**Item 8.01 Other Events**

On November 17, 2024, the board of directors of BlackLine, Inc. (the “Company”) authorized the repurchase of up to \$200.0 million of the Company’s common stock. Repurchases are expected to begin in the first quarter of fiscal year 2025 and the authorization will expire at the end of the first quarter of fiscal year 2027.

Repurchases may be made from time to time through open market repurchases or through privately negotiated transactions subject to market conditions, applicable legal requirements and other relevant factors. Open market repurchases may be structured to occur in accordance with the requirements of Rule 10b-18 of the Securities Exchange Act of 1934, as amended. The Company may also, from time to time, enter into Rule 10b5-1 plans to facilitate repurchases of its shares under this authorization. The repurchase program does not obligate the Company to acquire any particular amount of its Class A common stock, and it may be suspended at any time at the Company’s discretion. The timing and actual number of shares repurchased may depend on a variety of factors, including price, general business and market conditions, and alternative investment opportunities.
