 1150 prior to the Eleventh Floor Expansion Premises Delivery Date, then Suite 1150 shall be incorporated in the Lease upon the terms existing as of the date of the date of termination under clause (i) (i.e., the terms set forth in the Second Amendment as modified by this Section 3), by delivering written notice to Landlord at least five (5) business days prior to the date Tenant elects to have Suite 1150 incorporated in the Lease hereunder upon the terms set forth in this Section 3 (without the necessity of further documentation other than the foregoing notice); and (c) upon the Eleventh Floor Expansion Premises Delivery Date, Suite 1150 will become part of the Eleventh Floor Expansion Premises.

4. Contingency for Delivery of Expansion Premises; Anticipated Delivery Dates and New Expansion Premises Term.

4.1 Landlord has represented to Tenant, and hereby represents and warrants to Tenant, as follows (a) Each of the suites comprising the Expansion Premises is currently occupied by tenants pursuant to leases with Landlord; and (b) commencing not later than the date of mutual execution of this Third Amendment, Landlord shall, at Landlord's sole cost and expense, use its diligent best efforts to enforce the surrender provisions of existing leases for the Expansion Premises, relocate certain existing tenants to other space in the Building and/or enter into other agreements requiring the existing tenants to vacate and surrender possession of their premises prior to the anticipated Delivery Dates (as defined in Section 4.2 below) for the Expansion Premises specified in this Section 4 all in order to timely deliver the Expansion Premises to Tenant in the condition required (in all material respects) under this Third Amendment on or before the anticipated Delivery Dates (including, without limitation, by making commercially reasonable relocation payments and concessions to tenants, and having Landlord's contractors work overtime, if necessary). Landlord acknowledges that timing is critical to Tenant in the delivery of the Expansion Premises on or before the anticipated Delivery Dates, and Tenant would not have entered into this Third Amendment but for Landlord's assurances that Landlord would be able to deliver to Tenant exclusive possession of the Expansion Premises, in the condition required herein (in all material respects), by the applicable anticipated Delivery Dates.

If Landlord is unable to deliver possession of the Expansion Premises to Tenant on the anticipated Delivery Dates due to the existing tenants remaining in possession in any of the suites comprising the Expansion Premises, despite Landlord's use of its best efforts to obtain exclusive possession of all of such existing tenants' premises as set forth above, this Third Amendment shall not be void or voidable, nor shall Landlord be liable to Tenant for any damage resulting from Landlord's inability to deliver such possession except as provided in Section 4.3 below.

Landlord shall, at Landlord's sole cost and expense and not as part of the Allowance (as defined in Exhibit B), deliver exclusive possession of the Tenth Floor Expansion Premises and Eleventh Floor Expansion Premises to Tenant in the condition described below in Section 4.2 (in all material respects) so that Tenant may commence the construction of the Improvements (as such term is defined in Exhibit B) on the respective Delivery Dates specified below. Tenant's occupancy of the Expansion Premises from and after the Delivery Dates and prior to the Expansion Premises Commencement Dates (each such period being referred to as an "**Access Period**") shall be upon all of the terms and conditions of the Lease, as amended (including required insurance coverage), except that Tenant shall not be obligated to pay Fixed Monthly Rent or Additional Rent for the Expansion Premises, or, during Normal Business Hours, Building standard HVAC, janitorial or security services for the Expansion Premises until the respective Expansion Premises Commencement Date, provided that during each Access Period Tenant shall pay for Excess HVAC in accordance with the Lease, and any above-standard janitorial or security services voluntarily requested by Tenant. Tenant's contractor parking and other vendor parking and, subject to reasonable advance scheduling, their use of the freight elevator(s), loading docks, hoists and other like items during each Access Period shall be free of charge in connection with work being performed in the Expansion Premises and Existing Premises (with respect to the Improvements). Landlord shall make available reasonably sufficient parking in the Building parking facility for such contractors and vendors. During each Access Period Tenant shall be subject to Landlord's reasonable administrative control and supervision with respect to the Expansion Premises. Tenant shall be entitled to construct the Improvements in the Expansion Premises and Existing Premises in accordance with and subject to

the terms of Exhibit B. Upon delivery, Tenant shall be entitled to possess, occupy, improve and use the entire applicable portion of the Expansion Premises as of the applicable Delivery Date and Tenant shall have no obligation to pay Fixed Monthly Rent or Additional Rent for such Expansion Premises until the applicable Expansion Premises Commencement Date for such Expansion Premises. To Landlord's knowledge, Landlord has received no written notice in effect as of the date of this Third Amendment of any Code or other legal violations relating to the Expansion Premises or Existing Premises, or relating to the Building that would increase the cost of, or time to construct, the Improvements.

4.2 The date that Landlord grants Tenant exclusive possession of the Tenth Floor Expansion Premises, in the condition required in all material respects by this Third Amendment, shall be referred to as the "**Tenth Floor Expansion Premises Delivery Date**" and the date that Landlord grants Tenant exclusive possession of the Eleventh Floor Expansion Premises, in the condition required in all material respects by this Third Amendment, shall be referred to as the "**Eleventh Floor Expansion Premises Delivery Date**" (sometimes referred to individually as a "**Delivery Date**", and collectively as the "**Delivery Dates**"). Each Delivery Date shall not be deemed to have occurred until the applicable Expansion Premises have been delivered to Tenant in the condition required in all material respects under this Third Amendment and Tenant has been granted exclusive possession and access to each suite comprising the applicable floor of the Expansion Premises. The anticipated date for the Tenth Floor Expansion Premises Delivery Date is September 2, 2014, and the anticipated date for the Eleventh Floor Expansion Premises Delivery Date is November 3, 2014. The actual Tenth Floor Expansion Premises Delivery Date and the actual Eleventh Floor Expansion Premises Delivery Date (and the Notice Period Expiration Date and the Early Termination Date, as each such term is defined in Section 11.4), once each is established, shall be documented in a letter prepared by Landlord and executed by Landlord and Tenant promptly after each of the Delivery Dates occurs.

Except as otherwise set forth in this Third Amendment, on each respective Delivery Date Landlord shall, at Landlord's sole cost and expense and not as part of the Allowance (as defined in Exhibit B), deliver the Expansion Premises to Tenant, and Tenant shall accept each of the Expansion Premises, in its "as-is" condition, provided that Landlord shall deliver exclusive possession of each portion of the Expansion Premises to Tenant in accordance with the base building definition attached hereto as Exhibit C, in broom-clean condition and free of any tenancies, subject to Landlord's obligations under the Lease and this Third Amendment, and except for any latent defects of which Tenant notifies Landlord in writing within twelve (12) months after the date of delivery of each of the Expansion Premises to Tenant, and subject to the following representations and warranties by Landlord as of each Delivery Date: (a) the Building and mechanical systems serving the Expansion Premises shall be in proper working order and repair; and (b) the Building systems serving the Expansion Premises shall provide electrical and HVAC capacity for standard office use consistent with Class A buildings in the Woodland Hills Area, provided that (i) occupancy in each floor of the Expansion Premises is, on average, no more than six and one-half (6.50) persons for every 1,000 square feet of Usable Area in the Expansion Premises, and (ii) Tenant does not use in the Expansion Premises any above-standard equipment that, in the aggregate with Tenant's other electrical equipment in the Expansion Premises consumes above-standard levels of electricity or otherwise overloads the Building's electrical systems or creates any safety hazards. Tenant may increase its permissible occupancy density ratio in the Expansion Premises after this Third Amendment is executed from (for each floor) six and one-half (6.50) persons per 1,000 square feet of Usable Area in the Expansion Premises to up to seven and one-half (7.50) persons per 1,000 square feet of Usable Area in the Expansion Premises, on average per floor, as long as Tenant pays for installation of additional VAV boxes, to the extent reasonably necessary as a result of such increase in density to reasonably accommodate the Building systems requirements of the increased density. In such event, Tenant shall deliver notice to Landlord and promptly thereafter Landlord and Tenant shall meet and confer to reasonably agree upon the contractor to perform the work and the plans and specifications for such work.

4.3 Failure to Deliver Expansion Premises By Date Certain.

(a) In the event the Tenth Floor Expansion Premises Delivery Date has not occurred on or before September 2, 2014 for any reason, then, without limiting the following provisions of this Section 4.3(a) or Sections 4.3(b) or 4.3(c) below, Tenant shall receive a day for day abatement of Rent due for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises)

for each day after September 2, 2014 that the Tenth Floor Expansion Premises Delivery Date has not occurred; provided, however, such outside date shall be extended one (1) day for each day the Tenth Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event (defined below); provided further, however, such outside date shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. Without limiting the foregoing, and notwithstanding anything to the contrary in this Third Amendment, in the event the Eleventh Floor Expansion Premises Delivery Date has not occurred on or before November 3, 2014 for any reason, then, without limiting the foregoing provisions of this Section 4.3(a) or Sections 4.3(b) or 4.3(c) below, Tenant shall receive a day for day abatement of Rent due for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises) for each day after November 3, 2014 that the Eleventh Floor Expansion Premises Delivery Date has not occurred provided, however, such outside date shall be extended one (1) day for each day the Eleventh Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event; provided further, however, such outside date shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. Any abatement under this paragraph shall be calculated based on a Rent amount deemed to equal $4,726.95 per day (calculated as of October 2014 for the Existing Premises and as of the first month for each of the Expansion Premises lease terms) and shall immediately be applied to, and offset against, Rent next becoming due and payable under the Lease and shall continue to be applied to, and offset against, Rent due and payable under the Lease until the amount of abatement to which Tenant is entitled under this Section 4.3(a) is exhausted.

(b) Notwithstanding anything to the contrary in this Third Amendment, in the event the Tenth Floor Expansion Premises Delivery Date has not occurred on or before October 2, 2014 for any reason, then, without limiting the following provisions of this Section 4.3(b) or Sections 4.3(a) above or 4.3(c) below, Tenant shall receive abatement of Rent due for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises) in an amount equal to two (2) days of Rent for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises) for each day after October 2, 2014 that the Tenth Floor Expansion Premises Delivery Date has not occurred; provided, however, such outside date shall be extended one (1) day for each day the Tenth Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event; provided further, however, such outside date shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. In the event the Eleventh Floor Expansion Premises Delivery Date has not occurred on or before December 3, 2014 for any reason, then, this Section 4.3(b), or Sections 4.3(a) above or 4.3(c) below, Tenant shall receive abatement of Rent due for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises) in an amount equal to two (2) days of Rent for the entire Premises (including, without limitation, the Existing Premises, the Tenth Floor Expansion Premises and the Eleventh Floor Expansion Premises) for each day after December 3, 2014 that the Eleventh Floor Expansion Premises Delivery Date has not occurred; provided, however, such outside date shall be extended one (1) day for each day the Eleventh Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event; provided further, however, such outside date shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. Any abatement under this paragraph shall be calculated based on a Rent amount which shall be deemed to equal $9,453.91 as two (2) days of Rent (i.e., $4,726.95 per day x 2) (calculated as of October 2014 for the Existing Premises and as of the first month for each of the Expansion Premises lease terms), and shall immediately be applied to, and offset against, Rent next becoming due and payable under the Lease and shall continue to be applied to, and offset against, Rent due and payable under the Lease until the amount of abatement to which Tenant is entitled under this Section 4.3(b) is exhausted.

(c) Notwithstanding anything to the contrary in this Third Amendment, in the event the Tenth Floor Expansion Premises Delivery Date has not occurred on or before November 2, 2014 for any reason, then, without limiting Sections 4.3(a) or 4.3(b) above, or the following provisions of this Section 4.3(c), Tenant shall have the right, in its sole and absolute discretion, to terminate the entire Lease effective at any time thereafter by delivering written notice thereof to Landlord (provided such notice to Landlord shall specify an effective termination date that is not more than one (1) year after the date Tenant first has the right to terminate the Lease under this paragraph) within ten (10) business days after such right to termination is effective in accordance with the terms hereof; provided,

however, such outside date (i) shall be extended one (1) day for each day the Tenth Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event; and (ii)shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. Notwithstanding the foregoing, Tenant may accelerate the termination date upon delivery of thirty (30) days prior written notice at any time after the original termination notice is delivered.

Without limiting the foregoing, in the event the Eleventh Floor Expansion Premises Delivery Date has not occurred on or before to February 3, 2015 for any reason, then, without limiting the foregoing provisions of this paragraph or Sections 4.3(a) or 4.3(b) above, Tenant shall have the right, in its sole and absolute discretion, to terminate the entire Lease effective at any time thereafter by delivering written notice thereof to Landlord (provided such notice to Landlord shall specify an effective termination date that is not more than one (1) year after the date Tenant first has the right to terminate the Lease under this paragraph) within ten (10) business days after such right to termination is effective in accordance with the terms hereof; provided, however, such outside date (I) shall be extended one (1) day for each day the Eleventh Floor Expansion Premises Delivery Date has not occurred solely as a result of Delivery Force Majeure Event; and (II) shall not be extended more than a maximum aggregate combined total of thirty (30) days as a result of Delivery Force Majeure Event. Notwithstanding the foregoing, Tenant may accelerate the termination date upon delivery of thirty (30) days prior written notice at any time after the original termination notice is delivered.

In the event Tenant exercises either of the above-referenced rights to terminate the Lease, then not later than the termination date, Tenant shall vacate the Premises and surrender legal possession thereof in the condition required under the terms of the Lease, and Tenant and Landlord shall be released from liability for any of their obligations under the Lease, except for such obligations as expressly continue after the expiration or earlier termination of the Lease (including, without limitation, any outstanding amounts of Rent owed to Landlord for the time period on and prior to the termination date). In addition, effective upon the date that Landlord receives a notice of termination pursuant to either of the rights to terminate the Lease, (1) Landlord shall have no obligation to disburse any portion of the Allowance or to remodel the lobby of the Building as specified in Section 11.7 of this Third Amendment, (2) all rights of expansion, first offer and exterior and lobby signage rights shall terminate, and (3) Tenant shall permit Landlord to show the Existing Premises to perspective tenants with reasonable prior notice. Within fifteen (15) business days after the date that Landlord receives a notice of termination pursuant to either of the rights to terminate the Lease, and unless Tenant elects to pay Rent for its occupancy of the Temporary Space as specified below in this clause (c), Tenant shall vacate the Temporary Space in the condition required under this Third Amendment (and if Tenant exercises its right to terminate the Lease after the Tenth Floor Expansion Premises have been delivered, Tenant shall return such possession to Landlord on or before the fifteenth (15th) business day after the date that Landlord receives a notice of termination unless Tenant elects to pay Rent for the Tenth Floor Expansion Premises as specified below in this clause (c)). If Tenant delivers a notice of termination pursuant to this clause (c), and elects to continue its occupancy of the Temporary Space, then commencing on the sixteenth (16th) business day after Tenant delivers the termination notice Tenant shall pay Landlord Fixed Monthly Rent for the Temporary Space at the rate of $2.00 per rentable square foot per month (pro-rated for any partial month of occupancy) through and including the date Tenant surrenders possession of the Temporary Space (which shall be not later than the termination date specified in Tenant's notice). If Tenant delivers a notice of termination pursuant to this clause (c), and if the Tenth Floor Expansion Premises Delivery Date has occurred, and if Tenant elects to continue its occupancy of the Tenth Floor Expansion Premises, then commencing on the sixteenth (16th) business day after Tenant delivers the termination notice Tenant shall pay Landlord Fixed Monthly Rent for the Tenth Floor Expansion Premises at the rate of $2.00 per rentable square foot per month (pro-rated for any partial month of occupancy) through and including the date Tenant surrenders possession of the Tenth Floor Expansion Premises (which shall be not later than the termination date specified in Tenant's notice).

(d) "**Delivery Force Majeure Event**" is defined solely as war, "acts of God" or similar catastrophes (not caused by Landlord or any of the Landlord Parties) and unreasonable delays (not caused by Landlord or any of the Landlord Parties) beyond Landlord's reasonable control, by any governmental authorities that could not have been reasonably anticipated by Landlord (and that were not already built into the contingency in Landlord's construction schedule). In the event of a Delivery Force Majeure Event, Landlord shall use its diligent commercially reasonable efforts to cure the Delivery Force Majeure Event in question, at Landlord, sole cost and expense, as soon as

possible. Inability or unwillingness to perform due to financial considerations shall not be considered Delivery Force Majeure Event under any circumstances. If Landlord claims that a Delivery Force Majeure Event has occurred, Landlord shall, as a condition to receiving an extension of the outside delivery dates specified in Sections 4.3 (a), (b) and (c) above, give written notice to Tenant of the Delivery Force Majeure Event within five (5) business days after Landlord first acquiring knowledge of the Delivery Force Majeure Event specifying in reasonable detail the nature thereof and a reasonable estimate of the period that such incident will delay the applicable Delivery Date. Failure to give such notice within such 5-business day period shall nullify any extension of a Delivery Date with respect to the Delivery Force Majeure Event in question.

5. Expansion Premises Commencement Dates and Terms; Swing Space Lease. The Tenth Floor Expansion Premises Commencement Date and the Eleventh Floor Expansion Premises Commencement Date shall be defined as set forth below in this Section 5 (sometimes referred to individually as an "**Expansion Premises Commencement Date**", and collectively as the "**Expansion Premises Commencement Dates**"). Landlord and Tenant shall promptly execute a memorandum (the "**New Expansion Premises Memorandum**") confirming the fmalized Expansion Premises Commencement Dates, and the Fixed Monthly Rent escalation and rent deferral dates as described in Sections 6.1, 6.2, 6.3, 6.4 and 6.5 below as soon as they are determined. Tenant shall execute the New Expansion Premises Memorandum and return it to Landlord within fifteen (15) business days after receipt thereof. Failure of Tenant to timely execute and deliver the New Expansion Premises Memorandum shall constitute an acknowledgement by Tenant that the statements included in such New Expansion Premises Memorandum are true and correct, absent manifest error.

5.1 Tenth Floor Expansion Premises Commencement Date. The lease of the Tenth Floor Expansion Premises shall commence on the date that is the earlier of (a) the date Tenant occupies any material portion of the Tenth Floor Expansion Premises, and conducts material business therein during such occupancy (in a manner that would otherwise indicate that Tenant has accepted the Tenth Floor Expansion Premises) and (b) the one hundred-fiftieth (150th) day after the Tenth Floor Expansion Premises Delivery Date (the "**Tenth Floor Expansion Premises Commencement Date**") and shall end, unless extended or sooner terminated as otherwise provided herein, at 11:59 p.m. local time on the last calendar day of the calendar month which occurs eight (8) years after the Initial Expansion Premises Commencement Date, as defined in Section 5.2 (the "**Termination Date**"). As of the Tenth Floor Expansion Premises Commencement Date, the definition of "Premises" in the Lease shall be revised to include the Existing Premises and the Tenth Floor Expansion Premises (and the Eleventh Floor Expansion Premises, if applicable) for all purposes under the Lease, and the Usable Area, Rentable Area and Tenant Share contained therein (and set forth in Section 3 above) shall be deemed to comprise the Premises. The time period beginning on the Initial Expansion Premises Commencement Date and ending on the Termination Date shall be referred to herein as the "**New Expansion Premises Term**".

5.2 Eleventh Floor Expansion Premises Commencement Date. The lease of the Eleventh Floor Expansion Premises shall commence on the date that is the earlier of (a) the date Tenant occupies any material portion of the Eleventh Floor Expansion Premises and conducts material business therein during such occupancy (in a manner that would otherwise indicate that Tenant has accepted the Eleventh Floor Expansion Premises), and (b) the one hundred-fiftieth (150th) day after the Eleventh Floor Expansion Premises Delivery Date (the **"Eleventh Floor Expansion Premises Commencement Date**") and shall continue thereafter coterminous with the New Expansion Premises Term and shall end, unless extended or sooner terminated as otherwise provided herein, at 11:59 p.m. local time on the Termination Date. As of the Eleventh Floor Expansion Premises Commencement Date, the definition of "Premises" in the Lease shall be revised to include the Existing Premises and the Eleventh Floor Expansion Premises (and, if applicable, the Tenth Floor Expansion Premises) for all purposes under the Lease, and the Usable Area, Rentable Area and Tenant Share contained therein (and set forth in Section 3 above) shall be deemed to comprise the Premises. The date that is the earlier to occur of the Tenth Floor Expansion Premises Commencement Date, or the Eleventh Floor Expansion Premises Commencement Date, is defined herein as the "**Initial Expansion Premises Commencement Date**".

Notwithstanding anything to the contrary in this Third Amendment, each Expansion Premises Commencement Date shall be extended by the number of days on which there is any delay in the construction of the Improvements resulting from Landlord Delay (as defined below) or Force Majeure (as defined in the Lease). As used herein, a

"**Landlord Delay**" shall mean any actual delay in the completion of the Improvements as a result of Landlord's breach or material default under this Third Amendment (including, without limitation, any breach of representation or warranty); any delays relating to any of the matters specified in Section 5.3 of Exhibit B; any failure to respond to any items required to be furnished or approved by Landlord within a time period expressly set forth in this Third Amendment or the Lease (unless a deemed approval is specified, in which case no Landlord Delay shall be assessed); Landlord's failure to allow contractors access to the Building or Premises as scheduled in advance with the Building's property manager or Landlord's request for material changes in the fmal Plans and Specifications after Landlord's approval thereof (unless such request was caused by an error or omission by Tenant), provided, however, that notwithstanding the foregoing, no Landlord Delay shall be deemed to have occurred unless and until Tenant has delivered to Landlord a factually correct written notice (the "**Landlord Delay Notice**"), specifying the bona fide action or inaction which Tenant contends constitutes the Landlord Delay. If such action or inaction is not cured by Landlord within two (2) business days of Landlord's receipt of such Landlord Delay Notice, then the Landlord Delay shall be deemed to have occurred as of the expiration of such two (2) business day period. A delay in construction of the Improvements due to a Tenant Delay (as defined in Exhibit B, attached to and part of the Original Lease), any Force Majeure event or a delay by any governmental authority (including but not limited to the City of Los Angeles) shall not be deemed a Landlord Delay. Any Landlord Delay Notice shall be sent to the notice address set forth in the Lease with copies to (a) to the property manager at the management office of the Building; and to (b) Douglas Emmett Management LLC, 808 Wilshire Boulevard, Suite 200, Santa Monica, California 90401, Attention: Leasing Legal Department Manager.

5.3 Temporary Lease of Swing Space. Upon the mutual execution of this Third Amendment (and provided Tenant delivers evidence of insurance coverage required under the Lease and incorporating the Temporary Space within such policy), Tenant shall have the right to temporary exclusive use and possession of Suites 600, 630 and 690 in the Building comprised of a total of 10,323 rentable square feet, which shall not be included in the "Premises" square footage (collectively, the "**Temporary Space**"). Such temporary possession shall be upon all the same terms and conditions as are contained in the Lease for the Existing Premises (including, without limitation, with respect to utilities and services to be provided by Landlord, and the ratio for parking permits allocated and parking discounts available to Tenant), except as provided in this Section 5.3 and provided that (i) Tenant shall have no obligation to pay Fixed Monthly Rent or Additional Rent (except to the extent the definition of the term "Additional Rent" includes any services Tenant voluntary requests with respect to which the Lease provides for payment by Tenant, such as but not limited to Excess HVAC) for the Temporary Space and (ii) Tenant shall be permitted to occupy the Temporary Space for a time period commencing upon the date Tenant first occupies the Temporary Space (estimated to be one day after the mutual execution of this Third Amendment, and which Tenant may do at any time after mutual execution of this Third Amendment), until the date that is thirty (30) days after the last Expansion Premises Commencement Date ("**Temporary Space Expiration Date**"). If Tenant fails to timely vacate the entire Temporary Space on or before the Temporary Space Expiration Date, Tenant shall. commencing on the day immediately after the Temporary Space Expiration Date, pay Landlord for any period of occupancy thereafter Fixed Monthly Rent for the Temporary Space at the rate of $2.00 per rentable square foot per month (pro-rated for any partial month of occupancy) through and including the date Tenant surrenders possession of the Temporary Space. If Tenant fails to deliver possession of the Temporary Space to Landlord after the expiration of ninety (90) days after Temporary Space Expiration Date, then commencing on the ninety-first day (91st) day after the Temporary Space Expiration Date, the Fixed Monthly Rent for the Temporary Space shall t be increased to $2.19 per rentable square foot per month through and including the date Tenant surrenders possession of the Temporary Space. Except as set forth in this Third Amendment, Tenant shall accept the Temporary Space in its "as-is" condition, and shall maintain the Temporary Space in the condition received, ordinary wear and tear and casualty damage and acts or omissions of Landlord (or any Landlord Parties) excepted, perform any repairs required due to damage to the Premises caused by Tenant (subject to Section 19.4 of the Original Lease), and shall keep the Temporary Space neat and clean during Tenant's occupancy thereof, at Tenant's sole cost (and Tenant shall otherwise not have any maintenance or repair obligations with respect to the Temporary Space). Except as set forth in this Third Amendment, Landlord makes no representations or warranties regarding the Temporary Space, provided that Landlord shall deliver exclusive possession of the Temporary Space to Tenant upon mutual execution and delivery of this Third Amendment, in broom-clean condition and free of any tenancies, subject to Landlord's obligations under the Lease and this Third Amendment, and except for any latent defects of which Tenant notifies Landlord in writing, and subject to the following representations and warranties by Landlord: (a) the Building and

mechanical systems serving the Temporary Space shall be in proper working order and repair; and (b) the Building systems serving the Temporary Space shall provide electrical and HVAC capacity for standard office use consistent with Class A buildings in the Woodland Hills Area, provided that (i) occupancy of the Temporary Space is, on average, no more than six and one-half (6.50) persons for every 1,000 square feet of Usable Area in the Temporary Space, and (ii) Tenant does not use in the Temporary Space any above-standard equipment that, in the aggregate with Tenant's other electrical equipment in the Temporary Space consumes above-standard levels of electricity or otherwise overloads the Building's electrical systems or creates any safety hazards. Tenant may increase its permissible occupancy density ratio in the Temporary Space after this Third Amendment is executed from six and one-half (6.50) per 1,000 square feet of Usable Area in the Temporary Space to up to seven and one-half (7.50) persons per 1,000 square feet of Usable Area in the Temporary Space, as long as Tenant pays for installation of additional VAV boxes, to the extent reasonably necessary as a result of such increase to reasonably accommodate the Building systems requirements of the increased density. In such event, Tenant shall deliver notice to Landlord and promptly thereafter Landlord and Tenant shall meet and confer to reasonably agree upon the contractor to perform the work and the plans and specifications for such work. Tenant may perform minor improvements in the Temporary Space at Tenant's sole cost and expense (including, without limitation, the demolition work shown on Exhibit C attached hereto and made a part hereof), provided that the plans for such work (other than for the demolition of the walls depicted on Exhibit C) shall be subject to Landlord's prior review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The reference in Exhibit C to preserving the doors shall mean that Landlord shall, at Landlord's sole cost and expense, be responsible for the removal and storage of such doors. It shall be reasonable for Landlord to object to any improvements that will leave the Temporary Space in a condition that Landlord reasonably determines is not marketable unless Tenant agrees to restore the Temporary Space in accordance with plans reasonably approved by Landlord and repair any damage caused thereby, at Tenant's sole cost (subject to Section 19.4 of the Original Lease); provided, however, notwithstanding the foregoing or anything to the contrary in the Lease, Tenant shall have the right, and Landlord hereby approves Tenant's plan to demolish any or all of the walls marked for demolition in the Temporary Space as depicted on Exhibit C attached hereto, and shall not have any obligation to restore any such demolished walls or other items relating thereto. Tenant shall surrender the Temporary Space to Landlord in broom-clean condition, free of debris and trash and any of Tenant's personal property, furniture, fixtures and equipment that, with respect to new improvements, do not otherwise become a part of the Real Property, pursuant to the provisions contained in Section 7.2 of the Original Lease, and Tenant shall not otherwise have any restoration obligations with respect to the Temporary Space; provided, however, notwithstanding the foregoing, Tenant may leave, and shall not be obligated to remove from the Temporary Space, any and all cabling and wiring (including, without limitation, cabling and wiring installed by Tenant). In addition, subject to Section 19.4 of the Original Lease, upon surrender of the Temporary Space Tenant shall repair any damage caused by Tenant, at Tenant's sole cost and expense.

7. Credit Enhancements.

7.1 Modification to Security Deposit. Landlord acknowledges that it currently holds the sum of $[***]as a Security Deposit under the Lease, which amount Landlord shall continue to hold through the New Expansion Premises Term, in accordance with the terms and conditions of the Lease, unless otherwise applied pursuant to the provisions of the Lease. Concurrent with Tenant's execution and tendering to Landlord of this Third Amendment, Tenant shall tender to Landlord the sum of $[***], which amount Landlord shall add to the Security Deposit already held by Landlord, so that thereafter, through the New Expansion Term, provided the same is not otherwise applied, Landlord shall hold a total of $[***]as a Security Deposit on behalf of Tenant. Tenant hereby waives the provisions of Section 1950.7 of the California Civil Code, and all other laws, statutes, ordinances or other governmental rules, regulations or requirements now in force or which may hereafter be enacted or promulgated, which (i) establish the time frame by which Landlord must refund a security deposit under a lease, and/or (ii) provide that Landlord may claim from the Security Deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Tenant or to clean the Premises, it being agreed that Landlord may, in addition, claim those sums specified in Lease Article 18 and/or those sums reasonably necessary to compensate Landlord for any loss or damage caused by Tenant's breach of the Lease or the acts or omission of Tenant or any Tenant Party (as defined in the Lease).

7.2 Modifications to the Letter of Credit. Landlord is the beneficiary under a certain Irrevocable Standby Letter of Credit No ### dated January 13, 2011 issued by Silicon Valley Bank (the "**Letter of Credit**") in the principal amount of $[***] (the "**LC Amount**"). The Letter of Credit was issued in connection with Article 27 of the Original Lease as collateral for the full and faithful performance by Tenant of all of its obligations under the Lease. Article 27 of the Original Lease provides, among other things, that the LC Amount shall be reduced on certain dates and in certain amounts as more particularly set forth in the last grammatical paragraph of Article 27. The final date of expiry of the Letter of Credit is December 15, 2017. Landlord and Tenant hereby agree that the terms of Article 27 of the Original Lease are hereby amended as follows:

(a) The final date of expiry of the Letter of Credit shall be sixty (60) days after the Termination Date as defined above in this Third Amendment ("**New Letter of Credit Expiration Date**"); and

(b) The LC Amount shall remain the LC Amount without reduction through the New Letter of Credit Expiration Date, and the last grammatical paragraph of Article 27 of the Original Lease is hereby deleted in its entirety and shall be of no force or effect.

On or before July 31, 2014, Tenant shall deliver to Landlord, a replacement Letter of Credit or amendment to the Letter of Credit which incorporates the changes set forth above in clauses (a) and (b).

8. **Proposition 13.** Notwithstanding any other provision of the Lease, if at any time commencing on the Initial Expansion Premises Commencement Date and expiring on the last calendar day of the sixtieth (60") full calendar month thereafter ("**Protection Period**"), any sale, transfer or change in ownership of, or construction relating to, the Building or Project, or any portion thereof or any interest therein, is consummated and, solely as a result of such sale, transfer or change in ownership, or construction, all or part of the Building or Project is reassessed ("**Reassessment**") for real estate tax purposes by the appropriate government authority under the terms of Proposition 13, the terms of this Section 8 shall apply. In the event Proposition 13 is repealed or modified, the provisions of this Section 8 shall be applied as if no such repeal or modification was effective.

8.1 Tax Increase. For purposes of the Lease, as amended hereby, the term "**Tax Expenses**" shall mean collectively, all general and special real estate taxes, increases in assessments or special assessments and any other ad valorem taxes, rates, levies and assessments paid during a calendar year (or portion thereof or any interest therein) upon or with respect to the Building and the personal property used by Landlord to operate the Building, whether paid to any governmental or quasi-governmental authority, and all taxes specifically imposed in lieu of any such taxes (but excluding taxes referred to in Section 3.4 of the Original Lease for which Tenant or other tenants in the Building or Project are liable), and Appeal Fees (as defined in Article 4 of the Original Lease) but solely to the extent that the Appeal Fees result directly in a reduction of taxes otherwise payable by Tenant. For purposes of the Lease, "**Tax Increase**" shall mean that portion of Tax Expenses, as calculated immediately following any such Reassessment that is attributable solely to the Reassessment, and all increases relating to such portion (including, without limitation, annual statutory increases). Accordingly, a Tax Increase shall not include any portion of Tax Expenses as calculated immediately following the Reassessment that is attributable to:

(i) any assessment immediately prior to the Reassessment of the value of the Real Property, Building, the base Building, or the tenant improvements located in the Building; or

(ii) assessments pending immediately before the Reassessment that were conducted during, and to the extent included in, that Reassessment; or

(iii) except with respect to the Tax Increase, as set forth above, the annual inflationary increase in real estate taxes permitted under California law but not in excess of two percent (2%) per annum; or.

(iv) any real property taxes and assessments incurred solely during the Expansion Premises Base Year (as defined below) which are included in the calculation of Tax Expenses for the Expansion Premises Base Year, it being understood that all reassessments with respect to transactions occurring during (and prior) to the Expansion Premises Base Year or Existing Premises Base Year, as applicable, will be included as part of Tax Expenses for the Expansion Premises Base Year or Existing Premises Base Year, as applicable.

(a) During the first two (2) years of the Protection Period, Tenant shall not be obligated to pay any portion the Tax Increase allocable to any Reassessment (or any increases based on such portion);

(b) During the third year of the Protection Period Tenant shall only be obligated to pay twenty-five percent (25%) of the Tax Increase allocable to any Reassessment that would otherwise be included in Operating Expenses (or any increases based on such portion);

(c) During the fourth year of the Protection Period Tenant shall only be obligated to pay fifty percent (50%) of the Tax Increase allocable to any Reassessment that would otherwise be included in Operating Expenses (or any increases based on such portion);

(d) During the fifth year of the Protection Period Tenant shall only be obligated to pay seventy-five percent (75%) of the Tax Increase allocable to any Reassessment that would otherwise be included in Operating Expenses (or any increases based on such portion);

After the expiration of the Protection Period and thereafter through the New Expansion Premises Term, the 100% of any Tax Increase allocable to any Reassessment shall be included as part of Tax Expenses, and this Section 8 shall have no force or effect.

The amount of Tax Expenses which Tenant is not obligated to pay and will not be obligated to pay during the initial Lease Term in connection with any such Reassessment shall be sometimes referred to hereafter as a "**Proposition 13 Protection Amount.**" If the occurrence of any such Reassessment is reasonably foreseeable by Landlord and the Proposition 13 Protection Amount attributable to such Reassessment can be reasonably quantified or estimated for each year during the Protection Period commencing with the year in which such Reassessment will occur, then upon notice to Tenant, Landlord shall have the right to purchase the Proposition 13 Protection Amount relating to the Reassessment, at any time during the initial Lease Term, by paying to Tenant an amount equal to the Proposition 13 Purchase Price (as defined below), provided that the right of any successor of Landlord to exercise its right of repurchase hereunder shall not apply to any Reassessment which results from the event pursuant to which such successor of Landlord became the Landlord under this Lease. As used herein, "Proposition 13 Purchase Price" shall mean the present value of the Proposition 13 Protection Amount remaining during the initial Term, as of the date of payment of the Proposition 13 Purchase Price by Landlord. Such present value shall be calculated (i) by using the portion of the Proposition 13 Protection Amount attributable to each remaining year in the initial Term (as though the portion of such Proposition 13 Protection Amount benefited Tenant at the end of each year), as the amounts to be discounted, and (ii) by using discount rates for each amount to be discounted equal (A) the average rates of yield for United States Treasury Obligations with maturity dates as close as reasonably possible to the end of each year during which the portions of the Proposition 13 Protection Amount would have benefited Tenant, which rates shall be those in effect as of Landlord's exercise of its right to purchase, plus (B) two percent (2%) per annum. Upon such payment of the Proposition 13 Purchase Price, the protection provisions of this Section 8 shall not apply to any Tax Increase attributable to the Reassessment. Landlord acknowledges and agrees that where Landlord is required to reasonably estimate the Proposition 13 Purchase Price amount in order to exercise its repurchase right hereunder, and such price is deemed to be estimated because a Reassessment has not yet occurred, then when such Reassessment occurs, if Landlord has underestimated the Proposition 13 Purchase Price it shall within a commercially reasonable time period account to Tenant for the balance of the Proposition 13 Purchase Price due Tenant as a Rent credit, and if Landlord overestimates the Proposition 13 Purchase Price, then upon notice by Landlord to Tenant, Rent next due shall be increased by the amount of such overestimation. If Tenant provides notice to Landlord that Tenant disputes the Proposition 13 Purchase Price offered Tenant by Landlord prior to any such Reassessment the Landlord agrees to place the amount that is disputed between the parties (with the undisputed amount being paid to Tenant) into an interest bearing escrow account in joint names until such

Reassessment takes place and all Proposition 13 Purchase Price amount can be correctly calculated to the satisfaction of the parties and adjustments made to the amount to be paid to Tenant, including the release of moneys held in escrow. Where the Landlord has a signed tri-party agreement with the purchaser or transferee from the Landlord and Tenant entered into prior to any transfer, sale or change of ownership of the Building or Project that will trigger Reassessment and the parties have agreed to provide Tenant any portion of the Proposition 13 Purchase Price underpaid by Landlord as a credit against the next rent due until the same has been fully exhausted then at Tenant's election such underpayment may be recovered during the Term by way of rent credit. If in anticipation of the transfer, sale or change of ownership of the Building or Project the Landlord has paid Tenant the Proposition 13 Purchase Price and following such payment Tenant is notified in writing by Landlord that the transfer, sale or change of ownership of the Building or Project has been aborted and will not proceed then Tenant shall, following reasonably enquiry to confirm no such transfer, sale or change of ownership has taken place, upon Tenant's receipt of reasonable evidence thereof, return the Proposition 13 Purchase Price to Landlord within a reasonable period of time after receipt of written notice demanding such reimbursement, less amounts overpaid as Tax Expenses due to the transaction in question, and less Tenant's costs and expenses incurred in connection with the transaction in question.

9. Proposition 8. Notwithstanding anything to the contrary set forth in the Lease, the amount of Tax Expenses for the Expansion Premises Base Year and the Existing Premises Base Year, as applicable, shall each be calculated without taking into account any decreases in taxes obtained in connection with Proposition 8, and, therefore, the Tax Expenses in the applicable Base Year may be greater than those actually incurred by Landlord, but shall, nonetheless, be the Tax Expenses for each of the Expansion Premises Base Year and the Existing Premises Base Year, as applicable, under the Lease; provided that (a) any costs and expenses incurred by Landlord in securing any Proposition 8 reduction shall not be deducted from Tax Expenses nor included in Tax Expenses for purposes of the Lease (and shall be at Landlord's sole cost and expense), and (b) tax refunds under Proposition 8 shall not be deducted from Tax Expenses nor refunded to Tenant, but rather shall otherwise be the sole property of Landlord. Landlord and Tenant acknowledge that this paragraph is not intended to in any way affect (i) the inclusion in Tax Expenses of the statutory annual increase in Tax Expenses (currently 2% per annum), or (ii) the inclusion or exclusion of Tax Expenses pursuant to the terms of Proposition 13, which shall be governed pursuant to the terms and conditions of Section 8).

10. Parking Permits; Parking Discounts.

10.1 Expansion Premises. Notwithstanding any contrary provision in the Lease, as amended, throughout the New Expansion Premises Term, with respect to the Expansion Premises, Tenant shall have the right but not the obligation to purchase up to five (5) parking permits per one thousand (1,000) square feet of Rentable Area in the Expansion Premises (which equates to 176 permits), of which twelve (12) permits shall be, at Tenant's sole option, for reserved parking stalls on the "G" (ground) level accessed at the Canoga Avenue entrance, or the "Bl" level (i.e., the 1st underground level) as designated by Tenant. Tenant's reserved spaces under the Lease (including, without limitation, with respect to the Existing Premises) shall be non-tandem and located on such "G" level and "Bl" level, and, to the extent available in the Building parking facility, shall be non-compact (i.e., full-sized) spaces on such "G" level and "Bl" level, or any other level in the Building parking facility mutually agreed upon between Landlord and Tenant. Subject to availability, Landlord shall allow Tenant to relocate any of its reserved spaces to other available spaces in the Building parking facility. Except for the discount specified in Section 10.3 below, and notwithstanding any contrary provision of the Lease, Tenant's parking permits shall allow Tenant to park in the Building parking facility at the posted monthly parking rates and charges then in effect, including any and all applicable taxes, provided that such rates may be changed from time to time, in Landlord's sole discretion, subject to the last sentence of this paragraph. The parking permit rates in effect as of the date of this Third Amendment are as follows: $93.00 per month per single unreserved permit (including City of Los Angeles taxes), and $148.00 per month per single reserved permit (including City of Los Angeles taxes). Landlord agrees that the parking permit rates at the Building shall remain comparable to the rates being charged at comparable Class A buildings in the Warner Center area.

10.2 Existing Premises. The terms governing Tenant's parking rights and obligations with respect to the Existing Premises as set forth in the Lease shall remain without modification through December 31, 2017 (except as set forth above in Section 10.1). Beginning on January 1, 2018 and continuing throughout the remainder of the New Expansion Premises Term, with respect to the Existing Premises, Tenant shall have the right but not the obligation to purchase up to the same number and type of permits currently permitted to be purchased for the Existing Premises (which is 150 unreserved permits and 7 reserved permits) provided that except for the discount specified below in Section 10.3, and notwithstanding any contrary provision of the Lease, effective January 1, 2018, Tenant's parking permits shall allow Tenant to park in the Building parking facility at the posted monthly parking rates and charges then in effect, including any and all applicable taxes, provided that such rates may be changed from time to time, in Landlord's sole discretion, subject to the last sentence of Section 10.1 above.

10.3 Discounts. With respect to the parking permits and validations purchased for the Expansion Premises, commencing on the Initial Expansion Premises Commencement Date and continuing throughout the New Expansion Premises Term Tenant shall receive a fifty percent (50%) discount on all permits and validations purchased pursuant to the Lease (so long as such visitor validations are purchased by Tenant on a bulk basis in increments of $500.00). With respect to the parking permits and validations purchased for the Existing Premises, commencing on January 1, 2018 and continuing throughout the New Expansion Premises Term Tenant shall receive a fifty percent (50%) discount on all permits and validations purchased pursuant to the Lease (so long as such visitor validations are purchased by Tenant on a bulk basis in increments of $500.00), provided that all other parking discounts for the Existing Premises (whether for permits or validations) shall expire at 11:59 p.m. local time on December 31, 2017.

Except as modified herein, Tenant's parking rights and obligations shall be as set forth in Article 21 of the Lease, and Tenant's parking rights with respect to the Existing Premises shall not be reduced in any manner (subject to the change in discount rates set forth herein).

11. Miscellaneous Amendments. The Lease is hereby amended as set forth in this Section 11 (all Section and Article references shall be references to the Original Lease unless specified otherwise).

11.1 Option to Extend Term. The Option (as defined in Section 23.1 of the Original Lease) to extend the Lease Term set forth in Article 23 and amended in Section 9.1 of the First Amendment is hereby amended to (a) include the Existing Premises and the Expansion Premises; (b) change the reference to the Termination Date to the Termination Date as defined in this Third Amendment; and (c) allow Tenant to exercise the Option with respect to any one or more full floors. Furthermore, Section 23.5 of the Original Lease is hereby deleted in its entirety, and, notwithstanding any other provision of the Lease, the Option may be exercised by Tenant or any Affiliate assignee or any other permitted assignee.

11.2 Right of First Offer. The "**Right of First Offer**" shall mean the right of first offer set forth in Sections 24.1, 24.2 and 24.3 of the Original Lease, as amended by Section 9.2 of the First Amendment. The Right of First Offer shall remain in full force and effect except as amended as follows:

(a) Section 24.1a) of the Original Lease is hereby deleted in its entirety and Landlord and Tenant agree that the right of first offer shall be subject and subordinate only to the following written rights, in their form and content existing as of the date of this Third Amendment, granted to other tenants in the Building prior to the date hereof (collectively, the "**Superior Rights**"): Aris Mortgage Company, LLC ("**Aris**"), Suite 900: a right to expand and a right of first refusal for the remaining portion of the 9th floor (both rights expire on November 30, 2014); and Landlord agrees not to grant Aris any extension of its expansion right or its right of first refusal and, notwithstanding anything to the contrary in the Lease, after November 30, 2014, Tenant's right of first offer shall not be subject or subordinate to any rights of Aris; Liberty Mutual Insurance Company, Suite 800: a right of first refusal on any contiguous space on the 8th floor; Western Pacific Housing, Suite 700: a right of first negotiation to any space on the 7th floor; Carlson Wagonlit, Suite 500: a right of first offer to any contiguous space on the 5th floor; and Tobin Lucks, Suites 300, 200 and 460: a right of first refusal on any space on 4th or 5th floors. Notwithstanding anything to the contrary herein, (i) Landlord shall not expand or extend or otherwise modify in a manner adverse to Tenant any Superior Rights, and (ii) Landlord shall not renew or extend (or allow the renewal or extension), whether pursuant to the lease agreement with Aris or otherwise, the initial term of the Aris Extension (as defined in Section 11.3 below), or the initial term of any other tenant or occupant of any space currently leased

by Aris, unless Landlord first allows Tenant the opportunity to lease such space pursuant to its right of first offer hereunder and its right of first refusal under the Lease. Landlord represents and warrants to Tenant that the Superior Rights (in their form and content existing as of the date of this Third Amendment) are the sole and exclusive rights that are superior to Tenant's right of first offer. Additionally, at such time as Landlord delivers a notice to Tenant regarding the potential lease of any of the Expansion Premises under Section 24.1, Landlord shall be deemed to have represented and warranted to Tenant that the rights of all holders of Superior Rights are no longer in effect with respect to the Expansion Premises in question and the particular transaction in question.

(b) The "**Expansion Premises**" as defined in Section 24.1 shall mean, solely for purposes of the right of first offer and not with respect to the right of first refusal, any demised office space in the Building that is equal to or greater than 5,000 rentable square feet.

(c) Notwithstanding anything to the contrary in the Lease, the Right of First Offer shall remain effective as of the date this Third Amendment is mutually executed and shall continue in effect through the expiration of the New Expansion Premises Term (as may be extended), and the Right of First Offer shall be a continuing right and shall not expire or terminate during the New Expansion Premises Term (as may be extended).

Notwithstanding anything in the Lease or this Third Amendment, (i) the Right of First Offer may be exercised by Tenant or any Affiliate assignee, or any other permitted assignee, (ii) Tenant's exercise of its Right of First Offer and/or Right of First Refusal shall not affect Tenant's right to exercise its Termination Option in the Lease; and (iii) the terms of Section 24.5 of the Original Lease shall remain in full force and effect (subject to Landlord's obligations under this Third Amendment).

11.3 Right of First Refusal. The "**Right of First Refusal**" shall mean the right of first refusal set forth in Section 24.4 of the Original Lease, as amended by Section 9.2 of the First Amendment. Notwithstanding any contrary provision of the Lease, the Right of First Refusal shall apply solely to any demised space on the ninth (9th) floor of the Building that is vacant and available to lease to third parties (or Landlord has knowledge that such space will be available in the reasonably near future). Landlord and Tenant agree that, until November 30, 2014, the right of first refusal shall be subject and subordinate only to a right of expansion and a right of first refusal for the remaining portion of the 9th floor (both of which rights expire on November 30, 2014) granted to Aris. Notwithstanding the foregoing, in the event Landlord enters into an extension of the term of the Aris lease commencing on December 1, 2014 (which may be for any time period and may or may not include a lease of all or a portion of the remaining unoccupied 9th floor of the Building, in Landlord's sole and absolute discretion (the "**Aris Extension**"); provided, however, if Aris or any other tenant leases less than the entire 9th floor, then if Tenant leases any space on the 9th floor pursuant to its right of first offer or right of first refusal under the Lease, Landlord shall, at its sole cost and expense, and not as part of Operating Expenses, construct a Building standard multi-tenant corridor on the 9th floor in accordance with Landlord's plans and specifications in accordance with a construction schedule consistent with the delivery of the applicable ninth (9th) floor space to Tenant. Landlord agrees not to grant Aris any extension of its expansion right or its right of first refusal and, notwithstanding anything to the contrary in the Lease, on and after November 30, 2014, Tenant's right of first refusal shall not be subject or subordinate to the rights of Aris or any other tenant. Notwithstanding anything to the contrary in the Lease, the Right of First Refusal Period shall mean the time period commencing on the date this Third Amendment is mutually executed and ending upon the expiration of the New Expansion Premises Term (as may be extended), and the Right of First Refusal shall be a continuing right and shall not expire or terminate during the New Expansion Premises Term (as may be extended). Landlord represents and warrants to Tenant that the rights of Aris (as set forth above) are the sole and exclusive rights that are superior to Tenant's right of first refusal, and that the rights of Aris unconditionally expire and terminate on November 30, 2014. Additionally, without limiting the foregoing, at such time as Landlord delivers a notice to Tenant regarding the potential lease of any of the Expansion Premises under Section 24.4 of the Original Lease, Landlord shall be deemed to have represented and warranted to Tenant that the rights of Aris are no longer in effect with respect to the Expansion Premises in question and particular transaction in question.

Notwithstanding anything to the contrary in the Lease, the Right of First Refusal may be exercised by Tenant or any Affiliate assignee or any other permitted assignee.

11.4 Termination Option. The "**Termination Option**" shall mean the option granted to Tenant to terminate the Lease early as set forth in Article 25 of the Original Lease and as amended by Section 9.3 of the First Amendment. The Termination Option shall remain in full force and effect and shall include the Expansion Premises, except that such Termination Option is hereby amended as follows: (a) the "**Early Termination Date**" shall mean 11:59 p.m. Los Angeles time on the last calendar day of the sixtieth (60th) month after the Initial Expansion Premises Commencement Date; (b) the "**Notice Period Expiration Date**", shall mean the date that is the last calendar day of the fifty-first (51') month after the Initial Expansion Premises Commencement Date; (c) the termination compensation shall be (i) any lease commission and the Allowance disbursed by Landlord in connection with this Third Amendment (and not in connection with the Original Lease or any prior amendment) or any expansion amendment between Landlord and Tenant executed after the date hereof (unless otherwise stated in any such amendment), which shall be amortized over the eight (8) year period commencing on the Initial Expansion Premises Commencement Date and ending on the Termination Date on a straight line basis at an interest rate of eight percent (8%) per annum as of the Early Termination Date, and (d) Section 25.4 as restated in its entirety in Section 9.3 of the First Amendment is hereby deleted and replaced with the following, which shall be fully incorporated in the Lease as if set forth therein. "Section 25.4. Expiration of Option to Terminate Early. Provided that Tenant has not already delivered the Termination Notice specified hereinabove, then, effective on the first calendar day of the fifty-second (52nd) calendar month after the Initial Expansion Premises Commencement Date, the provisions of this Article 25 shall be deemed null, void and of no further force or effect." Notwithstanding anything in the Lease or this Third Amendment, the Termination Option may be exercised by Tenant or any Affiliate assignee or any other permitted assignee.

11.5 SNDA. Tenant and Bank of America, NA, as Administrative Agent, are parties to a Subordination, Non-Disturbance and Attornment Agreement dated March , 2013 ("**Bank of America SNDA**"). **Landlord** shall use its most diligent efforts to deliver Lender's written consent to this Third Amendment in order to comply with Section 4(i) of the Bank of America SNDA within thirty (30) days after this Third Amendment is executed and delivered by the parties, which written consent shall include a written statement that the terms and provisions of the Bank of America SNDA cover the entire Premises, including the Expansion Premises (or in lieu of such written statement, Landlord shall use its most diligent efforts to cause Lender to execute and record an amended and restated Bank of America SNDA that covers the entire Premises, including the Expansion Premises). Upon Landlord's execution of this Third Amendment, Landlord shall be deemed to represent and warrant to Tenant that Landlord has obtained any and all necessary consents for the execution of this Third Amendment, and all necessary consents relating to Landlord's existing loan related to the Bank of America SNDA (which Landlord represents and warrants is the only loan encumbering the Building as of the date hereof) have been obtained.

11.6 ADA Compliance. Landlord's representations, warranties and covenants under Section 20.25 of the Original Lease are hereby ratified, and re-made as of the date hereof with respect to both the Existing Premises (excluding any Tenant Change in the Existing Premises with respect to which Landlord's approval was not given but was required under the Lease) and the Expansion Premises (except for Tenant's obligation to cause the restrooms in the Premises to comply with Code to the extent set forth in Section 5.1 of Exhibit B).

11.7 Directory Signage: Lobby Identity Signage: Monument Signage Modification: Building-Top Signage Modification. Tenant may, in its sole discretion, install building standard signage per a building standard location at the entrances of the Expansion Premises at Tenant's sole cost and expense, payable by Landlord to Tenant within thirty (30) days after Landlord's receipt of written invoice. If required by applicable law (such as, without limitation, any fire codes or regulation), or otherwise desired by Landlord, Landlord shall, at Landlord's sole cost and expense, install building standard signage per a building standard location at the entrances of the Expansion Premises. Tenant, in its sole and absolute discretion, may elect to have its names grouped in one location of the directory board, at Landlord's sole cost and expense, in any area reasonably designated by the Landlord in addition to having such names individually listed alphabetically per one line per 1,000 rentable square feet in the Expansion Premises not to exceed twenty (20) lines, subject to space availability.

In addition to all other lobby directory signage, Tenant shall have the right to install lobby identity signage at Tenant's sole cost on a prominent wall location depicted on Exhibit D attached hereto, stating Tenant's name and/or logo of reasonable size (approximately 8' wide x 21" tall), which shall be subject to Landlord's approval, which approval shall not be unreasonably withheld, conditioned or delayed (provided Landlord's approval shall not be required for any name or logo or signage consistent with that currently in the 12th floor reception room in the Existing Premises), and shall be deemed granted if Landlord does not provide a detailed reasonable disapproval within five (5) business days after receipt of written request. Notwithstanding anything to the contrary in the Lease, the last paragraph of Section 20.22.1(a) is hereby deleted, it being understood that Tenant's rights to its monument signage shall not expire or terminate unless Tenant removes its existing installed signage from the monument and does not replace such signage by the date that is twenty-four (24) months after such removal (which outside date shall be extended for any Force Majeure Event).

Notwithstanding anything to the contrary in the Lease, all of Tenant's signage rights may be exercised by Tenant or any Affiliate assignee or any Acceptable Assignee (defined below), subject to the remaining terms of the Lease, including, without limitation, the following paragraph. Additionally, notwithstanding anything to the contrary in the Lease, Tenant's exercise of any of its signage rights (including, without limitation, the installation of the Building-Top Signage) shall not affect Tenant's right to exercise Termination Option in the Lease.

Notwithstanding anything to the contrary in the Lease, Landlord hereby agrees that the Building-Top Signage shall be exclusive to Tenant and Landlord shall not allow any other party to have signage on the roof of the Building, or grant any building top sign right to any other party unless Tenant's right to Building-Top Signage has terminated in accordance with the terms of the Lease. Tenant may place the Building-Top Signage on up to two (2) sides of the Building (i.e., up to 2 building-top signs), and Landlord shall not unreasonably withhold, condition or delay its approval for any request by Tenant to use a side(s) of the Building for the Building-Top Signage. provided that Landlord hereby approves installing the Building-Top Signage on the north and west sides of the Building (and subject to Landlord's approval criteria for the Building-Top Signage as set forth in Section 20.22.1(b) of the Original Lease as amended by this Third Amendment). Notwithstanding anything to the contrary in the Lease, (a) all signage may contain name and logo (and, without limitation, may contain the name "Blackline" or "Blackline Systems"), and, other than the Building-Top Signage, to the extent set forth in the following clause (b), may be utilized by Tenant, any Affiliate assignee or sublessee, or any other permitted assignee or sublessee; and (b) the Building-Top Signage may only be used by Tenant, an Affiliate assignee, an Acceptable Assignee (as defined below) or an Acceptable Sublessee (as defined below). An "Acceptable Assignee" shall mean the following conditions shall be satisfied: (X) Landlord has consented to the assignment of the Lease to the assignee; (Y) the assignee's proposed exterior signage satisfies all of Landlord's reasonable signage criteria (as may be reasonably modified from time to time) and the terms and conditions as set forth in this paragraph to which the signage rights are subject, and (Z) in Landlord's reasonable determination, the proposed exterior signage will identify a business that is consistent with the first class quality, character, and reputation of businesses at the Project with comparable exterior signage (and considering the substantial prominence of the Building-Top Signage), is consistent with the level of quality, character, and reputation of comparable prominent building top signage displayed at comparable first-class office projects in the Warner Center area, and would not denigrate the character, value or reputation of the Project, Landlord or tenants at the Project (which objectionable signage would include, but would not be limited to, discount merchandisers or companies engaged in businesses that are known to the public to appeal to prurient interests). An "Acceptable Sublessee" shall mean the following conditions shall be satisfied: (x) the applicable requirements in clauses (X), (Y) and (Z) in the definition of Acceptable Assignee shall be satisfied with respect to the subtenant's signage; (y) the sublessee is an Affiliate of Tenant, or otherwise a permitted sublessee (provided such Affiliate sublessee or permitted sublessee, as applicable, leases and/or subleases in the Building a combined total of not less than 44,000 rentable square feet). Landlord and Tenant agree that Landlord may consent to the assignment of the Lease to a proposed assignee but withhold Landlord's consent to allowing the same proposed assignee to display any Building-Top Signage at the Project and that such actions by Landlord, if in accordance with the conditions set forth herein, would be reasonable, and that Landlord may consent to a sublease to a proposed sublessee but withhold Landlord's consent to allowing the same proposed sublessee to display any Building-Top Signage at the Project and that such actions by Landlord, if in accordance with the conditions set forth herein, would be reasonable.

The signage referenced herein shall be in addition, and without limitation, to the signage provided under the Lease. Furthermore, Tenant shall be entitled to install its panel as the top panel on Tenant's existing monument sign at Tenant's sole cost.

Tenant acknowledges that if Tenant has not materially commenced the installation of the Building-Top Signage prior to the date that is the last calendar day of the twenty-fourth (24th) month after the later to occur of the Tenth Floor Expansion Premises Commencement Date or the Eleventh Floor Expansion Premises Commencement Date (provided that in the event Tenant has materially commenced the work to have the Building-Top Sign installed and is delayed only because of a delay caused by Landlord or any of the Landlord Parties, or a delay in receiving a required approval by any governmental authority having jurisdiction over the subject signage, then, upon notice of the same to Landlord, such deadline shall be extended day for day until such approval is granted (including, without limitation, any time period that the governmental authority has granted Tenant to modify its application or design) and the applicable delay ends), provided that Landlord delivers written notice to Tenant during the preceding calendar month that Tenant's right to install the subject signage shall expire as of such date, then Tenant's right to install the subject signage shall expire as of the date that is thirty (30) days after Tenant's receipt of such written notice from Landlord after the later to occur of the twenty-fourth (24th) month after the later to occur of the Tenth Floor Expansion Premises Commencement Date or the Eleventh Floor Expansion Premises Commencement Date, and Tenant's right to install said Building-Top Sign shall be null and void thereafter, if Tenant has not materially commenced the installation of the Building-Top Signage, provided that in the event Tenant has materially commenced the work to have the Building-Top Sign installed and is delayed only because of a delay caused by Landlord or any of the Landlord Parties, or a delay in receiving a required approval by any governmental authority having jurisdiction over the subject signage, then, upon notice of the same to Landlord, such deadline shall be extended day for day until such approval is granted (including, without limitation, any time period that the governmental authority has granted Tenant to modify its application or design) and the applicable delay ends. Notwithstanding anything to the contrary in the Lease, so long as Tenant is not in material default under the Lease after the expiration of any applicable notice and cure periods, and leases a combined total of at least than 44,000 rentable square feet in the Building, except as may be expressly set forth to the contrary in this paragraph, Tenant shall not lose its Building-Top Sign rights.

For the avoidance of doubt, no rent or other charge shall be due or payable to Landlord by Tenant for the installation of Tenant's signage or the use of the locations where such signage is installed (provided that nothing herein shall limit Tenant's obligations to pay all of the costs of signage as provided in Section 20.22.1 of the Original Lease or Tenant's obligations to pay all costs of removal and restoration of any signage installed by Tenant).

11.8 Key Card Systems.

11.8. Exit Stairwell System. Tenant shall have the right, but not the obligation, to install a key card reader inside any or all of the interior exit stairwells on the tenth (10th), eleventh (11th) and twelfth (12th) floors (and any right of first offer space and right of first refusal space leased by Tenant and covering a full floor, if applicable) for entrance from the stairwell into the Existing Premises and the Expansion Premises (and any right of first offer space and right of first refusal space leased by Tenant and covering a full floor, if applicable), all at Tenant's sole cost and expense.

11.8.2. Elevator Card Access System. As more particularly described in Section 9.7.2 of the First Amendment, for so long as Tenant or any Affiliate leases any full floors in the Building Landlord shall promptly, upon notice from Tenant and at Landlord's sole cost and expense, (a) install Elevator Card Access System hardware in the two (2) cabs that do not currently have such hardware (and such system shall be comparable to that installed in the other two (2) cabs) and Landlord shall program and activate all four (4) Elevator Card Access Systems at Landlord's sole cost for every such full floor leased by Tenant. The terms specified in Sections 9.7.2 and 9.7.3 of the First Amendment shall remain in full force and effect during the New Expansion Premises Term. The elevators shall be equipped with locking systems for each of 10th, 11th and 12th floors (and any other full floor leased by Tenant, if applicable), for Tenant's exclusive use.

11.9 Expansion Premises Excess HVAC; Expansion Premises Supplemental HVAC. If Tenant requires Excess HVAC in the Expansion Premises Tenant shall make its request during Normal Business Hours via Landlord's commercially reasonable system, which is currently administered by providing Excess HVAC access cards to the Tenant each with a user name and pass code, which users may call into a phone center which will prompt the caller

to program their access to Excess HVAC. There shall be a one (1)-hour minimum charge for Excess HVAC when such Excess HVAC is ordered. Tenant's request shall be deemed conclusive evidence of its willingness to pay the cost for excess HVAC pursuant to this Section 11.9. Notwithstanding anything to the contrary in the Lease or this Third Amendment, the cost for Excess HVAC for the Expansion Premises shall not exceed Landlord's reasonable cost thereof, which shall only include the actual cost of utilities charged by the 3rd-party utility provider, plus a reasonable allowance for accelerated depreciation and additional maintenance for the Building HVAC systems as a result of the Excess HVAC used by Tenant in the Expansion Premises. Notwithstanding anything to the contrary in the Lease or this Third Amendment, in no event shall charges for Excess HVAC include an administrative, supervision or other like fee. As of the date of this Lease, Landlord's cost for the Expansion Premises Excess HVAC (and the after-hours charge to Tenant for Excess HVAC) is $43.12per hour, for the tenth (10th) and eleventh (11th) floors, and $27.46 per hour for the twelfth (12t") floor, subject to changes in Landlord's actual costs for providing Excess HVAC (which shall be substantiated in writing to Tenant).

11.10 Internal Staircase. Subject to Landlord's approval of the final Plans and Specifications (as defined in Exhibit B) (which approval shall not be unreasonably withheld, conditioned or delayed), Tenant shall have the right but not the obligation to construct an internal staircase connecting any full or partial floors leased by Tenant when such floors are immediately above or immediately below each other. If constructed, the staircase shall be subject to the terms of Section 7.1(c) of the Original Lease.

11.11 Roof Rights. Tenant's rights pursuant to Article 26 of the Original Lease shall continue during the New Expansion Premises Term, provided that during such New Expansion Premises Term Tenant shall be permitted to install a total of up to three (3) Satellite Dishes and related Connecting Equipment on the roof of the Building without the payment of rent or other charge to Landlord. Section 26.10 of the original Lease is hereby deleted in its entirety. In addition, subject to Landlord's prior approval of the plans and specifications, which approval shall not be unreasonably withheld, conditioned or delayed (and shall be deemed granted unless Landlord provides a detailed written reasonable disapproval thereof to Tenant within 5 business days after Landlord's receipt of written request). Tenant shall be permitted to install supplemental HVAC units on the rooftop without the payment of rent (but Tenant shall bear all other costs of such supplemental HVAC units), subject to Landlord's approval (which approval shall not be unreasonably withheld, conditioned or delayed) as to the plans and specifications therefor; failure of Landlord to reasonably disapprove such plans and specifications within five (5) business days after receipt thereof shall be deemed Landlord's approval of such plans and specifications. It shall be reasonable for Landlord to withhold its approval to such supplemental HVAC units on the rooftop if such installation and/or operation of the supplemental HVAC will adversely affect Building systems, the structure of the Building or the safety of the Building and/or its occupants.

12. **Base Year; Modification to Operating Expense Cap.** The Base Year for the Expansion Premises shall be calendar year 2015 ("**Expansion Premises Base Year**"). Effective on January 1, 2018, the Base Year for the Existing Premises shall be calendar year 2018 ("**Existing Premises Base Year**"). Tenant shall have no obligation to pay Operating Expenses for the Expansion Premises beginning (a) for the Tenth Floor Expansion Premises, on the Tenth Floor Expansion Commencement Date and (b) for the Eleventh Floor Expansion Premises, on the Eleventh Floor Expansion Premises Commencement Date and continuing in each case for twelve full calendar months after the applicable Expansion Premises Commencement Date.

The Expense Cap under Section 4.2 of the Original Lease shall apply to the Expansion Premises (in addition to the Existing Premises) effective on the Initial Expansion Premises Commencement Date. Effective on the Initial Expansion Premises Commencement Date, and notwithstanding any contrary provision of the Lease, the Expense Cap shall be amended to mean five percent (5%) on a cumulative basis per calendar year for the entire Premises.

13. **Building Lobby Renovations.** Landlord agrees to perform, at Landlord's sole cost and expense (and not as part of Operating Expenses) cosmetic renovations to the Building lobby (to include, without limitation, removal and /or re-skinning of the pink marble present in the Building lobby) and elevator cabs in a professional, first class manner during calendar year 2015. Such renovations will be consistent with the Class A character of the Building. The work shall be performed by Landlord's contractors at Landlord's sole cost and expense (and not as part of Operating Expenses), in accordance with Landlord's plans and specifications. For the avoidance of doubt, Tenant may, at Tenant's sole option and cost, re-design and/or replace its signage in such lobby as a result of such lobby renovations.

14. **Civil Code Section 1938 Disclosure.** Pursuant to California Civil Code Section 1938, Landlord hereby discloses that the Expansion Premises and the Existing Premises have not undergone an inspection by a Certified Access Specialist to determine whether the Premises meet all applicable construction-related accessibility standards.

15. **Acceptance of Expansion Premises.** Subject to the terms and conditions of this Third Amendment and the Lease (including, without limitation, Landlord's covenants, representations and warranties), Tenant has made its own inspection of and inquiries regarding the Expansion Premises. Therefore, subject to the terms and conditions of this Third Amendment and the Lease (including, without limitation, Landlord's covenants, representations and warranties), Tenant accepts the Expansion Premises in its "as-is" condition. Tenant further acknowledges that Landlord has made no currently effective representation or warranty, express or implied regarding the condition, suitability or usability of the Expansion Premises for the purposes intended by Tenant except as set forth in this Third Amendment or the Lease.

16. **Warranty of Authority.** If Landlord or Tenant signs as a corporation or limited liability company or a partnership, each of the persons executing this Third Amendment on behalf of Landlord or Tenant hereby covenants and warrants that the applicable entity executing herein below is a duly authorized and existing entity that is qualified to do business in California; that the person(s) signing on behalf of either Landlord or Tenant have full right and authority to enter into this Third Amendment; and that each and every person signing on behalf of either Landlord or Tenant are authorized in writing to do so.

If either signatory hereto is a corporation, the person(s) executing on behalf of said entity shall affix the appropriate corporate seal to each area in the document where request therefor is noted, and the other party shall be entitled to conclusively presume that by doing so the entity for which said corporate seal has been affixed is attesting to and ratifying this Third Amendment.

17. **Broker Representation.** Landlord and Tenant represent to one another that it has dealt with no broker in connection with this Third Amendment other than Douglas Emmett Management, LLC and CBRE, Inc. Landlord and Tenant shall hold one another harmless from and against any and all liability, loss, damage, expense, claim, action, demand, suit or obligation arising out of or relating to a breach by the indemnifying party of such representation. Landlord agrees to pay all commissions due to the brokers listed above created by Tenant's execution of this Third Amendment.

18. **Confidentiality.** Landlord and Tenant agree that the covenants and provisions of this Third Amendment shall not be divulged to anyone not directly involved in the management, administration, ownership, lending against, or subleasing of the Premises, which permitted disclosure shall include, but not be limited to, the board members, legal counsel and/or accountants of either Landlord or Tenant.

19. **Governing Law.** The provisions of this Third Amendment shall be governed by the laws of the State of California.

20. **Reaffirmation.** Landlord and Tenant acknowledge and agree that the Lease, as amended herein, constitutes the entire agreement by and between Landlord and Tenant relating to the Premises, and supersedes any and all other agreements written or oral between the parties hereto. Furthermore, except as modified herein, all other covenants and provisions of the Lease shall remain unmodified and in full force and effect.

21. **Submission of Document.** No expanded contractual or other rights shall exist between Landlord and Tenant with respect to the Expansion Premises, as contemplated under this Third Amendment, until both Landlord and Tenant have executed and delivered this Third Amendment, whether or not any additional rental or security deposits have been received by Landlord, and notwithstanding that Landlord has delivered to Tenant an unexecuted copy of this Third Amendment. The submission of this Third Amendment to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or an option for the Tenant to lease the Expansion Premises, or otherwise create any interest by Tenant in the Expansion Premises or any other portion of the Building other than the original Existing Premises currently occupied by Tenant. Execution of this Third Amendment by Tenant and its return to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has in fact executed and delivered this Third Amendment to Tenant.

EXHIBIT B

IMPROVEMENT CONSTRUCTION AGREEMENT

CONSTRUCTION PERFORMED BY TENANT

Section 1. Tenant to Complete Construction. Tenant's general contractor (**"Contractor"**) shall furnish and install within the Expansion Premises and the Existing Premises (it being expressly understood that Tenant may use the Allowance and Space Planning Allowance for either or both of the Expansion Premises and/or Existing Premises) those items of general construction (the **"Improvements"**), shown on the final Plans and Specifications approved by Landlord. The definition of "Improvements" shall include all costs associated with completing the Improvements in accordance with applicable law, including, without limitation, all code compliance within the Premises, and including but not limited to, space planning, design, architectural, and engineering fees, contracting, labor and material costs, municipal fees, plan check and permit costs, and document development and/or reproduction. The Improvements shall comply in all respects with the following: (i) all state, federal, city or quasi-governmental laws, codes, ordinances and regulations, as each may apply according to the rulings of the controlling public official, agent or other person; (ii) applicable standards of the American Insurance Association (formerly, the National Board of Fire Underwriters) and the National Electrical Code; (iii) building material manufacturer's specifications and (iv) the Plans and Specifications.

All Tenant selections of finishes shall be indicated in the Plans and Specifications and shall be equal to or better than the minimum Building standards and specifications. Any work not shown in the Plans and Specifications or included in the Improvements such as, but not limited to, telephone service, furnishings, or cabinetry, for which Tenant contracts separately shall be subject to Landlord's reasonable, non-discriminatory policies and shall be conducted in such a way as to not unreasonably hinder or delay the work of Improvements. Subject to Landlord's approval of the final Plans and Specifications, Tenant shall have the right but not the obligation to construct an internal staircase connecting any full floors leased by Tenant. If constructed, the staircase(s) shall be subject to the terms of Section 7.1(c) of the Original Lease.

Tenant shall be entitled to install Meccho shades in the Premises as part of the Improvements.

Section 2. Tenant's Payment of Costs. Subject to Landlord's reimbursement as specified hereinbelow, Tenant shall bear any and all costs of the Improvements, and shall timely pay said costs directly to the Contractor. From time to time, Tenant shall provide Landlord with such evidence as Landlord may reasonably request that the Contractor has been paid in full for the work completed to-date.

In addition, Tenant shall reimburse Landlord for any and all of Landlord's reasonable third party out of pocket costs not to exceed $1,000 actually incurred in reviewing Tenant's Plans and Specifications or for any other "peer review" work associated with Landlord's review of Tenant's Plans and Specifications, including, without limitation, Landlord's reasonable third party out of pocket costs actually incurred in engaging any third party engineers, contractors, consultants or design specialists. Landlord shall engage such third parties only if reasonably necessary and shall explain to Tenant in advance in reasonable detail the need to engage them prior to doing so. Landlord shall also provide a good faith estimate of the cost of such review, the name(s) of the proposed third-party to be engaged, and shall give Tenant a reasonable opportunity to respond and modify any plans. Landlord shall use commercially reasonable efforts to engage the most cost-competitive qualified third parties. Tenant shall pay such costs to Landlord within thirty (30) days after Landlord's delivery to Tenant of a copy of the invoice(s) for such work, up to a maximum aggregate total of $1,000.

Section 3. Lien Waiver and Releases. If any liens arise against the Expansion Premises, the Existing Premises or the Building as a result of Tenant's Improvements, Tenant shall, at Tenant's sole expense, remove such liens and provide Landlord evidence that the title to the Building and Expansion Premises have been cleared of such liens, as required of Tenant under the Lease.

EXHIBIT B (Continued)

Section 4. No Supervisory Fee. Notwithstanding anything to the contrary herein, Landlord and its affiliates shall not be entitled to a supervisory fee or administrative fee in connection with the Improvements, and, notwithstanding anything to the contrary in this Third Amendment or the Lease, Landlord shall not be entitled to any other fees or charges in connection with the Improvements except as may be otherwise expressly provided in this Exhibit B.

Section 5. Landlord's Reimbursement of Tenant's Costs.

5.1 Allowances. In accordance with the terms and procedures specified below, Landlord shall pay to Tenant an allowance, not to exceed the sum of $50.00 per square foot of Rentable Area within Expansion Premises for the Improvements to be constructed in the Expansion Premises and/or Existing Premises, at Tenant's election (the **"Expansion Premises Allowance")** and an additional allowance not to exceed the sum of $30.00 per square foot of Rentable Area within Existing Premises for the Improvements to be constructed in the Existing Premises and/or Expansion Premises, at Tenant's election (the **"Existing Premises Allowance"** and when referred to collectively with the Expansion Premises Allowance, the **"Allowance").** Without limiting the foregoing, the Allowance is hereby increased by an additional $65,500.00, provided that Tenant, as opposed to Landlord, shall be responsible for any applicable code compliance in the restrooms in the Premises (i.e., all restrooms on the 10th, 11th and 12th floors) in connection with the construction of the Improvements. Without limiting the preceding 2 sentences, in addition to the Allowance and not a part of the Allowance, Landlord shall reimburse Tenant an amount, not to exceed the sum of $0.15 per square foot of Rentable Area within Expansion Premises and Existing Premises, for architectural services and space planning (the **"Space Planning Allowance").** Unused amounts of the Space Planning Allowance may be applied toward Improvements in the Expansion Premises and/or Existing Premises, at Tenant's election. The Allowance and the Space Planning Allowance shall be available for disbursement to the Tenant commencing on the date of the mutual execution and delivery of this Third Amendment, through the date (the **"Outside Allowance Date")** that is eighteen (18) months following the last to occur of the Tenth Floor Expansion Premises Commencement Date and the Eleventh Floor Expansion Premises Commencement Date, and thereafter Landlord shall have no obligation to disburse any portions of the Allowance or the Space Planning Allowance, provided, however, that if Tenant has complied with all of the conditions precedent required for disbursement of the Allowance and/or the Space Planning Allowance pursuant to this Exhibit B, prior to the Outside Allowance Date but Landlord has not yet disbursed such the amount requested then, subject to Tenant's compliance with the terms and conditions of this Exhibit B, Tenant shall be entitled to such disbursement. Landlord shall deliver written notice to Tenant not later than thirty (30) days prior to the Outside Allowance Date if at such time there is a balance remaining in the amount of the Allowance or the Space Planning Allowance. The Outside Allowance Date shall be extended day for day for each day Landlord fails to give such notice, for each day of a Landlord Delay and each day of delay caused by Force Majeure.

5.2 Use of the Allowance.

5.2.1 Allowance Items. Except as otherwise set forth in this Exhibit B, the Allowance and Space Planning Allowance shall be disbursed by Landlord only for the following items and costs (collectively, the **"Allowance Items"):**

5.2.1.1 Supplemental HVAC units and meters relating thereto, to the extent desired by Tenant;

5.2.1.2 The payment of plan check permit and license fees relating to construction of the Improvements and/or Tenant's signage;

5.2.1.3 The costs of design and construction of the Improvements, including without limitation, all hard and soft costs, acquisition and installation costs, space planning costs, testing and inspection costs, installation of built-in work stations, floor loading reinforcement costs, hoisting and trash removal costs, and contractors' fees and general conditions, provided that the Allowance or Space Planning Allowance may not be applied to the purchase of furniture or equipment or cabling or wiring or any other personal property, except as set forth below in Section 5.2.1.7. For the avoidance of doubt, the Allowance and Space Planning Allowance may be used by Tenant for either or both of the Existing Premises and/or the Expansion Premises;

EXHIBIT B (Continued)

5.2.1.4 The cost of any changes in the base, shell and core when such changes are required solely by the Plans and Specifications, such cost to include all direct architectural and/or engineering fees and expenses incurred in connection therewith;

5.2.1.5 The cost of any changes to the Plans and Specifications or the Improvements required by all applicable building codes, subject to Landlord's obligations under the Lease and this Third Amendment;

5.2.1.6 Payment of any fees and costs to approved "Tenant's Agents," as defined below in Section 6 (b); and

5.2.1.7 An amount (out of the Allowance and not in addition to the Allowance) not to exceed $5.00 per square foot of Rentable Area of the Expansion Premises and Existing Premises for the purchase and installation of furniture, fixtures and equipment to be used in the Premises.

5.2.2 Disbursement of the Allowance. During the design and construction of the Improvements, Tenant may request and Landlord shall make monthly disbursements of the Allowance and the Space Planning Allowance for the Allowance Items for the benefit of Tenant and shall authorize the release of monies for the benefit of Tenant as follows:

5.2.2.1 Disbursements. Tenant may request monthly progress payments out of the Allowance in accordance with this Section 5.2.2.1. In connection with the foregoing, and not more than once each calendar month, Tenant shall deliver to Landlord: (i) a request for payment approved by Tenant detailing the work completed; (ii) invoices from the Contractor and its subcontractors and suppliers for labor rendered and materials delivered to the Expansion Premises and, if applicable, the Existing Premises; and (iii) conditional mechanic's lien releases from all of Tenant's Agents performing the Improvements for which the applicable payment is requested which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Section 8138. Within thirty (30) days after Landlord has received all of the items in the foregoing clauses (i) through (iii), Landlord shall deliver a check to Tenant payable to Tenant, or, at Tenant's sole election, a check payable jointly to Tenant and Contractor in payment of the lesser of: (A) the amounts so requested by Tenant, less an amount, to the extent not already reflected in Tenant's request for payment as the retention provided for in the construction contract, equal to the lesser of (i) a ten percent (10%) retention, or (ii) the retention provided for in the construction contract approved by Landlord (the aggregate amount of such retentions to be known as the "Final Retention"), and (B) the balance of any remaining available portion of the Allowance, not including the Final Retention. Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

Tenant may request the entire amount of the Space Planning Allowance in one or more disbursements without retention and Landlord shall disburse the same within thirty (30) days after receipt of a paid invoice evidencing the architectural and space planning services paid for with respect to the Premises. The invoice shall be on the service provider's customary invoice delivered to third parties for payment. At Tenant's option, Landlord shall make payment of the Space Plan Allowance, or any portion thereof, directly to the service provider(s), in which event, Landlord shall pay the service provider(s) in question within such 30-day period and the invoices provided to Landlord as evidence of the costs will not be required to be previously paid by Tenant.

EXHIBIT B (Continued)

5.2.2.2 Final Retention. Subject to the provisions of this Exhibit B, a check for the Final Retention payable to Tenant shall be delivered by Landlord to Tenant following the completion of construction of the Improvements, provided that (i) Tenant delivers to Landlord properly executed mechanics lien releases in compliance with both California Civil Code Section 8138, (ii) Landlord has reasonably determined that no substandard work exists which materially adversely affects the mechanical, electrical, plumbing, heating, ventilating and air conditioning, life-safety or other systems of the Building, the curtain wall of the Building, the structure or exterior appearance of the Building, or any other tenant's use of such other tenant's leased premises in the Building, and (iii) Tenant delivers to Landlord a certificate from the Architect or Contractor, in a form reasonably acceptable to Landlord, certifying that the construction of the Improvements in the Expansion Premises has been substantially completed.

5.2.2.3 Other Terms. Landlord shall only be obligated to make disbursements from the Allowance and Space Planning Allowance to the extent costs are incurred by Tenant for the Allowance Items.

5.3 Notwithstanding anything to the contrary in the Lease or this Third Amendment, Landlord agrees to pay, at its sole cost and expense, and not from the Allowance or the Space Planning Allowance, any increased costs in the performance of the Improvements (including, without limitation, increased costs in obtaining permits) to the extent resulting from any of the following (each, a **"Landlord TI Event"):** (a) the presence of Hazardous Materials (such as, by way of example, asbestos or mold), present in the Expansion Premises or Existing Premises (unless the presence of Hazardous Materials in the Existing Premises is caused by Tenant or any Tenant Party) or Building as of the Expansion Delivery Dates, or (b) violation of any applicable law or Code (provided that Tenant, as opposed to Landlord, shall be responsible for any applicable Code compliance in the restrooms in the Premises (i.e., all restrooms on the 10", 11" and 12 floors) in connection with the construction of the Improvements), rule, regulation or ordinance existing in the Building or Expansion Premises (including, without limitation, the Americans With Disabilities Act and any like State of California requirements), as of the date of this Third Amendment, but, with respect to the Expansion Premises (as opposed to the Building, it being understood that Tenant shall not be responsible for any portion of the Building outside of the Premises), on an "as-is" and unoccupied basis, as of the date of this Third Amendment, excluding any of the Improvements to be constructed, or modifications to the Expansion Premises required by applicable law in connection with the installation of the Improvements to be constructed in the Expansion Premises by Tenant, such as but not limited to exiting modifications due to the configuration of the Expansion Premises as built out by Tenant or fire life safety requirements and improvements required by applicable law for the Expansion Premises, or (c) any construction or design defect in the Premises or Building that is known by Landlord as of the date hereof, but that would not be reasonably discoverable by Tenant or Tenant's Agents upon a reasonable inspection or a licensed architect's field inspection, and, based on the information known to Landlord as of the date hereof, would reasonably be expected to materially delay or increase the cost (or change the scope) of the performance of the Improvements. The Contractor shall perform, at Landlord's sole cost and expense (and not from the Allowance or the Space Planning Allowance), provided such costs shall be commercially reasonable, **all** reasonable work to the extent reasonably necessary relating to each Landlord TI Event affecting the Improvements (or any portion thereof (subject to Landlord's prior review of the written plans and written bids therefor in reasonable detail), and Landlord shall timely and promptly pay the Contractor directly for such work within thirty (30) days after invoicing. Without limiting the foregoing, to the extent that, at any time during the Term, the Improvements (or any other alterations or improvements) or governmental requirements require the alteration or removal of any shaft above the ceiling vent (unless such shaft is installed by Tenant), or such alteration or removal is otherwise required, then Landlord's contractor shall, at Landlord's sole cost and expense, alter or remove the shaft (together with all related restoration, repair and other work, such as, by way of example, removing the shaft from the Building in its entirety, if necessary, and restoring the other floors in the Building as a result thereof) to the extent reasonably required to accommodate the installation of the Improvements (or any other alterations or improvements) without delaying Tenant's construction thereof.

EXHIBIT B (Continued)

Section 6. Section 6. Retention of Professionals; Pre-Construction Requirements and Approvals. Prior to Tenant or Contractor commencing any work:

a) Tenant shall retain an architect/space planner, subject to Landlord's approval, which approval shall not be unreasonably withheld, conditioned or delayed (the "Architect"), and which approval shall be deemed granted unless Landlord provides a reasonable disapproval prior to the third (3rd) business day after receipt by Landlord of Tenant's proposed Architect. Notwithstanding anything to the contrary herein, Tenant may, at Tenant's sole option, and without the need for approval by Landlord, use DLR Group as the Architect (including, without limitation, for MEP and structural design. The Architect shall prepare the Space Plan. The Architect shall prepare the Space Plan.

b) Contractor, and its subcontractors and suppliers, shall be subject to Landlord's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall deliver to Landlord notice of its proposed Contractor not later than ten (10) business days after the mutual execution of this Third Amendment, and Landlord shall approve or reject the same within three (3) business days after the receipt of notice of Tenant's proposed Contractor provided that such approval shall be deemed granted unless Landlord provides a reasonable disapproval prior to the third (3rd) business day after the receipt of notice of Tenant's proposed Contractor. Tenant shall cause Contractor to execute and deliver to Landlord the Agreement By Contractor of Indemnification/Hold Harmless of Landlord attached to this Exhibit B as Schedule 1. Notwithstanding anything to the contrary herein, Tenant may, at Tenant's sole option, and without the need for approval by Landlord, use Sierra Pacific Constructors as the Contractor, and/or DLR Group for mechanical, electrical and plumbing, and/or for any structural, work. Contractor shall provide Landlord with a true, complete and correct copy of the construction contract between Contractor and Tenant. So long as the same are reasonably cost competitive, Contractor shall use Landlord's preferred fire-life safety and heating, venting, air-conditioning subcontractors for such work. All subcontractors, laborers, materialmen, and suppliers, and the Contractor, Architect and Engineers shall be known collectively as "Tenant's Agents". During completion of the Improvements, Tenant and Tenant's Agents shall use commercially reasonable efforts avoid creating disputes or conflicts between any labor personnel hired by Tenant or Tenant's Agents and unionized workforce or trades engaged in performing other work, labor or services in or about the Building or in the vicinity. If any dispute or conflict occurs, Tenant, upon demand by Landlord, shall use commercially reasonable efforts to attempt to resolve such dispute or conflict. Tenant shall indemnify and hold Landlord harmless from and against all claims, suits, demands, damages, judgments, costs, interest and expenses (including attorneys fees and costs incurred in the defense thereof) to which Landlord may be subject or suffer when the same arise out of or in connection with the use of, work in, construction to, or actions in, on, upon or about the Expansion Premises by Tenant or Tenant's agents, contractors, directors, employees, licensees, officers, partners or shareholders, including any actions relating to the installation, placement, removal or financing of the Improvements and any other improvements, fixtures and/or equipment in, on, upon or about the Expansion Premises. Notwithstanding the foregoing or anything to the contrary in this Third Amendment or the Lease, Tenant shall have no obligation whatsoever to use union labor (or any other labor subject to a collective bargaining agreement).

c) All Plans and Specifications shall be subject to Landlord's reasonable prior approval, which approval shall not be unreasonably withheld or delayed and shall be deemed granted if Landlord does not reasonably disapprove the Plans and Specifications within five (5) business days of receipt of such Plans and Specifications from Tenant. Notwithstanding anything contained in this Exhibit B to the contrary, and without limiting Landlord's reasonable discretion to withhold its approval hereunder, it shall be deemed reasonable for Landlord to deny its consent to any aspect of the Plans and Specifications that (i) adversely affect Building systems, the structure of the Building or the safety of the Building and/or its occupants, (ii) would violate any applicable governmental laws, rules or ordinances; (iii) would require any changes that adversely impact the base, shell and core of the Building, and/or (iv) are materially inconsistent with the standards of first class office buildings in the vicinity of the Building, as reasonably determined by Landlord and the Contractor. Landlord shall provide a written statement of any disapproval of any Plans and Specifications stating the reasonable reasons for Landlord's disapproval. Tenant and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the base building plans, and Tenant and Architect shall be solely responsible for the same, and Landlord shall have no responsibility in connection therewith. Landlord's review of the Plans and Specifications as set forth in this Section 6, shall be for its

sole purpose and shall not imply Landlord's approval of the same, or obligate Landlord to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Plans and Specifications are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Tenant agrees that Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Plans and Specifications, except to the extent Landlord delivered to Tenant or any of Tenant's Agents incorrect base building plans or other written information regarding the Building and such incorrect base building plans or written information caused such errors or omissions. After the mutual execution and delivery of this Third Amendment by Landlord and Tenant, Tenant shall promptly cause the Architect to complete the architectural and engineering drawings for the Expansion Premises and, if applicable, the Existing Premises, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "Plans and Specifications") and shall submit the same to Landlord for Landlord's approval, which approval shall not be unreasonably withheld, conditioned or delayed and shall be deemed granted unless Landlord provides a written reasonable disapproval thereof to Tenant within five (5) business days after Landlord's receipt of the Plans and Specifications. Tenant shall supply Landlord with two (2) copies certified by the Architect of such Plans and Specifications. If reasonably and timely requested by Landlord, Tenant shall revise the Plans and Specifications in accordance with such review and any reasonable disapproval of Landlord timely provided by Landlord to Tenant in connection therewith. The Plans and Specifications must be approved (which approval shall not be unreasonably withheld, conditioned or delayed, and which approval shall be deemed granted as set forth herein) by Landlord prior to the commencement of construction of the Expansion Premises by Tenant. Concurrently with Tenant's submittal of the Plans and Specifications to Landlord for its approval hereunder, Tenant may submit the same to the appropriate municipal authorities for all applicable building permits (provided that such submission shall be at Tenant's sole risk and shall not alter or modify Landlord's right to reasonably approve the Plans and Specifications in accordance with the terms hereof). Tenant hereby agrees that, subject to the terms and conditions of this Exhibit B, neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy (or their substantial equivalent) for the Expansion Premises and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy at no material cost to Landlord. No material changes, modifications or alterations in the Plans and Specifications may be made without the prior written consent of Landlord, which consent may not be unreasonably withheld or delayed and shall be deemed granted unless Landlord delivers a written reasonable disapproval thereof to Tenant within five (5) business days following submission by Tenant.

d) Prior to the commencement of the construction of the Improvements, Tenant shall provide Landlord with a detailed breakdown, by trade, of the final costs to be incurred or which have been incurred in connection with the design and construction of the Improvements to be performed by or at the direction of Tenant or the Contractor, which costs form a basis for the amount of the construction contract with Contractor. Notwithstanding anything to the contrary herein, Landlord and its affiliates shall not be entitled to a supervisory fee or administrative fee in connection with the Improvements, and, notwithstanding anything to the contrary in this Third Amendment or the Lease, Landlord shall not be entitled to any other fees or charges in connection with the Improvements except as may be otherwise expressly provided in this Exhibit B.

e) Contractor shall submit to Landlord verification of public liability and workmen's compensation insurance as reasonably required by Landlord's Building manager (which requirements shall be delivered to Tenant in writing on or before this Third Amendment is fully executed).

EXHIBIT B (Continued)

f) Landlord and Tenant agree that if the Improvements are actually constructed by Tenant's Contractor at a cost which is less than the Allowance or Space Planning Allowance there shall be no monetary adjustment between Landlord and Tenant or offset against Rent or other sums owed by Tenant to Landlord under the Lease and the entire cost savings shall be retained by Landlord and relinquished by Tenant.

Section 7. Landlord's Administration of Construction. Tenant's Contractor and its subcontractors and suppliers shall be subject to Landlord's reasonable administrative control and supervision; provided, however, notwithstanding anything to the contrary herein, no supervision or administrative or other fees or charges shall be charged by Landlord or any affiliate of Landlord. Landlord shall provide the Contractor and its subcontractors free parking in the Building parking facility and reasonable access to the Building, the Building parking facilities, the Existing Premises and the Expansion Premises twenty-four (24) hours per day, seven (7) days per week, provided that Tenant and its contractors schedule such access in advance as may be reasonably requested by the Building's property manager, so as to timely complete the Improvements; reasonable use of the freight elevators and loading docks for the movement of Contractor's and its subcontractor's materials and laborers free of charge. Landlord shall not charge Tenant for Contractor's and subcontractors' parking, elevator use, utilities or HVAC during construction of the Improvements and while such Contractor and subcontractors are performing the Improvements. Tenant's subcontractors shall submit schedules of all work relating to the Improvements to Contractor and Contractor shall, within five (5) business days of receipt thereof, inform Tenant's subcontractors of any changes which are necessary thereto, and Tenant's subcontractors shall substantially adhere to such corrected schedule. Tenant shall, at no cost or expense to Tenant, abide by all reasonable, nondiscriminatory rules made by Landlord's Building manager with respect to the storage of materials, coordination of work with the contractors of other tenants, and any other matter in connection with this Exhibit B. From time to time during the construction of the Improvements Tenant shall, promptly upon reasonable request from Landlord, provide reasonable progress reports to Landlord regarding the progress of the preparation of plans and specifications and the construction of the Improvements. In addition, Landlord shall have the right to inquire of Tenant from time to time regarding meetings to be held between Tenant, the Architect and the Contractor, and shall have the right to attend any such meetings. Further, Landlord shall have the right to require Tenant, Architect and the Contractor to meet with Landlord to discuss the progress of the preparation of plans and specifications and the construction of the Improvements, as reasonably deemed necessary by Landlord.

Section 8. Fixed Date for Expansion Premises Commencement Dates. Tenant acknowledges and agrees that whether or not Tenant has completed construction of the Improvements, the Expansion Premises Commencement Dates shall be as set forth in Section 5 of the Third Amendment as extended day for day for each day Landlord fails to give the notice described in Section 5 and for each day of a Landlord Delay and each day of delay caused by Force Majeure.

Section 9. Compliance with Construction Policies. During construction of the Improvements, Tenant's Contractor shall adhere to the Construction Policies specified hereinbelow, which represent Landlord's minimum requirements for completion of the Improvements.

Contractor acknowledges and agrees that Contractor has reviewed and shall comply with the "Construction Policies" that are a part of the [Tenant Work Letter] attached as Exhibit to the Lease. Contractor also agrees that Contractor shall, and shall cause its subcontractors, agents and employees to (a) perform the Work and enter and exit the Real Property, elevators, and parking facilities in a manner that will not disturb any other tenants, subtenants or other occupants of the Real Property or any of their employees, officers or invitees; (b) engage in any demolition, anchoring of walls or supports, drilling, or conduct any other aspect of planning or construction or operate any equipment in Tenant's premises or any other part of the Real Property that may cause excessive noise, dust, vibrations or odors only during such hours as approved in writing in advance by Owner or Manager and only in the manner prescribed in writing by Owner or Manager; (c) comply with the Construction Policies or any written guidelines or instructions delivered to Contractor from Owner or Manager regarding performance of the Work; and (d) comply with applicable laws. Contractor understands and agrees that, prior to Contractor commencing the Work, Owner requires Contractor to provide the Landlord Parties (as hereinafter defined) with certain protections and that such protections are a material inducement to Owner's consent to allowing Contractor to perform the Work at the Real Property. Accordingly, Contractor hereby agrees to and/or shall comply with the following:

1. Contractor shall indemnify and hold harmless Owner and Manager and their respective affiliates, members, interest holders, managing members, officers, directors, partners, employees, agents, predecessors, successors and assigns (hereinafter collectively referred to as "Landlord Parties" and individually a "Landlord Party") from and against all liabilities, claims, damages, losses, liens, causes of actions, judgments, costs and expenses, of whatever kind or nature, including without limitation, bodily injury or death (whether or not those injured or deceased are performing work under this Agreement or are affiliated with the parties hereto), property damage, costs of litigation (including, without limitation, actual attorneys' fees and costs) (collectively, "Claims") arising out of or resulting from (1) the failure of Contractor or any of its subcontractors, employees or agents to comply with the requirements set forth in clauses (a), (b), (c) or (d) above; or any other obligation of Contractor under this Agreement, (2) the negligent acts or omissions of Contractor, its owners, agents, servants, employees, or subcontractors, or (3) the Work performed by

Contractor. This indemnification obligation shall not be limited in any way by any limitation on the amount or types of damages, compensation, or benefits payable by or for Contractor or its subcontractors under workers compensation or disability laws. Contractor's duty to indemnify shall include and extend to (i) situations in which Contractor has been negligent in the screening, hiring and training of its employees, contractors and subcontractors, said negligence of which causes liability in which any Landlord Party is alleged to be responsible for any Claims arising out of such negligent screening, hiring or training; and (ii) Claims for labor performed, equipment, tools, supplies or materials used or furnished in the performance of Contractor's services, including any costs and expenses incurred in the defense of such Claims and any damages to any Landlord Party resulting from such Claims.

2. Contractor agrees after written demand to immediately cause the effect of any suit or lien to be removed from the Real Property and in the event Contractor shall fail to do so, Owner is authorized to use whatever means in its discretion it may deem appropriate to cause said lien or suit to be removed or dismissed and the costs thereof, together with attorneys' fees shall be immediately due and payable by Contractor to Owner. In the event a suit is brought against any Landlord Party or if any Landlord Party is named as a defendant in any suit against Contractor or Tenant, Contractor shall, at the option of Owner in Owner's sole discretion, defend the Landlord Parties with counsel selected by Contractor and acceptable to Owner, in Owner's reasonable discretion. Contractor shall pay any and all costs and expenses in connection therewith as well as all additional costs and expenses incurred in such suit, including without limitation, professional fees such as expert fees, and/or appraisers' and accountants' fees, and will pay and satisfy any such claim, lien, or judgment as may be established by the decision of the court in such suit. Contractor may litigate any such lien or suit provided Contractor causes the effect thereof to be removed from the Real Property promptly in advance.

3. Contractor shall promptly pay all indebtedness incurred in Contractor's performance of the Work. Should any lien or charge attach to the Real Property by reason of Contractor's failure to pay such indebtedness, Contractor shall promptly procure the release of any such lien or charge and shall indemnify, defend (with counsel reasonably approved by Owner) and hold the Landlord Parties harmless from all loss, cost damage or expense incidental thereto.

4. If at any time there should be evidence of any lien or claim for which Owner or Manager is or might become liable, or for which the Real Property is, or might become subject to and which is chargeable to Contractor or any of its subcontractors, after allowing Contractor thirty (30) days to remove such lien, Owner or Manager shall have the right to retain out of any amounts due Contractor (as in for example, disbursements of any tenant improvement allowance), which shall be above and beyond any retention amounts, an amount sufficient to clear the lien or claim and completely indemnify the Landlord Parties against such lien or claim along with all associated costs, which shall in no way serve as an election of remedies by Owner or Manager. Contractor may obtain possession of the retained amount, provided that Contractor (a) posts a bond or other security in an amount sufficient to fully indemnify the Landlord Parties against the lien or claim, and (b) obtains Owner or Manager's approval as to the adequacy and quality of the bond or security, which Owner or Manager shall not unreasonable withhold. The cost of any such bond shall be borne by Contractor.

5. Contractor shall not take and is not authorized to take any action in the name of or otherwise on behalf of Owner or Manager which would violate any applicable law. If Contractor knowingly performs any Work or engages in any other activities contrary to applicable law, Contractor shall bear any and all additional costs resulting therefrom, including, but not limited to, the costs of correcting the Work or repairing the Real Property to comply with such law and the cost of fully indemnifying the Landlord Parties from all violations.

6. Contractor shall immediately cause all Landlord Parties to be released from any liability or penalty which may be imposed on Contractor, its employees, agents or subcontractors by reason of any alleged violation or violations of applicable law by Contractor in performance of the Work.

7. Contractor waives any right to consequential, special or indirect damages or loss of anticipated profits, except for acts of gross negligence or intentional misconduct by Owner or Manager. Notwithstanding anything else contained herein to the contrary, Contractor shall look solely to Owner's interest in the Real Property and any proceeds from a sale of the Real Property that actually remain undistributed, for satisfaction of any liabilities or obligations of Owner under this Agreement. No Landlord Party shall be personally liable for any such liabilities or obligations whatsoever.

8. If litigation is instituted between Owner and Contractor, the cause for which arises out of or in relation to this Agreement, the prevailing party in such litigation shall be entitled to receive its costs (not limited to court costs), expenses and reasonable attorneys' fees from the non-prevailing party as the same may be awarded by the court.

It is expressly understood and agreed that the foregoing provisions shall survive the termination or expiration of any agreement between Contractor and Tenant.

Schedule

According to a study we commissioned with Frost & Sullivan, in 2015 there were more than 46,000 corporate organizations in North America and more than 165,000 worldwide that are in our addressable market with revenues greater than $50 million. According to Frost & Sullivan, these companies employ over 13 million accounting and finance personnel, with over 5.5 million in North America alone, all of whom could be potential users of our software platform. Based on its assessment of the number of corporate organizations, accounting and finance personnel globally and certain assumptions regarding pricing of our products, Frost & Sullivan estimates that our total addressable market in 2015 was $7.2 billion in North America and $9.4 billion in Europe, Asia Pacific and Latin America, and is expected to grow to a global total addressable market of $19.7 billion by 2018.
